"POWER RANGERS MAGIX: EPISODE 21 - HOW KEITH GOT HIS GROOVE  
BACK"

FADE IN:

INT. PROF. FIREBIRD'S OFFICE - MORNING

PROF. FIREBIRD enters her office. She walks over to where the chairs and small coffee table are rested, takes out her Wand Morpher and converts it to wand mode. She then waves the morpher and a teapot, a teaspoon, and a cup and saucer combo appear. She feels the teapot.

PROF. FIREBIRD  
Good, nice and hot.

Prof. Firebird waves her wand again and makes the teapot levitate. She positions the spout of the teapot over the cup and pours tea into the cup. Prof. Firebird then makes the teapot rest on the table again. She waves her wand and a bowl full of sugar cubes, and a small pitcher of milk appears near the teapot. Prof. Firebird takes out two cubes of sugar and dumps them into the cup. She then pours a little bit of milk into the cup. Prof. Firebird then takes the spoon and stirs her tea. She picks up the cup and saucer, sits down in one of the chairs and starts to drink her tea. As she is drinking the tea she clearly looks relaxed. Prof. Firebird finishes her tea and places the cup and saucer back on the table. She then gets up and walks over to the front of her desk. Prof. Firebird stares at her desk for a few moments.

PROF. FIREBIRD  
As much as I do not want to do this,  
especially on a nice Saturday morning  
like this, it has to be done.

Prof. Firebird walks to the back of her desk, and pushes the chair aside. She then starts to open up drawers in the desk and tidies them up. She then takes out the bottom right hand drawer. When the drawer is out of the desk, a light thump is heard.

PROF. FIREBIRD  
What was that?

She looks into the desk but does not see anything. She then starts to feel around the area, and finds a black leather box. She feels the top of the box and an adhesive residue is on it. She sets the box on top of the desk and opens it. Five rings with different colored gems are contained within the box. The rings are contained with two at the top of the box, one in the middle, and the last two at the bottom of the box. Prof. Firebird picks up the ring in the middle, which has a red-colored gem in it. She holds it between her right thumb and index finger and looks at the sides of it. The Magix "M" symbol is etched into it. Prof. Firebird then notices an off-white colored piece of paper on the upper part of the box. She grabs the paper with her left hand and unfolds it. She reads the note aloud.

PROF. FIREBIRD

Athena, although I have hidden these rings from everyone else, I would like you to give them to the new mages when you feel that they are ready to have them. These rings at one point were owned by the five founders, and are said to have great power. If you are wondering why you have just now found these rings, the answer is quite simple. I placed a charm on the adhesive that was used to hold the box to the bottom of the drawer. The charm should last for at least five years, but as I am sure you are now well aware, the charm has worn off. I will leave you by restating that if you feel that the new mages are ready for these rings, please give the mages the rings. With all my love, Zev.

Prof. Firebird places the note on her desk.

PROF. FIREBIRD

First you sent me a Wand Morpher, then you sent me the Moonlight Bracelet, and now you have left these rings for me to find five years after you "disappeared". Zev what is this master plan that you seem to have?

Prof. Firebird places the ring back in the box.

PROF. FIREBIRD

So I guess the question now is, are Keith, Walker, Bowie, Maria and Abby ready for these rings?

Prof. Firebird places her left elbow on her desk, and makes a fist with her left hand. She then places her chin on her left fist. She holds her head there for a few minutes and has an expression of some very deep thought over her face.

PROF. FIREBIRD

The Rangers certainly have been through a lot over the past few months. They have defeated Mechanos, which now that I think about it, is more than enough reason to give them these rings. Better call them and tell them about it.

She takes out her Wand Morpher and opens it up. She dials a number.

PROF. FIRBIRD

Rangers, could I see you in my office for a moment please? (pause) Actually Samson, I do not need you in here, so you can go back to sleep if you wish. (pause) The rest of you please come in here.

She ends the call.

PROF. FIREBIRD

Better straighten everything up before they get here.

Prof. Firebird puts everything back to where it once was. Moments later a knocking is heard on the door.

PROF. FIREBIRD

Come in.

KEITH, WALKER, BOWIE, MARIA, and ABBY come into the office still in their pajamas, with their hair all messed up and looking extremely tired.

KEITH

What's so important that you had to drag us out of bed at nine on a Saturday?

PROF. FIREBIRD

I just discovered something in my desk that I want the five of you to have.

BOWIE

You've got to be kidding me. You dragged us out of bed just to give us something?

PROF. FIREBIRD

What I am about to give you is very important.

WALKER

Couldn't this have waited until later in the day?

ABBY

Yeah. I was having the most wonderful dream before you called Professor.

PROF. FIREBIRD

Keith, Walker, Bowie, Abby; I am surprised. I thought you would be ready to receive this gift, but it appears you are not.

MARIA

Don't blame them. We're all cranky. Being Rangers, and still having to do school work is very draining.

PROF. FIREBIRD

I see, I should have known better. After all, I was in your position one hundred years ago.

KEITH

Now what is it that you want to give us?

Prof. Firebird opens the box with the rings and shows the Rangers.

BOWIE

Rings?

PROF. FIREBIRD

These are no ordinary rings. These rings belonged to Ignatius Firebird, Alastair Taurus, Xavier Goldenbird, Madeline Merfolk, and Gamma Pixee, respectively.

WALKER

You're giving us the rings of the founders?

PROF. FIREBIRD

Yes.

MARIA

But why?

PROF. FIREBIRD

The five of you have done so much good recently; I feel that these should be passed down to the new generation of Magix Mages.

ABBY

This is a great honor.

PROF. FIREBIRD

Any questions?

KEITH

I've got one.

PROF. FIREBIRD

Sure.

KEITH

Why now?

PROF. FIREBIRD

Because as I was cleaning my desk, I found these rings and there was a note in the box that told me to give the rings to the five of you whenever I felt that the five of you were worthy. And I feel that after defeating Mechanos the way you did, you are more than worthy. Any other questions?

KEITH

I have another one.

PROF. FIREBIRD

Go ahead.

KEITH

Would I by chance happen to know the person who left these rings for you to find on more than a casual acquaintance level?

PROF. FIREBIRD

I can see where you are going with this Keith, and the answer is yes, it was your father who left these rings. Now that is all I have to say about these rings. So go ahead and take them.

Keith, Walker, Bowie, Maria, and Abby walk up to the box with the rings. Keith takes the one with the red gem. Walker takes the one with the green gem. Bowie takes the one with the yellow gem. Maria takes the one with the blue gem. Abby takes the one with the pink gem. They each slip the rings onto one of their fingers. Once the rings are on their fingers Keith, Walker, Bowie, Maria, and Abby step back from the desk.

WALKER

Is there anything else you want from us?

PROF. FIREBIRD

No, the five of you are free to do whatever you wish today.

Keith, Walker, Bowie, Maria, and Abby leave the office. They stand around outside of Prof. Firebird's door.

BOWIE

So what's everyone planning on doing today?

Walker starts to yawn.

WALKER

I'm going back to bed.

MARIA

Well now that I'm up, I might as well go down to the main hall and get breakfast. What about you Bowie?

BOWIE

I've got to make a batch of potion for Samson that'll perk up the catnip plant he has.

ABBY

I kinda want to go to Horizont Alley. Anyone wanna come with?

Abby looks at Bowie, Walker, and Maria who are all shaking their heads. Abby then turns her attention to Keith.

ABBY

What about you Keith?

KEITH

I guess. It's not like I have anything better to do today.

ABBY

Okay good, just get ready and I'll meet  
you near the entrance to the castle.

Keith, Walker, Bowie, Maria, and Abby go off in their own  
directions.

FADE OUT.

FADE IN:

EXT. DOWNTOWN GANDALF CITY - DAY

A woman is walking her dog, while a man sits on a bench at a bus stop. A multi-colored streak goes past the two of them, and when it leaves the woman's dog is missing, as is the man's toupee. The woman and the man realize what has happened.

WOMAN

My dog, where'd my dog go?

The man feels his head.

MAN 1

Great I'm bald again. The guys at the office are going to start calling me "cue ball" again.

EXT. ANOTHER PART OF GANDALF CITY - DAY

A little girl and her mother are walking down the street. The little girl is carrying a teddy bear. The streak goes past the girl and takes her bear. A man walks down the street carrying a laptop bag. The streak goes past the man and the laptop bag has vanished. While sitting on a bench teenaged girl has her cell phone out, and is typing a text message. The streak goes past the girl and the cell phone has vanished. The streak moves and goes up to the top of a telephone pole, and takes the form of the WIND THIEF monster. Wind Thief is holding the cell phone, the teddy bear, the laptop bag, the toupee, and the dog.

WIND THIEF

Excellent! I've managed to get the prized possessions of many people, all in a day's work.

Wind Thief starts to put the items into a brown bag. Once all of the items are in the bag Wind Thief grabs a hold of it.

WIND THIEF

Time to get more.

Wind Thief takes off.

EXT. THE ENTRANCE TO HORIZONT ALLEY - DAY

Abby and Keith walk away from the area.

KEITH

It was fortunate that the store is able to deliver to the castle.

ABBY

Yeah, there's no telling what prying mortal eyes would think if they saw all of those bags and the stuff that's in them.

Keith and Abby continue to walk until they come across a bus stop with numerous people lined up. They watch a man butt to the front of the line in front of another man.

MAN 2

What do you think you're doing?

MAN 3

Waiting for the bus, what else?

The two men start to get into an argument. Keith and Abby watch.

ABBY

Somebody should do something about that.

Keith walks up to the man who instigated the argument.

KEITH

Excuse me, what do you think you're doing?

MAN 3

Waiting for the bus. What's it to you?

KEITH

Isn't the end of the line over there?

Keith points to the end of the line with his right hand.

MAN 3

What are you going to do about it, punk?

KEITH

Whatever I have to.

MAN 3

Is that so?

The man makes a fist with his right hand, winds back his arm and launches a punch that stops two inches before Keith's nose. Seeing that Keith did not flinch, the man walks to the end of the line. Abby comes up to Keith.

ABBY

That was amazing.

Wind Thief streaks past Keith, and as he does so a pale pink light glows before Keith for a split second. When Wind Thief has passed by the expression on Keith's face changes to an unsure one. Abby looks at Keith's new expression.

ABBY

What's wrong?

KEITH

Nothing, I think. Why?

ABBY

You just look like there's something wrong.

KEITH

Let's just head back to the castle, okay?

ABBY

Okay.

Keith and Abby walk through the city until eventually coming to a plaza. The warning sound on the Wand Morphers goes off.

KEITH

(nervously)What was that?

ABBY

It's just our Wand Morphers.

Abby takes out her Wand Morpher. Keith does the same but he not only fumbles taking it out, he also fumbles with it after it is out. Keith's Morpher flies up a little and goes from one hand to the other until finally falling to the ground. Keith bends over, picks up his morpher and opens it.

KEITH

(nervously) It looks like the monster's close.

Walker, Bowie, Maria, and SAMSON (all unmorphed) come up to the plaza. Samson has a punched card out.

SAMSON

Scipio, equus, natura!

A yellow-orange blast of light shoots out of the card at Wind Thief as he comes streaking to the plaza. The blast hits Wind Thief knocking him down to the ground. Wind Thief's bag falls down as well. He then gets back to his feet.

WIND THEIF

Looks like I've been found out. Either way it won't stop me from continuing my spree of robbing people of their most prized items.

MARIA

No way.

WALKER

Let's do it guys.

Walker, Bowie, and Maria take out their Wand Morphers and convert them to wand mode. Abby converts her morpher to wand mode. Samson takes out his Punch Morpher and morph card.

WALKER, BOWIE, MARIA AND ABBY

Magix...

SAMSON

Solaria...

WALKER, BOWIE, MARIA, SAMSON AND ABBY

Metamorphosis! Arthraigh, duine, marbhan! (Samson only) Abeo, equus, corporeus!

Walker, Bowie, Maria, Samson and Abby morph. Samson jumps up and tries to punch Wind Thief. Wind Thief dodges the attack, and flings his bag at Samson. Bowie looks at Keith who is crouched down.

BOWIE

What are you doing? Hurry up and morph.

Walker, Bowie, Maria, and Abby join Samson in fighting Wind Thief. Keith gets up, and opens up his morpher. He converts it to wand mode.

KEITH

(nervously) Arthraigh, duine, marbhan!

Nothing happens.

KEITH  
 (nervously) Arthraigh, duine, marbhan!

Nothing happens.

KEITH  
 (nervously) Why can't I morph?

The other Rangers continue to fight Wind Thief. Wind Thief manages to knock back Walker, Bowie, Maria, and Abby. A colored glow goes over Walker, Bowie, Maria, and Abby, and their Wand Staffs appear in Wind Thief's left hand.

WIND THIEF  
 These are mine now.

WALKER  
 Give those back!

WIND THIEF  
 If you them back, I'll give you them back!

Wind Thief throws the staffs at Walker, Bowie, Maria, and Abby and each of their staffs hit them knocking them to the ground. Keith sees them on the ground

KEITH  
 (nervously) You guys okay?

BOWIE  
 Keith just hurry up and morph!

KEITH  
 (nervously) But I can't.

Keith starts to cry a little. Maria slowly gets up and looks at Keith.

MARIA  
 Keith, are you crying?

WIND THIEF  
 Wait a minute. I just remembered something.

Wind Thief sets down his bag reaches into it, and pulls out a pink colored ball. He holds it up.

WIND THIEF  
 I got this from the crybaby over there.

MARIA  
 What?

WIND THIEF

That's right, and now to take more than that.

Wind Thief picks up his bag, and starts to streak over to Keith. Bowie tries to stop Wind Thief, but to no avail. Wind Thief continues his path to Keith.

SAMSON

Watch out!

Samson jumps up and hits Wind Theif, as Wind Thief is about to get Keith. Wind Thief lands with the "SOLARIA EXPRESS TRAINZORD" card in his left hand. He looks at it.

WIND THIEF

Look at what I got here. I'm sure Mumankamon will be very pleased with this.

Samson holds the Magix Lamp, and CHESHIRE pops his head out.

CHESHIRE

That's the card for the Solaria Express Trainzord!

WIND THEIF

Looks like I'm the big winner today.

NHYMERA comes to the scene.

NHYMERA

Well-done Wind Thief! Mumankamon will be very pleased. Now let's go show Mumankamon.

Nhymera and Wind Thief disappear. Walker, Bowie, Abby, and Maria try to go after them.

WALKER

Hold it!

Samson looks down at Cheshire.

CHESHIRE

Your Trainzord card was stolen.

SAMSON

That doesn't matter now, something much more important was taken from Keith.

FADE OUT.

FADE IN:

INT. THE LAIR - DAY

MUMANKAMON sits on the throne holding the Trainzord card.

MUMANKAMON

Well, well, the old saying is true. If at first you don't succeed try, try, again.

Mumankamon looks over at Wind Thief who is stand near what appears to be a cement mixer.

MUMANKAMON

Good work Wind Thief. You were able to obtain what Shurikage couldn't. By the way, how's your plan coming along?

WIND THIEF

Excellent. I've got plenty valuable items from those accursed humans to make the dynamite that'll destroy the surface.

Nhymera walks up to the mixer.

NHYMERA

Excellent plan. When the dynamite explodes on the surface it'll turn everything into a mess, giving us the perfect opportunity to strike and cause further havoc.

WIND THEIF

Let's do this!

The main container starts to turn on the mixer as Wind Thief starts to put items into the mixer. He continues putting items into the mixer until getting to the pink ball he took from Keith.

WIND THEIF

Now it's time to put this in from the Red moron.

As Wind Thief is about to place the ball into the mixer WOLZARD comes in quickly and grabs the ball.

NHYMERA

Wolzard!

WOLZARD

So this is from the Red Ranger.

MUMANKAMON

Why are you seizing this?

WOLZARD

I only obey Lord Demos, and I only work for Lord Demos. Doing this is for Lord Demos' sake.

Mumankamon gets up and starts to walk over to Wolzard.

MUMANKAMON

But you forget Wolzard; I too am working for Lord Demos' sake. If you obey me you are doing Lord Demos' bidding.

Demos' portal starts to glow red.

WOLZARD

Very well.

Wolzard drops the ball into the mixer.

MUMANKAMON

Now let's defeat the Rangers once and for all!

Mumankamon holds up the Trainzord card and bites it.

FADE OUT.

FADE IN:

EXT. A RANDOM AREA - DAY

The Trainzord rolls down some rails. Inside the cockpit of the engine, NIGHT drives the train, as MARE shovels coal into the furnace, and Wind Thief stands behind Night admiring the stick of dynamite that he has created.

WIND THEIF

This is so perfect. The humans will never know what hit them with this.

Night and Mare raise their right fists.

NIGHT AND MARE

All right!

Night pulls one of the levers in front of her.

The Trainzord then separates into its components and combines into the Solaria Express Megazord.

NIGHT AND MARE

Solaria Express Megazord, power up!

Inside the cockpit Night, Mare, and Wind Thief are where they were.

NIGHT

Now it's time to go berserk with the Solaria Express Megazord.

MARE

Let's crush the city with it!

Mare wipes her face with her left hand, which causes some soot to go on her face.

MARE

Wind Thief good luck on your mission.

WIND THIEF

Okay!

INT. PROF. FIREBIRD'S OFFICE - DAY

Prof. Firebird sits at her desk, as Keith looks somewhat uneasy. The other Rangers all look a little worried about Keith.

PROF. FIREBIRD

So what exactly happened?

WALKER

We're not sure, but something was stolen from Keith by the monster, and it's preventing him from morphing.

BOWIE

But what is it?

ABBY

His courage.

SAMSON

What?

ABBY

As Rangers our magic responds to our courage, right?

MARIA

Yeah, but what does that have to do with anything?

ABBY

No courage, no magic, and without magic we can't...

WALKER

I get it now. Without Keith's courage he doesn't have his magic, which would allow him to morph.

PROF. FIREBIRD

Excellent deduction Abby!

KEITH

(nervously) But how am I going to get my courage back?

PROF. FIREBIRD

That is something that you will have to figure out on your own, Keith.

KEITH

But-

PROF. FIREBIRD

On your own!

Keith runs off to a corner in the office. He crouches down and gets into the fetal position, and starts to cry a little bit.

PROF. FIREBIRD

In the meantime, I think it would be wise that the five of you go out and try to get the Trainzord card back.

SAMSON

Yeah, that would be a good idea.

The warning sound goes off on the morphers.

WALKER

Looks like we've got to go.

Walker, Bowie, Maria, Abby, and Samson leave the office. Prof. Firebird gets up from her desk walks up to Keith.

PROF. FIREBIRD

In the meantime Keith, I will be taking your ring back.

KEITH

But why?

PROF. FIREBIRD

I gave these rings to you, Walker, Bowie, Maria, and Abby as a reward for all of the courageous things that the five of you have done. And since you no longer have courage, please give me back the ring.

Keith takes off the ring, and hands it to his mother.

KEITH

How can I get it back?

Prof. Firebird walks over to her desk and places the ring into a brown envelope. She then takes out her morpher in wand mode.

PROF. FIREBIRD

Teicniocht, solas!

The envelope disappears.

PROF. FIREBIRD

I have just placed the ring the tree that is near the greenhouse. You can find it at the top. If you want the ring back, climb the tree.

KEITH

But that tree is so high.

PROF. FIREBIRD  
Do you want the ring back?

KEITH  
Yes.

PROF. FIREBIRD  
Then climb the tree.

EXT. THE AREA OF THE SOLARIA EXPRESS MEGAZORD - DAY

The Solaria Express Megazord walks around.

NIGHT AND MARE  
Here we go!

SAMSON  
Hold it!

The Solaria Express Megazord turns around. Walker, Bowie, Abby, and Maria (all morphed) are riding on their Broom Jets, and Samson (also morphed) is riding on the Carpet Glider. The Rangers continue to fly near the Solaria Express Megazord.

NIGHT AND MARE  
There they are!

Night and Mare fire a blast from the Solaria Express Megazord's head. Walker, Bowie, Abby, and Maria jump off of their Jets.

WALKER, BOWIE, MARIA, AND ABBY  
Arthraigh, duine, duil!

Walker, Bowie, Maria, and Abby all morph to Zord Form. The Minozord takes on the Solaria Express Megazord, the Merzord stands behind the Megazord, and the Garudazord and Fairyzord fly past the Megazord hitting it. Wind Thief watches the fight from a good distance.

WIND THIEF  
Time to take this opportunity to do what I have to.

Samson lands on the ground.

SAMSON  
Not so fast!

WIND THIEF  
Huh?

SAMSON

Return the stolen items.

A few blasts are fired at Samson. Samson guards himself with his cape. Samson then turns around to see Mumankamon and Wolzard.

MUMANKAMON

So we meet at last Solaria Ranger.

SAMSON

So you're Mumankamon.

MUMANKAMON

That's right, and today will be the last time that we ever meet.

Mumankamon turns around and walks over to Wolzard.

MUMANKAMON

Wolzard, tear the Solaria Ranger apart and give him to the Infelshias to amuse them.

Wolzard draws his sword and points it at Samson. Samson and Wolzard run up to each other and start to fight.

EXT. THE TREE NEAR THE GREENHOUSE AT MAGIX - DAY

Keith stands in front of the tree and looks up at it. He swallows very nervously.

KEITH

Well here goes nothing.

Keith starts to climb the tree, and is able to get up to four feet.

EXT. THE AREA FROM BEFORE - DAY

The Solaria Express Megazord continues to fight the Minozord, Garudazord, Merzord, and the Fairyzord. The Solaria Express Megazord swats the Fairyzord away as if it were a fly. The Merzord tries some diversionary tactics, but ends up getting hit anyway. The Minozord tries to fight the Solaria Express Megazord but ends up taking a couple of hits. The Garudazord starts to come flying toward the Solaria Express Megazord's head, but inside of the Solaria Express Megazord cockpit Mare shovels some coal, which causes steam to come out of the Solaria Express Megazord's head.

NIGHT

Take that!

The Solaria Express Megazord hits the Minozord knocking it down. The Minozord turns around.

WALKER

Guys, we need to use the Dragonzord!

The Fairyzord, Garudazord, and Merzord jump up. In a different area Samson continues to fight Wolzard. They exchange a few punches. Samson falls back a little and Wolzard rushes up and slashes Samson quickly.

EXT. THE TREE NEAR THE GREENHOUSE AT MAGIX - DAY

Keith is now  $\frac{3}{4}$  of the way up the tree. He continues to climb, going past numerous branches, until eventually finding the envelope. He opens the envelope and finds the ring inside. He places the ring on the same finger as before. As finishes putting the ring on, the branch that he is standing on snaps, and he starts to fall to the ground. He pulls out his Wand Morpher and converts it to wand mode.

KEITH

I hope this works! Teicniocht, marbhan!

He points the tip of the wand to the ground and as he is about five feet off of the ground, the ground turns into a giant air bag. Keith lands on the air bag, and then safely gets to the ground. Once Keith is on solid ground again, the air bag turns back into the ground. Prof. Firebird comes up to Keith.

PROF. FIREBIRD

Well done. In all honesty I thought you would have chickened out in your current state.

KEITH

I have my magic again, but why?

PROF. FIREBIRD

You climbed the tree.

KEITH

But what does climbing the tree have to do with anything?

PROF. FIREBIRD

Think about it.

KEITH

Let me guess, I climbed the tree despite my cowardice.

PROF. FIREBIRD  
But what did it do?

KEITH  
Brought back my courage?

PROF. FIREBIRD  
Exactly. Keith, courage cannot be  
stolen. It is always being generated in  
your heart. Never forget that.

KEITH  
So climbing the tree was a way to make  
me realize that, wasn't it?

PROF. FIREBIRD  
It was.

The warning sound goes off on Keith's Morpher.

KEITH  
It looks like the monster is up to  
something.

PROF. FIREBIRD  
Go forth and be careful.

Keith goes off.

FADE OUT.

FADE IN:

EXT. DOWNTOWN GANDALF CITY - DAY

Wind Thief finds himself at a plaza.

WIND THIEF

This looks like a good spot for the surface's explosive finish.

Keith comes running up to the area.

KEITH

Not so fast.

WIND THIEF

Well if it isn't the crybaby. What are you going to do?

KEITH

Just wait and see.

EXT. THE AREA OF THE SOLARIA EXPRESS MEGAZORD - DAY

The Solaria Express Megazord fights with the Dragonzord. The Dragonzord launches a three-pronged blast of fire, but the Solaria Express Megazord blocks it. The Dragonzord then flies toward the Solaria Express Megazord, but the Solaria Express Megazord gives the Dragonzord an uppercut with its right hand.

NIGHT

Take that!

The Dragonzord takes the full force of the uppercut, and then a blast of steam from the head of the Solaria Express Megazord. The Dragonzord flies back and turns into its components.

NIGHT AND MARE

This is the best!

In another area Samson continues to fight Wolzard. Wolzard charges at Samson, but Samson flips over Wolzard. Samson then kicks Wolzard, which sends Wolzard flying a little bit. Wolzard lands and gets back to his feet. He aims his shield at Samson.

WOLZARD

Howling Wolf; halosis, gangalos, thursos!

A Howling Wolf attack is launched at Samson. Samson covers himself with his cape, and takes out the Lamp Blaster. Wolzard jumps up to attack Samson, but Samson jumps to the side and fires a few shots at Wolzard from the Blaster. The shots hit Wolzard. Samson and Wolzard land and face each other. Samson has the Blaster aimed at Wolzard. A light appears in between Samson and Wolzard in the air, and fires a blast at Samson. Samson takes the force of the attack and falls to the ground. Mumankamon appears in-between Samson and Wolzard.

MUMANKAMON

That's enough for now Wolzard. I want to finish him off myself.

Mumankamon comes up to Samson. Wolzard places his sword back in his shield.

WOLZARD

You interfere...

Mumankamon converts his fan into a staff, and starts to use the end of it to attack Samson. Mumankamon steps on Samson's right arm, and places the end of the staff on Samson's chest.

MUMANKAMON

Wonderful! Wonderful! Soon Wind Thief will detonate the dynamite and then you can kiss your precious surface world good-bye! My only regret is that you won't be around to see it!

Mumankamon powers up the staff and points the top of it at Samson. Keith comes charging in carrying Wind Thief. Keith throws Wind Thief at Mumankamon, causing Mumankamon to fall to the ground. Keith holds up the dynamite.

KEITH

This is now mine!

MUMANKAMON

What?!

Mumankamon turns around to Wind thief.

WIND THEIF

Sorry.

Samson walks up to Keith.

SAMSON

But you lost your courage, how is this possible?

KEITH

Courage can't be stolen; it's always constantly being created within your heart. Here I go!

Keith takes out his Wand Morpher and converts it to wand mode.

KEITH

Magix Metamorphosis! Arthraigh, duine, marbhan!

Keith morphs.

MUMANKAMON

You're finished!

KEITH

Phoenix Sword!

Keith draws his Sword. Mumankamon points his fan at Keith.

MUMANKAMON

Halosis, gangalos, thursos!

Three purple-energy centipedes are launched at Keith, but Keith slices through them with his sword. Samson stands beside Keith.

MUMANKAMON

Meros!

Mumankamon's spell has no effect as both Keith and Samson are now charging toward Mumankamon and Wind Thief. Samson jumps up and fires a blast at Wind Thief. Mumankamon shields himself with his fan. Keith comes flying toward Mumankamon, and gives Mumankamon a slash from his sword. Mumankamon falls back and to the ground.

KEITH

How was that?

Mumankamon and Wind Thief get to their feet.

MUMANKAMON

Wolzard, why are you just watching? Get them!

WOLZARD

I am letting you finish this battle. It appears that I have no place in this one. Allaxima, ledos!

Wolzard vanishes.

MUMANKAMON

Wait Wolzard!

Mumankamon's cry is not heard as Wolzard has all ready left. Mumankamon turns to Wind Thief.

MUMANKAMON

Being out in the surface's air is making me feel a little unwell. I'm going back to the lair. I'm leaving the rest to you Wind Thief.

Mumankamon turns around and vanishes in a black magic circle.

WIND THIEF

Just leave it to me.

Another black magic circle appears under Wind Thief's feet.

MUMANKAMON

(V/O)

Halosis, gangalos, meros!

Wind Thief grows to gigantic size.

WIND THIEF

What should I do first? Oh yes, I'm going to step on you Red Ranger!

Wind Thief positions his right foot over Keith and starts to bring it down.

KEITH

I don't think so. Arthraigh, duine, duil!

Keith morphs to Zord Form as Wind Thief continues to bring down his foot. The Phoenixzord grabs Wind Thief, and flings him.

WIND THIEF

Not again!

Wind Thief continues to fly, as the other Magix Zords get up. Wind Thief lands on the Solaria Express Megazord, knocking it down to the ground.

KEITH

Samson, now!

Samson flies by the Phoenixzord on the Carpet Glider. He jumps up and enters the cockpit of the Solaria Express Megazord. Samson points his Blaster at Night and Mare. Outside of the Solaria Express Megazord the front part of the engine starts to move erratically, until eventually expelling Night and Mare in a burst of steam. The other Magix Zords gather around the Phoenixzord.

ABBY

Keith!

KEITH

Time to show you my true power!

The Garudazord walks up to the Phoenixzord.

BOWIE

Is this the same crybaby from before?

The Merzord comes up to the Phoenixzord.

MARIA

Don't worry about it.

KEITH, WALKER, BOWIE, MARIA, AND ABBY

Arthraigh, teicniocht, duine, marbhan!

The Magix Zords combine into the Magix Megazord. The two Megazords stand side-by-side.

WIND THIEF

I'll steal from you as many times as I want.

KEITH

I'm going to cut down your high-speed attack.

Wind Thief starts to charge at the two Megazords, but the Magix Megazord, with the X-Caliber sword drawn, slashes at Wind Thief, which stops the high-speed attack. The Magix Megazord then goes on to slash at Wind Thief a few more times with its sword.

SAMSON

Furnace tractor beam!

The front part of the Solaria Express Megazord comes down and fires an orange colored beam at Wind Thief. The beam hits the monster, causing it to shrink and get caught up in the Solaria Express Megazord's furnace and is destroyed. The two Megazords stand side-by-side.

FADE OUT.

FADE IN:

EXT. THE AREA THE RANGERS WERE JUST FIGHTING - DUSK

The Rangers (now all unmorphed) walk around. The warning sound goes off on Keith's morpher. Keith opens it up.

WALKER

It's a new spell.

KEITH

It must be because I found my courage,  
no wait a minute, I found new courage.

Keith converts his morpher to wand mode and points the tip at the stick of dynamite.

KEITH

Teicniocht, duine, marbhan!

Numerous balls of light come out of the stick and go off into many directions.

BOWIE

So it must cancel black magic and turn everything to normal.

MARIA

That's good.

The pink ball of Keith's courage flies up to him, and is absorbed by Keith. Abby goes up to Keith.

ABBY

Looks like you have double the courage now.

KEITH

Maybe. Anyway, is anyone else getting hungry?

SAMSON

I'm right behind you on that one Keith.

KEITH

So let's go back to the castle and grab a bite to eat.

The Rangers walk off.
