"POWER RANGERS D.A.T.A. TREK: EPISODE 35 - THE NIGHTMARE
SISTERS PART 2"

FADE IN:

INT. THE MAIN PART OF D.A.T.A. BASE - NIGHT

PAUL, ABBY, MARIA, and SAMSON (all still morphed) enter the main part of D.A.T.A. Base. The Carpet Glider with MARK, EDDIE, KIA, and SCOTT still on it and hypnotized follows Samson.

ABBY AND MARIA

Ionsaigh!

SAMSON

Decursus!

Abby, Maria, and Samson all power down.

ABBY

Now for you.

Paul takes out his morpher, and rotates the screen. He presses the morph button.

PAUL

Power down!

Paul powers down. He puts his morpher away.

MARIA

Paul, you're the Red D.A.T.A. Ranger?

SAMSON

You know him?

ABBY

We met him in a coffee shop earlier.

MARIA

Maybe the leaves were talking about meeting someone powerful.

PAUL

I've got a couple of questions, first of all what exactly do you mean by "the leaves"?

MARIA

It's tea leaf fortune telling. The shape of the leaves in the bottom of the cup is a symbol for something that'll happen in the near future.

PAUL

Okay, now what's this Magix thing you guys mentioned?

ABBY

Magix is a magic school.

PAUL

Have you guys been reading too many fantasy novels?

SAMSON

No, most people don't realize that what they read in those novels is true to a certain extent. However the magical world must be kept secret.

PAUL

Let me guess, so muggles like me don't ask you for any magical favors?

MARIA

First of all the term is "mortal" not "muggle", and you're right about the magical favors.

SAMSON

So is there anything else you want to know?

PAUL

How are we going to get my friends to snap out of whatever happened to them?

ABBY

We should call Bowie. He could probably make a quick potion for this.

MARIA

I think it might be better to get Keith and Walker here too. There's no telling what Night and Mare have planned.

DOC and AURELIUS come out of the monitoring room. Doc notices Abby, Maria, and Samson.

DOC

Paul, who are these people?

PAUL
They're Rangers.

AURELIUS
There are other Rangers?

DOC
Aurelius there have been numerous teams
of Rangers within the past fifteen
years or so.

Abby takes a good look at Aurelius.

ABBY
What is that thing?

AURELIUS
I'm Aurelius the golden sword of Mu.

ABBY
There's a human-sized sword thing?

Samson seemingly starts to move around erratically. He
takes out the Magix Lamp, and smoke starts to pour out of
the tip, taking the form of CHESHIRE.

CHESHIRE
You can't buy that, but you can buy a
cat-like genie?

Paul rubs his eyes for a second.

PAUL
I'm officially weirded out now.

SAMSON
Don't worry about him. Cheshire, back
in the lamp!

CHESHIRE
Fine.

Cheshire turns himself into smoke and goes back into the
Lamp. Doc notices what happened to Mark, Eddie, Kia, and
Scott.

DOC
What happened to them?

MARIA

The three of us have been tracking down a creature by the name of Nhymera, the queen of the vampires. However her alternate form, as two girls called Night and Mare, has become a popular singing sensation known as the Nightmare Sisters.

DOC

And what's this have to do with anything?

PAUL

For starters Mindset owns the Nightmare Sisters' label.

DOC

Why doesn't that surprise me?

SAMSON

But the important thing is that they've hypnotized the entire audience at their concert tonight.

DOC

Then how come you're not hypnotized?

PAUL

I snuck my MP3 player into the concert and had my headphones in during their last song.

DOC

Where's Rachel?

PAUL

She didn't go to the concert.

DOC

Well then call her. (to Abby, Maria, and Samson) And if the three of you have any friends who can help, by all means call them.

ABBY

Just give me a minute.

Abby takes out her morpher and dials a number.

ABBY

Keith, we need you, Walker, and Bowie
in Lincoln Park right now. (pause)
Okay, see you then. And tell Bowie to
bring something to make a potion to
reverse hypnosis.

Abby ends the call.

DOC

Now for Rachel.

PAUL

You do it, because frankly I don't want
to see or talk to her right now.

DOC

What happened?

MARIA

So is this Rachel the one who gave you
your heartache?

PAUL

Pretty much, but that's not important
right now.

FADE OUT. OPENING CREDITS.

FADE IN:

INT. INSIDIA'S LAB - NIGHT

INSIDIA, and CHAOTROS sit in their thrones while NIGHT, MARE, MALEVALA, NINJREX, and DRAGOS stand before them.

INSIDIA

Do it now.

MALEVALA AND NINJREX

Chouninpo! Akuma meshidasu!

Malevala and Ninjrex extend their arms and two portals open up. The HIRAMEKI, and TENMAKUTA monsters come out of the portals.

HIRAMEKI

You called Ninjrex?

NINJREX

I have a job for you Hirameki, but hold on for a second.

MALEVALA

That goes for you too, Tenmakuta.

TENMAKUTA

'Kay.

Hirameki, and Tenmakuta go off to the side. The FENG monster enters the lab, and walks over to Dragos.

FENG

How lucky am I to be called upon by you General?

DRAGOS

I'm just glad you came Feng.

INSIDIA

Now for you two.

Night takes out the Wolzard Wand Morpher, opens it up and converts it to wand mode.

NIGHT

Halosis, phalanx!

Night casts a black magic circle on the ground and the Manticore, Fisticuff, GIZZ MOE, SHURIKAGE, and ABOMINO monsters appear. Gizz Moe takes a look at himself.

GIZZ MOE

I'm alive?

NIGHT

I have a job for you.

SHURIKAGE

What kind of a job?

MARE

How does the destruction of two different teams of Rangers sound?

ABOMINO

As long as it doesn't turn out like the last time I fought the Rangers I'll be happy.

CHAOTROS

You might want to rethink that the Rangers we've been fighting can be a little too resourceful.

NIGHT

So were the Rangers we fought. However Abomino, these other Rangers are at a disadvantage right now.

INSIDIA

How so?

MARE

Black magic succeeds where today's technology fails.

INSIDIA

We'll just have to see about that.

FADE OUT.

FADE IN:

INT. THE LAB AT D.A.T.A. BASE - NIGHT

Doc, Paul, Abby, Maria, and Samson pace around. Mark, Eddie, Kia, and Scott are standing off to the side still hypnotized. KEITH and WALKER come in. BOWIE soon follows them carrying a cauldron full of various vials, a few herbs, a wooden spoon, and a small spray bottle.

ABBY

Good you guys made it.

Bowie notices Mark, Eddie, Kia, and Scott.

BOWIE

Those the mortals I need to cure?

PAUL

Yes, and could you knock it off with this mortal thing?

BOWIE

Sorry force of habit. By the way I'm Bowie.

PAUL

Paul.

KEITH

I'm Keith.

WALKER

Walker.

PAUL

Hey.

ABBY

You know Paul, you never really told us the names of your friends.

PAUL

Mark is in black, Eddie is in blue, Kia is in pink, and that's Scott in silver.

BOWIE

Now that the intros are out of the way, it's time for me to make a potion.

DOC

Is there anything you need?

BOWIE

Just a flame.

Doc sets up a Bunsen burner for Bowie. Bowie takes out the vials, herbs, spoon, and spray bottle. He then places the cauldron over the flame of the burner, and starts to pour some of the contents of the vials into the cauldron. RACHEL comes into the room, and walks over to Paul.

RACHEL

Hey Paul.

PAUL

(coldly) Rachel.

RACHEL

Could I talk to you for a minute?

PAUL

What about?

RACHEL

I think you know.

Paul and Rachel walk out of the lab. Intrigued by Paul and Rachel, Abby drags Maria and follows them.

INT. THE INVENTING ROOM - NIGHT

Paul and Rachel enter the room and face each other. Rachel walks up beside Paul, and smacks him upside the head with her right hand.

PAUL

What was that for?

RACHEL

That was a message from Isabel, and she finds it appalling that you'd invade my privacy the way you did. At least one Rossi gets what I was trying to do.

PAUL

Great. My aunt isn't on my side.

RACHEL

Look Paul-

PAUL

You might want to hold that back, because right now we have company.

Paul points in the direction of the entrance to the inventing room where Abby and Maria are standing.

PAUL

Would you mind telling me, why the two of you are listening in on us?

MARIA

Don't look at me. Abby's the one who dragged me here.

ABBY

But what they're going through is exactly what's happening between you and Keith.

Keith comes up to the room.

KEITH

What about me?

MARIA

Don't worry about it. Besides isn't someone having relationship problems herself.

ABBY

That's the second time you've brought up the ring.

PAUL

What ring?

Abby pulls back her hair, and unclasps a gold chain that is strung through a diamond ring. She hands it to Paul. Paul takes a good look at the ring.

PAUL

Is this the kind of ring I think it is?

ABBY

Yeah.

PAUL

Then why-

ABBY

My parents think I'm too young, and it's the same with Samson's.

Paul hands Abby back the ring, and she puts it around her neck again. Paul looks up at the clock on the wall.

PAUL

How long is it going to be before that potion's ready?

KEITH

It apparently needs to simmer over night.

PAUL

How good is it going to be?

MARIA

Please Bowie teaches potions at Magix, you're not going to find anything stronger.

DISSOLVE TO:

INT. THE LAB AT D.A.T.A. BASE - MORNING

Mark, Eddie, Kia, and Scott are still standing where they were as Bowie stirs the potion in the cauldron for a few seconds. He then takes the spoon out. Bowie takes out his morpher and converts it to wand mode.

BOWIE

Teaghlaim, marbhan!

Bowie waves his wand and the contents of the cauldron start to rise up, and out of it. Bowie picks up the spray bottle and opens it. The potion makes its way into the bottle, and Bowie screws the lid back on. Doc, Paul, Keith, Walker, Rachel, Abby, Maria, and Samson walk into the lab carrying coffee cups.

KEITH

How'd it go?

BOWIE

Only one way to find out.

Bowie walks over to Mark, Eddie, Kia, and Scott. He sprays the potion on them, and they come out of their trance.

MARK

What happened?

BOWIE

You were under a hypnosis spell, but luckily a potion snapped you out of the trance.

Kia takes a look at everyone.

KIA

Paul, who are these people?

KEITH
We're the Magix Rangers.

EDDIE
Another team?

PAUL
You didn't think we were the only ones,
did you?

EDDIE
Well...

SCOTT
So what exactly happened?

PAUL
The Nightmare Girls concert was a cover
to hypnotize a large audience.

MARIA
I think there were plans to also turn
the audience into vampires, and have
them burn up in the morning's sun.

RACHEL
What makes you say that?

ABBY
Night and Mare tried it before.

MARK
Whoa, whoa, whoa, I'm still confused
here.

The warning sound on all of the morphers goes off.

WALKER
So what now?

PAUL
We still need to treat the other people
who were at the concert.

KEITH
Think the potion can do it?

BOWIE
Probably, but I'm not sure if I can get
everyone in time.

DOC
Eddie you go with Bowie, the Wind
Knuckle should help.

EDDIE

Okay.

RACHEL

What about the rest of us?

PAUL

We split up.

KEITH

Couldn't agree more Paul.

RACHEL

But our colors don't exactly match.

PAUL

(a little annoyed) Then improvise.

FADE OUT.

FADE IN:

INT. THE LINCOLN PARK AMPHITHEATRE - DAY

Eddie and Bowie (both morphed) enter the amphitheatre.

EDDIE

Wind Knuckle!

The Wind Knuckle forms onto Eddie's right hand. Eddie aims at the still hypnotized audience and starts to release a tornado. Bowie takes out the potion bottle and starts to spray the tornado. The tornado carries the potion over the audience and they start to gain consciousness. JULIA snaps out of her trance and see Eddie and Bowie.

JULIA

There's a male Yellow Ranger? No time for that now, you've got to find Eddie.

Julia starts to wander around. Just as the last few people start to wake up, a shuriken is thrown at the Wind Knuckle, which knocks it back a little, causing the tornado to stop. Eddie and Bowie turn to see Shurikage.

BOWIE

So they revived you.

SHURIKAGE

You better believe it Yellow Ranger.

EDDIE

We still need to get everyone out of this.

BOWIE

It's no use, if this monster's here.

Eddie and Bowie charge at Shurikage.

EXT. A FORESTED AREA - DAY

Mark and Walker (both morphed) walk around.

MARK

You sure it's here?

WALKER

It's what my morpher said.

Mark and Walker continue on their path, until strange music can be heard. They follow the sound to see Manticore controlling a group of people. Mark draws his D.A.T.A. Blaster and fires a few shots at Manticore. While the shots do minimal damage to the monster, it does cause Manticore to lose its hold on the people, who then run away. Manticore faces Mark, and Walker. Walker draws his Wand Staff.

WALKER

Minotaur Axe!

MARK

Mach Hammer!

Walker converts his Staff into the Minotaur Axe, and the Mach Hammer appears in Mark's hands. They both charge at Manticore.

EXT. DOWNTOWN LINCOLN PARK - DAY

Rachel, Maria, Kia, and Abby run up to where Gizz Moe is on the ground drawing something with a weird pen.

MARIA

Great he's got that pen again.

Maria draws her Wand Staff and aims it at Gizz Moe's graffiti.

MARIA

Duil!

A jet of water is fired from Maria's Staff, which erases the graffiti. Gizz Moe gets to his feet.

GIZZ MOE

So a bunch of girls think they can beat me?

RACHEL

What did he call us?

KIA

Well we'll just have to show you what a "bunch of girls" can do.

ABBY

So you're going down.

Rachel and Kia draw and convert their D.A.T.A. Blasters. Maria and Abby both draw their Wand Staffs. Rachel, Maria, Kia, and Abby all charge at Gizz Moe.

EXT. AN INDUSTRIAL DISTRICT - DAY

Scott and Samson walk around just as Hirameki, and Tenmakuta appear.

HIRAMEKI

Well, well looks like we're going to be rich.

TENMAKUTA

Who knew we'd be getting gold and silver.

SCOTT

It's Siren.

SAMSON

And Solaria.

HIRAMEKI

Whatever, let's just get them.

Hirameki and Tenmakuta charge at Scott and Samson. Scott draws the Detect Blaster, and Samson takes out the Lamp and converts it to the Lamp Blaster. They both fire shots from their Blasters, but Hirameki and Tenmakuta keep charging.

EXT. A QUARRY - DAY

All seems quiet as Paul and Keith walk around.

PAUL

So what's the deal with you and Maria?

KEITH

Nothing much, we just started dating after we graduated from Magix.

PAUL

Then why's Abby comparing you and Maria to me, and Rachel?

KEITH

We got into our first fight a while ago, and we're taking what she's calling a "break".

PAUL

You might want to be careful with that term.

Abomino, Feng, and Fisticuff appear. Paul takes notice to Abomino's goalie stick weapon.

PAUL
Your weapon is a goalie stick?

ABOMINO
And what's wrong with that?

PAUL
Nothing, it just seems like you should
be in New York if you want to fight a
team of Rangers.

FENG
Let's get them!

Abomino, Feng, and Fisticuff all charge at Paul and Keith.

PAUL
Anything I should know about hockey
boy, and ugly over there?

Paul points to Fisticuff.

KEITH
Just watch out for his fists.

Keith draws his Wand Staff.

KEITH
Phoenix Sword!

PAUL
Grapple Staff!

Keith converts his Staff into the Phoenix Sword, and the Grapple Staff appears in Paul's hands. Paul converts the Staff to Tri-mode, and charges with Keith toward the monsters. Abomino takes a swing at Paul with his weapon, but Paul's Staff blocks the attack. Abomino then pushes back Paul a little, and strikes him with the stick. Paul falls back a little.

ABOMINO
That's for mocking my weapon.

PAUL
That barely hit me.

ABOMINO
Then try-

Feng comes in quickly and strikes Paul.

FENG
The General said you'd be difficult.

PAUL

So you're one of Dragos' goons.

KEITH

What am I chopped liver?

Fisticuff starts to unleash a barrage of punches from its left fist. Keith narrowly dodges the attack.

KEITH

Draiocht, draiocht, arm!

Keith extends both of his arms and the Magix Gloves appear over his hands. Fisticuff unleashes another barrage of punches, which Keith dodges as he approaches Fisticuff. However just as Keith is about to get a punch in on Fisticuff, Fisticuff gives Keith a punch from its right hand, which sends him flying back. Feng and Abomino both strike Paul simultaneously, and he goes flying back near Keith. Abomino starts to breath his ice breath forming a trail and ball of ice. Abomino then hits the ball with his stick, and it goes flying at Paul and Keith hitting both of them, and knocking them to the ground. The three monsters disappear.

EXT. THE INDUSTRIAL DISTRICT - DAY

Tenmakuta has made a few bags of garbage appear over Scott, and Samson's (both still morphed) heads. The bags fall onto them, and Hirameki fires a flash from his left arm. The flash hits Scott and Samson, and they fall down as the monsters disappear.

EXT. DOWNTOWN LINCOLN PARK - DAY

Gizz Moe has converted one of his hands into a hammer and is bopping Rachel, Maria, Kia, and Abby (all still morphed) on the head. Gizz Moe fires a blast from his eyes, before disappearing. The blast hits Rachel, Maria, Kia, and Abby and they all fall down.

EXT. THE FORESTED AREA - DAY

Mark and Walker (both still morphed) are in the air with their weapons about to strike Manticore. Manticore turns around, and fires darts at them. The darts hit Mark and Walker, and they fall to the ground as Manticore disappears.

INT. THE LINCOLN PARK AMPHITHEATRE - DAY

Shurikage has both of his swords out, and is giving Eddie and Bowie (both still morphed) numerous slashes. Eddie has his D.A.T.A. Sword out while Bowie is holding onto his Garuda Crossbow. Shurikage gives Eddie, and Bowie hard slashes before disappearing.

EDDIE

Great he got away.

BOWIE

At least we can finally work on getting the other people out of the hypnosis.

EDDIE

I'll give you that much, but I wonder how the others did.

BOWIE

If the monsters they faced were anything like this resurrected Shurikage, then probably not good.

FADE OUT.

FADE IN:

INT. INSIDIA'S LAB - DAY

Insidia stands before Dragos, Malevala, Night, Mare, Ninjrex, Manticore, Hirameki, Tenmakuta, Shurikage, Abomino, Feng, Fisticuff, and Gizz Moe.

INSIDIA

I can't believe using black magic actually worked.

NIGHT

We told you.

DRAGOS

What do you suggest now mistress?

Purple energy goes over Insidia's body as she changes into her battle gear.

INSIDIA

Simple we all go at once and attack. All twelve of the Rangers will be sure to come to try to finish us off, and then we destroy them.

MALEVALA

When you say all of us...

INSIDIA

I mean everyone who's in this room right now.

DRAGOS

I don't care about anyone else does, but the Red Rangers are mine.

NIGHT

(coughing) Wolzard.

Mare starts to laugh a little.

NINJREX

Then I guess I'll take the Black and Green Rangers.

INSIDIA

Whatever, let's just go.

INT. THE MONITORING ROOM AT D.A.T.A. BASE - DAY

All twelve Rangers (now unmorphed) Doc, and Aurelius stand around.

BOWIE

We were able to cure everyone, but Shurikage got away.

MARK

It was the same for us, and that lion scorpion thing.

KEITH

It was a manticore.

MARIA

How'd you make out?

PAUL

About as well as everyone else.

ABBY

This is looking a little hopeless.

WALKER

Abby please, finishing off Demos was worse than this, or have you forgotten where our magic comes from?

SAMSON

He's got a point.

RACHEL

There's got to be something we can do.

KIA

And just going in there and fighting isn't going to do anything.

DOC

Do the six of you have anyone else you could ask for help?

KEITH

Both of my parents are Rangers too, but my dad's been losing some of his power, and my mother runs the magic school.

AURELIUS

I'll go with them this time.

PAUL

Good, because we could really use your help.

AURELIUS

Anything for you Paul.

WALKER

Although there's something telling me Keith, that if we really needed them your parents would come anyway.

KEITH

Well yeah.

The alarm goes off, and the screens in the room show Insidia, Malevala, Ninjrex, Dragos, and the eight monsters in the quarry where Paul and Keith were fighting.

DOC

Looks like the thirteen of you need to get going.

KEITH

You know I really didn't like that whole morphing before we got to the scene thing.

PAUL

But our enemies don't know our identities, and we'd like to keep it that way.

KEITH

Don't worry I have an idea about that.

FADE OUT.

FADE IN:

EXT. THE QUARRY - DAY

Insidia stands in front of the crowd of Night, Mare, Malevala, Dragos, Ninjrex, and the eight monsters.

INSIDIA

They'll be here any minute. I can feel it.

Paul, Keith, Mark, Walker, Eddie, Bowie, Rachel, Maria, Kia, Abby, Scott, and Samson walk into the quarry. Paul is also carrying Aurelius in sword form. Insidia notices Paul.

INSIDIA

What's Rossi doing here?

PAUL

What I always do in this situation.

INSIDIA

And what's that?

PAUL

Don't you recognize my voice?

INSIDIA

You're the Red Ranger? Why doesn't that surprise me? Well the twelve of you will fail.

PAUL

Better make that thirteen.

Paul turns Aurelis' chest seal, and he transforms.

PAUL

D.A.T.A. Rangers ready?

MARK, EDDIE, RACHEL, KIA, AND SCOTT

Ready!

KEITH

Magix Rangers ready?

WALKER, BOWIE, MARIA, ABBY, AND
SAMSON

PAUL AND KEITH

Let's do it!

Paul, Keith, Mark, Walker, Eddie, Bowie, Rachel, Maria, Kia, Abby, and Samson all take out their morphers. Scott converts his morpher from its disguise. Paul, Mark, Eddie, Rachel, and Kia rotate the screens of their morphers. Keith, Walker, Bowie, Maria, and Abby convert their morphers to wand mode. Samson takes out his morph card, and Scott opens up his morpher. Keith, Walker, Bowie, Maria, and Abby all dial "106" on their morphers. Paul, Mark, Eddie, Rachel, Kia, and Samson all press the morph buttons on their morphers.

SCOTT

D.A.T.A. Trek!

ALL TWELVE RANGERS!

Power Rangers!

INSIDIA

Get them.

Insidia, Malevala, Dragos, Ninjrex, Night, Mare, and the monsters charge at the Rangers. The Rangers break up the crowd into several groups. In one group Paul and Keith fight against Insidia, Dragos, Abomino, and Feng. Insidia brings her sword down to try to slash at Paul, but Paul blocks it with his D.A.T.A. Sword.

INSIDIA

All this time, and you were the Red Ranger. I really should've known.

PAUL

I can be just as sneaky as you.

Dragos thrusts one of his swords toward Paul, But Keith comes in and blocks it with his Phoenix Sword.

DRAGOS

Now I really do regret not finishing you off that one day.

PAUL

Well too bad for you.

Insidia and Dragos push Paul and Keith back as Abomino and Feng come in and strike Paul and Keith. They both fall back a little. Aurelius comes in and quickly punches Feng, but Feng strikes Aurelius hard, knocking Aurelius back near Paul and Keith. In another area, Mark and Walker are fighting against Ninjrex, Manticore and Fisticuff. Ninjrex has both of his swords drawn and is about to scissor cut Mark, but Walker comes in quickly and hits the sword with the Minotaur Axe.

NINJREX

You're lucky you have this other Ranger this time Mark.

MARK

Or what, you're "going to destroy me"?

WALKER

That's not going happen.

NINJREX

Then I'll just have to destroy you both.

Ninjrex steps back as Fisticuff unleashes a barrage of punches from its left fist. Manticore then turns around and fires a few darts at Mark and Walker. Mark and take the hits and fall back a little. However Ninjrex then comes in with his face mask flipped out and unleashes a Flight of a Thousand Cranes attack on Mark and Walker. The attack causes Mark and Walker to fall back even more. In another area Eddie and Bowie are fighting against Shurikage. Shurikage throws a few shurikens at the two of them, but they both dodge the attack. Bowie then comes in with his Garuda Crossbow and fires a few shots at Shurikage, and Eddie fires a tornado at Shurikage with his Wind Knuckle. Shurikage falls back a little.

SHURIKAGE

Why are the two of you a little stronger now?

EDDIE

We don't have to worry about those people.

BOWIE

So all of our attention can go right to you.

SHURIKAGE

We'll just have to see about that.

Shurikage draws both of his swords, and charges toward Eddie and Bowie, slashing both of them once he is close enough. Eddie and Bowie take the hits and fall back a little. Shurikage continues to slash at them. In another area Rachel and Maria are fighting against Malevala, and Hirameki. Malevala has both of her daggers out and she slashes at Rachel and Maria.

MALEVALA

You know, now that we know who you guys are; you won't have a moment's rest.

RACHEL

Like it's ever been any different.

Hirameki fires a flash from his left arm, but it is dodged. Malevala comes in quickly and manages to get in a quick slash on Rachel and Maria. They both fall back a little, and Malevala and Hirameki charge at them. In another area Kia and Abby are fighting Gizz Moe. He fires a blast from his eyes, but the two Pink Rangers dodge the attack.

GIZZ MOE

You know I'm sorry for everything I've done.

ABBY

You are?

GIZZ MOE

Put 'er there.

Gizz Moe extends his right arm, and Kia take his hand to presumably shake it, but the hand comes off and explodes flinging Kia and Abby back a few feet.

KIA

Why didn't I see that one coming?

ABBY

Don't worry about. I actually made the mistake of bringing Samson to fight this guy before he got his powers.

Gizz Moe charges at the two Pink Rangers. In another area Scott and Samson are squared off against Tenmakuta. Tenmakuta has conjured a few bags of garbage that have appeared over Scott and Samson's heads, but Scott and Samson take out their Blasters and fire at the bags destroying them.

TENMAKUTA

No fair!

SCOTT

We've got to use what we've got.

SAMSON

It's not our fault you don't have anything besides that garbage attack.

Tenmakuta fires a blast from his eyes at Scott and Samson, and it hits both of them knocking them back. In their area Manticore fires numerous darts at Mark and Walker, while Fisticuff give both of them a punch from its right fist. The attacks cause Mark and Walker to go flying back. Hirameki fires a flash at Rachel, and Maria, which causes the both of them to fly back to where Mark and Walker are. Night and Mare come in quickly and fire blasts from their mouths at Kia and Abby, which flings them over to Mark, Walker, Rachel, and Maria. Shurikage gives Eddie, and Bowie hard slashes that cause them to fly back to the others. Tenmakuta fires another blast at Scott and Samson that causes them to fly back to the others. Finally Abomino shoots a ball of ice at Paul and Keith, and they both fly back toward the others.

MARK

This fight is too intense.

BOWIE

Well what do you expect? We're outnumbered.

ABBY

Maybe this is worse then when we finished off Demos.

MARIA

It can't be, it's only a bunch of monsters.

KEITH

And most of those monsters were probably resurrected with the Wolzard power Night and Mare have.

SAMSON

They're right Abby.

PAUL

But we can't just sit around here.

KEITH

After all Rangers never say, "die"?

PAUL

Exactly.

Keith, Walker, Bowie, Maria, and Abby's morpher start to give off the new spell sound. Keith opens his morpher up and the "1" flashes once, followed by the "0" flashing twice, and the "6" flashing once. Insidia, Malevala, Dragos, Ninjrex, Night, Mare, and the monsters start to close in on the Rangers. Before anyone get any closer to the Rangers a beam made up of black/purple energy, and green gridlines is fired near Insidia. Insidia turns her attention toward the trajectory of the blast.

INSIDIA

Venge! Malevala, Dragos, Ninjrex, we have other work to do now. I'm going to leave this to the two of you.

MARE

Fine by us.

NIGHT

Whatever.

Insidia, Malevala, Dragos, and Ninjrex take off leaving Night and Mare with the monsters. Night and Mare combine into NHYMERA. Nhymera takes out the Wolzard Wand Morpher. Nhymera starts to move in toward the Rangers.

FEMALE VOICE

Duil!

Ice starts to form around Nhymera's feet, which then prevents her from moving. Two cloaked figures on broomsticks swoop in near the Rangers, one of the figures also quickly grabs the Wolzard Morpher from Nhymera.

NHYMERA

Who?

The figures get off their brooms, and take their hoods off revealing themselves to be ZEV, and PROF. FIREBIRD.

ZEV

We thought you could use some help.

KEITH

Well you're just in time dad. Walker, Bowie, Maria, Abby, we've got some morphing to do.

BOWIE

But we're all ready morphed.

KEITH

But this morph will be "legendary".

WALKER

That was the spell we got?

Keith nods. All of the morphed Rangers get to their feet. Walker, Bowie, Maria, and Abby take out their morphers, and with Keith convert them to wand mode before dialing "1006".

KEITH, WALKER, BOWIE, MARIA, AND ABBY

Legend metamorphosis! Arthraigh, duine,
duine, marbhan!

Keith, Walker, Bowie, Maria, and Abby all morph to Legend Form. Prof. Firebird takes out her morpher.

PROF. FIREBIRD

Magix metamorphosis! Arthraigh, duine
marbhan!

Prof. Firebird morphs. Zev takes out his morpher and combines it with the morpher Nhymera had.

ZEV

There. Now the power of Wolzard will
never fall into evil hands again.

Zev converts his morpher.

ZEV

Magic knight metamorphosis! Arraghey,
pyagh, pyagh, shlig!

Zev casts a magic knight circle over his head. The circle goes over his body causing him to morph.

PAUL

Crash Armor!

The Crash Armor forms onto Paul, and the Crash Cannon in Drill Mode forms in his hands.

PROF. FIREBIRD
How about we end this quickly?

PAUL
Fine by me.

KEITH
I'm game too.

ZEV
We will combine our respective powers.

Mark, Eddie, Rachel, Kia, and Scott get into position around Paul. Keith, Walker, Bowie, Maria, Abby, and Prof. Firebird all get into position with the bottom of their staffs touching the drill on the Crash Cannon. Zev and Samson get onto both sides of everyone else.

KEITH, WALKER, BOWIE, MARIA, ABBY,
AND PROF. FIREBIRD
Ionsaigh, teicniocht, arm, draiocht!

Zev draws his sword.

ZEV
Chagnys, soiagh, cooid!

Samson rubs the Lamp Blaster until a click is heard.

SAMSON
Ars, scipio, natura!

Cheshire pops his head out of the Lamp.

CHESHIRE
Claw attack!

ALL FOURTEEN RANGERS
FIRE!

The D.A.T.A. Rangers fire their magic infused shot at the monsters. Zev unleashes a high-powered slash of flames. Samson fires Cheshire out of the Lamp. The attacks hit the monsters destroying them, and even hit Nhymera weakening her. Zev and Keith walk over to Nhymera.

KEITH
Now to do what we should've done a while ago.

FADE OUT.

FADE IN:

INT. THE COFFEE SHOP - NIGHT

The shop is closed down, but Paul, Mark, Walker, Eddie, Bowie, Rachel, Maria, Kia, Abby, Scott, Samson, Prof. Firebird, and Doc are all hanging around. Doc is talking with Prof. Firebird.

DOC

Looks like you trained a great team of Rangers.

PROF. FIREBIRD

So have you.

DOC

I only designed and built their equipment.

Paul walks over to Doc.

PAUL

You also forgot about a certain video game, which was used to train us.

DOC

Right.

Keith and Zev walk into the shop.

WALKER

So?

KEITH

Everything's taken care of.

BOWIE

At least everyone from the underground is sealed away again.

MARK

So what'd you guys do?

INT. A MAUSOLEUM IN THE GANDALF CITY CEMETARY - NIGHT

A coffin rests on a platform. However the coffin is not resting quietly.

KEITH

(V/O)

Don't worry she's locked up like any vampire should be.

NHYMERA FROM WITHIN THE COFFIN
I don't care if it takes me a hundred
years. You Magix Rangers will pay for
this!

INT. THE COFFEE SHOP - NIGHT

Everyone is where he or she was standing.

PROF. FIREBIRD
Well I guess since everything is taken
care of, we should get going.

KEITH
(to Paul) Well it's great to know that
Lincoln Park has a great Red Ranger.

PAUL
You're not so bad yourself.

WALKER
(to Mark) You may not be green, but it
was great working with you.

MARK
Same here man.

BOWIE
(to Eddie) I don't think I could've
cured those people without you.

EDDIE
Now that I think about it I had to go
there, because my girlfriend was in
that audience.

MARIA
(to Rachel) I hope you and Paul can
work out whatever happened between you.

RACHEL
I wouldn't get my hopes up. He can
really stubborn.

SAMSON
(to Scott) Great working with you, man.

SCOTT
Well silver and gold always a perfect
pair.

ABBY
(to Kia) I'd say I'd like to go
shopping with you sometime, but...

KIA

But what?

PROF. FIREBIRD

The magical world must be kept secret from mortals. Keith I think you can handle this.

PAUL

What about Insidia?

KEITH

Don't worry I've got that covered.

Keith takes out his morpher, and converts it to wand mode.

KEITH

Teicniocht, draiocht, duine, marbhan, ionsaigh!

Keith waves his wand and a red magic wave goes over the D.A.T.A. Rangers and Doc. The Magix Rangers leave the shop.

MARK

What just happened?

DOC

Wish I knew Mark.

EXT. THE STREETS OF LINCOLN PARK - NIGHT

Maria walks to where Keith is, as the others are in front of them.

MARIA

I was thinking.

KEITH

What?

MARIA

That fight we had is nothing compared to what Paul and Rachel probably went through, so do you just want to forget about?

KEITH

You know I was thinking the same thing. I'll see you later.

MARIA

Where are you going?

KEITH

To put that memory charm on a few more people.

INT. INSIDIA'S LAB - NIGHT

Insidia (regular clothes), Chaotros, Dragos, Ninjrex, and Malevala are standing around.

INSIDIA

While we may have failed the information we gained is all too important.

CHAOTROS

So you're going to call it a push?

INSIDIA

Exactly.

Keith appears in the lab.

KEITH

Not so fast.

Insidia notices Keith.

INSIDIA

What are you doing here?

KEITH

Keeping a promise I made to a friend.

Keith takes out his morpher in wand mode.

KEITH

Teicniocht, draiocht, duine, marbhan, ionsaigh!

Keith waves his wand, and the same red wave of magic goes over Insidia, Chaotros, Dragos, Ninjrex, and Malevala. Keith disappears.

INSIDIA

What was I talking about?

CHAOTROS

I forget.
