EXT. THE STREETS OF GANDALF CITY - LATE NIGHT

A man and a woman are finishing up their date. The pair walks down a street that is clearly not busy. Eventually the woman leads the man into an alley.

MAN

Why'd you bring me in here?

WOMAN

I want to see where else this could go.

MAN

Really like where?

WOMAN

Oh I don't know, use your imagination.

MAN

That's quite a lot considering that I can imagine quite a bit.

WOMAN

But before we could possibly go any further, there's something you need to know about me.

MAN

What is it?

WOMAN

I'm not who I appear to be.

MAN

How so?

WOMAN

For one thing my real name is Pythara.

MAN

Anything else?

WOMAN

I really look like this...

The woman reveals her true form of PYTHARA.

MAN

What the-

PYTHARA

Now relax this isn't going to hurt...me
at all.

Pythara's shield appears in her left hand. The eyes on the
face of it glow red.

PYTHARA

Now stare into the eyes of my Gorgon
Shield.

The man struggles not to look, but he eventually gives in.

PYTHARA

Yes, that's it succumb to the shield's
power.

The man's skin starts to turn gray.

FADE OUT.

FADE IN:

INT. PROF. FIREBIRD'S OFFICE - DAY

PROF. FIREBIRD sits at her desk with a look of concern over her face. ZEV walks in. He looks over at Prof. Firebird and sees the look on his wife's face.

ZEV

What is it Athena?

PROF. FIREBIRD

It is nothing Zev.

ZEV

It has to be something or else that look of concern would not be on your face. Did Keith do something?

PROF. FIREBIRD

No he did not.

ZEV

Then why the look of desperation?

PROF. FIREBIRD

It is about my powers, they are frozen.

ZEV

What?

PROF. FIREBIRD

Let me show you.

Prof. Firebird gets up and walks over the armoire. She opens it up and takes out a block of ice. Prof. Firebird's morpher lies within the ice.

ZEV

I see that you meant "frozen" literally.

PROF. FIREBIRD

What are we going to do about this?

ZEV

First of all how did this happen?

PROF. FIREBIRD

It happened while the Rangers were off fighting Arges. I came into my office, and the morpher gave off the new spell alert sound. However the sound was going off violently and by the time I finally got the morpher it had frozen over.

ZEV

I see. Refresh my memory, how did your powers get restored?

PROF. FIREBIRD

The Moonlight Bracelet powered the morpher up again. However it happened somewhat quickly.

ZEV

I think I know what is going on now.

PROF. FIREBIRD

What?

ZEV

The Moonlight Bracelet re-energized your morpher too quickly, and must have had a strange reaction to your snow element. I am not sure what exactly it all means but I think the only way to counter this is to get someone with a strong fire element.

PROF. FIREBIRD

I can see where you are going with this. He has a dark arts class with Oscuro at the moment.

ZEV

I will be back with him in a few minutes.

Zev leaves the office.

INT. THE HALLS OF MAGIX OUTSIDE OF A CLASSROOM - DAY

Zev walks up to the door and knocks on it. NOCHE opens it.

NOCHE

Zev, please make it quick I am in the middle of a class right now.

ZEV

I just need to borrow my son for a moment.

Noche turns his head to inside of the classroom.

NOCHE

Keith, you are needed by your father.

KEITH walks out of the classroom and up to Zev.

KEITH

What's up dad?

ZEV

Your mother needs your help right now.

INT. PROF. FIREBIRD'S OFFICE - DAY

Zev and Keith enter.

KEITH

What exactly do you need me for?

ZEV

Show him Athena.

Prof. Firebird shows Keith the block of ice with her morpher in it.

KEITH

How-?

PROF. FIREBIRD

That is not important at the moment.
What I need you to do is cast a fire spell to melt the ice.

Keith takes out his morpher and converts it to wand mode. Keith dials "8, 7" on the number pad, aims at the block of ice, and hits the "enter" button.

KEITH

Draiocht, duil!

A red beam of magic comes out of the tip of the wand and hits the block of ice. Some flames go over the block, but only melt the ice a little.

ZEV

Try it again.

KEITH

Draiocht, duil!

Keith casts the spell again, but it does nothing.

ZEV

Try it one more time.

Keith rolls his eyes a little.

KEITH

Draiocht, duil!

Again the spell does nothing.

ZEV

Perhaps we need someone with an even stronger fire element.

PROF. FIREBIRD

But that only leaves you Zev, and despite your own strong abilities I think you may need your own Wand Morpher to fully melt the ice.

KEITH

Would someone finally mind telling me what's going on?

ZEV

It is not important at the moment. Just go back to class.

KEITH

Fine.

Keith leaves the office.

FADE OUT.

FADE IN:

INT. THE MAIN CHAMBER OF THE LAIR - DAY

ASGARD, DRAGONAS, BUFONO, GHEEZA, NIGHT, and MARE stand around.

ASGARD

Has anyone seen Pythara recently?

GHEEZA

You know that gorgon is as slippery as the snakes that make up her hair. She may be up to something right now.

NIGHT

Perhaps you should send someone to the surface to try to finish off the Rangers.

MARE

Yeah, maybe Pythara will show herself then.

DRAGONAS

I'll go Asgard. I'm feeling stifled being down here.

ASGARD

No Dragonas, if the Rangers destroy you like they have with Magmas and Arges the ritual to revive Demos cannot commence.

Night and Mare look over at Bufono and evil grins grow over their faces. They look at each other and nod.

MARE

Send Bufono.

NIGHT

Yes, he looks like he could take care of the Rangers no problem.

BUFONO

Do you two really think so?

MARE

Yes.

NIGHT

Now go to the surface and destroy the Rangers.

BUFONO

What do you say Asgard.

ASGARD

Excellent plan vampires! Now go to the surface Bufono, and should you fail, we will all be dining on frogs' legs tonight.

BUFONO

Yes Asgard.

Bufono leaves the lair. The energy form of WOLZARD appears before Asgard.

ASGARD

Who or what are you?

WOLZARD

I am the black magic knight, Wolzard. I have come for your assistance Asgard.

ASGARD

What kind of assistance.

WOLZARD

I need you to grant me a new temporary body so that I can capture Zev Firebird, and once again merge with him.

ASGARD

I see, and who told you that you could ally yourself with me like this?

WOLZARD

The vampires, they also mentioned something about the Decadal reviving Demos.

ASGARD

We are. I take it that you want to be apart of Demos' rebirth.

WOLZARD

I do.

ASGRAD

Very well.

Asgard raises his right hand and snaps his fingers. A Command Infelshia enters the chamber.

WOLZARD

I have all ready tried merging with a Command Infelshia. The Rangers destroyed that body.

GHEEZA

But did you try casting a spell to keep your energy within that body.

WOLZARD

My magic is starting to wear out.

GHEEZA

I see. I will provide you with the spell you need to keep yourself within the body of the Command Infelshia for as long as you desire. Now enter the body.

Wolzard enters the Command Infelshia. Once merged with Wolzard, the Command Infelshia becomes him.

WOLZARD

I am ready for the spell.

Gheeza extends her right hand out to Wolzard, and a golden wave goes over his body, and finally disappears.

GHEEZA

There now nothing will be able to destroy that body, except you leaving it of course. Also in two days during the next full moon your powers will be at their strongest. I suggest you capture Firebird now.

Wolzard nods and leaves the lair.

FADE OUT.

FADE IN:

INT. THE MAIN HALL - DAY

Keith walks in with a puzzled look on his face. He walks over to the Taurus table where WALKER, BOWIE, MARIA, ABBY, and SAMSON are sitting. Keith sits down at the table. Walker takes a look at Keith's face.

WALKER

What's wrong?

KEITH

My parents had me cast a spell on this block of ice, and they wouldn't tell me why.

MARIA

How'd the spell work out?

KEITH

I only melted part of it.

BOWIE

Was there anything about the ice that looked kinda odd?

KEITH

I don't know I didn't really get a good look at it, but I could've sworn that my mother's morpher was in the ice.

SAMSON

Her morpher was in the ice?

KEITH

Yeah.

ABBY

What could've caused that?

BOWIE

Could be anything.

The warning sound goes off on all of the morphers. Walker takes his out and opens it.

WALKER

Look's like we've got to go.

Everyone gets up and leaves.

EXT. DOWNTOWN GANDALF CITY - DAY

Bufono terrorizes the area. The Rangers show up.

BUFONO

Ah Rangers, it's time that you met your destruction.

KEITH

I don't think so. Let's do it!

The Rangers take out their morphers. Keith, Walker, Bowie, Maria, and Abby convert their morphers to wand mode. Samson takes out his morph card.

KEITH, WALKER, BOWIE, MARIA, AND ABBY

Magix metamorphosis!

SAMSON

Solaria metamorphosis!

KEITH, WALKER, BOWIE, MARIA, AND ABBY

Arthraigh, duine, marbhan!

SAMSON

Abeo, equus, corporeus!

The Rangers all morph. Keith, Walker, Bowie, Maria, and Abby draw their Wand Staffs, and Samson takes out his Lamp Blaster. All six Rangers start to charge at Bufono. Keith starts out by giving Bufono a small hit from his Staff, soon followed by Walker, Bowie, Maria, and Abby. Samson rubs the Lamp Blaster a couple of times and fires a high-powered shot at Bufono. Bufono takes all of the hits and falls back a few feet.

BUFONO

Try this on for size Rangers!

Bufono takes out his hammer, places the bottom to his mouth, and shoots a blast at the Rangers. He then goes on to hit each of the Rangers hard with the top of the hammer, which causes Keith, Walker, Bowie, Maria, and Abby to fall back a couple of feet. Samson is able to get to his feet and blast Bufono a couple of times.

BOWIE

Keith, I think now would be a good time to get "legendary".

KEITH

Agreed.

Keith, Walker, Bowie, Maria, and Abby get back to their feet and take out their morphers. They dial "1, 0, 0, 6"

KEITH, WALKER, BOWIE, MARIA, AND ABBY
Legend metamorphosis! Arthraigh, duine,
duine, marbhan!

Keith, Walker, Bowie, Maria, and Abby all morph to Legend Form. The Legendary Wand Staffs appear in their hands. Keith, Walker, Bowie, Maria, and Abby charge at Bufono giving him numerous hits from their Staffs interspersed with shots from Samson's Blaster. Bufono falls back quite a few feet.

KEITH
Time to finish him.

The other Rangers nod. Keith, Walker, Bowie, Maria, and Abby dial "2" and their Staffs. Samson rubs the Blaster until a clicking sound is heard.

KEITH, WALKER, BOWIE, MARIA, AND ABBY
Finsceal, draiocht, ionsaigh!

SAMSON
Ars, scipio, natura!

KEITH, WALKER, BOWIE, MARIA, AND ABBY
Mega Magix Bolt!

CHESHIRE pops his head out of the Lamp.

CHESHIRE
Cheshire Claw Attack!

Keith, Walker, Bowie, Maria, and Abby fire their attack, followed by Cheshire's Claw Attack. Bufono takes the hits, and falls down and explodes. With their enemy defeated the Rangers leave the scene. Moments later Asgard appears holding a small container. The flames from Bufono's explosion extinguish and an aqua colored energy is where Bufono once stood. Asgard opens the container and Bufono's energy enters it. Pythara appears.

PYTHARA
So Bufono's been destroyed?

ASGARD
He has, and where have you been?

PYTHARA
Working on a plan of mine.

ASGARD

What exactly is this plan?

PYTHARA

Never you mind. Just sit back and watch me work. After all it'd be a stone cold shame to not let this plan go on.

Pythara turns her back to Asgard and walks away from him.

ASGARD

Just what are you planning?

FADE OUT.

FADE IN:

INT. PROF. FIREBIRD'S OFFICE - DAY

Prof. Firebird sits at her desk while Zev stands off to the side. Keith, Walker, Bowie, Maria, Abby, and Samson enter.

PROF. FIREBIRD
Good work Rangers on defeating another member of the Decadal.

KEITH
But?

PROF. FIREBIRD
No buts Keith, you all did a great job.

ZEV
Now Keith why would you think your mother had something else to say?

KEITH
Because she usually does at this point. Whether it's a criticism on how we fought or something else that's come up.

ZEV
Is this true?

WALKER
Absolutely. So is there something else professor?

PROF. FIREBIRD
Actually there is, it appears that someone is copying a plan that occurred when you first became Rangers.

BOWIE
Which plan?

PROF. FIREBIRD
It appears there have been some disappearances within Gandalf City, and the victims have been turned to stone.

MARIA
But we destroyed the cockatrice, what else could do something like that?

ABBY
Pythara.

SAMSON

Why do you say Pythara?

ABBY

I don't know it's just a feeling I have.

KEITH

She does look a lot like a gorgon, so Abby could be right.

MARIA

What's a gorgon?

ZEV

Gorgons are a race of human-like creatures with snakes for hair. They also have the ability to turn people into stone.

PROF. FIREBIRD

Does anyone have any other questions before I send the six of you to investigate?

KEITH

I've got one.

PROF. FIREBIRD

What is it Keith?

KEITH

That block of ice you got me to partially melt, what was it, and why did it look like your morpher was in there?

PROF. FIREBIRD

If it looked like my morpher was in that block of ice that is because my morpher actually is in the ice. The Moonlight Bracelet's power gave my morpher too much power and quite literally my powers are frozen.

BOWIE

So how can they become unfrozen?

ZEV

Someone with a strong fire element can do that, and at the moment Keith is all we have.

PROF. FIREBIRD

However there is one more at Magix who has such a power, but those powers may not be as strong without a Wand Morpher. Now the six of you need to go.

Keith, Walker, Bowie, Maria, Abby, and Samson leave the office. A concerned look grows over Zev's face. Prof. Firebird looks over at her husband.

PROF. FIREBIRD

What is wrong Zev?

ZEV

I know I can thaw your powers out, but without a morpher of my own-

PROF. FIREBIRD

Do not worry about it. We will think of something.

ZEV

You are probably right. I think I need something to take my mind off of things. If you need me I will be outside.

Zev leaves the office.

FADE OUT.

FADE IN:

EXT. A CROWDED PLAZA IN GANDALF CITY - DAY

Numerous people go about their daily lives. Pythara appears and starts to randomly turn people to stone. The more people cry out in terror the more Pythara turns them into stone. The Rangers appear.

PYTHARA

Ah Rangers so good of you to make it.

KEITH

That's enough right there Pythara.

PYTHARA

I don't think so Red Ranger.

WALKER

Why are you doing this?

PYTHARA

Let's just say that I'm starting to grow my own garden, and I need decorations within it.

BOWIE

Could that be a more pathetic excuse?

PYTHARA

It really isn't any of your business why I doing what I'm doing.

MARIA

You're turning people on the surface into stone; of course it's our business.

PYTHARA

Do you brats have anything else to say before I turn the six of you?

ABBY

I can think of one thing.

SAMSON

I'm with you there Abby. What about you Keith?

KEITH

Let's show her what we've got.

The Rangers take out their morphers. Keith, Walker, Bowie, Maria, and Abby convert theirs to wand mode. Samson takes out his morph card.

KEITH, WALKER, BOWIE, MAIRA, AND ABBY
Magix metamorphosis!

SAMSON
Solaria metamorphosis!

KEITH, WALKER, BOWIE, MAIRA, AND ABBY
Arthraigh, duine, marbhan!

SAMSON
Abeo, equus, corporeus!

The Rangers all morph. Keith, Walker, and Bowie draw their Wand Staffs and convert them into their signature weapons. Maria and Abby draw their Staffs. Samson converts the Lamp into Blaster mode. The Rangers charge at Pythara. Keith starts off by slashing at her with his Sword, but Pythara's shield blocks the attacks. Walker then goes on to slash at her with her with his Axe, but the attacks have the same result as Keith's. Abby and Maria try simultaneous attacks, but again the shield blocks the attacks. Bowie and Samson stand back and fire shots at Pythara with their weapons, but only about half of the shots make contact with her.

PYTHARA
I thought that the six of you were
better fighters than that. Either way,
try this on for size!

Pythara transforms herself into a giant snake. The snake slithers on the ground, and eventually wraps around Keith.

MARIA
Keith!

KEITH
Just try to get her off of me. I'll be
fine.

PYTHARA
I don't think so Red Ranger.

The snake tightens its grip on Keith, squeezing him hard. Bowie and Samson aim their weapons but stall.

BOWIE
We can't fire at her like this.

SAMSON

I know. If we miss her, we'll hit Keith.

Bowie and Samson lower their weapons. Pythara continues to put the squeeze on Keith. Keith looks over at Bowie and Samson.

KEITH

(struggling) Guys...do it.

Cheshire pops his head out of the Lamp.

CESHIRE

Samson, try my claw attack. It might get Pythara off of Keith.

SAMSON

Okay, I guess.

Samson rubs the Lamp until a clicking sound is heard.

SAMSON

Ars, scipio, natura!

CESHIRE

Cheshire Claw Attack!

Samson fires Cheshire out of the Lamp. Within seconds of Cheshire approaching Pythara, she lets go of Keith, turns back to normal, and flashes the eyes of her shield at Cheshire. Cheshire returns to the Lamp and when he does he sticks his head out of the top of the Lamp. Cheshire turns to stone.

SAMSON

Cheshire? Cheshire!

Pythara laughs.

PYTHARA

Your little kitty has been turned to stone Solaria Ranger.

Walker, Bowie, Maria, and Abby go over to Keith and help him back to his feet.

ABBY

This is low even for someone like you.

PYTHARA

Ha! There's nothing the six of you can do now. The one thing the Solaria Ranger relies on more than anything has been turned to stone. You Rangers are powerless.

SAMSON

You're wrong Pythara.

PYTHARA

What?

SAMSON

I don't rely on Cheshire more than anything.

PYTHARA

Then what do you rely on the most?

Samson looks over at the other Rangers. Pythara sees this.

PYTHARA

I see. Well then there's one last thing to do.

BOWIE

You know what Pythara, you're right.

PYTHARA

What?

WALKER

And when someone like you is right, you're right.

MARIA

So it looks like we're in agreement for once.

ABBY

And it's not everyday that we agree with one of our enemies.

KEITH

So let's show Pythara why Samson relies on us more than anything else.

Walker, Bowie, Maria, and Abby all nod. Keith, Walker, Bowie, Maria, and Abby take out their morphers and convert them to wand mode. They dial "1, 0, 0, 6".

KEITH, WALKER, BOWIE, MARIA, AND ABBY
Legend metamorphosis! Arthraigh, duine,
duine, marbhan!

Keith, Walker, Bowie, Maria, and Abby all morph to Legend Form. Their Legendary Wand Staffs appear in their hands. Keith, Walker, Bowie, Maria, and Abby charge at Pythara and strike her with their Staffs. After hitting Pythara numerous times Keith, Walker, Bowie, Maria, and Abby fall back. Walker dials "1" on his Staff.

WALKER
Magix Bolt! Boulder Attack!

Walker makes a circle in the air and numerous boulders come out of it and hit Pythara. Abby, dials "1" on her Staff.

ABBY
Magix Bolt! Piercing Wind!

Abby makes a circle in the air, and a pink burst of wind comes out of the circle hitting Pythara. Maria dials "1" on her Staff.

MARIA
Magix Bolt! Tidal Wave!

Maria forms a circle in the air and holds up her Staff, and a tidal wave comes from behind Maria and hits Pythara. Bowie dials "1" on his Staff.

BOWIE
Magix Bolt! Thunder Storm!

Bowie makes a circle in the air and thunderbolts come out of it reaching up to the sky. The bolts are then refracted down to Pythara and hit her. Keith dials "1" on his Staff.

KEITH
Magix Bolt! Fire Burst!

Keith makes a circle in the air and a burst of flames shoots out of it. Pythara falls down. Pythara slowly gets back to her feet. Keith, Walker, Bowie, Maria, and Abby all regroup. They all dial "2" on their Staffs.

KEITH, WALKER, BOWIE, MARIA, AND ABBY
Finsceal, draiocht, ionsaigh!

Keith, Walker, Bowie, Maria, and Abby get into position.

KEITH, WALKER, BOWIE, MARIA, AND ABBY
Mega Magix Bolt!

The Mega Magix Bolt is fired at Pythara. She takes the full force of the hit, but still stands.

PYTHARA

This isn't over yet Rangers!

Pythara grows to gigantic size. Keith dials "3" on his Staff.

KEITH

Finsceal, arthraigh, duil, duine!

Keith morphs into the Firebirdzord. Walker, Bowie, Maria, and Abby all dial "4" on their Staffs.

WALKER, BOWIE, MARIA, AND ABBY

Finsceal, arthraigh, teaglaim, duil,
duine!

Walker, Bowie, Maria, and Abby combine and morph into the Lionzord.

KEITH, WALKER, BOWIE, MARIA, AND ABBY

Finsceal, arthraigh, teicniocht,
teaglaim, duine!

The Firebirdzord, and Lionzord combine into the Legend Megazord.

KEITH, WALKER, BOWIE, MARIA, AND ABBY

Legend Megazord, power up!

The Solaria Express Trainzord appears.

SAMSON

Scipio, scipio, corporeus!

The Trainzord transforms into the Solaria Express Megazord.

SAMSON

Solaria Express Megazord, power up!

Pythara charges at the two Megazords. The Solaria Express Megazord tries to punch her, but she blocks the attack with her shield. The Solaria Express Megazord tries another punch but has the same result. The Legend Megazord tries to slash at Pythara with its right hand, but Pythara blocks the attack, and holds the shield against the Legend Megazord. Pythara pushes the Legend Megazord back a little.

KEITH

Pythara, you're going down just like
Magmas, Arges, and Bufono before you!

PYTHARA

Is that so Red Ranger? Because I think
I'm going to get away.

Pythara raises her shield, and then strikes the Legend
Megazord with it. The Legend Megazord falls back a little.

PYTHARA

Now time to speed up my process.

Pythara snaps the fingers on her right hand. Numerous
snakes appear everywhere, and cover the city.

ABBY

Snakes!

PYTHARA

Now my babies turn the world to stone!

SAMSON

I don't think so.

The Solaria Express Megazord comes up behind Pythara, and
hits her a couple of times.

SAMSON

Furnace Tractor Beam!

The front of the Solaria Express engine flips down and a
yellow-orange colored beam comes out, and hits Pythara's
shield. The tractor beam sucks the shield into the engine.
With the shield gone the snakes disappear.

PYTHARA

What?!

KEITH

All right with the snakes gone we can
finish this.

PYTHARA

Why you-

Pythara turns herself into a snake again and slithers over
to the Legend Megazord. The snake wraps itself around the
Legend Spear.

PYTHARA

I'll swallow you whole!

KEITH

Let's just see about that.

KEITH, WALKER, BOWIE, MARIA, AND ABBY
Legend Spear...

The Legend Spear starts to spin and flames build up from the wings of the Legend Megazord. Pythara flies back, goes back to normal, and falls to the ground.

KEITH, WALKER, BOWIE, MARIA, AND ABBY
Fire Screw Attack!

As Pythara gets back to her feet, the Fire Screw Attack hits her. The Solaria Express Megazord comes up beside the Legend Megazord.

PYTHARA
You may have gotten me, but there are still six more members of the Decadal left. And believe me things are not going to get any easier for you.

Pythara falls down and explodes.

FADE OUT.

FADE IN:

INT. PROF. FIREBIRD'S OFFICE - EVENING

Firebird sits at her desk as the Rangers enter. Samson is also carrying the Lamp.

PROF. FIREBIRD

Good work as always. Also you will be happy to know that everyone Pythara changed has been turned to normal.

MARIA

That's good to know.

Cheshire comes out of the Lamp.

CHESHIRE

And I'm back to normal too.

SAMSON

Yes you are.

CHESHIRE

But Samson you're going to have to give me one of the two things that I can't resist. And since you can't give me the charms of Barbara Eden, you'll have to give me catnip.

SAMSON

When we get back to my room, I'll give all the catnip you want.

Cheshire goes back into the Lamp.

KEITH

Mother, I had a thought.

PROF. FIREBIRD

What is it?

KEITH

Since dad doesn't really have access to his magic at the moment, and you need a powerful fire element to melt that ice block-

PROF. FIREBIRD

Get to the point Keith.

KEITH

I was thinking, maybe I could try using my Legend Form firepowers.

PROF. FIREBIRD

Hmm...it is worth a try. Do it.

Prof. Firebird gets up from her desk, goes over to her armoire and takes out the block of ice with her morpher in it. She places the block on her desk. Prof. Firebird also clears away some loose papers that are lying on her desk. Keith takes out his wand morpher, converts it to wand mode and dials "1, 0, 0, 6".

KEITH

Arthraigh, duine, duine, marbhan!

In a flash of red light Keith morphs to Legend Form holding his Legendary Wand Staff.

KEITH

Everyone stand back.

Everyone in the room stands behind Keith. Keith dials "1" on his Staff.

KEITH

Fire Burst!

Keith aims his Staff at the block and a burst of fire comes out of it and hits the block of ice. When the flames have subsided, the block has now melted down some more. Keith powers down. Prof. Firebird goes over to her desk and looks at the block.

PROF. FIREBIRD

You tried your best, but at least you were able to melt it down some more. But right now neither of the six of you needs to worry about this. So just go back to your rooms and study. After all exams are only a few weeks away.

The Rangers leave the office.

EXT. THE GROUNDS OF MAGIX - EVENING

Zev rakes up a few leaves. Wolzard appears out of a black magic circle and creeps up on Zev. Once Wolzard has gotten behind Zev, he grabs Zev, and the two disappear through a black magic circle.

END
