FADE IN:

INT. WALKER'S ROOM - NIGHT

WALKER enters. He walks up to his bed and sets his backpack down on it. He then turns his attention to DRAKE's pot. Drake's upper leaves look somewhat wilted.

WALKER

Oh great.

Walker quickly runs out of the room. Moments later he returns with a glass of water. He then pours the water from the glass into the pot. Drake pops up and lets out a cough.

DRAKE

I thought you forgot about me.

WALKER

Sorry Drake. It's just that I've been so busy with being a Ranger. How are you feeling?

DRAKE

A little better, thanks to that water, but it's not enough.

WALKER

What else do you need?

DRAKE

More water.

Walker grabs the watering can that sits beside his desk. He runs out of the room again. Moments later he returns with the can full. He pours some more water on Drake.

WALKER

How about now?

DRAKE

A little more.

Walker pours some more water.

WALKER

Now?

DRAKE

I think that should be enough.

Walker feels Drake's leaves.

WALKER

Your leaves still look a little wilted.

DRAKE

What?

WALKER

How about I get Bowie to brew you a
potion that could perk those leaves up?

DRAKE

Okay.

Walker pulls out his Wand Morpher in phone mode. He opens
it up and dials a number.

WALKER

Bowie, it's Walker. (pause) I need you
to make me a potion that can perk up
partially wilted plants. (pause) Yes
it's for Drake. (pause) Well it's not
like we haven't been busy taking care
of Mechanos and his goons. (pause)
Great, meet me by the entrance of
Taurus House. Bye.

Walker closes the phone.

INT. THE HALLS OF MAGIX, NEAR THE TAURUS ENTRANCE - NIGHT

Walker waits. BOWIE comes up to him. Bowie hands Walker a
vial of a green liquid.

BOWIE

Here you go.

WALKER

Thanks man. It's lucky that you had
some of this on hand.

BOWIE

Well this stuff does have a shelf life
of a month, and I needed some for a
herbology project a couple of weeks
ago.

WALKER

You wouldn't...

BOWIE
Mind making more?

WALKER
Yeah.

BOWIE
No problem. This potion is so easy to
make even Keith could do it.

WALKER
But if Keith were to make it, it
wouldn't be as powerful as yours.

BOWIE
True.

JESS walks up to them.

JESS
And what are you two doing out so late?

WALKER
Bowie was just giving me a potion.

JESS
For what?

WALKER
My mandrake. His leaves are looking a
little wilted.

JESS
So Professor Roots wasn't joking about
you having a Mandrake Walker?

WALKER
Nope.

JESS
Mind if I come see it some time?

WALKER
No problem, after all you do know where
I sleep.

JESS
I'll swing by when I'm done making my
rounds.

WALKER
Okay, see you then.

Jess walks away.

BOWIE

Wait a minute, isn't that...

WALKER

The girl I've had a crush on since first year? Yeah.

BOWIE

Why was she complaining about us being out at this hour?

WALKER

She's one of the prefects of Taurus.

BOWIE

I see. So are you going to ask her out sometime?

WALKER

I don't know.

BOWIE

What do you mean, "I don't know", you've had a crush on her since first year. What could possibly be holding you back from doing that?

WALKER

Uhh...

BOWIE

Just try to get her alone sometime, and ask her out. There's nothing to it.

WALKER

Okay fine. Thanks for the potion.

BOWIE

No problem. Good night.

WALKER

Good night.

Bowie walks away.

INT. WALKER'S ROOM - NIGHT

Walker comes in again with the potion in hand. Just as he is about to pour the potion onto Drake, there is a knock at the door.

WALKER

It's open.

Jess walks in, and up to where Walker is standing. She looks at Drake.

JESS

So this is your mandrake?

DRAKE

What's it look like to you?

JESS

How rude!

WALKER

Don't mind him. He's just a little cranky because he's a little wilted.

Walker pours the potion into Drake's pot. Drake's leaves instantly perk up.

DRAKE

Much better.

WALKER

Jess-

JESS

Walker-

BOTH

There's something I want to ask you.

WALKER

You go first.

JESS

Would you mind staying after herbology class tomorrow to help me out with something?

WALKER

Sure no problem.

JESS

Great. What do you want to ask me?

Walker hears Bowie's voice in his head.

BOWIE

(V/O)

Just try to get her alone sometime, and ask her out.

Walker, spaces out for a few seconds. Jess waves her right hand in front of Walker face a couple of times.

JESS
Walker, Walker. Hello?

Walker snaps out of the trance that he put himself in.

WALKER
What?

JESS
What was it that you want to ask me?

WALKER
It's not important. I think it can wait
until tomorrow.

JESS
Okay whatever. See you tomorrow.

WALKER
Okay.

Jess leaves the room. Walker falls backwards on his bed and starts to smack himself in the head a few times.

WALKER
Stupid, stupid, stupid! Why didn't you
do it?

DRAKE
What?

WALKER
I had the perfect chance to ask her
out, and I kinda blew it.

DRAKE
Didn't you say that your question could
wait until tomorrow?

WALKER
That was just me stalling so I could
work up enough nerve.

DRAKE
Well ask her tomorrow.

WALKER
I guess you're right. Wow, I can't
believe that I just took relationship
advice from a plant.

DRAKE
Hey!

WALKER

Anyway, I'm going to bed. Good night
Drake.

DRAKE

Good night Walker.

Drake pulls himself down into his pot. Walker climbs into
bed and falls asleep.

FADE OUT.

FADE IN:

INT. A GREENHOUSE - DAY

Walker's Herbology class is just about to finish. ROOTS stands at the front of the class. Roots looks up at the clock.

ROOTS
Okay class dismissed.

All the students, but Walker and Jess leave the greenhouse. Roots observes Walker and Jess.

ROOTS
And what are the two of you doing?

JESS
I asked Walker to give me some help after class today.

WALKER
It's okay with you, isn't it?

ROOTS
Yes it is okay. I was just wondering what the two of you were up to. Take your time, and call me if you need any additional help. Although Walker should be more than enough help for you Jess.

JESS
Thanks Professor Roots.

Roots leaves the greenhouse.

WALKER
So what did you want me to help you with?

JESS
Just a sec.

Jess walks over to the desk she was sitting at, and grabs a potted cactus. She walks back over to Walker.

JESS
My parents got me this thing for my birthday a couple of weeks ago, and they thought it might have some sort of magical properties.

WALKER

Don't take this the wrong way, but are both of your parents mortal?

JESS

They are. Why do you ask?

WALKER

Well it was the whole thing you said about your parents thinking that the cactus might have magic.

JESS

Well does it?

Walker closely inspects the cactus.

WALKER

It's a rare breed of cactus, but it's a rare mortal breed.

JESS

So that's a no, right?

WALKER

Afraid so.

JESS

What was it that you wanted to ask me last night?

EXT. THE GREENHOUSE - DAY

ABBY walks by it, and she sees Walker and Jess together.

ABBY

Walker, who is that girl you're with?

Abby peers into the greenhouse and sees the prefect badge on Jess' uniform.

ABBY

A Taurus prefect? Way to go, you two look like you could make a nice couple.

Abby pulls out her Wand Morpher in phone mode. She dials a number.

ABBY

Guys, get down here outside of the greenhouse there's something you've got to see.

Abby ends the call. Moments later KEITH, MARIA, and Bowie come up to her.

KEITH

What is it that we just have to see?

ABBY

Look in at Walker.

MARIA

Who's that girl?

BOWIE

One of the Taurus prefects. Her name is Jess.

INT. THE GREENHOUSE - DAY

Walker and Jess continue to talk. The other Rangers can be seen peering into the greenhouse from the other side.

JESS

Walker, I can tell that you're stalling. What is it that you want to ask me?

WALKER

Okay, I'll be honest. I've kinda had a crush on you since first year.

JESS

Really?

WALKER

Yeah.

JESS

Why are you telling me this?

WALKER

I was wondering if maybe you'd like to go out with the Green Ranger sometime?

JESS

Go out with you?

WALKER

Yeah.

JESS

On a date?

WALKER

Right. Is something wrong?

JESS

Walker, I'm a prefect, I probably shouldn't be dating a student like you.

WALKER

But it's not like I'm any kind of student.

JESS

I know that. But let's say, hypothetically, that I do become your girlfriend, and I catch you breaking one of the rules, what then?

WALKER

Then you enforce the rule like you should. I'd know that you were only doing your job as a prefect. C'mon what do you say?

JESS

Tell you what, if you can make a flower bloom from this cactus in a week, I'll go out on one date with you.

WALKER

Okay that shouldn't be a problem for me.

JESS

Okay we'll see what happens in a week.

Jess hands him the cactus, and leaves the greenhouse. Walker sighs.

WALKER

Making a flower bloom from this cactus shouldn't be a problem.

Walker leaves the greenhouse.

EXT. THE GROUNDS OF MAGIX NEAR THE GREENHOUSE - DAY

Keith, Bowie, Abby, and Maria sit under a tree.

KEITH

So Walker and that Jess girl, think it'll work?

ABBY

Maybe, they do look good together.

MARIA

Maybe we should ask Walker about her.

VOICE

So what do you want to know?

Keith, Bowie, Abby, and Maria turn around to see Walker standing behind them.

ABBY

Walker we were just-

WALKER

Talking about me?

ABBY

Uh yeah.

Walker sees the partially guilty look that has come over Abby's face.

WALKER

It's okay.

Bowie notices Walker holding the cactus.

BOWIE

What's with the cactus?

WALKER

Jess said that if I can make a flower bloom on this cactus in a week, she'd agree to go out with me.

MARIA

Think you can do it?

KEITH

Maria, this is Walker we're talking about. Of course he can do it.

WALKER

Thanks Keith.

The warning sound goes off on the Wand Morphers.

BOWIE

It appears to be down by the docks.

KEITH

Well then, we've gotta go.

The Rangers rush off.

FADE OUT.

FADE IN:

EXT. A SHIPYARD - DAY

Workers run away from a platoon of Infelshias lead by a Command Infelshia. Two Infelshias grab one worker and throw him to the ground. The Command Infelshia walks up to the worker carrying a strange vase.

COMMAND INFELSHIA

You should be happy, now you'll gain
more strength than your puny human body
ever could.

The Command Infelshia starts to open the vase. As it holds the lid an inch over the vase, two yellow beams are shot at a couple of Infelshias. The Infelshias fall to the ground.

BOWIE

Garuda Crossbow!

Bowie (morphed) comes in with his crossbow drawn and aimed. He fires a couple of shots at the Command Infelshia, which cause the vase to go flying. Bowie and the other Rangers (all morphed) land and confront the Infelshias. Walker still holds the cactus. Maria turns around to face the worker.

MARIA

You okay?

The worker nods.

MARIA

You better run.

WORKER

Thanks.

The worker runs for his life.

COMMAND INFELSHIA

Curse you Rangers!

Bowie puts his crossbow away, and strikes a pose. Abby strikes a pose, then Keith, and then Maria. Walker puts a better grip on the cactus. The other Rangers look over at him.

COMMAND INFELSHIA

Attack!

The Infelshias charge at the Rangers.

KEITH

Let's go!

Keith starts off by fighting some Infelshias. Bowie and Abby take on their own groups of Infelshias. Keith draws his sword and takes on the Command Infelshia. In his own area, Walker tosses up the cactus, and fights the charging Infelshias. He catches the cactus when it falls to him. An Infelshia attacks Walker, but Walker is able to dodge all attacks, even with the cactus in hand. Keith gets a good hold onto the Command Infelshia and looks over at Walker.

KEITH

Walker, why are you still holding onto the cactus?

Walker laughs for a second, and tosses up the cactus, He then elbows two Infelshias that are coming up behind him. Walker catches the cactus when it comes back down.

WALKER

Well I am supposed to take care of it, for the next week.

Bowie fights some Infelshias, which fall to the ground. Bowie looks over at Walker.

BOWIE

Don't be ridiculous. Put it down somewhere.

Bowie then goes on to fight more Infelshias. Walker tosses the cactus up again, and fights some more Infelshias. Once the Infelshias have been taken care of, he jumps up and catches the cactus.

WALKER

Great catch Walker.

Walker does a flip in the air, and lands beside some barrels. He sets the cactus down on the barrels.

WALKER

Just wait here a minute.

He pets the top of the cactus with one of his fingers. As Walker runs back to the fight, a being comes out of the vase, which rests behind the barrel Walker puts the cactus on. The being flies up to the cactus, and absorbs itself into the cactus. The Rangers continue to fight and finish off the Infelshias. All five jump up.

ALL RANGERS

Five-mage kick!

Each Ranger extends a foot. The Rangers deliver a flying kick to the Command Infelshia. The kick makes contact, and the Rangers land. The Command Infelshia flies back, falls down, and explodes.

KEITH

We did it!

BOWIE

But what were they doing?

KEITH

Doesn't matter. We won. Right Walker?

Walker runs up to the cactus. The other Rangers turn around to see him. Walker picks up the cactus.

WALKER

Good, you're safe.

FADE OUT.

FADE IN:

INT. PROF. FIREBIRD'S OFFICE - DAY

PROF. FIREBIRD, Keith, Bowie, Maria, and Abby stand around.

KEITH

Well we defeated the Infelshias and the
Command Infelshia.

PROF. FIREBIRD

Good.

BOWIE

But I'm still wondering what exactly
they were doing.

PROF. FIREBIRD

What do you mean?

BOWIE

This can't be a random occurrence. They
must've been there for a reason.

MARIA

The only question is, what?

PROF. FIREBIRD

Well, as always it is your job to
figure that out. By the way where is
Walker? Usually he would be here right
now.

ABBY

I don't know. All he said was that the
four of us should go on ahead here.

KEITH

He could be in the greenhouse tending
to that cactus.

PROF. FIREBIRD

What cactus?

BOWIE

One of the Taurus prefects said the
she'd go out with him, he we was able
to make a flower bloom on her cactus.

PROF. FIREBIRD

Since when does he like Jess?

KEITH

He's had a crush on her since our first year.

PROF. FIREBIRD

It is sweet, that he finally decided to enact upon it. I wish him well.

ABBY

Maybe we should go to the greenhouse to check up on him.

INT. THE GREENHOUSE - DAY

Walker enters carrying the cactus, and Drake in his pot. Walker sets down both Drake and the cactus. He then pulls out a bag of potting soil, and a medium sized plastic container. With a spade, Walker scoops out some soil and puts it into the container. The other Rangers come in, as Walker puts on a pair of earmuffs. Walker then pulls Drake out of his pot. Drake lets out a great scream. The other Rangers cover their ears, and fall to the ground because of the scream. Walker then places Drake in the container, along with the soil that was in Drake's pot. Once Drake has been transplanted he stops his scream.

ABBY

Thank goodness that's over.

Walker then transplants the cactus from its small pot to Drake's much larger pot. He then fills the rest of the pot with some more soil. With a spray bottle, Walker waters the cactus.

WALKER

There you go Lil' Jess.

MARIA

He named the cactus after that girl?

KEITH

Apparently.

Drake watches Walker with the cactus.

DRAKE

Walker, why'd you do it? Why'd you give that thing my pot?

Drake starts crying, and manages to turn himself around.

FADE OUT.

FADE IN:

INT. MECHANOS' LAIR - DAY

MECHANOS paces around.

MECHANOS

So the Rangers manage to get in the way
yet again?

He turns to NIGHT and MARE.

NIGHT AND MARE

Yes sire.

NIGHT

By the time we got to where the Command
Infelshia was, the container was empty.

MARE

The Rangers probably did it.

Mechanos turns around.

MECHANOS

Wolzard! Get over here!

WOLZARD walks up to Mechanos.

WOLZARD

Yes sire?

MECHANOS

I thought you finished off those
accursed Rangers?

WOLZARD

You would think that would you not?

MECHANOS

And what was that supposed to mean?

WOLZARD

I would have finished off the Rangers,
but something got in my way.

Night and Mare continue to shake the vase.

NIGHT

Where did the poltergeist go?

MARE

It has to be possessing something else,
by now.

INT. WALKER'S ROOM - NIGHT

Drake sits in his pot on Walker's desk. The cactus sits on the nightstand beside Walker's bed. Walker sleeps soundly in bed, and talks in his sleep.

WALKER

Jess see, I did it! How about now?...Oh
Jess I love you too.

Walker continues to ramble. Drake turns himself around to see Walker sleeping in bed and the cactus on the nightstand.

DRAKE

Walker how could you? How could you
take me out of my pot and give it to
that stupid cactus?

Drake starts to cry. He then hears a strange noise and pops up. Tentacles extend from out of the cactus and grab various objects, like a few vials of the green plant potion Bowie gave Walker, and a few books. The tentacles bring the objects closer to the main body of the cactus. The main body opens up and swallows the objects that are grasped by the tentacles. The main body of the cactus grows much larger.

DRAKE

(EXCITEDLY)

Walker! Walker! Walker! Get up!

Walker wakes up.

WALKER

What is it Drake?

DRAKE

The cactus, it just ate a bunch of
stuff.

WALKER

Drake, do you have any idea what time
it is?

DRAKE

I'm not joking. I saw it.

Walker grabs his Wand Morpher and converts it to wand mode.

WALKER

Solas!

A small ball of light extends out of the tip of the wand. Walker looks over at the cactus, and notices its size.

WALKER

YES!!!! It's tripled in size. It's only a matter of time until a flower blooms.

DRAKE

But-

WALKER

No buts. You were probably just dreaming. Now go back to sleep.

Walker converts his Wand Morpher back to phone mode, and closes the phone. He lies down in bed again and falls asleep.

FADE OUT.

FADE IN:

INT. THE MAIN HALL - MORNING

The Rangers sit at the Taurus table having breakfast. Both the cactus and Drake sit with them. Keith, Bowie, Abby, and Maria take a good look at the cactus.

KEITH

It really got big since yesterday.

WALKER

I know. Isn't it a testament to my plant growing abilities?

ABBY

But how'd it get so big so soon?

WALKER

It's all the TLC that I've been putting into it.

BOWIE

There is no way, with or without potions that thing could've gotten that big that fast.

WALKER

You're just like Drake right now.

BOWIE

What?

WALKER

You're jealous of my ability with growing plants, just like Drake's jealous of all the time that I've been spending with Lil' Jess here.

MARIA

Is that true Drake?

DRAKE

Why would I be jealous of a cactus? That thing got that big because it ate few vials of a potion of some of Walker's books. It's possessed I tell you. Possessed!

WALKER

There you go with your "the cactus is possessed" gibberish again. Drake even woke me up last night at like three because he had some bad dream.

DRAKE

It wasn't a dream.

All of the Rangers have their backs turned to the cactus while looking at Drake. A tentacle from the cactus grabs a roll from a basket on the table. Drake notices.

DRAKE

Look it's eating a roll right now.

The Rangers turn around to see nothing but the cactus. They turn their attention back to Drake.

WALKER

Drake!

DRAKE

I saw it with my own eyes.

ABBY

He sounds like he's still dreaming.

DRAKE

Am not!

Another tentacle from the cactus grabs a bottle of milk that is sitting near it. The tentacle raises the bottle and drinks the milk.

DRAKE

Look it's doing it again!

The Rangers turn around again, to see nothing, again. The Rangers then look at Drake again.

WALKER

Drake!

DRAKE

It drank an entire bottle of milk.

WALKER

I think it's time for you to go back into my room.

DRAKE

No, I swear I saw it.

Another tentacle grabs a plate with a sunny-side up egg and a slice of ham. The tentacle drops the food from the plate into the main body of the cactus.

DRAKE

It's doing it again!

ALL RANGERS

Cut it out!

Walker grabs Drake.

WALKER

Look-

Walker looks over at the cactus, and sees a flower blooming out of it.

WALKER

It bloomed. It actually bloomed! And I did it in only a day! Prof. Roots should let me teach herbology now.

Walker puts down Drake on the table, walks over to the cactus and picks it up.

WALKER

I gotta go show Jess this right now.

Walker rushes out of the hall. He runs throughout the halls of the castle until he finally finds Jess. He holds the cactus behind his back.

WALKER

Jess, Jess there's something you gotta see.

JESS

Walker, there's something I need to tell you.

WALKER

What is it?

JESS

You go first.

He shows Jess the cactus.

JESS

What?! You actually got a flower to bloom?

WALKER

And in only a day. Isn't it great? What did you want to tell me?

JESS

I did some research and I found out that the species of cactus that I have doesn't grow flowers.

WALKER

What?

JESS

Walker, I'm sorry. I didn't mean for this to happen, but it did.

WALKER

You tricked me.

JESS

I didn't mean to.

Walker starts to leave the room in disgrace.

JESS

Walker, Walker...

FADE OUT.

FADE IN:

EXT. A RIVER BANK - DAY

Walker still holding the cactus sits down. He stares at the cactus.

WALKER

Why Jess, why?

In the distance the other Rangers watch Walker.

ABBY

I feel kinda bad for Walker right now.

BOWIE

But why did a flower bloom actually bloom on it, when Jess said that it couldn't?

MARIA

Do you think there's any truth to what Drake was saying? About the cactus being possessed.

KEITH

But what could possess it?

BOWIE

Who knows?

Keith walks up to Walker, and sits down beside him.

KEITH

Walker, isn't it about time that you got rid of that thing?

WALKER

No. Besides it's Jess' cactus anyway.

KEITH

Then give it back to her.

WALKER

I can't face her right now. Not after what she did.

The main body of the cactus opens up. Walker looks down at it.

KEITH

What the-

Walker tosses the cactus to the ground. Tentacles sprout out of it, and it walks up to a tree. The cactus then eats the entire tree, and becomes big enough that it comes out of the pot. Once out of the pot, the cactus then becomes some kind of cactus-like monster. The monster runs away. The Rangers soon follow it. They chase after the monster for a while until they hear the cackle of two girls. They look up to see Night and Mare sitting in a tree. A small platoon of Infelshias appears.

KEITH

Night, Mare!

BOWIE

What is that thing?

NIGHT

Isn't it obvious?

MARE

It's a monster.

NIGHT

But not just any monster, it's a poltergeist.

MARE

Usually a poltergeist possesses humans, but because the five of you got in the way it possessed a plant.

In the distance Jess wanders aimlessly trying to find Walker.

JESS

Walker, Walker!

The cactus monster comes up to Jess. Jess sees the monster and lets out a scream. Walker hears the scream.

WALKER

That's Jess.

Walker runs away to try to find Jess. Night and Mare see Walker run off.

NIGHT

Oh well.

MARE

Get them!

The Infelshias attack, and Keith, Bowie, Abby, and Maria fend them off for a second. The four Rangers pull out their Wand Morphers in wand mode.

KEITH, BOWIE, MARIA, AND ABBY
Magix metamorphosis! Arthraigh, duine,
marbhan!

They morph. In a separate area Walker tries to find Jess.

WALKER
Jess! Jess!

Walker pulls out his Wand Morpher and converts it to wand mode.

WALKER
Forest; point me in the direction that
Jess is in. Teicniocht, duil!

Walker casts a spell on the forest. The trees bend and point in the direction of where Jess is. Walker runs in that direction. In a separate area Jess runs for her life away from the cactus monster.

JESS
What is this thing?

Walker continues to try to find Jess, but he cannot seem to find a lead. A tree branch points him in the right direction. He follows it. Walker continues to look for Jess and every tree in the forest is pointing him into the right direction. Further ahead of Walker Jess is still being chased by the cactus monster. She runs a little more, and trips. The monster catches up to her. Just as the monster is about to get her, Walker jumps in and attacks the monster.

WALKER
Don't lay a hand on her!

JESS
Walker?

Walker pulls out his Wand Morpher in phone mode. He stalls for a minute.

WALKER
Jess, run. I'll take care of everything
here.

JESS
Are you sure?

WALKER

C'mon you know I'm the Green Ranger.

JESS

Oh yeah. But there's something I'm wondering.

WALKER

What?

JESS

Why did you come save me?

WALKER

What do you mean?

JESS

Even after I tricked you like that, you still chased after the monster to save me, why?

WALKER

I know you didn't mean to trick me like that. You didn't know about that cactus, and frankly, neither did I. So let's just forget about it.

Jess gets to her feet.

JESS

Oh Walker.

She gives him a big hug.

JESS

How about we talk about that date later, after you've defeated the monster.

WALKER

Really?

JESS

Yes. Now go defeat the monster.

WALKER

Will do.

Walker converts his Wand Morpher to wand mode.

WALKER

Magix metamorphosis! Arthraigh, duine, marbhan!

Walker morphs. He turns around to Jess.

WALKER

Now run.

Jess nods and runs away. The monster fires its needles at Walker, but they do nothing.

WALKER

Hey ugly, up here!

Walker jumps out of a tree, and lands a flying kick on the monster. Walker lands and draws his Wand Staff.

WALKER

Minotaur Axe!

He converts the staff into the axe. He turns the axe upside down. The emblem on the handle glows.

WALKER

Forest give me your power. Draiocht,
duil!

The trees rustle a little bit. Walker turns his axe right side up again and green energy waves absorb into the axe.

WALKER

Mega Minotaur smash!

Walker hits the ground with the axe. A green energy line comes out of the axe onto the ground, and hits the monster. The monster falls down. The other Rangers (morphed) come up to Walker.

KEITH

Walker!

BOWIE

What? He finished it on his own?

WALKER

That's what a man in love can do.

MARIA

You mean despite the unpleasantness she gave you, you still helped her? That's amazing.

ABBY

Aw that's so sweet.

KEITH

Walker!

Walker turns to face Keith.

KEITH
You're a bigger man than I am.

WALKER
Really?!

WOLZARD
(V/O)
Halosis, gangalos, meros!

A black magic circle forms over top of the monster. The circle passes over the monster causing it to grow to gigantic size. The Rangers look up at the monster.

ABBY
Oh man.

BOWIE
Well at least we've got a certain something back.

KEITH
That's right we have the power of the Megazord.

WALKER
Let's go!

The Rangers convert their Wand Morphers to wand mode.

ALL RANGERS
Magix Zord Metamorphosis! Arthraigh,
duine,

The Rangers morph to Zord Form.

ALL RANGERS
Magix Megazord formation, arthraigh,
teicniocht, duine, teaghlaim!

The Zords combine to form the Magix Megazord. The monster fires its needles at the Megazord, but the Megazord shields itself with its wings. The wings fold back, and the Megazord charges at the monster. The Megazord punches the monster with its right hand.

KEITH
Draiocht, duine, arm!

The X-Caliber Sword forms in the Magix Megazord's right hand. The Megazord slashes at the monster a few times. The monster falls down.

KEITH

I've forgotten how amazing the
Megazord's power was.

In the cockpit of the Megazord the pawns rearrange
themselves.

WALKER

It's a new spell I can feel it!

MARIA

Well let's see what this new spell is.

The pawns arrange themselves into a reverse "V" pattern.
Going from left to right is Bowie, then Maria, then Walker,
then Keith, and finally Abby.

ALL RANGERS

Teicniocht, duine, ionsaigh!

Outside the Megazord casts a Magix circle by the monster's
feet. The circle rises expelling the poltergeist within the
cactus.

KEITH

So that's what possessed the cactus.

The Megazord casts a Magix circle in the air.

ALL RANGERS

X-Caliber Magix Slash!

The Megazord's wings extend, and the Megazord slashes the
circle. The slash hits the poltergeist destroying it.

ALL RANGERS

Checkmate!

FADE OUT.

FADE IN:

EXT. THE GROUNDS OF MAGIX - EVENING

Walker and Jess walk around together. Jess is holding her cactus, which is back to its original size, and is in its original container. Both Walker and Jess seemed very wrapped up in each other. The other Rangers watch from a distance.

KEITH

So this is it?

BOWIE

I guess so.

ABBY

Aw...they look like they're getting along with each other quite well. Let's hope that this leads to something more someday down the road.

MARIA

What do you mean?

ABBY

I think you know.

The other Rangers continue to observe Walker and Jess.
