"POWER RANGERS MAGIX: EPISODE 30 - THE BEGINNING..."

FADE IN:

EXT. THE GROUNDS OF MAGIX - DAY

PROF. FIREBIRD walks around she inspects the grounds as she walks.

PROF. FIREBIRD

The grounds are looking like they are going to shambles. Perhaps it is time to hire a new groundskeeper.

Prof. Firebird continues to walk around and sees a huge chunk of the lawn that is partially dead, and partially dug up for seemingly no apparent reason.

PROF. FIREBIRD

That is it. It is definitely time to hire a new groundskeeper.

Prof. Firebird heads toward the castle.

INT. PROF. FIREBIRD'S OFFICE - DAY

Prof. Firebird enters. She walks to her desk and sits down. She then grabs a quill, and a piece of parchment. She dips the quill into a bottle of ink, and starts to write the following message, "Groundskeeper position available at Magix. Position is open for immediate employment. Please apply at the Magix castle to headmistress Athena Firebird." After finishing the note Prof. Firebird rises from her desk and leaves the office. As she walks down the hall she passes by NOCHE.

NOCHE

Athena, where are you headed?

PROF. FIREBIRD

I am going to go to the offices of The Crystal Ball.

NOCHE

For what? I you do not mind my asking.

PROF. FIREBIRD

The grounds are in disrepair, and we need a new keeper immediately.

NOCHE

I see.

PROF. FIREBIRD

Now if you do not mind Oscuro, I must get going.

NOCHE

Good luck with finding a new groundskeeper. I am sure you will find a worthy candidate.

PROF. FIREBIRD

I am sure I will.

Prof. Firebird continues down the hall until reaching a fireplace that has a nice fire in it. A small golden cup rests on the mantle. Prof. Firebird reaches into the cup to grab some of the powder contained within.

PROF. FIREBIRD

The offices of the Crystal Ball.

Prof. Firebird throws the powder into the fire, and the flame turns green. Prof. Firebird then steps into the fire.

INT. THE OFFICES OF THE CRYSTAL BALL - DAY

Prof. Firebird steps out of the fireplace in the lobby. She then walks up to the receptionist. The receptionist sees Prof. Firebird.

RECEPTIONIST

Professor Firebird, how good it is to see you. How may I help you?

PROF. FIREBIRD

I would like to place this advertisement.

Prof. Firebird hands the receptionist the piece of parchment.

RECEPTIONIST

How soon would you like it to appear?

PROF. FIREBIRD

Immediately.

RECEPTIONIST

You are in luck. We will be able to fit it into today's edition.

PROF. FIREBIRD
Thank you.

RECEPTIONIST
Shall I bill Magix for this later?

PROF. FIREBIRD
Please.

RECEPTIONIST
Everything is in order now. Thank you
for choosing The Crystal Ball.

FADE OUT.

FADE IN:

EXT. THE SOUTH POLE - DAY

ZEV and DONOVAN dressed in arctic survival gear walk around until coming up to a cave. They enter. Inside of the cave things are much warmer than they were outside, and as such Zev and Donovan remove their outer vestments. They start to walk through the cave with their wands held up with a light spell cast to give them some light.

VOICE

Well, well, well if it isn't Zev
Firebird the mighty headmaster of
Magix.

ZEV

Who said that?

VOICE

Right behind you.

Zev and Donovan turn around, to see COBALT RING.

DONOVAN

What do you want?

COBALT RING

The real question is why have the two
of you come?

ZEV

We are here to repair the damages to
the seal that have been made.

ANOTHER VOICE

Is that so?

MECHANOS steps out of the shadows.

ZEV

Mechanos, what are you doing here?

MECHANOS

To see that you don't complete your
mission Firebird!

DONOVAN

Well our mission will be completed and
you will not attack the surface.

MECHANOS

I highly doubt that. Cobalt Ring,
Samuraiger, Sirena, Abomino, surround
them!

Samuraiger, Abomino, and Sirena come out of the shadows,
and together with Cobalt Ring, they slowly surround Zev and
Donovan.

INT. DONOVAN'S APARTMENT - DAY

Donovan wakes up from his dream. He rubs his eyes.

DONOVAN

Why am I having these dreams?

Donovan gets out of bed and makes his way to the front door
of his tiny apartment. The latest edition of The Crystal
Ball has been slid underneath the door. He reaches down and
picks up the paper.

DONOVAN

Time to see if there are any new jobs
posted.

Donovan flips to the want ads, and sees the job ad at
Magix.

DONOVAN

There is a job at Magix open? This is
too perfect. Athena will be able to
provide me with protection, and I can
finally reunite with Oscuro.

Donovan quickly finds the best looking clothes that he can,
and gets dressed. He hurries out of the apartment.

FADE OUT.

FADE IN:

INT. THE HALLS OF MAGIX - DAY

Donovan walks through the halls. As he does so, Noche passes by him. Noche stops for a minute, and looks at Donovan.

NOCHE

Donovan?

Donovan stops, and turns around.

DONOVAN

Yes Oscuro?

NOCHE

Is it really you?

DONOVAN

It is.

Noche spreads out his arms and approaches Donovan. Upon approaching him Noche wraps his arms around Donovan to hug him. Donovan does the same.

NOCHE

It has been too long brother.

DONOVAN

It has.

Noche and Donovan let go of each other.

NOCHE

But why have you not been in contact with me?

DONOVAN

I cannot explain right now. I must see Athena immediately.

NOCHE

Are you applying for the groundskeeper job?

DONOVAN

I am.

NOCHE

I will take you to her immediately.

Noche leads Donovan to Prof. Firebird's office. Noche knocks as he opens the door.

NOCHE

Athena I have a surprise for you.

PROF. FIREBIRD

What is it?

Noche opens the door completely and Donovan can be seen within the frame.

PROF. FIREBIRD

Is that really you Donovan?

DONOVAN

It is. I have come to apply for the groundskeeper position.

PROF. FIREBIRD

Come in. Come in.

Noche and Donovan enter the office and approach the desk.

DONOVAN

If you will hire me Athena, I can start today if you need me.

PROF. FIREBIRD

How could I not hire you, right Oscuro?

NOCHE

Yes. You always were good at herbology Donovan.

PROF. FIREBIRD

But where have you been these past five years?

NOCHE

I am wondering that myself. So please tell us brother.

DONOVAN

I do not wish to discuss this at the moment. But please believe my reason for my apparent disappearance over the past five years would bring out some painful memories.

PROF. FIREBIRD

I understand Donovan. But why have you come here?

DONOVAN

For the job first and foremost, but more importantly, protection.

NOCHE

What do you mean?

DONOVAN

Over the past five years I have been living in fear that the underground kingdom could find me out and bring me back to their lair. However there is something about being back at Magix that gives me a sense of security. Not to mention that the new mages have been chosen and as I understand it have been very successful against the attacks Mechanos has launched. Now if you do not mind Athena, I really would like to begin the job.

PROF. FIREBIRD

Yes of course. I will show you to your hut.

Prof. Firebird gets up from behind the desk and leads Donovan and Noche out of the office.

FADE OUT.

FADE IN:

INT. THE MAIN CHAMBER OF THE LAIR - DAY

MUMANKAMON sits on the throne. NIGHT and MARE are standing in front of him. WOLZARD is off to the side. Mumankamon rises from the throne.

MUMANKAMON

I finally have the perfect plan for
reviving Lord Demos.

NIGHT

Why bother?

MARE

The Rangers will just butt in as
always.

MUMANKAMON

Therein lies the beauty of this plan; I
need to Rangers to "butt in as always".

NIGHT

But what exactly is this plan?

MUMANKAMON

That's for me to know you two to figure
out on your own. However this plan
can't be fully completed without you
Wolzard.

WOLZARD

What do you need me for?

MUMANKAMON

Use that psychic link you have with the
Red Ranger to draw him out, as well as
the Green, Yellow, Blue, and Pink
Rangers.

WOLZARD

What about the Solaria and White
Rangers?

MUMANKAMON

I have a special treat for the Solaria
Ranger, which should also include the
White Ranger, if for anything else, to
get her out of the way. Now go Wolzard
draw out the Rangers.

WOLZARD

As you command Mumankamon.

A black magic circle forms under Wolzard's feet, and he vanishes. Night and Mare start to circle around Mumankamon.

NIGHT

Now that Wolzard is out of the way,
tell us...

MARE

What does this plan of yours entail?

MUMANKAMON

Let's just say that the Rangers possess
the ultimate power for reviving Lord
Demos, and we'll leave it at that.

FADE OUT.

FADE IN:

INT. THE MAIN HALL - DAY

KEITH, WALKER, BOWIE, ABBY, MARIA, and SAMSON are sitting at the Firebird table. Keith gets a flash.

WOLZARD

(V/O)

Red Ranger, I want you, and the Green, Yellow, Blue, and Pink Rangers to meet me. We shall end this once and for all.

WALKER

What's Wolzard saying?

KEITH

He wants the five of us to meet him.

SAMSON

What about me?

KEITH

He said only Red, Green, Yellow, Blue and Pink.

BOWIE

Does anyone else think that this could be a trap?

MARIA

Bowie's right. There has to be a reason why Wolzard only wants five of us.

KEITH

It may be a trap, but we can't let Wolzard destroy the surface. Now we've got to go.

Keith, Walker, Bowie, Maria, and Abby get up from the table and leave the hall.

EXT. A PARK - DAY

Keith, Walker, Bowie, Maria, and Abby (all morphed) run up to Wolzard.

KEITH

What do you want?

WOLZARD

It is time for the five of you to meet Lord Demos face-to-face.

ABBY

What?

WOLZARD

The five of you possess a power that is the key to reviving Lord Demos.

WALKER

But what could this power be?

BOWIE

It's obvious that he wants our Legend Power.

KEITH

Well if you want our Legend Power, come and get it!

Keith, Walker, Bowie, Maria, and Abby take out their morphers in wand mode.

KEITH, WALKER, BOWIE, MARIA, AND ABBY

Legend metamorphosis! Arhtaigh, duine, duine, marbhan!

Keith, Walker, Bowie, Maria, and Abby all morph to Legend Form. The Legendary Wand Staffs form in their hands.

WOLZARD

Very well.

Wolzard draws his sword, and points it at the Rangers.

KEITH

Let's do it!

All of the Rangers take fighting stances. They jump up in the order of Walker, Bowie, Abby, Maria, and finally Keith. They surround Wolzard. Wolzard tries slashing at Keith, but Keith's Staff blocks the attack. Wolzard then tries to slash at Bowie and Walker, but their Staffs block Wolzard's attack. Wolzard continues to try to attack the Rangers, but all of his attacks keep getting blocked by the Rangers' Staffs. Bowie and Walker stand side-by-side and try to attack Wolzard with the tops of their Staffs simultaneously, but their attacks are blocked by Wolzard's shield. Wolzard uses his sword to separate the two Staffs, and tries to attack Bowie and Walker, but they slash at him with their Staffs as they run past him. Keith jumps up, points out his Staff, and lands a vertical slash on Wolzard causing him to fall back a few feet. Keith confronts Wolzard and the other Rangers gather around him in their usual positions.

WOLZARD

Your power is truly amazing. Demos will
be most pleased when he receives it.

KEITH

I don't think so!

Wolzard and Keith charge at each other. They exchange blows with their weapons that keep hitting each other. Wolzard tries a horizontal slash at Keith, but Keith jumps over it. Wolzard and Keith slash at each other again, and both of their weapons hit each other. They press their weapons against each other for a while until breaking free. Once free the battle continues.

FADE OUT.

FADE IN:

EXT. THE GROUNDS OF MAGIX - DAY

Samson walks around for a while. He continues to do so until Night and Mare appear. Night is holding a small scroll.

MARE

Nice to see you, Solaria Ranger.

SAMSON

What do you want?

NIGHT

We have a message for you from Mumankamon.

Night tosses the scroll at Samson. He catches it.

SAMSON

Is that it?

NIGHT

That's it.

Night and Mare disappear. Samson opens the scroll and reads it.

SAMSON

Got to show this to Professor Firebird.

Samson takes out his morpher and dials a number.

SAMSON

Professor Firebird, it's Samson.
 (pause) I just got a message from Mumankamon that you need to see.
 (pause) The groundskeeper's hut?
 (pause) Okay I'll see you there.

Samson ends the call. He then starts to head for the northwest end of the grounds where the groundskeeper's hut is located. Prof. Firebird and Donovan are standing outside. Samson comes up to Prof. Firebird.

PROF. FIREBIRD

Samson I would like you to meet Donovan Noche our new groundskeeper.

DONOVAN

Nice to meet you.

SAMSON

Likewise, are you related to Professor Noche at all?

DONOVAN

I am his younger brother.

PROF. FIREBIRD

Now Samson what did the message say?

SAMSON

Mumankamon wants us both to come to some dimension to meet up with him. He said something about calling some sort of a truce.

PROF. FIREBIRD

I do not believe that for one minute, but still we shall go just to humor him.

SAMSON

Just let me go get the Lamp, and we'll be off.

PROF. FIREBIRD

All right.

EXT. A DARK, DESOLATE DIMENSION - DAY

The Solaria Express Trainzord arrives in this desolate place that has pillars of stone protruding from the ground as well as numerous skulls, both human and cattle, lying on the ground. Samson and Prof. Firebird walk around.

SAMSON

Where are we?

MUMANKAMON

A graveyard of hatred.

Samson and Prof. Firebird turn around to see Mumankamon.

MUMANKAMON

This place is where your precious husband Professor Firebird sealed away numerous monsters leaving them dormant for years.

PROF. FIREBIRD

Can we just get this over and done with Mumankamon?

MUMANKAMON

Couldn't agree more.

Mumankamon fires a beam from his fan. Samson and Prof. Firebird dodge the attack, and morph in flashes of white and gold light, respectively. Mumankamon comes up to the both of them with his fan now transformed into a staff. Mumankamon raises his staff and swipes at Prof. Firebird, but she blocks the attack with her Lance before Mumankamon can do any damage. Samson rubs the Lamp Blaster a couple of times and fires two gold shots at Mumankamon, but Mumankamon uses his staff to swat away the shots. Samson then jumps up to try to land a flying kick on Mumankamon, but Mumankamon grabs Samson's foot and flings him. Samson lands on his feet. Mumankamon then engages Samson, by swinging his staff at Samson, but Samson is able to dodge the attacks.

MUMANKAMON

Gangalos, thursos!

Black bolts of magic fire out of Mumankamon's eyes and hit Samson. Samson flies back a few feet.

MUMANKAMON

Gangalos, meros!

A few explosions go over Samson's body.

SAMSON

I can't believe how tough he is.

MUMANKAMON

Good, because the power of darkness that Lord Demos gave me is quite strong. In fact the power I have can allow me to do this. Allaxima, gangalos, meros!

Mumankamon grows to gigantic size. CHESHIRE pops his head out of the top of the Lamp.

CHESHIRE

Use your Megazord.

Samson punches the "JOINT" card. He points it at the Trainzord.

EXT. A PARK - DAY

Wolzard continues to fight Keith, Walker, Bowie, Maria, and Abby. However he is having difficulty getting any good attacks on them. With each attempt the Rangers keep blocking Wolzard's attacks. Eventually the Rangers regroup in their usual formation.

WOLZARD

Offer your Legend Power, and Lord Demos will grant you the power of darkness.

ABBY

Hate to break it to you, but we don't want it.

WALKER

We're here to protect the surface from the power of darkness.

Maria nods.

BOWIE

There is no way you're getting our Legend Power.

KEITH

So for the sake of everything we hold dear, we will defeat you! Magix Bolt!

Keith dials "1" on his Staff. Wolzard steps up, but gets some sort of a flash.

WOLZARD

What is this?

Wolzard lets down his guard, and as such does not see Keith coming at him.

KEITH

Fire burst!

A burst of fire shoots out of Keith's Staff and hits Wolzard. Numerous explosions occur.

EXT. THE DESOLATE DIMENSION - DAY

Mumankamon fights the Solaria Express Megazord. Inside the cockpit Samson sits at the controls while Cheshire is behind him. Samson pulls a lever.

SAMSON

Rail Trap!

Outside the panels on the Solaria Express Megazord's legs open up and the two mini versions of the engine are launched. They travel over to Mumankamon only to be destroyed by him. After destroying the Rail Trap Mumankamon points his staff, with the fan part horizontal, at the Solaria Express Megazord.

MUMANKAMON

Pathetic! Have a taste of real power.
Gangalos, meros!

Mumankamon turns the fan part so that it is now vertical. Explosions go over the Solaria Express Megazord's body. Mumankamon then launches a purple colored slash at the Solaria Express Megazord, which makes contact. Inside the Solaria Express Megazord Samson and Cheshire feel the effects of the attack.

SAMSON

There's only one thing to do for a scumbag like you.

Samson pushes up a lever.

SAMSON

Furnace Blast!

The front end of the engine flips down and a giant blast of fire shoots out of the engine at Mumankamon. The attack appears to be working on him.

MUMANKAMON

I've been waiting for this moment.

Mumankamon holds the attack on him with his fan.

MUMANKAMON

Time to be taking your power. Halosis,
gangalos, ledos!

Mumankamon absorbs all of the Solaria Express Megazord's power into his fan. Inside of the Solaria Express Megazord the gauges start to drop.

CHESHIRE

Samson, the temperature of the furnace
is dropping fast!

SAMSON

What?!

A white light appears as the Solaria Express Megazord disappears and Samson falls to the ground unmorphed. Cheshire falls too in the Lamp. Prof. Firebird (now unmorphed) comes over to Samson.

PROF. FIREBIRD

Samson!

Mumankamon lands on the ground after shrinking down to human size. He laughs a little bit, and places his staff in the ground.

SAMSON

You were after the Solaria Express Megazord's power, weren't you?

MUMANKAMON

Right you are Solaria Ranger.

PROF. FIREBIRD

What are you planning?

MUMANKAMON

Since I'm going to destroy you anyway, I might as well say. I need your power to cast a big spell. I probably can't do it with just my own magic. Meros, henosis! Gangalos, halosis!

A purple wave of magic goes over the ground.

SAMSON

What's happening?

MUMANKAMON

Just watch.

Black silhouettes of monsters come out of the ground. They all fly up and combine into the CHIMERA monster.

MUMANKAMON

Ah, there's a sense of satisfaction that I'm getting for creating Chimera over here. Maybe it's the fact that he'll pave the way for Lord Demos' revival!

CHIMERA

Me want to smash!

Mumankamon walks around Chimera.

MUMANKAMON

Excellent, just excellent! Now if you want something to smash, may I suggest those two over there?

Mumankamon points to Samson and Prof. Firebird. Chimera lets out a very happy grunt. The monster rushes over to Samson and Prof. Firebird. Samson gets in front of Prof. Firebird, but Chimera knocks him away, and does the same with Prof. Firebird. Chimera then fires a beam at Samson and Prof. Firebird with its right hand. The beam causes an explosion, which knocks Samson and Prof. Firebird off of a small cliff. Samson and Prof. Firebird roll down the side of the cliff. Once Samson and Prof. Firebird are at the bottom Mumankamon walks up to the edge and looks down on the two of them.

MUMANKAMON

Since Chimera was created with the power of the Solaria Express Megazord, it'll have more than enough power to send your friends to meet Lord Demos for their first, and last, encounter with him. And it's such a waste that the two of you can't make it to such an event, so I'll just take care of you now.

Mumankamon fires a beam at Samson and Prof. Firebird. The beam hits the ground in front of them, and causes an explosion. The Magix Lamp, Samson's morpher, and Prof. Firebird's morpher fly up and hit the ground.

EXT. A PARK - DAY

Wolzard continues to fight Keith, Walker, Bowie, Maria, and Abby. Wolzard rolls on the ground as Keith charges at him. Before Keith can get near Wolzard, Chimera appears, and head butts Keith. The attack sends Keith flying back. The other Rangers gather around him. They also notice Chimera.

ABBY

What is *THAT*?!

WOLZARD

So Mumankamon created a Chimera.

CHIMERA

More Rangers to smash!

Keith gets up.

KEITH

It doesn't matter what comes at us,
we're not going to lose! Time to show
this thing our Legend Power. Magix
Bolt!

Keith dials "1" on his Staff, and fires a burst of fire at Chimera. Chimera is unaffected by the attack and even sends it back at the Rangers. The attack hits the five of them, and they fall down.

BOWIE

(surprised)It didn't work?!

MARIA

Why?

Chimera laughs.

CHIMERA

Take this!

Chimera shoots a blast at the Rangers with its right hand. The blast hits the Rangers knocking them down.

WOLZARD

Blasted Mumankamon! Why does he always
meddle in my battles?

CHIMERA

You get them.

Wolzard places his sword in his shield. He then holds out his right hand.

WOLZARD

Labhe, dolon!

A black magic circle forms under the Rangers. The circle sucks in the Rangers.

FADE OUT.

FADE IN:

INT. THE MAIN CHAMBER OF THE LAIR - DAY

A black magic circle appears in mid air, and Keith, Walker, Bowie, Maria, and Abby (now unmorphed) land on the ground. Purple centipedes crawl up to the Rangers and wrap themselves around their wrists. The centipedes become chains, which raise the Rangers up. Night and Mare come up to them.

NIGHT

Yes the Rangers are trapped!

MARE

Welcome to our underground lair!

The Rangers get a look at their surroundings.

MARIA

So this is their lair.

WALKER

Look at all the Infelshias and Command Infelshias.

KEITH

And they were all sealed here by the previous mages.

BOWIE

There's got to be something that we can do.

ABBY

Don't worry, I'm sure Samson and Professor Firebird will come along and save us.

MUMANKAMON

You might as well let go of that hope Pink Ranger, because they're both destroyed.

Mumankamon paces around Demos' portal.

KEITH

WHAT?!

MARIA

You lie. There's no way they'd be defeated.

MUMANKAMON

Fine, go ahead and be patient for your rescue from them. You'll no longer exist by the time they would arrive anyway. All of your power will become the necessary energy to revive Lord Demos. Now go ahead and take a look at Lord Demos, because it will be your last!

Keith looks down.

KEITH

So that's Demos.

WALKER

Let us go!

BOWIE

There's no way you're getting away with this!

Mumankamon laughs briefly.

MUMANKAMON

Now let's get the fun started! It's time for your Legend Power to become one with Demos.

Mumankamon points his fan at the Rangers.

MUMANKAMON

Halosis, gangalos, gangalos, phalanx!

Red, green, yellow, blue, and pink lights form over each Ranger's body, until they focus as a single ball over each of their hearts. Colored beams shoot out of the light ball and into Demos' portal. The Rangers cry out in pain as the lights are absorbed into the portal.

NIGHT

Isn't this great?

MARE

Their Legend Power is leaving them!

Night and Mare combine into NHYMERA.

NHYMERA

Soon Lord Demos will be revived. We've been waiting for this moment for too long.

MUMANKAMON

The seal the Magix Mages of all generations risked their lives to protect will finally be broken!

Mumankamon laughs. Wolzard receives a flash like the one he got in the park. Wolzard looks over as he sees the Rangers in pain as the last of their Legend Power is absorbed into the portal.

KEITH

(struggling) Can't...let...Mumankamon... get...away...with this!

MUMANKAMON

HA! (partially laughing) You don't stand a chance of doing that.

KEITH

I can't let you get away with this. I won't let you get away with this. And don't care if I have to destroy myself to do it!!!!

A red light goes over Keith body, and he is now suddenly morphed.

KEITH

I won't let the seal that protects the surface be destroyed by the likes of you! Duine, ionsaigh, duil!

Flames engulf Keith's body, and they spread throughout the lair. The flames break the chains the other Rangers have on them, and even hit Nhymera, Mumankamon, Wolzard, and Chimera. Keith lands on his feet, while most everyone else in the lair falls down.

MUMANKAMON

What was that?!

Keith charges at the portal with his sword drawn. Lord Demos reacts by shooting red lighting-like bolts of energy at Keith. The bolts cause Keith to fly back, and demorph. The bolts also cause great pain to happen to Keith. Wolzard watches this happen. Keith looks over at Wolzard.

KEITH

Father!

Wolzard receives another flash.

WOLZARD

KEITH!

Wolzard rushes over to Keith and blocks the bolts with his shield. Wolzard is able to knock the bolts back into the portal. Doing this causes Wolzard to revert back to Zev, who also drops the Wolzard Morpher. Zev goes over to Keith, and slides his left arm under Keith's head.

MUMANKAMON

Wolzard how dare you defy Lord Demos
like that?!

ZEV

My name is Zev Firebird!

MUMANKAMON

So be it Firebird. It will be a
pleasure destroying both father and
son.

ZEV

You are not doing anything!

MUMANKAMON

I think I will be.

Zev slides his right arm under Keith's legs, and picks him up. Zev walks over to Walker, Bowie, Maria, and Abby.

ZEV

CHAGHNYS, SOLLYS!

Zev holding Keith, Walker, Bowie, Maria, and Abby
disappear.

FADE OUT.

FADE IN:

EXT. THE GROUNDS OF MAGIX - NIGHT

Zev and the Rangers appear at the northwest end of the grounds. Zev is still holding Keith, and the others are passed out and lying on the ground. Donovan sees them appear, and comes out of the hut. He takes a look at Zev.

DONOVAN

Zev, I cannot believe that it is you.

ZEV

It is good to see you again too Donovan, but now we must take the Rangers to the infirmary. They have all been through too much.

DONOVAN

Yes, right away. I will send for Madame Nightingale.

Donovan goes back into the hut quickly. Moments later he comes back out. NIGHTINGALE also arrives with five floating stretchers. Zev places Keith on one of them. Zev also helps Nightingale and Donovan put the other Rangers on the remaining stretchers.

NIGHTINGALE

If I do say so myself, it is good to have you back headmaster.

ZEV

It is good to be back to normal. But now we must give the Rangers they require.

NIGHTINGALE

Right away.

Nightingale leads Zev and Donovan toward the infirmary. The stretchers follow them. In the distance within the trees by the groundskeeper's hut a unicorn watches Zev, Nightingale, Donovan, and the Rangers somewhat closely.

INT. THE MAIN CHAMBER OF THE LAIR - NIGHT

Demos' portal glows very brightly. Mumankamon gets up and dusts himself off. Night and Mare have expressions of great worry over their faces.

MARE

Lord Demos looks mad.

NIGHT

That he does Night.

Mumankamon paces around the portal.

MUMANKAMON

Very soon Demos will be revived and the surface will be ours!

Mumankamon looks down by the portal and notices the Wolzard Morpher. He picks it up.

MUMAMKAMON

Hmm...this could still be of some use to us. However getting it to him will prove to be quite tricky. Either way, your services Wolzard, are still required.

Mumankamon starts to laugh very maniacally.

TO BE CONTINUED...
