PART 2"

FADE IN:

INT. THE MONITORING ROOM AT D.A.T.A. BASE - DAY

PAUL, MARK, EDDIE, RACHEL, KIA, SCOTT, and DOC stand in front of AURELIUS with confused looks on their faces. Aurelius notices.

AURELIUS

Why are you all staring at me like this?

PAUL

Sorry, but it's not like any of us have ever seen anything like you before.

MARK

Are you really sure about that?

PAUL

And that's supposed to mean?

RACHEL

Think about it, after all we've seen as Rangers so far, is a transforming sword thing really all that unlikely?

SCOTT

I don't know about anyone else, but I'm still looking for Decepticon insignia.

RACHEL

Scott, knock it off.

PAUL

And you think I'm bad when it comes to pop culture references.

DOC

Can we all just pipe down for a minute? Besides we have a much more important matter to talk about.

EDDIE

And that'd be?

DOC

What are we going to do with Aurelius?

AURELIUS

What are you planning?

DOC

For one thing, you're a potentially dangerous artifact. You need to be studied, and shipped off to be stored.

AURELIUS

But I was just woken up from centuries of slumber.

DOC

I'm sorry, but even though you've allied yourself with us, and we're glad you did, we still can't be sure if it's safe to have you around. Try to understand.

AURELIUS

Fine I guess.

FADE OUT.

FADE IN:

INT. DR. VENGE'S PRIVATE LAB - DAY

DR. VENGE stands before his workbench that has a Vengine and the Egg of Mu resting on it. CHAOTROS enters carrying a ball of blue energy in his right hand. Chaotros walks over to Dr. Venge.

DR. VENGE  
And that power is?

CHAOTROS  
The essence from that pathetic magician monster Malevala summoned a while ago. Do you have the Vengine?

Dr. Venge picks the Vengine up.

DR. VENGE  
Right here.

Chaotros places the energy into the Vengine, and the Vengine starts.

DR. VENGE  
Now what?

CHAOTROS  
If what Dragos said is in fact true then there's at least one more of those creatures contained in the Egg. We just simply place the Vengine in the Egg and the next creature will be born with a Quest Form.

Dr. Venge opens up the Egg and places the Vengine inside of it. The Egg closes up and the sound of a beating heart can be heard coming out of Egg somewhat loudly.

DR. VENGE  
I suppose all we have to do know is wait.

VOICE  
Yes.

DRAGOS comes into the lab.

CHAOTROS  
How long have you been there?

DRAGOS

I just got here. And I'm lucky I'm still standing after that near fatal blow from the Sword.

CHAOTROS

Looks like I've got a new item to add to my shopping list.

DRAGOS

It appears that the Sword has chosen the Red Ranger to be the one to wield it.

CHAOTROS

We'll just have to see about that, now won't we?

FADE OUT. OPENING CREDITS.

FADE IN:

INT. THE COFFEE SHOP - DAY

Paul makes his rounds around the tables tending to a few customers. ISABEL is behind the front counter. Mark, Eddie, Rachel, Kia and Scott are sitting around the couch. All seems quiet until Aurelius barges into the shop. Aurelius walks over to Paul. The customers inside see him, get scared, and rush out. A somewhat scared look goes over Isabel's face.

ISABEL

Paul, would you mind telling me what that thing is?

PAUL

What are you doing here?

AURELIUS

I couldn't stand the test that Doc was running so I busted out of D.A.T.A. Base. Plus I wanted to see you.

Mark, Eddie, Rachel, Kia and Scott walk over to Paul and Aurelius. Mark starts to laugh, and the jewels on Aurelius' chest start to glow a little.

PAUL

What's so funny?

MARK

Nothing. Nothing.

Paul starts to pace around a little, and Aurelius follows him.

EDDIE

Why is he following Paul around like this?

MARK

It's like Paul just got a new golden retriever. And yes Paul that's what I was finding so funny.

Paul stops pacing, and Aurelius smacks into Paul. This causes Paul to fall flat on his face. Mark, Eddie, Rachel, Kia and Scott are all trying to contain some laughter. The jewels on Aurelius' chest glow a little more.

ISABEL

Nobody answered my question. What is this thing?

AURELIUS

I am Aurelius, the golden Sword of Mu.

ISABEL

(unsure) Okay.

Aurelius notices that Paul is on the floor. He then picks Paul up and holds him like a baby.

PAUL

Mind putting me down?

Aurelius drops Paul, and he falls on his butt. Paul slowly gets back to his feet, but looks as if he is in some pain. Paul slowly walks over to the counter. Once again Aurelius follows him.

RACHEL

It really is like Aurelius is Paul's new golden retriever.

MARK

Now that I think about it, I don't think calling Aurelius a golden retriever is a good idea.

SCOTT

Why not?

MARK

I'm not sure what breed Paul's old dog was. So-

PAUL

(in some pain) Golden lab.

MARK

That's better.

Paul starts to rub his back a little, only to have Aurelius start to massage him, which causes him more pain.

PAUL

OW! (angrily) Stop it!

Aurelius stops, and the brightness of his chest jewels starts to fade. Paul turns around to Aurelius.

PAUL

Look I don't know what you're trying to do, but you're causing me more pain than anything else. Not to mention that you scared off all of my customers. So please, go back to D.A.T.A. Base.

The jewels on Aurelius' chest start to fade a little more. Aurelius punches Paul, which knocks him down. Aurelius then takes off out of the shop, and bursts through one of the windows. Paul's morpher rings, and he takes it out and answers. Doc appears on screen with a black right eye.

DOC

Have you guys seen Aurelius?

PAUL

He came here to the coffee shop, but-

DOC

What'd you do?

PAUL

I kinda yelled at him, and he took off.

DOC

I don't think I need to tell you that you need to find him.

PAUL

No Doc, and we'll go right now.

Paul ends the call and puts his morpher away.

MARK

Let me guess, we have to go find Aurelius now?

PAUL

Exactly.

ISABEL

What about the window?

PAUL

Just call our usual window guy.

FADE OUT.

FADE IN:

EXT. THE STREETS OF LINCOLN PARK - DAY

Mark and Kia (both morphed) run through the streets.

KIA

Is it just me, or was Red a little hard on Aurelius?

MARK

I couldn't agree with you more. But then again, wouldn't you have done the same in his position?

KIA

I'll give you that much. But where are we even going to begin to look for Aurelius?

MARK

I know. Especially since Blue and Siren took the D.A.T.A. Tracker. Not to mention that we don't have an energy signal for Aurelius.

EXT. ANOTHER PART OF THE CITY - DAY

Eddie, and Scott (both morphed) are driving in the D.A.T.A. Tracker. Scott is in the driver's seat, and Eddie is in the front passenger seat.

EDDIE

I still can't believe you won that coin toss.

SCOTT

I'm just lucky. Besides I thought somebody didn't have his driver's license.

EDDIE

I have my license. But I still don't know how you were able to win the coin toss like that.

SCOTT

I told you I'm lucky.

EDDIE

I want to see the coin when we get back.

SCOTT

So you still don't trust me after the month or so that I've been a Ranger?

EDDIE

Not really. No.

EXT. ANOTHER PART OF THE CITY - DAY

Paul and Rachel (both morphed) run down the street.

RACHEL

You do realize that you were a little hard on Aurelius, right?

PAUL

Like you wouldn't have yelled at him like that if you were in my position. You saw that he was being a literal pain in the neck.

RACHEL

That may be true, but you seem to be forgetting that he's been dormant for thousands of years.

PAUL

You're not going to guilt trip me, are you?

Paul and Rachel pass by a park where a couple of little kids (a mix of boys and girls) have gathered. They stop when they hear what the kids are talking about.

BOY 1

Hey did you hear about the gold guy?

BOY 2

What gold guy?

GIRL 1

He's this cool gold robot guy.

BOY 3

C'mon let's go.

The kids take off and Paul and Rachel slowly follow them, not allowing themselves be seen by the kids. The kids lead Paul and Rachel to a plaza where numerous other kids surround Aurelius. The kids in the plaza are all looking up at him with astonished faces. The kids that lead Paul and Rachel to the plaza join the kids around Aurelius.

BOY 4  
Wow, he's so cool.

GIRL 2  
Who are you?

AURELIUS  
I am Aurelius the golden Sword of Mu.

BOY 2  
Are you a robot?

AURELIUS  
What is a robot?

BOY 3  
You don't know what a robot is?

AURELIUS  
I am from a civilization that existed  
centuries ago.

Paul and Rachel creep around the plaza and are not seen by the kids or Aurelius. Paul takes out his morpher, rotates the screen, and dials a number.

PAUL  
We found him.

Paul puts his morpher away and he and Rachel closely observe Aurelius with the kids. The kids for the most part all seem to be smiles and giggles as they play with Aurelius a little bit. Aurelius' chest jewels start to glow a little. As Aurelius continues to play with the kids it almost sounds as if he is hurting them. Paul and Rachel rush out.

PAUL  
Okay Aurelius that's enough.

Aurelius stops what he is doing and the kids see Paul and Rachel.

GIRL 3  
Wow the Red and Yellow Rangers.

BOY 4  
What are you going to do with Aurelius?

RACHEL  
The Red Ranger needs to have a little  
talk with him.

AURELIUS

But Rach-

PAUL

Call us by color.

AURELIUS

But Yellow-

PAUL

But nothing. Yellow take the kids home.

Rachel rolls her head a little and lets out a frustrated grunt as she gathers the kids and leads them away from the plaza. Aurelius' chest jewels fade.

AURELIUS

Okay what do you want to talk about?

PAUL

Look if you're going to be running around like this, we're going to have to set up some ground rules.

AURELIUS

Like?

PAUL

Well for one thing no barging into my coffee shop like that.

AURELIUS

Why not?

PAUL

If you're going to potentially be apart of the team, we can't have you compromising our identities. So you can't hang out with us in public while we're unmorphed. We've worked too hard to keep our identities secret from almost everybody, especially our enemies.

AURELIUS

Okay. Anything else?

PAUL

About your sword mode-

AURELIUS

I would prefer to only have to be in that form, if I really have to.

PAUL

Why?

AURELIUS

Centuries ago, Mu, and its sister continent Lemuria, was at war with the Atlanteans. To try to put an end to the wars Mu and Lemuria's top scientist created the Beast of Mu to try to win the war. However its power was far greater than they had expected.

PAUL

So they then created you to control it.

AURELIUS

Exactly, but as with the Beast of Mu they got more than they bargained for. What they did not expect was that I would have my own consciousness, and that I would not exactly be a fan of fighting.

PAUL

Then how were they able to get you to cooperate?

AURELIUS

Through the elliptical seal on my chest, they sealed me into my sword form, and kept me there. And as such were able to use my power for their own desires.

PAUL

What about the whole "righteous heart" thing?

AURELIUS

Before I was sealed, a Lemurian scientist sympathized with me, and right before both Mu and Lemuria were swallowed into the depths, he took the Egg of Mu, a Lemurian treasure, and me and sailed until he was able to find land. And you pretty much know the rest.

PAUL

You still didn't really answer my question.

AURELIUS

This scientist was also a powerful sorcerer, and placed a spell on me after putting me in the stone. Please Red, I do not want to fight if I do not have to.

PAUL

Don't worry. I won't make you do anything you don't want to do.

VOICE

I on the other hand will make you fight.

Paul and Aurelius turn around to see Chaotros who is holding the Egg.

PAUL

So that's where the Egg went.

CHAOTROS

Where else did you think it'd go?

PAUL

The other Rangers and I thought it was destroyed.

CHAOTROS

Well you're all wrong, and I've got a little surprise for you. Muariel!

Muariel appears in its new Quest Form appears.

PAUL

Is that-

CHAOTROS

Yes. This new Muariel is powered by a Vengine, and has its own Quest Form. Muariel, I think you know what to do.

Muariel charges at Paul, and strikes him. The attack knocks Paul down, and Aurelius notices. Aurelius' chest jewels completely fade to black, and his eyes stop glowing. Aurelius then turns his chest seal and he converts back to his sword form. Muariel takes a break from attacking Paul, which gives him an opportunity to pick up Aurelius. Paul then charges at Muariel and tries to slash at it, but the attack does nothing. Paul tries a few more slashes, but like the previous slash they all do nothing. Muariel strikes Paul numerous times with its arm, and Paul takes all of the hits, which cause Aurelius to fly up in the air. Chaotros catches Aurelius.

CHAOTROS

Perfect, I have the power to create these beasts and the power to completely control them as well. Muariel obliterate the Red Ranger!

Chaotros points the tip of Aurelius' sword form at Muariel, but nothing happens.

PAUL

That power will never work for you. Since you don't have a righteous heart.

CHAOTROS

But you were unable to use the power.

PAUL

That was my own problem.

CHAOTROS

Either way, if I can't have the power of this sword, then no one will. And with the Sword gone, then Muariel will be invincible.

Muariel fires a blast at Paul, which knocks him down. When Paul gets back to his feet, Chaotros and Muariel have disappeared. The other Rangers (all still morphed) come up to Paul.

MARK

What happened?

PAUL

Chaotros has the Egg, and he created another Muariel. But there's a difference.

EDDIE

What?

PAUL

It has a Quest Form like Jaguas or Tigras. And to add insult to injury Aurelius must've powered down or something, and Chaotros took him.

RACHEL

How could you let that happen?

PAUL

I think by now you should know that this isn't the sort of thing that'd I'd let happen.

KIA

Did Aurelius convert back to sword mode  
before Chaotros took off with him?

SCOTT

What makes you say that?

KIA

Think about it, how would Chaotros be  
able to take off with something as big  
as Aurelius?

PAUL

You're completely right about Aurelius  
Pink, but I think we should head back  
to D.A.T.A. Base.

FADE OUT.

FADE IN:

INT. THE MONITORING ROOM AT D.A.T.A. BASE - DAY

Part of the room has been destroyed, as Doc stands before one of the screens with a bag of frozen peas pressed against his right eye. Paul, Mark, Rachel, and Kia (now unmorphed) enter. Mark notices the bag.

MARK

What's with the peas?

DOC

I need something to try to cool down the pain from the black eye Aurelius gave me. And I don't have an ice pack.

Paul surveys the damage done to the room.

PAUL

Did Aurelius cause all of this?

DOC

Who else would've? He didn't exactly seem like he wanted me to do the experiments. Especially considering that we could use him as a weapon.

PAUL

I don't think that's such a good idea.

DOC

Why not?

PAUL

Aurelius doesn't exactly like fighting, and he doesn't exactly like to be in his sword form.

RACHEL

And you know this how?

PAUL

He told me. We had a little talk after you left with the kids. He told me practically everything, about how he was created as a control device for Muariel, and how Mu and Lemuria's top scientists created Muariel.

MARK

Wait a minute, that book I found in the library only mentioned Mu, where'd Lemuria come from?

PAUL

Maybe there are certain facts that were left out. He also mentioned that Muariel was created to end the war between Mu, Lemuria, and the Atlanteans.

DOC

So Atlantis really did exist.

PAUL

You'll have to talk to Aurelius about that.

DOC

Before I forget, where are Scott and Eddie?

PAUL

I sent them out looking for Aurelius. I figured the Detect Staff's search functions would be best.

DOC

Good thinking, that's exactly what I designed it for.

The communication sound goes off and Scott (still morphed) appears on screen standing before a warehouse, and holding the Detect Staff against his right shoulder.

SCOTT

Guys come in.

PAUL

Did you find Aurelius?

SCOTT

Even better, I also found the Egg.

DOC

You did?

SCOTT

The Detect Staff was picking up two different artifacts.

MARK

And the only other one that's out there  
is the Egg.

SCOTT

That's what I was thinking.

PAUL

We'll be there as soon as we can.

The screen with Scott on it goes blank.

RACHEL

All we need to do now is figure out how  
to get Aurelius back in action again.

MARK

I think I know.

KIA

How?

MARK

When he was in the coffee shop his  
chest jewels started to glow when we  
were laughing at Paul.

PAUL

Come to think of it the same thing  
happened when he was with the kids. And  
the jewels turned black when the kids  
left.

RACHEL

So he's temperamental?

PAUL

He must be, but we've got to go now.

FADE OUT.

FADE IN:

EXT. A WAREHOUSE - DAY

Paul, Mark, Rachel, and Kia (all morphed) run up to the area where Eddie and Scott (both morphed) are standing.

MARK

So how'd you guys find Aurelius?

EDDIE

We actually didn't.

SCOTT

They did.

Eddie and Scott turn to their left where a few of the kids from before are standing. Paul turns to the kids.

PAUL

You found Aurelius?

BOY 1

We heard is voice.

BOY 3

Is he going to be okay?

KIA

Don't worry he'll be fine.

PAUL

We're going to save him right now.

RACHEL

Now you kids should get going, it could get a little dangerous.

The kids run off.

PAUL

Okay, let's do this.

INT. THE WAREHOUSE - DAY

The Rangers run through the warehouse, and up to a control device that a few Abras are standing around. The Abras turn to the Rangers. Paul looks up to see Aurelius in sword form wrapped in a chain, and suspended between two thick metal slabs. There is quite a bit of frost on Aurelius, and a mist is falling onto him.

SCOTT

Aurelius!

RACHEL

It's freezing in here!

Kia takes out her morpher in scan mode, and does a quick scan.

KIA

It's minus two hundred Celsius.

Chaotros steps out onto the stairwell in the distance.

CHAOTRS

So you've come to witness the destruction of the Sword? Well you're just in time because it's now at the perfect temperature.

The two metal slabs start to close in on Aurelius. Muariel appears behind the Rangers. Scott faces Muariel.

SCOTT

I'll take out the freak.

Scott charges at Muariel with the Detect Staff in hand. Scott tries to attack, but Muariel strikes first.

PAUL

Pink, Blue, destroy all this equipment.

EDDIE AND KIA

Got it.

Eddie and Kia run off toward the equipment with their D.A.T.A. Swords in hand. The Abras try to attack them, but they both give the Abras a couple of kicks. An Abras tries to attack Eddie, but he gives it a quick slash. Eddie and Kia then start to slash at the Abras.

PAUL

Okay, we've got to save Aurelius.

Paul, Mark, and Rachel jump up and over the freezing equipment and land near the metal slabs. Mark and Rachel press against the slabs to try to stop them from getting any closer to Aurelius.

PAUL

Okay Aurelius, here goes nothing.

Paul reaches out to grab Aurelius, but blue energy bolts go over his hands and knock him onto the floor. Chaotros watches the Rangers from a higher platform.

CHAOTROS

You won't win.

Paul stops rolling from the shock, and stays on the floor for a while. Muariel gives Scott numerous attacks, but Scott eventually breaks free of the barrage.

SCOTT

C'mon Red, you can do better than this!

The Abras close in on Eddie and Kia a little, and Eddie manages to prevent an Abra from attacking Kia.

EDDIE

Do it Pink!

Kia runs toward the equipment. She slashes at the incoming Abras, until finally getting to the main component of the freezing equipment. Kia grabs onto the main component, but blue energy beams go over her hand, and she falls back, and onto the floor. Eddie notices.

EDDIE

You okay?

KIA

I'm fine. We've got to save Aurelius.

Kia gets back to her feet. In their area Mark and Rachel struggle with keeping the slabs back from smashing Aurelius.

MARK

Just hang in there a little longer.

RACHEL

I know, I know, but I'm not sure about Aurelius.

The jewels on Aurelius start to glow a little.

PAUL

Aurelius, I'm sorry about everything. You're not dangerous. You're our friend. And together we can beat anything!

Mark and Rachel quickly pull back the slabs. Kia gives the main component a hard slash. Eddie finishes off the Abras. Aurelius starts to glow, breaks through the chain, and flies into Paul's right hand.

CHAOTROS

Impossible!

Chaotros leaves.

PAUL

Aurelius, let's do it.

Paul turns Aurelius' chest seal, and Aurelius transforms.

AURELIUS

I'm back.

Mark, Eddie, Rachel, and Kia gather around Paul and Aurelius.

RACHEL

Wait, did we just give him power?

MARK

Probably.

EDDIE

Especially now that he's on our side.

Muariel gives Scott a hard blow, which knocks him down to the floor. Scott rolls toward the other Rangers.

KIA

Siren!

Kia crouches down to help Scott back to his feet.

PAUL

Okay guys protect Aurelius.

Everyone draws his or her Blaster and fires at Muariel. The shots cause Muariel to go flying out of the warehouse.

EXT. THE WAREHOUSE - DAY

Muariel falls to the ground and the Rangers come out of the warehouse. Aurelius comes out carrying the Egg. Mark notices.

MARK

Did you take the Egg from Chaotros?

AURELIUS

Is that what that guy's name is?

MARK

Yeah.

SCOTT

Does it really matter how we got it  
back?

Muariel gets back to its feet.

PAUL

Let's get it!

The Rangers charge at Muariel. Rachel and Kia jump up and give Muariel simultaneous flying punches. Eddie and Scott follow and give Muariel flying kicks. Finally Paul and Mark land simultaneous slashes from their D.A.T.A. Swords. Muariel falls back a little, but charges at the Rangers striking all of them. Eddie comes up behind Muariel and tries to kick it, but Muariel strikes Eddie. Scott comes in and tries to attack, but Muariel strikes Scott before he can do anything. Mark tries to hit Muariel, but has the same luck as Eddie and Scott. Paul tries to attack with his D.A.T.A. Blaster in hand, but Muariel attacks first. Paul goes flying, and when he lands the other Rangers gather around him. Muariel fires a blast, but Aurelius comes in quickly and stops it.

PAUL

Aurelius?

Aurelius charges at Muariel and Muariel charges at Aurelius. Aurelius gives Muariel a couple of punches, followed by a couple hard kicks. Muariel tries to attack, but Aurelius ducks under it, and punches Muariel quickly a few times, and then gives Muariel a couple straight kicks, followed by a hard roundhouse kick. Muariel goes flying back.

PAUL

Did he do it?

Muariel gets back to its feet.

KIA

Wait a minute; his weakness should be  
the Vengine. Aurelius, aim there.

AURELIUS

Got it!

Aurelius pauses for a second, as he readies an attack.

AURELIUS

Scissor Kick!

Aurelius starts to give Muariel a series of powered up cross kicks. The kicks hit Muariel's Vengine, destroying it. Muariel falls down and seemingly explodes. The Rangers gather around Aurelius.

PAUL

Great work.

AURELIUS

Thanks Red.

Muariel gets back to its feet and grows to gigantic size.

EDDIE

It grew?

Chaotros watches everything from a rooftop.

CHAOTROS

Venge!

Dr. Venge appears beside Chaotros.

DR. VENGE

Yes Chaotros?

CHAOTROS

How did Muariel grow like that?

DR. VENGE

The Vengine must have suppressed its natural height, so when it got destroyed-

CHAOTROS

It grew to gigantic size.

DR. VENGE

Exactly. Is there anything you want me to do?

CHAOTROS

No, I think I'll just let Muariel finish off the Rangers like this.

Chaotros and Dr. Venge disappear. Aurelius looks up at Muariel, and his eyes and chest jewels stop glowing. Aurelius falls down.

KIA

Aurelius!

MARK

Pull yourself together man.

PAUL

He must've used up all of his power on that attack.

SCOTT

Then what are we going to do?

PAUL

The only thing we can do.

Paul takes out his morpher and rotates the screen.

PAUL

D.A.T.A. Trekkers venture forth!

Scott opens up his morpher.

SCOTT

Rescue Trekkers venture forth!

In the distance Dump 1, Formula 2, Gyro 3, Dozer 4, Marine 5, Drill 6, Shovel 7, Mixer 8, and Crane 9 make their way toward the Rangers. Fire 11, Aider 12, and Police 13 soon follow them. Dump 1, Formula 2, Gyro 3, Dozer 4, Marine 5, Drill 6, Shovel 7, Mixer 8, and Crane 9 combine.

PAUL, MARK, EDDIE, RACHEL, AND KIA

D.A.T.A. Megazord, Auxiliary Mode!

Fire 11, Aider 12, and Police 13 combine.

SCOTT

Siren Blast Megazord, online!

The two Megazords confront Muariel.

SCOTT

Tidal Blast!

The Siren Blast Megazord puts its hands on its shoulders, and fires the Tidal Blast attack. Muariel forms a barrier around itself, which blocks the attack.

SCOTT

What the-

The D.A.T.A. Megazord charges at Muariel.

PAUL, MARK, EDDIE, RACHEL AND KIA

Double Strike!

The D.A.T.A. Megazord does the Double Strike attack on Muariel, but it does nothing. Muariel then retaliates, but striking the D.A.T.A. Megazord hard.

PAUL  
We need Jet 10.

In the distance Jet 10 makes its way to the area. The D.A.T.A. Megazord jumps up and combines with it.

PAUL, MARK, EDDIE, RACHEL, AND KIA  
D.A.T.A. Trek Megazord, online!

Muariel jumps up and takes to the sky, as the D.A.T.A. Trek Megazord powers up.

PAUL, MARK, EDDIE, RACHEL, AND KIA  
Flying Blast!

The D.A.T.A. Trek Megazord fires the Flying Blast attack, but it does nothing to Muariel. Muariel flies through the attack and strikes the D.A.T.A. Trek Megazord. The D.A.T.A. Trek Megazord falls face first onto the ground, and the Siren Blast Megazord comes up beside it. Muariel lands.

SCOTT  
You guys okay?

KIA  
This thing is more powerful than the last one.

PAUL  
We can't give up now. Just laugh.

RACHEL  
What?

PAUL  
Just think about everything that happened at the coffee shop and laugh. It gives Aurelius power.

The D.A.T.A. Trek Megazord gets back to its feet. On the ground the kids from before have gathered around Aurelius who is lying on his back.

BOY 2  
What happened Aurelius?

BOY 3  
You hurt?

BOY 1

Wake up.

ALL OF THE KIDS

Aurelius.

Aurelius can see both Megazords fighting against Muariel, all the while seeing each of the Rangers' smiling faces as they all laugh. Aurelius' eyes and chest jewels glow again, and he gets back to his feet. Aurelius turns to the kids.

AURELIUS

You stay right there.

Aurelius turns around again, runs out a little, and grows to gigantic size. Aurelius jumps up and flies. Muariel fires a blast at both Megazords, and they both take the hit. Aurelius lands between the two Megazords.

AURELIUS

I am here.

PAUL

Aurelius?

RACHEL

He grew?

EDDIE

This for real?

KIA

What are we going to do now?

Aurelius charges at Muariel and does a series of kicks that occur exceedingly fast. Aurelius lands and trips Muariel, who falls to the ground. Aurelius grabs onto Muariel, and picks him up. Aurelius then winds up his left arm a few times, and gives Muariel a hard punch. Muariel goes flying back and the D.A.T.A. Trek Megazord comes up behind Aurelius.

PAUL

Aurelius, let's do this together.

AURELIUS

I am with you.

Aurelius converts himself into his sword form.

AURELIUS

I want you to use my sword form to finish off Muariel.

Aurelius hovers above the D.A.T.A. Trek Megazord, and the D.A.T.A. Trek Megazord raises its arms up.

PAUL

Giant Golden Slash!

The D.A.T.A. Trek Megazord brings its arms down, which also brings down Aurelius. Aurelius slashes Muariel, and it splits in two as it explodes.

MARK

We did it.

EDDIE

Okay.

KIA

Yes.

SCOTT

Great work.

FADE OUT.

FADE IN:

INT. THE MONITORING ROOM AT D.A.T.A. BASE - DAY

Everything has been repaired as the Rangers, Doc, and Aurelius stand around.

DOC

Well given everything that happened today, I don't see any reason to ship Aurelius off.

AURELIUS

So I get to stay?

DOC

Exactly. Besides we can't let a power weap-

PAUL

Doc you might want to choose your words a little better, because I think Aurelius proved that he's more than just a weapon.

MARK

Besides he's more like one of us, than just a weapon.

SCOTT

Yeah. Last time I checked the Detect Staff couldn't grow to gigantic size like that. Or even talk.

DOC

Okay, so he's not just a weapon. He's a new member of the team.

AURELIUS

Come to think about it, could I have my own Ranger name?

DOC

What were you thinking?

AURELIUS

How about "Gold Ranger"?

PAUL

That's been done.

KIA

Besides, your armor is your body and not a thin layer of spandex with a helmet.

AURELIUS

I guess I can live with just going by my name. But could I at least call myself the "golden sword of Mu" as a nickname?

PAUL

Sure, why not?

MARK

Oh Doc, how were you able to get everything back together so fast?

DOC

Like you guys I have my ways, and that's all you really need to know.
