"POWER RANGERS MAGIX: EPISODES 15 & 16 - BREAKING THE SEAL"

FADE IN:

INT. A DARKENED AREA - NIGHT

WOLZARD stands on a black magic circle. The panel on his shield opens up. Waves of black energy grow over his body.

WOLZARD

I have absorbed the black magic. The great power of darkness is now mine!

The energy waves are completely absorbed into his body.

WOLZARD

Magix Mages, you should see this with your own eyes.

Wolzard draws his sword from his shield.

WOLZARD

This will be the day the surface falls to Lord Demos!

INT. THE HALLS OF MAGIX - DAY

KEITH and WALKER are walking through the halls. They come up to BOWIE, MARIA, and ABBY. Keith has a flash.

BOWIE

Is it Wolzard again?

KEITH

I think so.

WALKER

Well what are we waiting for? Let's go!

The Rangers rush off.

EXT. A QUARRY - DAY

Wolzard stands around. The Rangers show up unmorphed.

WOLZARD

So you have come.

BOWIE

Like we really would let you get away with what you're planning to do.

WOLZARD

Such insolence Yellow Ranger, either way the five of you will be finished.

MARIA

We can take him, right Keith?

KEITH

Guys, I'm feeling something different about Wolzard today, almost as if he's much stronger than usual.

ABBY

We'll take care of him like we always do.

KEITH

Fine, but don't say I didn't warn you.

The Rangers pull out their Wand Morphers, and convert them to wand mode.

ALL RANGERS

Magix metamorphosis! Arthraigh, duine, marbhan!

The Rangers morph. Keith draws his Staff and quickly converts it to the Phoenix Sword. He and Wolzard get into a small duel with their swords. After exchanging many blows to each other, Wolzard gives Keith a great slash. The slash causes Keith to fly back a few feet. Abby and Maria try to fight Wolzard with their Staffs, but he gets in a quick slash, which sends the girls flying to where Keith is. Bowie converts his Staff into the Garuda Crossbow, and fires a few shots at Wolzard. The shots do nothing, and Wolzard is able to get a good slash on Bowie, which causes him to fly back to where Keith, Abby, and Maria are.

WALKER

Looks like it's up to me. Minotaur Axe!

Walker converts his Staff into his Axe. Walker charges at Wolzard, with the Axe drawn back. Wolzard aims his shield at Walker, and the panel on it opens up.

WOLZARD

Howling Wolf; halosis, gangalos, thursos!

A Howling Wolf attack shoots out of the shield and hits Walker. Walker flies back to where the other Rangers are.

WOLZARD

I expected better from the five of you.
However as the Red Ranger said, I am
much different today than I have been
in the past. I will not tell you how,
and leave it at that. Good-bye Rangers.

Wolzard disappears through a black magic circle.

INT. MECHANOS' LAIR - DAY

MECHANOS sits on his throne steaming. NIGHT and MARE stand
before him.

MECHANOS

How dare you show your faces here after
failing like that?! So the question
remains, which one of you should be
eaten?

Mechanos gets up, and walks over to Night and Mare. He
pushes them backward. They fall back a little bit, and a
purple blob-like creature appears behind them. Night and
Mare see the creature, wrap their arms around each other
and walk back up to Mechanos. They let go of each other,
and then point at each other.

NIGHT AND MARE

She should!

MECHANOS

Fine, be eaten together!

Mechanos points his sword at the creature. Wolzard comes
in, and the creature is repelled. Night and Mare turn
around, see Wolzard, and start to run up to him.

NIGHT AND MARE

Good timing with your return Wolzard!

Mechanos walks up to Wolzard, and pushes Night and Mare out
of the way.

MECHANOS

And just what have you been doing?

Demos' portal starts to glow. Both Mechanos' sword, and the
eye-like jewel on Wolzard's shield start to glow.

WOLZARD

The time has finally come. It is time to end this battle with the Magix Mages once and for all! And it is time for the seal against the underground kingdom to be broken.

MECHANOS

So this is what you meant, by my chance to return to the surface?

WOLZARD

It is.

Wolzard turns his back to Mechanos.

WOLZARD

For the glory of Lord Demos!

FADE OUT.

FADE IN:

INT. PROF. FIREBIRD'S OFFICE - DAY

PROF. FIREBIRD sits at her desk. A knocking is heard.

PROF. FIREBIRD
Come in.

The Rangers come in looking badly beaten.

PROF. FIREBIRD
What happened?

KEITH
Wolzard. He's stronger than ever.

PROF. FIREBIRD
Is his black magic power even stronger than ever?

WALKER
I'd say so. Why?

PROF. FIREBIRD
Keith, Walker, Bowie, Abby, Maria...

The Rangers look at Prof. Firebird.

KEITH
Yes mother?

PROF. FIREBIRD
I do not want the five of you fighting Wolzard anymore.

WALKER
What?

BOWIE
Why?

PROF. FIREBIRD
There's something the five of you, especially Keith, need to know about Wolzard.

KEITH
What?

PROF. FIREBIRD

I was not planning on telling any of you this, or anyone else for that matter, but my husband met with Wolzard five years ago, and was destroyed by him.

KEITH

WHAT?!

PROF. FIREBIRD

Settle down Keith, I know you must be very upset upon hearing this information.

KEITH

You bet I am. Is there anything else I should know? Is Mechanos a long lost uncle or something?

PROF. FIREBIRD

No nothing like that. From what I can gather, is that five years ago when Keith's father had gone on that mission, he must have met up with Wolzard, and got into a fight with him. Unfortunately my husband did not win. The companion that my husband was with abandoned the mission and came straight to me with the news. At that point Zev had all ready told me to take over running the school, because he was unsure of when he would be able to arrive back.

KEITH

Why didn't you tell me?

PROF. FIREBIRD

When it happened you seemed really eager about your first year here I did not want to spoil anything for you. Also what happened to your father was also the very reason why I did not want you to become the Crimson Mage. I was afraid that you could succumb to the same fate as your father.

KEITH

But I've fought against Wolzard numerous times, and won. I won't end up like father did.

PROF. FIREBIRD

Keith, stop that right now! You naiveté about Wolzard's true power is a little disgusting at the moment. While I am not overly sure about what Wolzard could possibly do, I am sure that if he is not stopped, he could become a greater foe than Mechanos is. I forbid any of you to fight Wolzard again, and that is my final word.

BOWIE

But if Wolzard does show up again, who will fight him?

PROF. FIREBIRD

I will, using the power of the Moonlight Bracelet. I do not care if the bracelet is also the key to keeping Mechanos underground. It is a risk I am willing to take, to ensure your safety. Now if the five of you do not mind I would like you to leave.

KEITH

But Wolzard's been using a telepathic link with me to get us to come out. How are you going to find him without at least me?

PROF. FIREBIRD

I never told you this, but I have the exact same link with Wolzard. Now please leave.

KEITH

But-

PROF. FIREBIRD

Get out!

KEITH

Fine.

Keith storms out of the office, and the other Rangers soon follow.

FADE OUT.

FADE IN:

INT. THE MAIN HALL - DAY

The Rangers sit at the Firebird House table. Keith looks clearly angered by what Prof. Firebird had said.

ABBY

Keith, try not to take what your mom said, to seriously. She's only trying to look out for us.

KEITH

I know, but I'm more upset about the fact that she never told me that Wolzard destroyed my father.

BOWIE

Well it's not like Wolzard's some pushover.

KEITH

I know, but it would've been nice to know the truth about my father.

WALKER

She only did it to look out for you. She was just being your mother.

KEITH

I know, but that whole thing about her having the same telepathic link to Wolzard as I do kinda bugs me.

MARIA

It bugs me too.

KEITH

What?

MARIA

I've been wondering about that since your mom said that she had the same link.

WALKER

What have you been wondering?

MARIA

How could someone who's not related to you have a psychic connection to both you and your mother?

WALKER

Who knows?

ABBY

It could be anything.

KEITH

Have you come up with any thoughts about it?

MARIA

Off hand there are two possibilities.

KEITH

The first?

MARIA

That Wolzard is in fact your father, but your mother said Wolzard destroyed him so that can't be.

KEITH

What's the second?

MARIA

That after he destroyed your father Wolzard absorbed some of your dad's psychic energy. This makes sense because Wolzard always says that he fights for power.

KEITH

So what does psychic energy have to do with power?

MARIA

Psychic energy is a type of power. And if you paid more attention to Professor Estrange in fortune telling Keith, you'd also know that psychic energy is also very powerful.

KEITH

So then why is he tormenting me by egging me on the way he does?

MARIA

Remember he's always telling us to show him our power. I think, despite being an enemy, he's teaching us lessons about increasing our own power.

ABBY

But wouldn't that kinda fall under the category of what a father might do?

MARIA

I can't really explain it. It's only a theory. Maybe Wolzard absorbed more than just your father's psychic energy. But it could be anything.

Keith receives another flash.

WOLZARD

(V/O)

Red Ranger, I want you the other Rangers, to meet me. And bring the one who wears the Moonlight Bracelet.

The flash ends.

WALKER

What'd he say this time?

KEITH

He wants us, and my mother to meet him.

BOWIE

Then we should go.

ABBY

What about what Professor Firebird said?

KEITH

Forget it, we'll try to sneak out somehow. Now let's go.

FADE OUT.

FADE IN:

EXT. A WOODED AREA - DAY

Prof. Firebird walks along a path. Little by little the Rangers sneak behind her. Prof. Firebird raises her left arm up vertically.

PROF. FIREBIRD
Moonlight metamorphosis! Arraghey,
pyagh, shlig!

She jingles the bell, and transforms into the Lunar Mage. Prof. Firebird continues for a few minutes, and then stops.

PROF. FIREBIRD
I know the five of you are following me
so show yourselves!

The Rangers show themselves.

PROF. FIREBIRD
Whose idea was this?

KEITH
It was mine, mother.

PROF. FIREBIRD
I should have known. You are too much
like your father. What did I say about
fighting Wolzard?

KEITH
We know what you said. We just don't
care.

PROF. FIREBIRD
I should expel the five of you for this
betrayal.

KEITH
What betrayal? We're the Power Rangers
it's our job to do fight against evil.

PROF. FIREBIRD
And it is also your job to do as I say.

KEITH
We won't back down until you let us
fight him.

PROF. FIREBIRD
Wolzard destroyed my husband-

KEITH

Who is also MY father! If you want to take revenge on Wolzard let's do it together as mother and son.

PROF. FIREBIRD

I will do this alone, and that is final. Do the four of you feel the same way as Keith?

Walker, Bowie, Abby, and Maria all nod.

PROF. FIREBIRD

Very well. Lunar Staff! Pyagh, soiagh!

The staff appears in Prof. Firebird's hands. Prof. Firebird makes a rectangle in the air with the staff.

KEITH

What are you doing?

PROF. FIREBIRD

If you want to fight Wolzard then you will stay in here until he is destroyed.

The rectangle becomes a pair of white doors that open up. Something from the other side of the doors starts to suck in the Rangers. When all of the Rangers have been sucked in, the doors close and vanish. Prof. Firebird continues on her path.

FADE OUT.

FADE IN:

EXT. A QUARY - DAY

Wolzard stands, waiting. Prof. Firebird shows up. Wolzard takes a look at her.

WOLZARD

Well, well, well if it is not Athena Firebird. So you have come alone?

PROF. FIREBIRD

I have.

WOLZARD

And the Rangers?

PROF. FIREBIRD

They are safe for now. But it is only you and me.

WOLZARD

Very well if you want to meet your doom, then so be it.

Prof. Firebird points her staff at Wolzard. She fires a shot at him. The shot causes explosions to form around him. Wolzard steps back a little. Prof. Firebird holds up her staff.

PROF. FIREBIRD

Slat, cooid!

The staff extends so that it can hit Wolzard from the distance that he and Prof. Firebird are stand apart from. Firebird hits Wolzard twice. The two hits cause a couple of explosions, and also cause Wolzard to fall back a little.

WOLZARD

Is that all of your power?

PROF. FIREBIRD

You have not seen anything yet.

Prof. Firebird fires another shot at Wolzard. More explosions occur near him.

PROF. FIREBIRD

And now to finish you.

Prof. Firebird raises her staff. The tip flashes for a second.

PROF. FIREBIRD
Pyagh, cooid!

She rotates the end of the staff counterclockwise to the ground. Once the staff hits the ground, a light blue crescent of energy moves toward Wolzard. The crescent hits Wolzard causing a great explosion.

PROF. FIREBIRD
It is over.

The explosion is absorbed into Wolzard's shield.

PROF. FIREBIRD
Impossible!

WOLZARD
Just what do you think you are doing?
Is that all the Lunar Mage has?

NHYMERA stands on a cliff to Wolzard's left.

NHYMERA
Are you still playing with her Wolzard?
This is kind of a bad habit.

WOLZARD
Howling Wolf; halosis, gangalos,
thursos!

A Howling Wolf attack shoots out of Wolzard's shield.

PROF. FIREBIRD
Sollys!

Prof. Firebird makes a barrier with her staff. The Howling Wolf attack attacks the barrier. The eye-like jewel on Wolzard's shield flashes and his attack destroys Prof. Firebird's barrier. Prof. Firebird falls to the ground.

WOLZARD
Pathetic. Just pathetic.

FADE OUT.

FADE IN:

INT. A COMPLETELY WHITE ROOM - DAY

The Rangers lie on the ground starting to regain consciousness. They all get up.

MARIA

Where are we?

ABBY

This completely white room is starting to creep me out.

BOWIE

Wait a minute; didn't Firebird cast some sort of spell?

WALKER

Yeah, it was in the form of two white doors, but why are we here?

KEITH

It's to keep us out of her way while she fights Wolzard.

ABBY

Okay, so we'll just wait until she's won her fight with him, and then she'll come get us. She'll win right Keith?

KEITH

I don't think so.

BOWIE

You doubt your own mother?

KEITH

You saw how powerful Wolzard was earlier. I don't think she realizes that he's at least tripled his power since we beat him that time with the Megazord.

MARIA

Then let's just hope she knows what she's doing, because it could be devastating if Wolzard defeats her.

WALKER

Yeah, we especially can't let anything happen to that bracelet or else Mechanos will walk on the surface.

BOWIE

Guys I think we need to figure out a way of getting out of here.

KEITH

You're right.

Keith takes out his Wand Morpher and opens it up. He dials a number.

KEITH

Can anyone at the castle hear me?

Only the sound of static can be heard on the other end.

WALKER

Well?

KEITH

Nothing.

ABBY

Someone try to do a spell.

BOWIE

What kind of a spell?

ABBY

Any spell, will do.

WALKER

Keith put you morpher on the ground.

KEITH

Why?

WALKER

I just want to check something out.

Keith sets his Morpher on the ground. Walker takes out his Wand Morpher and converts it to wand mode.

WALKER

Teicniocht, draiocht, arm!

Walker points the tip of his wand at Keith's morpher. Nothing happens. Keith picks up his Morpher

MARIA

So we can't communicate with the castle, and this place is canceling out our magical abilities.

BOWIE

How are we going to get out of here?

Keith stares off into space a little bit as a white column rises out of the ground.

KEITH

What's that?

Keith walks over to the column, and sees a handle.

KEITH

Hey guys, there's some kind of a handle on this thing.

WALKER

What's it do?

KEITH

Only one way to find out.

Keith grabs the handle and rotates it clockwise. The doors open revealing the area where the Rangers were.

WALKER

So the handle's used to open the doors.

KEITH

Well let's go.

Keith lets go of the handle. As the handle turns back to its original position, the doors slam shut.

BOWIE

So that's how it is.

MARIA

So if we were to escape, one of us would have to stay behind.

The Rangers gather around the column. They all look at the handle.

ABBY

So the question should be "who's going to stay behind?"

KEITH

Well ideally none of us but, if it has to be someone, I'm volunteering.

WALKER

What?

BOWIE

Why you?

KEITH

I kinda got us into this mess, so I should be the one to at least get the four of you out.

ABBY

Keith no.

MARIA

Yes Keith we need you.

KEITH

My mind is made up. Besides if the four of you are out, you can at least form the Dragonzord if you need to.

A strange noise is heard, and the Rangers, step back. A light blue energy barrier forms around the column.

ABBY

What's this?

Abby starts to stick out her hand, but Maria stops it.

MARIA

Hold it.

Abby's hand returns to her side. Maria pulls out a handkerchief from one of her pockets and throws it at the barrier. The handkerchief burns on contact with the barrier.

BOWIE

So if we want to leave one of us has to jump through that.

The Rangers start to pace around a little bit. Eventually Keith gets bored.

KEITH

That's it. I'm doing it.

Keith walks up to the column.

WALKER

Don't do it!

BOWIE

Stop!

MARIA AND ABBY

Keith!

Keith fails to hear the cries of the other Rangers. He stretches his right hand through the barrier. Flames start to engulf his body as he turns the handle. Keith does not let go as the doors opens. The doors open so wide that all of the Rangers have been returned to the spot where they were. Keith falls to the ground.

MARIA

Keith!

BOWIE

What just happened?

WALKER

I think because Keith sacrificed himself, we all were allowed to leave.

ABBY

So it was a test of our wills?

WALKER

Probably.

Keith gets to his feet.

KEITH

Guys we need to go help my mother.

The other Rangers nod. The Rangers run off.

FADE OUT.

FADE IN:

EXT. A QUARRY - DAY

Wolzard and Prof. Firebird stare down each other.

WOLZARD

Come on show me your true power
Firebird.

PROF. FIREBIRD

Fine. Arraghey, pyagh, cooid!

Prof. Firebird waves the staff in a circular motion. A lunar circle appears and changes her into the true form of the Lunar Mage. Prof. Firebird grows to gigantic size.

WOLZARD

So you have been hiding that from me?

Wolzard flies up.

WOLZARD

Allaxima, gangalos, meros!

Wolzard grows to gigantic size.

WOLZARD

Allaxima, halosis, gangalos, henosis!

Wolzard combines with the Valkyriezord to form the Valkyrie Megazord.

WOLZARD

Valkyrie Megazord, power up!

Prof. Firebird points her staff at Wolzard, and Wolzard points his staff at Prof. Firebird.

PROF. FIREBIRD

Slat, cooid!

Prof. Firebird and Wolzard fire shots to each other, which cancel each other out. Prof. Firebird then slashes at the Valkyrie Megazord a couple of times, until pointing her staff at it. Prof. Firebird launches a restriction wave of magic at the Valkyrie Megazord. The Valkyrie Megazord is completely restricted. Nhymera watches from the ground.

NHYMERA

Are you purposely trying to lose
Wolzard?

PROF. FIREBIRD
Slat, arraghey, cooid!

Prof. Firebird spins her staff with both hands, which causes a moon-like circle to appear before her.

PROF. FIREBIRD
Moonlight circle!

Prof. Firebird flings the circle at Wolzard. The eye-like jewel on Wolzard's shield flashes for a second, causing the restraints on the Valkyrie Megazord to vanish. The Valkyrie Megazord then presses its staff against the circle. The force of the circle causes the Valkyrie Megazord to step back a little bit. The Valkyrie Megazord continues to press against the circle until eventually destroying.

PROF. FIREBIRD
He destroyed that attack? He is more powerful than I thought.

WOLZARD
Not bad. If I had not received that great power I may have been defeated. However this ends here.

The Valkyrie Megazord points the end of its staff at Prof. Firebird.

WOLZARD
Prepare to feel Lord Demos' great power. Allaxima, halosis, gangalos, meros! Black magic slash!

The Valkyrie Megazord's staff spins around and then unleashes a slash after all black magic energy has been absorbed. The slash hits Prof. Firebird.

PROF. FIREBIRD
Pyagh, slat, sollys!

Prof. Firebird teleports to another area and then reverts back to her human Lunar Mage form. She falls to the ground at a shipyard. Wolzard lands before her, in human size. He draws his sword from his shield and points it at her. He slowly walks up to her. Nhymera lands on a high up platform.

NHYMERA
Looks like the countdown to Mechanos' coming is at hand.

Wolzard completely walks up to Prof. Firebird and raises his sword above her head.

WOLZARD

It is time for you to meet oblivion.

Wolzard raises his sword up. As he brings it down his sword receives two shots. He stops as the Magix Orb flies at him and hits him. The orb bounces off of Wolzard and turns back into Abby (morphed). Abby joins Walker, Bowie, and Maria (all morphed). Wolzard and Prof. Firebird look at them.

WOLZARD

So you have finally come.

PROF. FIREBIRD

Rangers, but how?

Keith (morphed) jumps up behind the other Rangers. Abby and Maria position their arms together to be a springboard for Keith. Keith jumps off of Abby and Maria's arms.

KEITH

Magix Gloves! Draiocht, draiocht, arm!

The Gloves form on Keith's hands. Keith punches the gloves together as he jumps off of Walker and Bowie's hands. Flames engulf the gloves, as Keith starts to fly toward Wolzard.

KEITH

Duine, duine, duil! Mega screw punch!

Keith flies gloves first, and spinning toward Wolzard. The punch makes contact with Wolzard. Wolzard then flies back a few feet. Keith lands and the other Rangers come up behind him.

KEITH

So what do you think of my new attack
Wolzard?

Keith turns around and faces his mother.

KEITH

You okay mother?

PROF. FIREBIRD

How?

He powers down.

KEITH

It's because I sacrificed myself in order to save everyone else. I couldn't let you practically get destroyed by fighting Wolzard alone, so I figured that you could at least use the other Rangers. But by braving the force of that barrier we all were saved. Now what do you say mother, shall we defeat Wolzard together?

Prof. Firebird nods. The other Rangers are now standing behind Keith unmorphed. Keith extends his right hand down to help up Firebird. As she is about to take it, a purple beam of energy shoots out and hits the bell on the Moonlight Bracelet. The bell flies up in the air and breaks into many pieces.

ABBY

What the-

The sky grows dark as if it is night for a second. Keith helps up his mother. In the distance many explosions occur in a line in the city as a gate rises to the surface. The rising of the gate causes much destruction.

PROF. FIREBIRD

The gate!

The gate continues to rise shaking the ground as it comes up.

BOWIE

It's too big.

The gate continues to rise.

MARIA

So that's what's preventing Mechanos from being on the surface?

Nhymera looks at the gate as it rises.

NHYMERA

It's here. The gate has risen.

The gate has now completely risen.

ABBY

Is that door really going to open?

PROF. FIREBIRD

No, the bracelet is still mostly in tact.

WALKER

Look up there!

Walker points to the stone gargoyle that adorns the top of the gate. The gargoyle comes to life, and jumps down to the ground. Its eyes flash causing two explosions behind the Rangers and Prof. Firebird. They all dodge out of the way. Keith and Prof. Firebird go one way as; the other Rangers go the other way. When Keith and Prof. Firebird have hit the ground, Wolzard comes up to them and grabs Prof. Firebird. Keith gets to his feet.

KEITH

Let her go!

Keith charges at Keith, but Wolzard blocks Keith with his shield. Keith bounces off of the shield and lands on the ground. The other Rangers come up to Keith.

WOLZARD

Everything is set. All that is left is to eliminate Firebird, and break the seal.

KEITH

Oh no you don't.

The Rangers try to charge at Wolzard, but he vanishes with Prof. Firebird through a black magic circle. One of the gargoyle's feet comes down to nearly squash the Rangers. Wolzard's voice booms from seemingly out of nowhere.

WOLZARD

(V/O)

Gargoyle the guardian of the gate, have fun playing with the Rangers.

The gargoyle points its staff at the Rangers and shoots a red beam of energy. The beam causes an explosion near the Rangers.

ALL RANGERS

Arthraigh, duine, marbhan!

The Rangers morph quickly.

ALL RANGERS

Arthraigh, duine, duil!

The Rangers Zord morph quickly. The Phoenixzord launches a flying kick on the gargoyle, at the same time the Garudazord hits gargoyle with its wings. The two zords land as the gargoyle falls back a little.

KEITH

Okay guys, we've gotta save my mother.

ALL RANGERS

Arthraigh, teicniocht, duine, teaghlaim!

The Zords combine into the Magix Megazord.

ALL RANGERS

Magix Megazord, power up!

The X-Caliber Sword forms in the Megazord's hands. The gargoyle and the Megazord start to charge at each other. The Megazord tries to slash at the gargoyle, but the gargoyle catches the sword with the claw-like end of its staff. The gargoyle and the Megazord put pressure on each other, until the gargoyle pushes the Megazord's sword back. Inside the Megazord the pawns are in their usual position.

ABBY

It's too powerful!

KEITH

We can't waste too much time with this thing.

Keith places his left hand over his symbol on the pawn. Outside of the Megazord, the Megazord forms a Magix circle in the air.

ALL RANGERS

X-Caliber, Magix Slash!

The Megazord slashes the circle, but the gargoyle teleports behind the Megazord before the slash can do anything. The gargoyle hits the back of the Megazord. The Megazord turns around, and tries to slash at the gargoyle again, but it teleports out of the way again. The gargoyle then hits the Megazord causing it to fly backwards against the gate. Inside the Megazord the pawns experience some shock from the attack.

KEITH

We can't afford to lose right now!

Outside the Megazord gets back up. As it gets to its feet, Mechanos' sword extends from the gate, hitting the Megazord. Mechanos uses his sword to prop open the gate to try to get outside.

KEITH

Mechanos is coming.

The Megazord steps back, to see Mechanos trying to come out. Nhymera watches.

NHYMERA

Mechanos!

Mechanos continues to prop the gate open. He laughs maniacally a little bit.

MECHANOS

I King Mechanos will show you accursed
Rangers to your doom! Soon the surface
world will belong to me!

Mechanos continues to prop open the gate. The gargoyle starts to creep up behind the Megazord.

KEITH

Is this for real?

Mechanos finally props the gate open enough to almost get himself out. He unleashes a slash on the Megazord causing it to fly back.

END OF PART 1 (EPISODE 15)

FADE IN:

INT. A DARK DIMENSION WITH SMOKE ON THE FLOOR - DAY

Prof. Firebird regains consciousness as she finds herself tied to a pole. She sees Wolzard before her.

PROF. FIREBIRD

Wolzard!

WOLZARD

Most impressive headmistress. Your power was quite amazing, however it was not enough.

PROF. FIREBIRD

What do you want?

WOLZARD

I know all about that bracelet you wear.

PROF. FIREBIRD

Really, what about it?

WOLZARD

One hundred years ago you used that bracelet to seal Mechanos underground.

PROF. FIREBIRD

It is very impressive that you know this. However there is one tidbit of information that you may be missing.

WOLZARD

Is it the fact that that bracelet is also the key to breaking the seal?

PROF. FIREBIRD

What? How do you know?

WOLZARD

I know everything there is to know about you. I know about your career, and I especially know about your family. Also I know a few secrets that you may be hiding.

PROF. FIREBIRD

Like what?

WOLZARD

The fact that you cannot be bothered to tell your own son the truth about his father.

PROF. FIREBIRD

I told him the truth you destroyed him.

WOLZARD

If you wish to live in denial, that is more than fine by me.

PROF. FIREBIRD

What are you planning to do to me?

Wolzard points out his shield.

WOLZARD

Labhe, labhe, dolon!

A black magic circle forms underneath Prof. Firebird and rises up above her head. The black magic circle takes the form of a series of circular cogs within each other spinning around.

WOLZARD

This is the defensive spell you cast on the bracelet is it not?

PROF. FIREBIRD

What if it is?

WOLZARD

The deciphering spell that I just cast will unlock that spell when all of the symbols have lined up.

PROF. FIREBIRD

What else is going to happen?

WOLZARD

Both you and the bracelet will be destroyed. While it is only necessary for the bracelet to be destroyed, your destruction is an added bonus.

The two innermost circles line up. When they do a bolt of energy goes over Prof. Firebird, causing her to cry out in pain.

FADE OUT.

FADE IN:

EXT. DOWNTOWN GANDALF CITY - DAY

Mechanos is finally able to get himself out of the gate. The gate closes behind him. The Megazord turns around to see this.

WALKER

He got out!

ABBY

What are we going to do?

BOWIE

The door closed behind him so nothing's happened to Professor Firebird yet.

KEITH

That's right. All we can do now is fight!

The Megazord tries to slash at Mechanos but Mechanos quickly blocks the attack as well as quickly slashes the Megazord a couple of times.

MECHAONS

You cursed Rangers. You've been a thorn in my side for too long.

The Megazord tries to hit Mechanos again, but he dodges. Mechanos then gives the Megazord a couple more slashes.

MECHANOS

Let me be the first to bid you farewell.

Mechanos give the Megazord another slash.

KEITH

Okay guys; let's try the Mega Mage Slash.

The Megazord flies up into a Magix circle in the air. It hovers above the circle as the Mage spirits appear.

ALL RANGERS

Arthraigh, teicniocht, duine, duil!
Mega Mage slash!

The Megazord flies toward Mechanos with the spirits flying single file in the order of crimson, golden, azure, rose, and emerald. Mechanos holds his sword sideways to prepare for the attack. The Megazord slashes through the circle before it toward Mechanos. Both swords meet, and the Megazord's attack has done nothing. Mechanos uses his sword to push back the Megazord, which falls to the ground.

MECHANOS

Prepare to feel the power of Lord
Demos' darkness!

The Megazord gets back up again. Black flames form over Mechanos' sword.

MECHANOS

Sure shot...Demos...slash!

Mechanos unleashes the slash, which not only causes the Megazord to fall apart, but also causes the Rangers to power down. The Rangers fall to the ground in an alleyway. Bowie looks up a little.

BOWIE

What was THAT?!

Maria, Abby, and Walker try to look up but are unable to.

KEITH

Is this the kind of power Wolzard is
always talking about?

All of the Rangers faint. They lie on the ground.

INT. A DARK DIMENSION WITH SMOKE ON THE FLOOR - DAY

Another circle lines up. Prof. Firebird cries out in pain.

EXT. DOWNTOWN GANDALF CITY - DAY

The Rangers lie on the ground. Keith hears Prof. Firebird' cry of pain.

KEITH

Mother!

Keith gets on all fours. He goes over to Maria and shakes her.

KEITH

Maria!

Maria wakes.

KEITH

Walker! Guys, pull yourselves together!

Walker wakes, followed by Bowie.

KEITH

Bowie!

Abby wakes.

KEITH

Abby! I felt something just now.
Wolzard is making my mother suffer.

WALKER

What?

ABBY

Uh guys...

The Rangers look up at the gate, which is opening little by little. The sky darkens as if it has become night.

MARIA

No way. It's like it's now night.

Walker gets to his feet. Mechanos stands where he was, as his sword glows.

MECHANOS

I can feel it now.

Mechanos unleashes a slash on some of the buildings.

MECHANOS

Lord Demos' power!

Mechanos and the gargoyle attack buildings, causing some major destruction. Bowie sees the destruction.

BOWIE

At this rate it'll be over.

Keith falls to the ground. Mechanos continues his rampage, by destroying more and more buildings.

WALKER

Guys we've got to try one more time.

Walker turns around to see the others on the ground looking like all is lost.

BOWIE

Why can't I get up?

MARIA
My legs won't move.

ABBY
That last attack keeps playing in my
mind.

KEITH
Mechanos is too powerful. It's no use.
We're no match for him.

WALKER
Don't give me that!

Keith, Bowie, Abby, and Maria look up at Walker.

BOWIE
Walker?

WALKER
I'm as scared as the rest of you, but
that's why we need to work hard, and
defeat Mechanos right now. If we give
it our all then Mechanos will be
finished and the world will be safe.
Now tell me what's our weapon?

BOWIE
Magic.

WALKER
No, what's our true weapon?

KEITH
I'm not following you.

WALKER
Our true weapon is courage.

ABBY
What do you mean?

WALKER
All of those times when we got a new
spell for seemingly no apparent reason,
didn't you ever wonder why we didn't
have to learn those spells?

MARIA
It's because we all did something
courageous, isn't it?

WALKER

Right. No matter how tough our opponent was we prevailed and our courage was rewarded with magic. We're the Magix Mages, when we're courageous there's nothing we can't do! If we all trust each other, what I just said would definitely be true. Now who's with me?

Maria gets up.

MARIA

I am.

Bowie gets up.

BOWIE

Me too.

Abby gets up.

ABBY

You can count on me.

WALKER

Keith?

Keith nods as he gets up. They hear the movement of the gargoyle.

KEITH

All right, let's go!

Keith has his Morpher out, and looks ready for action.

BOWIE

Keith, we'll take care of what's going on here. You go save your mother.

KEITH

But-

WALKER

It's like you said when we were in that white dimension. The four of us can form the Dragonzord. Don't worry we'll take care of everything. Bowie, Maria, Abby, let's go!

Walker, Bowie, Maria, and Abby pull out their Morphers and convert them to wand mode.

WALKER, BOWIE, MARIA, AND ABBY

Arthraigh, duine, marbhan!

They morph.

WALKER, BOWIE, MARIA, AND ABBY
Arthraigh, duine, duil!

They Zord morph.

WALKER, BOWIE, MARIA, AND ABBY
Arthraigh, teicniocht, teaghlaim!

They combine into the Dragonzord. Keith looks up.

KEITH
Good luck guys.

The Dragonzord flies through the sky. The gargoyle tries to get a few shots on it, but all the shots are dodged. The Dragonzord flies by the gargoyle hitting it with a wing. The Dragonzord then flies up, turns around and unleashes a three-pronged fire blast on the gargoyle. The blast hits the gargoyle destroying it. Keith continues to look up at them.

KEITH
I know you can do it guys.

Keith runs off.

FADE OUT.

FADE IN:

INT. A DARK DIMENSION WITH SMOKE ON THE FLOOR - DAY

Prof. Firebird is still tied up, while Wolzard's deciphering spell continues to work.

WOLZARD

In the end good shall fall and evil
will triumph.

PROF. FIREBIRD

You do not honestly believe that do
you?

WOLZARD

Of course I do, why else would I have
said it?

The second outermost circle slows down, and lines up with the other circles. Prof. Firebird cries out in pain again from the spell. The outer circle continues to spin.

INT. THE LAIR - DAY

Demos, feels the power of the gate opening.

EXT. DOWNTOWN GANDALF CITY - DAY

As the gate opens just a little more, Mechanos' sword starts to glow.

MECHANOS

I can hear Lord Demos' voice.

In the sky the Dragonzord launches a couple of three-pronged blasts of fire at Mechanos. Mechanos blocks the attacks by swinging his sword at them. The Dragonzord flies close to Mechanos to try to ram him, but Mechanos grabs the Dragonzord.

MECHANOS

Is that all you've got, you accursed
Rangers? It's time for you to end this
exercise in futility.

Mechanos swings the Dragonzord above his head and lets go. He then slashes at the Dragonzord. The slash causes great damage to the Dragonzord causing it to fall into the Minozord, Garudazord, Merzord, and Fairyzord. The Zords fall to the ground.

EXT. THE SHIPYARD WHERE WOLZARD CAPTURED FIREBIRD - DAY

Keith runs up to it. He then turns his head around.

KEITH

It should be around here somewhere.

Keith turns his head to see a light blue portal hovering above the ground.

KEITH

That's it. That has to be where Wolzard took mother.

Keith walks up to it.

KEITH

Well there's only one thing to do.

Keith jumps into the portal, just as it is about to close.

INT. A DARK DIMENSION WITH SMOKE ON THE FLOOR - DAY

The outermost circle slowly lines up with the rest of the circles.

WOLZARD

Very soon your time will end and Lord Demos' will begin!

KEITH

Not so fast!

Keith launches a flying kick on Wolzard. The kick makes contact causing the deciphering spell to stop. The circles over Prof. Firebird vanish.

PROF. FIREBIRD

Keith.

KEITH

Mother, thank goodness you're okay.

Keith starts to run up to Prof. Firebird. Wolzard quickly steps in front of Prof. Firebird.

WOLZARD

Red Ranger, just a few seconds more and your mother would have been destroyed.

KEITH

I'm the Crimson Mage, and I'll never lose to the power of darkness. The Magix Mages will win in the end!

Keith pulls out his Morpher and converts it to wand mode.

KEITH
Magix Metamorphosis! Arthraigh, duine,
marbhan!

Keith morphs. Keith extends his arms.

KEITH
Draiocht, draiocht, arm! Magix Gloves!

The gloves form on Keith's hands.

KEITH
Wolzard this ends here. I'll defeat you
and save my mother.

WOLZARD
Interesting proposition Red Ranger, I
accept. Allaxima, halosis, ledos!

The spell causes the dimension that they are in to change
to what appears to be a quarry.

KEITH
Where am I?

Keith looks up to see that Prof. Firebird is still tied up,
and resting on a cliff.

PROF. FIREBIRD
He changed the dimension.

WOLZARD
Red Ranger, in this dimension we can
fight to our hearts' content.

Keith puts both of his fists up to prepare to fight.

KEITH
All right. Let's go!

Wolzard draws his sword from his shield. He points the sword at Keith. Wolzard and Keith start to charge at each other. Wolzard starts slashing at Keith with his sword, but Keith dodges every swipe Wolzard makes. Wolzard tries to swipe at Keith again, but Keith punches the sword. Wolzard swipes again, and Keith catches the sword with one arm, and punches Wolzard with his free hand. Keith tries a one-two punch on Wolzard, but the punch is blocked by Wolzard's shield. Wolzard falls back a little, and makes another swipe at Keith. Keith manages to jump over the sword as Wolzard swipes. Keith tries to give Wolzard a roundhouse, but it does not connect. Keith tries another one-two punch, but again it is blocked by Wolzard's shield. Wolzard then somewhat close lines Keith with his right arm, the attack makes contact and knocks Keith to the ground. Wolzard tries to slash at Keith again, but Keith does a sideways jump that dodges the attack, and gets him back to his feet. Keith gives another roundhouse, which is blocked. Keith jumps up behind Wolzard, and grabs a hold of him. Wolzard wraps his right arm around Keith's head and flings Keith. Keith falls to the ground, but gets back up again. Keith punches the Gloves together.

KEITH

Draiocht, duil! Flame Jab!

Keith launches his right fist at Wolzard, but Wolzard hits the fist with his sword breaking both gloves off of Keith's hands. Wolzard then slashes Keith, which sends Keith flying backward with a few explosions going over Keith's body. Keith falls to the ground, gets back again, draws his Staff, and converts it to the Phoenix Sword.

KEITH

Phoenix Sword!

Keith charges at Wolzard with his sword drawn back. When Keith gets near Wolzard, he slashes at Wolzard, but the attack is blocked by Wolzard's shield. Keith turns around and tries to slash at Wolzard again, but the slash is blocked by Wolzard's sword. Wolzard pushes Keith's sword up, and slashes at Keith's midsection. Keith falls to the ground. Wolzard tries to slash at Keith, but the slash is blocked by Keith's sword. Keith kicks Wolzard's right arm, with his right foot. Wolzard tries to slash at Keith again, but Keith rolls underneath Wolzard's sword and gets back up. Wolzard and Keith exchange blows with their swords, but their hits keep hitting the other's sword. Keith and Wolzard stand face to face with swords locked. Wolzard pushes against Keith's sword, until he can get Keith's mid section open, to slash Keith twice. Keith takes the hits and falls back a little on the ground. Wolzard charges at Keith, just as Keith gets back up. Keith dodges the swipe Wolzard is trying to take at him. Wolzard and Keith swipe at each other, causing their swords to meet. Wolzard takes another swipe, which hits Keith's midsection. Wolzard gets in a couple of really good hits on Keith, which cause Keith to fall off of the cliff he was just on. As Keith falls a few explosion go over his body, before landing in a puddle. Keith gets up as Wolzard is charging at him.

KEITH

This ends now!

Keith flies up in the air vertically, and flames engulf his body.

KEITH

Duine, duine, duil! Mega Phoenix Crash!

The flames take the shape of a phoenix, and Keith flies toward Wolzard. Keith flies past Wolzard, and the flames hit him. Keith lands, and the flames have vanished. A few explosions go over Wolzard's body, until one big explosion occurs behind Wolzard.

KEITH

Is that it?

WOLZARD

Is that your best?

KEITH

What?

WOLZARD

Allow me to show you true strength.
Taste the power of darkness. Meros!

Wolzard casts a spell. Waves of black energy go over Wolzard, and his sword. Wolzard positions his sword to strike.

WOLZARD

Darkness Slash!

Wolzard slashes his sword twice in an "X" pattern. The slashes hit Keith causing explosions on and near his body. His sword also flies in the air and lands blade down in the ground. Keith struggles to get back up. Wolzard walks up to Keith, and kicks him. Keith goes flying backwards landing in a cliff. Prof. Firebird sees this.

PROF. FIREBIRD

Keith!

Wolzard comes up to Keith.

WOLZARD

You power level cannot defeat me!

Wolzard presses his shield against Keith's midsection and places his sword against Keith's neck.

WOLZARD

I have probably told you this before, but here is a refresher. Magic is power, and true power comes from darkness! There is no other power that surpasses that of darkness.

KEITH

You're wrong.

EXT. DOWNTOWN GANDALF CITY - DAY

The Minozord fights Mechanos. Mechanos slashes at the Minozord.

KEITH

(V/O)

My power comes from courage.

The Merzord and Garudazord come up to face Mechanos, but Mechanos slashes at the both of them.

KEITH

(V/O)

My friends, and my mother, everyone in my life, gives me courage.

EXT. THE QUARY DIMENSION - DAY

Keith is still within the cliff. He grabs onto Wolzard's sword.

KEITH

As long as I am full of courage, my magic is unlimited!

Keith pushes up Wolzard's sword.

WOLZARD

Do not spout such nonsense!

Wolzard draws his sword back.

WOLZARD

Take this!

As Wolzard is about to hit Keith, a great explosion of fire goes over Keith's body. The explosion causes Wolzard to fall back. Keith flies up vertically, with the flames still engulfing his body. Keith turns so that he is going to fly face first at Wolzard.

KEITH

Duine, duine, duine, duil!

Keith casts a red Magix circle underneath Wolzard's feet. Wolzard is unable to move because of the circle.

KEITH

Phoenix...fire...finish!

Wolzard brings up his sword, but it breaks as Keith comes down with a vertical punch as he lands. Wolzard falls back as the flames vanish from Keith's body. Explosions go over Wolzard's body.

KEITH

Checkmate!

Keith raises his right hand and snaps his fingers. Wolzard falls to the ground, and an explosion occurs near him. Keith runs over to Prof. Firebird. As Keith approaches her, the restraints on her vanish. Prof. Firebird falls to the ground. Keith comes up to her.

KEITH

Mother, are you okay?

PROF. FIREBIRD

You are becoming your father more and more.

WOLZARD

Interesting Red Ranger, very interesting.

Keith turns his head to see Wolzard absorb the explosion with a black magic circle. Wolzard is kneeled with one kneel down.

WOLZARD

You continue to grow stronger with every battle.

Keith gets up and looks down on Wolzard from the cliff that he is on.

KEITH

Wolzard!

Wolzard gets to his feet.

WOLZARD

Surely someday, your power of fire will be turned to the color of darkness!

KEITH

What?!

WOLZARD

We will meet again.

Wolzard vanishes.

KEITH

Next time I will defeat you.

PROF. FIREBIRD

Just be patient Keith, I am sure you will defeat him next time.

PROF. FIREBIRD

(INNER)

He must not learn anything more about Wolzard.

PROF. FIREBIRD

I need to get back to the castle.

KEITH

But how are we going to get out of here?

The ground shakes. Keith turns around. The whinny of a horse can be heard, as the Valkyriezord appears.

KEITH
Valkyriezord!

The Valkyriezord's eyes flash green for a second.

KEITH
You're saying, "get on and I'll take
you out of here"?

The Valkyriezord nods.

KEITH
Okay old friend, I trust you.

Keith takes out his Morpher in wand mode.

KEITH
Arthraigh, duine, duil!

Keith morphs to Zord Form. The Phoenixzord gets on the
Valkyriezord, and they ride off.

EXT. DOWNTOWN GANDALF CITY - DAY

A Magix circle appears, and the Phoenixzord riding the
Valkyriezord comes out of it. The Phoenixzord continues to
ride the Valkyriezord. Prof. Firebird comes onto the
Phoenixzord's right shoulder.

PROF. FIREBIRD
Keith, I must go back to the castle. I
just want you to know that you did
excellent today.

Prof. Firebird teleports away.

KEITH
Let's go Valkyriezord!

Mechanos continues to fight with the Minozord, Garudazord,
and the Merzord. He slashes the Garudazord, and Merzord. He
then turns to the Minozord.

MECHANOS
I guess I'll start with you Green
Ranger.

Mechanos slashes his sword at the Minozord, but it is
blocked by the Minozord's axe. Mechanos then gets in
another slash on the Minozord, which knocks the Minozord to
the ground. Mechanos places his sword on one of the
Minozord's shoulders. The Garudazord and Merzord lift
themselves up to see what is happening.

BOWIE
No!

MARIA
Walker!

ABBY
Walker!

Mechanos raises his sword up. A beam of light descends from the sky, hitting the circular seal on the gate. The ground shakes as the gate goes back into the ground.

MECHANOS
What!?

WALKER
The gate.

ABBY
What's going on?

MECHANOS
What's happening? Wait! Don't leave me!

The gate completely goes into the ground. Nhymera looks up.

NHYMERA
It can't be!

The darkness that had fallen onto the sky vanishes.

MECHANOS
This can't be happening. What's going on?!

KEITH
I happened.

The Phoenixzord rides the Valkyirezord to where Mechanos is standing. The other Zords look up to see the Phoenixzord.

WALKER
Keith.

ABBY
Keith!

MARIA
Keith!

BOWIE
He did it.

The Phoenixzord on the Valkyriezord rides by and slashes Mechanos with its sword. The Phoenixzord continues on its path.

KEITH

Let's do it Valkyriezord! Teicniocht,
arthraigh, duine, teaghlaim!

The Phoenixzord and Valkyriezord combine into the Phoenix Centaurozord.

KEITH

Phoenix Centaurozord, power up!

The Phoenix Centaurozord faces Mechanos. Mechanos charges at Phoenix Centaurozord.

KEITH

Flame Mane!

The mane on the Phoenix Centaurozord ignites. The Phoenix Centaurozord spins the mane three times, and all times hit Mechanos. Mechanos falls down.

KEITH

All right.

The Fairyzord flies onto the Phoenix Centaurozord's right shoulder. The Minozord walks up to the Phoenix Centaurozord's left. The Merzord stands in front of the Minozord, and the Garudazord stands beside the Merzord.

WALKER

You did it Keith!

ABBY

You did great Keith.

BOWIE

Not bad if I must say so myself.

The Garudazord pats the Phoenix Centaurozord's front.

MARIA

C'mon guys, let's do this together!

Mechanos gets back up.

MECHANOS

Do you really think you can defeat me?
Demos' influence is growing, and soon
the underground kingdom shall rule the
surface!

KEITH

C'mon guys, let's form the Megazord!

The Phoenixzord quickly separates from the Valkyriezord, and then quickly combines with the other Zords.

ALL RANGERS

Magix Megazord, power up!

Mechanos comes at the Megazord with his sword drawn back. He brings his sword down, but the attack is blocked by the Megazord's sword. Mechanos and the Megazord press on each other's swords for a while, until the Megazord kicks Mechanos. The Megazord then slashes Mechanos. Mechanos falls back.

INT. PROF. FIREBIRD'S OFFICE - DAY

Prof. Firebird enters. She then takes off the bracelet, and reverts to her usual self.

PROF. FIREBIRD

Without the bell, this bracelet is useless. Might as well put it with my Morpher, which only works as a wand now.

Prof. Firebird goes over to her desk and grabs her morpher. She looks at it for a few seconds, until she sees that both the morpher and the bracelet are glowing a bright white. The bracelet glows brighter than the morpher and is absorbed into the morpher. Once the bracelet has been absorbed the morpher stops glowing. The warning sound goes off from Prof. Firebird's morpher. She opens it up.

PROF. FIREBIRD

I see. Very well, I am sure the Rangers could use this spell as well.

EXT. DOWNTOWN GANDALF CITY - DAY

Inside the Megazord the Magix circle behind the pawns starts to glow. A light descends on all of the Rangers. They raise their Staffs up, and emblems on the ends glow. As the Rangers bring down their Staffs, the light vanishes.

WALKER

It's a new spell.

Abby turns to Walker.

ABBY

It's gotta be a response from us combining our power, and courage.

KEITH

All right, let's do it!

Keith places his left hand over his symbol on the pawn. Outside the Megazord's eyes flash green for a second. The Megazord grabs its sword with both hands. Mechanos' right eye flashes red for a second. His sword glows, and he lowers it.

MECHANOS

No matter how powerful you are, you're still going to fall.

Black waves of energy go over Mechanos' sword.

MECHANOS

Sure shot...Demos...slash!

Mechanos slashes at the Megazord.

ALL RANGERS

Arthraigh, teicniocht, draiocht,
teaghlaim!

The Megazord counters Mechanos' attack with its sword. When the two swords cross, Mechanos' is covered in ice.

ABBY

No way, it's frozen!

WALKER

This is...

MARIA

Ice magic.

KEITH

But that's a White Ranger power.

BOWIE

What's it mean?

Outside a gigantic translucent version of the White Ranger places her right hand on the Megazord's right hand. The White Ranger steps up beside the Megazord and nods.

KEITH

The White Ranger is with us.

Inside of the Megazord the other Rangers nod. The Rangers then stick out their Wand Staffs. Outside the Megazord and White Ranger raises their swords.

ALL RANGERS
X-Caliber, Magix School Slash!

The Megazord and White Ranger hold their swords with both hands and then bring down the swords. The slash hits Mechanos, which cause explosions to go over his body.

MECHANOS
I am King Mechanos.

ALL RANGERS
Checkmate!

Mechanos explodes. Nhymera witnesses this.

NHYMERA
Oh no.

Inside the Megazord the Ranger rejoice.

KEITH
Did we just defeat Mechanos? Because I think we just defeated Mechanos!

WALKER
We did well.

MARIA
Yes we did.

ABBY
Uh-huh.

Bowie nods. Outside the Megazord stands and looks at the fire caused by Mechanos' explosion.

FADE OUT.

FADE IN:

INT. PROF. FIREBIRD'S OFFICE - EVENING

The Rangers enter. Prof. Firebird looks at them.

PROF. FIREBIRD

Well-done Rangers. I could not be any more proud of you right now. And I am especially proud of you Keith.

KEITH

Really?

PROF. FIREBIRD

You really are becoming more and more like your father. Now I have made arrangements for a school wide celebration in the main hall over your victory. We must go now.

BOWIE

I have a question professor.

PROF. FIREBIRD

Yes Bowie?

BOWIE

We were able to defeat Mechanos with the help of the White Ranger, how was that possible?

PROF. FIREBIRD

When I returned to my office I took off the bracelet, and it somehow had a reaction to my morpher. The bracelet was absorbed into my morpher, but to make a long story short, my White Ranger powers are starting to return. Soon I will be able to help the five of you in battle. Now we must go. The entire school is waiting.

Prof. Firebird leads the Rangers out of her office.

EXT. A QUARY - EVENING

Mechanos' sword lies in the ground blade first. Wolzard walks up to it. He grabs it, and takes it out of the ground. Wolzard turns around.

WOLZARD

Goodbye Mechanos. Your sword is now
mine!

The panel on Wolzard's shield opens as Wolzard places the sword on top of it. Both the sword and the eye-like jewel on the shield glow.

INT. THE LAIR - EVENING

Night and Mare sit in front of the throne. Demos' portal starts to glow.

NIGHT

Demos isn't pleased about something.

MARE

But what?

The portal stops glowing.

NIGHT

I don't know Mare.

MARE

But Night, what are we going to do
without Mechanos?

INT. AN UNKNOWN ROOM IN THE LAIR - EVENING

A sarcophagus lies in the room.

NIGHT

(V/O)

I don't know Mare, I don't know.

END
