"POWER RANGERS MAGIX: EPISODE 36 - FULL MOON"

FADE IN:

INT. A DANK AREA OF THE LAIR - TIME OF DAY UNKNOWN

ZEV lies on the ground unconscious. Eventually he wakes.  
WOLZARD stands over him.

WOLZARD

So you have woken.

Zev gets to his feet.

ZEV

How?

WOLZARD

When you defeated Demos with my power  
the Wand Morpher you used to become me  
was broken and I was released.

ZEV

But you only existed as an energy  
being, how are you solid.

WOLZARD

I have merged with a Command Infelshia,  
and the merge has been sealed with a  
powerful spell.

ZEV

What do you want with me?

WOLZARD

I want to merge with you once again.

ZEV

I am surprised. I figured you would  
have merged with me by now.

WOLZARD

We shall wait for two days until the  
next full moon. My powers will be at  
their utmost then. At that point we  
shall have one final showdown.

ZEV

How honorable of you.

WOLZARD

Your honor rubbed off on me when we were together.

ZEV

But why the showdown?

WOLZARD

If I win and merge with you again it means that I have earned the right to do so. As I said, your honor rubbed off on me.

ZEV

So you said in two days?

WOLZARD

Yes.

ZEV

(INNER)

That gives me enough time to try to get some kind of a message to Athena.

WOLZARD

I will leave you now in this place. Remember Firebird; you have two days to prepare yourself. I want this to be an epic battle between the two of us.

ZEV

Believe me it will.

FADE OUT.

FADE IN:

INT. PROF. FIREBIRD'S OFFICE - DAY

PROF. FIREBIRD paces around her desk.

PROF. FIREBIRD  
Where could he have gone, but more  
importantly why is he there?

Prof. Firebird continues to pace around her desk.  
Eventually KEITH comes in. Prof. Firebird notices.

PROF. FIREBIRD  
What is it Keith?

KEITH  
We've looked high and low, but still we  
haven't been able to find dad. It's  
been two days since we saw him last,  
you'd think he would've at least sent  
us a message or something.

PROF. FIREBIRD  
It does seem odd. Even if he were to  
have gone somewhere he would have told  
us where he was going.

KEITH  
Maybe someone captured him again.

PROF. FIREBIRD  
There is always that possibility, but  
who would want to capture him?

KEITH  
Well there is one person I can think  
of, but that'd be impossible.

PROF. FIREBIRD  
Who are you thinking of?

KEITH  
Wolzard, but like I said that's  
impossible because we destroyed him.

PROF. FIREBIRD  
You may be right about Wolzard being  
the only who would want to capture him,  
but it is like you said you and the  
other Rangers destroyed him.

KEITH

Come to think of it, what if we didn't actually destroy Wolzard?

PROF. FIREBIRD

I do not follow.

KEITH

When I first separated dad from Wolzard, Wolzard became an energy being.

PROF. FIREBIRD

Then maybe you and the others only destroyed the host body Wolzard used to take a solid form.

KEITH

Probably. But if it were Wolzard, how'd he get solid again?

PROF. FIREBIRD

We cannot tell unless Wolzard were to reveal himself in the near future. Either way, just go find the others and try to relax for the time being.

FADE OUT.

FADE IN:

INT. THE MAIN CHAMBER OF THE LAIR - DAY

ASGARD, DRAGONAS, OURANOS, DRAGOON, GHEEZA, NIGHT, and MARE stand around what used to be Demos' portal. Wolzard enters.

WOLZARD

Asgard, I have come to ask you for a favor.

ASGARD

What is it Wolzard?

WOLZARD

It appears that the Rangers have been searching for Firebird.

ASGARD

Your point?

WOLZARD

I would like one of the remaining members of the Decadal to go the surface to distract the Rangers as my confrontation with Firebird commences.

ASGARD

Very well.

DRAGONAS

Allow me to Asgard. I'm growing extremely impatient by the second being stuck down here.

WOLZARD

Interesting.

MARE

What's interesting?

WOLZARD

Dragonas reminds me of Mechanos.

NIGHT

You know Wolzard now that you mention it, he does act a little bit like Mechanos with his growing impatience about going to the surface.

ASGARD

Ouranos, you go.

OURANOS  
As you command Asgard.

ASGARD  
And try not to fail like our comrades  
before you.

Ouranos bows to Asgard and disappears.

DRAGOON  
He's going to fail.

GHEEZA  
What makes you so sure?

DRAGOON  
The Rangers are much stronger than we  
previously thought. After all they did  
defeat Magmas, and Arges. Not to  
mention defeating both Bufono AND  
Pythara on the same day.

ASGARD  
You know Dragoon; your lack of faith in  
Ouranos could be your undoing.

DRAGOON  
We'll just have to wait and see.

FADE OUT.

FADE IN:

INT. THE MAIN HALL - DAY

Keith enters and walks over to the Taurus House table where WALKER, BOWIE, MARIA, ABBY, and SAMSON are sitting.

KEITH  
Any luck?

WALKER  
None.

ABBY  
I don't think it'd be like your dad to just up and leave like that Keith.

KEITH  
I all ready came to that conclusion with my mother just now.

BOWIE  
Is there anything else you two came up with that we should know?

KEITH  
Not really other than maybe thinking that maybe we didn't destroy Wolzard.

SAMSON  
How could we not have? He went down like any other monster we've fought.

WALKER  
What exactly do you mean Keith?

KEITH  
What if we only destroyed the Command Infelshia that Wolzard was using as a host body? If that were true then he'd still survive as an energy being.

MARIA  
That could be possible. Didn't Wolzard become an energy being after you separated him from your dad?

KEITH  
Exactly.

The morphers give off the monster warning sound. The Rangers get up and leave the main hall.

EXT. DOWNTOWN GANDALF CITY - DAY

The sky darkens as a gigantic version of Ouranos appears.

OURANOS

Now to draw out the Rangers, so they  
don't go poking their noses where they  
don't belong.

Ouranos raises his staff and creates a golden colored ball of energy. The ball flies around the nearby buildings and absorbs the electricity from them causing the lights to go out.

KEITH

Hold it!

KEITH, WALKER, BOWIE, MARIA, AND ABBY  
Arthraigh, teicniocht, duine, teaghlaim!

The Magix Megazord forms.

KEITH, WALKER, BOWIE, MARIA, AND ABBY  
Magix Megazord, power up!

SAMSON

Scipio, scipio, corporeus!

The Solaria Express Megazord transforms.

SAMSON

Solaria Express Megazord, power up!

The two Megazords confront Ouranos.

KEITH

What exactly are you trying to do  
Ouranos?

OURANOS

My golden orb will absorb the  
electricity on the surface. When  
powered up enough, it'll fall to the  
ground destroying the surface world.

The orb flies away. The sky goes back to normal.

OURANOS

But don't worry you won't feel a thing,  
because the destruction will be  
instant.

KEITH

I can't believe you.

WALKER

There's no way we're letting you get away this.

KEITH, WALKER, BOWIE, MARIA, AND ABBY

X-Caliber!

The X-Caliber sword, forms in the Magix Megazord's hands. Both Megazords charge at Ouranos. The Magix Megazord raises its sword to slash Ouranos, and the Solaria Express Megazord tries to punch Ouranos, but both attacks are blocked by a force field that Ouranos creates. The Megazords hold their attacks against the force field, but eventually get pushed back.

OURANOS

There's no point in resisting, you're going to get destroyed either way.

Ouranos launches a high-powered slash at the Megazords with his staff. This causes both Megazords to disappear, and all six Rangers fall to the ground. The Rangers slowly get back to their feet.

SAMSON

What was *that*?

OURANOS

That was only a glimpse of what will be if you continue to defy me. But for now Rangers sit back and kiss your precious surface world goodbye. And you Red Ranger can say goodbye to your father.

KEITH

What?

Ouranos disappears.

FADE OUT.

FADE IN:

INT. THE DANK AREA OF THE LAIR - DAY

Zev paces around. Wolzard enters carrying a plate of food. He hands it to Zev.

WOLZARD

You will need your strength for tonight.

ZEV

Is there anything else I will need for tonight?

WOLZARD

Labhe, dolon!

The Wolf Shield and Sword forms in Wolzard's left hand. He tosses it to Zev's feet.

ZEV

Your sword and shield?

WOLZARD

No, an exact duplicate, complete with magical abilities. Practice with it and be ready for the exact moment the full moon rises tonight. Now eat.

Wolzard leaves. Zev starts to eat some of the food, but barely. While eating, Zev's attention is squarely on the Wolf Sword and Shield. After eating some more of the food Zev puts down the plate. He then walks over to the Shield and picks it up.

ZEV

Time to see.

Zev aims the shield at the wall.

ZEV

Chagnys, pyagh, slat!

The panel on the shield lifts up and a Howling Wolf attack is fired from the Shield. The attack hits the wall.

ZEV

Good, my own magic works with the shield.

Zev draws the Sword out of the Shield.

ZEV  
Chagnys, soiagh, cooid!

Zev raises the sword. Flames start to gather over the blade. Zev performs a vertical slash with the sword and the flames on the blade are fired at the wall. The flames disappear from the Sword. Zev places the Sword back in the Shield. He aims the Shield at the plate.

ZEV  
Arraghey, slat!

A purple beam of magic is emitted from the Shield and it hits the plate. The remaining food on the plate turns into a steak dinner. Zev sets the Shield down.

ZEV  
Tonight we finish this Wolzard, but  
definitely not in the way that you  
want.

Zev walks over to the plate. He sits down and picks up the plate. Zev starts to eat the steak.

FADE OUT.

FADE IN:

EXT. THE GROUNDS OF MAGIX - DAY

Keith walks around.

KEITH  
(INNER)

Donovan doesn't know where he went and he never left a note saying where he was going. Someone had to have captured him, but who?

As Keith walks, a black magic circle appears on the ground. Wolzard comes out of it.

WOLZARD  
Good afternoon Red Ranger.

KEITH  
Wolzard?!

WOLZARD  
Yes it is I.

KEITH  
But I thought we-

WOLZARD  
You only destroyed the Command Infelshia that I was using as a host body.

KEITH  
But how are you able to be solid now?

WOLZARD  
I have entered the body of another Command Infelshia. However, this time my power is sealed by a spell from Gheeza.

KEITH  
Now let's get down to business, why are you here?

WOLZARD  
I have come with a message for you, your mother, and the other Rangers.

KEITH  
What?

WOLZARD

Zev Firebird as you know him now will be no more after tonight. Under the light of tonight's full moon, the two of us will have one final battle. And when your father loses we shall once again be one.

KEITH

Where are you having this battle?

WOLZARD

That is not of your concern.

KEITH

And why not?

WOLZARD

I do not want Firebird to have any advantages over me. It must be a fair fight. Either way I will see you again later Red Ranger, and after I have turned your father, I will work on turning you.

Another black magic circle appears and Wolzard disappears through it. Once Wolzard has vanished a small white note appears with the words, "Keith, take this to your mother and call the other Rangers when you get this." Keith picks up the note and heads toward the castle.

FADE OUT.

FADE IN:

INT. PROF. FIREBIRD'S OFFICE - DAY

Prof. Firebird sits at her desk while the Rangers stand before it. Prof. Firebird opens up the note and starts to read it.

PROF. FIREBIRD

Athena, Keith, Walker, Bowie, Maria, Abby, and Samson, I am fine for the time being, but as you may have all ready guessed, Wolzard has captured me. Tonight will our final duel and should he win, he will once again be joined with me. However I do have a plan. Now I know you must be getting a little frustrated Keith, but please do not come looking for me tonight. Apparently my honor has rubbed off on Wolzard, and he wants this to be a fair fight. Either way I will see you all in one form or another tomorrow.

Prof. Firebird puts down the note.

WALKER

What exactly is this plan of his?

BOWIE

Could be anything.

MARIA

I think I'll go back to my room and try to see if I can find anything in my crystal ball.

PROF. FIREBIRD

Excellent idea Maria. I think it is best that we all try to keep ourselves busy until something happens. Now Keith, are you planning on sneaking out tonight to try to find your father?

KEITH

Why would you think that?

ABBY

Well it is the kind of thing that you would do.

PROF. FIREBIRD

Abby does make a good point, so are you?

KEITH

As much as I don't want to, I'm going to honor dad's wishes and stay here tonight.

PROF. FIREBIRD

Good.

BOWIE

So what do we do now?

WALKER

The only thing to do is wait.

PROF. FIREBIRD

Right you are Walker.

FADE OUT.

FADE IN:

EXT. A BEACH - NIGHT

The light of the full moon bathes the beach in a partially eerie glow. Wolzard and Zev appear. Zev holds the Wolf Shield duplicate. Wolzard casts a black magic circle 12 feet in diameter. Numerous torches also pop up around the edge of the circle. Zev and Wolzard step onto the circle and face each other.

WOLZARD

When you are ready.

Zev draws the sword from his Shield. Wolzard does the same. They both hold their swords to their sides for a moment until Zev nods. Zev and Wolzard charge at each other. Zev swipes at Wolzard with his sword, but Wolzard blocks it with his shield. Wolzard then swipes at Zev with his sword, but Zev blocks the attack with his shield. Zev and Wolzard continue this exchange of sword swipes for a while until Zev is able to get in a good hit on Wolzard with his sword. Wolzard falls back a few feet. Wolzard then aims his shield at Zev.

WOLZARD

Halosis, gangalos, thursos!

The panel on Wolzard's shield opens up and a Howling Wolf attack is fired at Zev. Zev manages to block the attack with his Shield, but the attack starts to push Zev back a little. Zev pushes against the force of Wolzard's attack, and eventually the attack vanishes.

WOLZARD

You are fairly tough to withstand an attack like that, but will it be good enough Firebird?

ZEV

You have not seen me do anything yet Wolzard. Chagnys, pyagh, slat!

Zev aims his shield at Wolzard and the panel opens up. A Howling Wolf attack is launched at Wolzard. Like Zev, Wolzard uses his shield to stand up to the attack. Zev's attack eventually vanishes.

WOLZARD

Face it Firebird, we are too evenly matched. Why do you not just give up and succumb to me?

ZEV

Never. I want to finish you off once and for all. Come to think of it, I probably should have done that when my son separated us the first time.

WOLZARD

How was your son able to do that?

ZEV

The power of fire runs strong within my family. My son has it, I have, and my ancestor Ignatius had it. When our emotions run high enough, we can tap into that power to accomplish anything we desire.

WOLZARD

A pathetic sentiment. Say goodbye to life, as you know it now, because soon we will once again be under my influence.

Wolzard charges at Zev again and slashes at him. Zev is able to block the attacks, but Wolzard keeps coming and attacking strong. Eventually Wolzard gets in a hard slash that Zev blocks with his shield, but ends up knocking Zev to the ground. Wolzard places his sword in his shield and starts to close in on Zev.

WOLZARD

It is over Firebird. Just relax and join with me once more.

Zev aims his shield at Wolzard.

ZEV

Chagnys, pyagh, slat!

Zev fires another Howling Wolf attack at Wolzard, which hits Wolzard this time. Wolzard falls back to the other end of the circle. Zev gets to his feet. Zev looks up to the sky. The full moon is there with some clouds starting to form around it. Wolzard gets back to his feet. Zev charges and lands three quick slashes on Wolzard. Wolzard falls back a little. More clouds start to block the moon from view. Zev slashes at Wolzard again, and does some damage. More clouds block the moon leaving only a small portion uncovered. Zev strikes at Wolzard again, and Wolzard takes all of the hits.

WOLZARD

How are you doing this?

ZEV

It appears that your power is coming from the full moon directly. If you look up to the sky now, you will see that numerous clouds have started to block the moon from view. Without the moon in the sky you have no power.

Zev continues to slash at Wolzard, landing all of the attacks on him. Wolzard falls back. Zev raises his sword.

ZEV

Chagnys, soiagh, cooid!

Flames gather over the blade of the sword. Zev brings the sword down in a slash and launches the flames at Wolzard. Wolzard takes the hit, and numerous explosions occur over his body. A Command Infelshia falls to the ground and explodes. Wolzard appears in energy form again.

WOLZARD

You may have destroyed my body, but I will merge with you once again.

ZEV

Actually Wolzard I agree.

WOLZARD

You what?

ZEV

I agree, let us merge once again, but under my terms.

WOLZARD

What are going to do?

ZEV

Arraghey, soiagh, slat!

A purple wave of magic is emitted from Zev's shield. The wave uses the full power of the shield causing it to vanish. The wave hits Wolzard.

WOLZARD

What is this? What are you doing to me?

The wave completely overcomes Wolzard shrinking him and changing his shape into the Wolzard Wand Morpher. Once the conversion to the morpher is complete the black magic circle and the torches vanish. The morpher hovers in the air for a few seconds until Zev grabs it.

VOICE

You may have defeated Wolzard, but you and the Rangers will never prevent us from reviving Demos.

Zev turns around to see Gheeza.

ZEV

And what makes you so sure? There are eight of us now, where one hundred years ago we only had five.

GHEEZA

Your numbers may be greater, but it will not be enough, even with the Red, Green, Yellow, Blue and Pink Rangers' Legend Power. Just be prepared to see the surface destroyed.

Gheeza vanishes as the sun starts to rise.

FADE OUT.

FADE IN:

INT. THE MAIN CHAMBER OF THE LAIR - DAY

Gheeza appears. Asgard, Dragonas, Dragoon, Ouranos, Night, and Mare stand around.

ASGARD

Gheeza, what news do you bring from Wolzard's battle?

GHEEZA

He lost, and Firebird is now in possession of his power.

NIGHT

Wolzard's gone?

MARE

This can't be.

GHEEZA

I am afraid it is, however I do think there is a way that we could possibly be able to get his power back.

AGARD

How?

GHEEZA

Send Ouranos back to the surface along with Dragoon. The Rangers, and Firebird will surely come.

DRAGOON

Why me, and not you?

GHEEZA

I am needed for a ceremony that we will be holding soon.

DRAGOON

What makes you so special?

ASGARD

Dragoon, you will go, and that is an order.

DRAGOON

Fine, fine. Ouranos let's go.

OURANOS

I'm right behind you.

Dragoon and Ouranos leave the lair.

ASGARD

Speaking of that ceremony, we will be performing it soon. So ready yourself for it Gheeza.

GHEEZA

I am all ready preparing myself. The time of Lord Demos will come at last even if it means that I have to make the ultimate sacrifice.

ASGARD

Vampires...

NIGHT AND MARE

Yes Asgard?

ASGARD

There is a favor that I would like to ask of you two for when we perform the ceremony. In fact I think it is something you might even enjoy.

NIGHT

Hmm. Sounds promising.

MARE

Count us in.

ASGARD

Excellent.

FADE OUT.

FADE IN:

INT. THE MAIN HALL - DAY

The Rangers sit at the Firebird House table. Keith's morpher gives off the monster warning sound. Keith takes out his morpher and opens it up.

KEITH

Looks like there are two this time.

WALKER

But who could it be?

BOWIE

It's got to be Ouranos, but who else could be there?

SAMSON

We'll just have to wait and see.

MARIA

C'mon guys let's go.

Keith's morpher rings. He answers.

KEITH

Hello? (pause) DAD?! (pause) I see, I'll tell her.

Keith ends the call.

ABBY

What was that?

KEITH

My dad's all right, but he wants my mother to come with us with the block of ice that has her morpher in it for some reason.

BOWIE

Well call her and let's go.

Keith dials a number on his morpher.

FADE OUT.

FADE IN:

EXT. THE BEACH FROM THE PREVIOUS NIGHT - DAY

Zev (morphed) fights Ouranos and Dragoon. He slashes at them with his sword, and they both take the hit.

DRAGOON

Who knew reclaiming Wolzard's power would be this difficult?

ZEV

You have not even begun to see my full power.

Zev aims his shield at them.

ZEV

Chagnys, pyagh, slat!

The panel opens up on the shield and fires a Howling Wolf attack at the both of them. Dragoon and Ouranos take the attack and fall back. The Rangers and Prof. Firebird (carrying the block of ice) show up at the beach.

WALKER

Wolzard's still alive?

KEITH

But if my dad beat him why is Wolzard still here?

Zev turns around and sees everyone. He walks over to them.

KEITH

What did you do to him?

ZEV

Power down.

Zev powers down.

ZEV

Keith it is okay. I neutralized the evil of Wolzard and used his energy form to create a new morpher.

Zev holds up his morpher.

PROF. FIREBIRD

So that is why you wanted me here. Now that you have a morpher you can be able to melt the ice.

ZEV

Exactly.

Zev converts his morpher to wand mode. He dials "2, 7" and presses the "enter button".

ZEV

Chagnys, cooid!

Zev points the tip of his morpher at the block of ice and flames burst out of it. The flames hit the block, but do little to nothing. However the flames continue to come out of the morpher and Zev holds the spell for a while until he eventually collapses. The flames engulf Zev's morpher and turn it back to closed phone mode. Water falls onto Zev's morpher extinguishing the flames. Zev gets back up and sees Prof. Firebird's morpher floating in mid-air free from the ice.

PROF. FIREBIRD

You did it Zev.

The new spell sound goes off on both Zev and Prof. Firebird's morphers. They open their morphers up and they change color. Prof. Firebird's becomes white and silver in color, while Zev's becomes red and black with a gold "W" symbol. The "1" flashes on Zev's morpher once, followed by the "0" flashing twice, and finally the "6" flashing once. Dragoon and Ouranos get back up again, and confront the Rangers, Prof. Firebird, and Zev.

DRAGOON

That was some hit you gave us Firebird.

OURANOS

But it won't be enough to defeat us.

KEITH

Well why don't you see what the eight of us can do first? Right everyone?

Keith turns around and everyone nods. Keith, Walker, Bowie, Maria, and Abby take out their morphers, convert them to wand mode and dial "1, 0, 0, 6". Samson takes out his morpher and morph card. Prof. Firebird converts her morpher to wand mode and dials "1, 0, 6". Zev converts his morpher to wand mode and dials "1, 0, 0, 6".

KEITH, WALKER, BOWIE, MARIA, AND ABBY

Legend metamorphosis! Arthraigh, duine,  
duine, marbhan!

SAMSON

Solaria metamorphosis! Abeo, equus,  
corporeus!

PROF. FIREBIRD

Magix metamorphosis! Arthraigh, duine,  
marbhan!

ZEV

Fire metamorphosis! Arraghey, pyagh,  
pyagh, shlig!

Keith, Walker, Bowie, Maria, and Abby morph to regular Ranger form, and then to Legend Form. Samson morphs. Prof. Firebird morphs. A magic knight circle appears over Zev's head, it goes over his body and he morphs into Fire Wolzard.

KEITH

The legendary Crimson Mage, Firebird  
Ranger!

BOWIE

The legendary Golden Mage, Goldenbird  
Ranger!

MARIA

The legendary Azure Mage, Merfolk  
Ranger!

ABBY

The legendary Rose Mage, Pixee Ranger!

WALKER

The legendary Emerald Mage, Taurus  
Ranger!

SAMSON

The Shining Mage, Solaria Ranger!

PROF. FIREBIRD

The Icy Mage, White Ranger!

ZEV

With the power of the crimson flame,  
the Magic Knight, Fire Wolzard!

Dragoon and Ouranos look at what is before them.

DRAGOON

This can't be.

OURANOS

I know.

KEITH

You better believe it. First there were five.

SAMSON

Then six.

PROF. FIREBIRD

Then seven.

ZEV

And now there are eight. And we are all going to destroy whatever evil comes from the underground kingdom.

The Rangers break off into two groups. The first consisting of Keith, Zev, Walker, and Maria fight Ouranos. The second group of Samson, Bowie, Abby, and Prof. Firebird fights Dragoon. In the first group Keith, Zev, Walker, and Maria surround Ouranos. Keith strikes Ouranos with the top of his Staff, followed by simultaneous strikes from Walker and Maria's Staffs. Zev then gets in a couple of hard slashes on Ouranos. In the second group, Samson fires a few shots from his Blaster at Dragoon, which are then followed by slashes from the tops of Bowie and Abby's Staffs. Finally Prof. Firebird slashes at Dragoon with the top of her Lance. Dragoon goes flying back and land. Ouranos soon joins him. Keith, Walker, Bowie, Maria, Abby, and Prof. Firebird get into position for a final attack.

KEITH, WALKER, BOWIE, MARIA, ABBY,  
AND PROF. FIREBIRD

Ionsaigh, teicniocht, arm, draiocht!

Samson rubs his Blaster until a clicking sound is heard.

SAMSON

Ars, scipio, natura!

Zev raises his sword.

ZEV

Chagnys, soiagh, cooid!

Flames gather on Zev's Sword. Zev brings his sword down in a vertical slash. Samson fires Cheshire out of his Blaster. A golden energy blast fires out of Keith, Walker, Bowie, Maria, Abby, and Prof. Firebird's weapons. The attacks hit Dragoon and Ouranos and they fall down and explode. The Rangers leave the scene. Moments later Asgard appears holding two containers. He absorbs the white essence of Ouranos, and the light green essence of Dragoon.

FADE OUT.

FADE IN:

INT. PROF. FIREBIRD'S OFFICE - EVENING

Prof. Firebird sits at her desk. Zev stands behind her. Keith, Walker, Bowie, Maria, Abby, and Samson stand before them.

PROF. FIREBIRD

Well it appears that the electricity that Ouranos had stolen has been returned. However there is something more important that has happened today.

ZEV

(slyly) What exactly would that be Athena?

PROF. FIREBIRD

About what happened with you and Wolzard.

BOWIE

And I'd like to know about the whole "magic knight" thing.

ZEV

As far as what happened between Wolzard and I, quite obviously I won the battle against him last night.

ABBY

What about that power up you got?

PROF. FIREBIRD

That could have been Zev's magic responding to his courage for trying to melt my frozen morpher. After all it seemed like he was using too much of his power.

BOWIE

About the "magic knight" thing, Wolzard used to call himself the "black magic knight", so what's the deal with you calling yourself the "magic knight" Zev?

ZEV

Athena and I belong to an ancient order known as the Magic Knights. The Magic Knights are composed of the best magical warriors throughout the country. In fact Athena's powers as the Lunar Mage at one point were changed to fit the Magic Knights.

WALKER

Is there anything else we should know about these Knights?

ZEV

For starters all five of the founders were Knights at one point, and becoming a Knight, like being the headmaster of Magix, has been a bit of a Firebird tradition.

BOWIE

What about Wolzard calling himself the "black magic knight"?

ZEV

I think that might have been him somewhat mocking the order. Since he was a member of the underground kingdom, and in full control over me he probably found it fitting to call himself that. Either way if any of the six of you are interested in becoming a Knight, I can get you the materials needed to study for the entrance exam.

PROF. FIREBIRD

However if you do decide to study for the Magic Knight entrance exam, I do not want to see any of you making that your priority. At the moment the only exams you should be studying for are the finals that will be coming up soon. Speaking of which I think the six of you should go study right now.
