

Guardians
Episode 35: Victory
(Extended Edition)
by
J. M. Wilson

TEASER

FADE IN:

BBC NEWS 24 BROADCAST

Tight on a video image of a news reader seen sitting behind the desk. Text across the bottom of the screen identifies him as BARRY IMMS. The headline above it reads: Guardians destroy latest alien threat - city once again saved by mysterious armored heroes.

BARRY IMMS

This is Barry Imms for the BBC
News 24

(Beat)

Yet another alien monster that
attacked the city of Westville
was fought and contained by the
armored defenders of this world,
the Guardians

The image on the screen shifts and now shows a heavily damaged US nuclear destroyer, the Kennedy, docked in it's home port. The video image contracts, becoming a box chromakeyed behind the news reader.

BARRY IMMS(CONT'D)

The U.S.S. Kennedy was on sea
trials when she was attacked by a
large squid monster

The image on the screen shifts again and now shows the Kennedy firing on the squid monster, which takes no damage. The Squid monster fires back causes a massive explosion, tearing through the Kennedy and blowing out one side. As she begins to capsize, the crew can be seen escaping into the water. The video is shaky, as if filmed amateurishly on a hand-held camera. The image once again contracts, becoming a box chromakeyed behind Imms.

BARRY IMMS(CONT'D)

If it were not for the timely
intervention of the Guardians,
the 122 crew of the U.S.S.
Kennedy would have been lost when
the reactor on the ship went
critical, but the Guardians
arrived just in time...

The image on the screen shifts once again and now shows Ultron wading towards the damaged Kennedy, and firing it's eye beams at the squid monster, forcing it away from the Kennedy.

BARRY IMMS(CONT'D)
With the arrival of Earth's
heroes, the monster was soon
contained

The image on the screen shifts yet again and now shows
Ultron containing the squid monster.

BARRY IMMS(CONT'D)
With this latest alien monster
contained, the Guardians helped
the stricken Kennedy by towing it
back to port

The image on the screen shifts once more and shows Ultron
wading towards port, towing the damaged Kennedy behind it.

BARRY IMMS(CONT'D)
Thanks to the assistance of the
Guardians, although there were
serious injuries reported, there
was no loss of life on the
Kennedy
(Beat)

END OF TEASER

ACT ONE

FADE IN:

BLACK SCREEN

The very loud sound of people having sex. The sounds of
deep moaning and sexual groaning. After a few seconds the
sound grows even louder. It should sound as if the two
people are having sex over a load-speaker.

AIKO
(O.S.)
Oh yes, oh yes, oh yes, oh yes.

INT. SHAKHAN MANSION - JOSEPH'S BEDROOM

Aiko is breathing extremely heavily; her face is red hot
and sweaty. Every time she moves, she makes a deep moaning
noise. Joseph is moving about on top of her with rhythmic
thrusts.

JOSEPH
Oh god...YES OH GOD YES

He thrusts into her one final time. They look into each other's eyes then kiss passionately. Joseph lays down next to her and she cuddles up next to him, her arm draped across his chest. She pulls the covers up around them both.

AIKO
That was amazing...

JOSEPH
Yeah, it was just perfect

For a few minutes, they just lay there, wrapped up in each others arms.

AIKO
If only we could stay here all day

JOSEPH
We've got nothing to do today, so why don't we stay in bed all day

AIKO
Really?

JOSEPH
Yes, why not

AIKO
(Smiling)
Now this will be a good day indeed...

JOSEPH
That it will

They kiss passionately then Aiko pulls the covers up around them.

JOSEPH (CONT'D)
Since our schedule for the day is now set, may I recommend that we take no calls and not leave this room

AIKO
Agreed, as all I plan to do today is sleep
(Beat)
And have sex with you

They kiss passionately for a few moments, then:

AIKO (CONT'D)
 Want to try for another baby?
 Joseph smiles.

JOSEPH
 I'm not sure, I've not lost the
 weight I put on from Dekka

AIKO
 (Smiling)
 Very funny
 (Beat)
 So, shall we try for another
 baby? But before Aiko can reply:

CONNIE(V.O.)
 All Guardians to action stations,
 monster alert

AIKO
 It never seems to last does it

JOSEPH
 So you noticed that huh?

They quickly get out of bed, pull on their clothes and run
 out of the room.

EXT. WESTVILLE - CITY CENTER

Marching down the city center are three new monsters.
 Demonos has pitch black skin, long red claws and fiery red
 eyes. Battra is a humanoid bat with large tattered wings
 and nasty claws and Carg has heavily armored skin with long
 blades sticking out of his wrists. These are the three Mega
 Monsters.

DEMONOS
 (Looking Around)
 So, this is the city where the
 Guardians reside

BATTRA
 This human 'village' is an
 affront to the Nocrari as it
 harbors the ones who defy the
 will of their GODS

CARG
 Then let us tear this place down
 and make the rest of the humans
 of this world bow down before
 their GODS...

CRIMSON GUARDIAN(O.S.)
 Not so fast, scum

The three Mega Monsters turn and see the Guardians landing a few feet away from them.

CARG

So, the Guardians have come
before us

BATTRA

Kneel before us Guardians, and
your deaths will be swift

DEMONOS

Resist us and your suffering will
make you beg us to...

He is cut off when the Guardians draw their Blasters and fire, hitting him in the face. The smoke clears, revealing Demonos has been unharmed

DEMONOS (CONT'D)

For that act of insolence, you
will be destroyed

The Mega Monsters turn into a bunch of black streaks running past the Guardians. They reappear and now the Guardians surrounded.

SILVER GUARDIAN

Did you see that?

BLACK GUARDIAN

No, I didn't. They moved so fast

The Mega Monsters charge while the Guardians hold up their guard.

RED GUARDIAN

Everyone stand ready, we've got a
Rumble on our hands

INT. CYBERTECH HQ - PAT'S OFFICE

Pat, Mika, Ami, RaptorCon and the Car Robots watch as the Guardians begin fighting the Mega Monsters.

RAPTORCON

How did those things get past our
scanners?

CONNIE(V.O.)

Of that, I have no idea, one
moment they weren't there, the
next they were

BLADES

Stealth technology maybe?

PAT

We can't take anything to chance

(Beat)

Connie, scan those three monsters
and try to find a way to detect
any more of them should they
appear

CONNIE(V.O.)

I'll get right on it

DRAGSTRIP

Should we not be out there
helping them?

PAT

Not yet, if these three monsters
are indeed the Mega Monsters,
then your help, while
appreciated, will not be of any
use as we will have to terminate
them

EXT. WESTVILLE - CITY CENTER

Crimson Guardian takes a swing at Battra but she dodges faster than a blink. Demonos high-kicks from her behind, knocking her back. Demonos grabs her before she can hit the ground and roughly slams her to the ground like a sack of potatoes.

DEMONOS

You will pay for betraying your
people, traitor

As he pulls back his fist for the killing blow, Red Guardian jumps on him and begins to beat and punch Demonos.

RED GUARDIAN

Let her go scum

Demonos grabs Red Guardian and hurls him to the ground next to Crimson Guardian.

DEMONOS

You will share the same fate as
the traitor...

His fist glows with power and as he is about to deliver the killing blow, a series of small explosions ripple across his arm and hand, causing the Mega-Monster to growl in pain.

DEMONOS

(Wordless Roars Of Pain)

He whirls around and sees Silver, Blue and Yellow Guardians firing their Guardian and Cyber Blasters at him.

DEMONOS (CONT'D)
Carg, Battra, KILL THEM

The other two Mega Monsters turn their attention to the Silver, Blue and Yellow Guardians

SILVER GUARDIAN
Let's take these beasts..

Blue Guardian blocks a high-kick from Battra. Carg then spin kicks him in the head, sending him into a tree.

YELLOW GUARDIAN
Double team?

SILVER GUARDIAN
You're on...

They charge at Carg and leap into the air,, they slam into his chest but he barley moves whole they crash to the floor.

BATTRA
(Sarcastically)
Ouch...

He picks them up- by the ankles and throws them across the street where they smash through a store front window.

BATTRA (CONT'D)
Oh you're not getting away that easily

Battra stomps over to the store-front and goes in after them. The other Guardians re-group and face off against Carg and Demonos.

CARG
Surrender G.S.A. scum, there is no hope of a victory against us

BLACK GUARDIAN
Yeah, well we'll keep trying scum, like this

They extend their Vibra-Swords and charge at Carg and Demonos.

INT. CYBERTECH HQ - PAT'S OFFICE

Everyone is watching the battle on the screen.

BLADES

They are getting their organic
butts kicked, we should be out
there HELPING them, not just SAT
HERE

AMI

I agree

MIKA

Me to

BLADES

While I appreciate the support
girls, I was talking about us Car
Robots

RAPTORCON

And me

AMI

We could...

RAPTORCON

(Interrupting)

Get slaughtered, you will not go
to the fight

PAT

No one will, not yet. We will
wait and see how the Guardians
fare first, if these monsters can
not be contained, then they will
have to be terminated

As everyone turns their attention back to the screen,
RaptorCon gets up and sneaks out of the office.

EXT. WESTVILLE - CITY CENTER

The Guardians are attacking Carg and Demonos, the two Mega
Monsters are easily holding them off.

CARG

Is this the best that the
legendary Guardians have to
offer? Six of them against only
two of us and they still can't
beat us

DEMONOS

They can't even SCRATCH us, let
alone beat us

Silver Guardian punches Battra in the face.

SILVER GUARDIAN
 You'll see just what we're
 capable of Nocrari SCUM

Silver Guardian puts his Guardian Blaster right on Demonos' head and fires, the monster stumbles back a few paces but is unharmed.

BLUE GUARDIAN
 Now who's not offering their
 best, scum

The Guardians draw both of their Blasters and fire at point blank, forcing the two Mega Monsters back.

INT. GALAXY KNIGHT - SCIENCE LAB

RaptorCon is working on a weapon that is laid out on the table before him while the battle plays out on the screen before him.

RAPTORCON
 (To Himself)
 Come on, just a few more wires to
 be fixed and a few more diodes to
 be installed...

He continues working on the rifle.

EXT. WESTVILLE - CITY CENTER

Demonos and Carg are still being forced back a few paces.

CARG
 Is this all you have to offer
 Guardians?

DEMONOS
 Forcing us back a few feet will
 not defeat us

YELLOW GUARDIAN
 Yeah, we'll see

INT. DISCOUNT DEPARTMENT

Batra searches through the discount department store's maze of aisles.

BATTRA
 Come out Guardians, face your
 gods and BEG for our mercy and
 forgiveness

He whirls around and destroys a display of Games Consoles.

BATTRA(CONT'D)

Perhaps you are hiding because
you know we would show you no
mercy and strike you down for
your crimes

Crimson Guardian's voice booms out of the store speakers.

CRIMSON GUARDIAN(V.O.)

What crimes have they committed?
everything they did to us was
done in retaliation for something
FAR worse we did to them

Battra whirls around and destroys one of the speakers, but
the voice continues.

CRIMSON GUARDIAN(V.O.) (CONT'D)

We destroyed one of their heavily
populated colonies when that
colony refused to give us 98
percent of their crops and
refined goods

Whirling around, battra destroys another one of the
speakers.

BATTRA

We needed those supplies, the
G.S.A. could have given them
more, they would not have been
missed

CRIMSON GUARDIAN(V.O.)

Your fleet surrounded the colony
and demanded that they surrender
98 percent of their crops and
refined goods to you, when they
refused, you destroyed the colony
killing 473 million people

Battra destroys another speaker as well as a display case
of cell phones.

BATTRA

We were in desperate need of
those supplies, they refused to
help us when our people were
starving and DYING. We did what
we did to ensure the survival of
our race

CRIMSON GUARDIAN(V.O.)
 Did it ever occur to us that we
 could have TALKED to the G.S.A.
 and ASKED them for help?

As Battrra whirls around to destroy another speaker, Red Guardian slashes him across the face with his left Vibra-Sword.

BATTRA
 (Wordless Roars Of
 Pain/Rage)

Battrra stumbles back while Red Guardian continues to slash at him.

EXT. WESTVILLE - CITY CENTER

The other Guardians are still fighting Demonos and Carg. Both Mega Monster's faces are now emanating small bursts of steam from the damage done by the combined force of the Guardian and Cyber Blasters.

DEMONOS
 I grow weary of this

CARG
 Then let us end this, NOW

As Carg raises his hand to stab Green Guardian, he seems to pause, then he turns to Demonos.

DEMONOS
 What is it?

CARG
 Our master summons us, we must go
 to him, NOW

Carg drops Green Guardian and walks away with Demonos.

BLACK GUARDIAN
 Come back and fight you
 COWARDS...

They stop and turn back to face them.

CARG
 Our master has summoned us, we
 must go to him, but when we
 return, I will enjoy killing you
 for your insult

Carg and Demonos then teleport out in a flash of black lightning.

INT. DISCOUNT DEPARTMENT

Red Guardian is still slashing Battra with his Vibra-Swords.

RED GUARDIAN
Surrender and I'll stop

Battra side-steps Red Guardian then spin-kicks him to the ground.

BATTRA
Now it is YOU who will...

He is hit in the side of the face by an energy beam and looks up and sees Crimson Guardian running towards him. He snarls, then paused.

BATTRA (CONT'D)
Luckily for you my master summons me

Battra then teleports out in a flash of black lightning.

EXT. WESTVILLE - CITY CENTER

Red and Crimson Guardians stumble out of the store and regroup with the other Guardians.

SILVER GUARDIAN
Ok, did you two get your butts kicked as bad as we did?

CRIMSON GUARDIAN
And then some

BLACK GUARDIAN
We'd better get back to HQ and plan our next move

EXT. SPACE - MOON

Three streaks of energy shoot around Earth and streak towards the moon.

EXT. LUNAR SURFACE

The three streaks of energy strike the lunar surface and coalesce into the three Mega-Monsters, the bow down on one knee before Straxus.

STRAXUS

So, how did you fare against the Guardians my generals?

DEMONOS

They tried to fight us, but they failed

CARG

They are many, but we are stronger

BATTRA

If you had not recalled us, we would have their lifeless bodies to present to you

Straxus smiles evilly.

STRAXUS

I appreciate your enthusiasm, but this was just a test of your strength against them

CARG

And we performed brilliantly, they were no match for us

STRAXUS

Once my plan is ready, you my loyal generals, will return to Earth and put it into operation

BATTRA

What do we do until then?

Straxus grunts.

STRAXUS

We wait, my base of operations is not yet ready, once it is, we will begin the next phase of the plan

INT. CYBERTECH HQ - PAT'S OFFICE

Everyone is seated in their usual places, RaptorCon is not present.

PAT

I take it those were the Mega Monsters?

AIKO

Yes, and our little fight against them was only a test

PORTER

What!!!

ZAC

Only a test?

AIKO

Yes. Mega-Monsters usually operate in three stages, and that was the first

MIKA

What are the other two?

AIKO

Well, the first stage, as you all saw, is a test fight against the champions of the world they are invading. Stage 2 is the main assault and stage 3 is the final assault

There is silence in the room, then:

DRAGSTRIP

Ok, so does anyone care if we ice these creeps on sight next time?

PAT

I take it you are all in favor?

EVERYONE NODS IN AGREEMENT.

PAT

Ok, but just for the records, let's see a show of hands from all those that want to use lethal force...

Everyone in the room raises their hand

AMI

Yes, those freaks are as good as dead next time they show up

ISAAC

We'll need to bring all of our forces down to bear upon them, and I mean everything

Joss frowns.

JOSS

Why not just slag them with the Galaxy Knight?

Pat thinks this over.

PAT

A good suggestion, but sadly that
can't be done

JOSS

Why not?

PAT

Because all of the Galaxy
Knight's weapons are too strong to
be used on an Earth-based target.
Even at minimum strength, the
Mega-Lasers destroy an area the
size of Westville

JOSS

So destroying the city to save it
is a bad idea, I got it

PAT

We will have to get to work on a
way to take out the Mega
Monsters, so if anyone has any
ideas, let's hear them

EXT. LUNAR SURFACE

Straxus' ominous palace rises up out of the tortured
landscape. It is a gigantic castle formed directly from the
Lunar surface. Parts of it seem to 'pulse' as if it is
still growing. If we look carefully, we can see that it is
indeed still growing and changing shape.

INT. STRAXUS' PALACE - OBSERVATION ROOM

There is a large balcony with viewing equipment aimed at
Earth. Elsewhere there is a 3D image of Earth, a map on the
wall, depicting the worlds the Necrari army have conquered.
And stacks upon stacks of contained monsters. The main
feature of the Throne Room is the large throne in the
center of the room. Straxus and the Mega Monsters enter,
the monsters bow before Straxus as he sits in the throne.

STRAXUS

My generals, my palace nears
completion, and when it's growth
has been completed, we will move
onto the next phase of the plan

CARG

What IS the next stage of your
plan?

STRAXUS

Patients my generals, all will be
revealed in time

INT. CYBERTECH HQ - PAT'S OFFICE

Everyone is still in their usual positions.

PAT

I'll have the Galaxy Knight run a
continuous sweep for the Mega
Monsters, hopefully with the data
we've gathered on them, we'll be
able to detect them a little
sooner

AIKO

What data do we have on them?

PAT

Almost nothing, our scanners were
barely able to penetrate their
outer skin

AIKO

I doubt you'll be able to gather
anything on them beyond what you
have

RANRU

Have you heard of Mega Monsters
before?

AIKO

Yes, and they were only used when
the situation was at it worst.
They were favored because the
G.S.A. could never detect them

PORTER

That would explain the Nocrari's
heavy losses during the war

Mika frowns.

MIKA

(Frowning)

That does not make sense

PORTER

It makes perfect sense

MIKA

Not to me it doesn't

PORTER

When the G.S.A. knew the Negrari
ships had Mega Monsters on board,
the ships were destroyed on sight

MIKA

Oh, now I get it

RANRU

After what you guys went through,
I think we should work on a way
to upgrade the Galaxy Knight's
weapons to be able to take them
out from orbit

RAPTORCON(O.S.)

That may not be needed

RaptorCon teleports in, holding a Cyber Rifle.

ZAC

Where have you been, you missed
all the fun

RAPTORCON

I saw your battle on the Galaxy
Knight and as for where I have
been, I have been making THIS...

He hands pat the rifle, Pat looks it over.

PAT

And what is it?

RAPTORCON

On the surface, it would appear
to be a standard Cyber Rifle, but
I have modified it. It will now
fire a concentrated beam of
energy at the Mega Monster,
cracking their outer skin and
destroying them

Pat hands the rifle to Porter, who examines it,

PORTER

This should tilt the balance of
power in our favor

JOSEPH

Got any more of these, say fifty?

RAPTORCON

(Smiling)

Not yet, this is the prototype,
if it works I can build two more

ISAAC

Let's hope that this one rifle is
enough

RAPTORCON

Somehow, I doubt that it will be

AIKO

We should move the Galaxy Knight
to a different orbit, Straxus
knows where it usually is so we
need to hide it

Joseph rises from his seat.

JOSEPH

I'll go and see to that

PAT

Ok, but take some help

Joseph turns to Porter.

JOSEPH

Wanna go hang out in space?

PORTER

Sure

Porter gets up and the both of them head out of the office.

INT. CYBERTECH HQ - CORRIDOR

As Joseph and Porter walk down the corridor, Joseph leans
to Porter.

JOSEPH

I want a way to lock out Aiko's
Axel Changers, if the worse comes
to the fore, I want her safe and
out of the battle, understand?
Porter nods.

PORTER

I understand, I'll make sure her,
Mika, Ami and Ranru are safe

EXT. SPACE

The Galaxy Knight glides into frame.

INT. GALAXY KNIGHT - BRIDGE

Porter and Joseph enter the bridge. Joseph takes up the tactical station while Porter sits at the helm.

PORTER

Ok, so where do we move her?
Joseph studies the tactical console for a moment.

JOSEPH

How about a polar orbit?

Porter shakes his head.

PORTER

The magnetic poles would interfere with the teleporters and require us to be in a lower orbit

(Beat)

Why don't we just land the ship back in the hangar?

Joseph works the console.

JOSEPH

Because we'd be seen. Watch the screen

Porter watches the viewscreen as it displays a map of Westville with about a half dozen lines intersecting over the city.

JOSEPH (CONT'D)

There are at least 16 flights due to lands at the airport within the next 10 hours, so landing in the hangar is a no-go

Porter sighs.

PORTER

Well we'd better try and find a safe harbor before those Mega Morons shown up again

Joseph and Porter then get back to work.

FADE OUT.

END OF ACT ONE

ACT TWO

FADE IN:

INT. STRAXUS' PALACE - OBSERVATION ROOM

The three Mega Monsters are once again kneeling before Straxus.

STRAXUS
It is time to begin the next
Phase of my plan

CARG
Tell us and it shall be done

STRAXUS
The Guardians will no doubt be
trying to come up with a way to
destroy you since you can not be
contained

BATTRA
They can try but they will FAIL

DEMONOS
What is the plan?

Straxus looks at the three Mega Monsters.

STRAXUS
I will send one of you down to
Earth to do as much damage as you
can, then I will recall you and
send the next
(Beat)
Batra, you will be the first

Batra bows his head.

BATTRA
I will not fail you, my master

Batra gets up and leaves the room.

INT. GALAXY KNIGHT - CORRIDOR

Aiko walks down the corridor.

AIKO
Connie, where's Joseph?

CONNIE(V.O.)
On the bridge

AIKO

I've tried calling him but he
won't answer

CONNIE(V.O.)

He's trying to find a safe place
for the ship to hide away from
Straxus

(Beat)

What are you doing up here? I
thought you were staying down on
Earth with the others and your
son?

AIKO

I don't want my child up here,
he's far safer down on Earth than
up here as this ship is one hell
of a large target

CONNIE(V.O.)

If you want, I could teleport you
to the...

She trails off.

AIKO

Is everything ok Connie?

CONNIE(V.O.)

Your son will have to wait,
Batra has returned

EXT. CONSTRUCTION SITE

The Guardians land at the construction site. They're
surrounded by a plethora of building supplies.

RED GUARDIAN

Ok, keep a sharp look out, that
Mega Moron could be around here
anywhere

BATTRA(O.S.)

Now that's not a nice thing to
say Red Guardian

Batra's voice sounds out from all around them, they draw
their Guardian Blasters and remain alert.

BLUE GUARDIAN

Why don't you come down and face
us instead of hiding like a
COWARD

Batra's evil laughter rings out all around them.

BATTRA(O.S.)
 Taunting and insulting me will
 only make your deaths painful and
 slow

Black streaks of energy slam into the ground all around the
 Guardians

BATTRA(O.S.) (CONT'D)
 From this moment forth, the world
 as you know it SHALL CEASE TO
 exist

As they recover, Battrra who is now equipped with a sword
 and shield, swoops down and slams into Black Guardian,
 sending him flying and crashing into a cement mixer.

BATTRA (CONT'D)
 Let's see how that mouth of yours
 saves you now, Guardian SCUM

INT. GALAXY KNIGHT - CONFERENCE ROOM

Pat, The Car Robots Mika and Ami are watching the battle as
 it unfolds on the screen.

BLADES
 Ok, we we got help them now?

PAT
 Not yet, we should wait while
 Battrra is weakened before we make
 our move

DRAGSTRIP
 Why do we have to wait? If we
 went down there NOW, we'd have
 Battrra beaten and contained much
 quicker

PAT
 If we do that, then next time
 they'll send DOUBLE the forces
 down, we have to hold back until
 there is no other choice

MIKA
 I hope RaptorCon's weapon works

PAT
 So do I

EXT. CONSTRUCTION SITE

Battra charges at Silver Guardian and swings his sword, she dodges out of the way and in a lightning fast maneuver, Battra swings his left arm out and slams his shield into Crimson Guardian, knocking her down.

BATTRA

Score one for the bad guys...

Silver Guardian fires her Guardian Blaster at Battra, the energy blasts singe the back of his head. He grabs Crimson Guardian turns around and throws her at Silver Guardian, knocking her down.

BATTRA (CONT'D)

You can not kill me or hope to
stop me so I advise you to stop
even trying

Silver and Crimson Guardians get to their feet and begin to circle Battra.

SILVER GUARDIAN

Actually, we had planned on
beating you and returning home
for a nice hot bath

CRIMSON GUARDIAN

But now we're just gonna KILL YOU

Crimson Guardian whips out her Guardian Blaster and fires directly into Battra' left eye socket. the force of the blast knocks the monster to the ground and causes him to drop his sword and shield. He roars in pain and holds his hand over his left eye socket. Silver Guardian walks up to him and aims his Guardian Blaster right at his head.

SILVER GUARDIAN

Any last words, scum?

CRIMSON GUARDIAN

Remember, we do NOT kill them
unless there is no other choice.
He's wounded and can be sent to
monster island where he'll be
contained

Silver Guardian kicks Battra savagely in the chest and holsters his Guardian Blaster. Battra gets to his feet, unfolds his wings and takes to the skies.

BATTRA

You can't catch me Guardian
SCUM...

The Guardians aim their Guardian Blasters at the fleeing Battrra and fire. The 8 energy beams converge and streak through the air and slam into battrra's left wing.

BATTRA (CONT'D)
(Wordless Roars Of Rage)

The Bat monster crashes to the ground, slamming into a bulldozer before coming to a stop atop a pile of broken girders.

BLUE GUARDIAN
Score one for the good guys

Battrra gets to his feet and looks at his damaged wing.

BATTRA
Clipping my wings will not stop
me from carrying out the orders
of my master

YELLOW GUARDIAN
Ok, so that's a no to
surrendering then?

BATTRA
Here's a hint...

Battrra swings his Sword in a wide arc, releasing a crescent shaped wave of energy at them. They try to dodge it but it slams into them, causing jets of sparks and flames to fly up from their armor.

YELLOW GUARDIAN
Our turn...

They whip out their Guardian Blasters and fire at Battrra, and to the monster's surprise, their energy blasts miss him.

BATTRA
You missed me

BLUE GUARDIAN
We weren't aiming at you...

Battrra turns around and sees that a high voltage power cable from the overhead power lines has been severed. it swings right towards him and sends fifty-seven thousand volts coursing through his body.

BATTRA
(Wordless Roars Of Rage)

INT. GALAXY KNIGHT - CONFERENCE ROOM

Pat, The Car Robots Mika and Ami are watching the battle as it unfolds on the screen. They watch as the Guardians shoot down Battra.

PAT

It looks as if the Guardians
won;t need help with this one

DragStrip grunts.

DRAGSTRIP

We should be down there HELPING
them, not stuck up here doing
NOTHING

PAT

I appreciate your willingness to
help...

DRAGSTRIP

Then allow us to help them

EXT. CONSTRUCTION SITE

White Guardian dodges the water blast and returns fire with his Guardian Blaster.

BATTRA

Ready to die Guardians...

Green Guardian picks up a log and whacks Battra around the head, knocking the monster to the floor.

GREEN GUARDIAN

You are SO a waste of my time...

BATTRA

Wanna bet...

Battra whips his good wing out, knocking Green Guardian back. The bat Mega- Monster is on his feet in an instant.

INT. STRAXUS' PALACE - OBSERVATION ROOM

Using the viewing equipment, Straxus watches as the Guardians face off against Battra.

STRAXUS

It would appear that Battra is in
danger of loosing the fight
against the Guardians

CARG

Then allow us to go to Earth and
assist him

STRAXUS

No, if Battrra fails, it will be
because he was not worthy. If he
does fail, who ever I send next
will be worthy of my gratitude

CARG/DEMONOS

We will not fail you

STRAXUS

See that you don't

EXT. CONSTRUCTION SITE

Swan-Song and the two Guardians square off against each
other.

BLACK GUARDIAN

Give it up you flying rodent,
it's over for you

BATTRA

That is where you are wrong, but
I'll be more than happy to play
with you a little

He then motions them to come to him with his fingers.

BATTRA (CONT'D)

Then bring it on, Guardian filth

Black Guardian jumps up in the air and over Battrra, arcing
his body in the process he attempts to strike with his
Vibra-Swords but Battrra spins around and blocks his attack
with his own sword. The two clash swords to a temporary
standstill, Battrra pushes Black Guardian back with her heel
to his stomach and swings his sword but Black Guardian
blocks it and delivers a spinning leg sweep. Taking the
monster down.

RED GUARDIAN

Now it's my time to shine...

Red Guardian hops and spirals down, delivering an elbow
drop to Battrra's chest.

YELLOW GUARDIAN

My turn...

As Red Guardian moves away, Yellow Guardian grabs Battrra by
the undamaged wing and swings him around, then lets him go.

BLUE GUARDIAN

My turn...

Taking out his Guardian Blaster, Blue Guardian fires, hitting Battrra on his undamaged wing and sending him crashing into a pile of iron girders.

CRIMSON GUARDIAN

So, had enough of a beating yet scum?

Much to the surprise of the Guardians, Battrra rises to his feet. He checks out his damaged wings.

BATTRA

You have taken my wings from me, now I will take your LIVES...

INT. STRAXUS' PALACE - OBSERVATION ROOM

Straxus watches as the Guardians face off against Battrra.

STRAXUS

It would seem that Battrra is going to loose to the Guardians

CARG

Send one of us down, we will do what he could not

DEMONOS

We will not leave Earth until all of the Guardians lay dead at your feet

Straxus looks at the two monsters kneeling before him.

STRAXUS

How can I be sure what you say is true?

DEMONOS

Master?

STRAXUS

All three of you claim to be Mega-Monsters, yet one of your kinds is down on Earth being beaten by the Guardians, if you were true Mega Monsters, you would have killed the Guardians and presented their severed heads to me

CARG

We ARE Mega Monsters, Battrra will prove it by crushing the Guardians under-foot Straxus grunts.

STRAXUS

Judging by his performance, I'd say he couldn't crush an ANT let alone the Guardians

CARG

You will see my lord, Battrra will crush the Guardians and present their lifeless bodies to you as a gift

EXT. CONSTRUCTION SITE

Battrra grabs Green Guardian and smashes his helmet into a rusted girder then throws him back. He slashes Blue Guardian with his sword, sending sparks erupting from his armor. He charges at Black Guardian and spin-kicks him away, then delivers a stunning world-class upper-cut to Crimson Guardian, sending her crashing into the side of a cement mixer.

BATTRA

I'll crush you with my bare hands
Yellow Guardian takes a leap at him; Battrra stiff arms him with a

shuddering thud then turns him upside down with one hand and drives him headfirst into the ground, letting him crumple and fall.

BATTRA (CONT'D)

Why throw away your life so recklessly? Surrender and serve the Necrari

RED GUARDIAN

Not going to happen

BATTRA

I'll rip out your SPINE with my bare hands...

Battrra attempts to kick Red Guardian in the throat, but he catches his foot, twists it and hurls Battrra backwards into pile of broken girders.

RED GUARDIAN

Surrender and you won't be destroyed

Battra Roars in anger and charges at the Guardians.

BATTRA
I will not fail, the Nocrari will
RULE all of EARTH

He charges Crimson Guardian, dodging shots from her Guardian Blaster, he hits her in a stunning upper-cut which lifts her into the air; she hits an over-hanging steel girder and crashes down.

BATTRA (CONT'D)
Who's next?

Silver and Black Guardians charge at Battra, he grabs them both by the neck and slams them into the ground. He then runs at Green and Yellow Guardians, smashing into them and slamming them to the ground, he pounds on their helmets before leaping at Black Guardian.

BATTRA (CONT'D)
Die SCUM...

INT. GALAXY KNIGHT - CONFERENCE ROOM

Everyone is watching the battle.

AMI
He's beating the living crap out
of them

MIKA
We have to do something?

Pat turns to the Car Robots.

PAT
Ready to give them a hand?
Needing no other hint, the Car
Robots get up and run out of the
room.

EXT. CONSTRUCTION SITE

Battra grabs Red Guardian by the foot and swings him around, then slams him into a half-built wall. He tries to crawl away but Battra is on him in a flash.

BATTRA
Ready to die Red Guardian?

Battra begins beating Red Guardian in the head, the repeated blows slowly crack his helmet.

BATTRA (CONT'D)
 This is the end of the road,
 Guardian SCUM?

BLADES(O.S.)
 Wanna bet Negrari FILTH?

Battra turns around and sees the Car Robots standing at the top of the Construction Site.

BATTRA
 You traitorous machines, you dare
 challenge me?

MIRAGE
 Here's a hint...

Mirage fires a HUGE burst from his Machine Blaster that hits Battra square in the chest, knocking him clear of Red Guardian.

DRAGSTRIP
 Ok Guardians, held is at hand,
 the Cavalry has arrived

With a roar, the Car Robots charge into the battle.

INT. STRAXUS PALACE - OBSERVATION ROOM

Straxus watches as the Car Robots engage Battra.

STRAXUS
 Those meddlesome machines will
 ruin EVERYTHING

CARG
 Shall we go to Earth and assist
 Battra?

STRAXUS
 No, Battra is doomed to fail,
 hopefully he'll take some of them
 with him when he goes
 (Beat)
 I have other plans for you and
 Demonos

DEMONOS
 We live to serve you

EXT. CONSTRUCTION SITE

SureShot ducks down and punches Battra in the gut while Mirage thrust kicks the monster in the head, sending it crashing down.

ROLLBAR

Are you going to surrender or do
we have to hurt you some more?

Battra gets to his feet, he is showing signs of damage and injuries from the battle.

BATTRA

I will rip out your optics you
walking junk- piles...

He charges at DragStrip and knocks him to the ground, he tries to get at the robot's eyes, but DragStrip converts to vehicle modes and races off, with Battra clinging on. The Guardians re-group with eh Car Robots and watch as DragStrip skids to a halt, sending Battra flying off him and into the side of a cement mixer. DragStrip converts to robot mode as the other Car Robots join him.

DRAGSTRIP

Hows about we put him on hold?

MIRAGE

Good idea

Mirage fires his Machine Blaster at the cement mixer, the drum bursts as the cement pours out over Battra.

BATTRA

(Wordless Roars Of Rage)
Blades steps forward.

BLADES

Now to make sure he goes
nowhere...

Blades eyes glow with power as two energy beams shoot out and begin to dry the cement. Battra takes a step forward then stops as the cement hardens all around him; a few seconds later, the cement has hardened. Blades stops the eye-beams.

BLADES (CONT'D)

Well, what do you think of the
sculpture? The Guardians limp
over to the Car Robots.

WHITE GUARDIAN

You guys arrived just in time,
there was no way we could have
taken that thing down on our own

GREEN GUARDIAN

Yeah, you guys really saved our
collectives asses

SURESHOT

It was not a problem my friend,
we'd been wanting to come down
and help you for a while

RED GUARDIAN

Let me guess, father said to
wait?

BLADES

Yeah, that's right

CRIMSON GUARDIAN

A wise strategy, he didn't want
to play all our pieces at once

GREEN GUARDIAN

Well, I'm glad you came when you
did, another minute and we
would've been dead

INT. GALAXY KNIGHT - CONFERENCE ROOM

Pat and the other watch as the Guardians walk away from the
entombed Battra.

PAT

Well done Guardians, Car Robots,
Battra has been taken care of.

RED GUARDIAN(ON SCREEN)

Father, what should we do with
Battra?

PAT

What do you mean?

RED GUARDIAN(ON SCREEN)

He's only encased in concrete,
and if what Aiko is telling me,
then he can't be contained

PAT

You are requesting permission to
use lethal force?

RED GUARDIAN(ON SCREEN)

Yes

PAT

Then permission is given

RED GUARDIAN(ON SCREEN)

Ok, thank-you father. Proceeding
with Execution

EXT. CONSTRUCTION SITE

The Guardians and Car Robots turn back and face the cement-encased Battrra.

RED GUARDIAN

Ready?

The Guardians and Car Robots all fire their weapons, destroying the cement-encased Battrra in an explosion of energy and cement.

INT. GALAXY KNIGHT - CONFERENCE ROOM

Pat and the others watch the execution of the cement-encased Battrra.

MIKA

Well, that's one down two to go

AMI

I don't think that trick will work again

PAT

Well, it worked this time, that's what counts

INT. STRAXUS' PALACE - OBSERVATION ROOM

Straxus growls in anger as he watches the destruction of Battrra. He growls at Carg and Demonos.

STRAXUS

Battrra failed in his mission to destroy the Guardians, so what makes you two any different?

CARG

We will not hesitate to destroy the Guardians the first chance we get

DEMONOS

Give us a chance and we will not fail you

Straxus looks at the two remaining Mega Monster generals knelt before him.

STRAXUS

Oh have no fear, I intend to give you such a chance, but you will have an upgrade that will give you a clear advantage over the Guardians that will ensure their destruction

INT. GALAXY KNIGHT - CONFERENCE ROOM

The Guardians are now back in their usual seats.

JOSEPH

I wish we could have contained Battrra, that would have been interesting

RANRU

Interesting, how so?

AIKO

The G.S.A. have never been able to contain a Mega Monster general before and have always been forced to execute them

MIKA

Well, now that Battrra has been taken down, can we go and have a drink or two to relax?

PORTER

You can relax if you want, but we can't relax, we have to stay alert and sober for the next round of attacks

MIKA

You can have one drink can't you?

(Beat)

What if it's non alcoholic?

Porter sighs.

PORTER

Ok, we can relax, but no booze

As they all get up and head out of the room, Aiko stops behind.

AIKO

Connie, can you send me down to Earth, I need to check on Dekka

CONNIE(V.O.)

No problem

From just outside the door, Ranru watches as Aiko is teleported out of the room.

RANRU
(Quietly, To Herself)
Now's my chance...

With a sly smile, she slips away and heads down the corridor.

FADE OUT.

END OF ACT TWO

ACT THREE

FADE IN:

INT. GALAXY KNIGHT - CONFERENCE ROOM

Porter is sat at the head of the table, going over a list of repairs. Mika enters and walks up to him.

MIKA
Ok, now that you have started the repairs, you have time to relax...

PORTER
Oh no, I'm much too busy... Mika takes the list of Joseph and puts it on the table.

MIKA
No, you have to sit down and RELAX. You've Been working non-stop since we terminated Battrra and you need to take a break

PORTER
I'm fine, I don't need to relax...

MIKA
We're going for a drink, and don't argue

PORTER
I really do have a lot of work to get through

MIKA
Remember that sex we were planning on having, EVER again?

Mika pulls him to his feet.

PORTER
(Smiling)
What ever you say my dear

Porter smiles as his girlfriend leads him out of the conference room.

INT. GALAXY KNIGHT - JOSEPH & AIKO'S QUARTERS

We can hear the sounds of a running shower. The door slides open. CLOSE ON: A pair of bare feet The distinctly female feet walks over to the bed. A few moments later, a pair of shorts drops to the floor which is followed a few moments later by a T-Shirt.

PULL BACK:

As we now see the female feet belong to a pair of slender legs, that moves to a chest of drawers. We hear the sound of a drawer being opened. we can hear the sounds of the clothes in the drawers being moved about, then the sound of the drawer being closed. CLOSE ON: The pair of bare female feet The distinctly pair female feet walks back over to the bed. The unknown female sits down on the bed.

CONNIE(V.O.)
You do realize that Joseph is in
the shower don't you?

There is the sound of movement as the mysterious female gets something from the bedside table, there is an electronic beeping sound, then:

CONNIE(V.O.) (CONT'D)
Recording in bedroom disabled.
There will be no logs until
recording is reactivated

The feet stand up and move to where the shorts and T-shirt lay. A few moments later, a bra drops to the floor.

PULL BACK:

As we now see the mysterious female drop her panties to the floor and put on the bottom half of a pink bikini. CLOSE ON: The Pair of bare female feet. We hear the mysterious female put on the top half of the bikini and enter the bathroom.

INT. GALAXY KNIGHT - JOSEPH & AIKO'S QUARTERS - BATHROOM

As the shower curtain is pulled across, revealing Joseph. He has shampoo on his hair.

JOSEPH

Do you mind Aiko, I haven't finished in here yet but give me another moment, and I will be

RANRU(O.S.)

Sorry Joseph, Aiko is down on Earth

Joseph wipes the shampoo from his eyes and sees Ranru standing in front of the shower wearing Aiko's metallic pink bikini.

RANRU(CONT'D)

(Smiling Seductively)

Will I do for now?

For a moment, Joseph just stares at Ranru's slim body.

JOSEPH

Do you mind, I'm trying to have a shower

RANRU

Oh come on, I don't take up much room Ranru smiles seductively as she steps into the shower with Joseph and pulls the shower curtain closed.

JOSEPH

Do you mind waiting until I'm done?

Ranru eyes Joseph's soapy, wet and naked body.

RANRU

(Sighing)

I don't mind

She steps up to him and wraps her arms around him and kisses him gently, she then breaks the kiss. They look at each other, a clear and definite attraction is between them. Ranru grabs Joseph's hands and puts them onto her butt.

JOSEPH

Oh GOD I so want you

RANRU

Take me, you know you want to...

She leans forward and kisses him passionately, Joseph wraps his arms around her and returns the kiss as the hot water cascades down them both.

CONNIE(V.O.)
Aiko is preparing to return

They break the kiss and Ranru steps out of the shower.

RANRU
I'll be gone before she even
knows I was here

Ranru grabs a towel and hurriedly dries off her feet then wraps it around her slim body

JOSEPH
(Hopefully)
I'll see you later

RANRU
(Smiling)
Oh yes

She turns and exits the bathroom.

INT. GALAXY KNIGHT - JOSEPH & AIKO'S QUARTERS

Ranru grabs her clothes then picks up the P.D.A. from the bedside table and hits a control, she is teleported out of the room.

CONNIE(V.O.)
Recording resumed, no log of the
missing time will be kept

INT. GALAXY KNIGHT - JOSEPH & AIKO'S QUARTERS

SUPER UP: 5 MINUTES LATER

ANGLE ON: BATHROOM DOOR

As the door swings open. CLOSE ON: A pair of bare feet We follow the distinctly female feet as they walk over to the running shower. A bathrobe drops to the floor and the female feet enter the shower.

PULL BACK:

As the shower curtain is pulled across

JOSEPH
Do you mind, I haven't finished
in here yet

AIKO

Oh come on, I don't take up much
room

Aiko smiles seductively as she steps into the shower with Joseph and pulls the shower curtain closed.

INT. GALAXY KNIGHT - BRIDGE

RaptorCon is on the bridge with the Car Robots.

SURESHOT

So, what do you think things will
be like when we've destroyed
Straxus and the other two mega
Monsters?

MIRAGE

Apart from the Guardians not
being the Guardians, things will
be the same as they are now

BLADES

It will be nice to have a normal
life

DRAGSTRIP

As normal a life as we can on a
planet full of Humans

ROLLBAR

The Humans of Westville aren't
that bad, they've accepted us as
part of the population of the
city

RAPTORCON

They have also accepted me, as I
no longer cause a panic when I
walk down the streets

(Beat)

Although there were times when
that was very humorous

DragStrip laughs.

DRAGSTRIP

Yeah, that can be "a real hoot"
as the Humans would say

RAPTORCON

(Smiling)

I once went to their museum of natural history and posed as one of their dinosaur exhibits and scared a group of bored looking children

They laugh.

RAPTORCON (CONT'D)

Those kids were so scared it was almost not funny

BLADES

But is was, right?

RAPTORCON

Oh yes, most definitely funny

(beat)

Seriously, I like Children

(Trying To Be Funny)

If served with a white wine sauce, they go down very nicely

SURESHOT

I once posed in a car dealership, a young couple took me out for a test drive, they nearly died when I took them on a "magical mystery tour"

They laugh again.

BLADES

So where did you leave that young couple?

SURESHOT

Seattle

INT. GALAXY KNIGHT - JOSEPH & AIKO'S QUARTERS

With towels wrapped around their bodies, Aiko and Joseph exit the bathroom.

AIKO

Now wasn't that relaxing?

Joseph smiles.

JOSEPH

(Smiling)

Oh yes, VERY relaxing

He slips his hands inside Aiko's towel and around her slim waist.

JOSEPH (CONT'D)
I've got the perfect way to
follow such a relaxing shower

AIKO
Oh, and that is?

He pulls at her towel from underneath and it falls away. He removes his towel and wraps his arms around her gently. They then fall to the floor out of shot, and all we hear is the occasional giggle or moan.

INT. GALAXY KNIGHT - BRIDGE

The Car Robots and RaptorCon are watching a film on the viewscreen. A beeping gets RaptorCon's attention.

BLADES
What is it?

RAPTORCON
(Off His Console)
We've got as problem, Carg has re-
appeared in giant- size down-town

CONNIE(V.O.)
Alerting the Guardians...

EXT. WESTVILLE - DESERT

Carg thunders across the desert, heading towards the city.

CARG
Soon, soon the Guardians will
fall before me, then their city
will be razed to the ground
and...

Several energy beams streak out of the sky and slam into Carg, knocking him to the ground. Ultron and Mega-Rail descend from the sky and face off against the mega-Monster General.

INT. STRAXUS PALACE - OBSERVATION ROOM

Straxus and Demonos are watching the battle.

DEMONOS
What upgrade did you give Carg?

STRAXUS

I increased the power of his blades but do not concern yourself with that. I need you to assist me with another plan

DEMONOS

And that is?

STRAXUS

We're going after the Galaxy Knight Demonos can't believe what he's just heard.

DEMONOS

Are you sure that is wise? The Galaxy Knight is a Hyperion class ship, anything we'd send after it would stand no chance and we'd be destroyed Straxus looks at Demonos.

STRAXUS

What I have in mind will ensure that the Nocrari will become the dominant race not only on Earth, but on every planet in the entire GALAXY

EXT. WESTVILLE - DESERT

Carg staggers back, parts of his shoulder and face are on fire.

INT. ULTRON - COCKPIT

RED GUARDIAN

As impressive as the flame-thrower was, we need something with a little more teeth

BLACK GUARDIAN

Then I have just the weapon for you. Activate the Mega-Cannons

RED GUARDIAN

Why, they won't do much damage against him

BLACK GUARDIAN

Have faith dear brother

RED GUARDIAN

Ok...

He scrolls through the list of weapons available and selects the one labeled "Mega Cannons".

RED GUARDIAN (CONT'D)
Firing Mega-Cannons...

Suddenly, the cockpit shakes under a massive assault from Carg.

EXT. WESTVILLE - DAY

Carg slashes at Ultron and Mega-Rail, causing the two robots damage.

CARG
Two robots or twenty, it makes no difference as you will soon FALL before the might of the NECRARI

INT. GALAXY KNIGHT - BRIDGE

Pat is now on the bridge with the Car Robots and RaptorCon.

PAT
What's their status?

RAPTORCON
(Off His Console)
Both Ultron and Mega-Rail have sustained 49 percent damage and 31 percent damage respectively

PAT
Already!!!

RAPTORCON
(Off His Console)
I'm detecting signs of an upgrade to Carg, it seems as if his blades have been augmented

EXT. WESTVILLE DESERT

Carg pummels Mega-Rail, causing the giant gestalt even more damage

CARG
I'll crush you with my bear hands...

INT. MEGA-RAIL - COCKPIT

Silver Guardian does his best to keep Mega-Rail on it's feet. Around him, panels explode and consoles begin to smoke.

SILVER GUARDIAN
Guys, I'm taking a pounding over
here, hows about a rescue?

EXT. WESTVILLE DESERT

Ultron charges up to Carg and is about to pounce on him when the monster whirls around and slashes Ultron across the chest and head, sending the robot staggering back and crashing to the ground.

CARG
With your friends out of the
picture, it's just you and me now
Silver boy

With a snarl, Carg begins mercilessly beating Mega-Rail.

INT. ULTRON - COCKPIT

The Guardians try to get Ultron back on it's feet.

WHITE GUARDIAN
Our power is almost totally
drained, we'll be lucky if we can
place a cell-phone call with what
energy that is left

Black Guardian works the controls.

BLACK GUARDIAN
If we can over-load the reactor,
we can channel the excess energy
to the systems, powering them
back up for a short while

He continues to work the controls as fast as he can.

INT. MEGA-RAIL - COCKPIT

Alarms go off and consoles and panels explode, filling the cockpit with smoke.

SILVER GUARDIAN
Hull pressure is past safe
limits, I'm going to implode

RED GUARDIAN(V.O.)
Set your reactor to blow and get
out of there

Silver Guardian works the controls.

SILVER GUARDIAN
Done, it's gonna blow in three

RED GUARDIAN(V.O.)
Now engage emergency
teleportation...

SILVER GUARDIAN
Not yet, there's one more thing I
have to do first

He grips the controls and thrusts them forward.

EXT. WESTVILLE DESERT

The heavily damaged Mega-Rail stumbles forward and grabs
Demonos by the wrists and hold the monster tightly.

DEMONOS
(Angry)
Let me go, you are too heavily
damaged to stop me from tearing
down your worthless city

INT. MEGA-RAIL - COCKPIT

Silver Guardian slams his hands down on a control and the
he glows with energy and is teleported out, just as the
cockpit explodes.

EXT. WESTVILLE DESERT

Now we witness the one hell of an explosion as Mega-Rail
explodes, engulfing Demonos in the hellish maelstrom.

INT. GALAXY KNIGHT - BRIDGE

Nervously, the others watch as Ultron explodes.

PAT
Connie, did Joss make it out?

There is silence for a few seconds, then:

CONNIE(V.O.)
I believe he did

EXT. WESTVILLE DESERT

A streak of energy shoots out from the explosion and hits Ultron in the head.

INT. ULTRON - COCKPIT

The energy beam deposits Silver Guardian in the cockpit.

SILVER GUARDIAN
So, did that get the job done?

As the cloud of smoke and fire begins to dissipate, they see that nothing remains of Carg or Mega-Rail, except some wreckage of the gestalt robot.

SILVER GUARDIAN (CONT'D)
Well, that's two down, only
Straxus and Demonos remain and
their time is coming

INT. GALAXY KNIGHT - BRIDGE

A beeping gets RaptorCon's attention.

PAT
What is it?

RAPTORCON
(Lying)
It's nothing, just a sensor
glitch

as Pat turns back to the screen, RaptorCon works his console and sends the information to the other Bridge Stations, alerting the Car Robots.

RAPTORCON (CONT'D)
Mr Shakhan, please forgive us

PAT
(Frowning)
For what?

BLADES
This. Connie, Emergency Override
Omega25, teleport Mr Shakhan and
the girls down to the mansion,
NOW

PAT
Now just wait a moment...

The rest of the sentence is cut off as he is engulfed in the glow of the teleporter and snatched off the bridge. The Car Robots take their stations with Rollbar in the center seat.

ROLLBAR

Ok, let's go and see what that scumbag is doing on the moon

EXT. MOON

The palace begins to rumble and shake and the lunar surface around it cracks and shatters.

INT. GALAXY KNIGHT - BRIDGE

ROLLBAR

What's going on?

RAPTORCON

(Off His Console)

There's a large structure on the surface of the moon

ROLLBAR

Let's see it

The screen flickers to life and shows the palace on the surface of the moon.

RAPTORCON

My scanners indicate that the structure is generating an energy field similar to a star-drive reactor

SURESHOT

Are you saying that thing is going to take off?

RAPTORCON

Yes

ROLLBAR

Then let's stop it before it can, lock on and fire

EXT. MOON

The Galaxy Knight can now be seen in the distance, it fires two torpedoes that streak through space and hit a protective shield that has gone up around the palace.

INT. GALAXY KNIGHT - BRIDGE

RAPTORCON

The structure has erected a shield, the torpedoes did no damage

They watch the screen as the palace seems to rise up from the lunar surface.

ROLLBAR

Is that thing taking off?

RAPTORCON

It would appear so, yes

ROLLBAR

In that case, I want that thing out of my space

(Beat)

You may indulge yourself
RaptorCon, fire when ready

EXT. MOON

The palace tears itself free from the lunar surface and move away as the Galaxy Knight opens fire on it.

INT. GALAXY KNIGHT

ROLLBAR

Enemy damage report?

RAPTORCON

None, their shields are as strong as ours

ROLLBAR

Then let's take them down a notch shall we?

RAPTORCON

Yes, lets...

EXT. SPACE

The galaxy Knight fires on the palace, the shields taking the impact of the weapons and returning fire.

INT. CYBERTECH HQ - PAT'S OFFICE

JOSEPH
 Connie, over-ride teleport
 controls and get us back up there

There is silence.

JOSEPH (CONT'D)
 Connie?

CONNIE(V.O.)
 I can't, they've raised shields
 and are modulating the
 frequencies, I can't get through

AIKO
 What about giving them some help
 from down here?

MATTHEW
 With what< Mega-Rail is gone and
 Ultron is to badly damaged to go
 into space

AIKO
 Ion 1?

PAT
 A good idea, but against the
 Palace, it would be like firing a
 BB gun at a tank

EXT. SPACE

The Galaxy Knight is taking a beating from the Palace, but
 is still holding it's own.

INT. GALAXY KNIGHT - BRIDGE

The ship ROCKS with the impact.

ROLLBAR
 Damage report

RAPTORCON
 (Off Console)
 Shields down to 81 percent, grav-
 generators are off- line on decks
 23, 29 and 56

ROLLBAR

Shut down grav-generators on the affected decks and transfer the power to shields and weapons

EXT. SPACE

The Galaxy Knight banks sharply to port and fires a fierce volley of torpedoes at the Palace, all of which hit their mark. The Palace returns fire, illuminating the Galaxy Knight's shields.

INT. GALAXY KNIGHT - BRIDGE

RAPTORCON

Shields holding

ROLLBAR

Hold your fire. Sureshot, come about to 121 mark on my command.

SURESHOT

Ready

RAPTORCON

Torpedoes on dispersal pattern
Omega

ROLLBAR

Ready... and... now

EXT. SPACE

The Galaxy Knight swoops low over the Palace and fires torpedoes in groups of six. They stay in close formation until they hit their target with deadly accuracy. The Palace gets off one shot which hits the Galaxy Knight on the port blade.

INT. GALAXY KNIGHT - BRIDGE

RAPTORCON

All torpedoes hit their targets. They sustained medium damage to their aft shields. The ship is rocked as another Nocrari shot hits the ship.

RAPTORCON (CONT'D)

Our shields still holding. Minor damage to the port blade

DRAGSTRIP
 (Off His Console)
 The palace is coming about,
 making a run for Earth

ROLLBAR
 Sureshot, keep us within one
 hundred kilometers of the palace,
 let's see if we can't get them to
 turn around

SURESHOT
 Increasing to full sub-light

EXT. SPACE

The Galaxy Knight gins on the palace. Both ships keep firing on each other.

INT. GALAXY KNIGHT - BRIDGE

SURESHOT
 I'll try and get in front of it,
 maybe force it to head away from
 Earth

ROLLBAR
 Good idea

RAPTORCON
 Ok Sureshot, I'll provide
 covering fire

EXT. SPACE

The Galaxy Knight swoops up and over the Palace and gets in front of it, firing directly at it. The massive structure banks sharply to the right, narrowly missing the Galaxy Knight.

INT. GALAXY KNIGHT - BRIDGE

The ship is rocked by several hits. RaptorCon works the Tactical console.

RAPTORCON
 We've lost life support on decks
 21 through 32

ROLLBAR
 Shut down life support on those
 decks
 (Beat)
 (MORE)

ROLLBAR (CONT'D)

In fact, go ahead and shut down
life support on the entire ship,
except , we don't need it and
divert the energy to the weapons

RAPTORCON

Understood

RaptorCon works his console, then:

RAPTORCON (CONT'D)

Life support off-line and power
diverted to the shields and
weapons

MIRAGE

What good is that going to do us,
that flying crap- hole is equally
as powerful as this ship

SURESHOT

Then I suggest we change that,
don't you?

EXT. SPACE

The Galaxy Knight dodges a volley of weapons fire from the palace and returns fire. Only one shot hits which illuminates the shields briefly. The Galaxy Knight sends out a firestorm of Mega-Laser fire, which punches through the palace shields and explodes directly on the hull.

INT. GALAXY KNIGHT - BRIDGE

RAPTORCON

Direct hit on the enemy's porn
stern quarter The bridge is
rocked again and again as the
Palace pounds the Galaxy Knight.

ROLLBAR

Target that area again and
continue firing

EXT. SPACE

The Galaxy Knight doubles back and does a barrel roll, firing all weapons as the palace streaks above it, most of the shots hit but so do most of the Palace's hits.

INT. GALAXY KNIGHT - BRIDGE

ROLLBAR

Divert all power to weapons

RAPTORCON

Power couplings have been
destroyed, I am attempting to
bypass

(works console)

Controls not responding...

There is a massive shake as the ship is hit again. An enormous at the helm and Sureshot goes down, he slowly gets back to his station despite the fact he is now missing his left arm. Sparks and the occasional flame erupt from the wound which is spurting lubricant and other machine fluids.

ROLLBAR

Sureshot, if you can, take the
helm and get us out...

He is interrupted by another massive explosion that fills the entire bridge with smoke and flame. And when it clears, we can see that the car Robots have all been taken down, they each have died at their posts. RaptorCon gets to his feet and surveys the scene. RaptorCon himself is heavily injured and has a nasty cut on the left side of his jaw and is missing seven teeth and is blinded in his left eye. He sees the Car Robots and knows what must be done.

RAPTORCON

Computer, establish a comm. link
to CyberTech HQ

COMPUTER(V.O.)

Link established

RaptorCon stands facing the view screen.

PAT(ON SCREEN)

RaptorCon, you have to get out of
there, you've sustained too much
damage to stop them

RAPTORCON

I know, that is why I am going
this which has to be done

Joseph knows what he means.

JOSEPH(ON SCREEN)

You don't have to do this, come
back and we can work out another
way to stop them

RAPTORCON

That is not possible...

Then he steps back and shows them the bridge and the dead Car Robots.

PORTER(ON SCREEN)
They died at their posts and will
be remembered with honor

RAPTORCON
(Sad)
My friends, it was an honor to
serve with you, but this is
something I must do
(Beat)
Farewell...

He cuts transmission and moves to the helm and inputs a new
course. He steps back and looks at the Car Robots fallen
bodies.

RAPTORCON (CONT'D)
Farewell my friends

EXT. SPACE

The Galaxy Knight turns and flies directly at the palace.
The Palace fires all it's weapons, doing more damage but
the Galaxy Knight keeps on flying.

INT. CYBERTECH HQ - PAT'S OFFICE

AMI
(Crying)
You have to try and stop him

JOSEPH
Connie, over-ride the Galaxy
Knight helm controls and bring
her down to the hangar

There is silence.

JOSEPH (CONT'D)
Connie?

CONNIE(V.O.)
I can't the helm controls have
been locked out
(Beat)
There is nothing I can do

INT. GALAXY KNIGHT - BRIDGE

RaptorCon stands facing the screen, despite the pounding
the ship is taking, he remains on his feet. he sees
something on the bridge, he moves to Blades and sees that
the robot is not dead, just heavily damaged.

BLADES
(Weakly)
I die with you

RAPTORCON
(Softly)
Not today my friend
(Beat)
Connie, teleport Blades down to
HQ

RaptorCon stands back as Blades body is teleported away. He stands up and stares directly at the viewscreen, his face showing the enormous emotion of what he is doing.

EXT. SPACE

The galaxy Knight hits the Palace, smashing through it's shields and impacting directly on the hull, for a moment, they seem to hold together then there is one almighty explosion as both ships are destroyed, the release of energy throws the wreckage in a massive sphere, which is subsequently vaporized by the energy from the destroyed ships.

INT. CYBERTECH HQ - PAT'S OFFICE

Everyone watches the monitor in silence, the tactical map that had been showing the battle is now empty, the markers for the Palace and the galaxy Knight are now gone.

CONNIE(V.O.)
(Softly)
There's nothing left of the
Galaxy Knight. She's gone

FADE OUT.

END OF ACT THREE

ACT FOUR

FADE IN:

INT. CYBERTECH HQ - PAT'S OFFICE

Everyone is in shock at what has just happened. The screen shows static then goes blank.

CONNIE(V.O.)

(Softly)

I've scanned the surrounding space as far out as mars, there is no wreckage, and I'm sorry, but apart from Blades, there are no survivors

PORTER

Blades survived?

CONNIE(V.O.)

Yes, RaptorCon teleported him out before the impact Joseph turns to Pat.

PAT

No need to ask, get going

Porter and Joseph stand up and are teleported out of the office.

INT. CYBERTECH HQ - REPAIR BAY 1

SUPER UP: 2 HOURS LATER

Joseph and Porter are working on Blades, who is laid out in a repair table. Porter uses a set of wire cutters to removes a section of burnt wiring.

JOSEPH

This U.S.B. cable will need to be repaired

PORTER

(Examining the cable)

It will need to be replaced, it's to badly damaged

He puts it down and moves to a shelf and picks up a length of cable and trims it down with the set of wire cutters.

JOSEPH

Shall I use a 2.4 or 2.3?

PORTER

with the filament reinforced outer casing and high-speed connectivity

Porter moves back to Blades and begins installing the new cable.

JOSEPH

Will he survive?

PORTER

He's going to be ok, it will take him a long while to get back to full functionality but he'll be fine

JOSEPH

I'm not looking forward to telling him about the others

PORTER

Chances are he already saw everything

They return to work trying to repair Blades.

EXT. MOON - LUNAR SURFACE

Straxus and Demonos stand on the cold and dead lunar surface, looking up at Earth.

STRAXUS

Twice now the Guardians have foiled my plans for Earth, a third failure is not an option

DEMONOS

it was not a total failure, we did destroy the Galaxy Knight and the Car Robots, not to mention that reptile friend of theirs

Straxus grunts.

STRAXUS

It may have been a victory but it was a costly one as we are now without a base of operations or any monsters from my army to command

Demonos turns to his leader.

DEMONOS

That is not entirely accurate

STRAXUS

What!!!

DEMONOS

I have one monster from your army down on Earth, he is standing by, ready for your orders

STRAXUS

Who is it?

DEMONOS
Wolfebane

DISSOLVE TO:

A PAIR OF GLOWING RED EYES

PULL BACK

As we continue PULLING BACK we see that the eyes belong to a werewolf monster, and that it is seated atop one tower of the Western Gate Bridge, the city of Westville glimmering in the background.

INT. CYBERTECH HQ - CONFERENCE ROOM

Pat is sat behind the desk. Ami and Matthew are sat on the couch.

AMI

So what are we going to do now
without the galaxy Knight?

PAT

All we have to deal with is
Straxus and Demonos, if push
comes to shove, we'll use Ion 1
and blast them off the face of
the Earth

MATTHEW

I think Joss want's to take down
Straxus himself after Aya's death

PAT

All that needs to be done is to
contain Demonos

AMI

What about Straxus?

PAT

His fate has been sealed and he
has been sentenced to death

AMI

You're going to kill him?

PAT

No, we're not going to kill him.
We're going to make him SUFFER
for what he has taken from us, we
will heap so much pain on him
that he will welcome the cold
embrace of death rather than face
punishment for what he has done
(MORE)

PAT (CONT'D)

(Beat)

So say we all?

The Guardians nod.

GUARDIANS

So say we all

INT. CYBERTECH HQ - REPAIR BAY 1

Joseph and Porter are still working on repairing Blades.

PORTER

This is going to be the longest
repair job I've ever done

JOSEPH

Same here

Porter replaces a small section of wiring, which causes
Blades eyes to light up.

BLADES

(Distorted)

Where am I?

PORTER

You're in Repair bay 1 at
CyberTech HQ

BLADES

(Distorted)

The Galaxy Knight?

JOSEPH

It's gone

BLADES

(Distorted)

The others Car Robots, RaptorCon?

PORTER

(Softly)

I'm sorry, they died taking out
that flying palace

Blades tries to sit up, but Joseph and Porter hold him
down.

PORTER (CONT'D)

You can't get up, we've had to
take your leg hydraulics off-line
to repair and upgrade them

BLADES

(Distorted)

Must... avenge.... deaths

JOSEPH

Don't worry my robotic friend,
when the time comes, we'll make
sure that you are then when we
kill Straxus

BLADES

(Distorted)
Not containing?

PORTER

No, for what he has done, death
is his punishment

JOSEPH

So you just relax and let us
repair you

Blades lays back while and Joseph and Porter get back to
work.

EXT. MOON - LUNAR SURFACE

Straxus and demonos are standing on the cold and desolate
lunar surface.

STRAXUS

Send Wolfbane to attack the
Guardians, he will provide an
excellent diversion while we
proceed with our plan

DEMONOS

What is our plan?

STRAXUS

We will demoralize the Guardians
by hitting them in a place they
least suspect

(Beat)

Send in WolfBane

DEMONOS

At once

DISSOLVE TO:

EXT. WESTERN GATE BRIDGE

WolfBane howls in anger and leaps down off the bridge,
bouncing off cars, crushing them as he charges towards the
city.

INT. CYBERTECH HQ - PAT'S OFFICE

CONNIE(V.O.)
I'm detecting a monster heading
for the city center

PAT
Show us

The screen flickers to life and shows WolfBane attacking
and destroying a coach full of tourists.

PAT (CONT'D)
Signal the others

CONNIE
Already on it

EXT. WESTVILLE - CITY CENTER

The Guardians arrive just in time to see WolfBane destroy a
frozen food store.

BLUE GUARDIAN
Ok you walking flea-pit, this is
the end of your road

WolfBane turns, roars at the Guardians and charges at them.

INT. CYBERTECH HQ - PAT'S OFFICE

Pat and the girls are watching the battle as it unfolds.

MIKA
I thought all of the monsters
were destroyed when the Dark
Carrier was shot down?

PAT
Evidently, Straxus kept one ready
in case he needed it

AMI
Will they kill or contain it?

PAT
They will try to contain it, as
usual but if it proves to be to
deadly, then it will be
terminated

EXT. WESTVILLE - CITY CENTER

Wolfbane releases a wave of energy that slams into the Guardians, lifting them off their feet and slamming them into the side of the building then dropping them to the floor.

SILVER GUARDIAN

This guy is strong

CRIMSON GUARDIAN

He may be strong, but we are many, and combined we're twice as strong as he is

They draw their Guardian Blasters and fire, but Wolfbane dodges the blasts and charges at them. Red Guardian pushed Crimson Guardian out of the way and takes the full force of Wolfbane's impact. They go crashing through the wall and into the building.

INT. CYBERTECH HQ - PAT'S OFFICE

CONNIE(V.O.)

I'm detecting an unusual energy signature

PAT

Where?

CONNIE(V.O.)

That's just it, it was there one moment then the next it was gone

EXT. SHAKHAN MANSION

Straxus and Demonos teleport in. They look at the mansion with a scowl of disgust on their faces.

STRAXUS

While they are busy with Wolfbane, we shall destroy their home, demoralizing them and leaving them vulnerable to attack

DEMONOS

It is a great plan that will surely bring the Guardians to their knees

STRAXUS

Then let us begin...

They fire multiple energy beams at the mansion, which hit and cause numerous explosions and fires to break out.

INT. CYBERTECH HQ - PAT'S OFFICE

CONNIE(V.O.)

I'm detecting Straxus and Demonos
at the mansion

PAT

What!!!

CONNIE(V.O.)

They're attacking it

PAT

Recall the Guardians at one

EXT. WESTVILLE - CITY CENTER

The storefront explodes outwards as WolfBane and Red Guardian tumble back out.

RED GUARDIAN

Ok, we have to end this, the
mansion is under attack...

CRIMSON GUARDIAN

(Worried)

I have to go, Dekka is at the
mansion

RED GUARDIAN

Ok, you go

Crimson Guardian takes to the skies and flies away.

BLACK GUARDIAN

Ok, let's end this and help
defend our home

The Guardians line up facing WolfBane, their draw their Guardian Blasters and fire. The Combined energy beams slam into WolfBane, but instead of injuring him, they cause the monster to glow brightly for a few moments then explode in a shower of fire and energy.

WHITE GUARDIAN

Well, that was unexpected

RED GUARDIAN

Let's get back to the mansion,
Aiko will need our help

The Guardians holster their Blaster and take to the skies.

EXT. SHAKHAN MANSION - 5 MINUTES LATER

The Guardians land and power down. The mansion has suffered terrible damage from Straxus and Demonos' assault. The fires are all out and repair crews have begun preliminary repairs.

PAT

They did quiet a lot of damage,
but it's nothing that can't be
and WILL be replaced

PORTER

I guess we should have a look
inside, see what damage was done
to the interior

INT. SHAKHAN MANSION - LIVING ROOM

The Guardians look around the destroyed living room.

PORTER

This is going to far, attacking
us is one thing but our HOME....

JOSEPH

That's Aiko...

Suddenly, they hear a loud cry coming from upstairs, they rush up towards the sound of the scream

INT. SHAKHAN MANSION - JOSEPH & AIKO'S ROOM

The Guardians enter the remains of Joseph and Aiko's room and see Aiko kneeling on the floor with her back to them.

JOSEPH

What's wrong?

Aiko stands up and turns to face them, the tears streaking down her face. She has something in her arms, wrapped up in tattered blankets. Joseph sees it and his heart runs cold.

JOSEPH (CONT'D)

Please no, tell me that's not...

Aiko shows him what is wrapped up; baby Dekka. His face is streaked with soot and he has blood on his face. Joseph growls angrily which rapidly turns into heavy, tortured crying. Mika and Ami are also crying while the other Guardians are fighting back the tears.

PORTER

(Softly)

Oh god Joseph, Aiko I am so sorry

Joseph hugs Aiko gently, never taking his eyes off his dead baby son.

JOSEPH

(Crying)

This is it, the final straw. When I see Straxus, I'm going to kill him for what he has taken from us

PAT

(Softly)

We'll make sure he has a proper burial

EXT. SHAKHAN MANSION - REAR LAWN

SUPER UP: 20 MINUTES LATER

Pat, the Guardians, Connie, Ami and Mika and Blades are solemnly gathered on the rear lawn. Pat goes to each of them. He carries a small, metal box. They each take something from the box. At first we, don't quite see what they are doing. 'Then we realize they are affixing black bars to their collars; Mourning bands. Joseph pours glasses of champagne. The label on the bottle reads 'Dom Perignon 1876'. He pours glasses for the other Guardians, Pat and the girls, he then hands them out and takes the last glass for himself. Pat steps up and faces them.

PAT

We are gathered here today to remember Dekka Shakhan, who was cruelly murdered by Straxus and Demonos, and the Car Robots and RaptorCon, who gave their lives in defense of this world

Aiko breaks down and starts sobbing, Joseph puts his glass down and hugs his wife gently. Joseph and Aiko stand up and face the others.

JOSEPH

Although my son's life was cut short, he was loved by everyone who met him

(Smiling)

He used to love playing with RaptorCon, who was equally fascinated by Dekka

AIKO
 (Sobbing)
 Dekka was fascinated by the Car
 Robots, I'm sure he used to think
 they were giant toys

She is crying to much to continue. They step back as Blades
 steps up. We can see that he is still damaged and not fully
 repaired.

BLADES
 My fellow Car Robots loved Earth,
 they thought of it as their home
 and defended it with their very
 lives as did RaptorCon
 (Beat)
 They used to enjoy playing pranks
 on unsuspecting people, nothing
 mean or hurtful, just scare them
 up a little
 (Beat)
 They will be missed

JOSEPH
 (Raising His Glass)
 To absent family, to absent
 friends.

They raise their glasses in remembrance.

INT. CYBERTECH HQ - PAT'S OFFICE

SUPER UP: 5 MINUTES LATER

Everyone is now in the office in their usual positions.

AIKO
 When I see Straxus, I'm gonna rip
 his fucking head off and stick it
 on a FUCKING SPIKE

JOSEPH
 Not until we've made him suffer

JOSS
 Yes, make him suffer greatly for
 what he has done before we whack
 him

Porter turns to Blades.

PORTER
 We should get you back to the
 Repair Bay, you're still not 100
 percent functional

BLADES

I am fine

PORTER

No, you're not. You still can't transform or use your left arm fully

JOSEPH

You're going back to the repair bay, that's an order

Blades nods.

BLADES

Very well, but I only go to gain the strength to take down Straxus with the others. Agreed?

JOSEPH

Agreed

Joseph and Porter turn to Pat.

PAT

May we be excused father?

As Pat goes to reply, the alarm sounds and the screen flickers to life, it shows Demonos attacking the city.

PAT (CONT'D)

It looks as if you have work to do The Guardians get up and run out of the office.

MIKA

We can try to repair you Blades, if you like Blades looks hesitant.

BLADES

Are you sure you can manage?

AMI

If you guide us through it, we should do ok

CONNIE(V.O.)

Plus I can help out if needed

AMI

So what do you say Blades?

BLADES

Ok, you can give it a try

EXT. WESTVILLE - RESIDENTIAL DISTRICT

Demonos releases an energy wave that destroys two houses and their occupants. The Guardians land and charge at him.

DEMONOS

So good of you to join me
Guardians
(Beat)
How is your home, undamaged I
hope

Black Guardian attempts to deliver a spinning heel kick but gets knocked away.

DEMONOS (CONT'D)

Red Guardian, I do hope your baby
son is unharmed...

Demonos laughs, Red and Crimson Guardians roar with anger and leap on Demonos and try to beat him; but he easily throws them off.

DEMONOS (CONT'D)

If this is the best you can
fight, then this world will fall
just as easily as we destroyed
your dead little brat of a child

CRIMSON GUARDIAN

(Screaming)
Die murdering scum

It a fit of rage, she extends her Vibra Swords and begins slashing at Demonos, she is joined by Red Guardian.

INT. CYBERTECH HQ - PAT'S OFFICE

Pat is watching the battle as it unfolds on the screen.

CONNIE(V.O.)

Are you just going to let them
destroy Demonos?

PAT

Yes, He was one half of the scum
responsible for Dekka's death, it
is what he deserves
(beat)
You don't have a problem with
that do you?

CONNIE(V.O.)

Of course not, I just wanted to be sure I understood what you were hinting at

EXT. WESTVILLE - REPAIR BAY 1

Ami, Mika and Blades are watching the battle unfold on the monitor.

BLADES

If I were repaired, I could go and assist them

MIKA

We're going as fast as we can

BLADES

I know, and I appreciate that, but I still wish I could be down there, avenging the others

AMI

Just hang in there Blades, we'll have you up and about in no time

EXT. WESTVILLE - RESIDENTIAL DISTRICT

Demonos flings the Guardians back and destroys a small semi-detached house. They jump back up and draw their Blasters and fire, but the 8 energy beams have little effect on the Mega Monster.

DEMONOS

Is this the best you can do?

CRIMSON GUARDIAN

I'm going to kill you for murdering my son you piece of alien SHIT

Demonos puts his hands to his face in mock fear.

DEMONOS

Oh I am SO scared

He raises both hands, electricity shoots out of his fingers and wraps around the Guardians, he rises them up and slams them into the ground a half dozen times before releasing them.

DEMONOS

And so, this is the end of the
Guardians, with you out of our
way, the Negrari will rule
supreme over this world

The Guardians get back to their feet and Crimson and Red
Guardians rush over to Demonos, and start slashing him with
their Vibra Swords while the other Guardians fire off the
occasional shot with their Guardian Blasters.

INT. CYBERTECH HQ - PAT'S OFFICE

CONNIE(V.O.)

Can they defeat him like that?

PAT

I hope so

CONNIE(V.O.)

What about RaptorCon's prototype
weapon, that might do the job?

PAT

Good idea, send it to them

EXT. WESTVILLE - RESIDENTIAL DISTRICT

The Guardians hit the ground, skidding away as Demonos hits
them with a wave of energy. He releases another wave that
causes them even more damage.

DEMONOS

Guardians, I am truly impressed
by your efforts to destroy me.
Why not swear an oath of loyalty
to the Negrari and forego your
executions

YELLOW GUARDIAN

Go to hell, Negrari filth

DEMONOS

So be it, your fate has been
sealed

He prepares to release another energy wave, and as he
releases it, red and Black Guardians stand up and shield
the other Guardians from the energy wave, they take the
full impact and are thrown hard against the wall of a
burning house, which collapses on top of them.

DEMONOS (CONT'D)

Two down, six to go

INT. CYBERTECH HQ - PAT'S OFFICE

Pat is on his feet in an instant.

PAT

Connie, teleport them out, NOW
There is a moment's silence,
then:

CONNIE(V.O.)

Joseph and Porter are in the
medical bay and the weapon is
ready for deployment

PAT

Tell the others it's ready, I
have to go see to Joseph and
Matthew

He leaves the office quickly.

EXT. WESTVILLE - RESIDENTIAL DISTRICT

The remaining Guardians get to their feet and face off
against Demonos.

DEMONOS

With two of your numbers down,
care to surrender?

Crimson Guardian holds her hands out and the prototype
weapon RaptorCon was working on materializes, she takes aim
at Demonos.

CRIMSON GUARDIAN

This is where you DIE...

She fires the weapon, the energy beam hits Demonos in the
left arm.

CRIMSON GUARDIAN (CONT'D)

This is for murdering my SON you
piece of FILTH...

She fires again, hitting his other arm and his legs. She
fires the weapon again, hitting Demonos in the chest and
face.

CRIMSON GUARDIAN (CONT'D)

You murdered my son, I will make
you suffer for that

She rushes forward and repeatedly smashes the butt of the
rifle into Demonos in a rage of anger.

She steps back and fires the rifle, hitting Demonos in the legs, causing the monster to fall. Now unable to stand, Demonos tries to crawl away as the Guardians approach him. Crimson Guardian takes aim.

DEMONOS
(In Pain)
I surrender, you can't...

CRIMSON GUARDIAN
Wrong

She fires, hitting him dead center in the head. As they turn and walk away, his body glows with energy then explodes.

CRIMSON GUARDIAN (CONT'D)
Justice for Dekka....

SILVER GUARDIAN
For Aya

CRIMSON GUARDIAN
For Dekka and Aya, Straxus is the next to die by our hand

BLUE GUARDIAN
We should head back to HQ, find out how Joseph and Porter are...

A loud rumbling gets their attention, and in the distance, we can see giant Straxus heading towards them.

STRAXUS
Fear not for them, for you will soon suffer the same fate as your fellow Guardians and DIE by my hand

INT. CYBERTECH HQ - MEDICAL BAY

Joseph and Porter are in the Medical Beds, their injuries are being treated by Connie's android body.

PORTER
We have to go help them, we can't just sit here and watch

JOSEPH
I agree, let's go...

As they try to get up, Connie and Pat hold them down gently.

PAT

You two are not going anywhere,
you have to stay here, your
injuries are severe

PORTER

(Brushing It Off)
We've had worse

PAT

You both are in no condition to
do anything except stay here

Knowing their father is right, they stay put but are not
happy about it. They watch the screen as the other
Guardians summon Ultron and engage Straxus.

PORTER

Go and get him guys

JOSEPH

Make sure you give him a kick
from us

They settle back and watch as Ultron goes head to head with
Giant Straxus.

FADE OUT.

END OF ACT FOUR

ACT FIVE

FADE IN:

INT. CYBERTECH HQ - PAT'S OFFICE

Pat, Joseph, Blades, Ami and Mika are now gathered in the
office and are watching the battle on the screen.

AMI

At least they've moved into the
desert away from the Residential
District

MIKA

Yeah, that first hit from Ultron
knocked him clear

Porter And Joseph are still not happy about not being part
of the battle.

PORTER

We should be out there, helping them

JOSEPH

I agree, it's not right for us to sit this out

PAT

But that is exactly what you are going to do until your injuries are healed

They know he's right but they are still not happy about it.

EXT. WESTVILLE DESERT

Ultron swings it's massive fist, smashing Straxus right on the jaw and sending the monster stumbling backwards.

INT. ULTRON - COCKPIT

The Guardians work the controls.

SILVER GUARDIAN

What say that we give Straxus an eyeful

BLUE GUARDIAN

Good idea Joss

SILVER GUARDIAN

Thank-you Matthew

EXT. WESTVILLE DESERT

Explosions ripple across Straxus as the eye-beams slam into the Nocrari general.

STRAXUS

(Wordless Roars Of Rage)

Ultron strides towards the Nocrari general. The giant robot stops blasting with it's eye beams and starts pounding the monster with it's massive fists.

INT. CYBERTECH HQ - PAT'S OFFICE

Pat, Joseph, Porter, Mika and Ami are watching the battle on the screen.

JOSEPH
This isn't right, we should be
there HELPING them

PORTER
I agree, we can't just sit around
and do nothing

PAT
In your current condition, that's
all you can do

INT. ULTRON - COCKPIT

The Guardians work their controls and consoles.

BLUE GUARDIAN
Reactors are set and ready to
overload on our command, and when
Ultron goes, Straxus will be
ripped apart by the ensuing
explosion

GREEN GUARDIAN
(Looking Around Cockpit)
I'll miss Ultron

SILVER GUARDIAN
As will I, but all good things
must come to an end Crimson
Guardian grips the controls
tightly.

CRIMSON GUARDIAN
Before we send him to the
Infersia, how about we make him
suffer?

WHITE GUARDIAN
Good idea

White Guardians works his controls.

WHITE GUARDIAN (CONT'D)
Eye Beams now at 110 percent

CRIMSON GUARDIAN
Eye-Beams, FIRE

EXT. WESTVILLE DESERT

Ultron's eyes glow with power as the giant robot fires it's
eye-beams at Straxus.

STRAXUS
(Wordless Roars Of Rage)

Straxus stumbles back as Ultron continues to fire the eye-beams at him.

INT. CYBERTECH HQ - PAT'S OFFICE

Pat, Joseph, Porter, Mika and Ami are watching the battle on the screen.

PORTER
We should be there with them

PAT
And what good could you do in your current state?

JOSEPH
That's not the point, we should be with our brothers and fellow Guardians, not sitting on our asses

PAT
Your injuries leave you no choice but to sit on your asses, if you went to help them, in your current state you'd not last more than a couple of seconds

JOSEPH
But at least we'd be out there, helping them

PORTER
I agree

With no other choice, they just sit there and watch the others fighting Straxus.

EXT. WESTVILLE DESERT

Straxus ducks out of the way and punches Ultron in the chest then follows up with a thrust kick to the giant robot's head.

INT. ULTRON - COCKPIT

The Guardian are showered with sparks; electrical tentacles splay throughout the cockpit.

GREEN GUARDIAN

That last shot took our shields
down to 79 percent Blue Guardian
works the controls.

BLUE GUARDIAN

I've diverted reserve power to
the shields, that's resorted them

SILVER GUARDIAN

Then let's make that count shall
we

EXT. WESTVILLE DESERT

Ultron races forward and grabs the Nocrari general in a
giant bear hug. The giant robot then begins head-butting
the Nocrari general.

INT. CYBERTECH HQ - PAT'S OFFICE

Everyone watches as Ultron bear-hugs Straxus.

MIKA

What are they trying to do? Hug
him to death?

PORTER

I have no idea, but I hope it
works, Ultron is the only weapon
we've got left that can fight
giant Straxus

JOSEPH

Oh they'll beat him all right,
they'll beat that alien son of a
bitch to DEATH for what he took
from Joss

(Beat)

From myself and Aiko

AMI

Then I hope they don't beat him
to death to quickly

(Off Joseph and Porter's
Look)

I want him to suffer

Joseph and Porter smile at her as they return to watching
the battle.

EXT. WESTVILLE DESERT

Straxus breaks free of the Bear-Hug and grabs Ultron by the head and starts to squeeze.

STRAXUS
I'll crush you with my bear
hands...

INT. ULTRON - COCKPIT

Alarms go off and consoles and panels explode, filling the cockpit with smoke.

BLUE GUARDIAN
Hull pressure is past safe
limits, we're going to implode

CRIMSON GUARDIAN
Set the reactor to blow, NOW
Silver Guardian works the
controls.

SILVER GUARDIAN
Done, it's gonna blow in three

CRIMSON GUARDIAN
Emergency teleportation...

She slams her hands down on a control and the Guardians all glow with energy and teleport out, just as the cockpit explodes.

EXT. WESTVILLE DESERT

Now we witness the one hell of an explosion as Ultron explodes, engulfing Straxus in the hellish maelstrom.

INT. CYBERTECH HQ - PAT'S OFFICE

Nervously, the others watch as Ultron explodes.

PAT
Connie, did they make it out?

There is silence for a few seconds, then:

CONNIE(V.O.)
I believe they did

EXT. WESTVILLE DESERT

The teleport beams slam into the ground, depositing the Guardians in a shallow crater. Their armor is smoking battered and broken off in places.

YELLOW GUARDIAN

Did we get him?

The smoke clears, revealing all that remains of Ultron is a huge field of debris. near the edge of the field lies Straxus shrunken and unmoving body.

GREEN GUARDIAN

It looks as if we did it, we finally beat him

INT. CYBERTECH HQ - PAT'S OFFICE

CONNIE

I'm getting some disturbing readings

MIKA

Like what?

CONNIE

If my scanners are correct, then Straxus is starting to grow stronger once again

AMI

This is not happening!! He keeps getting stronger while they keep getting weaker...

MIKA

We have to do SOMETHING to help them

Joseph tries to get up off the couch.

JOSEPH

I'm going down to help them

He tries to get up, but his injuries prevent him from doing so.

PAT

You can't help them Joseph, you're in...

JOSEPH
 (Interrupting)
 I can't just sit here and do
 nothing

Joseph watches the screen with a pained look on his face.
 he goes to get up but Porter holds him back.

JOSEPH (CONT'D)
 We have to do SOMETHING to help
 them, we can't just SIT here
 while they get beaten to death

PORTER
 I want to be there as much as
 you, but in our current
 condition, we'd not last two
 seconds in a fight

Joseph goes to argue, but deep down he knows Porter is
 right.

EXT. WESTVILLE DESERT

The Guardians, with armor smoking struggle to get to their
 feet. Straxus slowly gets to his feet and stands a few feet
 away from them snarling at the battered and broken heroes.

YELLOW GUARDIAN
 (Shocked)
 He's still alive

The Guardian watch as Straxus rises up to his full height
 and sneers at them.

STRAXUS
 (Weakly)
 You'll never succeed Guardians,
 while my Necrari powers
 regenerate me; every time we
 fight, I grow strong while you
 grow weak and will soon be
 vanquished

The Guardians struggle as they get to their feet.

SILVER GUARDIAN
 (With Difficulty)
 You will PAY for what you have
 taken from us

STRAXUS

Oh yeah, who's gonna stop me? You pathetic worms don't have the power to stop me Summoning all their strength, the Guardians stand tall and proud.

BLUE GUARDIAN

Guardians of the Earth

GUARDIANS

UNITED WE STAND

They rush forward and grab a hold of Straxus, he tries to escape, but the Guardians are too strong.

STRAXUS

(Angry)

NO, YOU CAN NOT DESTROY MY DESTINY

CLOSE ON:

GUARDIANS AND STRAXUS

An ENORMOUS EXPLOSION ERUPTS, engulfing the entire immediate area in a wave of destructive energy.

INT. CYBERTECH HQ - PAT'S OFFICE

The screen whites out and goes blank.

CONNIE

They DID it, I'm no longer detecting straxus
(looks at Joseph and Porter with meaning)
...or the other Guardians.

Everyone turns around and looks at Pat.

PAT

(to comm)
CyberTech HQ to Guardians
(beat)
Guardians, please respond.

Still no response. Porter and Joseph's face falls.

PAT (CONT'D)

Have Blades meet us in the Launch Bay

Porter and Joseph, very concerned, get up and follow Pat. They exit the office quickly.

EXT. WESTVILLE DESERT

At top speed, Blades flies through the sky. He's trailing smoke behind him as he is still not fully repaired. He lands and Pat, Porter and Mika get out and he converts to robot mode. They head towards the pillar of smoke; they stop short when they see the battered bodies of the Guardians laying in the desert sand. Joseph and Porter run up to them and Joseph kneels next to his fallen wife.

AIKO

(using remaining
strength to makes
herself heard)

It had to be... done... Straxus
had to Be... taken down...

JOSEPH

(Crying)

Why? Why did you have to do it
like this?

PORTER

(Clasping Matthew's
hand)

You can't die, we need you, EARTH
needs you

MATTHEW

Earth is in good hands. It is in
YOUR hands

PAT

You have fought with honor

(Beat)

I am proud and honored to be your
father

TAYLOR

The honor was ours father

AIKO

(To Porter)

Take care of Joseph for me

PORTER

(Tears streaming down
his face)

Yes ma'am

JOSS

(Drags Pat Closer as
voice weakens)

Tell our tale to those who ask of
us.

(MORE)

JOSS (CONT'D)

Tell it to them truly the ill
deeds, along With the good, and
let us be judged accordingly; The
rest is silence.

MATTHEW

Guardians of the earth...

AIKO/MATTHEW/JOSS/ZAC/TAYLOR/ISAAC

United we... stand

Aiko's eyes close, and she's gone. They are all gone.

JOSEPH

(Crying)

I love you

Blades bows his head in reverence for his recently
deceased friends.

BLADES

The universe will be a sadder
place for Their deaths have
robbed everyone of their Greatest
protectors, and I have lost my
friends

Suddenly, the air above the Guardians and Aiko begins to
shimmer. 10 blurry objects appear in the sky. The objects
then begin to take on humanoid form.

PAT

(Shocked)

No way, it can't be

BLADES

Who is it?

PAT

The Guardian Warriors. The
spirits of the Guardians past and
future who have fallen in combat

ANGLE ON: GREEN NINJA GUARDIAN

His armor is made out of a futuristic metal, similar to the
armor of the Guardians, but much more flexible. It is green
and has black highlights. It is styled to look like the
classical look of the Ninja, complete with ninja sword
strapped to his back. He also carries a Guardian Blaster in
his left holster.

ANGLE ON: DINO GUARDIAN RED

His armor is similar to that of TyrannoRed of DinoForce,
but more like that of present day Red Guardian.

His armor is styled after the Tyrannosaurs Rex, with a few differences. His helmet looks like a T-REX head, complete with teeth. And eyes that glow a fierce crimson red. He also carries a Guardian Blaster in his left holster and a sword styled to look like it is made out of a dinosaur tail and topped with sharp teeth in his right hand.

ANGLE ON: GUARDIAN RIDER RED

He has two small, discuss type disks attached to each arm. One on each shoulder and one on his forearm. He has a silver stripe about 10 inches thick. It starts at his neck and runs down to his belt, where it splits in two and runs down the front of his legs. It also splits in two and runs down the outside of his arms. He also carries a Guardian Blaster in his left holster and a futuristic crossbow in his right hand.

ANGLE ON: GUARDIAN V3

His armor is blue with white highlights. His helmet is cobalt blue with a white V on he front. The visor is jet black and rimmed with white and silver. He is holding a large v-shaped shield that is cobalt blue and rimmed with white. On the shield, painted in shining silver is V3. He also carries a Guardian Blaster in his left holster.

ANGLE ON: WHITE ASTRO GUARDIAN

The most futuristic of the Guardian Warriors. His armor is white, with black highlights. His visor is silver and is rimmed by black. He has six small High Frequency Wave Vibration swords on his forearms. His armor is more sleeker than the others, making them seem bulky and clunky compared to him. He carries a Guardian Blaster in his left holster and a futuristic double bladed lance is strapped to his back.

ANGLE ON: GREEN DRAGON GUARDIAN

His armor emerald green. He has golden chest armor and his helmet is styled to look like a roaring dragon's head. The eyes shine with a luminescent green energy. His boots and gauntlets are white and are rimmed at the top with silver. He carries a medium sized dagger in his right hand and he also carries a Guardian Blaster in his left holster

ANGLE ON: WHITE TURBO GUARDIAN

His armor is as white as snow, with black highlights. His helmet is styled to look like the front of a car, complete with bullbars and headlights that shine with white energy. His visor is black and is rimmed with silver.

He carries a shield that resembles a car hood, but smaller and with a jagged edge. He also carries a Guardian Blaster in his left holster

ANGLE ON: RED LION GUARDIAN

The only female Guardian Warriors. Her armor was bright red with the exception of her boots and gloves, which were white. He had a golden chest and shoulder armor. In the center of the chest armor was a lion's head. Each of her gauntlets had a lion's head around the wrist, giving the appearance that her hand came out of the lion's mouth. He carries a Guardian Blaster in her left holster.

ANGLE ON: BLACK SKYRIDER GUARDIAN

His armor is jet black and has a pair of wings folded against his back. He carries a Guardian Blaster in his left holster and a fierce looking blade in the other. His helmet is jet black, his visor is ringed with silver, and the rest of his armor has silver highlights. His gauntlets are slightly raised as there is a laser blaster built into them.

ANGLE ON: SILVER LUNAR GUARDIAN

His armor is a bright and vibrant silver, with black highlights. His helmet is styled to look like a roaring wolf's head, complete with eyes that shine with a luminescent silver energy. His helmet has a crescent moon on it that glows with a soft silver.

ANGLE ON: JOSEPH

As he turns and face the Guardian Warriors.

WHITE TURBO GUARDIAN
Guardians, it is time for you to
take your place with us in the
Hall of Heroes

JOSEPH
(Yelling)
NO, I WON'T LET THEM. I SHOULD BE
THE ONE WHO IS DEAD, NOT THEM

SILVER LUNAR GUARDIAN
We know of their sacrifice so
that you may live

JOSEPH
NO. I should be dead, not Aiko,
not my child or my brothers

GREEN DRAGON GUARDIAN
 You would rather face death than
 live Your life as the Red
 Guardian?

JOSEPH
 Yes, if life meant being without
 Aiko and death Meant that I would
 be with her, then I Would choose
 death over life

GUARDIAN V3
 There is no greater thing that a
 man lay Down his life for his
 friend. Aiko and your brothers
 have given their lives so that
 yours may continue. So That Red
 Guardian can continue saving
 lives

JOSEPH
 (Yelling)
 I DO NOT CARE, BRING THEM BACK
 AND TAKE ME

Porter steps forward.

PORTER
 You will take me in their place
 also

Guardian V3 looks the the other Guardian Warriors then back
 at Joseph and Porter.

GUARDIAN V3
 You would give up your own lives
 life to return those lost to you
 back to this life?

JOSEPH/PORTER
 Yes, we would

SILVER LUNAR GUARDIAN
 They have not yet passed beyond
 and entered the Hall of Heroes

GUARDIAN V3
 We can return them

GREEN DRAGON GUARDIAN
 Then let us return the ones that
 were lost....

The Guardian Warriors stand in a line and raise their hands
 above them.

GUARDIAN RIDER RED

Let those that were taken away
now be returned to you....

The bodies begin to shimmer and dissolve into columns of light; each column of light turn into the familiar forms of the Guardians, Aiko and baby Dekka. Joseph rushes forward and hugs Aiko and Dekka, not wanting to let them go. Ami rushed forward and hugs Matthew as tightly as she can.

DINO GUARDIAN RED

The ones that were taken have
been returned

(To Joss)

I am sorry, the one that you have
lost can not be returned for she
has passed beyond and is in the
Hall of Heroes

(To Blades)

That also carries over to your
robotic friends and the reptile

SILVER LUNAR GUARDIAN

Actually, it is within our power
to return one more that was taken

JOSS

(Hopefully)

You can return Aya to me?

The Guardian Warriors look to each other, then nod.

GUARDIAN RIDER RED

Let one more who was taken away
now be returned to you....

A column of light appears and Aya steps out, she looks bewildered for a moment.

AYA

(Confused)

What just happened?

Joss rushes forward and wraps his arms around Aya, hugging her tightly.

JOSS

I love you Aya

Aya returns toe hug.

AYA

And I love you Joss

Joseph turns to the Guardian Warriors and bows.

JOSEPH

Thank-you, you have given me my
family and friend back

DINO GUARDIAN RED

As the ones who watch over the
Hall of Heroes, we decided that
it was not their time to enter
and we returned them to you

WHITE TURBO GUARDIAN

Our time here now comes to an
end, we must return to the Hall
of Heroes....

GREEN NINJA GUARDIAN

Where we watch over those who are
about to pass beyond

GREEN DRAGON GUARDIAN

Though we are not with you, know
this...

DINO GUARDIAN RED

We are there. We are watching

The Guardian Warriors each turn into a column of light that slowly fades away into nothingness. Joseph stares after them for a few minutes, then turns to the others.

JOSEPH

Well, now that we're back
together, what say we head on
home and have one HELL of a
party? Porter nods.

PORTER

But before we have that party,
there's something I need to do
first

Matthew nods, knowing what Porter is about to do.

MATTHEW

And I have to do the same

Porter turns to Mika while matthew turns to Ami.

PORTER

Mika, to me you are the most
beautiful girl I have ever seen
and are the one for me

MATTHEW

Ami, you are the one I want to be
with for the rest of time

PORTER

Mika...

MATTHEW

Ami....

They get down on one knee, holding the hand of their respective loved one.

PORTER/MATTHEW

Will you marry me?

Both girls smile.

MIKA/AMI

Yes, the answer is yes

Porter and Matthew get up and wrap their arms around their respective girl and kiss them passionately.

AIKO

Well, now that you are both engaged, we should begin planning the weddings

Porter rubs his hands together.

PORTER

Ah yes, that means one hell of a bachelor party
(To Matthew)
Right bro?

Matthew nods.

MATTHEW

Oh yes, with strippers and booze a-plenty

Joseph is just staring off into space at the spot where the Guardian Warriors stood.

PAT

Joseph, are you ok? It looks as if you had a religious experience

Joseph sighs, a smile on his face.

JOSEPH

It's not every day you get your family and friends back from the dead AND meet the legendary Guardian Warriors

Aya frowns.

AYA

(Frowning)

No disrespect intended Joseph,
but who or what are the Guardian
Warriors

JOSEPH

The Guardian Warriors are the
spirits of the Guardians past and
future who have fallen in combat

(Beat)

They guard the Hall of Heroes
where all Guardians go when they
die

Joseph sighs, then smiles.

JOSEPH (CONT'D)

(Smiling)

Now, someone said something about
a bachelor party?

PAT

Connie, teleportation if you
please....

Everyone is taken away from the crash site in the familiar
glow of the teleporters.

END OF ACT FIVE

ACT SIX

FADE IN:

EXT. WESTVILLE - MORNING

The morning sun shines bright as it rises over the city of
Westville. The sky is clear blue with a just a few wisps of
clouds visible.

EXT. SHAKHAN MANSION

SUPER UP: 3 DAYS LATER

The sun is shining down on the Shakhan Mansion. There is a
stream of cars heading down the driveway where a team of
Cyber Knights is operating a Valet Parking service. The
weddings guests head into the mansion.

EXT. SHAKHAN MANSION - REAR LAWN

A virtual army of people are busy getting the rear lawn ready for the double wedding of Mika and Joseph and Matthew and Ami.

INT. SHAKHAN MANSION - MATTHEW & AMI'S BEDROOM

Matthew is stood at the foot of the bed in just his boxer-shorts, and once again we can see that he is in amazingly good shape and is very buff. He is looking in a mirror while brushing his hair.

JOSEPH(O.S.)

Need a hand?

MATTHEW

I'll be ok

(To Himself)

At least I think I will

JOSEPH(O.S.)

If you need a hand, I can help

MATTHEW

I'm ok Joseph, really

(Beat)

Go and check on Porter, he might need help

JOSEPH(O.S.)

OK, but remember to ask if you need help

Matthew crosses to the wardrobe where a suit is hanging on the cupboard door.

INT. SHAKHAN MANSION - HALLWAY

Blades and the other Guardians are now in the hallway, waiting for Matthew and Porter.

ZAC

(Looking around)

So where are they?

JOSEPH

Take a wild guess

ISAAC

They're still not ready yet?

JOSEPH

Hell no

BLADES

Is it common for Human men to be late for their wedding ceremonies?

JOSEPH

No, they are supposed to be there before their bride to be

(Beat)

I suspect they are trying to look perfect for their big day

(Beat)

Come to think of it, they take longer than the girls to get ready

TAYLOR

At least with a woman, she is eventually ready at some point

MATTHEW(O.S.)

Oh will you guys just relax...

BLADES

Then hurry up, if we have to wait any longer, you'll miss your own wedding and I'll bust a gasket

MATTHEW(O.S.)

Just relax, I'll be ready in time

INT. SHAKHAN MANSION - PORTER & MIKA'S ROOM

Like Matthew, Porter is to in his underwear, giving us a look at his buff physique once again. He looks at the suit hanging on the cupboard door.

PORTER

(To Himself)

The things I do for love...

He takes the suit down and begins to get dressed.

PORTER (CONT'D)

(To Himself)

I hate these dam monkey suits, but this is my wedding day, so I guess I can make an exception

As he begins to get dressed, there is a knock on the bedroom door.

JOSEPH(O.S.)

Need a hand bro?

PORTER
Thanks but I'm ok

JOSEPH(O.S.)
If you need a hand, I can help

PORTER
I'm ok Joseph, really

He pulls on the pants and checks out his reflection in the mirror.

PORTER (CONT'D)
Hmm, not to shabby so far....

He sits down and opens a shoe-box, revealing an expensive looking pair of jet-black shoes. He quickly pulls on a pair of jet-black socks then takes the shoes out of the box and slips into them.

JOSEPH(O.S.)
Are you sure that you don't need a hand?

PORTER
I'm fine Joseph, really
(Beat)
Why don't you go pester Matthew for a while?

INT. SHAKHAN MANSION - JOSEPH & AIKO'S ROOM

Mika is stood at the foot of the bed in just her underwear, and once again we can see that she has a drop-dead gorgeous body and is very slim and slender. She is looking at the box that is laid out on the bed before her.

CONNIE(O.S.)
You girls need a hand?

MIKA
I'll be ok...

She looks at the box, then:

MIKA (CONT'D)
Actually, I could use some help getting into this

AMI(O.S.)
Yeah, I could use some help to...

Ami exits the bathroom, like Mika, she is only wearing her underwear and we can clearly see that she is just as skinny as Mika. A few moment's later, Connie's android body enters the room.

CONNIE
 OK girls, let's get you two
 ready...

INT. SHAKHAN MANSION - HALLWAY

SUPER UP: 10 MINUTES LATER

Aiko and Connie's android body are stood outside Porter and Mika's room. They are in their flower-girl gowns and they look amazingly good.

MIKA(O.S.)
 Are you ready?

AIKO
 We're ready

MIKA(O.S.)
 Ok, here we come...

The door swings open and Mika and Ami step out and we get our first look at the two girls in their wedding dresses.

CONNIE
 You two look stunning

AIKO
 Simply amazing

With her veil lifted back, Ami looks amazingly stunning. The elegant wedding dress make her look even more beautiful than ever. Ami is blocking our view of Mika, we won't get a good look at her until the ceremony.

AMI
 (Smiling)
 Now don't you two look good Aiko
 smiles.

AIKO
 (Smiling)
 These outfits are superb, you
 made a good choice

Connie nods.

CONNIE
 Yeah, these are cool outfits
 (Beat)
 But you two are the most
 beautiful girls on Earth at this
 very moment

INT. SHAKHAN MANSION - LIVING ROOM

With the exception of Porter and Matthew, everyone is gathered in the living room.

BLADES

Ok, that's it, I'm going up there
and I'm dragging them down,
dressed or not

PORTER(O.S.)

It's ok Blades, we're here...

Porter and Matthew walk down the stairs, both of them look very smart in their suits.

MATTHEW

Joseph, as best man, you'll be
needing these....

Porter and Matthew hand him two jet-black ring boxes. One has a purple ribbon around it while the other one has a red ribbon.

JOSEPH

(Smiling)

I'll keep these safe until the
right time

He slips the ring boxes into his pocket. Blades points to the clock hanging on the wall.

PYRO

I believe it is time we got into
position Porter nods.

PORTER

Ok guys, let's get you two ready
(Beat)
Connie?

Connie's holographic body flickers to life.

CONNIE

Are you forgetting something?

Joseph frowns for a moment, then:

JOSEPH

Of course, the remembrance
ceremony, but do we have the time
for it?

Connie nods.

CONNIE

Despite you dragging your heels
in getting ready, we do have time

Joseph nods.

JOSEPH

Ok, let's so it

Everyone gathers around the circular coffee table.

CONNIE

We are all gathered here to day
for the ceremony of remembrance
which proceeds the marriage of
Porter to Mika and Matthew to Ami

(Beat)

Today we remember those who went
before us and the times that have
past us by but will be remembered
forever

(Beat)

Joseph, you are to be first
Joseph stands up.

JOSEPH

I remember our mother who could
not be here

Joseph sits down as Porter stands up.

PORTER

I remember RaptorCon

Porter sits down as Blades stands up.

BLADES

I remember the other Car Robots
who could not be here

Each of them picks up a drink.

JOSEPH

We now raise a glass to celebrate
the memory of those who are now
longer with us

They raise their drinks and toast to the memory of those no
longer with them.

EVERYONE

We will remember

They down their drinks.

JOSEPH
Well, if there is no other new
business, I suggest that we all
get to the ceremony

Porter smiles.

PORTER
(Smiling)
You and Aiko renewing your vows?

Joseph smiles at the joke.

JOSEPH
(Smiling)
Yeah, we've got that planned, but
today is about you and your
beautiful bride-to-be
(Beat)
Oh Connie....

CONNIE(V.O.)
Teleportation?

JOSEPH
If you please

CONNIE(V.O.)
And away you go...

They are all snatched out of the living room by the
familiar glow of the teleporters.

INT. SHAKHAN MANSION - HALLWAY

Aiko walks back upstairs and heads back to the others.

AIKO
Ok, the guys have gotten into
position

CONNIE
Everything is set and we have
sorted out a last- minute problem

MIKA
What was it?

CONNIE
Nothing to worry about, but it
has been sorted out, trust me

MIKA
Do the guys know?

CONNIE
Yes, I've informed the guys

AIKO
What was the problem?

CONNIE
(Smiling)
You'll see

MIKA
Ok, I think it's time

CONNIE
I agree
(To Mika and Ami)
Are you ready?

MIKA
I've never been more ready for
anything in my life

AMI
Same here

CONNIE(V.O.)
And away you go...

They are all snatched out of the hallway by the familiar glow of the teleporters.

EXT. SHAKHAN MANSION - REAR LAWN

Everyone is in their positions. The guests are assembled and everything is ready.

JOSEPH
(Off his watch)
Ok, I think it's time

BLADES
Are you two ready?

PORTER
I've never been more ready for
anything in my life

MATTHEW
Same here, this is the day I've
most wanted since I met Ami

Japanese wedding music (called gagaku) begins playing in the background. The holy man is standing in front with Porter and Matthew before him and Joseph standing in place as best man. A white, earthenware goblet sits on a table next to Joseph and Matthew.

ANGLE ON: MIKA

She is kneeling in prayer off to one side. She is wearing a semi-traditional Japanese wedding kimono of black silk, with a few modern touches. She looks absolutely stunning. Blades waits just behind her. Mika finishes her silent prayer to her ancestors and stands. Blades takes her arm and they walk toward Porter.

ANGLE ON: MIKA

As Blades and Mika move to Porter. Blades hands the bride to him and then he takes the goblet from the table and hands it to Mika. She drinks from it in three quick sips and then hands it to Joseph. He also drinks in three sips.

MIKA

Ready?

PORTER

You bet

AMI

Ready Matthew?

MATTHEW

Oh yes, I am ready

They turn to face the holy-man, which is none other than Pat.

PAT

(Off their confused looks)

You didn't think I was going to miss this wedding did you?

(Beat)

Now, what say we get you four love-birds married

EXT. SHAKHAN MANSION - REAR LAWN

FADE UP: ONE HOUR LATER

Porter and Mika and Matthew and Ami stand before Pat; who is finishing the wedding ceremony. Porter the best man to both couples while the maids of honor stand to the right.

PAT

I now pronounce you, husbands and wives

(Beat)

You may kiss your brides

Porter and Mika turn to face each other, as to Matthew and Ami. Porter and Matthew lift the veils of their brides and the newlyweds kiss each passionately. A cheer goes up from the assembled guests as the two new couples turn and faces their guests, smiling happily.

EXT. SHAKHAN MANSION - REAR LAWN

SUPER UP: 10 MINUTES LATER

Joseph stands up and gently bangs a knife on a glass, getting everyone's attention.

JOSEPH

Ladies, Gentlemen, robots and invited guests, if I could have your attention please. It is my honor to present to you, Mr and Mrs Shakhan and Mr and Mrs Shakhan

Porter, Mika, Matthew and Ami smile as their assembled guests clap at the newlyweds.

ISAAC

(Smiling)

We want a speech from, all of you
Porter smiles and stands.

PORTER

At the start of this year, I would not have believed you if you told me that I would be getting married to the most beautiful girl in all of Japan, I would have said that you were just messing around

(Laughter)

But that was before I met Mika

Porter looks at Mika and smiles at her, then continues with his speech:

PORTER (CONT'D)

Any doubts I had falling in love evaporated when I first laid eyes on her. And from that first glimpse of her at CyberTech HQ, I knew at once that she was the one I was to spend the rest of my life with

(To Mika)

(MORE)

PORTER (CONT'D)

Mika, I love you with all my
heart, I will be here for you now
and until the end of time. You
are my family

The guests cheer as Porter sits down, he leans over and
kisses his new bride, who then stands up to deliver her
speech.

MIKA

When I first met Porter, I was
not expecting to fall in love,
move in with him and that I would
make my new home in Westville

Mika glances at Porter then continues with her speech.

MIKA (CONT'D)

Not many girls can say that they
married one of the people
responsible for saving the world
from rampaging alien monsters

(Beat)

From the moment I first laid eyes
upon Porter, there was a spark
between us. That spark grew into
love and it is that love that
will keep us together forever

(To Porter)

I have loved you from the moment
we met, I love you now and I will
always love you forever more

The guests cheer as Mika sits down, she leans over and
kisses her new husband. Matthew stands up, it is his turn
to give his speech.

MATTHEW

When I first met Ami, she was a
reporter who had come to the
mansion to interview us, Joseph
was supposed to speak to her
first but he wanted to let
Rollbar eat her

(Laughter)

I decided that I had to deny
Rollbar his snack and I went to
speak to Ami, and when I laid
eyes on that beautiful reporter
sat in the living room, I felt my
heart skip a beat, it was love
and not heartburn caused by

Joseph's cooking Joseph laughs at the friendly joke.

JOSEPH
 (Smiling)
 My cooking isn't that bad, you
 survived didn't you?

Matthew laughs, then continues with his speech.

MATTHEW
 Ami melted my heart as soon as
 our eyes met. There is no other
 girl who would have that effect
 on me nor would I want there to
 be as I have found the one girl
 who completes me
 (To Ami)
 You are my soul, my life, my
 reason for existing

The guests cheer as Matthew sits down. He leans close and
 kisses her before she stands up to deliver her speech.

AMI
 I'm not much for speeches, but
 I'll do my best
 (Beat)
 When I was assigned the job of
 interviewing the Shakhan
 Brothers, I never thought I would
 end up falling in love with one
 of them. And after Matthew had
 saved me from becoming rollbar's
 breakfast, I knew he was the one
 for me
 (Laughter)
 Once I was off Rollbar's menu,
 Matthew began to have an effect
 on me...

Joseph laughs.

JOSEPH
 (Laughing)
 You dirty boy Matthew

Matthew laughs at the friendly joke, as does Ami.

MATTHEW
 (Laughing)
 I learned all I know from you

Joseph Ami smiles at Joseph.

AMI
 (Smiling)
 So it's your fault?

Joseph nods.

JOSEPH

Yes, but I am sorry for that

Ami laughs at the friendly joke, then continues with her speech.

AMI

When I fell in love with Matthew,
I knew that my life was complete
and that there was no other man
for me

(Beat)

I have know the sweet embrace of
true love and I will never let it
go

(To Matthew)

I love you Matthew with all my
heart

She sits down and kisses Matthew. Joseph stands to give his best man speech.

JOSEPH

If you had come to me at the
start of the year and told me
that Matthew would be marrying a
reporter, I would have said that
you had been at the old hooch

(Beat)

I would also have said that you
had been at the old hooch if you
told me that Ami would finally
make an honest man out of Matthew

(Laughter)

Well, I've been wrong before and
I am certainly glad to be wrong
now

The guests cheer.

JOSEPH (CONT'D)

Well Porter, not only have you
have been my trusted baby
brother; you have also been my
best friend

(To Matthew)

As have you Matthew

(To Mika)

I am honored to have you as a
sister-in-law Mika, I hope we
make you feel welcomed and loved

(To Ami)

I am happy to welcome you into
our family after having know you
for quite some time

(Beat)

We are family.

(MORE)

JOSEPH (CONT'D)
 Together we are stronger,
 together we will be for all time
 (Beat)
 My friends and more importantly,
 my brothers and my new sisters in
 law, here's to you They drink.

JOSEPH (CONT'D)
 (Smiling)
 And now, ladies and gentlemen, I
 present to you, the two new
 couples of Mr and Mrs Porter and
 Mika Shakhan and Mr and Mrs
 Matthew and Ami Shakhan.

The guests cheer as the two new couples stand up.

JOSEPH (CONT'D)
 (Smiling)
 Ok folks, go ahead and enjoy the
 party....

EXT. SHAKHAN MANSION - REAR LAWN

SUPER UP: 10 MINUTES LATER

The wedding reception is in full swing. The party guests
 mingle as a band plays. The others are dancing, or helping
 themselves to the impressive buffet. Porter is sat at a
 table, playing poker with Blades, Connie, and Isaac. Mika
 walks up to Porter and sits next to him.

BLADES
 (Placing Cards On Table)
 I believe this is a full house

PORTER
 That's four hands in a row. How
 does he do it?

BLADES
 I cheat

Joseph's head snaps up in shock.

BLADES
 (Continuing)
 I'm kidding

ISAAC
 (Smiling)
 I suspect conspiracy

BLADES
 You're just sour because you know
 You're SO CRAP at cards

ISAAC

Bite me

MIKA

(To Porter)

Ready for our honeymoon?

PORTER

Oh yes, I am as ready as I'll
ever be

ISAAC

You guys are gonna enjoy your
honeymoon

BLADES

A world cruise on the most
expensive ocean liner on Earth,
just the two of you. You're gonna
get down to some serious loving'

PORTER

You've got a dirty mind and you
happen to be correct

Holding hands, Matthew and Ami join them at their table.

MATTHEW

So Isaac, can you guys hold down
the fort while we'll be otherwise
detained?

ISAAC

With no monsters to fight, I
think so

BLADES

You four should forget about
monsters and alien invasions and
enjoy your honeymoon

MATTHEW

(Smiling)

We intend to

AMI

(Smiling)

Oh yes, that we do

BLADES

Remember, I want to see lots of
pictures when you get back

PORTER

Yes, pictures are a must

ISAAC

So, are you two couples sure you don't mind going on a joint honeymoon?

MIKA

(Smiling)

It will be fun, especially at night...

Matthew winks at Porter.

MATTHEW

Yeah, girl on girl action is always fun

The girls stare at he guys, who smile sheepishly.

PORTER

Oh come on, we're only kidding

MATTHEW

Yeah, we're only kidding

(Beat)

But we can THINK about it can't we

They laugh at the harmless joke. Aiko walks up to them.

MIKA

(To Porter)

May I have this dance?

PORTER

With pleasure

As they get up to dance, Porter looks to Ami

PORTER

Shall we?

AMI

Of course

They get up and join the others. The dancers hold each other gently as they sweep past the other dancing guests.

JOSEPH

(To Porter)

Mind if I cut in?

PORTER

(Grinning)

Not at all

He holds Joseph and begins to dance with him. They laugh and Joseph walks back to Mika.

JOSEPH
Care to dance beautiful

MIKA
(Smiling)
I'd love to

They gently hold each other and join the others, who are dancing and enjoying themselves totally, even the Car Robots

MIKA (CONT'D)
I love you

PORTER
And I, you

They kiss passionately.

BLADES
(Smiling)
Save something for the honeymoon

Matthew and Ami dance past them, also kissing passionately.

MATTHEW
The honeymoon is going to be the best time EVER

AMI
I agree

Joseph and Blades walk up onto the stage and Joseph whispers something to the band leader.

BLADES
Ok people, if I can have your attention...

JOSEPH
Since everyone is enjoying the celebrations, I thought I'd get into the swing of things and have some fun

The band then launches into a version of 'Climax Jump' by AAA.

BLADES
(Sings)
"Jikan no nami wo tsukamaete Ima
sugu ni yukou yakusoku no basho
Genkai mugen iza tobikome Climax
Jump! Ii jan! Ii jan! Sugee jan?!
Ii jan! Ii jan! Sugee jan?!"

The crowd is appreciative. Meanwhile, Porter and Matthew are anxious as kids to join the band.

PORTER
Can I, please?

MIKA
Yeah, can we, please?

MIKA (CONT'D)
(Smiling)
All right, go ahead, you've earned it

AMI
(Smiling)
Go on, show them how it;s really done

The two friends eagerly join the band. Matthew works the drums while Porter grabs the guitar, they start jamming with the orchestra. The song really swings.

JOSEPH
(Sings)
"Kanaetai yume ga aru nara
shinjinakucha negatta hibi wo
Catch the wave mayoisou na toki
kanarazu omoi no tsuyosa ga
michibiku Kimi ga nozomu mirai
sude ni In your hands"

The crowd gets into the swing of the song. All the guests dance and enjoy the celebration. We revolve away from the wedding and move off into the clear blue sky. Then ZOOM forward into the cosmos as the rousing Guardians theme explodes over END CREDITS.

THE END

END OF ACT SIX

FADE TO
CREDITS
