"POWER RANGERS MAGIX: EPISODE 26 - BEASTS OF LEGEND"

FADE IN:

INT. KEITH'S ROOM - NIGHT

KEITH enters. He goes to his desk and looks through his textbooks.

KEITH

Why do I always put studying off to the last second?

He grabs a book and sits down. He opens the book to chapter 15 and starts to read. As he reads some smoke starts to appear. He smells it.

KEITH

What's burning?

Keith looks down to see that his book is now on fire.

KEITH

What the-?!

He drops the book to the floor, and it continues a slow burn. He rotates his hands so that his palms face up and fire comes out of them. He blows on them. The fire eventually extinguishes.

KEITH

Okay that was weird. Usually I'm able to control my elemental power. Better call the others.

Keith takes out his Wand Morpher and opens it he dials a number.

INT. MARIA'S ROOM - NIGHT

MARIA, wearing a towel on her head, goes around her room with more towels trying to dry everything off. She has what appear to be electric fans blowing on her textbooks to dry them. Her Wand Morpher rings, she answers.

MARIA

Hello? (pause) What's up Keith? (pause) As a matter of fact I just drenched my room. (pause) Well that makes two of us so far. (pause) I'll call Abby.

Maria ends the call, and dials a number.

INT. ABBY'S ROOM - NIGHT

ABBY is in a flutter because numerous papers keep flying all over her room. As she tries to pick them up, winds coming out of her hands blow them away. Her Wand Morpher rings. She answers.

ABBY

Hello? (pause) As a matter of fact I am having problems with my elemental powers. (pause) I think we should go see Professor Firebird about this. Who else is having problems? (pause) We better get Bowie and Walker to come too, they could be having the same trouble we are. (pause) Bye.

Abby ends the call. She dials another number.

ABBY

Walker, meet Maria, Keith, and me in front of Professor Firebird's office door, we need to talk to her. Bring Bowie too.

INT. KEITH'S ROOM - NIGHT

Keith dials a number on his morpher in phone mode.

KEITH

Mother, we need to talk. (pause) A few of us are having problems with our elemental powers. (pause) Okay fine, I'll meet you in the infirmary.

Keith ends the call. He dials a number.

KEITH

Guys we're meeting my mother in the infirmary. (pause) I don't know Bowie, maybe she thinks Madame Nightingale can help or something. See you guys there.

Keith ends the call. He closes his morpher and puts it in one of his pockets. He leaves his room.

FADE OUT.

FADE IN:

INT. THE INFIRMARY - NIGHT

Keith, WALKER, BOWIE, Maria, and Abby stand around. Madame NIGHTINGALE enters, and is soon followed by PROF. FIREBIRD who is wearing a bathrobe, and has rollers in her hair. Abby takes a look at Prof. Firebird.

ABBY

Uh, Professor what's with that get-up?

PROF. FIREBIRD

I was just about to go to bed before Keith called me. Now what seems to be the problem? Keith you start since you were the one who called me.

KEITH

Well, when I came into my room tonight to study for a test tomorrow, I kinda burnt my book.

PROF. FIREBIRD

You what?!

KEITH

Well not on purpose there seems to be a problem with my elemental power.

MARIA

I'm having the same problem too. Everything in my room is soaked.

ABBY

And I can't seem to not stop blowing things away.

PROF. FIREBIRD

Bowie, Walker what about you? Are you having the same problems?

BOWIE

I haven't noticed anything.

WALKER

Neither have I.

Numerous vines start to wrap themselves around Keith, Walker, Bowie, Maria, and Abby. The vines constrict them somewhat tightly. Yellow lightning bolts come out of Bowie's hands and nearly electrocute everyone.

PROF. FIREBIRD

What is your diagnosis Madame
Nightingale?

NIGHTINGALE

I do not know at the moment. I would
definitely need to know what is causing
all of this. But it does seem that
these outbursts could be the result of
obtaining an excessive amount of
magical energy much too fast.

PROF. FIREBIRD

Your new Ranger Legend Forms could be
the cause of all of this.

KEITH

What do you mean?

PROF. FIREBIRD

I did not tell you this but stored
within your rings are the Mage Spirits,
which the five of you draw power from
to become Rangers.

BOWIE

What's that got to do with anything?

PROF. FIREBIRD

If you will let me finish Bowie, when I
took back those rings from you a few
days ago I placed each one on a
Legendary Wand Staff. After doing so
Pyre the Spirit of fire came out of
Keith's ring and informed Samson,
Cheshire and myself that the Mage
Spirits were slowly reenergizing the
Staffs, but their power was not enough,
which is why Samson, Cheshire and
myself gave the Staffs some of our own
power.

WALKER

But what was with our Wand Staffs and
Morphers glowing when you gave us the
Legendary Wand Staffs?

MARIA

It could be that the power the Mage
Spirits had put into the Legendary Wand
Staffs responded to their power that's
all ready in our Morphers and Wand
Staffs.

PROF. FIREBIRD

Interesting theory Maria, however I would prefer it that the five of you not use Legend Form until it is clear that Legend Form is the cause of all of these problems. Now all of you back to your rooms and get some sleep.

KEITH

But I have a test I need to study for tomorrow.

PROF. FIREBIRD

Then you can study when you get back to your room Keith.

KEITH

But I burnt the textbook for that class.

MARIA

And all of my books are soaked.

PROF. FIREBIRD

Hmmm...I will write notes to all of your teachers to excuse the both of you until these problems are resolved.

BOWIE

Why do they get to be excused?

PROF. FIREBIRD

They are the ones who have powers that can do the most damage. After all Maria's waterpowers could very well erode the stone of the castle. Now all of you go to bed. We can discuss this problem further tomorrow.

Prof. Firebird and the Rangers leave the infirmary.

FADE OUT.

FADE IN:

INT. THE MAIN CHAMBER OF THE LAIR - DAY

MUMANKAMON sits on the throne. COBALT RING comes up to him carrying a damaged staff. WOLZARD stands off to the side. NIGHT and MARE are sitting on one of the upper levels with their legs hanging off of the edge.

COBALT RING

You wanted to see me Mumankamon?

MUMANKAMON

Yes, I have a job I'd like you to do for me.

COBALT RING

What?

MUMANKAMON

Destroy the city and the Rangers of course.

COBALT RING

But I was almost destroyed in my last encounter with the Rangers. I'm getting too old for all of this.

MUMANKAMON

No need to worry.

Mumankamon rises from the throne.

MUMANKAMON

Meros, phalanx, gangalos, halosis!

Mumankamon's spell causes a purple wave of energy to go over his fan. He then waves his fan at Cobalt Ring, which sends the energy to Cobalt Ring. The energy goes over Cobalt Ring, and even repairs his staff.

COBALT RING

What did you do?

MUMANKAMON

I simply gave you some new energy; with this you'll be as spry as you were when you were one hundred and fifty years old.

COBALT RING

Yes, I can feel the power. The Rangers won't know what hit them.

Cobalt Ring leaves the lair. Wolzard comes up to Mumankamon.

WOLZARD

What was that spell?

MUMANKAMON

Nothing much, I just restored some of his youth, and strength.

WOLZARD

Then why is it that I sense much more than that in the spell?

MUMANKAMON

Wolzard, you worry too much. Don't fret Cobalt Ring will do just fine.

FADE OUT.

FADE IN:

INT. THE MAIN HALL - NOON

Keith, Walker, Bowie, Maria, Abby, and SAMSON sit at the Taurus table having lunch. Maria has a bowl of soup she is eating in front of her. She stops before taking another bite.

MARIA

Great, this soup's gone cold.

Keith reaches over and picks up the bowl with his right hand.

KEITH

Allow me.

Keith places his left hand under the bowl and a small fire comes off of his hand. The fire causes the soup in the bowl to reheat. Once reheated Keith places the bowl down again.

BOWIE

Well at least some good is coming out of all this.

Keith places his left hand on the table, not realizing that it is still on fire. The table starts to go on fire. Abby points her right hand at the fire.

ABBY

Allow me.

A gust of wind comes out of her hand, and extinguishes the flames. Samson picks up the jug of water and tries to pour some into his glass, but only a little trickle comes out.

SAMSON

Maria, would you mind?

MARIA

Fine.

Samson hands Maria the jug, and she places her right hand over the top of it. Water comes out of Maria's hand and fills the jug. Maria hands Samson the jug again. Samson pours himself some water into his glass.

WALKER

Well at least three of the five out of control powers have some use.

BOWIE

But what good is lighting coming out of
my hands, and all of those vines that
you've been conjuring Walker, going to
do?

WALKER

Who knows?

The monster warning sound goes off on the Morphers. Keith
takes his out and opens it.

KEITH

Well looks like we've got to go.

The Rangers get up and leave the main hall.

FADE OUT.

FADE IN:

EXT. AN INDUSTRIAL PARK - DAY

Explosions occur as Cobalt Ring terrorizes the area. Cobalt Ring raises his staff, powers it up, and flings some energy to cause even more damage to an area that is all ready destroyed. Keith, Walker, Bowie, Abby, and Maria (all morphed) run up to the area.

MARIA

What was that? It's like he's a different monster now.

Cobalt Ring turns around to see the Rangers.

COBALT RING

I'm at my peak right now.

WALKER

This kind of destruction isn't normal.

KEITH

All right, looks like its time to break out Legend Form again.

Samson (morphed) rushes up to the others.

SAMSON

Wait a minute, didn't Professor Firebird say she didn't-

The other Rangers rush off. They take out their Wand Morphers and convert them to wand mode.

KEITH, WALKER, BOWIE, ABBY, AND MARIA

Legend metamorphosis! Arthraigh, duine, duine, marbhan!

Keith, Walker, Bowie, Abby, and Maria all morph to Legend Form. The Legendary Wand Staffs form in their hands.

KEITH

(excitedly) Okay guys let's finish this guy.

Cobalt Ring fires a blast from his eyes.

KEITH, WALKER, BOWIE, ABBY, AND MARIA

Teaghlaim, solas!

Keith, Walker, Bowie, Abby, and Maria hold out their staffs forming a multicolored barrier. The attack from Cobalt Ring is deflected. The barrier disappears and Keith, Walker, Bowie, Abby, and Maria rush Cobalt Ring. Keith jumps up and dials "1" on his staff.

KEITH

Magix Bolt, fire burst!

A red circle appears in mid-air, and Keith points his staff at Cobalt Ring. A burst of fire is fired at Cobalt Ring, which hits the monster. Bowie then jumps up, and the top of his Staff, gets powered up with lightning bolts.

BOWIE

Legend Thunder Strike!

As Bowie lands, he brings his Staff down vertically to hit Cobalt Ring. The hit makes contact. Cobalt Ring falls down and rolls around on the ground a little bit. He gets back to his feet. Abby and Maria charge at him. As they approach him Cobalt Ring tries to strike them with his staff, but Abby and Maria's Staffs block the attack. They then bring their Staffs back and strike Cobalt Ring with the bottom of their Staffs. The attack causes bolts of energy to go over Cobalt Ring's body, as a few explosions engulf his body as well. Steam is also released. Walker then does a spinning jump up and over to Cobalt Ring. As he lands Walker strikes Cobalt Ring with the top of his Staff. This causes some green energy to push Cobalt Ring backwards, sending him flying. The other Rangers get beside Walker.

KEITH

Okay, time to finish this.

Keith, Walker, Bowie, Abby, and Maria all dial "2" on their Staffs.

KEITH, WALKER, BOWIE, ABBY, AND MARIA

Mega Magix Bolt; finsceal, draiocht,
ionsaigh!

Keith, Walker, Bowie, Abby, and Maria get into position for the attack. Once in position a golden beam of energy is fired at Cobalt Ring. The beam hits the monster sending him flying backwards up into the air.

KEITH

Checkmate!

Cobalt Ring explodes as Keith, Walker, Bowie, Abby, and Maria turn their backs to him.

KEITH

This power is just too amazing.

Samson comes up to Keith, Walker, Bowie, Abby, and Maria.

SAMSON

Not bad guys. And there doesn't seem to be too many problems.

Keith walks around to get onto Samson's right side.

KEITH

You're not worried about what my mother said, are you?

MARIA

We're fine. Don't worry.

ABBY

This power really is amazing.

FADE OUT.

FADE IN:

EXT. A RED DIMENSION - DAY

A translucent Cobalt Ring appears. He looks around.

COBALT RING
What is this place?

MUMANKAMON
I knew you'd fail.

Mumankamon walks forward.

MUMANKAMON
What you see before you is where
monsters go when the Rangers have
defeated them.

COBALT RING
What?!

Cobalt Ring turns to his right and sees a gigantic monster.

MUMANKAMON
I had you fight because Golem needs a
monster essence that's older than three
hundred years. Now be a good monster
and go into this child.

Mumankamon spins around and waves his fan. The purple burst
of magic from the fan hits Cobalt Ring.

COBALT RING
Curse you Mumankamon! I'd rather be
destroyed than trapped inside this
thing's body!

The Golem monster absorbs Cobalt Ring. After Golem has done
so, Mumankamon looks up.

MUMANKAMON
Idiot. You've all ready been destroyed.

FADE OUT.

FADE IN:

INT. THE INFIRMARY - DAY

Keith, Walker, Bowie, Maria, Abby, and Samson (carrying the Magix Lamp) enter.

KEITH

Why exactly do we have to be in here?

SAMSON

Didn't you mother say she wanted to see what effects that last battle with your Legend Form had on you? Either way I'd like to know why she wanted me in here too.

Nightingale comes up to them.

NIGHTINGALE

Keith, Walker, Bowie, Maria, Abby
please lay down on beds for me.

Keith, Walker, Bowie, Maria, and Abby lay down on the beds in the infirmary. Nightingale takes out her wand and waves it. This causes an energy reading in each Ranger's color to appear over them. On Keith, Walker, Bowie, Maria, and Abby a darker shade of their colors appear to be almost at the maximum. Prof. Firebird enters.

PROF. FIREBIRD

Madame Nightingale what is the diagnosis?

NIGHTINGALE

I am afraid that if the Rangers use Legend Form again the power could destroy them.

Keith, Walker, Bowie, Maria, and Abby quickly sit up.

KEITH, WALKER, BOWIE, MARIA, AND ABBY

What?!

NIGHTINGALE

I am afraid so.

PROF. FIREBIRD

From here on in you are not to use Legend Form. No matter the situation.

KEITH

But-

PROF. FIREBIRD
My decision is final. Are there any questions?

SAMSON
I've got one.

PROF. FIREBIRD
Yes Samson?

SAMSON
Why'd you call me in here with the others?

PROF. FIREBIRD
I was about to get to that. I have detected a monster in another dimension. I want you to go to try to take care of it before it crosses over into our realm.

KEITH
Why can't we go?

PROF. FIREBIRD
I want Madame Nightingale to do a few further tests on the five of you.

SAMSON
Just how do you expect me to get to this dimension?

PROF. FIREBIRD
Is the Solaria Express Trainzord not able to travel through dimensions?

SAMSON
I'm not sure. Cheshire...

CHESHIRE pops his head out of the Lamp.

CHESHIRE
Yes Samson?

SAMSON
Can my Zord travel through dimensions?

CHESHIRE
Of course. The Solaria Express Trainzord is able to travel anywhere.

PROF. FIREBIRD
There you have it Samson. Good luck.

Samson leaves the infirmary.

PROF. FIREBIRD

Madame Nightingale, please continue the tests.

NIGHTINGALE

Yes headmistress.

Nightingale starts to perform further tests on the other Rangers.

FADE OUT.

FADE IN:

EXT. AN INTERDIMENSIONAL TRAIN TRACK - DAY

The Solaria Express Trainzord travels down the track. It continues its path until reaching the red dimension. Upon entering the dimension the Trainzord stops.

INT. THE COCKPIT OF THE TRAINZORD - DAY

Samson (morphed) sits at the controls.

SAMSON

Whoa!

EXT. THE RED DIMENSION - DAY

Golem stands where it is.

SAMSON

That thing's huge!

INT. THE COCKPIT OF THE TRAINZORD - DAY

Samson sits at the controls. Cheshire rises from behind him holding a shovel.

SAMSON

Gotta take care of it now. There's no telling what it *could* do.

Samson pulls out the "JOINT" card and punches it with his morpher.

SAMSON

Solaria Express Megazord formation!
Scipio, scipio, corporeus!

Outside in the red dimension, the six components of the Trainzord separate, and combine into the Solaria Express Megazord.

SAMSON

Let's go!

NIGHT AND MARE

No way!

The Solaria Express Megazord turns to its right to see Night and Mare standing on a cliff.

NIGHT

Why not give up now?

MARE

It'll save you the embarrassment of being defeated.

SAMSON

Well, well, Night and Mare.

NIGHT

Just a little bit more and Cobalt Ring's essence will be one with Golem's.

Golem starts to activate.

MARE

When that happens, it'll be sent to the surface world where it'll destroy everything in its path!

SAMSON

I'm sorry but I can't allow that.

Golem starts to roll over to the Solaria Express Megazord.

NIGHT

Golem...

Night and Mare point to the Solaria Express Megazord.

NIGHT AND MARE

Get him!

Golem rolls over to the Solaria Express Megazord. The monster attacks the Megazord, and grabs a hold of it. It pushes the Megazord back a little bit. The Solaria Express Megazord then breaks free of the monster's grip. Inside of the Solaria Express Megazord's cockpit, Cheshire pops up behind Samson's seat.

CHESHIRE

Way to go Samson!

Outside in the red dimension the monster powers up its signature attack, and fires it at the Solaria Express Megazord. The attack hits the Solaria Express Megazord causing a few explosions, outside and inside of it.

FADE OUT.

FADE IN:

EXT. THE STREETS OF GANDALF CITY - DAY

Keith, Walker, Bowie, Maria, and Abby walk around wearing mortal clothes.

BOWIE

At least Professor Firebird gave us the rest of the day off.

MARIA

Yeah, but doesn't it bother you that we'll be destroyed if we use Legend Form again?

BOWIE

Of course it bothers me. How could it not? It's just that we kinda need something to take our minds off of all of this right now. Who's with me on this?

KEITH

I guess you're right Bowie.

BOWIE

But?

KEITH

What do you mean "but"?

BOWIE

You sound like you have something else you want to say.

KEITH

I was thinking that maybe we should use Legend Form despite that it'll end up destroying us, but only if we absolutely need to.

WALKER

Don't be an idiot Keith. We'll be destroyed if we use Legend Form again.

MARIA

I agree with Walker on this one Keith.

ABBY

Yeah, me too. As great as Legend Form is, it's not worth being destroyed over if we use it again.

KEITH

What about you Bowie?

BOWIE

I agree with everyone else.

PROF. FIREBIRD

You should listen to them Keith.

The Rangers turn around to see Prof. Firebird (dressed in mortal clothes) come up to them.

PROF. FIREBIRD

After all I do not want to lose you, especially after losing another one of my loved ones. I do not think I have to tell you who. So the decision is up to you now Keith, what are you going to do?

KEITH

I've decided that despite being destroyed I'll use Legend Form, but only if it's absolutely necessary.

PROF. FIREBIRD

Your father would have said the exact same thing. It is amazing how much you are becoming like him.

WALKER

Keith, are you really sure you want to do this?

KEITH

I'm positive.

BOWIE

Seriously, are you sure you want to do this?

KEITH

I am completely positive that I want to risk my own life.

BOWIE

Keith, you're making this sound way too easy.

ABBY

Yeah. What makes you think that everything will be okay?

KEITH

There's nothing that's making me think everything will turn out. Besides the monsters are getting stronger, we could really use this new power to defeat them.

WALKER

I know that. But is it really worth risking your life for?

KEITH

Is protecting the surface world worth risking our lives? Using Legend Form is just like when we first became Rangers, it's a risk that we have to take, and frankly I'm willing to take it.

PROF. FIREBIRD

I agree Keith. Being a Ranger is a risk, as is using Legend Form. If you wish to use it, I guess you have my blessing to do so. Like I said, your father would have said the same thing.

KEITH

Mother.

Part of the sky starts to shatter as if it were glass. The Solaria Express Megazord comes out of the red dimension, and lands within the city. Prof. Firebird and the Rangers turn around and walk to get a closer look.

KEITH

What happened?

Golem breaks through the realm and its appearance causes great destruction.

BOWIE

What is that?

Prof. Firebird and the Rangers run up to get an even better look. The Solaria Express Megazord can be seen taking a beating from Golem. Golem gives the Solaria Express Megazord a hard hit knocking it to the ground.

ABBY

Samson!

KEITH

C'mon guys let's go as the Magix Megazord.

WALKER

Keith!

KEITH

Just because I said I was going to use Legend Form, doesn't mean I still can't morph into my regular Ranger form.

The other Rangers look at Keith and nod. They pull out their Wand Morphers and convert them to wand mode.

KEITH, WALKER, BOWIE, ABBY, AND MARIA
Magix metamorphosis! Arthraigh, duine,
marbhan!

Keith, Walker, Bowie, Abby, and Maria morph. They take out their morphers in wand mode again.

KEITH, WALKER, BOWIE, ABBY, AND MARIA
Magix Zord metamorphosis! Arthraigh,
duine, duil!

Keith, Walker, Bowie, Abby, and Maria morph to Zord Form.

KEITH, WALKER, BOWIE, ABBY, AND MARIA
Magix Megazord formation! Arthraigh,
teicniocht, duine, teaghlaim!

The Magix Zords combine into the Magix Megazord. Golem continues its path of destruction. The Magix Megazord jumps forward with the X-Caliber sword in hand and bumps Golem with its right hand.

KEITH

Hold it right there!

Golem rolls back from the attack.

KEITH

I don't know what you're planning, but we're not losing to whatever you're supposed to be.

The Magix Megazord holds its sword straight in the air and charges at Golem. Once near the monster, the Magix Megazord tries to slash Golem, but the monster catches the sword in its left hand. The monster spins its upper torso around taking the Magix Megazord with it. Once it has spun the Magix Megazord around it lets go of the sword. The Magix Megazord falls back a little. Golem punches the Magix Megazord. NYMERA comes flying to the scene. She laughs maniacally a little bit.

NHYMERA

It's the ideal monster. A complete and utter machine that'll make no mistakes.

Golem powers up its signature attack. The Magix Megazord points its sword down and creates a Magix circle on the ground.

KEITH, WALKER, BOWIE, ABBY, AND MARIA
Swords Attack!

Miniature versions of the X-Caliber sword come out of the circle, and are fired at Golem, who fires its attack at the Magix Megazord. The Swords Attack technique proves ineffective as Golem's attack hits the Magix Megazord.

NHYMERA

Your pathetic Megazord will never defeat him!

Golem's attack pushes the Magix Megazord back until it separates, and the Rangers demorph. Keith, Walker, Bowie, Abby, and Maria fall on the ground. The Rangers look up to see Golem coming ever closer to them.

ABBY

We'll be crushed!

A train whistle is heard as a jet of steam is fired at Golem.

SAMSON

Steam Blaster!

The Steam Blaster attack from the Solaria Express Megazord causes Golem to stop in its path. The Solaria Express Megazord stands straight up again.

SAMSON

This isn't over yet!

WALKER

Samson!

Keith, Walker, Bowie, Abby, and Maria struggle to get back up again.

MARIA

We've got to morph.

Keith, Walker, Bowie, Abby, and Maria continue to struggle to get back up but to no avail. They look up to see Golem giving the Solaria Express Megazord a good beating. Prof. Firebird rushes up to the Rangers.

PROF. FIREBIRD

I will go.

ABBY

No professor.

MARIA

We can't let you fight.

PROF. FIREBIRD

At this rate everything will be destroyed.

The Rangers look over to see the Solaria Express Megazord get trounced.

KEITH

There's got to be something we can do.

Walker comes up to Keith.

WALKER

We've got Legend Form.

KEITH

But I thought you said...

WALKER

Forget what I said. Like you said using Legend Form is a risk. And I think I'm prepared to that risk right now. Are you with me Abby?

Abby nods.

WALKER

Maria?

Maria nods.

WALKER

Bowie?

Bowie stalls a little, but eventually nods. Everyone gets back to his or her feet. They gather around in a circle facing each other. They all nod. They then start to run off.

PROF. FIREBIRD

Are you sure you are okay with this? If you use Legend Form you will be destroyed.

KEITH

Well that's a risk we're willing to take.

Prof. Firebird nods. The Rangers run off. They run for a while before stopping in a line in the order of (from left to right) Maria, Bowie, Walker, Keith, and Abby.

WALKER

Let's do it guys.

The Rangers take out their morphers and convert them to wand mode. They dial "1, 0, 0, 6".

KEITH, WALKER, BOWIE, ABBY, AND MARIA

Legend metamorphosis! Arthraigh, duine, duine, marbhan!

They raise their morphers to the sky and hit the enter key. They start out by morphing into their regular Ranger forms, and then morph to Legend Form. Once in Legend Form the Legendary Wand Staffs form in their hands. Keith looks at his and sees that the "3" is glowing.

KEITH

The three's glowing on my Staff.

Maria looks at her Staff and sees the "4" glowing.

MARIA

The four's glowing on ours.

The Solaria Express Megazord walks backward a little bit struggling from Golem's attack.

SAMSON

Could you guys just hurry up and use your new spells? I could use some help up here.

KEITH

Let's go guys!

The Rangers position their Staffs to have the number pad facing them. Keith dials "3" on his.

KEITH

Finsceal, arthraigh, duil, duine!

Keith morphs into the Firebirdzord. Walker, Bowie, Maria and Abby dial "4" on their Staffs.

WALKER, BOWIE, ABBY, AND MARIA
Finsceal, arthraigh, teaglaim, duil,
duine!

Walker, Bowie, Abby, and Maria combine and morph into the Lionzord. The two Legendzords make their way to where Golem is. Golem fires a few shots at the Firebirdzord, but they are all dodged. The Firebirdzord then straightens itself vertically and fires a few flaming feathers at the monster which make contact. The Lionzord comes in, jumps up, and its front left leg starts to glow. The Lionzord then slashes the monster with its glowing leg. This causes Golem to fall back a little. The Lionzord then rises up on a rocky platform. Two lines of fire are formed on the ground as the Firebirdzord swoops by. The Firebirdzord then makes two flaming rings, does a summersault in the air and makes a final ring with its wings. The Lionzord lets out a roar, and jumps off of the platform. It makes its way down the path jumping through the first ring, and then the second. It then jumps up into the Firebirdzord.

KEITH, WALKER, BOWIE, ABBY, AND MARIA
Finsceal, arthraigh, teicniocht,
teaglaim, duine!

The Firebirdzord, and Lionzord combine into the Legend Megazord.

KEITH, WALKER, BOWIE, ABBY, AND MARIA
Legend Megazord, power up!

Inside of the Legend Megazord a giant chessboard is formed. Like the inside of the Magix Megazord Keith, Walker, Bowie, Abby, and Maria appear as pawns on the board.

KEITH
So this is our new Megazord, eh?

Outside, the Legend Megazord is ready for battle. Golem makes its way to the Megazord.

KEITH, WALKER, BOWIE, ABBY, AND MARIA
Lion Claws!

Once Golem approaches the Legend Megazord, the Legend Megazord claws at the monster. It grabs a hold of the monster and turns it so that they are in each other's position. The Legend Megazord lets go of the monster. The claws flip back to reveal hands. Inside of the Legend Megazord the pawns arrange themselves into a straight line.

KEITH, WALKER, BOWIE, ABBY, AND MARIA
Finscael, arm, draiocht! Legend Spear!

Outside of the Megazord the Legend Spear forms in the mouth of the Lionzord. The Megazord grabs the Spear. Golem comes at the Legend Megazord, and the Legend Megazord slashes the monster with the Spear.

KEITH

All right, let's finish this!

The Legend Megazord places the bottom of the Spear on the ground, and has the top pointing straight up. The Spear starts to spin. Fire starts to come out of the wings of the Firebirdzord. The spinning spear absorbs the fire.

KEITH, WALKER, BOWIE, ABBY, AND MARIA

Fire Screw Attack!

The fire is launched at the monster, hitting it.

KEITH, WALKER, BOWIE, ABBY, AND MARIA

Checkmate!

Golem explodes.

FADE OUT.

FADE IN:

EXT. THE STREETS OF GANDALF CITY - EVENING

Walker, Abby, Keith, Maria, and Bowie (all now unmorphed) in that order stand in a line with their backs to Prof. Firebird and Samson (both unmorphed). Firebird and Samson come up to Keith, Walker, Bowie, Abby, and Maria who all have colored energy emanating off of them.

KEITH

Well guys, looks like this is the end.

MARIA

I feel kinda cold.

ABBY

At least we did some good before this happened.

Samson's morpher starts to beep.

PROF. FIREBIRD

A new spell?

Samson takes out a blank card, which then gets a new design for a new spell.

SAMSON

It looks like it's a spell for them.
Guys!

Samson and Prof. Firebird rush up to the other Rangers. The other Rangers turn around.

SAMSON

I just got a new spell.

PROF. FIREBIRD

It appears that you were more than courageous this time, and as such your courage had an effect on Samson's magic.

Samson punches the card and points it at Keith, Walker, Bowie, Abby, and Maria.

SAMSON

Ars, lumen, corporeus!

A gold beam is unleashed and hits Keith, Walker, Bowie, Abby, and Maria. The colored energy disappears. Keith, Walker, Bowie, Abby, and Maria look at themselves.

KEITH

So we're going to be fine?

WALKER

Apparently.

BOWIE

So I guess this means that we can
freely use Legend Form from now on.

MARIA

It has to, why else would Samson get
that spell?

ABBY

This is great, no more worrying about
being destroyed.

PROF. FIREBIRD

You have all earned this. After all you
have been getting more powerful with
every battle you fight. But now let us
go back to the castle. It has been a
long day.

Keith, Walker, Bowie, Abby, Maria, Samson, and Prof.
Firebird start to head out of the city.

END
