INT. GALAXY KNIGHT - CONFERENCE ROOM

The Guardians, Aiko and Connie are sat around the Conference table.

JOSEPH

Ok, we all know why we're here,
we have to find someone who can
become the Silver Guardian just
until Aiko can use her powers
again

(Beat)

Anyone have any suggestions?

PORTER

I do

He gets up and moves to a small table with a stack of
personnel folders on them, he picks up six and hands them
out to the others, keeping one for himself.

JOSEPH

So Porter, who do you recommend?

PORTER

The candidate to become the
Silver Guardian is a Cyber Knight
by the name of Joss Bradley...

AIKO

Is he good?

PORTER

He's the best Cyber Knight I have
ever worked with

JOSEPH

Aiko, if you're not convinced by
that...

AIKO

Oh, I am convinced

JOSEPH

Ok Porter, let's go get the new
Silver Guardian

FADE TO
CREDITS

END OF TEASER

ACT ONE

FADE IN:

EXT. WESTVILLE HIGHWAY

We see a Cyber Knight SUV racing down the highway at full speed in pursuit of a red sports car. both vehicles weave in and out of traffic at dangerous speeds.

INT. CYBER KNIGHT SUV

Driving the S.U.V. is Cyber Knight Joss Bradley (27). He has short brown hair and green eyes. He is wearing a standard Cyber Knight uniform and a pair of jet-black driving gloves. A diagonal scar over his eye, healed yet giving him the appearance of someone just a bit older. He is talking into a radio.

JOSS

Suspect is heading towards city center. Suspect is driving a red Chevy Camero 07, I am in full pursuit

EXT. WESTVILLE - CITY CENTER

The Chevy skids around a corner and hits a lamp-post head-on. The drivers side door opens and Leanne gets out. She is a junkie, she looks feverish and strung-out, in serious need of a fix. Her once attractive features now gone. Her tatty, unwashed long blonde hair whips around freely as she tries to make an escape on foot. The Cyber Knight SUV skids to a halt and Joss gets out, he runs over to her grabs her and slams her into a wall.

JOSS

You're under arrest

LEANNE

(Pleadingly)

Please... you have to help me, I need a fix, PLEASE

JOSS

You have the right to remain silent, I suggest you use it, crack-whore

He turns her around and puts some handcuffs on her before roughly escorting her back to his SUV. It is then that he notices another SUV approaching him. He watches as it drives up to him.

As another Cyber Knights gets out, and as Joss realizes it has no driver, it converts to robot mode; it's Rollbar.

ROLLBAR
Cyber Knight Joss Bradley?

JOSS
What's it to you?

ROLLBAR
Cyber Knight code 1-Alpha Zero.
You've been Transferred. Please
come with us

JOSS
Where am I being transferred to
and why?

ROLLBAR
All will be explained if you come
with us. I have brought with me
someone to take your prisoner for
you

A male Cyber Knights approaches Joss.

ROLLBAR(CONT'D)
Cyber Knight Ruth will take your
prisoner back for you

Joss hands the prisoner over to the other Cyber Knight.

JOSS
Would you mind telling me where I
am going and why?

ROLLBAR
If you'll please get in, we can
be going Rollbar converts to
vehicle mode.

ROLLBAR(CONT'D)
Get in already

Joss gets in, the door closes and Rollbar races away at top speed.

EXT. MOON

On the surface of the moon, FireStorm is watching as a team of CrocoTrons assemble a device on the lunar that looks like a tripod.

FIRESTORM

When the Power Converter is assembled, I will be able to tap into the Earth's magnetic field, I will have all the power I desire. And then I will be able to crush the Guardians ONCE AND FOR ALL

EXT. WESTVILLE BADLANDS - HIGHWAY 112

Rollbar races down the dusty desert road at top speed.

INT. ROLLBAR

Joss is sat in the passenger seat.

JOSS

(Looks outside)

Where the hell are we going?

ROLLBAR(V.O.)

As I said, it's classified

JOSS

Yes, you already said that

ROLLBAR(V.O.)

Then just keep quiet until we get there

JOSS

How will I know we are there when you won;t tell me where there is?

ROLLBAR(V.O.)

You will know we are there because I will tell you when we get there

(Beat)

Now will you kindly belt up

EXT. MOON

Using a pair of futuristic binoculars, FireStorm is watching Rollbar as he drives down the road.

FIRESTORM

That robotic reject will serve as a good distraction

FireStorm takes out a device that resembles a grenade and throws it towards Earth.

EXT. WESTVILLE BADLANDS - HIGHWAY 112

Rollbar is still racing down the dusty desert road at top speed.

INT. ROLLBAR

The radio is playing.

REPORTER

Tension is high on Capital Hill as an emergency session of congress prepares to hear the president address the issue of the recent alien attack that devastated a chinese harbor...

Joss turns off the radio and sighs.

JOSS

This is ridiculous, we've been driving for an hour, wither tell me where we are going or pull over and let me out

ROLLBAR

I've already told you we'll be there soon

JOSS

You already said that.

ROLLBAR

And I will keep saying it until we get there

JOSS

For cryin' out loud, just tell me the truth...

EXT. WESTVILLE BADLANDS - HIGHWAY 112

The grenade flies down and explodes, flipping Rollbar over and sending him skidding off the road.

INT. GALAXY KNIGHT - CONFERENCE ROOM

The Guardians are reading Joss' Cyber Knight personal file.

MATTHEW

Are you sure this guy is the right choice?

PORTER

Oh yes. He may be a little cold on the outside but he is the best Cyber Knight there is

MATTHEW

Are you sure about that
(Reading Off The
Profile)

According to this, Cyber Knight Bradley has over 29 complaints lodged against him for excessive force

PORTER

Yes, but none of them ever came to anything, they were investigated and all charges against him were dropped

ZAC

I agree with Matthew, this guy doesn't seem right

PORTER

Just give him a chance, and once you've meet him, you'll see why he'll make a perfect addition to the team

JOSEPH

A temporary addition...

PORTER

I stand corrected. He will be a temporary addition to the team while we find a way to give Aiko her powers back

MATTHEW

Here's a thought; what if Aiko CAN'T ever use her powers again?

CONNIE(V.O.)

(Interrupting)

We've got a problem, there was an explosion out on Highway 112. Rollbar was hit by an unknown explosive device

Without another word, everyone gets up and eaves the Conference Room as fast as they can.

EXT. WESTVILLE BADLANDS - HIGHWAY 112

Joss Cyber Knight uniform is speckled with soil, sand and flecks of blood. His breathing closely mixed; erratic. He is in shock. a few moments pass and we can hear the sound of approaching engines. The Car Robots arrive and skid to a halt. The Guardians, Aiko, Mika and pat get out then the Car Robots convert to robot mode.

JOSEPH
 DragStrip, you and SmokeScreen
 help Rollbar

As they move off the help their friend, Porter kneel;s down by Joss.

PORTER
 he's alive, we need to get him
 back a medical facility, NOW

AIKO
 Let's just teleport him to the
 Galaxy Knight

PORTER
 Good idea, prepare to...

CONNIE(V.O.)
 (Interrupting)
 No, do not teleport

PORTER
 Why not? He's hurt and need
 medical attention

CONNIE(V.O.)
 I'm detecting small amounts of
 Vebc radiation in the surrounding
 area

PAT
 Are we in any danger?

CONNIE(V.O.)
 No, but teleporting through it
 would not be advisable

PAT
 Understood, we'll take him to HQ

BLADES
 I'll do that, I can get there
 quicker than any of you

Blades converts to vehicle mode.

BLADES (CONT'D)

Load him in

Porter and Matthew load Joss into blades then get in themselves.

JOSEPH

We'll see you guys back at HQ

BLADES

I'll take him up to the Galaxy Knight once I've cleared the radiation

The door slides shut then Blades takes off and flies away. The others move over to Rollbar, who has been put back onto his wheels.

MIKA

So, how is he?

DRAGSTRIP

if he were Human, he'd be in a coma

AIKO

Can he be repaired?

SMOKESCREEN

We might be able to, but we have to get him back to the Galaxy Knight

AIKO

What about that radiation Connie detected?

CONNIE (V.O.)

The robots will be fine, the radiation won't affect them like it would affect you

SMOKESCREEN

Ok, teleport us up

SURESHOT

I'll stay here, I can drive the others back

MIRAGE

Yeah, me to

The other Car Robots are teleported up, SureShot and Mirage convert to vehicle mode, Pat, Aiko, Mika and the Guardians get in and drive away.

EXT. MOON

Using a pair of futuristic binoculars, FireStorm is watching as Sureshot and Mirage drives down the road.

FIRESTORM
This is unbelievable, they have
yet again foiled my plan
(Beat)
Well, they have do so for the
last time...

MELE(O.S.)
FireStorm, what are you planing?

FireStorm turns and sees Mele warp onto the moon.

FIRESTORM
What I am doing is none of your
concern, witch

Mele looks at the device the CrocoTrons are assembling.

MELE
What could you want with a Power
Converter? FireStorm's eyes glow
red with rage as he steps close
to Mele.

FIRESTORM
(Angry)
I do not have to explain anything
to you, witch. Now get out of my
SIGHT before I rip out your
throat

Mele back up a little, she is surprised by FireStorm's outburst.

MELE
Lord Shadow told us to work
together...

FireStorm turns and glares at Mele.

FIRESTORM
Be gone witch, lest I rip out
your spine

Without saying another word, she turns and warp away.

INT. CYBERTECH HQ - MEDICAL BAY - LATER

Joss is laid on the medical bed, as Connie runs a medical scanner over him. The Guardians stand to one side.

JOSEPH
Is he going to be ok?

Connie checks the read-out on the scanner.

CONNIE
He's taken some serious injuries,
but he should be ok in a few days

PORTER
Can you get it done any sooner?,
we need him ASAP

CONNIE
I'll use the C.R. chamber on him,
but it will still take a few
hours

PAT
Thank-you Connie, call us when he
is healed and awake
(To The Others)
Let's go and see how Rollbar is
getting on

INT. GALAXY KNIGHT - REPAIR BAY

Rollbar is laid on a repair table in his Robot Mode. His left arm, right hand and both of his legs have been removed. The Guardians watch as Mirage studies several damaged components.

MIKA
I don;t want to offend anyone,
but this is all starting to make
me feel uneasy

MIRAGE
Why should it? You've seen
operations performed on your TV
shows

MIKA
Yes, but not on a robot by other
robots

MIRAGE
It's ok, it's not as bad as it
looks

SURESHOT
All we're doing is removing the
damages parts and replacing them
with new ones

Mika moves closer and watches as Sureshot installs a power chip in Rollbar's left leg.

MIKA

I suppose it's not all that different from watching ER

PAT

Is there anything we can do to help?

SURESHOT

We're almost finished installing the new parts, Rollbar should be on-line in an hour or so

PAT

Ok, let us know when he is on-line

DRAGSTRIP

That we will

PAT

(To The Others)

You can use this time to get some rest, undoubtedly who ever attacked Rollbar and Joss will try again

JOSEPH

Actually father, we'd rather stay here and help

PAT

Are you arguing with me?

JOSEPH

If I was, would it do any good?

PAT

None at all

JOSEPH

(Smiling)

Then I'm not arguing

(To The Others)

You heard him, let's go

INT. GALAXY KNIGHT - JOSEPH AND AIKO'S QUARTERS - LATER

Porter stands in the doorway to Joseph's quarters.

PORTER

Good morning, Mr. Shakhan, this is your wake-up call. Please move your butt.

There is no reaction. A smile crosses Porter's face.

PORTER (CONT'D)

Connie, what I'm about to do, ignore it

CONNIE(V.O.)

No problem, I'll even give you a head start when He comes after you for this little stunt

PORTER

Thanks

He steps into the quarters and stands to the side of the door.

PORTER (CONT'D)

(Smiling)

RED ALERT, ALL HANDS TO BATTLE STATIONS

Joseph suddenly tries to sit up in bed and promptly falls out, pulling the bed covers with him; revealing Aiko, wearing pink Pajamas. Joseph slowly stands up and looks at Porter.

JOSEPH

What... What's going on

PORTER

(Smiling)

I'm sorry, did I wake you?

JOSEPH

(Smiling)

You're a dead man. I won't get you but Aiko hates being woken up rudely

Aiko sits up, holding a pillow in her hands.

AIKO

I'll give you a head start before I come After you and drop kick your head all the way back down to Earth, ok?

She throws the pillow at him, he catches it and throws it back.

JOSEPH

I thought we were meant to be
getting some rest

PORTER

I just thought you'd be
interested in knowing that
Rollbar is back on-line

AIKO

Is he ok?

PORTER

He's just fine

JOSEPH

What about Joss?

PORTER

He's out cold, but Connie is
going to use a C.R. Chamber on
him

JOSEPH

Well, let's go and say hello to
Rollbar then

Joseph heads to the door, but Porter stops him.

PORTER

I've already passed on your
regards and told him that you and
Aiko are in bed

AIKO

So why wake us up?

PORTER

(Smiling)

I just wanted to see your faces
when I woke you up. Bye

Smiling, Porter steps out of their quarters, waving as the
door slides shut. Joseph and Aiko get back into bed.

AIKO

He may be your brother and my
brother in law, but if he does
that again, I will have to hurt
him

INT. GALAXY KNIGHT - REPAIR BAY

Rollbar feels his elbow joint, twists his neck side to side
and gets creaks and squeaks and moves his legs as he is
trying himself out.

ROLLBAR
You guys did a first-rate job of
putting me back together

SURESHOT
You're welcome

Porter enter the Repair Bay.

PORTER
I've told Joseph and Aiko that
you are back on- line, they send
their regards

ROLLBAR
Where are they?

PORTER
(Smiling)
In their quarters, I would guess

ROLLBAR
(Interrupting)
No need to say any-more

MIKA
So are you fully back on-line?

ROLLBAR
Yes, and I'm raring to rip out
the spine of whoever did this
(Beat)
How's Joss doing?

PAT
He's unconscious at the moment
but Connie is going to use a C.R.
Chamber on him

ROLLBAR
I didn't think they would work on
Human physiology?

PAT
It's being calibrated as we speak

PORTER
Do you know who attacked you?

ROLLBAR
I have no idea, one moment I was
driving down the highway, the
next thing there was an explosion
that flipped me flipped me ass
over end

TAYLOR

I'd put money on it being
FireStorm or that Chinese whore
Mele

MIRAGE

It strikes me as odd that he
would just attack Rollbar without
sending down a monster or trying
to finish Rollbar off

MATTHEW

Maybe it was a distraction, meant
to throw us off course

CONNIE (V.O.)

I've scanned Earth and have found
no sign of any monsters or aliens

MATTHEW

Is it me or does this silence
feel very uneasy

PORTER

Yeah, it feels like this is the
calm before a major shit-storm

EXT. MOON

On the surface of the moon, FireStorm is watching as a team
of CrocoTrons finish assembling the tripod-like device.

FIRESTORM

The power converter is ready, now
I will be able to gain enough
power to crush the Guardians and
take Earth for myself

Crouched behind a large lunar boulder, Mele is watching
FireStorm as he powers up the device.

MELE

FireStorm must be stopped, Earth
is the domain of Lord Shadow...

As the Converter powers up and begins transferring energy
to FireStorm, Mele stands up and fires an energy beam from
her staff, it hits the Converter which begins to glow.

FIRESTORM

(Angry)

What have you done you WITCH?

MELE

I've stopped you from betraying
Lord Shadow

Mele then backs away and teleports out. The Converter explodes and the explosion engulfs FireStorm and the CrocoTrons.

INT. GALAXY KNIGHT - MEDICAL BAY

Connie watches the C.R. Chamber. It looks like a medical bed with a canopy that covers the entire bed. The doors slide open and Porter walks in.

PORTER
How's he doing?

CONNIE
The C.R. Chamber is working on him, but it's going to take a while as I have to manually calibrate it for a human

PORTER
Why didn't we calibrate it for Humans before now?

CONNIE
Maybe because CyberTech hasn't introduced a "Human version" of the C.R. chamber yet

PORTER
Yeah, hadn't thought of that. But if we did introduce it, we'd make an absolute fortune

CONNIE
Ands close down every hospital in the country and put thousands of people out of a job

PORTER
But if we did introduce it, there would be no disease that we could not cure, so what if we put people out of work if we can cure all diseases

(Beat)
Well, let us know if and when...

An alarm blares out, Porter looks at a screen which shows the CrocoTrons attacking the city.

PORTER (CONT'D)
Alert the others

CONNIE
Already done

Porter turns and runs out of the room.

EXT. WESTVILLE - CITY CENTER

The Guardians land and see the mutated CrocoTrons. They are now taller, have long black claws and are more muscular than before.

RED GUARDIAN
Ok, this is going to be a
challenge

BLACK GUARDIAN
Yeah, but it's nothing some
swift, violent and brutal
beatings won't cure

ULTIMATE FIRESTORM(O.S.)
How right you are, Guardian scum

The Guardians look around and see a figure standing in the shadows.

ULTIMATE FIRESTORM(CONT'D)
You will bow before my new power
before you die

The dark figure reveals himself to the Guardians. He has dark blue skin. It's clearly FireStorm but his face is now more twisted and lizard-like. He now has long fangs, a gold plate, bolted to his chin. he now has long black hair draped around his shoulders. His claws on his feet and hands are long and black.

ULTIMATE FIRESTORM(CONT'D)
It's time for your deaths,
Guardians

FADE OUT.

END OF ACT ONE

ACT TWO

FADE IN:

EXT. WESTVILLE - CITY CENTER

Ultimate FireStorm roars and charges at the Guardians. He collides with them and sends them scattering like bowling pins.

ULTIMATE FIRESTORM
 My power is now that of a
 demigod, BOW BEFORE MY
 POWER

White Guardian draws his Guardian Blaster and is about to fire a CrocoTron rushes over and kicks him in the gut, sending him flying and crashing into a tree.

ULTIMATE FIRESTORM (CONT'D)
 No power on Earth can stop me,
 and when my legions have beaten
 you down, this world will be
 MINE...

That said, Ultimate FireStorm and the CrocoTrons teleport away.

INT. GALAXY KNIGHT - CONFERENCE ROOM - 5 MINUTES LATER

Everyone is seated around the Conference Table.

PAT
 It would seem that FireStorm has
 mutated into his Ultimate form
 which is indeed bad news

PORTER
 Yeah, if ever we needed a
 temporary replacement, it's now
 especially since old cinder
 breath mentioned "his legions"

CONNIE
 I may have a way to help you
 until Joss is ready. Aiko and
 myself have been working on a new
 power-up for your armor

AIKO
 Yeah, it's going to be GREAT
 (Beat)
 When we get it working that is

MATTHEW
 A new power-up? sounds great

CONNIE
 We're having trouble powering it

ISAAC
 What sort of problems?

CONNIE
 To put it simply, it's over
 gunned and overpowered.
 (MORE)

CONNIE (CONT'D)

During the simulations, it nearly tore you guys apart it was tested at full capacity

ZAC

I can see how that would be a problem

CONNIE

Once we have the power problem sorted, the power-up will help you guys kick alien but a lot quicker

PAT

Any idea as to when it will be ready?

AIKO

Not yet, we don't even know why the power problem keeps happening

ISAAC

So, what do we do until...

An alarm suddenly blares out.

PAT

Connie, what is it?

CONNIE

There is a monster at the city center

PAT

Looks like fireStorm has sent down the first of his legions

PORTER

We're on it father

The Guardians get up and run out of the room.

EXT. WESTVILLE CITY CENTER

A small café in the city center suddenly explodes in a ball of flame and wreckage, killing everyone inside it. An off-white, circuitry-skinned monster with a yellow-detailed birdie face, a funky hair style, and four tentacles dangling from across the backs of his shoulders, steps out of the smoking ruins of the building.

CYBERDRONE

This is a perfect place to start

Cyber-Drone looks around and sees something that gets his attention. He turns and stomps towards a sporting goods store.

INT. EASTON SPORTING GOODS

Cyber-Drone picks up a hunting rifle and a spear gun.

CYBERDRONE

These will be the first soldiers
of my army

He places the objects on the ground and his tentacles whip around and two tentacles wrap around each object. Circuit like veins become visible on the tentacles as energy washes down them and into the hunting rifle and spear gun.

PULL BACK:

As the two objects float off the ground and begin to glow with a sickly orange color. It glows even brighter, filling the store, then as Cyber- Drone releases his tentacles, the orange light fades away, revealing two new monsters, who bow down on bended knee before Cyber-Drone

LINE

We await your orders master

Line is formed from the spear gun. His body is mostly silver, with a few grey highlights. He only has one hand as the other arm ends in the spear.

DOUBLE-BARREL

You command and we obey

Double Barrel is formed from the hunting rifle. His color is primarily grey, with hints of brown. He has two shoulder cannons formed from the double barrels of the hunting rifle.

CYBERDRONE

This place will become the center
of power When I conquer this
world. So my task for you Is to
wreak havoc on this city, so the
populace may Know that their new
master has arrived

DOUBLE-BARREL/LINE

We obey you, our master

EXT. WESTVILLE CITY CENTER

Double-Barrel and Line step out of the sporting goods store.

LINE

Surrender before the might of
CyberDrone Humans, this world and
your lives are HIS

DOUBLE-BARREL

Surrender and live, resist...

The rest of his sentence is cut off by a barrage of energy
fire that stabs down from out of the sky.

LINE

Who dares attack us?

He is hit by another barrage of energy fire. The Guardians
land in front of the two monsters.

LINE (CONT'D)

The Guardians, we knew you'd show
up

WHITE GUARDIAN

Here we are...

BLUE GUARDIAN

And here you GO...

The Guardians charge at the three monsters.

INT. GALAXY KNIGHT - CONFERENCE ROOM

Pat, Aiko, Connie and the Car Robots watch the battle.

DRAGSTRIP

If this is indeed FireStorm's
work, you have to admit it is
ingenious sending down a monster
that can create more monsters
from any object it wishes

PAT

That is a tactical advantage

CONNIE

Speaking of advantages, if you
all don't mind, Aiko and myself
will go to the science lab to
work on the upgrade

PAT

Of course, keep me posted on your
progress

Connie and Aiko get up and leave the Conference Room.

SURESHOT

So why don't we go down to Earth
and help the Guardians. People
have seen us helping them so they
know not to fear us

PAT

A good suggestion, but it would
be advisable to wait until the
Guardians need your help. If you
go down now, FireStorm would more
than likely send down more
monsters to take you on as well
as the Guardians

EXT. WESTVILLE CITY CENTER

Black Guardian ducks as Line tries to impale him and
responds by punching the robotic monster in the gut then
follows it up with a tornado kicks that knocks it down. He
draws his Containment Blaster.

BLACK GUARDIAN

You're contained

He fires and contains Line. White Guardian crashes to the
floor next to Black Guardian as Double-Barrel fires on him
again.

DOUBLE-BARREL

And now for the kill-shot....

As Double-Barrel takes aim, he is hit by a containment beam
and contained. Blue Guardian steps forward.

BLUE GUARDIAN

Two down, one to go...

The Guardians re-group and face off against Cyber-Drone.

GREEN GUARDIAN

So, are you going to come
peacefully or do we have to hurt
you?

CYBERDRONE

Here's a hint...

CyberDrone fires an energy beam at the Guardians, while
they shield themselves, CyberDrone makes good his escape.

YELLOW GUARDIAN

Connie, can you track that thing?

CONNIE(V.O.)
It is headed to the Residential
District

The Guardians then take to the sky and follow after
CyberDrone.

EXT. WESTVILLE - RESIDENTIAL DISTRICT

As the Guardians land, they see CyberDrone standing next to
another monster. This new monster has been formed out of a
top of the range PC. This is MAINFRAME.

MAINFRAME
I will crush you just for the
glory of CYBERDRONE

RED GUARDIAN
And you'll die trying just like
your previous monsters

CYBERDRONE
I don't think so
(To MainFrame)
MainFrame, show them your thing

MAINFRAME
With pleasure

Mainframe whips out cables that wrap around the Guardians,
pinning their arms to their sides.

CYBERDRONE
Now Main-Frame, have fun while I
go build an army

MAINFRAME
Yes, I will have fun with them
Once again, CyberDrone makes good
his escape.

MAINFRAME(CONT'D)
Beginning power drain

The cables around each Guardian glow with the color of the
Guardian they are holding. Visible energy waves being
flowing from the Guardians and into MainFrame.

INT. GALAXY KNIGHT - CONFERENCE ROOM

Everyone watches as Main-Frame starts to drain the
Guardians energies.

PAT

Blades, take someone with you and
go help them

BLADES

No problem
(To DragStrip)
Let's go

Blades and DragStrip get up and run out of the room.

DRAGSTRIP(O.S.)

Oh no you don't

Mainframe whirls around and is hit by DragStrip in vehicle mode. He is sent flying and crashes into a parked van. Blades transforms to robot mode uses his rotors as swords and cuts the cables holding the Guardians. The Guardians drop to the floor and remain motionless.

MAINFRAME

Power drain interrupted, 16.6
percent Power drained from each
Guardian

Rollbar twirls the swords around and growls at MainFrame.

DRAGSTRIP

If you value your life, you will
surrender

MAINFRAME

I will retreat so I may fight you
again

MainFrame teleports away in a burst of data. DragStrip moves to the Guardians, who are just starting to come around.

YELLOW GUARDIAN

What happened? I felt as if I had
a 3 week pass and don't remember
having a good time

BLADES

Your energy has been drained by
Mainframe, you should be back on
your feet in no-time

DRAGSTRIP

(Smiling)
Laying down on the job? That's no
way to impress the boss and get a
promotion

The Guardians slowly get to their feet.

BLADES

You should all start to feel fine
in the next few moments

They take a step forward and all collapse to the ground
where they power- down into their civilian forms.

BLADES (CONT'D)

Are you ok?

JOSEPH

(Out Of Breath)
Tired....

DRAGSTRIP

Blades, you should take them back
to the galaxy Knight

MATTHEW

(Out Of Breath)
No, we're find... just need to
rest for a moment

BLADES

Are you sure? You need to be
rested for your next battle

EXT. PLAZA SHOPPING MALL

An explosion rips through the car park, causing everyone to
run in terror

CYBERDRONE

This place will give me an ARMY
of Monsters to command, then this
world Will fall before my
destructive might

An energy barrier rises up around the mall, trapping
everyone inside.

MAINFRAME

Why not just kill the humans?

CYBERDRONE

Lord FireStorm has said they are
to live, for the moment

INT. GALAXY KNIGHT - CONFERENCE ROOM

Everyone watches as Blade and DragStrip sit with the
Guardians.

MIKA

They should return to the ship

AIKO

Blades is right, they need to be rested for their next battle

PAT

Connie, contact the Guardians and instruct them to return here at once

CONNIE

One moment...

They watch the screen, the Guardians seem, to look directly at the others.

MATTHEW(ON SCREEN)

Sorry father, we're not returning just yet

PORTER(ON SCREEN)

Matthew is right, we need to stay down here

PAT

You need to be rested, you can't rest down there

ISAAC(ON SCREEN)

We could always go to the mansion and get some rest

PAT

see that you do. You can;t fight in the state you are in

(To Blades)

Make sure they get there

BLADES

Yes sir, that I will

an alarm blares out, the screen flickers and goes split-screen, it shows the force-field surrounding the mall.

CONNIE

Cyber-Drone has returned, as has Mainframe

JOSEPH(ON SCREEN)

We're already on it father... The screen flickers and goes blank.

INT. PLAZA SHOPPING MALL

Ultimate FireStorm teleports into the mall with the mutated CrocoTrons. CyberDrone and Mainframe bow before him.

CYBERDRONE

It is good to see you lord
FireStorm

ULTIMATE FIRESTORM

The shield is holding?

MAINFRAME

Yes my lord, no one but us can
get n or out

ULTIMATE FIRESTORM

Gather up the Humans that are
trapped within this structure

CYBERDRONE

Go forth CrocoTrons, round up all
the Humans trapped within this
structure and then bring them to
Lord FireStorm

The CrocoTrons bow then turn and run off in every
direction.

MAINFRAME

My lord, what do you plan to do
with the Humans?

ULTIMATE FIRESTORM

We will use them as hostages. If
the city Of Westville doesn't
surrender, they all die

MAINFRAME

What of the Guardians? They will
surely try and save these Humans

ULTIMATE FIRESTORM

I hope they do try, for when they
do, I will kill them as an
example to all who would dare
defy me

INT. GALAXY KNIGHT - CONFERENCE ROOM

Pat is watching the view screen that shows the energy
barrier around the shopping mall.

PAT

We have to get inside and stop
what ever put up the force field
But the Guardians are down

ROLLBAR

We could go down AND we could get
Blades to bring the Guardians
back up here

PAT

Good thinking Rollbar, get on it

The Car Robots get up and leave the room.

EXT. WESTVILLE - RESIDENTIAL DISTRICT

The Guardians are sat on a bench, they seem tired and worn
out.

MATTHEW

What ever Mainframe did to us, it
sure wore us out

TAYLOR

Yeah, I am so tired I could sleep
for a week

Rollbar and the others roll up and convert to robot mode.

ROLLBAR

Orders from your father, you are
to return to the Galaxy Knight at
once

(To Blades)

You're to take them there NOW

The Guardians struggle to get to their feet.

ZAC

Yeah, we need to...

They all suddenly collapse.

ROLLBAR

Get them back to the Galaxy
Knight NOW Blades

BLADES

Sure things...

He converts to vehicle mode.

BLADES (CONT'D)

Load them in

Smokescreen and SureShot load them into Blades.

ROLLBAR

Get them back as quick as you can
Blades

BLADES

No problem

The door slides shut and Blades takes off and shoot sup into the sky.

ROLLBAR

Ok, the rest of us should head to the mall and check out the energy field that surrounds it They convert to vehicle mode and drive off.

INT. GALAXY KNIGHT - MEDICAL BAY - 10 MINUTES LATER

The six Guardians lay motionless on the beds. A profusion of energy discharging tubes and "plasma" bottle devices hooked up to their arms. The medical scanners emit bleeps and show oscilloscopic patterns but sounds and wave patterns are steadily growing weaker and weaker.

PULL BACK:

We see Connie working at one of the consoles. We can hear three voices arguing, it is Pat, Aiko and Mika.

PAT(O.S.)

I'm sorry, but the answer is NO

MIKA(O.S.)

They Guardians, your SONS are out cold and you won't authorize it?

AIKO(O.S.)

I agree with Mika, it is the only way The three of them enter the Medical Bay.

PAT

Terminal Force is only to be used in extreme emergencies

AIKO

And your sons, one of whom is my HUSBAND, being put into a coma is not enough reason for you?

CONNIE

They're not in coma's, they're just in a very deep sleep

AIKO

So if they are asleep, why not wake them?

CONNIE

Well, as best as I can figure out, when Mainframe tried to drain their energies He drained not only a portion of their Guardian powers, but some of their life energies at the same time

PAT

Can you save them?

CONNIE

Yes, but it won't be easy... She trails off for a moment, then:

CONNIE(CONT'D)

Incoming signal from Rollbar

PAT

Let's see it

They gather around a monitor as it flickers to life and shows Rollbar crouching behind a dumpster.

PAT (CONT'D)

How goes everything Rollbar?

ROLLBAR(ON SCREEN)

Not well. the force-field is impenetrable, we can't get break through it

PAT

Have they detected your presence?

ROLLBAR(ON SCREEN)

I do not think so, if they had they would have reacted by now. Either that or they think we're not a threat to them...

Mirage steps into frame.

MIRAGE(ON SCREEN)

Excuse me Mr Shakhan, but I have a way inside the mall

ROLLBAR(ON SCREEN)

How?

MIRAGE(ON SCREEN)

The forcefield only covers the mall above ground, but we could easily sneak in through one of the access tunnels or through the sewer

PAT

I have faith that you will
succeed

ROLLBAR(ON SCREEN)

We'll contact you if we have any
success The screen crackles and
goes blank.

INT. PLAZA SHOPPING MALL

Mainframe looks down from the second level of the mall at
the lower level. Below were at least 200 people, they had
been captured by the CrocoTrons, who were now standing
guard over the prisoners.

ULTIMATE FIRESTORM

We shall now make our demands to
the city

MAINFRAME

(Pointing)

There is an electronics store
over there I can use the
equipment inside to send Out your
message

ULTIMATE FIRESTORM

Excellent, go with Mainframe and
take what ever you need to get
our message out

The two monsters then make their way towards the
electronics store.

EXT. PLAZA SHOPPING MALL

Blades is using a scanning device to study the energy
barrier surrounding the mall.

BLADES

I could try and blast my way
through. But it would most likely
set off an alarm or it could be
rigged, and we can't risk harming
any of the civilians that are
trapped inside

SURESHOT

We could always get some
explosive charges from the Galaxy
Knight and blow one hole in the
shell?

BLADES

That would probably cause them same effect as trying to blast through. What we need is a way to sneak in, without being detected Rollbar runs up to the two of them.

ROLLBAR

I've checked out the underground entrances, the shield doesn't cover them, we're going underground

SureShot and Blades follow Rollbar as he leads them around the back of the mall.

FADE OUT.

END OF ACT TWO

ACT THREE

FADE IN:

INT. PLAZA SHOPPING MALL - HOODING ELECTRONICS

Mainframe is setting up a video camera to a bank of electronic equipment.

MAINFRAME

I've hooked up this camera to these computers, which are tied in to the Mall's radio antenna. It will broadcast your message throughout the entire city. Thanks to some improvements I made to the wave amplifier. It will also send your message to every TV, computer and movie screen in the city

ULTIMATE FIRESTORM

The entire city will see your message Lord FireStorm

ULTIMATE FIRESTROM

Then let's begin

Mainframe flicks a switch on the camera and indicates that Ultimate FireStorm should begin.

EXT. DOWNTOWN WESTVILLE - APPLIANCE ALLIANCE

A few people have gathered outside the store window. Floor-to-ceiling TV's in the window broadcasting "Aerobics: Oz style" with hot Aussie women SWEATING. The T.V. images BLINK and STATIC fills the screen. A few moments later, the static is replaced by an image of Ultimate FireStorm.

ULTIMATE FIRESTORM
Attention people of Westville. I
am Ultimate FireStorm And I am
your new lord and master

More people gather around the window and watch the broadcast.

ULTIMATE FIRESTORM(ON SCREEN)
(CONT'D)
You will bow down before me, and
serve me as I am your rightful
god and MASTER

INT. A CROWDED BAR

People in the bar are watching the TV that hangs behind the bar.

ULTIMATE FIRESTORM(ON SCREEN)
All those who bow down and serve
me will be spared and allowed to
serve me

INT. WESTVILLE HIGH-SCHOOL

Ultimate FireStorm's message is broadcast over the school's PA system. Stunned students and faculty listen to the alien monster.

ULTIMATE FIRESTORM(V.O.)
All those who oppose me will be
considered a traitor to the new
government and all traitors will
be dealt with severely.

INT. FRONT ROOM

A mother and father, and there two kids are watching Ultimate FireStorm's message on the TV.

ULTIMATE FIRESTORM(ON SCREEN)
 The city council will immediately
 sign a surrender and turn over
 all authority in Westville over
 to me.

INT. CITY HALL MAYOR'S OFFICE

The Mayor and his staff are watching the broadcast on a TV
 that has been wheeled in.

ULTIMATE FIRESTORM(ON SCREEN)
 Once Westville has been turned
 into my new capitol city, all
 other local, national and
 international governments will
 turn all control of this planet
 over to me
 (Beat)
 In addition, CyberTech will sign
 over control of the Cyber Knights
 to my control, they will form my
 elite guard
 (Beat)
 When this planet is under my
 direct and total rule, only then
 will you be allowed to resume
 your lives in service to me, your
 living GOD
 (Beat)
 Failure to comply with any of my
 demands shall be met with swift
 and deadly response as I shall
 now demonstrate

INT. GALAXY KNIGHT - CONFERENCE ROOM

Pat, Aiko, Connie and Mika watch as a CrocoTron pushes a
 young girl towards Ultimate FireStorm. The girl is of no
 more than 12 years old. Another CrocoTron appears, holding
 the girls mother.

ULTIMATE FIRESTORM(ON SCREEN)
 This is Carey Cougill...

He rests his hand on his shoulder.

ULTIMATE FIRESTORM(ON SCREEN)
 (CONT'D)
 (Pointing To The Woman)
 And that is his mother, Gail

GAIL(ON SCREEN)
 (Shouting)
 LET HIS GO YOU ALIEN ASSHOLE

ULTIMATE FIRESTORM(ON SCREEN)
 Gail has a lovely little girl,
 and until now Carey had a loving
 and devoted mother...

Taking it's cue, another CrocoTron steps into frame and draws it's dagger from it's sheath. It steps up to Gail and puts the knife at his throat.

GAIL(ON SCREEN)
 (Crying)

Please, don't hurt my daughter Ultimate FireStorm gently ruffles Casey's hair, then lets his go. She rushes over towards his mother. Ultimate FireStorm nods and the CrocoTron holding the knife rips it across Gail's throat. Blood gushes from the terrible wound and sprays all over Casey, who screams in terror. She slips on his mother's blood, falls down and screams as the CrocoTrons push his mother's body towards his. Casey screams and tries to get up, but she slips on the blood, hits his head on a display stand and is knocked out cold.

CLOSE ON: ULTIMATE FIRESTORM

As he turns back towards the camera.

ULTIMATE FIRESTORM
 That will be the fate of all
 those who oppose me
 (Beat)
 The city has one hour to
 surrender or I kill another
 hostage every minute until the
 city is mine Or all the hostages
 lay in a pool of blood at my feet

The transmission flickers then goes dead.

PAT
 Ok, I am authorizing lethal force
 to be used on FireStorm. Connie,
 please alert the Car Robots to
 that fact

CONNIE
 Already on it

INT. SEWERS

The Car Robots are walking through the dark sewer.

SURESHOT

Ok, this place stinks and I'm getting my feet covered in all sorts of disgusting things

SMOKESCREEN

Just keep walking, we're almost there

Sureshot looks down at the disgusting water he is walking through.

SURESHOT

This sewer is quite possibly the worst place on Earth, apart from China

Blades is studying a scanning device that shows them the entire layout of the mall.

PORTER

Ok, according to this, we're right beneath The Food court, the bad news is that there is a CrocoTron on patrol near by

SURESHOT

Why not wait until it's out of the way Then one by one, we sneak in. We can keep them distracted while the Humans escape

MIRAGE

I agree, we've got enough firepower to keep the CrocoTron distracted and defeat Ultimate FireStorm

ROLLBAR

But what of the Humans trapped inside, if we go in with all guns blazing, the Humans might get injured. We go in as quietly as we can, got it?

They come up to an air vent, next to it is the service shaft, which is big enough to fit a person inside

ROLLBAR(CONT'D (CONT'D)

Ok, let's go inside the service shaft, it leads into the mall

INT. PLAZA SHOPPING MALL - FOOD COURT

A red laser dot appears briefly on the forehead of the lone CrocoTron on guard and, after a beat, the red dot seems to bleed. The CrocoTron collapses dead.

ANGLE ON: THE AIR VENT

As Mirage kicks the grating off and him and SureShot climb down.

BLADES

I suggest we split up and scout
the area

ROLLBAR

Ok, let's keep in radio contact

Mirage replaces the grating and the other Car Robots creep out of the food court and head off in different directions.

INT. GALAXY KNIGHT - CONFERENCE ROOM

CONNIE

Incoming message from rollbar

PAT

What doe sit say?

CONNIE

Message reads "Have located
FireStorm and other monsters,
attempting to retrieve Guardian
energy"

PAT

Warn them that FireStorm is to
powerful, order them to stand
down and observe only

CONNIE

To late...

INT. PLAZA SHOPPING MALL - HOODING ELECTRONICS

CyberDrone looks at a digital countdown. He watches as it cycles down to zero. He turns to the CrocoTron standing near Mainframe.

ULTIMATE FIRESTORM

They haven't surrendered. Go and get me another Hostage, that pregnant woman should make A perfect example to all those who defy me

The CrocoTron doesn't move.

CYBERDRONE

(Yelling)

Do as Lord FireStorm says

The CrocoTron topples forward, a smoking hole in it's back. We can now see Blades standing in the entrance to the store, holding a Blaster.

BLADES

I believe you have something that belongs to the Guardians, and I want It back, right now

ULTIMATE FIRESTORM

You are in no position to demand anything From me. If you do not surrender, I will...

Blades fires his Blaster at CyberDrone, sending him crashing backwards. He then turns to face Mainframe, aiming his blaster at him.

BLADES

Your choice scum

ULTIMATE FIRESTORM

I will rip out your fuel pump for this insolence...

DRAGSTRIP(OS)

I don't think so

The other Car Robots approach and surround the three monsters.

BLADES

You know what I want

MainFrame opens a compartment in his chest and brings out a large, glowing ball of energy. It changes color from red, to blue, to black, to yellow, to white, to green then back to red again. He throws it to Blades, who catches it then fires on Mainframe.

BLADES (CONT'D)

Thank you

(To Ultimate FireStorm)

You're next scum

ULTIMATE FIRESTORM

I do not think so...

Suddenly, Blades is hit by CyberDrone, who has got back onto his feet. The impact carries him out of the store and smashing through the guard rail. They fall down and land with a splash in the fountain.

ULTIMATE FIRESTORM (CONT'D)

You will not destroy my destiny
to Rule this mud ball of a world
(To CyberDrone)
Destroy them then kill the Humans

CYBERDRONE

Yes my lord

Ultimate FireStorm teleports away. CyberDrone whips his tentacles at Blades, they knock the energy sphere out of his hands. It rolls few feet away and bounces down an escalator.

BLADES

Oh that does it. You are so DEAD

DragStrip dives down the escalator and grabs the energy sphere. He runs back up the escalator.

CYBERDRONE

Give that back to me you junk-
heap on legs

DRAGSTRIP

Come and get it

CyberDrone roars and charges at DragStrip, who side-steps him and kicks him down the stairs.

DRAGSTRIP (CONT'D)

Have a nice trip, see you next
fall
(To Blades)
Take this back to the Galaxy
Knight, we'll handle things here

BLADES

You bet, no sweat

Blades takes the energy sphere and converts to vehicle mode then takes off, smashing through the roof of the mall.

SMOKESCREEN

Ok, let's go and free the Humans

DRAGSTRIP

But first, we have to deal with
this...

He draws a Containment Blaster and fires, containing Mainframe.

DRAGSTRIP(CONT'D)

Now to contain Cyberdrone... They look around to where CyberDrone fell but the monster is no-where to be seen.

SMOKESCREEN

So what do we do now?

ROLLBAR

We head to the entrance to try and free the Humans, but keep an eye out for CyberDrone and FireStorm

The Car Robots move off into the mall.

EXT. SPACE - EARTH ORBIT

Blades flies up out of Earth's atmosphere and heads towards the Galaxy Knight.

INT. GALAXY KNIGHT - LANDING BAY 1

Blades flies into the landing bay and converts to robot mode, he runs out of the Landing bay and out into a corridor.

INT. GALAXY KNIGHT - MEDICAL BAY

Blades rushes into the Medical Bay and hands connie the energy sphere.

CONNIE

What is it?

BLADES

The energy Mainframe drained from them

CONNIE

I'll hook this up to the medical systems, and hopefully they'll be back on their feet in no time

INT. PLAZA SHOPPING MALL - MAIN ENTRANCE

Rollbar watches as the CrocoTrons guarding the hostages look around nervously.

DRAGSTRIP

On my signal, we throw the smoke
grenades then we hit them hard
and fast

ROLLBAR

Ok, let's do it

Rollbar throws the smoke Grenades, they explode, causing
the hostages to cough. The Car Robots whip out Cyber
Blasters and fire in rapid succession. They manage to take
out all but one of the CrocoTrons.

ROLLBAR (CONT'D)

DragStrip, go after him we'll get
these people out

DRAGSTRIP

No problem

DragStrip runs after the CrocoTron while Rollbar runs to
the main entrance, firing his Cyber Blaster. The energy
shield cracks, then shatters into a billion pieces. He
smashes the doors open.

ROLLBAR

OK, people, MOVE IT, LET'S GET
YOU OUT OF HERE.

COME ON, QUICKLY NOW

The people get up and run out of the Mall, they are met by
Cyber Knights who help the less able to get away faster.

INT. GALAXY KNIGHT - MEDICAL BAY

Connie hooks the last cable up to the energy sphere and
steps back and joins the others.

PAT

Will this work?

CONNIE

Let's hope so

As Connie is about to go to work, an alarm blares out and a
screen flickers to life and shows Ultimate FireStorm
attacking the city.

AIKO

Let's hope this works as the city
needs them

Connie flips a switch and strands of energy flow from the energy sphere and into the Guardians and after a few tense moments, they slowly sit up

JOSEPH

What happened?

MATTHEW

That was one HELL of a dream Pat and the others rush over, happy to see that the Guardians are back to full health.

PAT

(Smiling)

Welcome back my sons

(Serious)

We have a serious problem down town

He points to the view screen.

JOSEPH

Ok, we have to go to work

As the Guardians get up and leave, Connie notices that the energy sphere still has a small amount of Guardian energy stored within. She smiles as an idea forms in his cybernetic mind.

PAT

Are you coming to watch the battle Connie?

CONNIE

I will join you shortly, I need to finish something here

Pat, Aiko and Mika leave the Medical Bay as Connie gets to work.

EXT. WESTVILLE - OUTSKIRTS

The Guardians swoop down out of the sky and each of them spin kicks Ultimate FireStorm while they are still in the air. Their attack sends Ultimate FireStorm staggering back. they land and face off against the mutated monster.

RED GUARDIAN

Ok cinder breath, this is the end of the road for you

ULTIMATE FIRESTORM

You may have regained your powers, but our war is not over until your necks have been snapped

INT. GALAXY KNIGHT - CONFERENCE ROOM

Having finished his idea, Connie has joined Pat, Aiko and Mika in the Conference Room and is watching the battle between the Guardians and Ultimate FireStorm.

PAT

Signal the Car Robots to return to the ship

CONNIE

One moment...

She tilts his head to once side, then straightens up.

CONNIE(CONT'D)

I've told them and they are heading to the teleport point

EXT. WESTVILLE - OUTSKIRTS

Ultimate FireStorm grabs Green and White Guardians by the neck and throws them back.

ULTIMATE FIRESTORM

You pathetic worms are no match for me

With no effort at all, he picks up a car and hurls it at Black Guardian, who barley manages to roll out of the way before the car slams into the ground and explodes.

ULTIMATE FIRESTORM(CONT'D)

In my ultimate form, you or you tin toys do not have the power to stop me

He unleashes a series of energy beams that strike the ground in front of the Guardians, sending them crashing to the ground.

GREEN GUARDIAN

You will not stop us FireStorm...

ULTIMATE FIRESTORM

Wanna bet?

As he raises his hand to deliver the kill-shot:

SILVER GUARDIAN(O.S.)
Stand down alien scum or die by
my hand

Ultimate FireStorm whirls around and is struck by a beam of energy that knocks him back.

CLOSE ON: A PAIR OF ARMORED BOOTS

The boots look hauntingly familiar. They walk over towards Ultimate FireStorm.

CLOSE ON: AN ARMORED FIST

As it slams into Ultimate FireStorm's jaw with a satisfying crunch.

ULTIMATE FIRESTORM
How can it be you, you're
supposed to have lost you
powers...

SILVER GUARDIAN(O.S.)
Oh but it can...

Several more energy beams slam into Ultimate FireStorm, knocking him back. As the dust clears, we see a familiar yet form standing between Ultimate FireStorm and the Guardians.

RED GUARDIAN
(Shocked)
Impossible...

What we see standing in front of us is nothing less than the Silver Guardian.

SILVER GUARDIAN
The Silver Guardian has
arrived...

In a quick motion, Silver Guardian draws his Guardian Blaster and fires it at Ultimate FireStorm, but he easily dodges the energy blasts.

ULTIMATE FIRESTORM
MISSED ME

Silver Guardian fires his Guardian Blaster at a nearby abandoned car. The car explodes, knocking Ultimate FireStorm dodges the explosion. This gives Silver Guardian all the time he needs. He slides his Guardian Blaster back into it's holster and draws the swords from his back. And flies straight at Ultimate FireStorm.

He slashes out, and causes sparks to erupt from his body. She lands and turns and faces Ultimate FireStorm, who is still standing.

ULTIMATE FIRESTORM (CONT'D)
Your attack was worthless,
Guardian, as are you.

SILVER GUARDIAN
Listen and LEARN, Ultimate
FireStorm. I'm not Just ANY
Guardian, not by a long shot I am
the SILVER GUARDIAN

Ultimate FireStorm puts his hands to his face in mock fear.

ULTIMATE FIRESTORM
Oh, where's my autograph book?

He then charges at Silver Guardian, who simply takes to the air and hovers above him and out of his reach.

SILVER GUARDIAN
Computer! Assess strategy

SILVER GUARDIAN'S P.O.V.

His interior helmet visor display gives a green readout on his weapon.

COMPUTER VOICE(VO)
Recommend Sword mode

ANGLE ON: ULTIMATE FIRESTORM

Who snarls towards Silver Guardian and fires energy blasts at him, but he easily dodges them.

SILVER GUARDIAN
Guardian Blaster, sword Mode

He draws the weapon from it's holster and presses a red button on the side of the weapon and, a lengthy blade to slide out and locks into place. He fires the weapon, hitting Ultimate FireStorm and causing him to burst with reddish smoke. As the smoke clears, he sees that Ultimate FireStorm is still standing.

SILVER GUARDIAN (CONT'D)
This guy won't QUIT

He lands then launches himself off the side of a building and aims for the evil alien. Ultimate FireStorm has the same idea, drawing a sword type weapon and meeting Silver Guardian in midair. The two combat, saber to saber, while remaining high above, until neither prove to be the victor.

Ultimate FireStorm and Silver Guardian flip off from one another in a stalemate, and land back on the ground. The two then start circling each other

ULTIMATE FIRESTORM

You may have been able to defeat
CyberDrone, but you're NO match
for ME

Using his sword, Ultimate FireStorm instantly fires at Silver Guardian, thinking this swift move would be a sure thing. Instead, silver Guardian anticipates it, by dropping down on his back, and changing his Blade back to Blaster. he ducks out of the line of the alien's firing, and successfully fires back. Ultimate FireStorm is struck by the bolts, wailing in agony as he bursts with red smoke, falls on the ground, drops his sword, and clutches his chest.

SILVER GUARDIAN

Had enough or are you hungry for
more? Ultimate FireStorm gets to
his feet.

ULTIMATE FIRESTORM

You have not seen the last of
me.....

That said, Ultimate FireStorm teleports out, leaving the Guardians alone. silver Guardian turns to face the other Guardians.

BLUE GUARDIAN

So, anyone know who the new guy
with the shiny silver suit is?

SILVER GUARDIAN

I am the Silver Guardian

GREEN GUARDIAN

We can see that you are the
Silver Guardian, but we want to
know who are you underneath that
armor?

RED GUARDIAN

Yes, i think you should let us in
on who you are

With the exception of Silver Guardian, the other Guardians power down.

SILVER GUARDIAN

Very well, this is who I am...

There is a crackle of energy as Silver Guardian Powers down, revealing the Silver Guardian to be Joss; who is fully healed and returned to health.

PORTER

Joss?

JOSS

Yeah, it's me. I can't believe
I'm the Silver Guardian

JOSEPH

We should return to the ship

FADE OUT.

END OF ACT THREE

ACT FOUR

FADE IN:

INT. GALAXY KNIGHT - CONFERENCE ROOM

Everyone is gathered around the conference table.

CONNIE

After you guys had gone down to
fight FireStorm, I noticed the
energy sphere was still holding a
small amount of Guardian energy.
I re-routed that energy to the
C.R. Chamber, which gave it the
power boost it needed to heal
Joss

PAT

Well, I'm sure I speak for
everyone when I say you did an
amazing job Connie

CONNIE

Thanks

Porter turns to Joss.

PORTER

So Joss, how's it feel to be one
of the Guardians?

JOSS

It feels... strange

MATTHEW

(Smiling)
You'll get used to it

PORTER

There is one thing you have to remember is that no- one outside this room can know you're a Guardian

JOSS

A logical decision

PORTER

If you want to tell a close family member, clear it with us first, ok?

JOSS

I understand

PAT

Joss, if you'll go with Connie, we can sort you out some quarters here on the Galaxy Knight

JOSS

Thank-you

Connie and Joss get up and leave the room.

PAT

So, what is everyone's opinions of the new guy?

PORTER

Joss may come across as a little condescending, but he's a good guy

AIKO

(Smiling)

Not to mention cute

Joseph shoots Aiko a glance.

AIKO(CONT'D)

Oh come on, you're not jealous are you?

JOSEPH

Me jealous? Why would I be jealous of the fact that my wife is drooling over another guy

AIKO

(Teasing)

It was harmless. So what if I think he is tall and very handsome...

JOSEPH

Well, if he's so cute and charming, why not leave me and marry him

Joseph then gets up and leaves the Conference Room.

AIKO

What did I say?

PORTER

I believe Joseph is jealous that you think Joss is charming and cute

AIKO

Oh for the love of god, I am not in love with Joss, and I'm sure Joseph thinks other girls are cute but Do I get all worked up about it? No, I don't

INT. GALAXY KNIGHT - JOSS' QUARTERS

Joss looks around the room. It is bare and has no personal effects in it yet.

CONNIE

You can re-decorate your quarters any way you like and if you need anything from your home down on Earth, let me know and I'll teleport it up here for you, ok?

JOSS

Thank-you, I will

CONNIE

You can use the SynthaTron to Replicate anything you need for your quarters or you as I said before, you can just bring up anything of yours from your home on Earth

JOSS

I appreciate this

CONNIE

No problem. If you have any questions, please feel free to call me, the Guardians, me, the Car Robots, me or Mr Shakhan and I'll try to answer them for you

JOSS
Thank-you Connie

CONNIE
No problem, Joss

Connie exits the room, and steals one last look at Joss before the doors slide shut.

INT. GALAXY KNIGHT - BRIDGE

Joseph and Porter are on the bridge, Joseph is in the command chair while Porter is at Tactical.

JOSEPH
Scan the mainland
(Beat)
How would Aiko like it if I
flirted with another girl right
in front of her

PORTER
Scan underway
(Beat)
She wouldn't like it. And to be
fair, all she did was say he was
cute which is something I've not
heard Joss call before

The bridge doors slide open and Aiko steps onto the bridge.

AIKO
Hey Joseph

When she doesn't get a response, she walks up to the command chair.

JOSEPH
What?

AIKO
Are you busy?

JOSEPH
You can see that I am so go away

AIKO
We need to talk

JOSEPH
I thought you'd be talking to the
new guy, since you seem so hung
up on him

AIKO

(Annoyed)

There is no need to be like that

JOSEPH

Why not? You seem perfectly content to flirt with the new guy while I;m in the room

(Beat)

Now if you are done bothering me, I have work to do Joseph goes back to his reading. Aiko looks at him for a moment longer then turns and exits the bridge.

PORTER

Was there any need to speak to her like that?

JOSEPH

And how should I speak to her, gently and nicely?

PORTER

I do think you have over-reacted just a little bit. The other day, Mika said a guy on TV was cute and I didn't react like you have

JOSEPH

Yeah, but that was a guy on TV, not a guy who we have to work with

INT. GALAXY KNIGHT - JOSS' QUARTERS

Joss is sat crossed-legged on his bed, his eyes closed and in deep meditation. He raises his left hand and points it towards a picture on the desk. the picture trembles slightly, then falls still. Then as if lifted by an invisible hand, the picture raises up off the desk and floats over to Joss. He opens his eyes and grabs the picture.

INT. GALAXY KNIGHT MIKA & PORTER'S QUARTERS

Aiko is sat on the bed next to Mika.

MIKA

I can understand WHY Joseph might be jealous, but he has no reason to be

AIKO
 I know, I would NEVER cheat on
 him EVER. He's just blowing this
 out of all proportion

As Mika goes to say something, an alarm sounds.

MIKA
 What's going on Connie?

CONNIE(V.O.)
 Ultimate FireStorm has appeared
 in the city

EXT. WESTVILLE CITY CENTER

Ultimate FireStorm, now grown to giant size, is stomping through the suburbs and making his way towards the center of the city.

ULTIMATE FIRESTORM
 My vengeance will soon be at hand

A missile suddenly streaks down and slams into the back of his head, sending him crashing down to the ground. As he gets back up, he whirls around and comes face to face with Ultron. The giant robot sprays more missiles from it's left hand. They slam into Ultimate FireStorm, knocking him back.

ULTIMATE FIRESTORM (CONT'D)
 (Wordless Roars Of rage)

INT. ULTRON - COCKPIT

The Guardians watch as the missiles slam into Ultimate FireStorm.

RED GUARDIAN
 I think that got his attention

WHITE GUARDIAN
 What say we take this up a notch

BLACK GUARDIAN
 Form Blazing sword

EXT. WESTVILLE CITY CENTER

Ultron, Blazing Sword in hand, lands facing Ultimate FireStorm, who gets up and staggers back.

ULTIMATE FIRESTORM
 Two machines or twenty, you will
 not Stop my conquest of Earth

BLACK GUARDIAN(V.O.)
Wanna bet?

INT. ULTRON - COCKPIT

Red Guardian manipulates the controls, without taking his eyes off the scanners, which show Ultimate FireStorm charging towards them.

RED GUARDIAN
Die Nocrari Scum

EXT. WESTVILLE CITY CENTER

Ultron swings the Blazing Sword up, it connects with Ultimate FireStorm's chin in a blaze of sparks. It lifts him off the ground and sends him crashing down to the outskirts of town.

INT. ULTRON - COCKPIT

Red Guardian was not pleased. He thumps his hands down on the controls in anger.

RED GUARDIAN
That blow should have ripped his
Head off it's shoulders, but it
didn't

BLACK GUARDIAN
Our powers reserves are down
fifty percent

RED GUARDIAN
I'll go finish FireStorm off
myself

Red Guardian slams his hand down on another control. He is enveloped in a glow of the teleporter.

EXT. WESTVILLE SUBURBS

Red Guardian materializes and watches as Ultimate FireStorm shrinks down to his size.

ULTIMATE FIRESTORM
I'll crush you just like I will
crush this worthless planet

RED GUARDIAN
And you'll die trying at my hand

INT. ULTRON - COCKPIT

Black Guardian works the controls.

BLACK GUARDIAN

Ultron to Galaxy Knight, our
teleport controls are being
blocked by Ultimate FireStorm,
can you assist?

PAT(V.O.)

Help is on the way Ultron

EXT. WESTVILLE SUBURBS

Red Guardian charges at Ultimate FireStorm and slashes at him, causing a shower of sparks to erupt across the monster's body. He whirls around and delivers a world class spinning heel kick that knocks Ultimate FireStorm down. He then whirls around, extends his Vibra-Swords and thrusts them right through Ultimate FireStorm's chest, the evil space monster staggers back. Red Guardian whirls around and delivers a stunning uppercut that sends Ultimate FireStorm crashing back. He stumbles backward, but remains on his feet. Red Guardian flips in the air and upon landing, smashes his red-gleaming charged-up fists against the ground. This creates an explosive mini-fault line, which erupts in bursting flames, dust, and dirt, straight forth across the way. This direct volcanic activity ends once it reaches Ultimate FireStorm, engulfing him in the pressurized release. Ultimate FireStorm sparks, cries out, and finally falls limply onto his knees, worn out from this tough attack.

ULTIMATE FIRESTORM

It will take more than that to
stop me

He gets back up and fires off a laser blast from his horns. The green bolt lands in the deserted landscape behind them, exploding briefly, as Red Guardian and Ultimate FireStorm resume trading blows, each one blocking the other. Red Guardian finally jumps up and tries to deliver a spinning kick, but Ultimate FireStorm deflects the attempt by covering his chest.

ULTIMATE FIRESTORM (CONT'D)

(Laughing)

Is that all you've got? because
if it is, then this world is as
good as dead

Ultimate FireStorm roars, and is hit by a powerful energy barrage fired from Red Guardian's Guardian Blaster.

Red Guardian holsters the Guardian Blaster, activates his thrusters and jets towards Ultimate FireStorm, then at the last moment, he pulls his feet around and slams them into Ultimate FireStorm's chest, which bursts with an eruption of white-hot sparks. He's flung into the air, and sent flying backwards where he crashes down against a tree. Seeing his chance for revenge, Red Guardian then charges at Ultimate FireStorm. And as he slashes at him with his Vibra-Swords, three energy beams streak down out of the sky and knock Ultimate FireStorm back. Silver Guardians lands and faces off against Ultimate FireStorm.

SILVER GUARDIAN
Go on, TRY to fight alien scum
Ultimate

FireStorm growls teleports away.

ULTIMATE FIRESTORM(V.O.)
I'll be seeing you soon Red
Guardian You have my word on that

RED GUARDIAN
(Angry)
COME BACK AND FIGHT ME YOU COWARD

ULTIMATE FIRESTORM(V.O.)
I think not. For you see, the
villain who fights then runs
away, lives to KILL another day.
You will see me again, Red
Guardian. And on that moment, I
will rip out your heart and lay
your lifeless corpse next to that
of your friends

RED GUARDIAN
(Angry)
COME BACK AND FIGHT YOU COWARD

Red Guardian gets up and decks Silver Guardian, knocking him to the ground.

RED GUARDIAN (CONT'D)
If you hadn't interfered, I would
have HAD HIM

INT. GALAXY KNIGHT - CONFERENCE ROOM - 5 MINUTES LATER

Everyone is seated around the table. Joseph is still fuming about Joss joining the battle and there is a little bit of tension growing between Joseph and Joss.

PAT
Was there any reason to deck
Joss?

JOSEPH

If he hadn't interfered, I would
have HAD HIM and he would have
been contained

JOSS

You needed help

JOSEPH

If I had needed help, then I
would have asked for it

The tension is starting to build, the others can pick up on
this.

JOSEPH (CONT'D)

Thanks to you "helping" me, we
lost out on a world- class chance
to injure and contain hornhead

JOSS

I was only trying to help

JOSEPH

(Forcefully)

Well you were wrong

As the tension mounts, DragStrip breaks the uneasy silence.

DRAGSTRIP

Mr Shakhan, if it's ok with you,
I'd like to take Joseph to Earth
so he can blow off steam

(Glances at Joss)

And before he commits a major
felony

He makes a cutting gesture across his throat which pat
picks up on.

PAT

Good idea DragStrip

(To Joseph)

Go with DragStrip and calm down
Joseph gets up and walks out of
the room without saying anything
further.

JOSS

Have I done something wrong?

AIKO

Because I said you are cute,
Joseph is jealous

JOSS

Really?

PAT

Joseph can be a bit over
sensitive at times

JOSS

If anyone should be jealous it is
me as he is the one who has a
beautiful wife while I am still
single

ZAC

Well, as soon as you are settled
in, we'll take you down to Earth
and find you a real honey of a
girl

(Beat)

If you have any preferences, such
as nationality or the like, let
me know. Or you could save
yourself the trouble and just
find yourself a beautiful
Japanese girl, the choice is
yours

JOSS

(Smiling)

Thank-you Zac, maybe if I get my
own girlfriend, Joseph will
believe that I'm not after his
wife

INT. GALAXY KNIGHT - CORRIDOR

As DragStrip and Joseph walk down the corridor, an alarm
sounds.

CONNIE(V.O.)

Joseph, Hornhead has re-appeared
at the city center

JOSEPH

I'm on my way

Joseph turns and runs back down the way he came.

EXT. WESTVILLE - CITY CENTER

A bakery in the city center suddenly explodes in a ball of
flame and wreckage, killing everyone inside it. The
Guardians come in and land opposite Hornhead. Silver
Guardian is not present.

HORNHEAD

Behold my magnificence Guardians,
and Bow down before my ultimate
form

BLACK GUARDIAN

Don't you villains ever get tired
of Boasting about something that
you're Oh SO NEVER going to do?

HORNHEAD

You will regret those words of
insolence

BLACK GUARDIAN

No, I wont

HORNHEAD

Yes, you will. When the darkness
of the Nocrari Horde Has
descended on this planet, when
all Government officials have
been executed for their crimes
against the Nocrari, we will
broadcast you surrendering to us
and you then pledging your life
to our service, then we will
publicly unmask then execute you
to put down any further
resistance.

BLACK GUARDIAN

Like hell you will

The Guardians charge at Hornhead and the battle begins.

INT. GALAXY KNIGHT - CONFERENCE ROOM

Pat, Aiko, Connie, Joss and the Car Robots watch the battle
as it unfolds on the viewscreen.

JOSS

I should be down there, helping
them

PAT

I agree, but given how you Joseph
reacts to you, I think it

EXT. WESTVILLE - CITY CENTER

Red Guardian ducks as an energy blast from Hornhead shoots
past and slams into the ground behind him.

RED GUARDIAN
You're going down, scum

Red Guardian and towards Hornhead and full speed.

ANGLE ON: HORNHEAD

As he fires at Red Guardian.

HORNHEAD
(Shouting)
NO

The shot doesn't even dent Red Guardian's armor. Red Guardian picks up the Necrari monster and carries him high above the city.

RED GUARDIAN
Time to say good-bye to alien
scum

HORNHEAD
I think not Red Guardian

Hornhead kicks Red Guardian in the chest and falls away from him.

ANGLE ON: HORNHEAD

As HIDEOUS, BAT-LIKE WINGS ERUPT FROM HIS BACK. He flies back up towards Red Guardian.

HORNHEAD
Be it on Earth, in the air or in
space I will crush you

RED GUARDIAN
I don't think so

Red Guardian draws his Cyber Blaster and fires, but Hornhead easily dodges the energy blasts and flies away.

HORNHEAD
Catch me if you can, Red Guardian
He flies away, with Red Guardian
in hot pursuit.

INT. GALAXY KNIGHT - CONFERENCE ROOM

CONNIE
The others are following
Hornhead, but Joseph is the
closest and will catch up to him
first

PAT

Remind the others that we have
authorized the use of lethal
force

CONNIE

Understood

EXT. DOWNTOWN WESTVILLE

Hornhead and Red Guardian land, and no sooner have they touched down then they are fighting once again. Hornhead grabs Red Guardian by the neck and lifts him off the ground.

HORNHEAD

This is the last time you or your
kind will interfere in our plans
for Earth

With his free hand, Hornhead pummels Red Guardian then throws him to the ground and kicks him in the chest, sending him skidding across the ground. Red Guardian gets back to his feet and extends his Vibra-Swords. He growls and begins slashing at Hornhead, who manages to deflect only some of the blows.

RED GUARDIAN

The G.S.A. will wipe away your
world and the vile infestation
that is your kind...

(Beat)

And Atlantis will rule over the
ENTIRE GALAXY

In a rage, Hornhead hits Red Guardian with a series of blows that knocks him to the ground, he tries to get back up but Hornhead keeps kicking him back down.

HORNHEAD

I would have waited an eternity
for this. Crawl on your knees,
slave

ANGLE ON: RED GUARDIAN

As he gathers his remaining strength and smashes Ultimate Hornhead with both fists clasped together.

RED GUARDIAN

(gasping painfully)
Never!

He bashes in Hornhead's chest, fracturing the sides which split, spilling green alien blood and energy, along with fuses, lights, circuitry. Ultimate Hornhead staggers back and stumbles into the side of the bridge.

HORNHEAD
 (In Pain)
 Destiny... you can not destroy
 My... DESTINY...

An explosion erupts from his chest and he topples over the bridge. We hear his roars get fainter. Then we hear an explosion, which is instantly followed by a geyser of water that shoots up.

ANGLE ON: RED GUARDIAN

As he falls to his knees, tries to rise, collapses to his side and falls slowly back. The other Guardians arrive and they all power down.

JOSEPH
 (Breathless)
 He's gone... forever

PORTER
 Yes, he's gone

JOSEPH
 Good

PORTER
 Come on, you need to get some rest
 Porter helps his brother to his feet.

JOSEPH
 I don't need rest, I'm fine

PORTER
 Yes Joseph, you DO need rest

JOSEPH
 No Porter, I...

PORTER
 (Warmly)
 Don't make me tell you twice

JOSEPH
 I'm not going to win this argument am I?

PORTER
 No, not a chance

JOSEPH

Then you win dear brother

PORTER

Good choice Johnny, we'll get you
back to the ship where you can
get some rest
