"POWER RANGERS MAGIX: EPISODE 14 - MOONLIGHT"

FADE IN:

EXT. THE GROUNDS OF MAGIX - MORNING

A delivery guy walks through the main courtyard passing by a few students. The delivery guy eventually enters the castle. He walks throughout the hallways until eventually standing in front of the doors to the main hall. A few students pass by him as he stands around looking somewhat dumbfounded. Eventually KEITH passes by him.

DELIVERY GUY

Excuse me.

KEITH

Yes?

DELIVERY GUY

I'm looking for either Athena or Keith Firebird.

KEITH

I'm Keith Firebird.

DELIVERY GUY

Excellent.

The delivery guy pulls out a small scroll, a small bottle of ink, and a quill from his satchel. He hands the inkbottle and quill to Keith. The delivery guy pulls out his wand and casts a small spell on the scroll. The scroll floats in mid-air and opens up.

DELIVERY GUY

I just need your signature by the "X".

Keith opens the bottle of ink, and dips the quill into it. He taps the tip of the quill on the side of the bottle to remove some excess ink. Keith then signs his name by the "X" on the scroll. Once signed, the scroll rolls up, and flies into the delivery guy's satchel. Keith hands the delivery guy the quill, closes the bottle of ink, and hands the bottle back to the delivery guy. The delivery guy places the quill and bottle into the satchel. He then pulls out a small package and hands it to Keith.

DELIVERY GUY

There you go and have a nice day.

The delivery guy leaves. Moments later WALKER walks up to Keith.

WALKER
Who was that?

KEITH
Some delivery guy.

WALKER
What'd he want?

Keith holds up the package.

WALKER
I see. So who's it from?

KEITH
I don't know.

WALKER
Well check.

Keith inspects the package and sees that the name of the sender.

KEITH
This can't be.

WALKER
What?

KEITH
The name of the sender says "Zev
Firebird".

WALKER
Wait a minute isn't that-

KEITH
My father? Yes.

WALKER
What are you going to do?

KEITH
Well the package is addressed to both
my mother, and me so I think I'd better
go see her now.

WALKER
Yeah that would be a good idea. Let's
go.

KEITH

Must you come with me this time?

WALKER

What do you mean?

KEITH

You had to come with me when I mentioned I was getting the Magix Gloves, and now this. You're acting like you're a mortal born, with an unwavering curiosity toward the magical world.

WALKER

I'm just really curious about all of this family stuff of yours. After all I only found out that you were in fact the headmistress' son about a month ago.

KEITH

Okay, I'll at least give you that. Let's get going.

Keith and Walker walk away from the main hall.

FADE OUT.

FADE IN:

INT. PROF. FIREBIRD'S OFFICE - DAY

PROF. FIREBIRD sits at her desk, watching a mortal newscast on the mirror. A knocking is heard.

PROF. FIREBIRD

Come in.

Prof. Firebird waves her wand, and the mirror becomes a mirror again. Keith and Walker enter the office.

PROF. FIREBIRD

Keith, Walker what can I do for you?

KEITH

A package came for the both of us today mother.

PROF. FIREBIRD

Who sent it?

PROF. KEITH

I'm not sure whether to believe it or not, but the sender is apparently Zev Firebird.

PROF. FIREBIRD

You must be joking.

Keith walks up to Prof. Firebird.

KEITH

Have a look for yourself.

Keith hands Prof. Firebird the package. Prof. Firebird looks at the package, and the name on the return address clearly says "Zev Firebird".

PROF. FIREBIRD

This cannot be. How could your father have sent this?

KEITH

Maybe he sent instructions for it to be sent today?

FIREBIRD

But why today?

Keith turns his head to his right and looks at the calendar that is on the wall.

KEITH

How could I have forgotten this?

WALKER

What?

PROF. FIREBIRD

Yes Keith what?

KEITH

Mother, don't you realize what today would've been?

PROF. FIREBIRD

No, what?

KEITH

Father's birthday.

PROF. FIREBIRD

Really, so you nearly forgot about your father's birthday?

PROF. KEITH

Why are you yelling at me for? You forgot about your own husband's birthday.

PROF. FIREBIRD

When you are right Keith, you are right. We are Zev's family and we almost forgot what would have been his birthday.

KEITH

What's in the package?

PROF. FIREBIRD

I will open it later, and let you know. If your father has in fact sent this, then it must be more of an importance to me than anyone else.

KEITH

But it's also addressed to me.

PROF. FIREBIRD

I realize that, but I want to see what it is for myself first.

KEITH

But-

PROF. FIREBIRD

No buts now leave. The two of you as well as the other Rangers have my permission to take the entire day off. Do whatever you feel like, you even have my permission to go to the city if you so desire. Now please leave, I would like to be alone.

KEITH

Fine.

WALKER

C'mon Keith, let's find Bowie, Maria, and Abby.

Keith and Walker leave the office.

PROF. FIREBIRD

Zev, what have you sent me?

FADE OUT.

FADE IN:

EXT. DOWNTOWN GANDALF CITY - DAY

The Rangers walk around.

ABBY

I can't believe Firebird gave us the entire day off like that.

BOWIE

It does seem a little odd doesn't it?

MARIA

You don't happen to know why your mother did this do you Keith?

KEITH

I'm still not sure about it. I think it may have had something to do with that package this morning.

BOWIE

So what's in the package?

KEITH

Don't know. She seemed more shaken up about who sent the package than anyone else.

ABBY

Who sent it?

KEITH

My father.

MARIA

But how?

KEITH

That's what we really need to figure out. Although it's possible that he left the package with specific instructions for it to be sent today.

BOWIE

True.

WALKER

So what do we want to do while we're in the city? We've got the entire day ahead of us.

KEITH

Well now that I think about it, I wouldn't mind stopping by Horizont Alley.

ABBY

Horizont Alley, that's the part of town that has all of the magic stores, right?

KEITH

Yeah, and I'm fairly sure it also has the delivery company that sent that package to the castle.

BOWIE

I see, so you're going to try to figure out why that package was sent today, right?

KEITH

Exactly.

MARIA

How do we get there?

KEITH

Just follow me.

Keith leads the others to an alleyway in between two office buildings. Keith walks up to the brick wall in front of the five of them.

WALKER

So what now?

Keith pulls out his Wand Morpher and converts it to wand mode. He touches the tip of the wand on several bricks in strategic locations. After the last brick has been touched the bricks in the wall start to move to reveal a long pathway full of shops, restaurants, and even a bank. The Rangers step through the opening. The bricks that opened up for the entrance form a brick wall again.

ABBY

So what's the plan?

KEITH

Well I'm going to find the delivery company that sent that package. So I guess just meet back here in an hour or two?

WALKER

Sounds good.

BOWIE

Fine by me.

MARIA

Okay.

ABBY

Sure thing. What are we going to do after we're done here?

KEITH

How about we just go back to the castle for the rest of the day?

WALKER

Okay, so we'll see you later Keith.

Keith goes off by himself. Abby and Maria go into a clothing store. Walker takes off by himself. Bowie goes to the nearby cafe.

INT. THE OFFICE OF A DELIVERY COMPANY - DAY

Keith walks in. The delivery guy from before is behind the counter.

DELIVERY GUY

I know you. You're the guy who signed for the package at Magix, right?

KEITH

Yeah, I actually came in here to talk to someone about that package.

DELIVERY GUY

I'm here, what's wrong?

KEITH

Well the name of the sender said that the package was from my father.

DELIVERY GUY

And there's a problem because?

KEITH

My father disappeared years ago.

DELIVERY GUY

I see, so what exactly do you want to know?

KEITH

Did a person by the name of Zev Firebird leave something here a few years ago, with instructions to deliver that something on today's date?

DELIVERY GUY

Just let me check our records.

The delivery guy goes into the back. Walker walks into the shop.

WALKER

Any luck yet?

KEITH

The guy who delivered the package is checking their records.

The delivery guy comes back out.

DELIVERY GUY

As a matter of fact someone by the name of Zev Firebird did leave a package here about five years ago with instructions to send it on a specific date. How long ago did your father disappear?

KEITH

Five years ago.

DELIVERY GUY

Well now you have your answer. Have a nice day. (to Walker) Can I help you?

WALKER

I'm with him.

DELIVERY GUY

Okay, thanks for stopping by. Hope to see you again soon.

Keith and Walker leave the shop.

KEITH

He must've known that this was going to happen.

WALKER

But it all depends on what was in that package. I'm sure your dad knew that the next mages were going to be chosen soon anyway.

KEITH

Now that I think about it, the mission that he went on before our first year did seem like it was going to be dangerous. So he must've set all of this up before he left.

WALKER

And he probably decided that your mother should be the headmistress before he left too.

KEITH

You're right. You know, I think my mother knows more about my father's disappearance than she's letting on.

WALKER

She probably does.

KEITH

Anyway, I'm not sure about you, but I'm ready to go.

WALKER

There are a few more things I want to check out, but other than that I'm fine.

KEITH

We'll go check those out, and meet up with the others.

INT. A CLOTHING SHOP - DAY

Abby and Maria browse around. Abby sees a sweater and picks it up.

ABBY

Not bad.

MARIA

Are you going to get it?

ABBY

Well let's see.

Abby checks the price tag.

ABBY

Ouch!

Abby puts the sweater back on the rack.

EXT. THE CAFE NEAR THE ENTRANCE TO HORIZONT ALLEY - DAY

Bowie sits at a table, sipping a cup of tea. Keith and Walker come up to him.

KEITH

Have you been here the entire time?

BOWIE

Pretty much. Did you find out what you needed to find out?

KEITH

And how, apparently my father knew this was going to happen, so he left that package with the delivery company.

WALKER

Are the girls back yet?

BOWIE

I haven't seen them.

Abby and Maria walk up to the cafe.

MARIA

Hey guys.

ABBY

What's up?

KEITH

I'm ready to go.

BOWIE

So back to the castle it is.

Bowie finishes his tea, and gets up. He then sets some change down on the table. The Rangers leave Horizont Alley.

FADE OUT.

FADE IN:

INT. PROF. FIREBIRD'S OFFICE - DAY

Prof. Firebird sits at her desk holding a sheet of paper. She reads the paper out loud. The package is open and a strange looking bracelet rests on top of the desk.

PROF. FIREBIRD

Athena, although I addressed this to both you and Keith, the contents of this package are entirely for you. As I am writing this letter, I know that the next group of Magix Mages will be chosen in five years. I also know that Keith will follow in his father's footsteps and become the next Crimson Mage. However what you probably all ready know while you read this letter, is that the seal we put on Mechanos one hundred years ago is weakening, and he will rise to the surface and enslave it. If the power of the Magix Mages proves to be not enough, I want you to use the power of the Moonlight Bracelet to aid the mages. If you do not remember, the bracelet is also the key to completely sealing Mechanos underground forever. There will come a time when Mechanos will have the chance to rise to the surface again. You must use the power of the bracelet to prevent that from happening. I will leave you now, but rest assured, it does not matter where I am or what form I could possibly take, my love for you and Keith is undying. When you see Keith after reading this letter, Athena please tell him that I am proud of him for continuing the Firebird tradition. I must go now, but remember everything that I have said. With all my love,
Zev.

Prof. Firebird puts down the letter. She grabs a tissue from her desk and wipes away the tears that are starting to roll down her face. A knocking is heard.

PROF. FIREBIRD

Come in.

ROOTS and NOCHE enter. Noche takes a look at Firebird.

NOCHE

Athena, are you all right?

PROF. FIREBIRD

I am fine. I just received a letter from Zev.

ROOTS

How is that possible?

PROF. FIREBIRD

I do not know, but Keith seems to have some sort of a theory about it.

Noche looks at the Moonlight Bracelet resting on Firebird's desk.

NOCHE

Is that the Moonlight Bracelet?

PROF. FIREBIRD

It is, I have not seen it since the last time I used it, which was one hundred years ago.

ROOTS

Yes, I still remember the day you lost your powers as a mage. It was fortunate enough that you found that bracelet.

NOCHE

It was even more fortunate that the bracelet was the key to sealing Mechanos away.

PROF. FIREBIRD

And now I have the bracelet again to try to seal Mechanos underground permanently.

ROOTS

What do you mean?

PROF. FIREBIRD

The seal we cast on him is weakening, it has been for some time, and very soon Mechanos could walk on the surface again.

NOCHE

What are you planning Athena?

PROF. FIREBIRD

Nothing at the moment. Now if you do not mind I would like to go out and get some fresh air, maybe I might find Keith and see if he wants to go flying with me like we used to when he was little.

Prof. Firebird gets up from her desk, and puts the bracelet on her left wrist. She then walks over to the armoire that is to her right. She opens it up and takes out the broomstick within it. Prof. Firebird, Roots, and Noche leave the office.

FADE OUT.

FADE IN:

INT. MECHANOS' LAIR - DAY

MECHANOS sits on his throne. He starts to steam when NHYMERA walks in.

MECHANOS

What do you have to say for yourself?

NHYMERA

About what?

MECHANOS

About failure after failure, after failure. At least one of my minions proved to be of some use to me.

NHYMERA

Who?

MECHANOS

Who else serves me beside you?

NHYMERA

What did Wolzard do?

MECHANOS

He has given a piece of information that I found very interesting. My chance to return to the surface is drawing nigh. Now isn't that a useful piece of information Nhymera?

NHYMERA

It is sire.

Mechanos rises from his throne, and walks over to Nhymera. He grabs Nhymera by her throat with his left hand picks her up.

MECHANOS

Wolzard gives me useful pieces of information, and all you can do is find monsters that those accursed Rangers wind up defeating. Your usefulness to me is starting to wear down Nhymera.

Mechanos shocks Nhymera through some bolts of energy. Mechanos then throws Nhymera. Upon landing Nhymera splits into NIGHT and MARE. Night and Mare get to their feet.

NIGHT

Please forgive us Mechanos.

MARE

We promise we'll do better.

MECHANOS

A likely story.

Demos' portal begins to glow.

MECHANOS

Even Lord Demos agrees with me. Now the two of you are going to go to the surface, draw out the Rangers and destroy them. And if you fail to do that...

Mechanos points his sword at Night, and then Mare.

MECHANOS

One of you will be food for a monster. Am I understood?

NIGHT AND MARE

Yes sire!

MECHANOS

Excellent.

INT. ANOTHER AREA IN THE LAIR - DAY

The Valkyrie Megazord stands for a few moments. Its eyes glow and a dark purple wave of energy starts to engulf it as a black magic circle forms under its feet.

WOLZARD

Clad in darkness, I shall raise my power level to its maximum. Just a little bit more. A little bit more and it will be complete.

The Valkyrie Megazord turns its head. WOLZARD then separates from it. Wolzard shrinks to normal size. He then turns to his right.

WOLZARD

Nhymera?

Nhymera stumbles into the area.

NHYMERA

Wolzard. Please help me.

WOLZARD

It appears that you have angered
Mechanos.

NHYMERA

Unfortunately. I now have to draw out
the Rangers and destroy them if I want
to continue working for him.

WOLZARD

Mechanos' time is becoming increasingly
short. However I will give you a power
up to defeat the Rangers. Phalanx,
meros!

Wolzard points his shield at Nhymera. The panel opens up on
it and a dark purple beam of energy shoots out of it and
hits Nhymera. The beam causes what appears to be smoke to
cover her body. Nhymera starts to flinch in pain.

NHYMERA

What are you doing to me?

The claws on her hands extend, as well as the claws on her
body. Nhymera starts to enjoy what is happening to her.

NHYMERA

Yes I can feel it! The power is surging
through my body.

WOLZARD

This is a spell to bring out latent
abilities. Your senses will be
heightened, and your power will be
tripled.

Nhymera jumps up and flies around for a few moments.

NHYMERA

Yes this is what I want.

WOLZARD

It does not matter what kind of a
defense the Rangers put up they are
still very inexperienced. Do not miss
any opportunity to destroy them.

NHYMERA

I owe you one, Wolzard.

WOLZARD

This is all for the glory of Lord
Demos. I will stay here and continue to
raise my power.

Wolzard goes off.

INT. THE MAIN PART OF THE LAIR - DAY

Night and Mare prepare for battle. Night places an arrow in the Accursed Bow. She then aims the bow.

NIGHT

I don't know about you Mare, but I'm ready.

MARE

Oh I'm ready Night. Meet my nice little Nightmare Blaster.

Mare aims the Nightmare Blaster. Night looks over at it.

NIGHT

Nice one Mare.

MARE

I know Night.

NIGHT

This time those pathetic Rangers will meet their doom.

MARE

And be ripped to shreds.

NIGHT AND MARE

Let's do it!

FADE OUT.

FADE IN:

EXT. THE GROUNDS OF MAGIX - DAY

Keith walks around. Prof. Firebird finds him.

PROF. FIREBIRD
Keith, I was looking for you.

KEITH
Yes mother?

PROF. FIREBIRD
Do you want to go riding like we used
to do when you were little?

KEITH
Really? What's brought this up?

PROF. FIREBIRD
I opened that package, and it contained
a note from your father, and a
bracelet.

KEITH
What'd the note say?

PROF. FIREBIRD
Just some things your father wanted me
to know. He also said that no matter
where he is or what form he might take
his love for us will be undying.

KEITH
So is that why you want to go riding?

PROF. FIREBIRD
Yes.

KEITH
Oh mother, I found something out about
that package.

PROF. FIREBIRD
What?

KEITH
Father did in fact send it. He left it
with a delivery company in Horizont
Alley before he disappeared, and gave
instructions on when to send it.

PROF. FIREBIRD

I see, well it is good to know that you were trying to get to the bottom of the mystery of the package today. I nearly forgot, your father told me to tell you one more thing.

KEITH

What?

PROF. FIREBIRD

He is very proud of you for continuing the Firebird tradition of being the Crimson Mage.

KEITH

He knew I'd be the Crimson Mage?

PROF. FIREBIRD

Your father was the previous Crimson Mage; his father was the previous Crimson Mage and so on. Of course he knew that you would follow in his footsteps. Now are you ready?

KEITH

Just let me get my broom.

Keith pulls out his Wand Morpher and converts it to wand mode.

KEITH

Draiocht, teicniocht, arm!

Keith holds up his wand in the air, and a magical beam shoots out of it. Keith's broomstick flies toward him. Keith and Firebird set their brooms on the ground. They both stand to the left of the broom. They stick their right hands above the brooms.

KEITH AND PROF. FIREBIRD

Up!

The brooms float up into their hands. They mount their brooms and take off. They fly above the castle, and above the clouds. They continue to fly soaring throughout the air. Keith's Wand Morpher gives off the warning sound. Keith and Prof. Firebird fly back to the ground. They land. Keith gets off of his broom and checks his Morpher.

KEITH

It's in the city.

PROF. FIREBIRD

I want to go with the five of you this time.

KEITH

What?

PROF. FIREBIRD

I am serious. I want to see the five of you fight first hand for once.

KEITH

Okay, but promise me that if I tell you to take cover, you will.

PROF. FIREBIRD

Fine.

Keith and Prof. Firebird leave. Their brooms fly up and head back toward the castle.

FADE OUT.

FADE IN:

EXT. AN AREA IN GANDALF CITY - DAY

Keith and Prof. Firebird meet up with Walker, Bowie, Maria, and Abby.

WALKER

What are you doing here Professor?

PROF. FIREBIRD

I want to see the five of you fight first hand for once.

BOWIE

I guess that's okay, right guys?

MARIA

Yeah.

ABBY

Sure.

PROF. FIREBIRD

Do not worry I will not get in the way.

From seemingly out of nowhere, an arrow nearly hits Prof. Firebird.

MARE

You missed the headmistress of Magix Night.

NIGHT

Funny, I was aiming for the Red Ranger.

The Rangers and Prof. Firebird turn around to see Night and Mare holding their weapons.

NIGHT

Long time no see professor.

MARE

I'm sure Mechanos will love the fact that we're also going to destroy you too.

PROF. FIREBIRD

What are you two doing here?

NIGHT

Isn't it obvious? We've come to destroy the Rangers.

MARE

And you just happen to be an added bonus.

NIGHT

So prepare to meet oblivion.

MARE

It's time to destroy all of you at once.

Mare starts to shoot rounds of shots at the Rangers and Prof. Firebird. The Rangers quickly pull out their Wand Morphers and convert them to wand mode.

ALL RANGERS

Arthraigh, duine, marbhan!

All of the Rangers morph. Night and Mare start to laugh as Mare fires more rounds at the Rangers and Prof. Firebird. Keith turns around somewhat pushes Prof. Firebird to the ground. He draws his Wand Staff and points it at the ground.

KEITH

Teicniocht, marbhan!

A red beam comes out of the Staff and a large cement block rises from the ground. Mare continues to fire not only taking out quite a bit of cement pieces from the block, but also hitting Walker, Bowie, Maria, and Abby knocking them to the ground. Keith and Prof. Firebird stay behind the block. Once Mare has finished firing, the block goes back into the ground. Keith prepares to encounter Night and Mare.

KEITH

Mother, take cover!

Prof. Firebird runs off and finds a spot to take cover in. Keith jumps up with his Staff drawn back ready to strike. Night fires a shot from the Bow. The shot hits Keith, knocking him to the ground. The other Rangers come up to Keith.

ABBY

Keith!

WALKER

They have amazing weapons.

MARIA

How are we going to defeat them?

BOWIE

If only I had another Dawn Stone.

NIGHT

Really?

MARE

Now what do you think the Dawn Stone would do?

BOWIE

Destroy the two of you again.

Night and Mare look at each other, and give each other smug looks. They then combine into Nhymera.

NHYMERA

Yellow Ranger do you realize what I am?

BOWIE

A vampire.

NHYMERA

Correction, I'm a queen vampire. The last time you used a Dawn Stone on me, I reformed when the sunset. And being a queen vampire means that one way of defeating me won't work twice.

BOWIE

So you mean-

NHYMERA

Dawn Stones are now useless against me. Now prepare for oblivion Rangers.

Nhymera aims both weapons at the Rangers and starts firing. As the Rangers fall to the ground, the sun starts to set. Prof. Firebird notices.

PROF. FIREBIRD

Time to help them out.

Prof. Firebird walks up to where the Rangers are lying on the ground. She then faces Nhymera

PROF. FIREBIRD

You know Nhymera; there is only one certainty in world.

NHYMERA

I don't know why you are spewing such gibberish at a time like this, but continue. What's the only certainty in this world?

PROF. FIREBIRD

When the sun sets at night, the moon rises, and night falls.

NHYMERA

I know that, being a vampire it's my favorite time of day. But what does that have to do with anything?

PROF. FIREBIRD

Moonlight can be so empowering.

Prof. Firebird looks up at the sky, the sun has completely set, and the moon has risen. It is now night. Firebird raises her left wrist up to the moon, and points the crystal on the bracelet at the moon.

NHYMERA

Just what are you doing?

PROF. FIREBIRD

This-

Firebird raises her left arm vertically.

FIREBIRD

Moonlight metamorphosis! Arraghey, pyagh, shlig!

She jingles the bell on the bracelet with her right hand. The jingle of the bell causes Firebird to transform into the Lunar Mage.

NHYMERA

What have you become?

PROF. FIREBIRD

Basked in the serenity of moonlight, I am the Lunar Mage!

NHYMERA

The Lunar Mage, eh?

PROF. FIREBIRD

I am your opponent now.

NHYMERA

Have it your way.

Nhymera aims the weapons at Prof. Firebird.

PROF. FIREBIRD
Lunar Staff!

The Staff appears in Prof. Firebird's hands. Nhymera starts to fire at Prof. Firebird, but Prof. Firebird blocks every shot with the Staff. Prof. Firebird then fires a strange light at Nhymera, which weakens her.

PROF. FIREBIRD
Rangers now!

The Rangers jump up, and extend their right feet.

ALL RANGERS
Five Mage kick!

The Rangers perform a flying kick on Nhymera. The kick hits Nhymera, and a few explosions engulf her body. She falls down, but gets to her feet again.

NHYMERA
How can this be?

Nhymera turns around, jumps up, and flies away. The Rangers walk up to Prof. Firebird unmorphed. Prof. Firebird also powers down.

ABBY
Wow professor that was amazing.

PROF. FIREBIRD
Thank you Abby, but do not get used to seeing these powers, they should only be in use for a short period of time.

WALKER
Why?

KEITH
The bracelet she's wearing is the key to keeping Mechanos under wraps permanently.

BOWIE
Really?

PROF. FIREBIRD
Yes. Now we must head back to the castle, we need time to prepare for whatever Mechanos could unleash in the next few days.

END
