CLASH"

FADE IN:

INT. DR. VENGE'S PERSONAL LAB - DAY

DR. VENGE, JAGUAS, and TIGRAS stand around in the lab.

DR. VENGE

After doing some tests on the latest
Negazord, we have a slight problem.

JAGUAS

What?

DR. VENGE

Its power source isn't enough, but I've
done some test and there's something we
can use.

TIGRAS

What?

DR. VENGE

The Rangers' power.

JAGUAS

Wait a minute; you mean to tell me that
you Venge, who felt that we drained
enough power from the Black and Yellow
Rangers a few days ago, are saying that
we need to drain power from the
Rangers?

DR. VENGE

That's what I said. At the very least
four of the Ranger will be enough, but
if we get all six, we'll be
unstoppable.

TIGRAS

So what's with the sudden change of
heart towards draining the Rangers of
their power?

INSIDIA comes into the lab.

INSIDIA

Venge, could you give Jaguas, Tigras
and I a moment alone?

DR. VENGE

Yes mistress.

Dr. Venge leaves the lab.

JAGUAS

Something's got to be up. Venge doesn't normally call you "mistress".

INSIDIA

And this is why I wanted Venge to leave the room. Because I can tell you why he's had this sudden change of heart toward draining the Rangers' power.

TIGRAS

What?

INSIDIA

As you know most of my minions are loyal to me, you two especially, however the act of compassion that Venge showed the Black and Yellow Rangers cost us the Sun of Lemuria. And as you are both well aware, with me no bad deed goes unpunished.

TIGRAS

So you put some mind control on him.

INSIDIA

Exactly, however I'm not overly sure how long it's going to last. My mind control affects dimwits the best, people of average intelligence somewhat effectively, but people of a higher intelligence, like Venge, usually fight it off.

JAGUAS

Well you'll just have to keep treating him won't you?

INSIDIA

I will.

TIGRAS

So is that all mistress?

INSIDIA

For the most part yes, although if you're going to be draining the Rangers of their energy again, I do have one request.

JAGUAS

So who do you want us to start with?

INSIDIA

The one Ranger who has been the biggest
thorn in my side, since we first
started attacking this planet.

TIGRAS

And who's that?

INSIDIA

Who else? The Red Ranger.

FADE OUT. OPENING CREDITS.

FADE IN:

INT. THE MONITORING ROOM AT D.A.T.A. BASE - DAY

DOD stands in front of one of the screens pounding away at the computer keys underneath. Schematics for Drill 6, Shovel 7, Mixer 8, Crane 9, Jet 10, Fire 11, Aider 12, and Police 13 are displayed on the screen. After a few minutes Doc stops. AURELIUS walks into the room.

AURELIUS

So what's going on?

DOC

I finally have the repairs on the rest of the Trekkers finished. And the Rescue Trekkers were especially hard to do no thanks to someone.

AURELIUS

I was being manipulated by the power of the Sun of Lemuria. I couldn't help it.

DOC

I know. It's just that this has been keeping me up at night for the past little while.

Doc yawns a little. Aurelius walks over to him and picks him up.

DOC

What are you doing?

AURELIUS

If you're tired then I'm going to put you to bed.

Aurelius starts to carry Doc out of the room.

DOC

Put me down.

AURELIUS

Okay, you're ugly and you smell bad.

DOC

Not like that!

INT. DOC'S BEDROOM - DAY

Aurelius walks into the room still carrying Doc. Aurelius walks up to the bed and lets go of Doc. Doc falls onto the bed.

AURELIUS

Now just get some sleep.

DOC

But I'm not tired, plus there's some more work I need to do.

AURELIUS

Don't worry about it, and just get some sleep. Don't make me have to knock you out.

Doc kicks off his shoes and gets under the covers.

DOC

There you happy?

AURELIUS

I'll be happy when you're asleep.

DOC

Well go back down to the monitoring room, and I'll fall asleep.

Aurelius leaves the room. Doc gets out of bed.

DOC

Great I'm pushing forty, and I need to escape from a talking sword thing.

Doc puts his shoes back on and positions the pillows on his bed to look like there is someone underneath the sheets. Doc then goes over to a nightstand where a laptop is resting. Doc loads up a continuous cycle of a snoring noise and plays it through the laptop's speakers. Doc places the laptop underneath one of the pillows under the sheets, and leaves the room.

FADE OUT.

FADE IN:

INT. THE COFFEE SHOP - DAY

It is a slow day as PAUL, MARK, RACHEL, KIA, and SCOTT are sitting around the couch. EDDIE comes out of the kitchen area covered in some soapsuds.

KIA

You know I was starting to think that Eddie didn't work here anymore.

PAUL

Well to be fair a lot of times when he came in for a shift, we got called in for our "other job".

KIA

I'll give you that much.

EDDIE

You know I can't help but thank you more Paul for letting me pick up these extra shifts.

PAUL

So what do you need the money for?

EDDIE

Concert tickets.

PAUL

Concert tickets?

EDDIE

The Nightmare Sisters are coming to town and Julia and I want to go.

MARK

And you want to be the good boyfriend and buy her ticket for her, right?

EDDIE

Yes.

SCOTT

So you actually like that band?

EDDIE

What's wrong with them?

SCOTT

They're nothing but prepackaged pop music. Like most of the people currently topping the charts.

PAUL

Thank you Scott, someone else here who agrees with me on them.

MARK

So I kinda like them myself, but only in the same sense that I like Paris Hilton's music.

SCOTT

So you're a so bad it's good kinda guy?

MARK

Pretty much.

SCOTT

Rachel, Kia, what about you?

RACHEL

I'd be dead in the ground before you saw me with a Nightmare Girls MP3 on my laptop.

KIA

I don't have any feelings about them one-way or the other.

ISABEL walks into the shop. She goes over to the Rangers.

ISABEL

So how are things going today?

PAUL

As you can see, it's extremely slow.

ISABEL

It'll pick up eventually.

Doc walks in.

MARK

Doc what are you doing here?

DOC

Trying to escape from Aurelius. I mentioned that I've lost a little sleep while trying to repair the other Trekkers, and he put me to bed.

PAUL
He'd do that.

DOC
And speaking of insomnia...

PAUL
I got you covered.

Paul gets up from his seat, and he and Doc walk to the counter, with Paul getting behind it.

PAUL
Just regular coffee?

DOC
Please.

Paul grabs a cup and pours Doc a cup of coffee. Just as Paul hands Doc the cup, his morpher goes off.

PAUL
Looks like we've got to go.

The Rangers all rush out of the shop. Just as Isabel and Doc are the only ones left, a large crowd of people comes into the shop. Isabel walks over to the counter.

DOC
So what are you going to do about this?

ISABEL
Have you ever waited on tables before?

FADE OUT.

FADE IN:

EXT. AN INDUSTRIAL DISTRICT - DAY

Jaguas and Tigras are standing around firing numerous shots at the surrounding buildings. The Rangers (all morphed) show up. Mark notices the situation.

MARK

They're trying to draw us out again.

EDDIE

But for what?

RACHEL

Maybe they want to drain Black and I of more energy.

Jaguas and Tigras stop firing.

JAGUAS

You're only partially right Yellow Ranger.

TIGRAS

We want the energy of the six of you.

MARK

Great, it's a little worse than the last time they did this.

PAUL

So how about we just skip the usual clichés and just get down to business?

JAGUAS

Sounds good to me.

Jaguas and Tigras split up and Jaguas strikes Paul, Mark, and Rachel, while Tigras strikes Eddie, Kia, and Scott. In their area, Jaguas tries to swipe at Paul, Mark, and Rachel with both of his swords, but they all duck under the attacks, and give him slashes with their D.A.T.A. Swords. Jaguas falls back a little, but charges at Paul, Mark, and Rachel again, firing a few shots at them with his blasters. Paul Mark, and Rachel dodge the shots.

MARK

Are you trying to miss on purpose or something?

JAGUAS

Just wait and see Ranger.

Jaguas continues to fight Paul, Mark, and Rachel. In their area Eddie, Kia, and Scott seem to have a bit of an upper hand over Tigras. Eddie and Kia manage to get numerous slashes in on Tigras with their D.A.T.A. Sword, while Scott is also able to get a few slashes in on Tigras with his Detect Staff. Tigras fires a few shots at the three of them with his blaster, but like Jaguas' shots on Paul, Mark, and Rachel they are dodged.

SCOTT

Why don't you stop trying to hit us,
and actually hit us?

TIGRAS

Just wait and see.

Tigras continues to fend off Eddie, Kia, and Scott. In their area, Paul is frantically punching Jaguas, but stops after a while as Mark and Rachel land simultaneous flying kicks on Jaguas.

RACHEL

That's for capturing me like you did a
while ago.

JAGUAS

Oh really?

Jaguas charges at Rachel and frantically slashes at her with both of his sword. Rachel takes the hits and falls back.

PAUL

Grapple Staff!

MARK

Mach Hammer!

Paul and Mark's signature weapons appear in their hands, and they both jump up. The Grapple Staff has been converted to Tri-mode and Paul has it wound back, while Mark has the Mach Hammer wound back as well. Once Paul and Mark get near Jaguas they both simultaneously strike Jaguas with both of their weapons. Jaguas goes flying back. Paul and Mark land and go over to Rachel.

PAUL

You okay?

RACHEL

(a little annoyed) I'm fine.

In their area, Scott fires numerous shots at Tigras, and Tigras takes the hits. Kia fires a few shots from her Sub Blaster, followed by a powerful tornado from Eddie's Wind Knuckle. Tigras takes all of the hits and goes flying back near Jaguas. The Rangers regroup and confront Jaguas and Tigras.

SCOTT

Looks like we've stopped whatever
you're planning.

JAGUAS

You haven't stopped a thing.

TIGRAS

Later.

Jaguas and Tigras disappear. The morphers go off again. Paul takes his out.

PAUL

(annoyed) What now?

The screen on Paul's morpher is displaying two dots on a map of Lincoln Park. Paul puts his morpher away.

PAUL

Great, another attack!

The Rangers take off.

FADE OUT.

FADE IN:

EXT. A FORESTED AREA NEAR A CLIFF - DAY

Jaguas and Tigras stand around.

TIGRAS

Do you really think they'll come?

JAGUAS

In all of our experience with them so far, they've always showed up to anything we do. Like lambs to the slaughter.

The Rangers (still morphed) run up to the area. Once they get near Jaguas and Tigras, Eddie bends forward, places his hands just above his knees, and breathes a little heavily.

JAGUAS

What's wrong blue boy?

EDDIE

You had to pick this area?

TIGRAS

What's wrong with this area?

SCOTT

We had to come up here by foot.

JAGUAS

Good, my plan's working perfectly.

Jaguas and Tigras charge at the Rangers again, breaking off into the same groups from before. Jaguas tries to slash at Paul, but he ducks underneath the attacks. Jaguas turns to Mark, and manages to slash at him a few times. Mark falls back a little, but draws and converts his D.A.T.A. Blaster. Mark then starts to slash at Jaguas a few times, but eventually pauses and breathes a little heavily.

PAUL

You okay?

MARK

I'm fine. It's just that they're tiring me out.

RACHEL

But why would they want to tire us out?

JAGUAS

Wouldn't you like to know?

Jaguas turns to Rachel and gives her a hard slash. In their area Eddie, Kia, and Scott have Tigras surrounded, but he turns around with his sword, and gives all of them hard slashes. Eddie, Kia, and Scott fall back a little, but they then start to give Tigras a few slashes from their D.A.T.A. Swords and Detect Staff. Tigras falls back, but counters with numerous shots from his blaster. The shots hit Eddie, Kia, and Scott knocking them back and onto the ground. In their area Jaguas fires a few shots at Paul, Mark, and Rachel, but only manages to hit Mark, knocking back to where Eddie, Kia, and Scott are lying. Jaguas and Tigras regroup just as Mark, Kia, and Scott are getting back to their feet. Paul and Rachel charge at Jaguas and Tigras, and jump up to try perform flying kicks, but Jaguas and Tigras fire shots from their blasters at them, which knock Paul and Rachel over the edge of the cliff.

MARK

Red!

KIA

Yellow!

TIGRAS

Now to finish you off!

Jaguas and Tigras touch their blasters together and the Vengines from within their chests can be seen working. The Vengines' power goes through Jaguas and Tigras' arms and into their blasters. Jaguas and Tigras fire the blast at Mark, Eddie, Kia, and Scott, which knocks them down unconscious, but still morphed.

JAGUAS

I'll get the Black and Siren Rangers.

TIGRAS

Looks like I luck out by taking away Pink.

Jaguas and Tigras walk over to Mark, Eddie, Kia, and Scott. Jaguas picks up Mark and Scott. Tigras picks up Eddie and Kia. They all disappear.

FADE OUT.

FADE IN:

INT. A CAVERN - DAY

Dr. Venge is at a control panel that is attached to a machine that has six large glass tubes on it. Mark (still morphed) is in the second tube from the left, Eddie (still morphed) is in the tube beside Mark, an empty tube is in between Eddie's and the one that Kia (still morphed) is in, and Scott (still morphed) is in the tube beside Kia's. Mark, Eddie, Kia, and Scott are sitting within the tubes unconscious, with their backs leaning against the glass. Mark, Eddie, Kia, and Scott regain consciousness and stand up. Mark turns his head around to take in his situation.

MARK

(disappointed) Not again.

Scott makes two fists and starts to pound against the glass.

SCOTT

Let us out of here!

DR. VENGE

Don't worry we'll let you out, once we've drained enough energy from the four of you.

MARK

Wait a minute, you gave me and Yellow an act of compassion a few days ago, what's with the sudden change of heart?

Insidia comes into the cavern.

INSIDIA

Venge I'd like to talk with these Rangers.

DR. VENGE

Yes mistress.

Dr. Venge leaves the cavern.

INSIDIA

To answer your question Black Ranger, the reason for Venge's recent "change of heart" is a little bit of mind control.

KIA

So that's why you wanted him out of the cavern.

INSIDIA

Exactly. I'd be impressed by all of your brains, if it weren't for the fact that, the six of you being too smart for your own good is what always foils my plans.

SCOTT

Well we try.

MARK

So how come there are two empty tubes?

EDDIE

They're for Red and Yellow, aren't they?

INSIDIA

Exactly. We need your Ranger energy to power the new Negazord, and once we get all six of your energies, we'll be unstoppable.

MARK

But you forget that Red and Yellow will come for us and rescue us.

Jaguas and Tigras enter the cavern.

JAGUAS

And that's when we'll attack forcing them into their tubes.

MARK

Just out of curiosity, Jaguas you mentioned some kind of plan. Was it to tire us out so you could capture us?

TIGRAS

That's exactly right.

INSIDIA

Again you Rangers are too smart for your own good. But that doesn't matter now. Venge get back in here!

Dr. Venge enters the cavern again.

DR. VENGE

Yes mistress?

INSIDIA

Be a good boy and start the draining process.

Dr. Venge nods and walks over to the controls. He flips a switch and lights from the tops of the tubes appear. Light in each of the Rangers' colors fills the tubes. Insidia, Jaguas, and Tigras leave the cavern, leaving Dr. Venge behind to watch over the Rangers. The energy drain starts to take its toll on Mark, Eddie, Kia, and Scott and they all fall to their knees within the tubes.

SCOTT

(struggling) Got...to...hang...on.

EDDIE

I'm not sure if I can make it.

KIA

Just try to hold on a little longer.

MARK

Yeah, Red, and Yellow are going to come. Just wait.

FADE OUT.

FADE IN:

INT. THE MONITORING ROOM AT D.A.T.A. BASE - DAY

Aurelius stands in front of the screens. Paul and Rachel (both now unmorphed) enter.

RACHEL

Would you mind telling me why we aren't out there looking for them?

PAUL

I thought I told you on the D.A.T.A. Tracker ride over here, that it's probably best to use D.A.T.A. Base's computers to find them. Plus we need a small recharge from two back-to-back fights.

RACHEL

We can live without the recharge.

PAUL

Really? Do you really think Jaguas and Tigras would go any easier on us if we were looking as tired as the others were?

RACHEL

No, but that's no excuse for just leaving them there.

PAUL

Here's a question for you, when we were stranded on that island do you think everyone else just went out on a worldwide search to find us?

RACHEL

No and they even said that they didn't.

Rachel starts to make a fist with her right hand. Aurelius notices, and his chest jewels start to fade.

PAUL

Plus the nagging that you were doing on the ride over here isn't exactly helping you that much.

RACHEL

That's it!

Rachel launches her right fist at Paul, but he dodges. Paul and Rachel then start to stand face to face.

PAUL

There's no need to get physical.

RACHEL

I'm sorry but it's not exactly like you're making my life that easy right now.

PAUL

(somewhat angrily) Well, what goes around comes around.

RACHEL

And what's that supposed to mean?

PAUL

(somewhat angrily) Let's see, you've always more or less been riding my butt since you joined up with us. There are all of those venomous looks you've shot me from time to time. You spied on a date I had recently.

RACHEL

I was looking out for Laura.

PAUL

(somewhat angrily) Again, with the protecting Laura excuse. And I still can't figure out why you've always been asking me those questions.

RACHEL

You say that about me, but what about you?

PAUL

I've done nothing but try to be nice, but you keep up this abrasive persona.

RACHEL

Like when?

PAUL

Well there's the day we met for one thing. I helped you pick of those books you dropped, but you took off looking a little frustrated when I said that I thought your major was a load.

RACHEL
 (somewhat angrily) What about you
 trying to hit on me the day after that?

PAUL
 (somewhat angrily) Please, Mark
 would've said the same thing when you
 said your screen name was
 "psyche_babe".

RACHEL
 (somewhat angrily) That comment was
 uncalled for, and you know it!

Aurelius comes in between the two of them.

AURELIUS
 Guys please don't fight.

PAUL AND RACHEL
 (angrily) Shut up!

Aurelius' chest jewels completely fade and he falls to the
 ground.

PAUL
 (angrily) See you just made Aurelius
 lose power with your attitude.

RACHEL
 (angrily) My attitude?! You're the one
 who's provoking me!

PAUL
 (angrily) You're the one who provoked
 me!

Paul and Rachel both start to raise their hands in
 frustration and even let out frustrated grunts. Eventually
 Rachel put her hands down.

RACHEL
 (angrily) Egoist!

PAUL
 (angrily) Aggravator!

Paul grabs onto the upper part of Rachel's arms. They both are looking extremely angered by each other and are breathing somewhat heavily. They both make eye contact, and look into each other's eyes for a moment. They continue to look angered by each other, and breath heavily as Paul pulls Rachel towards him, and places his lips onto Rachel's. They share a quick kiss, before Rachel pulls back for a second. Both of their looks change from angered to somewhat loving, as Paul lets go of Rachel's arms, and they both wrap their arms around each other, and start to kiss again for a few minutes. Eventually they stop and look at each other with confused looks.

RACHEL

(unsure) What was that?

PAUL

(nervously) I...don't...know.

RACHEL

(nervously) I...er...uh...let's just forget this and go rescue the others.

PAUL

(nervously) Yeah, good idea.

Paul and Rachel leave the monitoring room while trying not to make eye contact with each other.

FADE OUT.

FADE IN:

EXT. A MOUNTAINOUS AREA - DAY

Part of a mountain gets destroyed as Jaguas and Tigras test out the Strike Negazord.

JAGUAS

The power of this one is amazing.

TIGRAS

Yes, why didn't we drain the Rangers of their energy sooner?

The Strike Negazord turns around, swings its mace and destroys more of the mountainside.

INT. THE CAVERN - DAY

Mark, Eddie, Kia, and Scott (all still morphed) are still in their tubes having their energy drained. Dr. Venge watches over them as Jaguas and Tigras come into the cavern.

JAGUAS

You'll be happy to know that the Strike Negazord works perfectly now that we have a decent enough energy source.

DR. VENGE

The only thing our new energy source is missing is the other two Rangers.

TIGRAS

They'll come by soon enough to rescue their friends.

JAGUAS

And when they do, we'll give Red and Yellow the same treatment we're giving the others.

Jaguas and Tigras start to laugh a little as four metal arrow-like objects fly toward the tubes. The objects hit the tubes, shattering them. Mark, Eddie, Kia, and Scott struggle to get out of the tubes. The colored energy that had been stored within the tubes goes back into its respective Ranger. Once out of the tubes, Mark reaches down to pick up one of the objects.

MARK

Wait a minute this is one of the
grappling hooks from the D.A.T.A.
Scope.

KIA

So that means.

Jaguas squeezes a tight fist with his right hand.

JAGUAS

The Red and Yellow Rangers!

Jaguas and Tigras turn around and sees Paul, and Rachel
(both morphed).

PAUL

Time to let them go.

JAGUAS

You'll have to fight us first.

RACHEL

We're ready.

Jaguas and Tigras both charge at Paul and Rachel. They both swing their arms at Paul and Rachel, but Paul and Rachel duck under the attacks. Paul unleashes a barrage of punches on Jaguas; while Rachel does alternating kicks and punches on Tigras. Jaguas and Tigras fall back. Dr. Venge steps out, charges up his attack of black/purple energy with green gridlines, and fires it at Paul and Rachel, but they both dodge the attack. Paul and Rachel draw their D.A.T.A. Blasters and fire at the control device.

DR. VENGE

You're going to have limited power with
the Negazord now.

JAGUAS

Whatever, we just need to destroy the
Rangers now.

Jaguas and Tigras run off, and Dr. Venge disappears. Mark,
Eddie, Kia, and Scott walk over to Paul and Rachel.

PAUL

How you guys feeling?

MARK

A little better now.

RACHEL

Think you guys can handle piloting the Trekkers?

KIA

Maybe.

EXT. THE MOUNTAIN RANGE - DAY

Paul, Mark, Eddie, Rachel, and Kia make their way out of the cavern to see the Strike Negazord destroying some of the mountain range. Paul takes out his morpher and rotates the screen. He then presses the launch button.

PAUL

Navigator Battleship, venture forth!

INT. THE ZORD BAY AT D.A.T.A. BASE - DAY

The Navigator Battleship activates and launches.

EXT. THE MOUNTAIN RANGE - DAY

Paul, Mark, Eddie, Rachel, and Kia get into their cockpits in the Battleship.

PAUL, MARK, EDDIE, RACHEL, AND KIA

Activate Megazord sequence!

Inside of their cockpits Paul, Mark, Eddie, Rachel, and Kia all press the combine button on their morphers.

PAUL, MARK, EDDIE, RACHEL, AND KIA

Voyager formation!

Paul, Mark, Eddie, Rachel, and Kia all press the horn on their Control Cases. Outside the Battleship separates into the Voyager Trekkers. The Voyager Trekkers combine.

PAUL, MARK, EDDIE, RACHEL, AND KIA

Navigator Megazord, online!

INT. THE CAVERN - DAY

Scott stands around. His morpher starts to ring, and he answers it.

DOC THROUGH THE COMMUNICATOR

Scott just thought I'd let you know that the Rescue Trekkers are back online.

SCOTT

Good to know.

EXT. THE MOUNTAIN RANGE - DAY

The Navigator Megazord confronts the Strike Negazord. The Strike Negazord raises its mace and starts to come toward the Navigator Megazord. The Strike Negazord swings its mace, but the Navigator Megazord blocks the attack. The Strike Negazord swings the mace again, this time making contact with the Navigator Megazord.

KIA

If we take any more hits like that
we're going to be done for.

JAGUAS

Take this!

The Strike Negazord raises its mace again, but the Siren Blast Megazord comes in quickly and punches the Strike Negazord, knocking it down.

MARK

Scott?

SCOTT

My Megazord's up and running again, so
leave it to me.

The Strike Negazord gets back up again.

JAGUAS

Okay, no more screw-ups!

The Strike Negazord charges at the two Megazords. The Siren Blast Megazord tries to hit the Strike Negazord, but the Strike Negazord hits the Siren Blast Megazord with its mace. The Strike Negazord then turns around and hits the Navigator Megazord with its mace. The Strike Negazord thrusts the mace at the Siren Blast Megazord, knocking it down. The Navigator Megazord gets in front of the Siren Blast Megazord, but the Strike Negazord gets a quick hit in on the Navigator Megazord knocking it down to the ground, landing on the Siren Blast Megazord. The Strike Negazord comes up to the two Megazords and raises its mace.

TIGRAS

The final blow!

The Strike Negazord brings down its mace, but stops just before hitting the Navigator Megazord.

TIGRAS

What the-?

JAGUAS

We're seized up. We must've lost too much power.

SCOTT

Now's our chance!

The Navigator and Siren Blast Megazords get back up which knocks the Strike Negazord back. The Strike Negazord gets back to its feet.

SCOTT

Tidal Blast!

The Siren Blast Megazord fires the Tidal Blast attack. The Strike Negazord takes the hits and falls back a little.

PAUL, MARK, EDDIE, RACHEL, AND KIA

Double Screw Punch!

The Navigator Megazord performs the Double Screw Punch attack, and the Strike Negazord takes the hit. The Strike Negazord starts to explode, and Jaguas and Tigras escape before it falls down and completely explodes.

FADE OUT.

FADE IN:

INT. DR. VENGE'S PERSONAL LAB - NIGHT

Dr. Venge sits at his workbench. After a few moments he places his right hand over his eyes, and rubs his eyes.

DISSOLVE TO:

INT. THE SUN OF LEMURIA TEMPLE - DAY

Jaguas, Tigras, Dragos, and Dr. Venge stand around the pedestal. Dr. Venge is also holding the energy drainer. Paul, Eddie, Kia, and Scott (all morphed) stand by Mark and Rachel (both morphed) who are somewhat lying on the ground.

DR. VENGE

So here's a one-time act of compassion
from me.

Dr. Venge turns the energy drainer on the Sun of Lemuria and drains some of its power. The output hits Mark and Rachel.

DISSOLVE TO:

INT. THE CAVERN - DAY

Mark, Eddie, Kia, and Scott (all morphed) stand in their tubes.

MARK

Wait a minute, you gave me and Yellow
an act of compassion a few days ago,
what's with the sudden change of heart?

DISSOLVE TO:

INT. DR. VENGE'S PERSONAL LAB - NIGHT

Dr. Venge is standing before Insidia.

INSIDIA

And to make sure that this is a one-
time thing, just allow me to do
something.

DR. VENGE

What?

INSIDIA

This!

Insidia extends her right hand and a purple-colored wave comes out.

DISSOLVE TO:

INT. DR. VENGE'S PERSONAL LAB - NIGHT

Dr. Venge finishes rubbing his eyes, and a purple tinge appears on his pupils for a second before disappearing.

DR. VENGE

She used her mind control on me. How could I have let that happen? Either way, Insidia isn't going to like what I've got planned next.

Dr. Venge gets up and leaves the lab.

FADE OUT.

FADE IN:

INT. THE APARTMENT ABOVE THE COFFEE SHOP - MIDNIGHT

Paul paces in front of the couch in the living room as Mark, Eddie, and Scott come in and sit down on the couch.

MARK

So what do you want?

PAUL

There's something important I need to talk to you guys about.

EDDIE

What?

INT. THE MAIN PART OF THE COFFEE SHOP - MIDNIGHT

Rachel stands in front of one of the tables where Isabel and Kia are sitting.

ISABEL

So what's so important that you need to talk to us right now?

RACHEL

This is a "girl talk" kind of moment.

KIA

So what's up?

INT. THE APARTMENT - MIDNIGHT

Paul is still standing in front of the couch where Mark, Eddie, and Scott are sitting.

PAUL

When you guys were captured...

INT. THE COFFEE SHOP - MIDNIGHT

Rachel, Kia, and Isabel are in the same positions as before.

RACHEL

Paul and I got into a heated argument in D.A.T.A. Base.

INT. THE APARTMENT - MIDNIGHT

Paul, Mark, Eddie, and Scott are still in the same positions as before.

PAUL

There were a few things said about each other.

SCOTT

(a little annoyed) And?

INT. THE COFFEE SHOP - MIDNIGHT
