EXT. SPACE - INTREPID

A starship approaches at sub-light speed. As it gets closer, we can see that it has a familiar design to it. At first, we would be mistaken for think it's the Galaxy Knight, but this it is a different Hyperion-class ship SUPER: G.S.A. Starship Intrepid, Holding position, Alpha Centauri. As the ship passes, we pan with it, revealing that it is close orbit of a uninhabited planet.

KEENAN(V.O.)

There she goes sir, another orbit
of Alpha Centauri

INT. INTREPID - BRIDGE

The bridge is fully manned. Sitting at the helm is Keener Towed, we hears his voice in the previous scene

KEENAN

How much longer are we going to
be orbiting this slag-heap of a
world commander?

Sitting in the command chair is a burly male in his mid-forties, this is Commander Lanka, a woman with friendly aspect.

COMMANDER LANKA

We will wait here until command
gives us the go- ahead to process
(Beat)
Let's just hope it's soon before
the crew goes insane with boredom

Lanka turns to the the tactical officer; Tanner, a thirty-five year old man.

COMMANDER LANKA (CONT'D)

Well, Mr Tanner, any sign of
anything dangerous within range
of this planet? Lanka looks at
into his scanning screen.

TANNER

Nothing. Except for the ship in
orbit of Earth, there is nothing
even remotely dangerous about
this planet

COMMANDER LANKA

Put me through to Command, I want
to know how long we have to sit
out here before preceding on to
Phase 1

Off that, we:

ACT ONE

FADE IN:

EXT. WESTVILLE - HIGH-STREET

A limousine races down the road, escorted by four Cyber
Knight SUV's, two up front and two at the back.

EXT. CYBERTECH HQ

The limo pulls up, a door opens and two people get out and
enter the building. We don't get a chance to see them, save
for glances of their feet and their backs.

INT. CYBERTECH HQ - LOBBY

The two people stride across the lobby and steps into an
elevator.

INT. CYBERTECH HQ - PAT'S OFFICE

Porter is sat behind the desk, with his feet up reading the
Financial Times when the two people enter the office.

JOSEPH(OS)

Hey Porter, how's it hanging?

Porter puts down the paper and sees Joseph and Aiko
standing in the office. He gets up from behind the desk and
gives them both a hug.

PORTER

Welcome back, not that I'm not
happy to see you but I thought
you were not due back for another
two days?

Porter sits in the arm-chair while Joseph and Aiko sit on the couch.

AIKO

We were forced to cut the honeymoon short when the cruise-ship was caught in a storm down near Hawaii, the ship returned to port so here we are

PORTER

Well, it's good to have you back

Porter then notices that Joseph's long hair is gone, replaces with a shorter hair-cut.

PORTER (CONT'D)

When you get the new do?

JOSEPH

Japan, I had a rather unfortunate encounter with a bowl of rice and noodles

AIKO

(Smiling)

You should have been there, it was so funny

Joseph frowns at Aiko.

JOSEPH

No, it wasn't

AIKO

I thought it was

A smile crosses Joseph's face.

JOSEPH

(Smiling)

Yeah, almost as funny as when you fell into the pool fully clothed

AIKO

Ok, moving on. How has everyone been while we've been away?

PORTER

Everyone has been fine, it's been quiet which makes me think that something big is on the horizon

JOSEPH

I agree

AIKO
So, anything interesting happen
while we were away?

PORTER
Not really, though we did get a
rather odd transmission from the
future

AIKO
Future?

PORTER
Yeah, it was the weirdest thing,
all it did was alter the Galaxy
Knight's orbit

JOSEPH
Is that all?

PORTER
I told you it was strange

CONNIE(V.O.)
Welcome back Joseph, Aiko

AIKO
Thank-you Connie, it's good to be
back

JOSEPH
We had our stuff teleported to
the mansion and came right here
as we are eager to get back into
the swing of things...

An alarm blares out, and the viewscreen flickers to life showing a team of CrocoTrons attacking the outskirts of the city.

PORTER
Well, looks like your got your
wish, Connie alert the others if
you please

CONNIE(V.O.)
Already done

EXT. WESTVILLE - OUTSKIRTS

The half-dozen CrocoTrons attack buildings, people and anything that moves. One CrocoTron is about to fire on a young girl when it is hit in the back by a half-dozen energy beams and falls to the floor. The Guardians descend down out of the sky, their Guardian Blasters drawn. The girl gets up and runs down the street to her parents.

RED GUARDIAN

Ok, this should be a doddle, six of them and six of us

BLUE GUARDIAN

Then our strategy is clear: it's hunting season

RED GUARDIAN

You guys go right ahead, I've already bagged me a trophy

He kicks the unconscious CrocoTron at his feet, the other Guardians move off.

INT. CYBERTECH HQ - PAT'S OFFICE

Pat is watching viewscreen as the Guardians shoot and contain the CrocoTrons.

PAT

How long have Joseph and Aiko been back?

CONNIE(V.O.)

They got back here just a few minutes ago, just before the CrocoTrons began their attack

PAT

When they have finished with the Crocotrons, have them meet me in the Conference Room

CONNIE(V.O.)

No problem

EXT. WESTVILLE - OUTSKIRTS

The CrocoTron dives at Silver Guardian, who dodges out of the way and kicks the reptile in the chest, sending him skidding along the floor.

SILVER GUARDIAN

Missed me alien scum...

She takes out her Guardian Blaster and contains the CrocoTron.

EXT. CROFT PLEASANT VIEW

FireStorm is stood at the top of the hill, looking down at the Guardians fighting the CrocoTrons. He takes out a communicator and activates it

FIRESTORM

Master, the Guardians are here,
send forth the evil progenitor of
my CrocoTron warriors

A flash of energy deposits a creature standing in front of FireStorm. This is an Alpha CrocoTron. He is a different color than the rest and his eyes glow red like embers in a fire.

FIRESTORM(CONT'D)

Alpha CrocoTron, lead your
warriors to victory against the
Guardians so that evil may rule
this planet

The Alpha CrocoTron spreads his arms and makes the most HORRENDOUS SCREECH imaginable, he then turns and charges down the hill towards the Guardians.

INT. CYBERTECH HQ - PAT'S OFFICE

Pat watches as the Alpha CrocoTron races towards the Guardians.

PAT

Connie, scan that thing and alert
the Guardians

CONNIE(V.O.)

The Guardians have been alerted
and the scan is underway

EXT. WESTVILLE - OUTSKIRTS

The Alpha Crocotron roars as he leaps at Red Guardian, knocking him to the floor. Sparks fly from his armor as he tries to fight off the monster, but the Alpha CrocoTron is too strong for him, Joseph is smashed into the ground several times. Four energy blasts slam into the alpha, they do nothing except anger the giant reptile. he drops Red Guardian and charges at the other Guardians, who activate their thrusters and take to the sky.

BLACK GUARDIAN

Where's Joseph?

The other Guardians look around and Black Guardian spots Red Guardian, laying on the floor where Alpha CrocoTron left him.

BLACK GUARDIAN (CONT'D)

I'll go and get Johnny, the rest
of you keep that thing busy

Black Guardian dives back down towards his fallen brother.

INT. CYBERTECH HQ - PAT'S OFFICE

Pat watches as Black Guardian scoops up Red Guardian.

PAT
 Connie, teleport them back here,
 NOW

CONNIE(V.O.)
 Our teleporters are still off-
 line, rerouting them to the
 Galaxy Knight

PAT
 Teleport me up there as-well

EXT. WESTVILLE - OUTSKIRTS

With the unconscious Red Guardian in his arms, Black Guardian flies up to join the others.

BLACK GUARDIAN
 Ok, stand-by for teleportation

SILVER GUARDIAN
 Before we go...

She draws her Guardian Blaster and fires several times at Alpha CrocoTron, she quickly holsters her blaster and they are teleported away. Alpha Crocotron glares at where the Guardians were, then teleports away himself.

INT. GALAXY KNIGHT - MEDICAL BAY - LATER

Joseph is sat up on the medical bed, looking slightly annoyed as Connie runs a medical scanner over him.

JOSEPH
 Will you knock it off, I'm fine
 already

CONNIE
 There's no harm in checking you
 over
 (Beat)
 How do you feel?

JOSEPH

I ache from getting the shit
beaten out of me by that reptile
thing, and a little annoyed that
I am stuck here in the Medical
Bay

(Beat)

What the fuck was that thing
anyway?

PAT

We're still waiting for the scan
results

JOSEPH

They've not come in yet?

PAT

Not yet, no

Connie fishes the scan.

PAT(CONT'D)

Well, what's the prognosis?

CONNIE

Apart from a few bruises, he's
fine

JOSEPH

I told you I was ok

PAT

I just wanted to make sure you
WERE ok

JOSEPH

And I was proven to be right

PAT

But if you weren't, you would not
have told us, would you?

JOSEPH

Only if it were serious

PAT

Well, since you need to get some
rest, you should stay up here
while the others go to the firing
range

JOSEPH

Oh no, I've been looking forward
to that, I'm not going to miss
out on that

Joseph tries to get up, but he is still hurting a little.

PAT
You were saying?

JOSEPH
For once, I agree with you about
getting some rest, I'll go and
get some rest

PAT
Good choice

With a little help from Porter, Joseph stood up and slowly made his way out of the medical bay.

INT. GALAXY KNIGHT - JOSEPH & AIKO'S QUARTERS - LATER

Joseph is preparing for bed. His clothes are off and a plain serape tied around his waste. There is a medium sized basin of water which he uses to clean himself; his muscles are aching. He rubs his shoulders, trying to get a little extra relief. Aiko enters, she carries a small clay jar.

AIKO
Is there anything you need?

JOSEPH
Apart from the total destruction
of FireStorm and his master, I'm
good
(Beat)
What's in the jar?

Aiko places the jar on the table.

AIKO
It's some Veruey oil from home,
it's very soothing for aching
muscles, lay down and I'll rub
some on for you

JOSEPH
(Smiling)
Now that sounds like fun

INT. GALAXY KNIGHT - JOSEPH & AIKO'S QUARTERS - 5 MINUTES
LATER

We now see Joseph lying naked on the bed, his lower body covered with a sheet. He is in ecstasy as Aiko massages him gently with her soft fingers. She leans down and kisses his upper back, his eyes remain closed and he takes a deep breath feeling the pleasure

EXT. CYBERTECH TEST RANGE - 30 MINUTES LATER

We are at a large testing range, the kind the FBI uses to test their agents accuracy with firearms, except this testing range is HUGE and has a lot more buildings and obstacles. We see the Guardians watching as Aiko moves through the firing range. Several targets pop up and she whirls around and fires at them, hitting them all dead-center. A target pops up behind her and she whirls around and fires on it, hitting it dead center and knocking it down. Joseph is not present.

AIKO
(Smiling)
I did it, i hit them all

She holsters her Blaster as Porter walks up to her, carrying a clip-board.

AIKO(CONT'D)
(Smiling)
So, how did I do?

Porter looks around at the fallen targets and marks them off on the clip-board.

PORTER
You didn't do to badly

AIKO
(Interrupting)
I hit every single target dead center

Porter walks up to the last target and pulls it back up to a standing position, it's shaped like an old man, not an alien.

PORTER
I think you might have hit this old man

AIKO
(Annoyed)
Well, there goes my perfect score

PORTER
(Smiling)
So tell me, what did old Mr. Lovejoy here do to deserve a death-sentence
(Off Aiko's annoyed glare)
Ok, that wasn't to bad for a first attempt

AIKO
(Interrupting)
Not bad, I hit every target dead
center and apart from hitting
that old-guy cut-out, i did great

PORTER
This was just to test your
accuracy, just wait until you
have to try it against targets
who fire back

AIKO
A live-fire test?

PORTER
(Smiling)
Just you wait, your enthusiasm
won't be so high when the targets
fire back

AIKO
(Nervous)
A real live-fire exercise?

PORTER
(Smiling)
The sensors will monitor the
impacts of the holo- ammo

AIKO
Sounds like a challenge

PORTER
Oh, when the targets fire back,
it is a challenge

AIKO
So, when does the live-fire test
take place?

PORTER
We'll schedule it for...

He is interrupted when the other Guardians run up to them.

MATTHEW
That reptile thing has just
returned

PORTER
Ok, it looks like this will have
to wait, Guardians, to battle

EXT. WESTVILLE - OUTSKIRTS

Alpha CrocoTron snarls as the Guardians descend down and land a few feet away.

ALPHA-CROCOTRON
Guardians, you only come to your
own doom

BLACK GUARDIAN
Why do you alien scum always say
that when it is...

Alpha CrocoTron interrupts him and charges at the Guardians, the fight beginning once again.

INT. GALAXY KNIGHT - CONFERENCE ROOM

Pat is sat in the Conference Room, watching as the battle unfolds.

PAT
Connie, are our scans on that
thing ready yet?

CONNIE(V.O.)
Not yet, the scanners are having
a hard time sorting out the
information they've collected

PAT
How so?

CONNIE(V.O.)
When we scanned it, the sensors
collected a rather large amount
of data, which is having trouble
being sorted out

PAT
How bad is it?

CONNIE(V.O.)
I should be done sorting the data
out in the next ten minutes or
so...

The doors slide open and Joseph enters the room, he sees the battle unfolding on the viewscreen.

JOSEPH
(Pointing to the screen)
Why wasn't I told about the
battle?

PAT

You needed to get some rest

JOSEPH

True, but I still should have
been told about the battle

Joseph sits down opposite Pat and watches as the battle unfolds.

PAT

And before you ask, the scans on
that reptile thing are not yet
done, but they should be ready in
ten minutes or so

EXT. WESTVILLE - OUTSKIRTS

Alpha CrocoTron snarls as Black Guardian hits him with a piece of burning masonry.

ALPHA-CROCOTRON

You will not find me so easily
defeated

BLACK GUARDIAN

Says who?

As he tries to smack the Alpha Crocotron with the masonry again, the reptile swings out his tail and slams it into Black Guardian, sending him skidding across the road.

ALPHA-CROCOTRON

My Crocotrons may have been
bested by you, but that will soon
change

Blue and White Guardians draw their Guardian Blasters and fire, but Alpha CrocoTron ducks down and responds by hurling debris at them, causing them to dodge out of the way.

ALPHA-CROCOTRON(CONT'D)

When the time is right, you will
fall before the...

He is interrupted by two energy beams that slam into the back of his head, the other Guardians move to stand with Blue and Black Guardians.

SILVER GUARDIAN

Give it up reptile slime, we out-
number you, five to one

ALPHA-CROCOTRON
 Five or fifty, it makes no
 difference as you will soon fall
 by by creation

Alpha CrocoTron charges at them and slams into Black Guardian, knocking him down, Blue Guardian pistol whips Alpha-Crocotron with his Guardian Blaster, but this only angers the reptile monster shoots out it's left hand, and punches Blue Guardian in the bread-basket, knocking him down.

ALPHA-CROCOTRON (CONT'D)
 Give it up G.S.A. scum, i am far
 stronger than those you have face
 in the past...

SILVER GUARDIAN
 Wanna bet?

She puts her left foot against the monster's left side and fires her thrusters in a short burst, the burst of thrust throws the Alpha Crocotron away, giving Black Guardian time to get to his feet. Blue Guardian stands with them and they draw their Guardians Blasters.

BLACK GUARDIAN
 Ok, this has gone on for long
 enough, are you going to make it
 easy and surrender or do you have
 to do it the hard-way

Alpha-CrocoTron gets it's feet and faces the Guardians.

BLACK GUARDIAN (CONT'D)
 Well, what is your answer?

ALPHA-CROCOTRON
 Here's a hint

Alpha-CrocoTron spits a large glob of slime that lands a few feet away, the glob of slime splits into a half dozen smaller globs which grow into CrocoTrons.

ALPHA-CROCOTRON (CONT'D)
 Now, will YOU surrender or will I
 have to do this the hard way?

SILVER GUARDIAN
 You think your spit-wads will
 stop us? You are wrong

The Guardians and the CrocoTrons charge, and the fight begins again.

INT. GALAXY KNIGHT - CONFERENCE ROOM

Pat and Joseph are watching the battle.

JOSEPH
I should be down there

PAT
You would be no good to them as
you still need rest

JOSEPH
I'm fine now, I'm all rested up
and ready to go

PAT
I have no doubt that you are, but
waiting a while longer will do
you no harm

JOSEPH
No, but it may to the others some
harm if I am not there

PAT
You doubt their ability to
function without you?

JOSEPH
Of course I trust their
abilities, it's just that I hate
being sat up here while they're
down on Earth

PAT
(Smiling)
Then sit back and rest, when you
are fully healed and rested, you
can rejoin the battle

EXT. WESTVILLE - OUTSKIRTS

Silver Guardian delivers an upper-cut which sends a CrocoTron staggering back, she follows up with a round-house kicks to it's chest. Suddenly, a wave of energy crackles over her armor, as she cries out in pain, the CrocoTron charges at her and rams into her, sending her crashing to the floor.

SILVER GUARDIAN
Ok, that was the last time you
get to do that you reptile reject

She fires her Blaster, forcing the CrocoTron back a few feet.

INT. GALAXY KNIGHT - CONFERENCE ROOM

CONNIE(V.O.)
I'm detecting some strange
readings in Aiko's powers

JOSEPH
What kind of strange readings?

CONNIE(V.O.)
There's some sort of intermittent
interference with her powers

PAT
Run a diagnostic of her powers

CONNIE(V.O.)
That can't be done until she
powers down

JOSEPH
Well what CAN you tell us?

CONNIE(V.O.)
The interference is slowly
getting worse, she just
experienced a power discharge

JOSEPH
Is she ok?

CONNIE(V.O.)
Her armor would have taken most
of the discharge but she would
still have got a nasty jolt

JOSEPH
Ok, that does it father, I'm
going down there

PAT
Yes, I think that would...

CONNIE(V.O.)
(Interrupting)
Oh hell, we've got a major
problem...

EXT. WESTVILLE - OUTSKIRTS

Silver Guardian and draws her Guardian Blaster.

SILVER GUARDIAN
Ok, surrender or die, your
choice..

Suddenly, there's an explosion of electrical activity, the other Guardians watch, stunned, as Aiko's armor dematerializes and she appears back in civilian clothes.

AIKO
(Shocked)
What's going on?

FADE OUT.

END OF ACT ONE

ACT TWO

FADE IN:

EXT. WESTVILLE - OUTSKIRTS

For a moment, Aiko is stunned at her sudden and unexpected power-down.

AIKO
(Shocked)
What's going on?

She tries to reactivate her powers, but has no luck.

INT. GALAXY KNIGHT - CONFERENCE ROOM

JOSEPH
Connie, teleport her up here, NOW

CONNIE(V.O.)
Teleporting...

Joseph watches as Aiko is snatched away from the battle.

CONNIE(V.O.) (CONT'D)
I've teleported her to the
Medical Bay and have begun to run
a full battery of tests

JOSEPH
Father, I think I should go down
and help the others

PAT
I agree

In a flash, Joseph is up, out of his seat and out of the Conference Room.

EXT. WESTVILLE - OUTSKIRTS

Alpha CrocoTron grabs Black Guardian by the throat.

ALPHA-CROCOTRON

With your Silver friend out of
action, you are now two Guardians
down and...

a beam of energy slices down from the sky and slams into Alpha-CrocoTron's arm, causing him to drop Black Guardian, two more energy beams slice down, slamming into the reptile's chest and knocking him back. Red Guardian descends down and land with he other Guardians.

BLACK GUARDIAN

Thanks for the assist

RED GUARDIAN

No problem. What the fuck
happened to Aiko, why'd she power
down?

BLACK GUARDIAN

I have no idea, one moment she
was fine, the next, she was
powered down

Alpha CrocoTron gets back to his feet and faces off against the five remaining Guardians.

ALPHA-CROCOTRON

You may now be five against me,
but you will not be able to stop
me

GREEN GUARDIAN

Wanna bet?

On cue from Green Guardian, they all fire their Containment Blasters at Alpha-CrocoTron, and the combined energies contain him instantly. The Containment Canister begins to shake and vibrate.

BLUE GUARDIAN

That won't hold him for long, we
should get going before it
escapes

GREEN GUARDIAN

Now that is a good idea

INT. GALAXY KNIGHT - CONFERENCE ROOM - 5 MINUTES LATER

The Guardians, with the exception of Aiko, are gathered around the Conference Table.

CONNIE(V.O.)

I have some good news, the scans of that reptile creature are finally ready

JOSEPH

Well, what is it?

CONNIE(V.O.)

According to the scans, it would appear that reptile is a sort of progenitor for the CrocoTrons

MATTHEW

We know it can create them, we saw it with our own eyes

CONNIE(V.O.)

This thing, given enough time, could conceivably create an entire army of CrocoTrons

PAT

Exactly how many could it create?

CONNIE(V.O.)

I can't be sure, but if the scans are correct, it could fill Madison Square-Garden in 5.5 minutes

The screen flickers to life and shows a rotating 3D tactical scan of the Alpha-CrocoTron.

PORTER

We tried to contain it, but it managed to break free just after we teleported up here, so if our combined Containment Blasters won't hold it, you all know what only option is left open to us

JOSEPH

Terminal force

PORTER

So it is agreed, if we can't contain that thing, we are to use terminal force

(Beat)

All those in favor...

Everyone raises their hand

PORTER(CONT'D)
So it is decided, the use of
terminal force is authorized
to...

CONNIE(V.O.)
(Interrupting)
Joseph, I have finished the scans
of Aiko, and I have bad news

JOSEPH
Ok, we're on our way

INT. GALAXY KNIGHT - MEDICAL BAY

The Guardians are looking at a medical scan of Aiko's body.

CONNIE
When that discharge washed over
her, it gave her body a negative
charge to the Axel Changer

MATTHEW
Forgive me for sounding like an
idiot, but what does that mean?

AIKO
It means that I can no-longer use
the Silver Guardian powers

JOSEPH
Connie?

CONNIE
The discharge, while having no
lasting effects on Aiko, it will
prevent her from using the Silver
Guardian powers

JOSEPH
For how long?

CONNIE
I have no idea
(Beat)
But there is some good news

MATTHEW
What could possibly be good about
being a Guardian down?

CONNIE
(To Aiko)
Go on, tell him

Aiko turns to face Joseph.

AIKO
Guess what, I am with child,
you're going to be a father...

A smile creeps across his face, he grabs Aiko and hugs her tightly.

JOSEPH
(Smiling)
This is indeed great, wonderful
news

AIKO
(Smiling)
This is going to be absolutely
amazing

The others are all please at the announcement that they are going to become uncles.

PORTER
(Smiling)
Hey father, I guess this means
you'll be a grandfather

PAT
Yes, and when you and Mika get
married and have kids, won't tat
be good
(Beat)
Say, where is Mika? I've not seen
her all day

PORTER
She's visiting her parents in
Florida, the Car Robots have gone
with her as she promised to show
them the Daytona race-track

ZAC
Ok, so any names for the baby
yet?

AIKO
We're not going to decide on a
name until the child is born

ZAC
Well, that settles it, we're
going to start a betting pool to
see...

PORTER
Wait. I've got it. How about...
Porter. Now there's a name...
(MORE)

PORTER (CONT'D)

Porter shakhan. That has a nice ring to it

INT. TROOP SHIP - BRIDGE

Standing on the bridge of the troop-ship is FireStorm, he is sat in the command chair and looking none to happy.

FIRESTORM

Even the Alpha-CrocoTron could not defeat those costumed cretins...

The viewscreen flickers to life and displays the shadowy image of FireStorm's master. FireStorm quickly gets up and kneels in front of the screen.

FIRESTORM (CONT'D)

My master, it is good to hear from you again...

SHADOW

How goes the battle against the Guardians?

FIRESTORM

It is providing well my master....

SHADOW

You are lying, I know that Alpha CrocoTron has yet to beta the Guardians

FIRESTORM

My lord, I am...

SHADOW

You have failed me FireStorm. You failed to get the army through to Earth...

FIRESTORM

The gate was destroyed, there was...

MELE

(Interrupting)

But luckily for you FireStorm, your help has arrived

FireStorm turns around and sees a woman of Chinese decent walking towards him. She is wearing form-fitting armor in various shades of green. A flat triangle-shaped hole is cut in the armor to show off some of her cleavage and she is carrying a staff that ends in a nasty looking three-pronged claw.

MELE (CONT'D)

I was told you needed help

FireStorm gets up and growls at Mele.

FIRESTORM

Beat it witch, I have no need of
you or your...

SHADOW

(Interrupting)

You will work with Mele FireStorm
because I COMMAND you to

FIRESTORM

Yes my lord, your word is my life

The image of Shadow crackles and fades from the screen.
Mele turns to face FireStorm, a smirk on her face.

MELE

So, how far down the road to
failure are you exactly?

FireStorm simply growls at her.

INT. GALAXY KNIGHT - CONFERENCE ROOM

The Guardians are sat around the table, having a discussion
about baby names.

PORTER

I still think you should name
your child right now that way
when Porter is born, you will
already have a name for him

AIKO

But what if it's a girl?

PAT

(Smiling)

Well, I did always think Porter
was a girl's name Porter takes
the shot with good grace.

PORTER

Ok, so what about girls names, do
you have any in mind

Before Joseph or Aiko can respond, an alarm blares out.

PAT

Connie, what's the problem?

The viewscreen flickers to life and shows FireStorm attacking the residential district.

JOSEPH

Ok, it looks like we have work to do

(To Aiko)

You stay up here where it's safe

He gives Aiko a kiss before him and the other Guardians exit the Conference Room.

EXT. WESTVILLE - RESIDENTIAL AREA

The five remain Guardians descend down and face off against FireStorm.

FIRESTORM

So glad you could make it here
Guardians

GREEN GUARDIAN

We're here to beat you to within
an inch of your life then contain
you, alien slime

MELE(O.S.)

Oh look, a G.S.A. operative with
a big mouth and a self-perceived
superiority over all other, not
much has changed has it

Mele teleports in, holding her staff.

RED GUARDIAN

We're not just G.S.A. operatives

BLACK GUARDIAN

We're the Guardians

Mele puts her hands to her face in mock fear.

MELE

Oooh, where's my autograph
book?.

She looks them over reproachfully.

MELE (CONT'D)

Guardians, huh? well, try and
guard this...

She releases a blast of energy from her staff, causing the Guardians to scatter.

FIRESTORM
Oh great statergy Mele

MELE
Watch and learn cinder-breath

Mele charges at the Guardians proceeds to pull off what is nothing short of a miracle. She uses her staff as a weapon and executes a roundhouse kick, a scissor-kick takedown, a sitting side kick, a roundhouse drop spin back kick, a parallel block from the outside, a reverse hand-sword and so on. Mele punctuates the hits with an exotic variation of bruce lee noises. within a few moments, she has the Guardians beaten. The Guardians get to their feet.

RED GUARDIAN
You haven't seen the last of us

That said, the Guardians are teleported away. Mele turns to face FireStorm.

MELE
Now that is how you engage the
Guardians

She walks past him while he gives here the mother of all dirty looks.

INT. GALAXY KNIGHT - CONFERENCE ROOM

The Guardians are seated around the Conference Table.

JOSEPH
Who ever this new villain is, she
is one hell of a fighter

PORTER
She whipped us before we could
get off a single shot

PAT
I know, I saw the entire battle

ISAAC
So what do we do?

PORTER
I say kill her

PAT
You wish to use terminal force?

PORTER
Hell yes I do

PAT

Ok, let us vote on it

(Beat)

All those in favor of using
terminal force against this new
enemy...

Everyone raises their hand.

PAT(CONT'D)

So it is decided, the use of
terminal force is authorized

TAYLOR

So that's two alien scum-bags we
have to whack, that reptile thing
and the Chink chick who kicked
our behinds

PAT

I am concerned that if we use
terminal force, we will become no
better than the ones we are
fighting

AIKO

It all boils down to a simple
choice, us or them, and guess who
we pick to win?

PAT

We can not use lethal force every
time

AIKO

Who says anything about using it
all the time, we just want to use
it on that chink bitch and that
reject reptile when they show up
again

Pat sighs, clearly unhappy with the decision to use lethal
force.

PAT

I urge you, try your best to
contain the two aliens, only use
lethal force if they leave you no
other way

(Beat)

Until the two aliens show up, I
suggest you get some rest

INT. GALAXY KNIGHT - MESS HALL - LATER

Isaac and Porter are eating at one of the tables.

PORTER
I'm telling you, it was

ISSAC
You are wrong, it wasn't

PORTER
When we have a spar moment, you
check the Council records, you'll
see I'm right

ISSAC
The only thing I'll see is
evidence proving you wrong

Matthew approaches their table, holding a single cup of
coffee. He sits down with them.

MATTHEW
So, what are you two arguing
about?

PORTER
We're arguing about where the
internment camp will be placed,
Issac says it will be in the
nation itself, while I suggest it
will be located off- world

MATTHEW
Either one would be good, as long
as the job gets done

PORTER
So, speaking of the "cleansing"
what will the others have to say
about it?

MATTHEW
Who cares what they say, it's not
like they can oppose the G.S.A.
now is it?

PORTER
They could try, but as the Humans
say "They'd be like lambs to the
slaughter"

FADE TO:

BLACK SCREEN

The very loud sound of people having sex. The sounds of
deep moaning and sexual groaning. After a few seconds the
sound grows even louder. It should sound as if the two
people are having sex over a load-speaker.

AIKO(O.S.)
Oh yes, oh yes, oh yes, oh yes.

INT. GALAXY KNIGHT - JOSEPH & AIKO'S QUARTERS

Joseph is laid on the bed, with Aiko on-top of him. Their faces are red hot and sweaty. She makes a deep moaning noise and she grinds about on Joseph.

JOSEPH
Oh god...YES OH GOD YES

They look into each other's eyes as they both climax, they then kiss passionately.

AIKO
Oh god that was good....

Aiko lays down next to Joseph and cuddles up next to him, her arm draped across his chest. She pulls the covers up around them both.

JOSEPH
Oh that was amazing, simply amazing

For a moment, they just lay in each other's arms.

AIKO
Do you think I'll ever be able to use my powers again?

JOSEPH
We'll do every-thing we can to help you once again become the Silver Guardian
(Beat)
But even if you didn't loose your powers, you would have had to stop sooner rather than later due to your bun in the oven

AIKO
Yeah, I just wish it was my choice to stop using my powers

INT. GALAXY KNIGHT - MESS HALL

Connie walks up to Matthew, Porter and Isaac.

PORTER
Hey Connie, what's up?

CONNIE
I think I have figured out why
Aiko's powers crapped out on her

This news has them interested.

PORTER
Really, why?

CONNIE
It's because of her pregnancy...

INT. GALAXY KNIGHT - CONFERENCE ROOM - 5 MINUTES LATER

Pat and the Guardians are sat around the table while Connie shows them a medical scan of Aiko. She is just finishing her explanation.

CONNIE
And so the powers crapped out on
you Aiko

AIKO
So my powers are fine

CONNIE
Yes

AIKO
Well, that's a relief
(To Pat)
Why didn't you tell me my powers
cut out as a safety feature?

PAT
I had no idea that would happen,
if I did know, you know I would
have told you right away

Aiko smiles, she believes Pat as he is telling the truth.

PORTER
Well, when we have taken care
of...

An alarm blares out, interrupting Porter. The viewscreen image changes and shows Mele and a squad of CrocoTrons.

MELE(ON SCREEN)
Here me Guardians, come back down
to Earth and face me once again,
or are you afraid that I will
beat you yet again

TAYLOR

Ok, I am so going to crack her
skull in half

MELE(ON SCREEN)

Come and face me Guardians,
unless you think you can't handle
little old me

The screen goes blank.

JOSEPH

Ok, let's go and teach that chink
whore who's the boss around here

The Guardians get up and leave the room.

EXT. WESTVILLE FORREST

The Guardians land and face off against Mele and the
CrocoTrons.

MELE

So, you accepted my invitation,
how nice

YELLOW GUARDIAN

Who or WHAT the hell are you?

MELE

How rude of me not to tell you
(Beat)
I am Mele, servant of Shadow and
the one who will bring you to
your knees

YELLOW GUARDIAN

You had better pack your bags
cause we're sending you back
where you came from you Chinese
whore

MELE

How crude of you

BLACK GUARDIAN

Enough talk bitch, it's time you
went down

INT. GALAXY KNIGHT - CONFERENCE ROOM

Pat, Aiko and Connie are watching the battle as it unfolds
on the viewscreen. Even up against the six remaining
Guardian, Mele is holding her own.

CONNIE

I'll give that whore one thing,
she is one hell of a fighter

(Beat)

Ok, I say it's time we tipped the
odds in our favor

AIKO

How?

CONNIE

We fire on her using the Mega-
Lasers, although it might kill
her

AIKO

I say we do it

PAT

We must wait, lethal force has
been authorized, but only when
all else is lost

EXT. WESTVILLE FORREST

Mele is sat on a large rock, watching the Guardians as the
fight and eventually contain the CrocoTrons.

MELE

Well, now that you have been
warmed up, I think I'll...

She is hit in the chest by six energy beams that send her
crashing to the ground. The Guardians keep their Guardian
Blasters aimed squarely at her head.

WHITE GUARDIAN

Now bitch, are you going to
surrender or shall we just
execute you where you lay?

Mele struggles to get to her feet, we can see blood running
from the chest wound.

MELE

(With Difficulty)

You will not get away with this

BLUE GUARDIAN

Wanna bet?

As they fire, Mele teleports away, and their energy beams
just hit the rock, which explodes.

GREEN GUARDIAN

Well, if that wasn't a waste of
time I don't know what was

YELLOW GUARDIAN

We'd better had back to the ship,
there's nothing more we can do
down here...

ALPHA-CROCOTRON(O.S.)

That is not entirely accurate,
G.S.A. scum

The Guardians whirl around and see Alpha CrocoTron standing at the edge of the forrest, a half-dozen shadowy figures are stood in the tree-line, which obscures us getting a good look at them.

FADE OUT.

END OF ACT TWO

ACT THREE

FADE IN:

EXT. WESTVILLE FORREST

The Guardians face off against Alpha CrocoTron.

WHITE GUARDIAN

You will go down just as easily
as Mele did

ALPHA-CROCOTRON

Mele is just one woman, while I
have the makings of an army with
me...

That said, the half-dozen figures step out of the shadows, giving us our first look at them. They resemble the regular CrocoTrons, except they are more muscled and have cybernetic implants on their face, chest, hands legs and feet.

ALPHA-CROCOTRON(CONT'D)

These are the CrocoBots, far
superior to the Crocotrons

(Beat)

CrocoBots, ATTACK...

The Cybernetic creatures hiss and charge at the Guardians.

INT. GALAXY KNIGHT - CONFERENCE ROOM

Pat, Aiko and Connie watch as the Guardians battle the CrocoBots.

AIKO

I guess that is why they voted to use lethal force on that reptile

PAT

Yes, it can create an army of CrocoTrons or CrocoBots. It has to be stopped

AIKO

If only I had my powers, I could go down there and help the

(Beat)

What about the Car Robots? Can't we call them for help?

PAT

As was mentioned previously, the Car robots are with Mika in Florida, visiting Mika's parents

AIKO

So? We could teleport them up here then down to the battle

PAT

A good idea, with only one drawback

AIKO

And that is?

PAT

They are with Mika's parents, she is telling them about the Guardians and Porter being one of them

AIKO

So why not teleport just one of them back here to give them a hand? DragStrip could rip it's head off and be back in under two minutes

PAT

As I said before, Mika has the Car Robots in Florida

AIKO

I know, but surely we can
teleports just one of them back
here?

PAT

At the moment, they are at Mika's
parents house, teleporting one of
them away would raise questions
that we do not want to answer

Aiko nods, knowing why the Car Robots can't help them.

CONNIE

What about me? I could go down
there and snap it's neck, and if
I am injured, I could just build
another android body for myself

PAT

A good idea Connie, we'll keep
that in mind but for now, let us
hope that the Guardians can stop
that monster

EXT. WESTVILLE FORREST

For the moment, the Guardians are holding their own against
the CrocoBots. Black Guardian punches one of them in the
jaw, the CrocoBot staggers back a step then whips it's tail
at Black Guardian, knocking him back.

ALPHA-CROCOTRON

The CrocoBots are far stronger
than the six of you, give in and
I will make your deaths quick
and...

He trails off when Green Guardian draws his Guardian
Blaster and fires at a CrocoBot at point blank range, the
shot to the head downs the creature.

GREEN GUARDIAN

Your cyborgs are not so tough now
are they?

Alpha-CrocoTron roars in rage and charges at Green
Guardian, but is stopped when Blue, White and Yellow
Guardians fire their Guardian Blasters at his left foot,
tripping him over and sending him crashing to the ground.

BLACK GUARDIAN

So, going to surrender yet?

Alpha CrocoTron gets up and before the Guardians can fire,
it teleports away.

BLACK GUARDIAN(CONT'D)
Ok, is it just me or does that
get FUCKING annoying when they
run as we're about to beat them

The Guardians turn their Blasters on the other CrocoBots,
executing them instantly with head-shots.

WHITE GUARDIAN
Well, we can't expect them to let
us defeat them now can we?

They holster their Guardians Blasters. Red Guardian notices
something on the ground and moves over to it.

BLACK GUARDIAN
What is it?

RED GUARDIAN
I think we hurt that reptile
thing Joseph picks up a piece of
wood with green goo on it.

RED GUARDIAN(CONT'D)
I think this might be it's blood

WHITE GUARDIAN
We should get that back to the
ship, maybe Connie can analyze it

GREEN GUARDIAN
A good idea, but first, we have
to pack out our trash...

They turn around, draw their Guardian Blasters and fire
them on the CrocoBots, the combined energy from their
concentrated beams causes the bodies to heat up and
eventually vaporize.

INT. GALAXY KNIGHT - SCIENCE LAB - LATER

Connie is looking down a microscope. Connie's POV: We see
the sample of blood magnified many times, and aside from
the color, we can tell it's vastly different from Human
blood. Connie looks up.

CONNIE
Those robot things are
essentially upgraded CrocoTrons
with cybernetic attachments

PORTER
We know, we fought and whacked
them

CONNIE

Next time, could you try and capture one, I would like to study it

PORTER

Are you nuts? Those dam cyborgs almost whacked US before we killed them

CONNIE

The cybernetics behind them look to be rather interesting

PORTER

We'll see what we can do

PAT

So, what can you tell us about the creature's blood?

CONNIE

From what I've studied, the blood samples tell me that the CrocoBots share a mental link to the reptile that created them

PORTER

Ah, now we are getting somewhere

AIKO

(Confused)

We are?

Joseph turns to Aiko.

JOSEPH

It means that the CrocoBots and that thing that created them are mentally linked

AIKO

So if we take down the thing that made them, the cyborgs will become useless

JOSEPH

Exactly, now all we have to worry about is finding a way to take down that reptile reject and the Chink whore

CONNIE

As soon as I have anything, I will let you know

INT. TROOP SHIP - BRIDGE

FireStorm is sat in the command chair, Mele is stood in front of him.

FIRESTORM

So, for your first outing, you managed to get them to retreat, interesting that was all you could get them to do

MELE

It's more than you ever did

FIRESTORM

Watch your tone with me, witch

MELE

Or what? you'll attack me?

FIRESTORM

Yes, Lord Shadow said nothing about you getting hurt for your failures

MELE

And what of your failures?

FIRESTORM

(Angry)

My failures are not the question here, yours are. You said you could stop the Guardians and you failed

MELE

So did you

FIRESTORM

(Shouting)

YOU FAILED AFTER YOU SAID YOU WOULD STOP THEM

FireStorm gets up, and when it is about to come to blows between them, Alpha-CrocoTron appears on the screen.

ALPHA-CROCOTRON(ON SCREEN)

My lord FireStorm, the Guardians have defeated the CrocoBots

MELE

(To FireStorm)

So, they were your idea AND they lost? FireStorm ignores her.

FIRESTORM

Can you create any more of them?

ALPHA-CROCOTRON(ON SCREEN)

Yes, but it will take time to
find suitable technology

FIRESTORM

Can you create anymore CrocoTrons
and upgrade them?

ALPHA-CROCOTRON(ON SCREEN)

Not without the desired materials

FIRESTORM

I have an idea, I will join you
on the surface at once

The screen goes blank, FireStorm turns and heads off the
bridge, with Mele following him.

EXT. WESTVILLE - KRING HEIGHTS

Leaning against a rock, Alpha-CrocoTron watches as
FireStorm and Mele teleport in.

FIRESTORM

Can you merge your CrocoTrons
with another monster?

ALPHA-CROCOTRON

Yes

FIRESTORM

Good

A monster teleports down. It is a humanoid praying mantis.

FIRESTORM(CONT'D)

Combine your best and strongest
monster with this monster here

(Beat)

This combined creature should be
enough to do some damage to the
Guardians

INT. GALAXY KNIGHT - CONFERENCE ROOM

Joseph and Porter are sat at the Conference Table.

PORTER

I know none of us wants to do
this, but it has to be done

JOSEPH

I know, but it just feels like
we're giving up on Aiko ever
getting her powers back

PORTER

We are not giving up on that. but
while we figure out a way to get
her powers back, we need to find
someone to take her place as
Silver Guardian

(Beat)

I suggest we look through the
files....

CONNIE(V.O.)

(Interrupting)

We have a problem, a monster has
just appeared where you fought
that Chink whore

PORTER

Alert the others

CONNIE(V.O.)

Already done

EXT. WESTVILLE FORREST

The Guardians land and face off against FireStorm and Mele.

MELE

So, come back for another beating
have we

WHITE GUARDIAN

Oh that does it, you are going
DOWN bitch

FIRESTORM

It is not us you will be facing,
but our new creature...

FireStorm and Mele teleport away.

WHITE GUARDIAN

Ok, that was short and sweet

A roar erupts from the shadows as a monster jumps out at
the Guardians. It is a merger between a CrocoTron and the
mantis monster we saw before.

MANTO-TRON

Guardians, you die now...

Manto-Tron roars and charges at the Guardians.

INT. GALAXY KNIGHT - CONFERENCE ROOM

Pat, Connie and Aiko are watching the battle as it unfolds on the viewscreen.

AIKO

This is driving me mad, I can't go down there and help them

PAT

I know how you feel, I would like nothing more than to join my sons in my battle, but I can;t so I do my bets to guide them from the sidelines

AIKO

How'd you stop going nuts?

PAT

As I said, I do my best to help them from the side- lines

CONNIE

If you need something to do Aiko, I could use your help in the science lab

AIKO

What with?

CONNIE

I have a few projects that could use an extra pair of hands

AIKO

Ok, let's go

Aiko and Connie get up and leave the Conference Room.

EXT. WESTVILLE FORREST

Manto-Tron slashes it's claws across White Guardian's chest, sending up a shower of sparks and knocking him to the ground.

MANTO-TRON

Guardians, you easy to beat...

GREEN GUARDIAN(O.S.)

Wanna bet?

Green Guardian blasts Manto-Tron in the back of the head with his Guardian Blaster, knocking the monster away from White Guardian, allowing him to get to his feet.

MANTO-TRON
Guardians, you be defeated, Lord
Shadow rule Earth

BLUE GUARDIAN
Over our dead bodies

MANTO-TRON
That arranged can be

Manto-Tron roars and once again charges at the Guardians.

INT. GALAXY KNIGHT - CONFERENCE ROOM

Pat watches the battle with a frown on his face.

PAT
Connie, is it me or does that
monster seem really stupid?

CONNIE(V.O.)
A scan of it's brain reveals a
diminished cranial capacity

PAT
So it's an idiot then?

CONNIE(V.O.)
Yes, but an idiot who is armed
with deadly weapons

EXT. WESTVILLE FORREST

Manto-Tron stands and aims his claws at the Guardians.

MANTO-TRON
Guardians are G.S.A. vermin, and
vermin die

Manto-tron releases an energy wave from his claws which
causes an explosion, causing the Guardians to jump out of
the way.

MANTO-TRON(CONT'D)
Guardians easily taken down...

Manto-Tron judo flips Black Guardian from behind him and
hits Red Guardian with a roundhouse kick. Green Guardian
helps Red Guardian to his feet while Black Guardian dodges
out of the way of another energy wave.

INT. TROOP SHIP - BRIDGE

FireStorm and Mele watch as Manto-Tron fights the Guardians.

MELE

It would seem that your idea to combine those two creatures was a good idea

FIRESTORM

Of course it was a good idea

(Beat)

Go and find Alpha CrocoTron, I have a way that reptile can help us

EXT. WESTVILLE FORREST

Manto-Tron slashes at Red Guardian, who ducks out of the way. Manto-Tron's claw slices through a tree, felling it.

MANTO-TRON

Stay still and die Guardians

Manto-Tron releases an energy blast that knocks Blue, Black and Yellow Guardians crashing down.

MANTO-TRON

Guardians, you die, Lord Shadow rules...

He is interrupted when Green Guardian smacks him in the back of the head with a massive log. In rage, Manto-Tron whirls around and blasts Green Guardian.

INT. GALAXY KNIGHT - SCIENCE LAB

Connie and Aiko are working on a pile of circuitry and technology that is laid out of the table. On the monitor, they can see the battle as it unfolds.

CONNIE

If only one of the projects was working, they could easily defeat that thing

AIKO

Why don't they just form Ultron and step on that piece of slag

CONNIE

I suspect that they don't do that because that would escalate the battle unnecessarily

AIKO

And if they did call Ultron, all that would get damaged is a few trees, there are no civilians in the area

EXT. WESTVILLE FORREST

Blue, White Yellow and Green jump onto Manto-Tron and try to hold him in one place.

WHITE GUARDIAN

Ok, hurry it up

Red and Black Guardians draw their Guardian Blasters and fire, their combined energy blasts crack one of Manto-tron's claws. In a howl of rage, the monster tosses the Guardians off him.

MANTO-TRON

Guardians crack my claws, I crack your skulls

INT. GALAXY KNIGHT - CONFERENCE ROOM

Pat is watching the battle.

PAT

Connie, are there any civilians in the immediate area?

CONNIE(V.O.)

I have just had a similar conversation with Aiko

PAT

How an you when you don't know what I'm going to say

CONNIE(V.O.)

You're going to suggest they use Ultron to step on the monster?

PAT

Yes, that's exactly what I was going to suggest

EXT. WESTVILLE FORREST

Manto-Tron looks up at the Guardians and roars in rage.

MANTO-TRON
Guardians, come down and fight

BLUE GUARDIAN
What's the matter alien scum?
Can't you fly?

Manto-Tron roars in anger and tires to shoot energy waves up at them, but they Guardians easily dodge out of the way.

MANTO-TRON
(Angry)
Come down and fight you cowards

BLACK GUARDIAN
Well, if you insist

The Guardians each fly down and punch Manto-Tron in the chest or head, sending him staggering back.

MANTO-TRON
Guardians are cheating, you play
dirty

RED GUARDIAN
Get used to it alien scum

INT. GALAXY KNIGHT - CONFERENCE ROOM

CONNIE(V.O.)
I am detecting some unusual
energy readings coming from that
monster

PAT
Unusual how and are the Guardians
in any danger?

CONNIE(V.O.)
It's like there is a slow but
gradual build-up of energy within
it

PAT
Does it pose a danger to the
Guardians?

CONNIE(V.O.)
Not at the moment no, but if it
does, I'll let you know

EXT. WESTVILLE FORREST

Black Guardian delivers a world class upper-cut that sends Manto-Tron staggering back.

BLACK GUARDIAN
Give it up alien scum, you are
not going to beat us

Blue Guardian performs a world-class spinning heel-kick that knocks Manto-Tron down.

BLUE GUARDIAN
There are six of us and only one
of you

Green Guardian kicks Manto-Tron in the chest, sending him skidding across the ground.

GREEN GUARDIAN
Even if there were more of you,
we will prevail

White Guardian drop kicks Manto-Tron then follows up with a stunning right-hook.

WHITE GUARDIAN
This is the end of the road for
your, alien scum

Manto-Tron tries to get to his feet, but is knocked back down by Red Guardian.

RED GUARDIAN
Give it up scum, you will not...

An energy blast knocks Red Guardian down, the other Guardians whirl around and see Alpha-CrocoTron walking towards them, his eyes glowing red with energy.

ALPHA-CROCOTRON
Guardians, you will now feel the
wrath of Lord Shadow

An energy beam streak out and slam into Alpha-CrocoTron, The Guardians draw their Guardian Blasters and fire on Alpha-CrocoTron, the combined energy causes the monster to roar out in pain just before his body glows white and explodes in a flash of energy. Red Guardian gets to his feet and the Guardians aim their blasters at Manto-Tron.

RED GUARDIAN
So, do you surrender or will you
suffer the same fate as that
reptile?

ALPHA-CROCOTRON
I choose your DEATHS

INT. GALAXY KNIGHT - CONFERENCE ROOM

CONNIE(V.O.)
Those energy readings are going
critical

PAT
Alert the Guardians, maybe they
can...

CONNIE(V.O.)
(Interrupting)
To late...

Pat watches the viewscreen as Manto-Tron glows with energy
and grows into a giant.

EXT. WESTVILLE FORREST

The Guardians look at giant Manto-Tron.

GREEN GUARDIAN
He's brought out the heavy
artillery

RED GUARDIAN
Then it's time we did the same,
only HEAVIER
(Beat)
Combatoids hear our call

GUARDIANS
LIONS, DESCEND

From the sky, the six lion Combatoids burst forth in the
sky like thundering, mechanical gods. The Guardians look up
at the towering assault vehicles. They are running on a
wave of light, which dissipates when the six lions hit the
ground. There's amazing pyrotechnics as six lions merge
together and transform into Ultron. The Guardians are
enveloped in beams of light.

INT. ULTRON - COCKPIT

The cockpit fills with light as the Guardians teleport into
their respective seats.

GREEN GUARDIAN
All systems ready

WHITE GUARDIAN
Weapons charged

RED GUARDIAN
Then let's go get the bad guy
shall we

FADE OUT.

END OF ACT THREE

ACT FOUR

FADE IN:

EXT. WESTVILLE FORREST

Towering above the forest, Manto-Tron and Ultron face off
against each other.

INT. GALAXY KNIGHT - CONFERENCE ROOM

Pat, is watching Ultron battle Giant Manto-Tron on the view-
screen.

CONNIE(V.O.)
Ok, now that giant freak is
finished

PAT
Connie, run a scan of the monster
to find any weak- spots it might
have

CONNIE(V.O.)
You bet, no-sweat

INT. ULTRON - COCKPIT

The Guardians grip the controls as Manto-Tron slashes at
Ultron with it's nasty claws.

BLUE GUARDIAN
Direct hit, shields holding

BLACK GUARDIAN
Ok, now it's our turn

EXT. WESTVILLE FORREST

As Ultron lunges towards Manto-Tron, the monster roars and jumps away, leaping high up into the sky and off into the distance

INT. ULTRON - COCKPIT

The Guardians watch as Manto-Tron escapes.

GREEN GUARDIAN

I've locked onto that freak, he's heading for the city

WHITE GUARDIAN

Well then, let's go after it shall we?

EXT. DOWNTOWN WESTVILLE

Manto-Tron lands with a crash on the street and roaring evilly. His enormous foot drops down and crushes a car into oblivion.

MANTO-TRON

BOW BEFORE THE MIGHT OF THE
NECRARI

He then bashes in the side of a building, sending glass and debris everywhere.

MANTO-TRON(CONT'D)

Earth will bow down, Lord Shadow
will rule over ALL...

RED GUARDIAN(OS)

(Interrupting)
Wanna bet?

Manto-Tron whirls around and sees Ultron's foot as it is about to slam into it's face; which it does, knocking the monster down.

INT. ULTRON - COCKPIT

Blue Guardian runs through the list of weapons Ultron has at it's disposal.

BLUE GUARDIAN

May I suggest we use the Blazing
Sword to hack off one or maybe
all of the monsters limbs so it
can't escape from us?

RED GUARDIAN
Now that is an excellent...

BLACK GUARDIAN
(Interrupting)
We have a problem.

EXT. DOWNTOWN WESTVILLE

A pair of wings erupt from Manto-Tron's back.

MANTO-TRON
Guardians, the fight now takes
flight

The wings fan-out and Manto-Tron soars up into the heavens.

INT. ULTRON - COCKPIT

The Guardians watch as Manto-Tron takes to the sky.

WHITE GUARDIAN
I've locked onto him

BLACK GUARDIAN
Engage flight mode

RED GUARDIAN
And here we go...

EXT. DOWNTOWN WESTVILLE

From beneath Ultron's feet. Two giant thrusters burst into life and began to push the giant gestalt robot into the sky.

INT. GALAXY KNIGHT - CONFERENCE ROOM

Pat watches as Ultron takes to the skies in pursuit of Manto-Tron.

PAT
Connie, can you project where
Manto-Tron is most likely to
land?

CONNIE(V.O.)
His course is erratic, and it is
proving difficult to calculate
it's course

PAT

What is the best estimate you can give me?

CONNIE(V.O.)

I'd say there's a 48 percent chance he'll head back to the city

PAT

Is that the best you can do?

CONNIE(V.O.)

At the moment yes

EXT. SPACE - EARTH ORBIT

In orbit of Earth, Manto-Tron watches the tiny speck that is Ultron as it rises up out of the atmosphere and races towards him.

MANTO-TRON

The black cold of space will be your final resting place
Guardians, for this is where you
DIE

Manto-Tron then fire several dozen energy beams from his claws towards Ultron as it exits Earth's atmosphere.

INT. ULTRON - COCKPIT

The cockpit shakes under the attack. Red Guardian once again brings up the list of Ultron's weapons and picks one.

RED GUARDIAN

This should do the job
(Beat)
Mega Missiles, FIRE!

EXT. SPACE

Ultron's left hand retracts and sprays Manto-Tron with hundreds of missiles. The missiles strike Manto-Tron, causing him a lot of damage.

MANTO-TRON

You will have to do better than that to stop me Guardian SCUM

INT. ULTRON - COCKPIT

The Guardians watch as Manto-Tron flies directly at them.

WHITE GUARDIAN

Ok, i think we have made him
angry

BLUE GUARDIAN

Then let's make sure he has
something to be REALLY angry at
shall we?

EXT. SPACE

Ultron and Manto-Tron collide with each other and go
spinning through space.

MANTO-TRON

I'll crush you with my bare
hands...

Manto-Tron spins Ultron around and grabs the giant robot
from behind and begins squeezing it in a bear hug.

INT. ULTRON - COCKPIT

The mounting pressure on Ultron results in a loud whining
noise that gets louder with each passing second.

BLACK GUARDIAN

(shouting)
WE'RE GOING TO IMplode!

YELLOW GUARDIAN

(shouting)
THE SHIELDS CAN'T TAKE MUCH MORE
OF THIS!

BLACK GUARDIAN

Then perhaps it's time we saw eye
to eye with our monster attacker.

EXT. OUTER SPACE

We hear SCREECHING METAL and BURSTING VALVES as Manto-Tron
squeezes Ultron tightly. Ultron's head swivels around and
it's eye suddenly glow with energy, which fires at Manto-
Tron. The point blank shot sends the monster spinning away.
Ultron's body turns around so that it's head is now facing
the right way.

INT. ULTRON - COCKPIT

RED GUARDIAN

That has got him off our backs

BLACK GUARDIAN
Yeah, Ultron can be a real head-
turner

Suddenly, Ultron is rocked by a massive explosion.

BLACK GUARDIAN (CONT'D)
Direct hit on our port
thrusters...

EXT. SPACE

A series of energy beams slam into Ultron's left foot, causing damage. The foot sparks and is badly mangled.

MANTO-TRON
Earth will fall before the might
of Lord Shadow and they will be
forced to acknowledge the Nocrari
as their GODS

Manto-Tron roars and fires another massive energy beam at Ultron, slamming into the already badly damaged left foot.

INT. ULTRON - COCKPIT

The Guardians hold onto their consoles as Ultron is rocked by the explosion.

BLACK GUARDIAN
Ok, he's damaged our toy robot
enough, I say we damage him

RED GUARDIAN
A capitol idea
(Beat)
Let's see how he likes THIS...

EXT. SPACE

Ultron grabs Manto-Tron and blasts him with it's eye beams.

MANTO-TRON
(Wordless Roars Of Rage)

INT. GALAXY KNIGHT - CONFERENCE ROOM

Having finished in the science lab, Aiko and Connie are sat with Pat and all three of them are watching the battle in space.

AIKO
Ultron has taken some serious
damage to it's left foot

CONNIE
It can be repaired when they land

PAT
I can now see why you could not
project it's landing position

CONNIE
Yeah, but I had no idea it would
head on up into space

EXT. SPACE

Ultron dodges out of the way as Manto-Tron fires an energy
wave at the giant robot. It misses and heads towards Earth.

INT. ULTRON - COCKPIT

The Guardians watch as the energy wave heads towards Earth.

RED GUARDIAN
Can we stop that thing before it
hits?

BLUE GUARDIAN
(Off His Console)
No, our damage would stop us from
getting to it in time

RED GUARDIAN
Call father and tell him that we
have a problem

BLUE GUARDIAN
A good suggestion, but our
communications are off- line

INT. GALAXY KNIGHT - CONFERENCE ROOM

PAT
Connie, can you track that energy
wave and show us where it's going
to hit

CONNIE
No problem
(Beat)
Ok, we have a problem

AIKO
(Concerned)
Connie, where is it going to hit?

CONNIE
China, just inside China's
national waters, a small fishing
village

EXT. CHINESE HARBOR

The energy wave streaks down and hits the water. Two ships anchored at dock begin to LIFT UPWARDS as the waters beneath them begins to rise. Suddenly a TIDAL WAVE of water comes CRASHING down, flooding the large harbor.

INT. GALAXY KNIGHT - CONFERENCE ROOM

PAT
Connie, how many people were
killed in China by that energy
wave?

CONNIE
One moment
(Beat)
At least two hundred and fifty
thousand with another twenty-
thousand missing

EXT. SPACE

Ultron charges at Manto-Tron and slams it's right foot into the monsters chest, sending it floating away.

INT. ULTRON - COCKPIT

The Guardians watch as Manto-tron regains it's balance and flies right back at them.

BLACK GUARDIAN
Ok everyone, hold on...

EXT. SPACE

Manto-Tron slams into Ultron and the pair go cart wheeling through space. Manto-Tron wraps it's arms around the giant robot and begins to squeeze as hard as he can.

MANTO-TRON
I crush Guardians, then Earth is
ours...

INT. ULTRON - COCKPIT

Alarms go off and panels explode, filling the cockpit with smoke.

GREEN GUARDIAN
We can't take this for much longer

BLUE GUARDIAN
What else can we do, he pinning our arms against us so we can't attack

BLACK GUARDIAN
Well, we can always try this...

EXT. SPACE

In a flash of light and energy, Ultron disengages and the six lions fly away from Manto-Tron.

MANTO-TRON
You are running, you cowards

Red Lion swoops around and fires it's Tail Blaster, hitting Manto-Tron's left claw.

INT. RED LION - COCKPIT

Red Guardian looks at the scanners then hits the comm. button.

RED GUARDIAN
Guys, I think I have the solution to defeating this scum-bag

BLUE GUARDIAN(V.O.)
Then tell us dear brother

RED GUARDIAN
Aim for it's claws, if we can hack them off, we can execute it without further damage to us

EXT. SPACE

The six lions spread out away from Manto-Tron.

MANTO-TRON
Come back and fight cowards...

The Green and White lions swoop back around and fire their Tail Blasters, hitting Manto-Tron's left claw.

INT. RED LION - COCKPIT

Red Guardian looks at the scanners then hits the comm. button.

RED GUARDIAN
Ok, one more hit should do it

BLACK GUARDIAN(V.O.)
This one is on me...

EXT. SPACE

Black Lion swoops down and flies directly at Manto-Tron.

INT. BLACK LION - COCKPIT

Black Guardian watches the screen as Manto-tron looms closer.

BLACK GUARDIAN
Time to take a bite out of evil
(Beat)
Oh GOD that sounded so cliched

EXT. SPACE

Black Lion flies to Manto-Tron and clamps it's jaw down on the monster's left claw.

MANTO-TRON
(Wordless Roars Of Rage)

Manto-Tron roars out as Black Lion pulls away, tearing the left claw off the monster.

INT. BLACK LION - COCKPIT

Black Guardian watches as Manto-Tron drifts away.

BLACK GUARDIAN
Ok, one claw down, one to go

INT. GALAXY KNIGHT - CONFERENCE ROOM

Pat, Aiko and Connie watch the battle with Manto-Tron on the viewscreen.

AIKO

Why don't they reform Ultron? Now that Manto-Tron is heavily injured, he should be easy pickings

PAT

Connie, inform the Guardians that they should re- form Ultron and...

CONNIE

(Interrupting)

We have another problem, I'm detecting FireStorm and Mele down on Earth

AIKO

Surely that is no coincidence since the Guardians are up here fighting in space

PAT

Connie, inform the Guardians

INT. RED LION - COCKPIT

Red Guardian is listening to an announcement from Connie

CONNIE(V.O.)

FireStorm and mele have appeared down on Earth, just outside the city, they are...

RED GUARDIAN

(Interrupting)

Connie, tell father and the others that I'll go down and stop them

BLACK GUARDIAN(V.O.)

I'll go with you Johnny, if we set our respective Lions on Auto-Pilot, the others should be fine

RED GUARDIAN

Good idea

INT. GALAXY KNIGHT - CONFERENCE ROOM

Pat has just heard what Joseph and Porter have planed to do.

PAT
That is not a wise course of
action to take

BLACK GUARDIAN(V.O.)
What choice do we have?

RED GUARDIAN(V.O.)
If we get into trouble, we'll
call for help...

Before anyone can object, the comm system crackles and goes
dead.

EXT. WESTVILLE - OUTSKIRTS

Red Guardian and Black Guardian land and look around.

BLACK GUARDIAN
Ok, I don't see that reject
reptile or that Chinese whore
anywhere

RED GUARDIAN
Ok, this feels like a set-up...

FIRESTORM(OS)
Ands that is exactly what it is
Red Guardian...

Explosions erupt around Red and Black Guardians, knocking
them back and down to the ground. Mele and FireStorm
teleport in.

MELE
It would seem that Manto-Tron is
keeping the others busy, leaving
us to deal with these two rejects

They get to their feet and square off against the two
aliens.

RED GUARDIAN
The two of us can more than
easily take you two on

FIRESTORM
Wanna bet?

BLACK GUARDIAN
Yes

That said, the two Guardians take on the two aliens.

INT. GALAXY KNIGHT - CONFERENCE ROOM

Pat, Aiko and Connie watch as Red and Black Guardians fight FireStorm and Mele.

AIKO

Can those two stop those alien
scum?

CONNIE

I have no idea...

The screen flickers and changes images and now shows Ultron fighting the badly injured Manto-Tron.

PAT

As soon as Manto-Tron is down,
the others can go to Earth and
help Joseph and Porter

EXT. SPACE

The now badly damaged Manto-Tron tries to get away, but Ultron is too fast. The gestalt robot grabs Manto-Tron's right claw and rips it off, causing the monster to howl out in pain.

INT. ULTRON - COCKPIT

The remaining Guardians watch as Manto-Tron drifts away from them.

BLUE GUARDIAN

Ok, I say we end this and get
down to Earth to help Joseph and
Porter

WHITE GUARDIAN

Agreed

GREEN GUARDIAN

So, do we contain it or destroy
it?

BLUE GUARDIAN

I say we try to contain it

INT. GALAXY KNIGHT - CONFERENCE ROOM

Pat watches as Ultron summons the Blazing Sword.

PAT

If this works, they will not have to kill Manto-Tron

AIKO

But I thought they had already voted to use lethal force against it?

PAT

I know, but if they can contain it, that would be better than having to execute it

AIKO

So why did they execute that reptile that spawned the CrocoBots?

PAT

Because it was too dangerous to keep alive

The three of them watch as Ultron contains Manto-Tron.

PAT (CONT'D)

Now that is how it should be done

CONNIE

Incoming signal from Ultron

PAT

Then let's see it

The screen flickers to life and displays the remaining Guardians seated in Ultron's cockpit. Blue Guardian holds up the Containment Jar.

BLUE GUARDIAN(ON SCREEN)

Here we have one guest for monster-land

PAT

Quickly, you must teleport it to Monster-Land and get to the outskirts of the city, Joseph and Porter need your help

WHITE GUARDIAN(ON SCREEN)

Ok, we're on our way

EXT. SPACE

Ultron turns and flies back towards Earth.

EXT. WESTVILLE - OUTSKIRTS

Black Guardian crashes to the ground and barley has time to dodge out of the way as FireStorm tries to drop-kick him.

FIRESTORM

Give it up Guardians, Manto-Tron
will have destroyed your brothers

BLACK GUARDIAN

That will NEVER happen

FIRESTORM

Wanna bet?

Mele tries to impale Red Guardian on her staff, but he dodges so she trips him up with it.

MELE

Give in Guardians, your deaths
will be quick and painless

RED GUARDIAN

Blow me

MELE

Very well, you had your chance,
now you will die, but in a lot of
pain and begging for mercy which
will not be shown

As Mele raises her staff to impale Red Guardian, she notices something in the sky.

MELE (CONT'D)

It can't be

We see Ultron descending down out of the sky. It lands a few feet away from the battle and a few moments later, the other Guardians materialize, weapons drawn and at the ready.

GREEN GUARDIAN

So scum, do you think you can
take us on AND survive fighting
Ultron?

FireStorm moves forward, but Mele grabs him and pulls him back.

MELE

We should retreat, we can;t fight
them AND their robot

FireStorm knows what she is saying is true, but can't resist one last shot.

He fires an energy beam which misses the Guardians, hits Ultron, bounces back and hit's his left foot.

FIRESTORM

You have not seen the last of us,
G.S.A. filth

They teleport away. The Guardians power down and regroup.

PORTER

Thanks for the assist guys

JOSEPH

Yeah, you showed up just in time
to save our hides

ZAC

(Smiling)

Well, what else are we for but
saving you from getting your butt
kicked

JOSEPH

Come on guys, let's go home.
We've got a LOT to talk about.

Porter pats Joseph on the back. As the Guardians walk down the street, the sun shines on Ultron.

EXT. SPACE - INTREPID

We see the Intrepid still hanging in orbit of Alpha Centarui

KEENAN(V.O.)

Sir, we're getting a signal

INT. INTREPID - BRIDGE

LANKA

Let's see it

KEENAN

Putting it on screen

The screen flickers to life and a message in alien text flows across the screen. Lanka hits a control on the armrest of her chair and growls.

LANKA

Helm, plot a course into the
atmosphere. Tactical, begin
scouting for possible
construction sites

LANKA (CONT'D)
We have been given to go-ahead?

LANKA (CONT'D)
(Indicating the
viewscreen)
Our mission has been given top
priority because our contacts on
Earth are having problems with
one of the other nation states

TIERNAN
I've found a suitable landing
site and found a great location
to begin construction

LANKA
Then take us down, we have a lot
of work to do

EXT. SPACE - INTREPID

We see the Intrepid descend down into the atmosphere of
Alpha Centauri and out of sight.
