"POWER RANGERS MAGIX: EPISODE 27 - OF MOLD AND MEMORIES"

FADE IN:

INT. A SMALL ROOM WITHIN THE LAIR - NIGHT

ZEV lies in a bed asleep. His body shakes somewhat as he is obviously having an uneasy sleep.

DISSOLVE TO:

INT. THE INFIRMARY AT MAGIX - DAY

Zev, stands beside the hospital bed where PROF. FIREBIRD is lying. NIGHTINGALE walks up to the both of them carrying a baby wrapped in a red blanket that has the Firebird house symbol on it. Nightingale hands Prof. Firebird the baby.

NIGHTINGALE

Congratulations, it is a boy.

Zev kisses Prof. Firebird on the head and then looks down at his new son. Nightingale leaves the three of them.

PROF. FIREBIRD

We still need a name Zev.

ZEV

I know Athena. Here let me hold him.

Prof. Firebird hands the baby to Zev. Zev holds the baby in his arms, and the baby somewhat smacks Zev's left cheek with his right hand.

ZEV

We have a little warrior descending here. Wait a minute.

PROF. FIREBIRD

What?

ZEV

His name, I just thought of his name.

PROF. FIREBIRD

What are you thinking?

ZEV

Keith. It is Celtic for "warrior descending". What do you think?

PROF. FIREBIRD

It sounds a little mortal, but I like it. Here I want to hold Keith again.

Zev hands Prof. Firebird baby Keith. She looks down at him, as does Zev. Big smiles grow over both of their faces.

DISSOLVE TO:

INT. THE LIVING ROOM OF THE FIREBIRD FAMILY HOUSE - DAY

KEITH AT 5 sits behind a cauldron pouring in ingredients for a potion. The concoction in the cauldron starts to boil extremely violently, until eventually exploding. Zev, and Prof. Firebird rush in. After the smoke clears Prof. Firebird looks at Keith at 5's face, and sees that his eyebrows are now gone.

PROF. FIREBIRD

Keith Firebird, what did you think you were trying to do?!

KEITH AT 5

I was trying to make a potion.

PROF. FIREBIRD

You are five years old, that sort of thing is too complex for you! Do you know what you could have done?

KEITH AT 5

No.

PROF. FIREBIRD

You could have destroyed the house, or even worse yourself.

KEITH AT 5

I'm sorry mommy.

PROF. FIREBIRD

Sorry will not cut it. Just try to promise me that you will not attempt to make another potion until you are studying at Magix.

KEITH AT 5

Okay, I promise.

PROF. FIREBIRD

Zev, help Keith clean up. I still need to make dinner.

Prof. Firebird leaves the living room. Zev crouches down to Keith at 5.

ZEV

What do you say that we clean up magically?

KEITH AT 5

Okay.

Zev takes out his wand, says a spell, and waves the wand. All of the mess that was in the living room is gone.

ZEV

There, but there is one thing that is still off.

KEITH AT 5

What?

ZEV

Let me see your face.

Keith at 5 looks directly at Zev. Zev licks one of his thumbs and gets some of the residue on Keith's face off. Zev then makes two magical red lines above both of Keith's eyes. The lines become new eyebrows on Keith's face.

ZEV

Much better. But why did you try to make that potion?

KEITH AT 5

I wanted to be a powerful wizard like you.

ZEV

Keith, power is not everything. What really matters is the courage within your heart. If you possess great courage you can do all sorts of magic. Understand?

KEITH AT 5

Yes daddy.

ZEV

Now go get cleaned up before your mother yells at you again.

DISSOLVE TO:

INT. THE FIREBIRD FAMILY HOUSE, SEVEN YEARS LATER - DAY
Zev, Prof. Firebird, and KEITH stand by the front door.

PROF. FIREBIRD
Are you sure that you have to go?

ZEV
Athena, they need me. Especially
considering what this mission is about.

PROF. FIREBIRD
But why not bring Brinda, Oscuro, Sol,
and myself with you?

ZEV
I do not think that is necessary.
Besides, Oscuro and Brinda have
teaching jobs at Magix that they need
to do, and Sol has to tend to his
headmaster duties at Solaria. Plus you
need to watch over Keith.

PROF. FIREBIRD
But who will run Magix while you are
gone?

ZEV
You of course. I did not tell you
everything about my headmaster duties
for no reason. Just preside over Magix
as acting headmistress until I return
if need be. This mission should not
take anymore than a couple of months.
(turns to Keith) Keith, take care of
your mother while I am away.

KEITH
Yes father.

ZEV
And if I am not back by the time you go
to school in September, I want you to
try to have fun while at Magix.

KEITH
I will father.

ZEV
Maybe you should also try to make
friends from Taurus, Goldenbird,
Merfolk, and Pixee.

PROF. FIREBIRD

How are you so sure that he will be in Firebird?

ZEV

He is a Firebird. Everyone in my family has been in Firebird since my ancestor co-founded Magix six hundred years ago. Now it is starting to get late, I must go now.

Zev walks up to Prof. Firebird, and kisses his wife for a second. He then goes over to Keith, places his hand on Keith's head and shakes his hand for a moment. This causes Keith's hair to get a little messed up a little. Keith straightens out his hair. Zev looks at his wife and son as he exits the house.

INT. A SMALL ROOM WITHIN THE LAIR - NIGHT

Zev continues to move somewhat violently in his bed, until sitting up awake in bed as a cold sweat rolls down his face. He wipes some of the sweat from his forehead, and looks at his surroundings.

ZEV

(dumbstruck) Where am I?

Zev gets out of bed and looks around the room. He sees the Wolzard Wand Morpher.

ZEV

(still dumbstruck) What is this?

He picks up the morpher, and a purple energy wave goes over him for a split second.

ZEV

So Firebird's memories are starting to creep into my consciousness. Perhaps this is his way of fighting my hold on him.

Zev opens the morpher, converts it to wand mode, dials "106" and hits the enter button. He morphs into WOLZARD.

WOLZARD

From now on I will stay primarily in this form.

FADE OUT.

FADE IN:

INT. PROF. FIREBIRD'S OFFICE - DAY

Prof. Firebird sits at her desk. A knocking is heard.

PROF. FIREBIRD

Come in.

Keith enters.

KEITH

Mother, can I talk to you for a minute?

PROF. FIREBIRD

Of course you can Keith. What is wrong?

KEITH

I had this weird dream last night.

PROF. FIREBIRD

What about?

KEITH

Well it started out with you and father in the infirmary when I was born, then moved onto when I tried to make that potion when I was five, then...

PROF. FIREBIRD

Let me guess, it then moved onto when your father left us to go on that mission five years ago.

KEITH

It did, how'd you know?

PROF. FIREBIRD

I had that same dream last night.

KEITH

How?

PROF. FIREBIRD

I think it could be because of some sort of psychic link. Perhaps that same psychic link your father had been using to call you out to fight him as Wolzard.

KEITH

But what's it mean?

PROF. FIREBIRD

While I would have to talk to one of the Estrange brothers about it, it could mean that your father's consciousness is starting to fight Wolzard's, by showing your father the memories Wolzard is repressing.

KEITH

I guess that makes sense. But then again it's like you said, you'd have to talk to Professor Estrange about it.

PROF. FIREBIRD

I think I will have a little talk with him later. Is that everything Keith?

KEITH

It was. Thanks mother.

Keith leaves the office.

FADE OUT.

FADE IN:

INT. THE MAIN CHAMBER OF THE LAIR - DAY

MUMANKAMON stands before the throne holding what appears to be a green orb that has an eye that is shut.

MUMANKAMON
Infelshias, come here!

A small group of Infelshias comes toward him. NIGHT and MARE creep down to the main level. They see the orb in Mumankamon's hand.

MARE
Wait a minute, isn't that?

NIGHT
I think it is Mare.

MUMANKAMON
Thursos, dolon!

Green spores fly out of the orb and hit the Infelshias. A green mold forms over them, and they fall to the ground. The eye on the orb opens, and the mold covered Infelshias are absorbed into it.

MARE
It definitely is.

NIGHT
You're right.

NIGHT AND MARE
The forbidden Mold Spore monster!

MUMANKAMON
Night, Mare come down here!

Night and Mare come up to Mumankamon.

NIGHT
What?

MUMANKAMON
Take Mold Spore up to the surface.

Mumankamon hands Night Mold Spore.

MUMANKAMON

I don't think I have to tell you what
you need to do with Mold Spore, now do
I?

MARE

Not at all.

MUMANKAMON

Do not come back until the entire
surface is covered in mold!

FADE OUT.

FADE IN:

INT. THE MAIN HALL - DAY

Keith enters. He looks around and sees WALKER, BOWIE, MARIA, and ABBY sitting at the Taurus table. He walks up to them, and sits down.

WALKER

Figure out what that dream was?

KEITH

More or less, but the odd thing too is that my mother had the same dream.

ABBY

That is odd.

MARIA

Not really, it's not uncommon for magical families to have some sort of psychic link, and as such dreams do get shared from time to time.

BOWIE

But what would have caused this?

KEITH

My mother seems to think that my father was the one who had the dream, which in reality was his consciousness try to break Wolzard's hold on him.

MARIA

I definitely agree with that.

ABBY

What were the dreams?

KEITH

A bunch of old memories; my birth, me screwing up a potion when I was five, and my father leaving on that mission five years ago. All of which seemed to be tender family moments.

MARIA

Then it would be your father's consciousness trying to break through Wolzard's hold.

WALKER

All of this talk of memories reminded me of something my dad once told me.

BOWIE

What?

WALKER

I used to play baseball for a mortal team when I was little. He usually missed most of my games, but there was this one time when he actually showed up, but I was kinda pulled out.

ABBY

So what happened?

WALKER

I went up to him looking disappointed, and he said to not worry. There are other ways of being apart of the team than actually playing-

The monster alarm goes off.

BOWIE

Looks like we've got to go.

WALKER

But I'm not done with my story.

KEITH

It can wait.

Keith, Walker, Bowie, Maria, and Abby get up and leave the hall.

FADE OUT.

FADE IN:

EXT. DOWNTOWN GANDALF CITY - DAY

NHYMERA flies around spreading Mold Spore's spores. The spores hit numerous people and buildings, covering them all with mold. Nhymera lands just as Keith, Walker, Bowie, Maria, and Abby come rushing up to the scene.

NHYMERA

I was wondering when the five of you would show up.

KEITH

Well, whatever you're up to is about to end.

WALKER

We'll stop you like we always do.

NHYMERA

Is that so Green Ranger? Why don't you walk up to me and say that again?

WALKER

Fine I will.

BOWIE

Walker, she's up to something.

WALKER

Isn't she always?

MARIA

You sure you want to do this?

ABBY

Yeah, who knows what that thing she's holding is?

WALKER

I'll be fine. Keith, back me up on this.

KEITH

Just be careful.

Walker walks up to Nhymera and stands facing her. Nhymera holds out Mold Spore and spores are released. The spores hit Walker, and he falls down. Mold grows over Walker's body. The other Rangers start to come up to him, but before they actually get to him Prof. Firebird (morphed) rushes in.

PROF. FIREBIRD
Rangers do not touch Walker right now.

KEITH
Why?

PROF. FIREBIRD
I will explain later, but now just morph.

Keith, Bowie, Maria, and Abby take out their morphers and convert them to wand mode.

KEITH, BOWIE, MARIA, AND ABBY
Arthraigh, duine, marbhan!

Keith, Bowie, Maria, and Abby all morph.

KEITH
Just what is going on?

PROF. FIREBIRD
Nhymera holds the dreaded Mold Spore. A creature capable creating a mold that will destroy everything in its path. It is supposed to be extinct.

BOWIE
How do we stop this?

PROF. FIREBIRD
By destroying Mold Spore, but you must do it before it opens its eye.

ABBY
Why?

PROF. FIREBIRD
Then the effect of the mold will take permanent effect, and destroy everything.

KEITH
Then let's make this quick!

Keith starts to rush out, but a blast is fired right before Wolzard appears.

WOLZARD

The five of you have grown in your magic. Now show me your legendary power, or at least that is what I would like to say. Without the Green Ranger I have no interest in fighting the five of you.

NHYMERA

There's only an hour left before Mold Spore opens its eye. You take it Wolzard.

Nhymera hands Wolzard Mold Spore. Keith rushes out and tries to slash Wolzard with his Sword. Wolzard blocks the attack with his shield, and then gives Keith a hard kick with his right leg. The kick sends Keith flying back.

WOLZARD

The five of you as always are helpless against the power of darkness.

A black magic circle appears under Wolzard and Nhymera and they disappear.

FADE OUT.

FADE IN:

INT. THE INFIRMARY - DAY

Walker lies on a bed. S. ESTRANGE stands over Walker and sprays a potion on him. S. Estrange then uses the same potion on Keith, Bowie, Maria, and Abby.

S. ESTRANGE

There the four of you have been vaccinated from the effects of the mold.

MARIA

And Walker?

S. ESTRANGE

This potion will stunt further spreading of the mold, but he will still fall victim to its effects.

BOWIE

What about all of the mortals that have been affected?

EXT. DOWNTOWN GANDALF CITY - DAY

SAMSON and Prof. Firebird (both unmorphed) ride on the Carpet Glider unleashing a great cloud of the potion S. Estrange used.

S. ESTRANGE

(V/O)

Professor Firebird and Samson are all ready spreading this same potion on Gandalf City.

INT. THE INFIRMARY - DAY

Everyone stands where they were previously.

S. ESTRANGE

However, the four of you must now destroy the Mold Spore that caused all of this within the hour. So the question is, how are you going to do it?

KEITH

Nhymera did hand Wolzard the Mold Spore.

BOWIE
So we call Wolzard out, and fight him.

ABBY
Sounds like a plan to me.

MARIA
But can we really fight against him
with just the four of us?

KEITH
I've fought against him alone numerous
times and won. Besides we have Legend
Form now. It should be more than enough
to take care of him.

BOWIE
Sounds all right to me. What about you
Maria?

MARIA
Why are you asking me?

ABBY
You were the one with doubts.

MARIA
Yeah, I guess it's fine.

KEITH
Let's roll.

Keith, Bowie, Maria, and Abby leave the infirmary.

FADE OUT.

FADE IN:

EXT. A BEACH - DAY

Keith, Bowie, Maria, and Abby (all morphed) run up.

KEITH

Wolzard! Show yourself and hand over
Mold Spore!

Off of the shore a black magic circle appears and Wolzard comes out of it. He lands by the Rangers. Wolzard looks at the four of them while holding Mold Spore.

WOLZARD

I have no interest in fighting you
unless you are all here.

KEITH

There's no time for this. We're going
to defeat you and that's that.

Keith, Bowie, Maria, and Abby take out their Wand Morphers in wand mode.

KEITH, BOWIE, MARIA, AND ABBY

Legend metamorphosis! Arthraigh, duine,
duine, marbhan!

Keith, Bowie, Maria, and Abby all morph to Legend Form. The Legendary Wand Staffs appear in their hands. Keith, Bowie, Maria, and Abby confront Wolzard.

WOLZARD

So this is how you want it?

Wolzard puts Mold Spore away, and draws his sword.

WOLZARD

Very well, it is your move.

Wolzard points his sword at the Rangers.

EXT. DOWNTOWN GANDALF CITY - DAY

Samson and Prof. Firebird continue to spread the potion from the Carpet Glider.

PROF. FIREBIRD

I wonder if the others will be okay.

SAMSON

C'mon professor you know that they've fought against Wolzard many times, and have come out with barely a scratch.

EXT. THE BEACH - DAY

Keith dials "1" on his Staff.

KEITH

Magix Bolt, Fire Burst!

Keith aims his Staff at Wolzard and a burst of fire is at Wolzard. Keith lands to find that the attack did nothing.

WOLZARD

Such wasted effort, Red Ranger.

KEITH

What?

WOLZARD

Howling Wolf; halosis, gangalos, thursos!

The panel on Wolzard's shield opens, and a Howling Wolf attack is launched. The attack hits Keith, knocking him back a few feet. Bowie then goes on the offensive by trying to hit Wolzard with his Staff. Wolzard blocks the attack with his sword, pushes back the Staff, and then slashes Bowie a few times. Bowie goes flying back a few feet. Maria and Abby dial "1" on their Staffs.

MARIA AND ABBY

Magix Bolt, wind and water vortex!

They aim their Staffs at Wolzard, and a wind/water combo vortex is launched at Wolzard. Wolzard raises his shield.

WOLZARD

Halosis, ledos!

The panel on Wolzard's shield opens and the shield absorbs the attack. Keith and Bowie struggle to come up to Maria and Abby. Wolzard casts another spell.

WOLZARD

Gangalos, meros! Darkness slash!

Black waves of darkness power up Wolzard's sword, Wolzard then slashes at the Rangers in an "X" pattern. The slash hits the Rangers causing them to fall to the ground.

MARIA

I thought that Legend Form would've
been enough to take care of Wolzard.

Keith slowly gets to his feet.

KEITH

It's not over yet. We'll beat him.

Keith raises his Staff, and then brings it down. This causes a line of fire to come out of the Staff, travel on the ground, and hit Wolzard. Wolzard shields himself from the attack, and then jumps through the fire. He then slashes at Keith a couple of times. Keith falls to the ground.

INT. THE INFIRMARY - DAY

Walker continues to lie in bed. He clearly is shivering. Nightingale places a damp washcloth on his forehead.

DISSOLVE TO:

EXT. A BASEBALL DIAMOND - DAY

WALKER AT 8, dressed in a baseball uniform, stands with his father MR. CROWE away from the field.

WALKER AT 8

But daddy they pulled me out of the
game. I wanted to hit a home run for
you.

MR. CROWE

It's okay Walker. Isn't the fact that I
showed up to this game enough?

WALKER AT 8

Yes, but-

MR. CROWE

But there are other ways of being apart
of the team than playing the game.

DISSOLVE TO:

INT. THE INFIRMARY - DAY

Walker rises in his bed. He gets out of it, but falls to the ground clearly looking like he is in pain from the mold.

NIGHTINGALE

But your condition!

WALKER

I can handle it. The others need me.

NIGHTINGALE

You will only get in the way.

WALKER

There's still something I can do. Just wait guys.

Walker struggles to get out of the infirmary.

EXT. THE BEACH - DAY

Keith, Bowie, Maria, and Abby barely get to their feet before an explosion occurs. The explosion causes them to fall back to the ground in their regular Ranger form.

ABBY

What happen to Legend Form?

BOWIE

There must be a time limit on it now, because of that spell Samson cast on us.

Wolzard places his sword back in his shield.

WOLZARD

What is wrong? Is this the extent of your legendary power?

Wolzard pulls out Mold Spore. Mold Spore's eye is almost open.

MARIA

Mold Spore's eye is almost open.

Keith gets to his feet.

KEITH

This isn't over yet.

Keith charges at Wolzard, sword drawn. Keith tries to slash at Wolzard, but the attack is blocked by Wolzard's shield. Wolzard then attacks Keith with the shield, causing Keith to fall face down. Keith turns around only to find that Wolzard is pointing his sword right at Keith's head.

WOLZARD

Looks like this is the end.

ABBY

Keith!

WOLZARD

Here I thought that you had grown in
you power. It appears I was wrong. Now
to finish you!

Wolzard pulls back his sword. He then starts to bring it
back down to hit Keith. Before the sword can do anything, a
vine comes out of nowhere and wraps around Wolzard's right
wrist. The vine stops the attack.

KEITH

What the-

Seeing an opportunity Keith slashes at Wolzard with his
sword. Wolzard goes back a bit, and Keith is able to get
away from Wolzard.

KEITH

It couldn't be...

Keith, Bowie, Maria, and Abby look to their left to see
Walker pointing his morpher in wand mode.

WALKER

GUYS!!!

KEITH

Walker, why?

ABBY

Why'd you come, and in your condition?

MARIA

Just leave it to the four of us!

BOWIE

You're in no condition to fight now.

WALKER

(struggling) I said before that I
wasn't able to finish my story about my
dad at my baseball game. Here's the
end. He said to me that if I can't play
en the game, I could at least cheer
them on, and still be apart of the
team. And so I'm doing the same today.
You can do it guys! I know you can!

BOWIE

Walker.

ABBY AND MARIA

Walker.

KEITH

Walker...

WALKER

Keith, you can do it!

KEITH

So he came here to cheer us on?

WALKER

Yes. Go, Keith go! Do it to it Bowie!
Give it your all Maria! You can do it
Abby! Go, go Power Rangers!

WOLZARD

Cheering? There is no point in doing
that.

KEITH

No point you say?

BOWIE

Someone like you would never understand
this.

ABBY

By cheering us on he's giving us the
moral support we need right now.

MARIA

He's giving us support.

KEITH

He's giving us courage that will turn
to magic, that will kick your butt!

WOLZARD

What?

Keith, Bowie, Maria, and Abby get to their feet and quickly
morph to Legend Form.

WOLZARD

This cannot be!

Keith turns to Walker.

KEITH

Thanks, we really needed that right
now. Let's do it!

Keith, Bowie, Maria, and Abby rush up to Wolzard.

WOLZARD
Howling Wolf; halosis, gangalos,
thursos!

A Howling Wolf attack is launched at the Rangers, but they block the attack with their Legendary Wand Staffs.

WOLZARD
What?!

Keith jumps up, and lands near Wolzard. He starts to swipe at Wolzard with his Staff. Wolzard counters, but Keith eventually gets a good slash in on Wolzard's shield knocking Wolzard back a little. Maria and Abby rush up to Wolzard and give him simultaneous slashes, which make contact. Bowie jumps up, and yellow lightning bolts form on the top of his Staff as he raises it vertically.

BOWIE
Legend Thunder Strike!

Bowie brings down the Staff and the attack makes contact, knocking Wolzard back a few feet.

KEITH
Magix Bolt, Fire Burst!

Keith launches a burst of fire from his staff. The flame hits Wolzard. Wolzard falls down from the attack. Bowie, Maria, and Abby get around Keith.

WOLZARD
Their attacks were different from
before.

KEITH
Time to finish this!

Keith, Bowie, Maria, and Abby all dial "2" on their Staffs. They get into position for the final attack with Keith and Bowie standing side-by-side, Maria crouched in front of Keith, and Abby crouched in front of Bowie.

KEITH, BOWIE, MARIA, AND ABBY
Mega Magix Bolt! Finsceal, draiocht,
ionsaigh!

The Mega Magix Bolt is fired at Wolzard, and he falls to the ground. Mold Spore also falls to the ground and explodes upon impact. Maria stands up and beside Keith, and Abby does the same beside Bowie.

EXT. DOWNTOWN GANDALF CITY - DAY

The entire mold that was on the buildings vanishes. The entire mold that was on the affected people vanishes. The victims get up looking somewhat dumbstruck. Samson and Prof. Firebird look down from the Carpet Glider.

PROF. FIREBIRD

They did it.

Samson nods.

EXT. THE BEACH - DAY

Walker returns to normal. The other Rangers come up to him.

ABBY

Walker.

KEITH

Thanks Walker.

Walker looks at Bowie and Maria and they nod.

WALKER

Guess there's only one thing to do now.

Walker takes out his morpher in wand mode.

WALKER

Legend metamorphosis! Arthraigh, duine,
duine, marbhan!

Walker quickly morphs, and then morphs to Legend Form. His Legendary Wand Staff appears in his hand. Wolzard gets back up.

WOLZARD

Not bad Rangers. Now that you are all
together, show me your true power!
Allaxima, gangalos, meros!

Wolzard flies up, and through a black magic circle making him grow to gigantic size.

WOLZARD

Allaxima, halosis, gangalos, henosis!

Wolzard combines with the Valkyriezord to form the Valkyrie Megazord.

WALKER

Time for the Legend Megazord!

The Rangers point their Staffs in front of them with the number pad facing them. Walker, Bowie, Maria, and Abby dial "4" on their staffs.

WALKER, BOWIE, MARIA, AND ABBY
Finsceal, arthraigh, teaglaim, duil,
duine!

Walker, Bowie, Maria, and Abby combine and morph into the Lionzord. Keith dials "3" on his Staff.

KEITH
Finsceal, arthraigh, duil, duine!

Keith morphs into the Firebirdzord.

KEITH, WALKER, BOWIE, MARIA, AND ABBY
Finsceal, arthraigh, teicniocht,
teaglaim, duine!

The two Zords then combine into the Legend Megazord.

KEITH, WALKER, BOWIE, MARIA, AND ABBY
Legend Megazord, power up!

WALKER
Here we go Wolzard!

The Valkyrie Megazord charges at the Legend Megazord. The Legend Megazord does the same. The Valkyrie Megazord tries to slash at the Legend Megazord, but the Legend Megazord's right claw smacks the Valkyrie Megazord's staff out of the way. The Legend Megazord then slashes at the Valkyrie Megazord with both of its claws a few times. The Valkyrie Megazord falls back a little bit. The Legend Megazord's claws flip down to reveal its hands.

KEITH, WALKER, BOWIE, MARIA, AND ABBY
Finscael, arm, draiocht! Legend Spear!

The Legend Spear appears in the Legend Megazord's hands. The Valkyrie Megazord starts to do its signature attack.

WOLZARD
Allaxima, halois, gangalos, meros!

KEITH, WALKER, BOWIE, MARIA, AND ABBY
Fire Screw Attack!

The two attacks are launched and hit each, but the Legend Megazord's attack is the victor. The Valkyrie Megazord falls back a little, and goes to the ground. Inside of the Legend Megazord the pawns are in a row.

KEITH

We finally did it; we have more power than the Valkyrie Megazord.

WALKER

Not quite, I think there's even more power.

A light comes down from above the pawns. The Rangers raise their Staffs to receive the new spell.

BOWIE

What is this?

MARIA

It's a new spell from Walker's courage to cheer us on, despite his condition.

Keith and Walker's pawns switch places.

WALKER

All right, let's do it!

KEITH, WALKER, BOWIE, MARIA, AND ABBY

Finsceal, duil, teicniocht, arthraigh!

Outside the Legend Megazord starts to fire blasts of fire from the mouth of the Lionzord. The blasts hit the Valkyrie Megazord. The Valkyrie Megazord launches a Howling Wolf attack, which is blocked by the attacks from the Legend Megazord.

KEITH, WALKER, BOWIE, MARIA, AND ABBY

Fire slash!

A giant ball of fire forms before the Lionzord's mouth, and the Legend Spear hits it, sending it at the Valkyrie Megazord. The attack makes contact, and the Valkyrie Megazord falls down.

KEITH

All right!

The Legend Megazord tries to move but something is preventing it. A red mold starts to form over the Legend Megazord. Inside the Legend Megazord the pawns are being affected.

WALKER

What is this?

BOWIE

It's some kind of mold.

ABBY

But we all ready destroyed Mold Spore.

Outside Mumankamon appears and laughs.

MUMANKAMON

I'm the one who sent this.

KEITH

Mumankamon!

MUMANKAMON

How do you like this new mold? It's specially powered up just for you Rangers.

The Legend Megazord falls down as the mold continues to spread.

MUMANKAMON

Finish them Wolzard!

The Valkyrie Megazord gets back up. The Valkyrie Megazord walks up to the Legend Megazord.

KEITH

So this is it, and we almost had him.

WALKER

Is this it?

The Valkyrie Megazord raises its staff.

WOLZARD

Henosis, gangalos, ledos!

The jewel in Wolzard's shield absorbs the mold on the Legend Megazord.

MUMANKAMON

What are you doing?

The Valkyrie Megazord turns around.

WOLZARD

Mumankamon! To interrupt me while I am fighting is a foolish task. I do not need you following me like a dog!

Mumankamon disappears. The Legend Megazord gets back up.

KEITH

What'd you do that for?

WOLZARD

Our battle was interrupted. We will finish this, another day. All five of your colors will be turned to the color of darkness eventually.

The Valkyrie Megazord turns around and disappears. Inside of the Legend Megazord the pawns are where they were.

KEITH

We cannot let that happen. It will never happen.

WALKER

It appears he wants us all on his side.

KEITH

I will not end up like him! In fact I will now strive to bring him back from the darkness!

FADE OUT.

FADE IN:

INT. THE MAIN CHAMBER OF THE LAIR - DAY

Mumankamon turns to face Wolzard.

MUMANKAMON

What do you think you're doing?! You wasted a perfectly good chance! And to add insult to injury, you SAVED them!!

WOLZARD

I told you before. Do not interrupt me during a battle. NEVER interrupt me during a battle! Do I make myself clear?

MUMANKAMON

Fine have it your way Wolzard. But don't come crying to me when this attitude of yours blows up in your face.

WOLZARD

It will not. Believe me it will not.

MUMANKAMON

Either way, start preparations for the next attack. Ready Dream Reaper for it.

EXT. THE DESERT WORLD OF ONYX - DAY

A figure in a faded brown robe walks through the streets.

MUMANKAMON

(V/O)

I believe our next attack will be quite extraordinary.

The figure walks into the tavern, and straight up to the bar. The figure sits down with his head down. The bartender walks up to him.

BARTENDER

What can I get ya?

FIGURE

I believe there is a message for me.

BARTENDER

And who are you?

The figure straightens his head.

BARTENDER

Oh it's you.

The bartender reaches under the bar and grabs an envelope. He hands it to the figure. The figure opens the envelope, takes out the paper inside, and reads the note.

FIGURE

So Gruum has some final orders for me.
Very well, I might as well see what
they are.

END
