FADE IN:

INT. THE LIBRARY - DAY

KEITH sits at a desk going over a small book. BOWIE comes in, and walks up to Keith.

BOWIE

Ready for Professor Estrange's potions exam?

Keith does not answer.

BOWIE

Keith?

Bowie looks closely at the book Keith is reading. The words "MAGIC KNIGHT ENTRANCE EXAM PREPARATION" are on the cover.

BOWIE

Why are you studying that?

KEITH

I've got my entrance exam with them later today.

BOWIE

But the potions exam is in two hours.

KEITH

I know, and I studied.

BOWIE

Okay, what's the difference between monkshood and aconite?

KEITH

Uhh...

BOWIE

There is no difference; they're the same plant. Keith, do you even remember what your mother said about the Magic Knight entrance exam?

KEITH

That it shouldn't take priority over my exams here.

BOWIE

Yes now why are you making it your priority?

KEITH

I didn't actually. My dad got me the exam for today.

BOWIE

Is there any way that you could reschedule?

KEITH

No they're only going to be here today, and if I don't do it then I miss my chance to join them.

BOWIE

For this year?

KEITH

No permanently. Just help me out with potions, 'cause I'm just a little stressed out right now.

BOWIE

Okay fine, but if you ace this exam, I'm taking most of the credit.

Keith puts down the Magic Knight entrance exam book, and picks up his potions text. Bowie goes over it with him.

FADE OUT.

FADE IN:

INT. THE MAIN HALL - DAY

WALKER sits at the Taurus House table going over his Herbology texts, and an exam study guide. Walker has all but one item on the list crossed off. That item is "mandrakes". Walker starts to laugh a little. He takes out his morpher and converts it to wand mode.

WALKER  
Teicniocht, solas!

Walker aims the tip of the wand at the table and DRAKE appears.

DRAKE  
What's up Walker?

WALKER  
I need to study mandrakes, so...

DRAKE  
You need me.

WALKER  
Exactly.

DRAKE  
So what do you need to know?

WALKER  
Nothing much that I don't all ready know, so just let me take a good look at you for a refresher.

Walker pulls Drake up closer to him and starts to analyze him thoroughly. Eventually MARIA comes in.

MARIA  
Why does that not surprise me?

WALKER  
What?

MARIA  
That you're using Drake, to study for part of your Herbology exam.

WALKER  
I say if you've got the resources, use them.

MARIA

Let's not forget if you have a friend  
who has those resources, use them.

WALKER

I can see where this is going, so-

Walker slides Drake over to Maria. Maria picks up Drake and starts to walk out of the main hall.

WALKER

Where are you going?

Maria stops.

MARIA

To study. I'm sorry Walker, but I need  
to be off in a quiet place, alone to do  
this. Don't worry I'll bring back Drake  
when I'm finished.

Maria walks out of the main hall.

FADE OUT.

FADE IN:

INT. THE MAIN CHAMBER OF THE LAIR - DAY

ASGARD, DRAGONAS, GHEEZA, NIGHT, and MARE stand around what would be DEMOS' portal.

ASGARD

The time has come at last to revive  
Lord Demos. Once Demos is reborn the  
surface shall belong to him.

Asgard turns around and faces six containers. He picks one up, turns around, and opens it. The orange essence of Magmas comes out and enters the portal. Asgard grabs another container and opens it. The white essence of Arges comes out and enters the portal. Asgard continues this moving onto Bufono next, then Pythara, then Dragoon, and finally Ouranos. Gheeza waves her hands over the portal. The essences combine and the portal starts to glow red again.

MARE

So what now?

NIGHT

We wait.

DRAGONAS

I don't want to wait.

GHEEZA

The rebirth of Demos must not be sped  
up for any reason. Demos will be reborn  
when the power is at its utmost.  
However Asgard, I fear that the Rangers  
might interrupt the process.

ASGARD

Agreed Gheeza. Vampires...

NIGHT AND MARE

Yes Asgard?

ASGARD

Bring Lagoonas in here.

Night and Mare leave the main chamber. Moments later they return with LAGOONAS. Lagoonas walks up to Asgard.

LAGOONAS

Yes Asgard?

ASGARD

While you may have not done much around here since we first went to the surface, I want you to go and attack the city. The Rangers must not know what we are up to, so you attacking will be the perfect distraction.

Lagoonas bows a little.

LAGOONAS

As you command Asgard.

Lagoonas straightens himself out, walks a few feet and teleports out of the lair.

DRAGONAS

Why not send me?

ASGARD

As my co-leader you are needed for when Lord Demos revives. Together we with him, and the two others who will be reborn, shall destroy the surface. So please just be even more patient than you have been.

DRAGONAS

Yes Asgard, but my patience is starting to wear thin.

FADE OUT.

FADE IN:

INT. AN EMPTY CLASSROOM - DAY

A fire is occurring in a nearby fireplace as ABBY stands in front of a desk that has numerous items on it. The desk has a piece of paper, an empty bottle, bits of string, an orange, a small wheel of cheese, and an empty thread spool. She takes out her morpher and converts it to wand mode. She aims the tip at the bottle.

ABBY  
Teicniocht, arthraigh!

A beam of magic comes out of the wand and hits the bottle turning it into a chalice full of water. She points the tip of her wand at the bits of string.

ABBY  
Teicniocht, teaglam, arthraigh!

The bits of string levitate, combine, and turn into a coil of rope. Abby points the wand at the orange.

ABBY  
Teicniocht, arthraigh!

The orange turns into an apple. Abby points her wand at the cheese.

ABBY  
Teicniocht, arthraigh!

The cheese turns into a mouse. The mouse starts to scurry away, but Abby turns it back into cheese again. Abby points her wand at the thread spool.

ABBY  
Teicniocht, arthraigh!

The spool turns into a vase full of flowers. Abby points her wand at the piece of paper.

ABBY  
Teicniocht, arthraigh!

The paper turns into the most recent edition of the Crystal Ball.

ABBY  
Okay one last spell, and studying for transfiguration is done. Arthraigh, marbhan!

Abby turns herself into a bee. She stays as a bee for a few seconds until turning back into a human. The fire in the fireplace turns green as SAMSON walks out of it. Abby turns to Samson.

ABBY

How'd your card-casting exam go?

SAMSON

Aced it. How's everything going for you and the others?

ABBY

All right I guess, but I've actually got my transfiguration exam later today.

SAMSON

Knowing you, you'll do fine.

The warning sound goes off on their morphers. Samson and Abby rush out of the room.

INT. S. ESTRANGE'S CLASS ROOM - DAY

S. ESTRANGE starts to hand out the exams as the warning sound goes off on Keith, Walker, Bowie, and Maria's morphers. They all rise and start to head out of the room.

S. ESTRANGE

And where to do you think you are going?

KEITH

The surface is being attacked. We need to go.

S. ESTRANGE

All of you sit down and take your exam. You can leave after you have finished. However if you leave now, I will fail you.

KEITH

Fine, I'm leaving. And if you've got a problem with that you can take it up with my mother.

Keith leaves. S. Estrange looks at Walker, Bowie, and Maria.

S. ESTRANGE

Mr. Crowe, Mr. Davis, Miss Reeve are you three going to leave too?

BOWIE

As much as I hate to do this professor  
I am. Keith's right, protecting the  
surface is a little more important than  
this exam.

S. ESTRANGE

I am disappointed in you Bowie. Fine  
leave, but it will be a pity to fail a  
student of your caliber.

Bowie leaves.

S. ESTRANGE

And you two?

WALKER

I'm going.

MARIA

So am I.

Walker and Maria rush out of the room.

FADE OUT.

FADE IN:

EXT. DOWNTOWN GANDALF CITY - DAY

Lagoonas attacks. Samson and Abby rush up to the area.  
Lagoonas sees them.

LAGOONAS  
Looks like it'll only be two. No  
problem.

KEITH'S VOICE  
I don't think so.

Keith rushes to the area.

LAGOONAS  
Ah Red Ranger, now this is going to get  
interesting.

KEITH  
It better; because I'm failing an exam  
because of you.

SAMSON  
What?

KEITH  
S. Estrange wouldn't let me go so I  
left and he's going to fail me.

ABBY  
What are you going to do?

KEITH  
I told him if he has any problems he  
could take it up with my mother.

LAGOONAS  
Enough talk Rangers. It's time to  
finish the three of you.

WALKER'S VOICE  
Better make that six.

Walker, Bowie, and Maria show up.

KEITH  
Good let's do it.

All of the Rangers take out their morpher. Keith, Walker,  
Bowie, Maria, and Abby convert theirs to wand mode. Samson  
takes out his morph card.

KEITH, WALKER, BOWIE, MARIA, AND ABBY  
Legend metamorphosis! Arthraigh, duine,  
duine, marbhan!

SAMSON  
Solaria metamorphosis! Abeo, equus,  
corporeus!

Keith, Walker, Bowie, Maria, and Abby morph to regular Ranger form, and then to Legend Form. Samson morphs. Lagoonas charges at the Rangers with his trident drawn back. He swipes at them but they all jump up and out of the way. Keith dials "1" on his Legendary Wand Staff and fires a Fire Burst at Lagoonas. Lagoonas takes the hit as Walker dials "1" and fires a Boulder Attack at him. Again Lagoonas takes the attack, just as Bowie fires a Thunder Storm at him. Abby comes in firing a Piercing Wind attack at Lagoonas. Maria then fires a Tidal Wave attack at Lagoonas, followed by some high-powered shots from the Lamp Blaster from Samson.

LAGOONAS  
The six of you are tougher than I had  
expected, however that's not enough.

Lagoonas holds his trident out in front of him and powers it up. He then launches a high-powered slash at the Rangers, which knocks them down. Lagoonas starts to close in on them.

LAGOONAS  
Now to finish you!

MALE VOICE  
Chagnys, pyagh, slat!

FEMALE VOICE  
Teicniocht, duil, ionsaigh!

Numerous energy wolf heads are fired at Lagoonas, followed by darts made of ice. ZEV and PROF. FIREBIRD (both morphed) appear. They help up the other Rangers.

PROF. FIREBIRD  
Rangers are you all right?

KEITH  
I think we're fine mother.

PROF. FIREBIRD  
Good now let us finish off Lagoonas.

Keith, Walker, Bowie, Maria, Abby, and Prof. Firebird get into position for a final attack. Zev draws his sword. Samson rubs his Blaster until a clicking sound is heard.

KEITH, WALKER, BOWIE, MARIA, ABBY,  
AND PROF. FIREBIRD  
Ionsaigh, teicniocht, arm, draiocht!

SAMSON  
Ars, scipio, natura!

ZEV  
Chagnys, soiagh, cooid!

Keith, Walker, Bowie, Maria, Abby, and Prof. Firebird fire a massive golden energy blast at Lagoonas, Samson fires Cheshire at Lagoonas, and Zev launches his signature attack at Lagoonas. Lagoonas takes all of the attacks and presumably falls down and explodes.

FADE OUT.

FADE IN:

INT. THE MAIN CHAMBER OF THE LAIR - DAY

Lagoonas walks in within less than an inch of his life. He makes his way to where Asgard and Dragonas are standing, and falls down.

ASGARD

So you have failed Lagoonas.

LAGOONAS

It will not happen again.

Lagoonas gets to his feet, turns around and looks down at Demos' portal.

LAGOONAS

I swear that I will defeat the Rangers and Demos will be reborn.

ASGARD

That is a nice sentiment, but I have other plans for you.

LAGOONAS

Like wha-?

Night and Mare come up behind Lagoonas quickly and push him into portal.

NIGHT

Like that.

MARE

Bye, bye Lagoonas.

Lagoonas falls into the portal and becomes red colored energy. The energy is absorbed by Demos. Gheeza walks into the lair.

GHEEZA

There is only one element left in all of this, and I am prepared to make whatever sacrifice is needed to add it.

ASGARD

Excellent Gheeza. However that is not required of you just yet. For the time being, just watch over what has all ready happened with Demos. If need be I will send you to the surface to combat the Rangers.

GHEEZA

As you command Asgard.

DRAGONAS

I want to go.

ASGARD

How many times must we go over this  
Dragonas? You cannot go just yet,  
because you are needed to be there as  
Demos is reborn. However if you need  
something to do, why do you not go  
round up two Command Infelshias?

DRAGONAS

Fine.

Dragonas leaves the lair.

FADE OUT.

FADE IN:

INT. PROF. FIREBIRD'S OFFICE - DAY

Prof. Firebird sits at her desk. Zev stands before her, and the main six Rangers stand before the desk.

PROF. FIREBIRD

Now it has come to my attention Keith, Walker, Bowie, and Maria that the four of you walked out on your potions exam.

KEITH

In our defense it was to go fight Lagoonas.

PROF. FIREBIRD

I realize that. In fact I am on your side on this. Protecting the surface is more important than your exams right now. However it is my fault. I should have scheduled your exams differently than other students'. Looking at your schedules your next three exams for the six of you will occur in the main hall with Zev watching over you.

BOWIE

What about our exam with Professor Estrange?

PROF. FIREBIRD

A make up is all ready scheduled.

ZEV

Also Keith I hope you are ready for your Magic Knight exam later today.

PROF. FIREBIRD

His what?

ZEV

It was the only time that they could work him in. Besides Athena, you know how hard it is to get into the order.

PROF. FIREBIRD

I realize that, but his school exams should come first.

ZEV

And they will, right Keith?

KEITH  
Yes dad.

ZEV  
See.

PROF. FIREBIRD  
Very well. (to the Rangers) Are the six  
of you ready for your other exams?

KEITH  
Maybe.

WALKER  
Probably.

BOWIE  
Yes.

MARIA  
I think so.

ABBY  
I think I am.

SAMSON  
Yeah.

PROF. FIREBIRD  
Good. Then I hope you will not mind  
taking the rest of your exams today.  
You will have the rest of the day to do  
them, unless of course there is some  
sort of attack occurs.

Prof. Firebird gathers a bunch of papers on her desk, and hands them to Zev. Zev then starts to head out of the office. The Rangers have a somewhat puzzled look on their faces.

ZEV  
Are you coming to finish your exams or  
not?

Keith, Walker, Bowie, Maria, Abby, and Samson follow Zev.

FADE OUT.

FADE IN:

INT. THE MAIN HALL - DAY

Keith, Walker, Bowie, Maria, and Abby sit at their respective House tables. Samson sits a great distance away from Keith at the Firebird House table. All six Rangers are writing their exams. Zev wanders around the hall checking up on the six of them. Keith finishes one exam and sets it aside. Zev comes around and collects it. Zev does the same for the other Rangers as they complete their exams. Keith finishes the last question on the last exam that he has to write in the hall. Zev comes around and collects it.

ZEV

(whispering) Two officials from the Magic Knights are waiting for you outside Keith.

Keith gets up and leaves the Hall.

INT. THE MAIN CHAMBER OF THE LAIR - DAY

Demos' portal continues to glow red. Dragonas brings two Command Infelshias up to the portal. Two red beams are emitted from the portal and hit the Command Infelshias. Machinery starts to form over one of them, while the other gets wrapped up in strips of linen. Asgard watches this.

ASGARD

Excellent things are going to plan.  
Gheeza!

Gheeza enters the lair.

GHEEZA

Yes Asgard?

ASGARD

Go to the surface and keep the Rangers occupied for the time being. I do not want them to interfere with what is now happening.

GHEEZA

As you command.

EXT. THE GROUNDS OF MAGIX - DAY

Keith walks out of the castle and up to two officials from the Magic Knights. The officials get a good look at Keith.

OFFICIAL 1

You really do look like your father.

KEITH

Thanks, I guess. What exactly do I have to do for you guys?

OFFICIAL 2

Nothing overly important we just need to see your fighting and spell casting abilities.

OFFICIAL 1

So if you do not mind could you conjure us up something to drink for the moment?

KEITH

Okay.

Keith takes out his morpher and converts it to wand mode. He dials "2,8,7".

KEITH

Teicniocht, draiocht, duil!

Keith presses the enter button and a pitcher of water and two glasses on a tray appear before him on the ground. Keith picks up the tray and hands it to the first official.

OFFICIAL 1

Excellent work Keith.

The second official takes out a coil of rope.

OFFICIAL 2

Now I want you to change this rope into anything you like.

KEITH

Teicniocht, arthraigh!

Keith turns the rope into a snake, and quickly changes it back.

OFFICIAL 1

A little pedestrian, but still impressive.

The sky starts to darken as the warning sound goes off on Keith's morpher.

OFFICIAL 2

What is happening?

KEITH

I need to go now.

OFFICIAL 1

If you leave your test now, you may never be able to join the Order.

KEITH

That's a risk I'm willing to take.

Keith runs off. Moments later Zev comes out.

ZEV

My apologies to you both, I should have mentioned that Keith is one of the Power Rangers.

OFFICIAL 2

So that explains why he ran off.

OFFICIAL 1

What is his color?

ZEV

Red.

OFFICIAL 2

(to the first official) I do not know about you, but I have made my decision about him.

OFFICIAL 1

As have I.

FADE OUT.

FADE IN:

EXT. DOWNTOWN GANDALF CITY - DAY

A gigantic Gheeza stands with her weapon on her right arm. The Legend and Solaria Express Megazords approach her.

GHEEZA

So you've come Rangers?

The Legend Megazord steps forward.

KEITH

Can we hurry this up? Some of us have other things to do right now.

GHEEZA

As you wish Red Ranger. I will defeat you and then there will be nothing to stand in the way of Lord Demos' rebirth.

Gheeza fires a blast from her arm cannon. The blast hits the Legend Megazord causing it to vanish as Keith, Walker, Bowie, Maria, and Abby to fall to the ground in regular Ranger form.

SAMSON

Furnace tractor beam!

The front of the Solaria Express Megazord opens up.

GHEEZA

Sphinx Blade!

The blades on Gheeza's cannon pop out and she starts to slash at the Solaria Express Megazord a few times. She then places the end of the cannon at point blank range at the Solaria Express Megazord and fires a shot. The blast severely damages the Solaria Express Megazord causing it to disappear, and Samson falls to the ground. The other Rangers come up to Samson.

ABBY

Samson!

KEITH

You okay?

Gheeza comes down to the ground human sized.

GHEEZA

It appears that your wanting to end this quickly Red Ranger has become your undoing. Tell me why do you want this to end now?

KEITH

It's none of your business.

GHEEZA

Very well, if it is your wish to finish this quickly Red Ranger I will make this as painless as possible.

Gheeza aims her cannon at the Rangers and starts to charge up a high-powered blast. Numerous ice darts are fired at Gheeza as she charges. Prof. Firebird (morphed) appears, soon followed by Zev (also morphed).

PROF. FIREBIRD

Are the six of you all right?

KEITH

We're fine mother. Now let's just hope that you and dad don't have to bail us out like this again today.

ZEV

Agreed.

GHEEZA

Good all eight of you are here. Now is the perfect time to eliminate you all.

The blades on Gheeza's cannon flip out again and she charges at all eight Rangers. Before she can even touch anyone Zev holds out his shield to block the attack.

ZEV

This is as far as you are going to go.

GHEEZA

Give me one good reason why.

ZEV

Very well. Chagnys, pyagh, slat!

The panel on Zev's shield opens up and a Howling Wolf attack is fired at her at point blank range. Gheeza falls back.

WALKER

I think it's time to finish her.

BOWIE  
I'm with you on that.

MARIA  
Me too.

ABBY  
Let's do it.

Keith, Walker, Bowie, Maria, Abby, and Prof. Firebird get into position for their final attack. Samson rubs his Blaster until a clicking sound is heard. Zev draws his sword.

KEITH, WALKER, BOWIE, MARIA, ABBY,  
AND PROF. FIREBIRD  
Ionsaigh, teicniocht, arm, draiocht!

SAMSON  
Ars, scipio, natura!

ZEV  
Chagnys, soiagh, cooid!

All eight Rangers launch their attack at Gheeza and like Lagoonas she presumably falls down and explodes.

FADE OUT.

FADE IN:

INT. THE MAIN CHAMBER OF THE LAIR - DAY

Asgard and Dragonas stand at their spot. Night and Mare are off to the side. Gheeza walks in, but barely. Asgard sees Gheeza.

ASGARD

You failed Gheeza.

GHEEZA

I realize that Asgard. However unlike Lagoonas, I know what sacrifice has to be made next.

Gheeza walks over to Demos' portal. She falls to her knees before it.

GHEEZA

Accept my humble power my Lord.

Gheeza falls face first into the portal, turns into energy and is absorbed by Demos. After Gheeza has been absorbed, Ouranos is spat out of the portal. A red energy glows over Ouranos until he finally absorbs it. Ouranos disappears.

ASGARD

Excellent all is going according to plan.

The two Command Infelshias from before stumble through the main chamber as their changes continue to occur. They go off into a shadowy area and one final sound is heard making their changes complete.

FAMILIAR VOICE 1

I'm back and I feel better than ever.  
Those Rangers won't know what hit them.

FAMILIAR VOICE 2

When I get my hands on that Solaria Ranger, he'll wish he never did what he did to me.

Asgard walks up to where the two figures are.

ASGARD

Gentlemen I have some work for the both of you.

FADE OUT.

FADE IN:

INT. PROF. FIREBIRD'S OFFICE - DAY

Prof. Firebird sits at her desk. Zev stands behind her, and the other Rangers stand before the desk. Zev is also holding a small package.

PROF. FIREBIRD

It appears that we now only have Asgard and Dragonas to contend with. However do not get too cocky because they could make their attacks even worse now that they are the only ones left.

WALKER

I think I speak for the six of us when I say we won't.

PROF. FIREBIRD

Good. Now I have some good news.

MARIA

What about professor?

PROF. FIREBIRD

It is about your exams. The six of you passed them all. Congratulations you will now be graduating.

Keith, Walker, Bowie, Maria, Abby, and Samson cheer. Zev walks up to Keith.

ZEV

And Keith the two Magic Knight officials wanted me to give you this.

Zev hands Keith the package. Keith opens it up and it is a uniform with Magic Knight insignia on it.

KEITH

I'm in?

ZEV

You are. They were impressed by what little magic you showed, however they were even more impressed when they I told them that you were the Red Ranger. Upon hearing that you being apart of them was inevitable.

PROF. FIREBIRD

Yes this is a joyous day for us all. So now I think the six of you might want to prepare for graduation soon. So go to your rooms and pack up, because in a few weeks you will be Magix alumni.

SAMSON

What about me professor?

PROF. FIREBIRD

While you have only been here a short while Samson, I will personally consider you apart of Magix, and Professor Salem will also consider you to be Solaria.

The warning sound goes off on all of the morphers. Everyone in the room rushes out.

FADE OUT.

FADE IN:

EXT. A QUARRY - DAY

All eight Rangers arrive.

KEITH

This is where our morphers said it was going to happen. But nothing's here.

WALKER

It seems a little odd.

ZEV

Everyone, stay on guard. There is no telling what might be here.

Abby crosses her arms and starts to rub them.

ABBY

This is getting a little creepy.

MARIA

I know. You'd think that whatever's going to be here would come by now.

SAMSON

I don't like this.

PROF. FIREBIRD

I do not like it much myself, but whatever is going to happen is going to happen.

The sky darkens a little bit.

FAMILIAR VOICE 2

Halosis, phalanx!

A black magic circle appears on the ground and two figures appear on it. The sky returns to normal to reveal that the figures are MECHANOS and MUMANKAMON.

KEITH

Mechanos?

SAMSON

Mumankamon?

WALKER

But we defeated them. How are they here?

MUMANKAMON

That is an easy question Green Ranger.

MECHANOS

And the answer is up there.

Mechanos points up with his sword. The sky darkens as the Rangers look up to see a gigantic Ouranos appear in the distance.

BOWIE

Why's Ouranos back too?

MUMANKAMON

He serves a great purpose. Just watch.

Some red lightning bolts go over Ouranos' body as red tentacles come out of it. Ouranos' body is destroyed as Demos becomes reborn in his ultimate form. Demos floats in the air.

ZEV

This cannot be.

PROF. FIREBIRD

It is Demos.

KEITH

I thought you defeated him dad.

MUMANKAMON

However the Decadal has been working to revive him, using their power.

MECHANOS

And we got reborn alongside him.

DEMOS

I am Lord Demos, supreme ruler of the underground. The surface's days are now at an end, so enjoy them while they last.

Demos vanishes.

MUMANKAMON

Like Lord Demos said your days are at an end. So enjoy them.

MECHANOS

Because the final battle is going to take place soon, and we will defeat you all!

Another black magic circle appears and Mechanos and Mumankamon disappear through it.

PROF. FIREBIRD

Demos did not look like that one  
hundred years ago.

ZEV

But if you remember correctly Athena  
the underground never gave us the  
troubles we faced this time.

KEITH

So what's the plan?

PROF. FIREBIRD

We will all head back to the castle,  
and figure out our plan.

ZEV

There are some people I would like to  
consult when we get back too.

PROF. FIREBIRD

Very well. Now we must be going.

The Rangers leave the quarry.

TO BE CONTINUED...
