EXT. THE GROUNDS OF MAGIX - DAY

KEITH is walking along alone by himself. WALKER, holding a seemingly normal potted plant, comes up to him.

WALKER

Hey Keith, how was your summer?

KEITH

All right I guess. Professor Firebird let me stay here during the entire summer.

WALKER

Really? I never thought she would ever allow any students to stay over the summer.

KEITH

She did and I got even more experience with different creatures.

WALKER

Really like what?

A phoenix swoops down from the sky and lands on Keith's left arm.

KEITH

Like this.

WALKER

Isn't that-?

KEITH

Yes, it is Firebird's phoenix.

WALKER

She's actually letting you take care of that thing?

KEITH

Just for some practice.

PROF. FIREBIRD walks up to them from the distance.

PROF. FIREBIRD
Good morning boys.

KEITH AND WALKER
Good morning professor.

PROF. FIREBIRD
Enjoying your first day back?

WALKER
So far so good.

KEITH
Well, it's not like I actually left.

PROF. FIREBIRD
True enough Keith. How is Minerva doing?

KEITH
She's fine.

Minerva lets go of Keith's arm and flies over to Prof. Firebird.

PROF. FIREBIRD
Back to my office Minerva.

Minerva flies off of Prof. Firebird's arm and into the distance.

PROF. FIREBIRD
You two might want to get the main hall. Opening ceremonies for the year are about to commence.

KEITH
Yes headmistress.

Prof. Firebird leaves the area. Keith and Walker continue walking toward the castle. As they continue BOWIE comes up to them.

BOWIE
Hey guys.

WALKER
Bowie, how was your summer?

BOWIE
My parents took me to a magical retreat, and I got to practice some more complex potion making techniques than we'd learn here. What about you?

WALKER

Great. My parents actually got me a mandrake for my birthday.

KEITH

Is that what you're holding?

DRAKE pops up.

DRAKE

You better believe it.

WALKER

Everyone this is Drake, my mandrake.

DRAKE

Nice to meet'cha!

The three of them continue to walk toward the castle.

FADE OUT.

INT. THE MAGIX CASTLE - DAY

A professor leads the new first year students through the castle. The professor stops in front of the doors to the Main Hall

PROFESSOR 1

Welcome everyone to your first year at Magix. As you are well aware this is a school of magic and wizardry. My fellow teachers and I will be teaching all of you what you will need to know in order to become great wizards.

FIRST YEAR STUDENT 1

Is it true that every century that a group of students are chosen to become mages?

PROFESSOR 1

Everything that you have heard about that is true. And coincidentally enough a new group of student mages will be chosen this year.

FIRST YEAR STUDENT 2

How can we become mages?

PROFESSOR 1

Only students in their final year here at Magix can be chosen to become mages. Any more questions? (Pause) That is what I thought. This way please.

The professor leads the students into the Main Hall. Upper year students are already seated at their respective house's tables. The professor leads the students to the staff table at the end of the Hall. Prof. Firebird rises from her chair.

PROF. FIREBIRD

Welcome all to a new year of study at Magix. To our new first years I am Professor Athena Firebird, Headmistress of Magix. You first year students have been sorted into the Magix House that best suits your abilities.

FIREBIRD
(CONT.)

And with that said can I get the Goldenbird students to stand in front of the Goldenbird table, the Merfolk students to stand in front of the Merfolk table, the Pixee students in front of the Pixee table, the Taurus students in front of the Taurus table, and the Firebird students directly in front of me.

The first year students move to stand in front of their house's table. Prof. Firebird pulls out her Wand Morpher (in wand mode).

PROF. FIREBIRD
Arthraigh, teicniocht, marbhan!

Prof. Firebird zaps the Goldenbird students with the wand to change their clothes to the Goldenbird uniform. She does the same for the remaining houses.

PROF. FIREBIRD
You may now take your seats. As you are well aware it has been one hundred years since the last group of student mages were chosen, and this year a new group shall emerge. However the position of student mage is only open to students in their final year. These students must possess the predisposition to hold such power. Students may write their names down on pieces of paper in his or her house's common room, and then carefully place the paper within one of the five Chalices of Flame. And to make sure that only names final year students are in the Chalices, a magical barrier has been placed around the Chalice that will block out any lower year students. I will place these barriers personally, and the spell cannot be fooled. So enjoy your year at Magix, and now let the Start of Year Feast commence.

She waves her hands and food appears on the tables. The students start to dig in.

FADE OUT.

EXT. KING MECHANOS' PALACE UNDER THE EARTH - DAY

NHYMERA flies through the open spaces underneath the Earth. She eventually comes into the central court of the palace. MECHANOS sits in his throne.

NHYMERA

Everyone I have returned from my scouting mission with good news. Good evening King Mechanos.

MECHANOS

Good evening Nymera.

NHYMERA

Sire, it seems that the barrier that was placed on us one hundred years ago is now weakened. We can start making small attacks on the planet's surface.

MECHANOS

Excellent.

Mechanos slams the tip of his sword onto the ground. He gets up, and walks over to where Nhymera is standing.

MECHANOS

My loyal subjects, it has been too long since we have been imprisoned beneath the planet's surface! Earth shall be rightly ours once we destroy that insipid school and their small group of student mages. Let the destruction of Magix commence!

The gathered hoards cheer upon hearing the speech. WOLZARD listens from the distance.

FADE OUT.

FADE IN:

INT. THE MAIN HALL - NIGHT

Keith, Walker, Bowie, and Drake are sitting at the Firebird table.

BOWIE

Now Walker, don't get me wrong but isn't the name "Drake" a little uncreative for a mandrake?

DRAKE

Hey! I like it.

WALKER

Well it kind of is, but that's the name my dad gave him. But it doesn't matter either way, because like Drake said, he likes his name.

KEITH

So what do you guys think of the whole mage thing?

BOWIE

I think I'm going to do it.

WALKER

Me too. What about you Keith?

KEITH

I'm considering it.

MARIA, and ABBY walk into the hall.

ABBY

Hey guys.

MARIA

What are you doing?

WALKER

We were just talking about the new mages.

ABBY

Oh yeah, I've all ready put my name into the Pixee chalice.

MARIA

And I've all done the same in the Merfolk common room. Are you guys thinking of doing it too?

BOWIE

Actually I think I'll put my name in before I go to bed tonight.

WALKER

Me too.

ABBY

What about you Keith?

KEITH

I don't think Firebird will let me.

BOWIE

What do you mean? It's not like she's your mother.

WALKER

Besides, if anyone here deserves to be one of the mages it's you.

DRAKE

Just do it Keith.

MARIA

What is that thing?

Maria points to Drake.

DRAKE

I'm Drake.

WALKER

He's my new mandrake. It was a birthday present from my parents.

ABBY

It's actually kind of cute, in a leafy sort of way.

DRAKE

Thanks. You're not so bad yourself.

Abby gives a nervous laugh. Walker checks his watch.

WALKER

It's getting kind of late. Maybe we should all go to bed.

MARIA

Yeah, we've got a big day tomorrow.

BOWIE

Well it's not like the first day of classes, have anything of importance.

ABBY

I'm getting kind of tired anyway.

KEITH

Besides a teacher is bound to come by and tell us to go to bed anyway.

Walker grabs Drake's pot. Drake lowers himself to show only his leaves. Keith, Walker, and Bowie get up and all five leave the Hall.

INT. THE FIREBIRD COMMON ROOM - NIGHT

Keith approaches the Chalice. He grabs a piece of paper and writes his name on it. He places it in the Chalice.

KEITH

Well mother, I know you won't like this, but it's time for you to accept the fact that your little boy has grown up.

FADE OUT.

FADE IN:

INT. PROF. FIREBIRD'S OFFICE - DAY

Prof. Firebird sits at her desk doing some paperwork. Minerva flies up to a window. The phoenix pecks at the window.

PROF. FIREBIRD

Minerva, what do you have for me?

Prof. Firebird gets up and goes over the window that Minerva is at. Prof. Firebird opens the window. Minerva flies in and hovers over Prof. Firebird's desk clutching a scroll in her right foot. Prof. Firebird takes the scroll and Minerva flies away. Prof. Firebird unravels the scroll. Upon reading it she sets the scroll on her desk. A professor comes into the office.

PROFESSOR 2

Headmistress, have you...

PROF. FIREBRID

I have just read a scroll telling me about it.

PROFESSOR 2

What are you going to do?

PROF. FIREBIRD

I will handle the troll personally. I want you to inform the school of what is going on.

PROFESSOR 2

Yes headmistress. Anything else?

PROF. FIREBIRD

Also inform every student in their final year that the mages will be chosen within the week. With these attacks starting to happen we need the five mages immediately.

PROFESSOR 2

Yes head mistress.

The professor and Prof. Firebird leave the office.

EXT. THE GROUNDS OF MAGIX - DAY

Prof. Firebird arrives on the scene as the troll draws nearer to the castle. Keith's "Care of Magical Creatures" class watches the scene. Once the troll has come close enough to Prof. Firebird she pulls out her Wand Morpher (in phone mode). She opens it up and hits the button to convert it to wand mode. She enters "1, 0, 6" on the phone pad.

PROF. FIREBIRD

Magix metamorphosis! Arthraigh, duine,
marbhan!

She raises her Wand Morpher up to the sky and hits the "ENTER" button. An energy beam is released into the sky and she morphs into the White Ranger. The troll grabs a tree, rips it out of the ground and hurls it at Prof. Firebird. Prof. Firebird takes out her Wand Staff and aims it at the tree.

PROF. FIREBIRD

Solas!

A magical beam is shot out of the staff, and the tree disappears. Prof. Firebird then points her Staff at the troll.

PROF. FIREBIRD

Teicniocht, solas!

Another beam shoots out of the Staff. The beam causes the troll to turn to ice. The troll breaks apart. Prof. Firebird demorphs and walks up to the class that had witnessed the event.

PROF. FIREBIRD

All of you, that was the power of the mages. The mages shall be decided by the end of the week so if you want to become one, hurry up and put your name in. That is all.

Prof. Firebird turns around and heads back for the castle.

FADE OUT.

FADE IN:

INT. PROF. FIREBIRD'S OFFICE - NIGHT

Prof. Firebird enters carrying the five Chalices of Flame on a tray. She places each one underneath its House banner. She draws her Wand Morpher (in wand mode) and points it at the Goldenbird Chalice.

PROF. FIREBIRD
Draiocht, teicniocht!

A beam of magic comes out of the wand and hits the Chalice. A piece of paper jumps out. Prof. Firebird opens it up and Bowie's name is written on it. She does the same for the Merfolk Chalice, a piece of paper jumps out. This time Maria's name is on it. She goes onto the Pixee Chalice, and Abby's name appears on the paper. She goes onto the Taurus Chalice and Walker's name is on the piece of paper. Finally she moves onto the Firebird Chalice and she picks up the piece of paper. Upon reading she leaves the office with the paper lying on the table.

INT. THE MAIN HALL - MORNING

All students and teachers gather within the Hall. The students sit at their respective House tables. Prof. Firebird stands up.

PROF. FIREBIRD
Good morning all. As you are well aware the time to choose the new mages is at hand, and I have the names of the five. However today I will only announce the names of the mages from Taurus, Goldenbird, Merfolk, and Pixee. I would like to talk to the one chosen from Firebird on my own. But moving along the mage for Taurus is Walker Crowe. The mage for Goldenbird is Bowie Davis. The mage for Merfolk is Maria Reeve. Finally the mage for Pixee is Abby Slater. Could the mages please approach the teacher's table?

Walker, Bowie, Maria, and Abby get up from their seats and approach the teacher's table in front of Prof. Firebird. Prof. Firebird points her wand at the four of them.

PROF. FIREBIRD
Arthraigh, teicniocht, marbhan!

A golden wave passes over them as the Mage Cloaks are formed over top of their uniforms. A tray containing four Wand Morphers (in phone mode) materializes.

PROF. FIREBIRD

This new set of set of mages shall be given devices known as Wand Morphers. The Wand Morphers are disguised as what mortals would call "cell phones".

Prof. Firebird grabs the morpher on the far right.

PROF. FIREBIRD

Walker, with the power of the Minotaur; become the emerald mage of earth.

She hands Walker the morpher. She grabs another morpher.

PROF. FIREBIRD

Bowie, with the power of the garuda; become the golden mage of thunder.

She hands Bowie the morpher. She grabs another morpher.

PROF. FIREBIRD

Maria, with the power of the mermaid; become the azure mage of water.

She hands Maria the morpher. She grabs the final one on the tray.

PROF. FIREBIRD

Abby, with the power of the fairy; become the rose mage of wind.

She hands Maria the morpher. At the Firebird House table a small folded, piece of paper materializes in front of Keith. Keith unfolds it, and reads the message "I want to talk to you in my office after the ceremony. - Prof. Firebird".

PROF. FIREBIRD

Four new mages have been chosen and given their powers for the time being. These mages have to power to transform into a super human fighting force known as the Power Rangers. The mage ceremony is complete. As a special bonus for this momentous occasion, I have canceled all classes today and you may all have a day off.

All the students cheer upon hearing the news.

INT. PROF. FIREBIRD'S OFFICE - DAY

Prof. Firebird sits at her desk. A knocking is heard at the door.

PROF. FIREBIRD

Come in.

Keith enters.

KEITH

You wanted to see me professor?

PROF. FIREBIRD

Yes I wanted to talk to you about the mages.

KEITH

What about the mages?

PROF. FIREBIRD

You are the mage for Firebird House.

KEITH

Really? I am?

PROF. FIREBIRD

I however do not want you to be the mage of Firebird house.

KEITH

Why not?

PROF. FIREBIRD

I am afraid that you could harm yourself in being a Ranger.

KEITH

Professor...

PROF. FIREBIRD

There is no one around. You do know that you can call what you would normally call me.

KEITH

But mother, why?

PROF. FIREBIRD

You are my baby Keith; just call it mother's intuition.

KEITH

But I think I could make a good mage.

PROF. FIREBIRD

I have no argument there, but I am just afraid of what could happen to you.

Prof. Firebird's Wand Morpher rings. She answers.

PROF. FIREBIRD

Hello? I will send the Rangers at once.

She hits the end call button. She then dials another number.

PROF. FIREBIRD

Rangers, strange creatures have been reported to appear near the far south end of the castle. Go there at once.

She ends that call.

PROF. FIREBIRD

Now where were we?

KEITH

You don't want me being a mage.

PROF. FIREBIRD

That is my final word, unless you can do something to prove me wrong about you.

KEITH

Fine mother, I will.

Keith storms out of the office.

PROF. FIREBIRD

(TO HERSELF)

Just relax Athena; it is not your fault he is just too much like his father.

She looks over to her left at a picture of her, Keith and her husband as a happy family, and gives a small sigh.

FADE OUT.

FADE IN:

EXT. THE FAR SOUTH GROUNDS OF MAGIX - DAY

Walker leads, Bowie, Abby, and Maria to the location. As they arrive a small platoon of Infelshias appears.

BOWIE

What are those things?

ABBY

I don't know, but they sure are disgusting.

MARIA

Couldn't agree with you more.

WALKER

Whatever they are, they're probably up to no good.

BOWIE

So let's morph.

They open up their Wand Morphers (in phone mode) and hit the button to convert them into wand mode. They dial "1, 0, 6".

ALL

Magix Metamorphosis! Arthraigh, duine, marbhan!

They raise their Wand Morphers and hit the "ENTER" button. They morph.

WALKER

With the power of earth, the emerald mage, Green Ranger!

Walker strikes a pose.

ABBY

With the power of wind, the rose mage, Pink Ranger!

Abby strikes a pose.

MARIA

With the power of water, the azure mage, Blue Ranger!

Maria strikes a pose.

BOWIE

With the power of thunder, the golden
mage, Yellow Ranger!

Bowie strikes a pose. Keith comes running up to the scene.

KEITH

They morphed.

The Infelshias charge at them. The Rangers run up to them to fight. Walker picks up a stick, and throws it toward the group he is fighting.

WALKER

Wand Staff; teicniocht, duil!

A magical beam is shot out of the Staff as the stick splits and ties up the Infelshias. Walker then moves the M shaped part of the Staff to the bottom end. He turns it so that the M shaped part is vertical.

WALKER

Wand Staff, Minotaur Axe!

The M shaped part grows bigger.

WALKER

Minotaur Smash!

Walker hits the ground with the Axe, which causes a green energy beam to be released from the axe, and heads to the tied up Infelshias. Walker then attacks the Infelshias with the Axe.

WALKER

Checkmate!

The Infelshias fall down and explode. At a different area, Maria stands on a small pond. Infelshias surround the shore.

MARIA

It's showtime!

Infelshias start to come closer.

MARIA

And now it's time for this.

She draws her Staff, and raises it to the sky.

MARIA

Draiocht, duil! Mermaid Splash!

Water rises up and splashes the Infelshias. One Infelshia rises up and comes up to her. She attacks the Infelshia with the staff. The Infelshia flies back.

MARIA

And that's what you get for playing with water!

At a different area Abby draws her Staff.

ABBY

Watch this!

She waves her Staff in a circular motion.

ABBY

Arthraigh...marbhan!

She turns into an electric fan.

ABBY

It's a Pink Ranger fan, isn't it cute?

Infelshias start to come closer.

ABBY

Wind blow, Fairy Storm!

The blades on the fan start to move and soon enough a very strong wind blows on the Infelshias knocking them down. Abby reverts to her regular Ranger self.

ABBY

And that's how it's done!

In a separate area from the other three Bowie is fighting his own group of Infelshias.

BOWIE

Wand Staff! Draiocht, arm! Garuda Crossbow!

Bowie slides the M shaped part to the opposite end of the staff. The M shaped part charges its shape into an arrow-like shape. Bowie aims at the Infelshias.

BOWIE

Garuda Thunder!

Lightning bolts are fired from the Crossbow. They hit the Infelshias, and they Infelshias fall down.

BOWIE

Not bad.

Keith watches from the distance.

KEITH

Great job, guys.

Keith notices something in the distance. The sky darkens, some lighting flashes, and the words "labhe, dolon" can be heard as Wolzard appears at the scene. Wolzard looks over to see Keith but ignores him. Wolzard then moves toward where the Rangers are located.

WALKER

Who or what is that?

MARIA

I don't know.

WOLZARD

Labhe, dolon!

The Wolf Shield forms in his left hand. Wolzard draws the sword out.

ABBY

What kind of a spell was that?

MARIA

Is he a mage too?

WOLZARD

Born in shadow. Clad in darkness. The black magic knight, Wolzard!

A panel on the shield opens up to reveal an eye-like jewel.

BOWIE

Black magic knight?

MARIA

Wolzard?

WOLZARD

Howling Wolf; halosis, gangalos, thursos!

Wolzard performs the "Howling Wolf" attack. The attack hits the Rangers knocking them to the ground. Wolzard moves in closer to the Rangers. He takes his sword, raises it above Walker's head, and just as he is about to lower it, Keith kicks a rock at Wolzard. Keith rushes over.

KEITH

You are not going to hurt my friends.

WOLZARD

Fine, then I will hurt you.

Wolzard raises his sword, and lowers his sword. Keith raises his hands to try to catch it.

INT. PROF. FIREBIRD'S OFFICE - DAY

Prof. Firebird looks at a crystal ball, showing the happenings with the Rangers.

PROF. FIREBIRD

You are ready for the power Keith. With the power of the phoenix, become the crimson mage of fire.

A magical beam shoots out of her Wand Morpher (in wand mode).

EXT. THE FAR SOUTH GROUNDS OF MAGIX - DAY

As Keith catches the sword, the magical beam hits him and a Mage Cloak forms over him. A Wand Morpher materializes in his right hand. Keith takes a look at himself, as Wolzard falls back. Keith takes off the Cloak, and opens up the Morpher. He converts the morpher to wand mode.

KEITH

Magix Metamorphosis! Arthraigh, duine, marbhan!

Keith morphs.

KEITH

With the power of fire, the crimson mage, Red Ranger!

WOLZARD

The crimson mage?! Get him!

A small group of Infelshias appears.

KEITH

Don't worry guys. Leave this one to me.

Keith goes over to fight the Infelshias. An Infelshia jumps to attack him.

KEITH

Wand Staff, teicniocht, marbham!

A magical beam shoots out of the end of Keith's Staff changing it into a ball. Keith kicks the Infelshia ball at the other Infelshias. It does some damage. The ball bounces back to Keith. Keith continues to kick the ball at the Infelshias.

KEITH

Great, you guys are going to be finished.

Keith takes his Staff and moves the M shaped piece slightly up.

KEITH

Phoenix Sword!

A blade extends from the end of the staff. Keith then attacks the Infelshias with it. The Infelshias fall back and form a wall of sorts a short distance away from Keith. Keith charges at them. He then jumps up, and extends his arms out.

KEITH

Duine, duil! Phoenix Crash!

Flames engulf Keith's body as he flies toward the Infelshias attacking them with the attack. The Infelshias fall down and explode.

KEITH

I did it!

The other Rangers come up to him.

WALKER

You did it!

BOWIE

Great work.

WOLZARD

Not bad Red Ranger.

The Rangers look up and see Wolzard standing on a cliff.

KEITH

You're next Wolzard!

WOLZARD

Really?

Wolzard turns around.

WOLZARD

Labhe, gangalos, dolon! Valkyrie Zord,
come forth!

A portal opens up on the ground as the Valkyrie Zord gallops out. Wolzard jumps up.

WOLZARD

Allaxima, gangalos, meros!

Wolzard grows to a giant size. He then combines with the Valkyrie Zord.

WOLZARD

Allaxima, halosis, henosis! Valkyrie
Zord, Centaur Mode!

Wolzard lifts his front legs.

KEITH

We've got to fight that thing somehow.

Keith attempts to rush out to stop Wolzard, but Bowie stops him.

BOWIE

And just how to you plan on defeating
that thing?

KEITH

I don't know, but I'll find a way.

BOWIE

He's too big we need to retreat.

KEITH

What kind of a Ranger are you?

BOWIE

One that's cautious.

KEITH

Oh, please.

Walker, Abby, and Maria try to run away, but they notice Keith and Bowie arguing.

WALKER

C'mon guys we need to go!

Walker starts to run toward Keith and Bowie, but a few shots are fired from a distance. The Rangers turn around and look up to see Prof. Firebird (morphed) on top of a cliff.

PROF. FIREBIRD
Teicniocht, solas!

Prof. Firebird teleports Keith and Bowie over to where Walker, Abby, and Maria are located.

PROF. FIREBIRD
Arthraigh, duine, duil!

Prof. Firebird grows to giant size, and confronts Wolzard.

PROF. FIREBIRD
Draiocht, ionsaigh!

Prof. Firebird fires a few shots from her Staff. Wolzard blocks it with his shield.

MARIA
I don't know what it is, but I've got a bad feeling about this.

Prof. Firebird charges at Wolzard, only to receive multiple hits from Wolzard's front legs. Prof. Firebird falls back. She tries attacking Wolzard, but he keeps blocking the hits.

PROF. FIREBIRD
I cannot let someone who uses black magic attack Earth.

WOLZARD
Pathetic sentiment. No matter how hard you try to stop it, dark creatures will conquer the surface. Halosis, gangalos, thursos!

Wolzard does Howling Wolf. The attack hits Prof. Firebird, and she goes flying back. Wolzard charges at her, jumps up, and gives her a hard blow with his staff. Prof. Firebird receives too much damage and vanishes. Her Staff falls into the ground vertically, and shrinks to human size. The Rangers rush over to the staff, and power down. Wolzard vanishes.

ABBY
Where is she?

WALKER
I don't know, but hopefully she's alive.

KETIH
She's alive. I can sense it.

BOWIE

Like you could sense that Wolzard
wouldn't destroy you back there?

KEITH

Shut up, I thought we had a chance.

MARIA

Guys don't start. We need to find
Firebird, and take her to the
infirmary.

KEITH

Okay, we'll slit up. Whoever finds her
first is the one who has to contact
everyone else on the morphers.

Everyone goes off into separate directions. Walker, Bowie,
Abby and Maria have no luck. Keith eventually finds Prof.
Firebird lying on the ground. S. ESTRANGE comes up her.

S. ESTRANGE

Headmistress, wake up.

KEITH

Professor Estrange, what are you doing?

S. ESTRANGE

The entire school knows about what
happened. As soon as I found out, I
quickly picked up a small vial of a
rejuvenation potion and came out here
to find her.

KEITH

Well don't just stand there, give it to
her.

S. ESTRANGE

Do not order me boy! While you may be
the Red Ranger, you are still a
student, and I am a teacher. Besides
she is also unconscious.

S. Estrange reaches into a satchel he is carrying, and
takes a pinch of a blue powder. He sprinkles the powder
over top of Prof. Firebird. The powder causes Prof.
Firebird to regain some consciousness. S. Estrange takes
out a vial and makes Prof. Firebird drink the contents. A
red wave of magic goes throughout her body. She wakes
further.

PROF. FIREBIRD

Sloan, what are you doing here?

KEITH

Professor, you were badly injured in a fight between someone named Wolzard.

PROF. FIREBIRD

Wolzard? This is more serious...

S. ESTRANGE

Headmistress, please save your strength, we need to get you to the infirmary.

PROF. FIREBIRD

Yes. Keith, call the other Rangers, and tell them to meet us in the infirmary.

Keith takes out his Wand Morpher (in phone mode).

KEITH

Guys, head to the infirmary. I've found her.

FADE OUT.

FADE IN:

INT. THE INFIRMARY - DAY

The Rangers gather around Prof. Firebird's bed. Prof. Firebird has recovered a great deal all ready.

WALKER

Who was that?

PROF. FIREBIRD

That was Wolzard; he is a servant to King Mechanos.

BOWIE

Okay, then who's King Mechanos?

PROF. FIREBIRD

King Mechanos is the ruler of a group of dark wizards who the previous mages were able to seal beneath the surface of the Earth one hundred years ago. It appears that the seal is losing its hold, which would explain how they got to the surface.

MARIA

How exactly did Mechanos get sealed?

PROF. FIREBIRD

One hundred years ago, I and the other four mages prevented Mechanos from unleashing a great evil onto the world. To try to prevent him from coming back, we placed a seal on him and his minions. But the seal must either be broken or weakening. Either way the five of you must stop Mechanos' attacks.

ABBY

But what makes you think that we can do it?

PROF. FIREBIRD

The five of you were chosen to be the mages for a reason.

WALKER

And that reason would be?

PROF. FIREBIRD

Although Keith is the only who knows it, but all of you are descended from the five founders of Magix. However Keith is the only one who retains the name of his ancestor.

WALKER

Wait a minute. Keith, I thought your name was Phoenix.

BOWIE

So that means that Firebird is...

PROF. FIREBIRD

That is correct. Keith is in fact my son.

MARIA

But why tell everyone else that Keith had a different name?

KEITH

My mother was afraid that when I came here in my first year, the other professors would treat me differently because I was the son of the headmistress.

PROF. FIREBIRD

But Keith's relationship to me is not important right now. What is important is that the five you defend the surface world from Mechanos' hordes. Who is fully confident in their abilities?

KEITH

You don't even have to ask mother.

WALKER

I'm in too.

MARIA

So am I.

PROF. FIREBIRD

Bowie, Abby what about you?

BOWIE

After seeing you go down like that headmistress, I'm not too sure.

ABBY

Neither am I.

PROF. FIREBIRD

I will give the two of you time to
think about this.

The Wand Morphers go off to signal a new attack. Walker and
Maria open theirs.

WALKER

Something's attacking Gandalf City.

KEITH

Is it Wolzard?

MARIA

It looks like two things.

PROF. FIREBIRD

Either way Rangers you must go to stop
it.

KEITH

You can count on us mother.

Keith, Walker, and Maria rush out of the infirmary.

PROF. FIREBIRD

Be careful Rangers.

FADE OUT.

FADE IN:

EXT. DOWNTOWN GANDALF CITY - DAY

NIGHT and MARE watch over various people living their lives from a rooftop.

NIGHT

Look at those insects.

MARE

Pathetic aren't they Night?

NIGHT

They sure are Mare.

MARE

Things will be so much better when
Mechanos rules the surface.

They walk around on the roof.

NIGHT

Yes they certainly will.

MARE

So what do you say Night?

They stand side-by-side and look at the camera.

NIGHT AND MARE

Let's do it!

Night and Mare begin to attack the city. The people completely evacuate the area. Eventually Keith, Walker and Maria confront them on a street.

WALKER

Who are they?

MARIA

They look human.

NIGHT

We're not human.

WALKER

Then you're two of Mechanos' cronies.

NIGHT

What should we do Mare?

MARE

What should we do indeed?

NIGHT AND MARE

Let's do it!

Night and Mare combine into Nhymera.

NHYMERA

This is my true form. The dark winged
spy, Nhymera.

KEITH

Nhymera?

NHYMERA

Well since we're all here, why don't we
all play?

Nhymera's wings extend, and she flies over to the three
Rangers. She shoots energy beams at them. The Rangers dodge
the beams. Nhymera flies higher into the sky to make
another swoop at the Rangers.

KEITH

Guys, we need to morph.

WALKER

Couldn't agree more.

KEITH, WALKER AND MARIA

Magix Metamorphosis! Arthraigh, duine,
marbhan!

The Rangers morph. Nhymera swoops in and fires energy beams
at the Rangers. The beams hit the Rangers and they fall
down. Nhymera grabs the Rangers and flies away.

FADE OUT.

INT. THE INFIRMARY - DAY

Bowie and Abby continue to sit around. Prof. Firebird is still in her bed. A knocking is heard at the door.

PROF. FIREBIRD

Come in.

A professor comes in.

PROFESSOR 3

Headmistress these just came for the Rangers.

Bowie and Abby get up and look at what the professor is holding.

BOWIE

We're getting broomsticks?

PROF. FIREBIRD

Of course, you will be needing some sort of transportation will you not?

ABBY

Bowie look they each have ribbons with our colors on them. Can...

PROF. FIREBIRD

You may.

The professor hands Bowie the broom with the yellow ribbon, and Abby the broom with the pink ribbon.

PROF. FIREBIRD

Why do you not try them out? You can fly around the grounds of Magix all you want.

EXT. THE GROUNDS OF MAGIX - DAY

Bowie and Abby take their brooms to the central courtyard of Magix. They both place them on the ground.

ABBY

How do we do this again?

BOWIE

Stand to the left of the broom, stick out your right hand, and say "up".

They both stand to the left of their brooms and stick out their right hands.

BOWIE AND ABBY

Up!

The brooms fly up into their hands. They grasp the handle and straddle the stick. They take off and fly around the grounds of the school. After a while they touch down to the ground.

ABBY

That was amazing.

BOWIE

I wonder.

ABBY

What?

BOWIE

What would happen to the brooms if we morphed?

ABBY

There's only one way to find out.

They pull out their morphers and convert them to wand mode.

BOWIE AND ABBY

Magix Metamorphosis! Arthraigh, duine, marbhan!

They morph. As a result of the morphing, the brooms automatically transform into Broom Jets.

ABBY

Wow, they transformed into some kind of jet.

BOWIE

What's a jet?

ABBY

I forgot that you were from an all-magic family.

Their morphers give off a warning signal. Bowie opens his.

BOWIE

It looks like Keith, Walker and Maria are in trouble.

ABBY
Well let's do it.

They both get onto their Jets and fly off.

INT. THE INFIRMARY - DAY

Prof. Firebird watches Bowie and Abby take off.

PROF. FIREBIRD
I knew they would come around.

She goes back to her bed.

FADE OUT.

EXT. A QUARRY - DAY

Nhymera still holding onto Keith, Walker, and Maria flies into the quarry. There the Gluttonous monster arises from the ground.

WALKER

It's some kind of blob monster.

NHYMERA

Excellent! Gluttonous has arisen.
Gluttonous, these punks are all yours!
Have a nice meal out of them.

Nhymera throws the three of them into the mouth of the monster. The monster swallows them. The monster sits down and rubs its stomach. It makes a "yummy" sound. In the distance Bowie and Abby continue to fly on the Broom Jets until eventually arriving at the scene.

ABBY

Where'd everybody go?

They stop flying and hover in mid-air. Bowie takes out his morpher in phone mode.

BOWIE

Guys it's me. Where are you?

KEITH

You're too late. The monster has
swallowed us.

BOWIE

What?!

ABBY

Allow me.

She flies closer to the monster, and circles around it to get it to stand.

ABBY

Arthraigh, marbhan!

She jumps off of her Jet, and pulls out her Wand Staff. She waves it in a circular motion. She changes herself into a peppershaker.

ABBY

This should really spice things up!

She shakes herself to sprinkle the pepper onto the monster. Once the monster has come into contact with the pepper it sneezes Keith, Walker and Maria out. They land on the ground. Abby reverts back to her Ranger form. She joins the other Rangers.

ABBY

Hey guys.

The monster continues to sneeze.

KEITH

What the heck is that guy?

Bowie flies overhead to get closer to the monster.

BOWIE

It's time to show this thing what the Rangers can really do!

He draws his Wand Staff. The monster shoots some globs of goo at him, but Bowie dodges them. He stands on his Jet. He converts his staff.

BOWIE

Garuda Crossbow!

He aims his Crossbow at the monster and fires at few shots at it. He then swoops past the monster and joins the others.

WALKER

You did it Bowie!

KEITH

Shame you weren't here from the beginning.

BOWIE

Who do you think saved you?

The ground shakes as the monster rises again.

WALKER

So he wasn't defeated.

BOWIE

C'mon guys let show this guy what the five mages can do.

WALKER

The emerald mage, Green Ranger!

Walker strikes a pose.

ABBY

The rose mage, Pink Ranger!

Abby strikes a pose.

MARIA

The azure mage, Blue Ranger!

Maria strikes a pose.

BOWIE

The golden mage, Yellow Ranger!

Bowie strikes a pose.

KEITH

The crimson mage, Red Ranger!

Keith strikes a pose. The Rangers jump up to a cliff.

KEITH

The power of the five mages wins over
all evil.

ALL FIVE RANGERS

Power Rangers...Magix!

They all strike new poses. Their morphers rise up, convert
to wand mode, and hover in front of them.

ABBY

The morphers, we've received a new
spell.

KEITH

All right guys let's use it!

ALL FIVE RANGERS

Magix Zord Forms!

They dial "1, 0, 7" on the keypad.

ALL FIVE RANGERS

Magix Zord Metamorphosis! Arthraigh,
duine, duil!

They hit enter on the keypad and morph to Zord Form. Walker
morphs into the Minozord.

WALKER

Minozord!

Abby, morphs into the Fairyzord.

ABBY

Fairyzord!

Maria morphs into the Merzord.

MARIA

Merzord!

Bowie morphs into the Garudazord.

BOWIE

Garudazord!

Keith morphs into the Phoenixzord.

KEITH

Phoenixzord!

ALL FIVE RANGERS

Magixzords ready for action!

Nhymera lands.

NHYMERA

Oh no...

She splits into Night and Mare.

NIGHT

What are they?

MARE

Why'd they become that?

The monster fires some goo at the Zords, but it is ineffective.

KEITH

Let's go Bowie!

BOWIE

You got it!

Keith charges at the monster from the ground while Bowie charges at the monster from the sky.

BOWIE

Let's show this thing the true power of the five mages!

KEITH

Don't underestimate us monster!

Bowie fires some energy beams from his eyes. The beams hit the monster.

BOWIE

Wing Flap!

Bowie flaps his wings at the monster to hit it. The monster falls down. Keith, charges at the monster, jumps up, spins and lands a spinning kick on the monster.

KEITH

Phoenix Kick!

Keith lands and charges at the monster. He slashes it with his sword. Keith stops and Bowie lands beside him.

KEITH

My whole body is overflowing with magical energy.

BOWIE

Hey Walker!

WALKER

All right, let's do this using everyone's talents!

Abby flies up a bit.

ABBY

Arthraigh marbhan...Magix Orb!

She converts herself into an orb. Walker catches her, and flings the orb over at Maria who has converted her legs into a fishtail. Maria jumps out of some water and bounces Abby off of the tail to Bowie. Bowie catches Abby in his wings, and passes her over to Keith. Keith runs along the ground, jumps up and kicks Abby at the monster.

KEITH

Magix Shot!

Abby goes flying at the monster. She hits it. The monster falls down and explodes. She reverts back to her Zord Form. The Rangers gather together.

WALKER

Combined there's nothing the five of us can't do!

ABBY

Because...

ALL
We're the Power Rangers!

Night and Mare look up at the Rangers.

NIGHT AND MARE
This isn't good! We'll remember this,
Rangers!

They combine into Nhymera again. Nhymera flies off.

INT. MECHANOS' LAIR - DAY

Mechanos sits in his throne.

MECHANOS
Annoying mages!

Wolzard looks up. A noise comes out from the central portal.

MECHANOS
Lord Demos is angry.

Mechanos, Wolzard, and Nhymera go over to the portal. They salute Demos who is within the portal.

FADE OUT.

INT. THE MAIN HALL - DAY

All Magix students sit at their tables. The staff sits at their table. The Rangers enter the room. All of the Magix students rise and applaud the Rangers. Prof. Firebird rises from her seat.

PROF. FIREBIRD

May I have you attention please?

The students stop and sit down.

PROF. FIREBIRD

Rangers, allow me to be the first to congratulate you on your first victory. Many paths lie on the road that the five of you are about to journey down, and may the five of you be successful every time.

Everyone in the room gets up and applauds again. Prof. Firebird hushes the crowd again.

PROF. FIREBRID

Bowie, Abby the two of you had doubts about being mages earlier. How do you feel now?

BOWIE

Like I could take on Mechanos and all of his minions!

ABBY

Mechanos won't know what hit him when we're through.

PROF. FIREBIRD

Excellent. Rangers, may the magic protect you always!

The Rangers split off and take seats at their tables. A feast commences.
