"POWER RANGERS MAGIX: EPISODE 31 - ...OF THE END"

FADE IN:

INT. THE INFIRMARY - DAWN

The sun rises, and when the light fills the room, it reveals that KEITH, WALKER, BOWIE, MARIA, and ABBY are lying in beds. ZEV sits in a chair on the right side Keith's bed with a very patient look on his face. Nightingale is seen in the back looking at a few things. Zev watches his son ever so closely, who is still lying in bed. Keith's eyes start to move a little until he opens them. Feeling a headache, Keith places his right hand on his head and starts rubbing it.

KEITH

Oh my head what happened?

ZEV

You had an encounter with Demos, Keith.

Keith looks to his right.

KEITH

Father?

ZEV

Yes it is me and not Wolzard.

KEITH

How?

ZEV

I am no longer under Wolzard's evil influence, and as such I am free.

The other Rangers start waking up starting with Walker.

WALKER

What happened?

ZEV

Relax Walker everything will be fine.

Walker looks over at Zev.

WALKER

What are you doing here?

KEITH

Relax he's not under Wolzard's influence anymore.

WALKER

That's great. But I've got one question.

ZEV

What?

WALKER

What should we call you? After all you're not a teacher so we can't call you "Professor Firebird".

ZEV

Walker, you, Bowie, Maria, and Abby can call me Zev. And Keith you do not have to be as formal with me as you previously were.

KEITH

Okay, dad.

Bowie wakes up, and sees Zev.

BOWIE

(suspiciously) What's Wolzard doing here?

WALKER

Relax Bowie, Zev's no longer under Wolzard's influence.

ZEV

After all Keith did separate me from Wolzard some time ago.

Maria and Abby wake up. Abby rubs the side of her head a little.

ABBY

My aching head!

MARIA

What happened?

KEITH

Relax, everything's fine now, and my we've got a new ally.

Maria looks over at Zev.

MARIA

I see that. So what's going to happen now that you're no longer Wolzard?

ZEV

I have not thought about it. Maybe I should just let Keith's mother continue being headmistress. I have been out of practice with that position for too long. Maybe I should help Donovan out and become an extra groundskeeper.

WALKER

How exactly did you become Wolzard?

ZEV

Well when I was on that mission five years ago Mechanos captured me. During my time in their lair, they tortured me, until I finally snapped and confessed allegiance to Lord Demos. With this newfound loyalty, Demos gave me the power of Wolzard, and the evil influence took over me.

BOWIE

So what was with one of Demos' eyes being in Wolzard's shield?

ZEV

Most likely it was to give me power. Although having one of Demos' eyes in the shield does give the phrase, "keeping an eye on you" a more literal meaning.

ABBY

So what's the plan now?

ZEV

For now the five of you are going to stay in bed. You have been through too much and you need your rest for what could be ahead of you. In the meantime I will try to find where Keith's mother and Samson have gone to, and maybe try to bring them back.

FADE OUT.

FADE IN:

EXT. THE DESOLATE DIMENSION - DAY

A hand reaches out from beneath the sand. Eventually the hand stretches out far enough to reveal an arm, which belongs to SAMSON. Samson gets to his feet and dusts himself off. He notices another hand, but this one looks more cat-like than human like. Samson reaches down and pulls CHESHIRE up.

CHESHIRE

Thanks Samson.

SAMSON

Where's Professor Firebird?

Another human hand reaches out of the sand. Samson helps it up, and PROF. FIREBIRD gets to her feet.

PROF. FIREBIRD

Well it appears that we are all right for the time being, but we need to find our morphers Samson.

CHESHIRE

Not to mention the Lamp.

Samson, Prof. Firebird, and Cheshire walk around until Cheshire spots a half gold, half navy colored ring-like object sticking out of the sand. Cheshire goes over to it and picks it up. The ring was the handle to the Magix Lamp.

SAMSON

So if the Lamp's here then the morphers should be around here somewhere.

Samson and Prof. Firebird look around. Samson notices the handle to his morpher sticking out of the sand. He goes over to it and picks it up. Samson then starts to dust off the morpher. Prof. Firebird looks to her right and sees her morpher partially sticking out of the sand. She reaches down, picks it up, and dusts it off. Prof. Firebird opens up her morpher.

PROF. FIREBIRD

Everything appears to be in working condition.

SAMSON

But there's only one real way of knowing for sure.

PROF. FIREBIRD

Agreed.

Prof. Firebird converts her morpher to wand mode. Samson takes out his morph card.

PROF. FIREBIRD

Arthraigh, duine, marbhan!

SAMSON

Abeo, equus, corporeus!

They both morph.

PROF. FIREBIRD

At least we can still morph.

SAMSON

But how are we going to get back?

PROF. FIREBIRD

What about the Trainzord?

Samson takes out his Trainzord card. The card itself looks as if it has been beaten up somewhat badly. However at the same time the damages that are on the card appear to be fixing themselves.

SAMSON

Cheshire, what happened?

CHESHIRE

The Trainzord took a beating from Mumankamon, and the repair spell I've cast on it is taking its time.

SAMSON

So that means we can't use the Trainzord.

CHESHIRE

Yes.

A faint whinny is heard in the distance.

SAMSON

What was that?

PROF. FIREBIRD

It almost sounded like a horse.

Galloping can be heard coming toward their direction. Eventually a unicorn appears before them. The unicorn nuzzles Prof. Firebird a little bit.

PROF. FIREBIRD

Samson, we need to get on the unicorn.

SAMSON

Why?

PROF. FIREBIRD

I think that it may take us back to the castle.

CHESHIRE

Well what are we waiting for?

Cheshire holds up his right hand and snaps his fingers. A saddle appears on the unicorn. Samson mounts it. Prof. Firebird gets on and sits sidesaddle. Cheshire hands Prof. Firebird the Lamp, turns into the smoke and enters the Lamp. The unicorn starts to gallop off. After galloping for a few minutes a flash of white light goes over the unicorn, Samson, and Prof. Firebird. Once the flash vanishes, so do the unicorn, Samson, and Prof. Firebird.

FADE OUT.

FADE IN:

EXT. THE GROUNDSKEEPER'S HUT - DAY

DONOVAN rakes some leaves. The unicorn, Samson, and Prof. Firebird (both are now unmorphed) appear. Samson and Prof. Firebird get off of the unicorn. Donovan notices them.

DONOVAN

Where have you been?

SAMSON

We were stuck in some kind of dimension.

PROF. FIREBIRD

We need to inform the others of our arrival.

Prof. Firebird takes out her morpher and opens it up. She dials a number.

PROF. FIREBIRD

Rangers, Samson and I have returned please me outside of the groundskeeper's hut.

She ends the call. Moments later Keith, Walker, Bowie, Maria, and Zev come out to the hut. Prof. Firebird notices Zev.

PROF. FIREBIRD

ZEV?!

She goes up to him.

PROF. FIREBIRD

Is it really you?

ZEV

It is Athena. I am no longer under Wolzard's influence, and as such I am now here to assist the Rangers.

She wraps her arms around him, and he does the same. Prof. Firebird starts to tear up a little bit.

PROF. FIREBIRD

It has been too long.

Zev places his right hand on Prof. Firebird's head, and starts to stroke her hair.

ZEV

I know, I know. But what matters now is that I am back.

Keith walks up to the unicorn and starts to pet it.

KEITH

What's with the unicorn?

DONOVAN

I have been wondering that myself. It has been wandering near the hut ever since yesterday.

SAMSON

All I know is that it appeared where we were and brought us back here.

KEITH

There's something about this unicorn that seems somewhat familiar to me for some reason. It's almost as if I used it or something like it before.

Maniacal laughter that almost sounds like cackling is heard.

MARE'S VOICE

Oh how touching.

NIGHT'S VOICE

Husband and wife reunited after five long years of being apart.

Everyone turns around to see NIGHT and MARE.

WALKER

What do you want?

MARE

We have a little a present for Firebird.

ZEV

Which one?

NIGHT

You of course.

Night tosses Zev a purple and black colored object. Zev catches it, and sees that it is the Wolzard Morpher. A purple wave of energy goes over him.

KEITH
What was that dad?

ZEV
I am Wolzard.

BOWIE
It was the Wolzard morpher?

MARE
Of course.

NIGHT
Firebird dropped it in the lair and Mumankamon wants him to have it again. After all, Demos isn't finished with him just yet. Come Wolzard we've got work that needs to be done.

MARE
But before we forget, Mumankamon would like to extend an invitation to you Solaria Ranger.

SAMSON
For what?

NIGHT
A duel. He apparently was impressed by your skills in that dimension, and he wants another match, and with the White Ranger acting as a referee. Now what do you say.

SAMSON
What should we do Professor?

PROF. FIREBIRD
We accept.

SAMSON
What?!

PROF. FIREBIRD
It could be our chance to finish him.

SAMSON
No offence, but that's crazy. He nearly destroyed me last time. What makes you think I'll beat him?

PROF. FIREBIRD

Just have faith, and your courage will be your ultimate weapon. Now we must go, I do not think that Mumankamon wants to be kept waiting, does he?

NIGHT

No he doesn't. Now come with us. You too Wolzard!

Zev, Prof. Firebird, and Samson walk up to Night and Mare. They all disappear through a black magic circle. The monster warning sound goes off on the other Rangers' morphers. Walker opens his.

WALKER

Looks like Mumankamon sent that Chimera to keep us busy.

KEITH

Let's go.

FADE OUT.

FADE IN:

EXT. A QUARRY - DAY

MUMANKAMON waits. Near him is a flat square fighting area that has smaller white and black squares decorating it, which makes the area look like a chessboard. Samson and Prof. Firebird appear. Prof. Firebird is still holding the Lamp.

MUMANKAMON

So glad you accepted Solaria Ranger.
And I am especially grateful that you
decided to referee all of this
Firebird.

FIREBIRD

Why exactly do you want me to referee?

MUMANKAMON

For the same reason I wanted you with
the Solaria Ranger in the desolate
dimension. To keep you out of the way
while the rest of my plan is going on.

SAMSON

Can we get this over with?

MUMANKAMON

Couldn't agree more. And I'll go easy
on you by reverting back to my original
form as General Osiris.

Samson grabs his morpher and morph card. Mumankamon fires a small beam at the card. The card catches on fire, and Samson drops it. The fire finishes burning the card.

SAMSON

What was that for?

MUMANKAMON

I want to fight you as you, and not
morphed. Now allow me to set up the
ground rules. Our right wrists will be
bound together by a chain, and the
chain will only be broken when one of
us is defeated. If you step out of the
area you will be shocked. Finally there
is to be no use of magic. Is that
clear?

SAMSON

Like crystal.

MUMANKAMON

Shall we?

Mumankamon and Samson step onto the fighting area. Mumankamon reverts to his previous form as Gen. OSIRIS. Samson faces Osiris. A lengthy chain forms between them with shackles on each end that are on both of their right wrists. Samson and Osiris charge at each other. Samson launches a few punches on Osiris. While they do make contact, Samson's punches do not seem to do anything to Osiris. Samson then jumps up a little, and performs a quick roundhouse kick, which also does nothing. When Samson lands Osiris gives him a few punches, which knock Samson back a little. Samson recovers and launches even more punches on Osiris, which do some damage. Samson and Osiris continue the fight.

FADE OUT.

FADE IN:

EXT. A FIELD NEAR A FORESTED AREA - DAY

Keith, Walker, Bowie, Maria, and Abby arrive morphed.

BOWIE
So where's the monster?

WALKER
It could be anywhere.

The unicorn comes up to Keith, and nuzzles him.

KEITH
Is this thing trying to follow me, or something? And there's something about this thing that still seems so familiar.

ABBY
What?

KEITH
I can't put my finger on it.

A white light flashes on the unicorn's right eye.

KEITH
I get it now.

The ground starts to shake.

MARIA
What's that?

WALKER
Look!

Walker points to the gigantic CHIMERA monster that has now appeared. Keith gets on the unicorn.

KEITH
I've got this one.

BOWIE
Wait a minute.

Keith starts to ride off.

MARIA
Keith!

BOWIE
You'll need us!

Keith continues to ride.

KEITH
Artrhaigh, duine, duil!

A white Magix circle appears before Keith and the unicorn. Keith morphs into the Phoenixzord while the unicorn morphs into the Unicornzord.

KEITH
Let's do it Unicornzord! Arthtraigh,
duine, teicniocht, teaglam!

The Phoenixzord flies off of the Unicornzord and combines with it to form the Unicorn Centaurozord.

KEITH
Unicorn Centaurozord, power up! Now
time to defeat this thing once and for
all.

The Unicorn Centaurozord charges at Chimera. It tries to swipe at the monster with the sword-like end of its staff, but Chimera catches the attack. Chimera holds onto the blade and turns around to disorient the Unicorn Centaurozord. Chimera lets go of the blade and hits the Unicorn Centaurozord with its left arm. The Dragonzord flies in and launches a fireball at Chimera. Chimera smacks the ball away, and grabs the head of the Dragonzord with its left hand. The Unicorn Centaurozord comes up behind Chimera, but Chimera hits the Unicorn Centaurozord with its right hand knocking the Unicorn Centaurozord back. Chimera then hits the Unicorn Centaurozord with the Dragonzord, and lets go of the Dragonzord. Chimera then fires a blast at both the Dragonzord and the Unicorn Centaurozord. The blast causes the Unicorn Centaurozord to fall down, and the Dragonzord to separate. Walker, Bowie, Maria, and Abby fall to the ground unmorphed. Chimera starts to walk up to the Unicorn Centaurozord.

CHIMERA
Pathetic, just pathetic.

The two heads on Chimera's shoulders start to laugh. The Unicorn Centaurozord gets to its feet.

KEITH
Shut up!

The Unicorn Centaurozord charges at Chimera. Chimera hits the Unicorn Centaurozord with its left hand, and then gives the Unicorn Centaurozord a roundhouse kick with its right foot. The Unicorn Centaurozord falls to the ground. Chimera fires a blast at it, which makes contact.

WOLZARD'S VOICE

Do not tell me you have been defeated
all ready.

The Unicorn Centaurozord looks up to see that the Valkyrie Megazord has appeared.

KEITH

Dad, please help me.

WOLZARD

Why should I help a weakling such as
you?

The Unicorn Centaurozord gets back to its feet.

KEITH

I still have some fight left in me.
Time to show you my power as always.

The Unicorn Centaurozord turns to Chimera.

CHIMERA

Time to blow you away!

Chimera fires a blast at the Unicorn Centaurozord. However the Unicorn Centaurozord uses its staff to shield itself from the attack. It walks forward while the blast is still being fired until finally knocking the blast away.

CHIMERA

WHAT?!

The Unicorn Centaurozord jumps up.

KEITH

Unicorn Attack!

The Unicorn Centaurozord points the horse head end of its staff at Chimera. Power builds up as the Unicorn Centaurozord flies toward Chimera. The Unicorn Centaurozord hits Chimera causing it to explode. The Unicorn Centaurozord goes through the flames caused by the explosion, and confronts the Valkyrie Megazord. The Unicorn Centaurozord charges and the Unicorn Centaurozord and Valkyrie Megazord clash staffs. The Unicorn Centaurozord tries to swipe at the Valkyrie Megazord, but the Valkyrie Megazord counters the attack. The Valkyrie Megazord slashes at the Unicorn Centaurozord. The Valkyrie Megazord then tries to do a vertical slash on the Unicorn Centaurozord, but the Unicorn Centaurozord blocks the attack. Both the Valkyrie Megazord and Unicorn Centaurozord push each other back and start to charge at one another. They slash each other at the same time. This causes Keith to fall to the ground in his regular Ranger form, and WOLZARD to fall to the ground as well. Keith gets up with his sword drawn and charges at Wolzard. Keith tries to slash at Wolzard, but the attacks are blocked by Wolzard's shield. Keith then tries more slashes, but Wolzard either counters or dodges them. Wolzard also tries to slash at Keith, but Keith dodges the attacks. Keith tries another slash, but the attack is blocked by Wolzard's shield. Wolzard slashes at Keith again, but Keith dodges and gets behind Wolzard. Wolzard turns around and tries to slash at Keith again, but Keith blocks the attack with his sword. Keith and Wolzard hold their swords clenched against each other, until Wolzard pushes Keith's sword up, and slashes at Keith. Keith and Wolzard continue to slash at each other, but seem to be fairly evenly matched. That is until Wolzard gives Keith a slash that causes Keith to fall to the ground. Walker, Bowie, Maria, and Abby run up to the area unmorphed. Bowie comes up to Keith, and tries to stop Keith.

BOWIE

Stop it! That's your dad you're fighting!

Walker comes up to Wolzard and tries to stop him.

WALKER

Zev, if you're in there you're fighting your own son.

Wolzard moves Walker back, and hits him. Walker falls to the ground and rolls up to Abby and Maria.

ABBY

Walker!

MARIA

Just how are we going to stop this?

Bowie is still trying to restrain Keith.

BOWIE

Knock it out all ready!

KEITH

I won't until I get my dad back to the way he was!

Keith tosses Bowie to the ground, but it also causes him to fall down as well. Keith's sword lands blade first in the ground. Wolzard points his sword at Keith. He then points to Keith's sword.

WOLZARD

Get your sword.

KEITH

Why don't you just finish me off?

WOLZARD

I will not strike down an unarmed opponent.

KEITH

(angrily) Don't give me that!

Keith gets up and grabs his sword.

WOLZARD

Do not lose yourself to anger. Only strike me with your power.

KEITH

Why do you continue to do this?

Keith pauses.

KEITH

Why do you continue to fight your own son like this?! Tell me please, because I have to know. Why?!

Keith drops his sword, and powers down. He lets out a somewhat angry groan, as he charges at Wolzard. Keith manages to knock Wolzard down on his back.

KEITH

For the past five years all I have ever wanted was my father back, but when I finally found him he was with the enemy. I don't want this anymore. I just want you back to the way you were this morning. Please come back me.

Keith sheds a single tear, which hits Wolzard's helmet.
Wolzard starts to speak in Zev's voice.

ZEV

Keith.

KEITH

Is that really you under there?

ZEV

Yes I have some control over Wolzard
now in this form.

Keith and Zev get up.

KEITH

But what's going to happen now?

Two of Demos' tentacles come out of the ground.

INT. THE MAIN CHAMBER OF THE LAIR - DAY

Demos, starts to rise out of his portal. Night and Mare
rejoice as this happens.

NIGHT

Lord Demos is starting to revive!

MARE

Soon he'll destroy the surface!

Night and Mare combine into NHYMERA.

NHYMERA

There's nothing the Rangers can do now!

EXT. THE AREA FROM BEFORE - DAY

Keith, Walker, Bowie, Maria, Abby, and Zev (morphed) dodge
the tentacles. The tentacles tear open the ground a little
bit.

WALKER

What are we going to do now?

ZEV

I will go and defeat Demos once and for
all.

KEITH

But it's too risky.

ZEV

Keith, if I do not make it back, I just want you to know how proud of you I am. You have carried on the honor of the Crimson Mage. My only regret is that I will not be able to see your son do the same. Tell your mother that I love her, and that I said good-bye. And take great care of her.

Zev jumps into the hole that the tentacles have made.

FADE OUT.

FADE IN:

EXT. THE QUARRY FROM BEFORE - DAY

Samson continues to fight Osiris, but is being severely beaten. Prof. Firebird watches while still holding the Lamp.

OSIRIS

You have guts Solaria Ranger, but you just don't have what it takes to defeat me.

Osiris kicks Samson and Samson falls to the ground. Osiris turns back into Mumankamon.

MUMANKAMON

Now to finish you!

SAMSON

(INNER)

He's right I don't have what it takes to defeat him, at least not without my morph card.

Samson looks up at the sun, he shields his eyes from the sun's rays as he does so.

SAMSON

(INNER)

The sun. My element. For some odd reason it feels very empowering right now. Almost as if it's giving me the encouragement I need to defeat Mumankamon right now. I know I can do this now.

SAMSON

SUN GIVE ME YOUR POWER!

As Samson yells this, his morpher gives off the new spell sound. Samson takes out a blank card, and a new design of the sun goes over it. The words "SOLAR MAGE" appear on the card.

MUMANKAMON

What's going on?

SAMSON

This. Sunlight metamorphosis! Abeo, equus, natura!

Samson punches the card and holds it up. Samson morphs into the Solar Mage.

MUMANKAMON

You can't do that. Referee!

PROF. FIREBIRD

I am going to allow it.

MUMANKAMON

Why?

PROF. FIREBIRD

Because you turned into Mumankamon again.

Cheshire pops his head up.

CHESHIRE

You can do it Samson!

Samson uses his new sword and attacks Mumankamon, giving numerous swipes. Mumankamon takes the hits, and they do some damage. Samson raises his sword, and gives a hard swipe to Mumankamon. The chain breaks after the swipe has been delivered. Mumankamon falls to the ground. Samson reverts back to normal.

FADE OUT.

FADE IN:

INT. THE MAIN CHAMBER OF THE LAIR - DAY

Demos, has almost completely risen from the portal. Zev (still morphed) arrives. Nhymera sees him.

ZEV

Time to do what my ancestor and the other founders of Magix should have done from the beginning.

Zev draws his sword from his shield, and starts to deliver powered slashes to Demos.

NHYMERA

Wolzard no!

ZEV

I am Zev Firebird, and Demos will be destroyed!

Zev continues to deliver the slashes. One of the slashes manages to cut off one of Demos' tentacles. The tentacle falls to the ground. The lair starts to cave in on itself. Debris falls on some Infelshias and Command Infelshias, as well as Nhymera. Zev continues to slash as Demos stops moving. Once Demos stops moving, his body falls to the ground. A pulsing sound can be heard. Demos' body starts to flash red.

EXT. THE AREA FROM BEFORE - DAY

Keith, Walker, Bowie, Maria, and Abby stare into the hole.

KEITH

I can't take this anymore. I'm going in to get him.

WALKER

Are you crazy?

BOWIE

Yeah, you could get yourself destroyed.

ABBY

Or at least badly hurt.

MARIA

Guys just let him go.

WALKER

Why?

MARIA

It's like Keith said, all he's ever wanted these past five years is his father back, and this appears to be the only chance Keith can get to make this a reality.

KEITH

Thanks Maria.

Keith pulls out his morpher in wand mode. He morphs quickly and his Broom Jet comes flying toward him.

INT. THE LAIR - DAY

Zev stands as he sees Demos' body still pulsing. Demos, fires a red beam at Zev. The beam causes the Wolzard armor to disintegrate off of Zev's body. Once the armor is off, Zev holds up the Wolzard Morpher. The beam has the same effect on the morpher as it did on the armor. Once the morpher has been destroyed the beam stops, and Zev falls to the ground unconscious. Keith (morphed) comes flying in on his Jet. He lands and sees his father. He picks his father up and places him securely on the Jet. Keith looks over at Demos. A grumbling sound can be heard.

KEITH

This place is going to blow!

Keith gets on the Jet and quickly takes off. As Keith flies away, Demos' body explodes, causing great damage to the lair.

EXT. THE QUARRY - EVENING

Prof. Firebird stands beside Samson.

PROF. FIREBIRD

You did great Samson.

SAMSON

Thanks professor.

PROF. FIREBIRD

Now when we get back to the castle, I need to talk to you about something.

SAMSON

Okay.

Some maniacal laughter can be heard as Mumankamon gets back up.

MUMANKAMON

I can feel it. Demos, has been
destroyed, but don't think that any of
this is over for you!

Mumankamon stretches out his right hand, but his body turns
to dust.

PROF. FIREBIRD

Let us go now.

Samson and Prof. Firebird leave the area.

FADE OUT.

FADE IN:

INT. PROF. FIREBIRD'S OFFICE - NIGHT

Walker, Bowie, Maria, Abby, and Samson stand before the desk. Prof. Firebird sits behind it.

PROF. FIREBIRD

Samson, when I asked Professor Salem to send me one of his students from Solaria, I did it so that the Rangers could have some help with Mumankamon. But now that he has been defeated, I feel that you can return to Solaria if you so desire it. I will give you some time to think this over.

SAMSON

I don't need any time to think this over.

WALKER

Looks like he's going back to Solaria.

BOWIE

Then this is good-bye.

MARIA

Well it's been a pleasure fighting with you.

Abby goes up to Samson and wraps her arms around him to hug him. Samson wraps his arms around her to hug back.

ABBY

Does this really have to be good-bye?

Abby and Samson let go of each other.

SAMSON

I didn't say anything about going back to Solaria. I don't need to think about it, because I'm not leaving.

ABBY

(over enthusiastically) REALLY?!

SAMSON

Yes. Mumankamon's final words kinda got to me, and I don't think any of this over just yet. I think that defeating Mumankamon, and Zev's apparent defeat of Demos is only the beginning of the end, and I want to be there with you guys to finish off whatever else is out there.

PROF. FIREBIRD

Excellent answer Samson. Now all of you should go to the main hall and get something to eat. It really has been a long day. By the way where is Keith?

INT. THE INFIRMARY - NIGHT

Keith sits beside a bed that has Zev lying in it. Nightingale is seen tending to Zev.

WALKER

(V/O)

I think he's in the infirmary visiting Madame Nightingale's latest patient.

INT. PROF. FIREBIRD'S OFFICE - NIGHT

Everyone is where he or she was before.

PROF. FIREBIRD

I see. I think I will go visit this new patient later on too. It really is nice to have him back.

BOWIE

If only you knew the half of it with Keith.

Prof. Firebird rises from behind her desk.

PROF. FIREBIRD

I do not even want to imagine it. Now we should all go get our rest.

Everyone leaves the office. Once everyone is out Samson stops Abby for a moment.

SAMSON

Abby there's something I've got to know.

ABBY

What?

SAMSON

What was with the hug, and the little bit of over enthusiasm in Firebird's office.

ABBY

I guess in the time that you've been here; I guess I've come to like you. You know *like*, like.

SAMSON

If it's any consolation, I like you too. Actually when I first met Cheshire I thought of making my wish for you be fall for me, but that goes against his rules.

ABBY

Really? Anyway let's go, I'm starving.

SAMSON

Yeah, me too.

Samson and Abby walk down the hall. Samson stands on Abby's left, and has his right arm wrapped around her.

INT. MAIN CHAMBER OF THE LAIR - NIGHT

Some of the debris starts to move as a Command Infelshia gets up. The energy form of Wolzard floats over to it and enters its body. This causes the Command Infelshia to mutate into Wolzard. The new Wolzard walks out of the main chamber. Some more debris starts to move as Night and Mare get up.

MARE

Everything is gone.

NIGHT

I wouldn't say everything.

Night points to the tentacle lying on the floor. The tentacle starts to move on its own. Night and Mare watch in a partial state of shock as the tentacle splits into ten separate parts. The parts take humanoid forms that cast shadows over Night and Mare.

END
