FADE IN:

INT. THE MAIN HALL - DAY

KEITH sits at the Firebird House table eating breakfast. He clearly has a very pleasant look on his face. WALKER eventually comes up to him.

WALKER

Why do you look so happy?

KEITH

Oh come on, like you're not ecstatic about defeating Mechanos.

WALKER

Well I am, I will admit that. Plus it is nice that there haven't been any major attacks in a week.

KEITH

What's been up with those? All they were were just Night and Mare sending a small platoon of Infelshias for whatever the reason.

WALKER

Who do you think is in charge now?

KEITH

I think just Night and Mare.

WALKER

Well let's see, when we first started fighting them, it was Mechanos, Nhymera, Wolzard, and whatever monster they found to send at us.

KEITH

Now we've defeated Mechanos, and I don't think Wolzard is anywhere to be found. So that just leaves Night and Mare.

WALKER

But probably under the guidance of Demos, whoever that is.

KEITH

I think Demos could be a higher power that even Mechanos answered to.

WALKER

Probably, although I have been finding nothing in the library about Demos.

KEITH

I wonder why that is.

WALKER

Could be anything. Anyway, where do you think Wolzard went?

KEITH

Probably to prepare for the next battle against us. I left him kinda impressed when I fought him last, and I even broke his sword.

WALKER

You what?

KEITH

It's no word of a lie. You can even ask my mother if you want. But there is something that Wolzard said before he left, that still kinda bugs me.

WALKER

What?

KEITH

He said that one day my power of fire would turn to the color of darkness.

WALKER

What exactly is that supposed to mean?

KEITH

I don't know, I tried to talk about with my mother, but knowing her she wasn't going to talk.

WALKER

Yeah, it was bad enough that she kept the truth about Wolzard and your father from you like that.

KEITH

In her defense, she was just trying to spare my feelings, but it would've been nice, to have known the truth all along.

WALKER

Maybe she thought you could've enacted upon some kind of revenge.

KEITH

It could be anything, but I'm not too worried about it. Now if there's something else I should know about that she's not telling me, then we'll have some problems.

WALKER

What else is there to know?

KEITH

I don't know, but if there's something that she's hiding from me that's important...well let's just say that things won't be what they were like a few weeks ago.

WALKER

I see.

Keith continues to eat breakfast and Walker soon joins him.

FADE OUT.

FADE IN:

INT. THE LIBRARY - DAY

MARIA and BOWIE sit at a table with stacks of books in front of them. After they skim through one they put it down. Bowie stops.

BOWIE

Don't you think that this is a little useless?

MARIA

Why?

BOWIE

Well for starters, Walker's all ready looked through a bunch of books and found nothing on Demos.

MARIA

I don't care. There has to be something on Demos in here, and I also don't care if I have to search through every book in the library if I have to!

The librarian walks by and shushes Maria.

BOWIE

Mind keeping it down?

MARIA

Sorry, just got a little over excited. But are you with me on this?

BOWIE

I don't know. We've all ready tried for hours, and skipped breakfast. Do you really think we'll find something?

MARIA

We won't know unless we try. Now are you in or are you out?

BOWIE

If we're going to do this, could we at least ask someone who'd know whom Demos is. Maybe he could point us in the right direction.

MARIA

Do you have anyone in mind?

BOWIE
Professor Noche of course.

MARIA
Of course. Why didn't I think of that?

BOWIE
And here I thought you were the most
perceptive out of the five us.

MARIA
Shut up.

Maria and Bowie get up.

INT. THE HALLS OF MAGIX OUTSIDE OF NOCHE'S OFFICE - DAY

Bowie knocks on the door. NOCHE answers.

NOCHE
Bowie, Maria what can I do for you?

BOWIE
We were wondering if you could tell us
about something.

NOCHE
No problem. Please come in.

Bowie and Maria step into the office. Noche walks behind
his desk and sits down. Bowie and Maria sit in chairs in
front of the desk.

NOCHE
So what do you want to know about?

MARIA
Actually it's a about a person, we
think.

NOCHE
What?

BOWIE
Is there anything you could tell us
about something or someone called
"Demos"?

NOCHE
So the two of you want to know about
Lord Demos?

MARIA

Actually it's not just the two of us, the other Rangers want to know too, and Professor Firebird isn't telling us anything.

NOCHE

Why do you want to know about Demos?

BOWIE

Mechanos kept mentioning Demos before we defeated him. We figure he must be a force that even Mechanos answered to.

NOCHE

Well you are right about one thing, Mechanos did answer to Demos, but unfortunately I cannot tell you anything about Demos. And I will not tell you anything that the headmistress will not.

MARIA

So that's a "no"?

NOCHE

Not as such.

BOWIE

What do you mean?

NOCHE

Well let us just say that if something on Demos happened to fall into your hands you did not get it from me. Now if you do not mind, I need to sort through my books.

Noche rises from his desk and walks to the ladder that is up against the bookcase on the wall to Bowie's left. Noche climbs the ladder to get to one of the higher up shelves. He looks through the books, and one falls into Bowie's hands seemingly by accident. Bowie looks over at Maria. Maria nods. They both get up.

BOWIE AND MARIA

Thanks Professor Noche.

NOCHE

You are welcome.

FADE OUT.

FADE IN:

INT. PROF. FIREBIRD'S OFFICE - DAY

PROF. FIREBIRD sits at her desk tending to some papers. A knocking is heard.

PROF. FIREBIRD

Come in.

ABBY walks in.

PROF. FIREBIRD

Abby, I am glad you could make it.

ABBY

What did you want to see me about?

PROF. FIREBIRD

I want you to do a special favor for me.

ABBY

Okay. What?

PROF. FIREBIRD

How curious about someone by the name of Demos are you?

ABBY

Somewhat, but not as curious as the other Rangers are.

PROF. FIREBIRD

Good, good. Now could you do me a favor and make sure that the other Rangers never discover any information about Demos.

ABBY

I'm not sure if I can do that.

PROF. FIREBIRD

How so?

ABBY

Well the curiosity factor about Demos has different reasons for different people.

PROF. FIREBIRD

Okay we'll start off with why Keith wants to find out about Demos.

ABBY

It's mostly because you kept the truth about his father from him, and he's wondering what else you might be keeping from him.

PROF. FIREBIRD

I guess I can understand that. What about Walker?

ABBY

Let's see...Walker's interested mostly because he's a Ranger.

PROF. FIREBIRD

Bowie?

ABBY

Actually Bowie's not overly interested.

PROF. FIREBIRD

I see, and last but not least, what about Maria?

ABBY

Maria's interest in it stems from her interest in fortune telling, or as Professor Estrange would say, "looking to the beyond".

PROF. FIREBIRD

What do you mean?

ABBY

She sees Demos as something beyond what we know about the underground kingdom. Just the fact that there's a higher power beyond Mechanos is intriguing to her.

PROF. FIREBIRD

I see. I am especially disappointed in the fact that Keith is starting to distrust me, but I suppose that I did have it coming. I have to realize that he is no longer that little boy who used to ask for hugs from me all the time.

ABBY

Aww, that's so sweet.

PROF. FIREBIRD

Please do not tell Keith that I told you that.

ABBY

Way ahead of you. Teenaged boys do tend to get embarrassed by little tidbits of their youth that only their mothers can give.

PROF. FIREBIRD

Thank you Abby.

ABBY

Now do you want me to try to convince the others to not find out about Demos?

PROF. FIREBIRD

On second thought no. I think they should know about what they are facing, however I do not want to tell them about Demos. Sorry if I wasted your time by calling you in here.

ABBY

Don't worry about it.

Abby leaves the office.

FADE OUT.

FADE IN:

INT. THE MAIN HALL - DAY

Keith, Walker, Bowie, and Maria are gathered at the Goldenbird table looking at the book that Prof. Noche "gave" to Bowie.

KEITH

Wow, just wow.

WALKER

No wonder Firebird didn't want us to know about Demos.

MARIA

Yeah, some of this stuff really does seem unspeakable.

BOWIE

It also says here that Demos has given up a fang and an eye to be used as weapons.

WALKER

The fang has to be Mechanos' sword.

MARIA

But what did his eye become?

KEITH

Wolzard's shield.

BOWIE

There's no way that the entire eye is Wolzard's shield.

KEITH

Well I don't mean the entire shield. I mean the jewel that's in it.

BOWIE

What jewel?

KEITH

It usually covered up by some kind of a panel.

BOWIE

I see. Does anyone remember if Mechanos' sword got destroyed along with him?

KEITH
I don't think it did.

WALKER
Which means we should probably find it
before someone else does.

BOWIE
But who would want it?

KEITH
I'm fairly sure that Wolzard would.

MARIA
Why?

KEITH
Let's just say that I destroyed his
sword the last time I fought him.

BOWIE
Really?

KEITH
Yeah.

Abby comes into the main hall and walks up to the other
Rangers. She sits with them.

ABBY
Hey guys, what are you looking at?

WALKER
A book.

ABBY
I can see that, but what's it about?

KEITH
Demos, and the underground kingdom.

ABBY
Where'd you get the book?

BOWIE
We found it.

WALKER
Didn't you say that-

BOWIE
Ixne on the Ochene.

WALKER

I get you now. What'd Firebird want to see you about?

ABBY

She wanted me to convince you guys to stop looking for info about Demos.

KEITH

And?

ABBY

She decided against it while I was there.

MARIA

Well at least we don't have to sneak behind her back anymore.

The warning sound goes off on the morphers. Keith opens his.

KEITH

Looks like it's just another platoon of Infelshias.

WALKER

Either way we've gotta go.

The Rangers get up and rush out of the main hall.

FADE OUT.

FADE IN:

EXT. A WAREHOUSE DISTRICT - DAY

NIGHT and MARE along with a small platoon of Infelshias that is lead by a Command Infelshia terrorize the area.

MARE
This should draw out the Rangers,
Night.

NIGHT
It sure will, Mare.

The Rangers show up.

NIGHT
Well, well, well, who do we have here?

KEITH
What do you want?

MARE
We're bored.

NIGHT
And we just thought you could provide
us with a little entertainment.

WALKER
We're not here to amuse you.

BOWIE
I've got to know one thing.

NIGHT
What?

BOWIE
Why haven't you sent a monster in a
while?

MARE
Because we've been unable to find one.

NIGHT
And even if we could, we wouldn't be
able to make it grow. But enough talk,
Infelshias get them!

The Infelshias along with the Command Infelshia start to
move toward the Rangers.'

KEITH

Well it's that time again.

The other Rangers nod. They all pull out their Wand Morphers and convert them to wand mode.

ALL RANGERS

Magix metamorphosis! Arthraigh, duine, marbhan!

The Rangers all morph. They split up to take care of the Infelshias. Walker fights his own small group. He unleashes a few punches and kicks on all of them.

WALKER

Time to take care of you all.

He draws his Staff.

WALKER

Mintotaur Axe!

He converts his staff into the Axe. He then goes around and swipes at all of the Infelshias he is fighting. The Infelshias take his hits, fall to the ground and melt.

WALKER

Not bad.

Abby and Maria fight their own group of Infelshias. They both give the Infelshias a bunch of kicks and punches. Eventually they stand side by side and face the Infelshias. They draw their Staffs, and aim them at the Infelshias.

ABBY

Draiocht, duil!

MARIA

Draiocht, duil!

A small pink tornado shoots out of Abby's Staff, and a high-pressure jet of water comes out of Maria's. Both attacks hit the Infelshias, and they fall down and melt. Bowie fights his own group of Infelshias, pretty much doing the same as the other Rangers. He eventually takes out his Staff and converts it to the Garuda Crossbow. He fires a few shots at the Infelshias and they fall down and melt. Keith fights the Command Infelshia with his sword. He and the Command Infelshia exchange blows with their respective weapons, until Keith gets in a good upward vertical slash on the Command Infelshia. The Command Infelshia falls down and explodes. Night and Mare watch all of this.

MARE

Well back to the lair for us.

NIGHT

We might as well come up with a new plan.

Night and Mare vanish. The Rangers regroup and power down.

BOWIE

Well that was pointless.

WALKER

Yeah. Good work with that Command Infelshia Keith.

KEITH

Please after that last battle with Wolzard these things are nothing. Anyway, we should probably go back to the castle, it's almost lunchtime.

FADE OUT.

FADE IN:

INT. THE LAIR - DAY

Night and Mare sit in front of the throne.

MARE

What are we going to do?

NIGHT

I know, Mechanos is gone and Wolzard is nowhere to be found. We need something or someone else here.

MARE

I know, how about we go to that room where we found the Accursed Bow?

NIGHT

Great idea Mare. Let's go.

INT. ANOTHER ROOM IN THE LAIR - DAY

Night and Mare enter. The room is full of what appears to be junk. Night and Mare wander around looking through everything.

MARE

Just how are we going to find something in here?

NIGHT

I don't know. This was your idea.

Night and Mare continue to look around until eventually Mare trips over a sarcophagus.

MARE

What is this?

Night turns around and sees what Mare tripped over.

NIGHT

Yes of course.

MARE

What?

NIGHT

This is Osiris' sarcophagus. We'll bring him to Demos' portal and have Demos revive him.

MARE

That's brilliant. But how are we going to lift this thing?

NIGHT

Who says we have to do any lifting?

Night raises her right hand and snaps her fingers. A small group of Infelshias comes in.

NIGHT

Take this to the main chamber and place it on Demos' portal.

The Infelshias gather around the sarcophagus, and pick it up. They then start to carry it out of the room.

INT. THE MAIN CHAMBER OF THE LAIR - DAY

The sarcophagus lies on Demos' portal, which is now glowing bright red. Blood red colored waves of energy engulf the sarcophagus causing it to vanish, the body of Osiris then receives the same waves of energy. The "allaxima, dolon" spell can be heard, as the body rotates vertically with the head pointed up. The body then is pushed backward and placed just above the edge of the portal. The waves that surround the body vanish revealing a new form. Osiris is crouched down.

OSIRIS

Thank you Lord Demos for reviving me.

Osiris gets up, turns around and sees Night and Mare.

OSIRIS

Night, Mare, long time no see. I trust that you were the ones to do this.

NIGHT

We were.

OSIRIS

And why have you revived me?

MARE

Mechanos has been defeated, and Wolzard is nowhere to be found.

OSIRIS

Who's Wolzard? But that's not important right now. What's important is that fool Mechanos has finally gotten what has been coming to him for centuries.

NIGHT

I thought you were one of Mechanos' most loyal minions.

OSIRIS

I only appeared loyal to gain his trust, so that he could make me his second in command. I had been plotting against him for years. But with my revival, the name "Osiris" is no longer fitting for this new form. From here on in call me "Mumankamon".

MARE

Mumankamon?

MUMANKAMON

Pharaoh Mumankamon. The new ruler of the underground kingdom!

NIGHT

Just wait a minute, why are you the new ruler? With Mechanos and Wolzard gone, we're in charge.

MUMANKAMON

What you fail to realize is that Mechanos decreed that I should rule if anything were to happen to him, and as such I am taking it. If the two of you wanted to rule you should have left me in my sarcophagus. Now do I have your support?

NIGHT AND MARE

No.

MUMANKAMON

Very well. Halosis, phalanx!

Mumankamon waves his fan at Night and Mare and turns them into centipedes.

NIGHT

We're centipedes?

MARE

This is disgusting!

MUMANKAMON

Do I have your support now?

NIGHT AND MARE

Yes, just change us back!

MUMANKAMON

Very well. Ledos!

Mumankamon waves his fan again, and Night and Mare return to normal.

MUMANKAMON

Hmm...it appears that I have all of my previous abilities, but I am now more powerful as the new ruler. That fool Mechanos was always obsessed with opening the gate to let him out, but I will take the smarter path and revive Lord Demos first. Now tell me is there anything stopping my quest?

NIGHT

The Power Rangers.

MUMANKAMON

Power Rangers?

MARE

They're the new generation of Magix Mages.

NIGHT

And the Red Ranger is descended from Ignatius Firebird.

MUMANKAMON

Ignatius Firebird's descendant, eh? Well I suppose the descendant will pay for what his ancestor did to me. Girls I'm going to the surface.

A black magic circle forms underneath Mumankamon's feet. He disappears after it forms.

MARE

He can make those circles too? The Rangers don't stand a chance.

NIGHT

No they don't Mare, no they don't.

They look at each other, smile, and start to laugh maniacally.

FADE OUT.

FADE IN:

INT. THE MAIN HALL - DAY

The Rangers sit at the Firebird House table looking at that book.

KEITH
This is interesting.

BOWIE
What?

KEITH
It seems that Wolzard isn't in this book.

WALKER
What?

KEITH
I'm not kidding.

MARIA
When was this book published?

Keith thumbs through the pages.

KEITH
There doesn't seem to be a date, but since this is more of a diary, the last entry is from like fifty years ago.

BOWIE
So Wolzard is actually a new addition to the underground kingdom.

WALKER
But Mechanos had to have had a second in command, because I can't imagine that it'd be Nhymera.

KEITH
Just let me check.

Keith thumbs through the book again.

KEITH
Found it.

BOWIE
So who was it?

KEITH

Someone by the name of General Osiris,
but there's probably no chance of us
seeing him anytime soon.

ABBY

How come?

KEITH

He was defeated in battle, and then
turned into a mummy. Although
apparently Mechanos decreed that should
anything happen to him Osiris would've
taken over.

WALKER

Good thing Osiris has been defeated.

KEITH

And I especially like the part about
who defeated him.

BOWIE

Who was it?

KEITH

Ignatius Firebird.

MARIA

Amazing.

KEITH

It was probably nothing that a Firebird
couldn't handle.

The warning sound goes off on the Morphers. Abby pulls hers
out and opens it up.

ABBY

It's somewhere downtown.

KEITH

Let's go.

The Rangers get up and leave the hall.

FADE OUT.

FADE IN:

EXT. DOWNTOWN GANDALF CITY - DAY

The Rangers show up to find nothing.

BOWIE

The warning sound is usually never wrong.

Abby looks up and points out.

ABBY

Uh, guys look.

The other Rangers look up to see a large cloud of black smoke in the air. The cloud descends to the ground, and takes the form of Mumankamon.

MUMANKAMON

So you five must be the Power Rangers.

KEITH

What's it to you?

Mumankamon takes a look at Keith.

MUMANKAMON

Are you by chance the descendant of Ignatius Firebird?

KEITH

I am, why?

MUMANKAMON

You shall pay for what your ancestor did to me!

KEITH

Are you Osiris?

MUMANKAMON

Correction, I was Osiris. But since Lord Demos has revived me, I have discarded that name in favor of Pharaoh Mumankamon, the new ruler of the underground kingdom.

WALKER

Who did this?

MUMANKAMON

Why it was Night and Mare.

BOWIE

Figures, they would've needed some more help now.

MUMANKAMON

Although, I really should thank you Rangers for defeating Mechanos.

MARIA

What? Why?

MUMANKAMON

Because without the five of you Night and Mare would never have revived me, and I would never had risen to the new power that I have. So I think I'll go easy on you today. Labhe!

Mumankamon waves his fan, which causes a small explosion in front of the Rangers. When the explosion clears, the Rangers are now morphed. Keith draws his Staff and converts it to his Sword. He charges at Mumankamon. He tries to slash at Mumankamon, but Mumankamon teleports behind Keith a few feet back. Keith turns around, and tries to slash at Mumankamon again, but Mumankamon teleports before Keith can do anything. Keith looks around.

KEITH

Show yourself!

Mumankamon comes up right behind Keith.

MUMANKAMON

I'm here.

Keith turns around. Mumankamon places his left index finger on Keith's helmet.

MUMANKAMON

Meros!

Mumankamon's spell sends Keith flying back many feet. Walker draws his Wand Staff.

WALKER

Okay trees grant me your power.
Draiocht, duil!

Walker points his Staff at Mumankamon. Two vine-like branches extend from a tree and wrap around Mumankamon. As Walker raises his staff, the branches that are constricting Mumankamon lift Mumankamon up.

WALKER

How's that?

MUMANKAMON

Thursos, ledos!

Mumankamon's spell causes the branches to let go of him. Mumankamon lands on the ground.

WALKER

How?

MUMANKAMON

Thursos, meros!

Mumankamon points his fan at Walker. The same branches that constricted Mumankamon are now constricting Walker. Mumankamon rotates his fan so that it is now vertical. A few explosions go over Walker's body as he falls down. When Walker lands the branches are no longer on Walker. Abby confronts Mumankamon with her Staff drawn.

ABBY

Arthraigh, marbhan!

Abby raises her Staff, and a pink magical energy comes out of it turning her into an electric fan.

ABBY

Pink Ranger Fan!

Mumankamon places his fan underneath his chin.

MUMANKAMON

Allaxima, phalanx!

Mumankamon turns into an industrial size electric fan. Both fans start to turn their blades, and the resulting wind from each meets each other. However Mumankamon's wind is much more powerful than Abby's, and sends her flying back. Abby reverts back to normal, and lands on the ground. Maria then confronts Mumankamon with her Staff pointed at him.

MARIA

Time to blow you away. Draiocht, duil!

A jet of water shoots out of Maria's staff.

MUMANKAMON

Thursos, meros!

Mumankamon's spell forms a tornado that flies through Maria's jet, and hits her sending her flying up and back.

BOWIE

Not so fast!

Mumankamon faces Bowie.

BOWIE

Arm!

Bowie raises his Staff to the sky. Yellow lightning bolts come down on Mumankamon, but he catches them with his fan. The lightning gets stored in the fan. Mumankamon partially covers his face with the fan.

MUMANKAMON

Interesting Yellow Ranger, but I'm sure you'll find this shocking.

Mumankamon points his fan at Bowie.

MUMANKAMON

Dolon!

The lightning that Bowie had used to attack Mumankamon is shot back at him with a little bit of Mumankamon's own power. The attack hits Bowie causing a few explosions to go over his body. Bowie falls down to the ground and the other Rangers struggle to come up to him.

MARIA

What power.

BOWIE

I think he might be stronger than Mechanos ever was.

KEITH

Duine, duil! Phoenix Crash!

Keith jumps up and flames engulf his body. The flames take the form of a phoenix and Keith flies sword first at Mumankamon. Mumankamon sticks out his fan, and Keith's sword hits it, as Keith comes flying at Mumankamon. The flames that were on Keith's body disappear. Keith hovers in mid-air with his sword pressed up against Mumankamon's fan.

MUMANKAMON

Cute, but not good enough. Gangalos, meros!

Mumankamon waves his fan. The spell causes the flames Keith used to attack him. Keith flies back and falls near the other Rangers. Mumankamon faces the Rangers.

MUMANKAMON

So the five of you are the ones who are standing in my way, huh? I was expecting more from a group of Magix Mages. But now it's time to finish you off.

Mumankamon prepares to wave his fan, but his arm stops part way.

MUMANKAMON

This is interesting, but why won't my arm move?...That's it! I have been in a state of inactivity for so long, my body isn't used to this kind of motion. I will leave you for now Rangers, but believe me; the next time we meet will be your last. Allaxima, ledos!

Mumankamon disappears.

FADE OUT.

FADE IN:

INT. PROF. FIREBIRD'S OFFICE - EVENING

The Rangers come in looking a little beaten.

PROF. FIREBIRD
What happened?

KEITH
There's a new ruler of the underground kingdom.

PROF. FIREBIRD
What?

WALKER
He calls himself Pharaoh Mumankamon.

PROF. FIREBIRD
I have never heard of him before. Where did he come from?

BOWIE
He's the revived form of Mechanos' old general Osiris.

PROF. FIREBIRD
Osiris has been revived?

KEITH
Apparently, and he seems to be more powerful than Mechanos.

PROF. FIREBIRD
This is bad. I think it might be a good idea to ask for some help for the five of you.

MARIA
From where?

PROF. FIREBIRD
I will talk to Professor Salem at Solaria; perhaps he could send someone to assist the five of you.

KEITH
Is this guy going to have his own Ranger powers?

PROF. FIREBIRD

Probably not, but maybe the student who Salem sends will give the five of you more of a tactical advantage.

KEITH

I really don't think Salem could send us anyone of any use without Ranger powers.

PROF. FIREBIRD

While I do agree Keith, it appears that the five of you really do need some kind of assistance.

INT. A DIMLY LIT ROOM, SOMEWHERE WITHIN THE CASTLE - DAY

A navy and gold colored lamp rests on a stone pedestal.

KEITH

(V/O)

Are you sure that there are no other Ranger powers other than the ones we have?

PROF. FIREBIRD

(V/O)

It has always been the five mages of each of the houses who received these kinds of powers, with the exception of my White Ranger powers.

KEITH

(V/O)

But isn't there something somewhere that could be used?

PROF. FIREBIRD

(V/O)

There could be. There are areas of the castle that have not been touched for centuries.

END
