"POWER RANGERS MAGIX: EPISODE 22 - ICE TO SEE YOU AGAIN"

FADE IN:

INT. PROF. FIREBIRD'S OFFICE - MORNING

PROF. FIREBIRD enters her office. She walks around to make sure that everything is in its place. She then walks over to the area with the chairs and small coffee table. She takes out her Wand Morpher, and before she can get a chance to convert it to wand mode, the warning sound goes off. She looks at the screen.

PROF. FIREBIRD

My powers are fully energized. This is great news. But the question remains, should I tell the Rangers right away?
(pause) Better to keep it a secret, and maybe help them out if they need in the case that there is a monster attack today.

Prof. Firebird converts her Wand Morpher to wand mode, and conjures a teapot, a small bowl of sugar, a small pitcher of milk, and a cup and saucer combo. Prof. Firebird fixes herself a cup of tea the way she likes it and sits down in one of the chairs. After sitting for a while, a knocking is heard at the door.

PROF. FIREBIRD

Come in.

M. ESTRANGE, and NOCHE walk in.

NOCHE

Athena, we need to talk.

PROF. FIREBIRD

What is it?

M. ESTRANGE

I just received a vision that something major will happen today.

PROF. FIREBIRD

What?

M. ESTRANGE

I cannot say, but the vision involved a black phoenix turning red, and then turning black again. I think it could have something to do with your family.

PROF. FIREBIRD

Anyone in particular?

M. ESTRANGE

I am not sure, but it could very well be Keith.

PROF. FIREBIRD

Now Oscuro, what are you doing here?

NOCHE

I have actually felt a surge in dark energy, and Maxi's vision does not sit well with me at the moment.

M. ESTRANGE

In the case that the vision is about Keith I suggest that you take some extra caution with him today.

PROF. FIREBIRD

I see, well thank you for this information. Now if this vision is in fact about Keith turning to darkness, then I guess it is fortunate that my White Ranger powers have fully re-energized.

NOCHE

Are you sure about this?

PROF. FIREBIRD

Not overly, but there is only one way to find out.

Prof. Firebird gets up from her chair, placing the cup and saucer on the table. She then pulls out her Morpher and converts it to wand mode. She dials "1, 0, 6".

PROF. FIREBIRD

Magix metamorphosis! Arthraigh, duine, marbhan!

She hits the "enter button", and morphs once again into the White Ranger. Prof. Firebird takes a look at herself.

PROF. FIREBIRD

So the power of the Moonlight Bracelet
was able to do this? Ionsaigh!

Prof. Firebird powers down.

NOCHE

I think the better question should be,
how long are you going to have these
powers this time?

PROF. FIREBIRD

Provided that I do not have any major
entanglements with Wolzard, I think I
should be fine. Now would the two of
you like to join me?

NOCHE

If you do not mind Athena.

M. ESTRANGE

Yes.

Prof. Firebird sits back down in the chair that she was
sitting in, as M. Estrange and Noche sit in two other
chairs. Prof. Firebird then uses her wand to conjures two
more cups and saucers.

FADE OUT.

FADE IN:

INT. THE HALLS OF MAGIX OUTSIDE OF A CLASSROOM - DAY

KEITH and SAMSON walk out of the classroom. They walk down the hall for a few minutes until Keith receives a telepathic message.

VOICE

Red Ranger...

KEITH

That voice, Wolzard!

SAMSON

What's going on?

KEITH

For whatever the reason I've been receiving these messages from Wolzard since I became a Ranger.

SAMSON

What's he saying?

KEITH

All he's said so far is "Red Ranger".

WOLZARD

(V/O)

Red Ranger, meet me in half an hour and come alone. Today we end what we have between us.

The message ends.

KEITH

I've gotta go.

SAMSON

I'm coming with you.

KEITH

No, he wants me alone.

SAMSON

But you could use the backup.

KEITH

When Wolzard says he wants something done a certain way he wants it done that way. I wish I could bring you and the others with me, but I don't want to anger Wolzard anymore than he could be.

SAMSON

So what'd he say in his message?

KEITH

He wants to end what the two of us have.

SAMSON

Which is?

KEITH

You know, I'm not overly sure. There have been plenty of times where our battles have seemed to be him teaching me something.

SAMSON

That's odd.

KEITH

And this one time he said that my power of fire would turn to the color of darkness someday.

SAMSON

So maybe he wants to turn you to Demos' side.

KEITH

Could be anything. Do me a favor and tell the others.

SAMSON

What about Professor Firebird?

KEITH

This is something that she wouldn't let me do, at least not on my own. I don't think there's any reason for her to know.

SAMSON

While I do hate to keep information like this from the headmistress, as a friend, I'll keep this little secret from your mother.

KEITH

Thanks man.

Keith starts to run off.

SAMSON

Keith!

Keith turns around.

KEITH

Yeah?

SAMSON

Be careful out there. Remember it's not just your mother who'd be upset if anything bad would happen to you.

KEITH

I'll keep that in mind.

Keith continues on his path.

FADE OUT.

FADE IN:

EXT. A WOODED AREA - DAY

WOLZARD stands waiting. Keith (unmorphed) shows up.

WOLZARD

So you have come. Are you alone?

KEITH

I am. Now what do you want?

WOLZARD

At the end of our battle, your power of fire will be turned to the color of darkness.

KEITH

So you do want me to join Demos. Well it's not going to happen.

Keith takes out his Morpher, and converts it to wand mode.

KEITH

Magix metamorphosis! Arthraigh, duine, marbhan!

Keith morphs. He then draws his sword. Wolzard does the same. Keith and Wolzard charge at each other, swords drawn. Once they get near each other they exchange slashes and both swords clash. They continue doing this for several minutes, until Wolzard is able to slash at Keith's midsection. Wolzard aims his shield at Keith and the panel opens up.

WOLZARD

Howling Wolf; halosis, gangalos, thursos!

A Howling Wolf attack is fired at Keith, but Keith dodges it by jumping straight up in the air. Upon landing to the ground, Keith is able to deliver a straight slash with his sword on Wolzard. Keith and Wolzard then start to clash swords again. They each deliver slashes at each other, which are hit by the other's sword. Eventually Wolzard is able to get a good hold on Keith when both of their swords are clenched. Wolzard starts to push Keith back into a tree.

WOLZARD

I can feel it in you Red Ranger. Your anger, your hatred toward me both of these are signs that the power of darkness is growing within you.

KEITH

I refuse to believe that.

WOLZARD

What makes you so sure?

KEITH

Because my father would never have let himself fall to darkness, and I know I am my father's son.

WOLZARD

It is funny that you mention your father.

KEITH

Why's that?

WOLZARD

Your mother never told you what happened to your father did she?

KEITH

She told me enough, she told me your destroyed him.

WOLZARD

No Keith, I am your father.

KEITH

(angrily) LIAR!!

WOLZARD

Search your feelings. You know it to be true.

KEITH

Why must you lie about something like this?

WOLZARD

I do not lie.

KEITH

I don't believe you.

Flames start to engulf Keith a little bit as Keith pushes against Wolzard, and sends Wolzard flying back a few feet. The flames disappear. Keith raises his sword and charges at Wolzard. Before Keith can even get one hit on Wolzard, Wolzard slashes Keith's midsection again causing Keith to fall back a little, and his sword to fly up in the air. The sword lands with the blade sticking in the ground. Keith pulls out his Wand Morpher and converts it to wand mode. Flames start to engulf his body again.

KEITH

I don't care how much of my power it takes, I will find out who is ACTUALLY beneath the armor you wear.

Keith points the tip of the wand at Wolzard and casts a red Magix circle beneath Wolzard's feet. The circle glows a very bright red. Slowly the circle rises, causing a dark purple colored energy version of Wolzard to start to form. As the circle continues to rise the more this energy version of Wolzard takes shape. After the circle has finished, the man who is beneath the Wolzard armor falls to the ground face down, before Keith can get a chance to see whom it is. Keith powers down, and walks up to the man. He crouches down and turns the man on his back. The man is revealed to be ZEV Firebird. A look of pure shock goes over Keith's face. Keith starts to tear up a little.

KEITH

No it can't be! It's not true.

Zev regains consciousness. He sees Keith.

ZEV

Keith is that you?

KEITH

Father?

ZEV

My how you've grown these past five years, and you are the Crimson Mage just like I was when I was your age.

KEITH

What's going on?

ZEV

You have separated me from the power of Wolzard, and Demos' evil influence.

KEITH

So it really is you, and not Wolzard?

ZEV

It is.

KEITH

How did this happen?

ZEV

Five years Mechanos himself caught me when I went on that mission. The mission was to examine the seal that the previous Magix Mages had put on the underground kingdom. But I was unfortunately captured. Over the next several months I was tortured until finally I cracked, and bowed down to Demos. As a reward for my newfound loyalty, I was given the power of a Black Magic Knight, which is what you have come to know as Wolzard. But Keith there is not much time. You must take me to the castle where I can be safe for the time being.

VOICE

That unfortunately will not happen.

Keith and Zev get to their feet. Keith holds his morpher in his right hand.

VOICE

I hate to break up the touching family reunion, but I am not finished with you Zev.

Keith and Zev turn around to find the energy version of Wolzard.

ZEV

You are not getting me again.

WOLZARD

But I will, and I will also take your son while I am at it.

KEITH

Never.

ZEV

We have separated. There is no way for us to be one again.

WOLZARD

An excellent way exists within the device that your son is holding in his right hand.

Keith looks at his morpher. Wolzard aims his shield at the morpher, and the panel opens up.

WOLZARD

Halosis, thursos, dolon!

A light purple energy beam shoots out of the shield and hits Keith's morpher. The beam causes an exact duplicate of Keith's morpher to form in Zev's right hand.

KEITH

How can you possibly copy my powers like that?

WOLZARD

I have only duplicated your Morpher, not your powers.

ZEV

What are you planning on doing?

WOLZARD

This.

The energy version of Wolzard turns into a giant ball of dark purple energy, and enters the Morpher that Zev is holding. Once the morpher has bonded with the energy Wolzard, the golden color of the Wand Morpher turns to dark purple, and the Magix "M" symbol turns to Wolzard's "W" symbol. The morpher Zev is holding glows for a few seconds, and then stops very suddenly. A dark purple wave of energy goes over Zev's body, and ends with Zev's pupils flashing dark purple for a split second. Keith turns to Zev.

KEITH

Father?

ZEV

I am Wolzard!

Zev opens the Morpher, and converts it to wand mode. Zev then dials "1, 0, 6".

ZEV

Black magic metamorphosis! Allaxima, gangalos, phalanx!

Zev extends the Morpher forward, and hits the "enter" button. A dark purple energy beam is fired from the tip, which then forms a black magic circle. Zev walks through the circle and morphs into Wolzard.

WOLZARD

I will leave it here Red Ranger. Next time I will have your power of fire turn to the color of darkness.

A black magic circle forms under Wolzard's feet as Wolzard starts to vanish. WALKER, BOWIE, ABBY, MARIA, and Samson (all morphed) show up as Wolzard vanishes.

BOWIE

Where'd he go?

KEITH

He's gone.

SAMSON

You okay?

KEITH

Yes and no.

WALKER

What's that supposed to mean?

KEITH

It means I really need to have a nice mother/son conversation.

Keith walks away, looking very angered. The other Rangers power down.

ABBY

What was that about?

MARIA

Who knows, but something happened during this fight between him and Wolzard.

FADE OUT.

FADE IN:

INT. PROF. FIREBIRD'S OFFICE - DAY

Prof. Firebird sits at her desk doing some paperwork. Keith barges in.

PROF. FIREBIRD
This is unlike you Keith. You usually knock before you enter.

KEITH
We need to talk.

PROF. FIREBIRD
About what?

KEITH
About father and Wolzard.

PROF. FIREBIRD
What do you want to know about them?

KEITH
The truth.

PROF. FIREBIRD
The truth is that Wolzard destroyed your father.

KEITH
Mother, I am no longer a child, you can tell me the ACTUAL truth.

PROF. FIREBIRD
What are you trying to get at?

KEITH
I just came from a fight with Wolzard today where he told me that he was my father.

PROF. FIREBIRD
And what did you do about it?

KEITH
I somehow managed to separate the man beneath the armor from Wolzard, and to my surprise, a man by the name of Zev Firebird was beneath the armor.

Prof. Firebird rises from her desk. She walks over to one of the chairs by the small coffee table.

PROF. FIREBIRD
Keith, come here and sit down.

Keith walks over to the chairs. Keith and Prof. Firebird sit down.

PROF. FIREBIRD
I know you must be feeling some great resentment to me right now for not telling you the entire truth.

KEITH
Why?

PROF. FIREBIRD
However the version of the truth that I gave you is not far off from the actual truth as you put it.

KEITH
You told me that Wolzard destroyed father, but Wolzard is father.

PROF. FIREBIRD
First I would like to know one thing before I tell you more.

KEITH
What?

PROF. FIREBIRD
How did your father act after you had separated him from Wolzard?

KEITH
Like he would've if he hadn't been Wolzard. Now what is it that you want to tell me?

PROF. FIREBIRD
When I told you, and the other Rangers for that matter, that Wolzard destroyed your father that was not just a fabrication of the truth. It was the truth.

KEITH
How?

PROF. FIREBIRD

When your father was captured and turned into Wolzard, the good man that we both know and love became no more. So what I told is true, from a different perspective.

KEITH

Then why did you want to know about how father acted after he had separated from Wolzard?

PROF. FIREBIRD

To illustrate my point. You saw it for yourself. When your father was separate from Wolzard he was as he would have been if he had never become Wolzard. Now where is your father?

KEITH

He's Wolzard again.

PROF. FIREBIRD

What?! How did this happen? I thought you separated Wolzard from your father.

KEITH

I guess I must've just separated the power of Wolzard from him.

PROF. FIREBIRD

So how did your father become Wolzard again?

KEITH

Wolzard made a copy of my morpher.

PROF. FIREBIRD

He duplicated your powers?

KEITH

No, he just copied the morpher and then merged with the copy forming a new morpher.

PROF. FIREBIRD

I see. I take it your father is now in possession of this morpher.

KEITH

Of course.

PROF. FIREBIRD

What else happened?

KEITH

Well, after Wolzard merged with the morpher, an energy wave went over father, and he later called himself Wolzard.

PROF. FIREBIRD

So that vision was not about you.

KEITH

What vision?

PROF. FIREBIRD

Professor Estrange, Maxi Estrange, had a vision that a black phoenix turned red, and then turned black again. Now he assumed it was about you, but after hearing everything about your father...

KEITH

You think the vision was about him.

PROF. FIREBIRD

Exactly.

The warning sound goes off on Keith and Prof. Firebird's morphers. Keith takes his out and looks at the screen.

KEITH

There's a monster in the city.

PROF. FIREBIRD

Go and be careful, especially if Wolzard shows up.

KEITH

Don't worry I will, but why did your morpher go off too?

PROF. FIREBIRD

Do not worry about that right now. Just go defeat the monster.

Keith leaves the office.

FADE OUT.

FADE IN:

EXT. DOWNTOWN GANDALF CITY - DAY

Keith, Walker, Bowie, Maria, Abby and Samson (all unmorphed) arrive. They scope out the area.

WALKER

There's nothing here.

BOWIE

Keith, are you sure this is where the monster is supposed to be?

KEITH

This is where it said on my morpher.

The Rangers walk around for a while until they find several people bundled up in what appears to be spider webbing. The DISPIDER monster is seen taking these bundled up people and placing them on a giant spider web. Zev is also there monitoring Dispider's actions. Zev turns around and sees the Rangers.

ZEV

I was wondering when the six of you would show up.

KEITH

Father, why are you doing this?

ZEV

I am Wolzard Red Ranger. Never forget that.

WALKER

Whoa! Wait a minute here.

BOWIE

Yeah, just who is this guy?

SAMSON

Most importantly why did he call himself Wolzard?

ABBY

And why does he look so much like you Keith?

MARIA

Inquiring minds are waiting Keith.

KEITH

Okay, this man you see before you, up until about five years ago went by the name of Zev Firebird.

WALKER

Isn't that...

KEITH

My father? Yes.

BOWIE

Okay that settles the question about who this guy is.

ABBY

And why he looks so much like you Keith.

SAMSON

Now why did he call himself Wolzard?

ZEV

Allow me to show you Solaria Ranger.

Zev takes out his morpher, and converts it to wand mode.

ZEV

Black magic metamorphosis! Allaxima, gangalos, phalanx!

Zev morphs into Wolzard.

WOLZARD

Does this answer your question?

WALKER

Wolzard is your father Keith?

BOWIE

I thought Professor Firebird said Wolzard destroyed your father.

KEITH

I'll explain that one later. Anyway guys we've got work to do.

Keith, Walker, Bowie, Maria, Abby, and Samson take out their morphers. Keith, Walker, Bowie, Maria, and Abby convert their morphers to wand mode. Samson takes out his morph card.

KEITH, WALKER, BOWIE, MARIA AND ABBY

Magix...

SAMSON

Solaria...

ALL 6 RANGERS

Metamorphosis! Arthraigh, duine,
marbhan! (Samson only) Abeo, equus,
corporeus!

The Rangers all morph. They then go on to fight Dispider and Wolzard. Keith fights Wolzard on his own while the other Rangers fight Dispider. Wolzard and Keith exchange slashes with their swords, but the slashes end up hitting each other. Keith jumps up to try to slash at Wolzard, but Wolzard hits Keith's midsection first, knocking Keith to the ground. Keith gets back up and hesitates.

WOLZARD

What is the matter Red Ranger? You seem to be holding back for some reason today.

KEITH

I know who you are underneath there.

WOLZARD

That has never stopped you before.

KEITH

I didn't know who you were before. Before this morning I thought you were some guy allied with Demos, but now I know that my father is underneath all of that armor.

WOLZARD

Do you even want to fight?

KEITH

Not really, at least not with you.

Wolzard places his sword back in his shield.

WOLZARD

Very well. You do not have the will to fight I will not fight you.

Wolzard walks over to where the other Rangers are fighting Dispider.

WOLZARD

Solaria Ranger.

Samson turns to look at Wolzard.

SAMSON

What?

WOLZARD

I challenge you. Do you accept?

Samson turns his head and sees Keith. Keith nods.

SAMSON

I accept.

WOLZARD

Very well.

Keith comes up to Samson.

KEITH

I'll help the others with the monster.

SAMSON

Why did you nod when I looked up at you?

KEITH

I don't have the will to fight my own father. Please if you can, try to knock some sense into him.

SAMSON

I'll try my best.

Samson leaves as Keith joins Walker, Bowie, Maria, and Abby in fighting Dispider.

FADE OUT.

FADE IN:

INT. PROF. FIREBIRD'S OFFICE - DAY

Noche, and ROOTS sit in chairs beneath the mirror, which has SALEM on it. Prof. Firebird paces around them a little.

SALEM

Athena what is it that is on your mind?

ROOTS

Athena, you are pacing an awful amount.

PROF. FIREBIRD

I am sorry, what I am about to tell you is very disheartening.

NOCHE

Well, what is it?

PROF. FIREBIRD

Oscuro, do you remember that vision Maxi had earlier?

NOCHE

Yes.

PROF. FIREBIRD

Well that vision is not about Keith. It is about Zev.

SALEM

What about Zev?

PROF. FIREBIRD

I have been keeping this from everyone, especially Keith, and I have even put myself in a state of denial about as well, but the enemy the Rangers fight, who is known as Wolzard is in fact Zev.

ROOTS

What?

SALEM

I do not believe you Athena. You must be joking.

FIREBIRD

Why would I joke about something like this Sol? My husband has been seduced by the evil of Demos, and to make matters worse he is fighting his own son.

NOCHE

What are you going to do about this?

FIREBIRD

I do not think that there is anything that I can do about it. However it is fortunate that my White Ranger powers have fully re-energized. So I will be able to help them from time to time.

ROOTS

When did your powers return?

FIREBIRD

The re-energizing finished today, but the powers had been returning moments before the Rangers defeated Mechanos.

SALEM

But how?

FIREBIRD

The Moonlight Bracelet merged with my morpher, which is what caused the re-energizing to commence in the first place.

SALEM

I see.

The warning sound goes off on Firebird's morpher. Firebird converts her morpher to wand mode and brings the battle on the right half of the mirror. Salem is still on the other half. The right half of the mirror shows Samson getting pounded while fighting Wolzard, and the other Rangers barely being able to fight Dispider.

FIREBIRD

I have to go help them.

ROOTS

Be careful Athena

FADE OUT.

FADE IN:

EXT. DOWNTOWN GANDALF CITY - DAY

Keith, Walker, Bowie, Maria, and Abby fight Dispider.
Meanwhile Samson fights Wolzard, but is severely losing.

WOLZARD

Is that all you have?

SAMSON

No.

Samson takes out the Lamp blaster and rubs it a few times with his left hand. He then fires a burst of shots at Wolzard. The shots do nothing. Wolzard then charges at Samson and gives Samson a hard slash with his sword. Samson falls to the ground, and loses power. Samson tries to get up, but is unable, and every other attempt is a major struggle. Meanwhile Keith, Walker, Bowie, Maria, and Abby continue to fight Dispider. Keith and Walker slash at the monster with their signature weapons. Abby and Maria jab at the monster with their Wand Staffs, and Bowie fires a few shots at the monster with his Crossbow. Keith, Walker, Bowie, Maria, and Abby jump up and extend one of their feet.

KEITH, WALKER, BOWIE, MARIA, AND ABBY

Five-mage kick!

Keith, Walker, Bowie, Maria, and Abby land a flying kick on Dispider. Dispider falls down and explodes. Once the monster has been defeated the giant spider web disappears and the people who had been tied up in Dispider's webbing are released and run away from the area in terror. Keith, Walker, Bowie, Maria, and Abby come up to Samson. Abby crouches down over Samson.

ABBY

You okay?

SAMSON

I'll be fine, just defeat him.

KEITH

Father you don't have to do this.

WOLZARD

I told you Red Ranger, I am Wolzard.

KEITH

I don't want to fight you, but I will
if I have to.

WOLZARD

If that is how you want it, then so be it.

PROF. FIREBIRD

Stop!

Prof. Firebird walks up to the area in-between Wolzard and the Rangers.

KEITH

Mother, what are you doing here?

PROF. FIREBIRD

I want to see if what you said was true for myself.

She turns to Wolzard.

PROF. FIREBIRD

Now show me the man beneath the armor.

WOLZARD

Very well. Labhe!

Wolzard becomes Zev again.

PROF. FIREBIRD

So it is true, you are in fact my husband.

ZEV

The man you once knew as your husband is no more. Now if you do not mind it is time that your precious Rangers met their end.

PROF. FIREBIRD

There is only one Ranger you will be fighting right now.

ZEV

Really, and who might that be?

PROF. FIREBIRD

Me.

ZEV

Very well.

Prof. Firebird and Zev take out their morphers and convert them to wand mode.

FIREBIRD

Magix metamorphosis! Arthraigh, duine,
marbhan!

ZEV

Black magic metamorphosis! Allaxima,
gangalos, phalanx!

Prof. Firebird once again morphs into the White Ranger. Zev morphs into Wolzard.

WOLZARD

Born in shadow, clad in darkness. The
black magic knight, Wolzard!

PROF. FIREBIRD

With the power of snow, the icy mage
White Ranger!

Prof. Firebird draws her Wand Staff and gets into a fighting stance. Wolzard draws his sword from his shield. Wolzard starts to charge at Prof. Firebird.

PROF. FIREBIRD

Ice Lance!

The bottom end of Prof. Firebird's Wand Staff extends down. Wolzard comes up to Prof. Firebird, and tries to slash at her, but the lance blocks the attack. Wolzard and Prof. Firebird exchange blows with their weapons hitting each other. Wolzard raises his sword. Seeing an opening Prof. Firebird quickly slashes Wolzard with the end of her Lance that has the emblem on it. Wolzard falls back a little. Wolzard then aims his shield at Prof. Firebird.

WOLZARD

Howling Wolf; halosis, gangalos,
thursos!

The panel on Wolzard's shield opens up and a Howling Wolf attack is fired. Prof. Firebird aims the emblem end of her Lance with at the attack.

PROF. FIREBIRD

Teicniocht, solas!

A white particle beam of magic fires out of the emblem, and hits the Howling Wolf attack turning it into ice. The ice wolf heads of the Howling Wolf attack fall to the ground and shatter into numerous pieces.

PROF. FIREBIRD

Draiocht, duil!

Prof. Firebird's Lance extends, and she hits Wolzard numerous times. Wolzard falls to the ground and becomes Zev again. Zev gets to his feet.

ZEV

This is not over Rangers. Next time you will not be so lucky.

Zev converts his morpher into wand mode.

ZEV

Allaxima, ledos!

A black magic circle appears under Zev's feet. Zev disappears through the circle. Prof. Firebird powers down, as do Keith, Walker, Bowie, Maria, and Abby. Keith, Walker, Bowie, Maria, Abby, and Samson come up to Prof. Firebird.

KEITH

When did you get your White Ranger powers again?

PROF. FIREBIRD

The re-energizing finished today.

SAMSON

So does that mean you're going to help us fight now?

PROF. FIREBIRD

Only when the six of you really need it. Today was a special case considering the major revelation that was discovered today. Now we must return to the castle.

Prof. Firebird starts to walk off. The Rangers soon follow her.

FADE OUT.

FADE IN:

INT. A HOLDING BLOCK DEEP WITHIN THE LAIR - DAY

Zev enters the area. He turns to see four brightly lit cells with the silhouettes of monsters within the cells.

ZEV

Hello my friends. At point the four of you captured and tortured a man by the name of Zev Firebird, until he swore his allegiance to Lord Demos. And now five years later the four of you will have the opportunity to do the same to the son, as what you did to the father.

Zev leaves the area.

INT. THE MAIN CHAMBER OF THE LAIR - DAY

MUMANKAMON sits in the throne, while NIGHT and MARE stand off to the side. Zev enters.

MUMANKAMON

And who might you be?

ZEV

I am Wolzard.

NIGHT

But you don't look like Wolzard.

MARE

What gives?

ZEV

Just watch.

Zev takes out his morpher and converts it to wand mode.

ZEV

Black magic metamorphosis! Allaxima, gangalos, phalanx!

Zev morphs into Wolzard.

WOLZARD

The Red Ranger separated me from my host body. However by duplicating his morpher, I was able to once again join my host body.

MUMANKAMON

Interesting Wolzard, most interesting!

NIGHT

Yes, now he can join the two of us in our plots against the surface.

MARE

And he won't be as conspicuous as he would've been previously.

NIGHT

So the question is...

MARE

Will you join us in our attacks against the surface?

WOLZARD

I will, but only if the attacks are for Lord Demos' sake.

Night and Mare look at each other and evil grins start to form over their faces.

END
