"POWER RANGERS MAGIX: EPISODES 38, & 39 - CHECKMATE"

FADE IN:

INT. THE MAIN CHAMBER OF THE LAIR - DAY

DEMOS stands in front of the throne as ASGARD, DRAGONAS, MECHANOS, and MUMANKAMON kneel before him. Demos takes a look at his body.

DEMOS

Excellent, just excellent! I thank you Asgard for being able to revive me in this form.

ASGARD

You flatter me my lord with your compliment.

DEMOS

As the four of you are well aware, the time is at hand to destroy the surface world once and for all, and rule the barren wasteland that it will become. However the Rangers will prove to be a nuisance.

MUMANKAMON

As they have been for us all in the past.

MECHANOS

What are you planning master?

DEMOS

I want you all to attack the Magix castle to lure the Rangers out. Use whatever you need. And I do not care how many Infelshias you use to do it either.

ASGARD

Yes my lord.

DRAGONAS

Finally I will be able to crush the Rangers.

ASGARD

Patience Dragonas.

DEMOS

Yes just be patient. You will get your
chance with the Rangers soon enough.
Besides we do need to make this attack
as much of a surprise as possible.

DRAGONAS

As you command Lord Demos.

FADE OUT.

FADE IN:

INT. A ROOM WITHIN THE MAGIX CASTLE - DAY

ZEV stands in the room seemingly talking to no one.

MALE VOICE 1

Zev my boy what are you here for?

ZEV

I am here to ask about Demos.

MALE VOICE 2

What exactly about Demos?

ZEV

He has been revived, but not in a form that I have ever seen before.

MALE VOICE 1

That is because when he was revived when you were the Crimson Mage he was not fully formed. This current revival is his ultimate form, the form that the five of us defeated all those years ago.

MALE VOICE 3

It was terribly difficult, but we somehow managed to do it.

FEMALE VOICE 1

However you should take this warning into consideration.

ZEV

What warning?

FEMALE VOICE 2

In his ultimate form Lord Demos has a terrible secret power, which may render the Rangers' magic useless.

ZEV

What exactly is this power?

FEMALE VOICE 2

We will not speak of it, however that is to say that you should not take it lightly.

MALE VOICE 1

However Zev I do think it would be a good time to teach your son the special sword technique that has been passed down from Crimson Mage to Crimson Mage for generations.

ZEV

If you think it is a good idea.

MALE VOICE 1

Of course it is a good idea, that technique could be the difference between Demos ruling the Earth, and Demos being sealed once again.

ZEV

Very well I will go find Keith right now.

Zev turns around and starts to leave the room.

MALE VOICE 1

And Zev...

Zev stops and turns around.

ZEV

Yes?

MALE VOICE 1

Do not forget to tell your son the words of wisdom that I told you one hundred years ago.

ZEV

I will.

Zev turns around again and heads out of the room.

FADE OUT.

FADE IN:

INT. THE MAIN HALL - DAY

KEITH, WALKER, BOWIE, MARIA, ABBY, and SAMSON sit at the Firebird House table.

WALKER

So when does everyone think the attack could happen?

BOWIE

Can't say.

MARIA

It really could happen at any time.

ABBY

I just want it to happen now, so we can get it over with.

SAMSON

Keith you've been pretty quiet, what do you think?

KEITH

I don't know, I just don't know.

NOCHE walks into the hall and approaches the Rangers.

NOCHE

Rangers, I just want to extend a bit of luck to you all for what will be coming up.

KEITH

Thanks professor.

NOCHE

Demos was difficult to defeat for the other Mages and I one hundred years ago, but we never had to deal with the ultimate form. I wish I could offer some advice, but I cannot. However I do wish the eight of you the best of luck in defeating him.

WALKER

Thanks professor. We all know that you and the other teachers have our best interests in this thing.

Zev walks into the hall and up to the Firebird table.

ZEV

Keith there is something that I need to do with you right now.

KEITH

What?

ZEV

You will see soon. Actually this is something that is for you and only you to know. So if you do not mind...

Keith gets up and goes over to his father. Zev and Keith start to leave the hall. Noche catches up and pulls Zev aside.

NOCHE

Zev, are you going to show Keith what I think you are going to show him?

ZEV

I am.

NOCHE

Do you think that Keith can handle such a thing?

ZEV

In his time as the Crimson Mage Keith has proven himself worthy of anything that should come his way. After all he is his father's son.

NOCHE

Very well. I was just a little concerned that there could be the chance that things might not turn out the way they did one hundred years ago.

ZEV

Do not worry Oscuro. I am sure the Rangers can handle it.

Zev and Keith continue their way out of the hall.

FADE OUT.

FADE IN:

EXT. THE GROUNDS OF MAGIX - DAY

DONOVAN rakes some grass clippings off of an open area. Zev leads Keith toward the area. Donovan sees them and leaves the area. Zev continues to lead Keith until finally stopping.

KEITH

Okay what exactly are you going to show me?

ZEV

It is an ancient sword technique that has been passed down from generation, to generation in our family.

KEITH

But why do it now, why not after you were freed from Wolzard?

ZEV

Now is the more appropriate time. Now morph.

Keith takes out his morpher and dials "1, 0, 6".

KEITH

Arthraigh, duine, marbhan!

Keith morphs in a flash of red light. Zev takes out his morpher and dials "1, 0, 0, 6".

ZEV

Arraghey, pyagh, pyagh, shlig!

Zev morphs in a flash of red light. He draws his sword from his shield.

ZEV

Chagnys, slat, arm!

A duplicate of Zev's sword forms in his left hand.

ZEV

Now draw your sword.

Keith takes out his Wand Staff, and converts it into the Phoenix Sword.

KEITH

So what exactly are you going to show me?

ZEV

Our ancestor Ignatius perfected this sword technique. When used properly this technique can create a miracle. Now prepare to learn the Final Blade.

Zev puts his right foot out in front of his left. He holds the sword in his left hand up vertically, and crosses the sword in his right hand over top of the sword in his left. Zen then starts to slowly bring back both swords to his right side, until he holds the left hand sword in front of him, and the right hand sword drawn back and pointed up vertically.

KEITH

The Final Blade, huh?

ZEV

Yes. The Final Blade is when a warrior is at the end of his battle. It will test your power, and should you succeed a miracle will happen when things may seem to be at their darkest. Now give me all that you have.

Keith holds up his sword, but pauses for a few moments.

ZEV

What is wrong?

KEITH

Nothing.

Keith jumps up.

KEITH

Duine, duine, duine, duil! Phoenix
Crash!

Flames engulf Keith's body in the form of a phoenix and Keith flies toward Zev. When Keith gets near Zev, he slashes at Keith with his right hand sword, and then slashes at Keith again with both swords. Keith flies back and falls to the ground unmorphed. Zev powers down, and walks over to Keith.

ZEV

Good try. Did you take note in the movement of my swords?

KEITH

I think I got it. Why?

ZEV

That was the set up of the technique, however you need to focus your power if you want to overcome anything that comes your way. Understood?

KEITH

Yes dad.

ZEV

There are two more things that you must know.

KEITH

What?

ZEV

First, if things may seem to be at their darkest, never lose hope; never lose your courage, because without either you will have nothing.

KEITH

And second?

ZEV

No matter what happens, you are your father's son.

Zev extends his right hand down to help Keith up. Keith takes it and Zev pulls Keith up. The sound of marching can be heard in the distance. As the marching gets louder a massive platoon of Infelshias approaches the castle. Numerous Command Infelshias are mixed into the group. Mechanos, Mumankamon, and Dragonas oversee everything. Zev sees what is going on.

ZEV

It is starting to happen. Quickly back into the castle.

Zev and Keith rush toward the castle as the Infelshias continue to march toward it.

FADE OUT.

FADE IN:

INT. A ROOM WITHIN THE LAIR - DAY

NIGHT and MARE stand around.

MARE

Looks like this is it.

NIGHT

Yes, we might actually win it this time. But...

MARE

What?

NIGHT

If the Rangers were good for anything it was that they always spoiled our plans.

MARE

Keep it down. Demos might hear you.

NIGHT

You know what let him hear. I don't know about you, but if the Rangers defeat him I don't want to be trapped underground again for another hundred years.

MARE

Are you saying that we should join the Rangers?

NIGHT

Of course not.

MARE

Then what are you saying?

NIGHT

That it might be a good idea to make ourselves scarce when and if the Rangers seal everyone underground.

MARE

But how sure are you about it.

NIGHT

I don't know.

From out of nowhere an odd looking book flies into the room and hits Mare in the head.

MARE

Ow!

The book falls to the ground. Night picks it up and looks at it.

NIGHT

I can't believe it.

MARE

What?

NIGHT

It's the Canon of Prophecy.

MARE

But I thought that was lost for centuries.

NIGHT

It must have been flying around deep within the lair for all that time, but why has it come here and now?

MARE

Who knows?

Night starts to thumb through the pages of the Canon.

MARE

What's it say?

NIGHT

That my little plan is definitely going to be a good idea.

MARE

Then let's do it!

Night and Mare start to laugh a little maniacally.

FADE OUT.

FADE IN:

INT. PROF. FIREBIRD'S OFFICE - DAY

PROF. FIREBIRD paces around as Walker, Bowie, Maria, Abby, and Samson enter.

PROF. FIREBIRD
Where are Keith and Zev?

WALKER
Zev was going to show Keith something,
why?

PROF. FIREBIRD
We need Keith here now.

Keith and Zev enter the office.

KEITH
What's going on?

PROF. FIREBIRD
As you are all aware the castle is
about to come under attack. Now for
safety's sake, I have sent the other
students home. The teachers, Donovan,
and Madame Nightingale are still here,
because there is no telling what kind
of services we might need from them.
Especially from Madame Nightingale.
However to protect the castle I need
the mages to cast a Magix circle as a
barrier. So can I count on the five of
you?

WALKER
Of course.

ABBY
Absolutely.

MARIA
Don't worry about it.

BOWIE
You can count on me.

KEITH
Let's do it.

PROF. FIREBIRD

Excellent. Now we must all get outside. Zev, Samson and I will try to fend off everything that is coming toward the castle while you cast the circle. However there is a chance that the magic of the circle could wear out.

KEITH

Then that's a risk we'll have to take.

PROF. FIREBIRD

Good now let us all get outside.

FADE OUT.

FADE IN:

EXT. THE GROUNDS OF MAGIX - DAY

The Infelshias continue to close in and surround the castle. Keith, Walker, Bowie, Maria, and Abby (in regular Ranger form) stand before the castle behind Samson, Zev, and Prof. Firebird (all morphed). Samson, Zev, and Prof. Firebird also have their weapons drawn waiting for incoming attacks. Keith, Walker, Bowie, Maria, and Abby create balls of magic in their colors, which fly up above the castle and take the form of the Magix House symbols. The five symbols arrange themselves into the positions they are in on the Magix circle, and an "M" symbol forms in the middle of the House symbols. A line comes out of the Firebird symbol and goes into the other symbols to form a pentagram. Once the pentagram has been formed the rest of the Magix circle appears. The sides of the circle extend to the ground covering the castle. Keith, Walker, Bowie, Maria, and Abby turn their attention to incoming army. Keith, Walker, Bowie, Maria, and Abby draw their Wand Staffs, and Keith, Walker, and Bowie convert theirs into their signature weapons.

PROF. FIREBIRD

Do not let any of them get near the barrier!

KEITH

We won't.

WALKER

After all there's more at stake than just losing the castle.

BOWIE

Besides we've fought Infelshias before.

MARIA

But never this many Bowie.

ABBY

Either way we'll do it, right Samson?

SAMSON

Of course. We've got to see this out so we can graduate.

ZEV

Rangers, keep in mind that with the barrier cast we cannot go back into the castle or it will lose its power. Now let us destroy them.

All eight of them charge at the incoming horde. Keith swipes at numerous Infelshias with his sword and they all fall down, but more and more keep coming in. Keith jumps up.

KEITH

Duine, duine, duine, duil! Phoenix
Crash!

Flames engulf Keith's body in the form of a phoenix. Keith flies through the crowd of Infelshias destroying them as his attack hits them. Keith gets back to his feet and starts to fight more Infelshias with his sword. In another area Walker fights against a great incoming horde of Infelshias. Like Keith he is able to slash at them with his axe, but more keep coming in.

WALKER

Teicniocht, duil! Minotaur Smash!

Walker raises his axe up and brings it down to the ground vertically. A green line makes its way on the ground to where the Infelshias are. When the line hits the Infelshias they fall down defeated. More Infelshias continue to come at Walker. In another area Bowie fires numerous shots at the Infelshias from his crossbow.

BOWIE

Teicniocht, marbhan! Garuda Thunder!

Bowie powers up his crossbow and fires numerous shots at the Infelshias, and they fall down defeated. More Infelshias come at Bowie. In another area Maria strikes Infelshias with her Staff, and manages to defeat some.

MARIA

Duine, teicniocht! Mermaid Splash!

Maria aims the emblem on her staff at the Infelshias and a high-powered jet of water shoots of the staff hitting the Infelshias, knocking them down defeated. More Infelshias come at Maria. In another area Abby hit Infelshias with her staff. Abby eventually manages to get some space between her and the Infelshias.

ABBY

Arthraigh, marbhan!

Abby waves her staff in a circular motion and changes herself into a pink electric fan.

ABBY

Fairy Storm!

The blades on the fan start to turn and release a high-powered burst of wind. The wind knocks the Infelshias down, and Abby returns to normal. More Infelshias come at Abby. In another area Samson fires shots from his Lamp Blaster. He rubs the Blaster a little and releases some high-powered shots the home in on the Infelshias, knocking them down. Samson then rubs the Blaster until a click sound is heard.

SAMSON

Ars, scipio, natura!

CESHIRE pops his head out of the Blaster.

CESHIRE

Claw Attack!

Samson fires Cheshire at the Infelshias and Cheshire claws at them destroying them. Cheshire returns to the Blaster as more Infelshias come toward Samson. In another area Prof. Firebird is able to fend off numerous Infelshias.

PROF. FIREBIRD

Teicniocht, solas!

Prof. Firebird extends her Ice Lance forward and freezes the Infelshias before her.

PROF. FIREBIRD

Teicniocht, duil, ionsaigh!

Prof. Firebird fires numerous ice darts at the Infelshias that she froze, and they break apart. More Infelshias come at her. In another area Zev fends off the incoming Infelshias by slashing at them with his sword, and blocking any incoming attacks with his shield.

ZEV

Chagnys, pyagh, slat!

The panel on Zev's shield opens up and a Howling Wolf attack is launched at the incoming Infelshias. Zev raises his sword.

ZEV

Chagnys, soiagh, cooid!

Flames gather on Zev's sword, and he lowers it down to perform a vertical slash. The flames fly off of the sword and hit more Infelshias destroying them. With that group of Infelshias defeated, all of the Infelshias have been destroyed. Mumankamon starts to clap a little bit, as he Mechanos and Dragonas walk up to the Rangers.

MUMANKAMON

Excellent work Rangers, but you better not have used up all your energy defeating the Infelshias.

MECHANOS

After all you still have us to deal with.

DRAGONAS

And we won't be as easy as those Infelshias.

A green energy starts to go over Dragonas' body. The energy causes Dragonas' wings and neck to extend out. Dragonas flies up and fires a ball of energy from his mouth at the Rangers. The ball hits the ground and the Rangers jump out of the way of the explosion. The sky darkens as the warning sound goes off. Keith takes out his morpher.

MUMANKAMON

Good, Asgard is now attacking the city. You better hurry up Rangers or it'll be destroyed.

PROF. FIREBIRD

Keith, you, Walker, Bowie, Maria, and Abby go take care of Asgard. Your father, Samson and I will combat these three.

Keith, Walker, Bowie, Maria, and Abby rush off. Dragonas lands beside Mechanos and Mumankamon.

DRAGONAS

How do we want to do this?

MUMANKAMON

I have a score to settle with the Solaria Ranger.

MECHANOS

And I want to teach Wolzard a lesson for switching sides.

DRAGONAS

Fine by me, I'll take anything.

The three of them start to close in on Samson, Zev, and Prof. Firebird

FADE OUT.

FADE IN:

EXT. DOWNTOWN GANDALF CITY - DAY

Explosions occur, and numerous buildings get destroyed as a gigantic Asgard rides through the city on a chariot pulled by two horses that resemble the Valkyriezord. People run away in fear of what is going on as Asgard continues to destroy the city. The Legend Megazord appears.

WALKER

We can't allow you to destroy the surface anymore.

ASGARD

Very well Green Ranger, if you do not want me to destroy the surface. I will just have to destroy you and the other Rangers!

The two horses that are pulling the chariot charge at the Legend Megazord.

ABBY

Not going to happen!

BOWIE

Let's do it guys!

MARIA

Agreed.

KEITH, WALKER, BOWIE, MARIA, AND ABBY

Legend Spear power up!

The Legend Spear spins in the Legend Megazord's hands. Flames from the Legend Megazord's wings start to gather around it. Once the flames have finished gathering the Legend Megazord aims the spear at Asgard.

KEITH, WALKER, BOWIE, MARIA, AND ABBY

Fire Screw Attack!

The attack is fired at Asgard destroying the chariot. Asgard jumps through the flames and slashes at the Legend Megazord. The Legend Megazord takes the hit and falls back a little.

ASGARD

You Rangers may have the enthusiasm, but you lack any real power. Now have a taste of the strongest member of the Decadal.

Asgard aims his sword at the Legend Megazord.

KEITH

I've fought him before and lost. But
this time he's going down!

Asgard slashes at the Legend Megazord a few times. The Legend Megazord takes the hits and falls back a little. Asgard then throws his sword at the Legend Megazord, and it flies out at it hitting the Megazord several times.

ABBY

He's too strong.

WALKER

C'mon Abby hang in there.

MARIA

I don't know about that Walker.

BOWIE

This could be it for us.

The Legend Megazord falls down.

KEITH

Need to keep going. Have to bring up my
power just a little bit...

The Legend Megazord gets back to its feet. Asgard holds out his lance.

ASGARD

Time to finish the five of you once and
for all.

Asgard jumps up and starts to fly toward the Legend Megazord. He spins as he moves closer to the Megazord. Asgard hits the Megazord and blue lightning bolts go over it. The Legend Megazord disappears and Keith, Walker, Bowie, Maria, and Abby fall to the ground unmorphed. Asgard comes down to them in human size.

ASGARD

Pathetic Rangers, did you really think
you could defeat me? Especially after
you lost to me that first time Red
Ranger?

Keith, Walker, Bowie, Maria, and Abby get to their feet.

ASGARD

What do you Rangers have that I do not?
Please enlighten me, because I would
like to know.

The Rangers do not answer.

ASGARD

Such insolence. However it does not
matter because the five of you will be
destroyed one way or another.

The sky darkens. Asgard notices.

ASGARD

It appears that I will not be the one
to finish you off. So goodbye Rangers!

Asgard disappears as the sky continues to grow darker.

FADE OUT.

FADE IN:

EXT. THE GROUNDS OF MAGIX - DAY

The barrier on the castle continues to hold up as Samson fights Mumankamon, Zev fights Mechanos, and Prof. Firebird fights Dragonas. With his fan converted into his staff, Mumankamon slashes at Samson numerous times, which causes Samson to fly back a few feet, and land on the ground. Mumankamon slowly starts to close in on him.

MUMANKAMON

So where is this power of the sun that you used last time to defeat me?

SAMSON

Uh...

Mumankamon looks up at the sky and sees how dark it is.

MUMANKAMON

I'll tell you; with Demos blocking the sun your powers are now useless. Even if you were to become that Solar Mage thing you were it probably wouldn't do you any good.

SAMSON

Well there's only one way to find out.

Samson gets back to his feet and takes out his morpher and "solar mage" card.

SAMSON

Sunlight metamorphosis! Abeo, equus, natura!

Samson punches the card, but nothing happens.

SAMSON

What?

MUMANKAMON

I told you no sun, no power.

Mumankamon converts his staff back into his fan. He aims the fan at Samson.

MUMANKAMON

Halosis, thursos, meros, labhe!

Mumankamon fires a blast of darkness at Samson. Samson takes the hit and falls down to the ground unmorphed. Samson struggles to get back to his feet. Zev turns his head away from his sword fight with Mechanos for a second.

ZEV

Samson, are you all right?

SAMSON

I'll think I'll be fine.

ZEV

Good, just hang-

Mechanos gives Zev a hard slash from his sword. Zev falls down, and tries to get back to his feet.

MECHANOS

Is that really all you have Wolzard? I thought you were a much better warrior than this. Maybe switching sides has made you soft.

ZEV

You will not succeed Mechanos.

MECHANOS

Really? If what you're showing me is any indication, then maybe I am going to win.

Mechanos powers up his sword and launches a high-powered slash at Zev. The slash hits Zev causing him to fly back to where Samson is located. Zev falls to the ground unmorphed.

MUMANKAMON

Two down.

MECHANOS

One to go, and then we can help Lord Demos defeat the other five idiots.

In her area with Dragonas, Prof. Firebird blocks an incoming attack from his sword with her lance. Prof. Firebird pushes against the sword until she is able to break free of the hold. Prof. Firebird holds the end of her lance out toward Dragonas.

PROF. FIREBIRD

Teicniocht, duil, ionsaigh!

Ice darts are fired at Dragonas, but he manages to destroy them before they do any damage to him.

DRAGONAS

Is that the best you've got?

PROF. FIREBIRD

Teicniocht, solas!

A burst of cold shoots out of Prof. Firebird's lance and covers Dragonas. Ice forms over him, but Dragonas eventually breaks free of it.

DRAGONAS

Pathetic, just pathetic.

Dragonas fires a ball of energy at Prof. Firebird and it hits her causing her to fly back to where Zev and Samson are. She falls to the ground unmorphed. Mechanos, Mumankamon, and Dragonas start to close in on the three of them. Asgard appears. Mechanos notices.

MECHANOS

Good Asgard's here. Now the real fun can begin.

FADE OUT.

FADE IN:

EXT. DOWNTOWN GANDALF CITY - DAY

Keith, Walker, Bowie, Maria, and Abby wander around.

ABBY

Why do you think Asgard just left like that?

MARIA

I don't know what it is, but I'm sensing something coming here.

WALKER

It's Demos, isn't it?

MARIA

Could be.

KEITH

It has to be. Why else would Asgard just leave like that?

BOWIE

You've got a point Keith. So what now?

KEITH

We morph, and wait for him to show.

They all take out their morphers.

KEITH, WALKER, BOWIE, MARIA, AND ABBY
Arthraigh, duine, marbhan!

Magix circles in each of the Rangers' colors appear over their heads and go over them. Once the circles have disappeared, they are morphed. Demos appears in front of them human sized.

ABBY

It's him!

KEITH

I think we know what we have to do.

DEMOS

What is it that you have to do Red Ranger?

KEITH

Defeat you.

Demos laughs quickly.

DEMOS

Is that so. No matter, the five of you will make the most delicious meal for me. Once I have devoured your essences the nightmare will be complete, and the surface will be mine.

WALKER

C'mon guys don't give up.

BOWIE

That's right. The last thing we need is for everything we've done to be in vain.

DEMOS

It will not be in vain as long as it amuses me. Perhaps I should show you.

Demos grows to gigantic size. He then uses his tentacles to grab onto the Rangers. Demos opens his mouth and starts to absorb in lots of energy. So much energy that he speeds time itself up. As time speeds up, buildings crumble, oceans dry up, and volcanic explosions occur as the world becomes a barren wasteland. Demos closes his mouth.

WALKER

What is this place?

MARIA

It couldn't be the underground, because there's a sky.

DEMOS

This is your future. This is the face of the surface.

BOWIE

It can't be.

ABBY

I won't believe it.

DEMOS

It is so easy to devour time when you have absolute power.

Demos flings the Rangers to the ground. They fall but get back to their feet.

KEITH

We can't let this happen.

DEMOS

The time to satisfy my hunger has come
at last. Now prepare for you journey to
oblivion.

The Rangers stare up at Demos as he floats in the sky.

KEITH

This is not going to be our future.

END OF PART 1 (EPISODE 38)

FADE IN:

INT. THE MAIN HALL - DAY

Noche, Donovan, S. ESTRANGE, M. ESTRANGE, and ROOTS sit at the staff table. DRAKE is sitting in front of Roots, and she is taking care of him. M. Estrange is gazing into a crystal ball.

S. ESTRANGE

Brinda why are you taking care of that plant?

ROOTS

It is Walker Crowe's mandrake Sloan. I am sure he would probably want me to tend to him in his absence.

S. ESTRANGE

But was it absolutely necessary to go into his room to get it?

ROOTS

As head of Taurus House I have access to every Taurus students' room. I felt it was necessary.

DRAKE

(to S. Estrange) So there!

NOCHE

Maxi, are you seeing anything?

M. ESTRANGE

Nothing as of yet, although the interference of the barrier is causing a partial block of my inner eye.

M. Estrange continues to gaze into the ball.

M. ESTRANGE

I am getting something.

NOCHE

What?

M. ESTRANGE

I see a light in this dark new world rising. That is all.

ROOTS

At least it is better than nothing.

S. ESTRANGE

I do not see why we have to sit around in here.

DONOVAN

The Rangers cast the barrier to protect the castle from whatever evil may appear.

NOCHE

Not only that but should we go outside the barrier's magic will start to weaken, and if the barrier completely fades, the castle and us will be turned to dust. Is that what you want?

S. ESTRANGE

Of course not, I just feel a little helpless at the moment.

ROOTS

How do you think Oscuro and I feel? We were two of the previous mages. There should be something that we can do.

NOCHE

I am afraid Brinda that there is nothing that we really can do. I have taught the Rangers all they should ever know to combat most of the dark arts, but not this. At the moment it appears that Keith, Walker, Bowie, Maria, and Abby are on their own.

DONOVAN

Not to mention that Athena, Zev, and Samson succumbed to the power of time speeding up.

NIGHTINGALE enters the hall.

NOCHE

Can we help you with something Madame Nightingale?

NIGHTINGALE

No, nothing. I just came in here to see what the lot of you, were doing.

ROOTS

As you can see we are not doing much of anything. Other than gathering our collective hopes together in support of the Rangers.

NIGHTINGALE

I see. I guess that is all the six of us can do now.

DRAKE

Hey! Make that the seven of us.

Nightingale looks at Drake.

NIGHTINGALE

What is that thing?

DRAKE

I'm Walker's mandrake, Drake.

NIGHTINGALE

Why is that thing down here?

ROOTS

Relax I am just looking after it for Walker until the Rangers can reverse all that has happened.

FADE OUT.

FADE IN:

EXT. THE BARREN WASTELAND OF DEMOS' FUTURE - TIME UNKNOWN

Keith, Walker, Bowie, Maria, and Abby (all still morphed) continue to stare up at Demos.

DEMOS

This barren world purified by darkness
will be the perfect place to devour
your essences and make my absolute
reign happen.

KEITH

We can't let that happen. We won't let
that happen. You will never rule the
surface!

DEMOS

That is laughable Red Ranger. After all
it appears that I have all ready
conquered the surface. All that I need
to do is devour you to make this
complete.

Demos fires a blast at the Rangers.

KEITH, WALKER, BOWIE, MARIA, AND ABBY

Finsceal, arthraigh, teicniocht,
teaghlaim, duine!

The Rangers quickly morph to Legend Form, then to Legend Zord form, and combine into the Legend Megazord as the flames clear from the explosion that Demos' blast caused. Demos looks at the Legend Megazord.

KEITH

This is it. Don't lose your courage.
All we have to do now is fight.

The Legend Spear spins around in the Legend Megazord's right hand as flames from its wings gather on it.

KEITH, WALKER, BOWIE, MARIA, AND ABBY

Legend Spear, Fire Screw Attack!

The Legend Megazord fires the attack at Demos. However Demos opens his mouth and devours the attack.

WALKER

Our magic isn't having an effect on
him?

BOWIE

I don't think he just eats time, I think he eats magic too.

KEITH

So that'd mean our courage will have no effect on him either.

Demos launches a tentacle from his back at the Legend Megazord. The tentacle hits the Legend Spear to destroy it. Demos then starts to lash out at the Legend Megazord with his tentacles. The Legend Megazord takes the attacks and falls down.

DEMOS

Your despair pleases me Rangers. When your essences have been stained with fear and pain they will be at their most flavorful.

Demos, grabs the Legend Megazord's head with his right foot. He then starts to pound the Legend Megazord's head up and down on the ground a few times.

WALKER

Where's our usual power right now?

ABBY

There's got to be something that we can do.

MARIA

I don't think that's going to be the case this time.

BOWIE

It's too hopeless.

KEITH

(under his breath) C'mon...

Demos stops pounding the Legend Megazord's head on the ground, and opens up his mouth. He starts to eat the Rangers' magic. Inside of the Legend Megazord Demos' magic drain is causing the Rangers to lose Legend Form, and their helmets. Abby loses her helmet first.

ABBY

He's eating our magic.

Maria loses her helmet.

MARIA

Our power...it's fading away.

Walker loses his helmet.

WALKER

What's happening?

Bowie loses his helmet.

BOWIE

It's like he's also sucking up our
courage too.

Keith loses his helmet. Outside Demos taunts the Rangers

DEMOS

It does not matter what you do Rangers,
this is your final appearance. Now fill
me with the shame you are probably
feeling right now.

Demos kicks the Legend Megazord, and then attacks it with his tentacles. The Legend Megazord disappears and the Rangers fall to the ground in regular Ranger form without their helmets. The Rangers get back to their feet just as Demos fires a blast at them. The explosions caused by the blast causes the Rangers to fall down. Walker gets up and helps everyone else up. The Rangers then run into a nearby cave. They stop when they reach a dead end. Walker, Bowie, Maria, and Abby all have disappointed looks on their faces.

WALKER

This can't be it, can it?

ABBY

It looks like it Walker.

MARIA

Agreed. What can we do if Demos can eat
our magic?

BOWIE

Not a lot.

KEITH

So that was the secret power my dad
told me about.

WALKER

What do you mean?

KEITH

Before we all met in my mother's office my dad passed on a couple of things to me. On our way to the office he told me that he was told that Demos has some sort of secret power. He didn't say what it is, but it sounded bad enough.

BOWIE

What exactly did he pass onto you?

KEITH

A sword technique, and some advice.

BOWIE

The sword technique is only good for you, so what was the advice.

KEITH

He said, "if things may seem to be at their darkest, never lose hope; never lose your courage, because without either you will have nothing."

ABBY

If only that was actually true.

WALKER

Wait a minute, it is.

Walker looks over to his left and sees a single flower growing out of the rock of the cave.

BOWIE

How is that true?

Walker points to the flower.

WALKER

See that flower? It looks like it's the only thing living in this wasteland Demos has created. If it can spring up, there's no reason why our courage can't.

MARIA

You might have a point.

WALKER

Keith, what exactly is that sword technique your dad showed you?

KEITH

It's called the "Final Blade". He said, "The Final Blade is when a warrior is at the end of his battle. It will test your power, and should you succeed a miracle will happen when things may seem to be at their darkest."

WALKER

Think you can pull it off?

KEITH

Maybe...

WALKER

But?

KEITH

I'm not the warrior my dad is.

WALKER

What do you mean?

KEITH

Compared to my dad I'm just not as good.

MARIA

You're wrong Keith. I think you're a better warrior than he is.

KEITH

How?

MARIA

You fought amazingly against your father when he was under Demos' control. If your father was the better warrior then why did you win?

KEITH

I got lucky?

MARIA

Maybe, but you can't deny how good you've gotten in the past year, and all those times you fought against Wolzard is more than enough proof of that in my book.

ABBY

Maria's right. I think you might've done more than the four of us could ever hope to accomplish.

WALKER

You know you can do this Keith, so just try your best. Right Bowie?

BOWIE

Walker's right. Besides Keith this sort of thing is in your blood. After all every Crimson Mage has been a Firebird. If anyone at our school can do it it's definitely you.

KEITH

Come to think of it, my dad did tell me one more thing.

WALKER

What?

KEITH

That no matter what happens, I am my father's son.

ABBY

What's that supposed to mean?

MARIA

That Keith is capable of anything that his dad can do.

ABBY

Okay I get it now.

KEITH

Are you guys really sure about this?

ABBY

It's like what Walker said about that flower. If it can spring up, I'm sure that miracle from the Final Blade will too.

Keith turns his head to look at Walker, Bowie, and Maria. As he looks at each of them, they nod their heads. Keith then turns his attention to the flower. Demos (human sized) comes toward the Rangers and steps on the flower.

DEMOS

That miracle will not happen.

Demos aims his left hand at the Rangers and fires a blast at them. Walker, Bowie, Maria, and Abby draw their Wand Staffs.

WALKER, BOWIE, MARIA, AND ABBY
Teaghlaim, solas!

Walker, Bowie, Maria, and Abby point their staffs at Demos and a multicolored barrier appears before them blocking Demos' attack.

MARIA
Keith, it's all up to you now.

WALKER
We'll try to hold him off the best we can, but you have to use the Final Blade to try to finish him off.

ABBY
You can do it Keith, remember everything we just said.

BOWIE
We're counting on you, Samson's counting on you, your parents are counting on you, and the whole world is counting on you. Don't let us down.

KEITH
Guys. They all believe in me. Then there should be no reason why I can't do this.

Demos fires another blast at Walker, Bowie, Maria, and Abby with his right hand. The barrier gets broken and Walker, Bowie, Maria, and Abby fall to the ground unmorphed. Demos sees what he has done.

DEMOS
The time is now ripe. It is now time to devour you all.

Demos starts to walk toward the Rangers. Keith closes his eyes and hears his father saying, "if things may seem to be at their darkest, never lose hope; never lose your courage, because without either you will have nothing" in his mind. Keith opens his eyes again and nods. He then steps in front of the others as Demos comes closer.

DEMOS
So you want to be first Red Ranger? It does not matter to me who goes first, because you will all end up the same way.

KEITH
Your time is up Demos.

DEMOS

Such insolence Red Ranger, it will be a pleasure to devour YOU first.

Keith draws his Phoenix Sword, and Legendary Wand Staff. He gets into the position to do the Final Blade.

KEITH

When I'm finished with you, you'll once again be sealed underground. The only thing left to say, is that you're going down!

DEMOS

Stupid Ranger, I can also devour this dimension. There is nothing you can do.

Flames form over Keith's body a little, and his helmet (without the visor) appears on his head. Demos starts to launch his tentacles at Keith.

KEITH

I can feel my courage overflowing right now. That means my magic should be at its peak, and with it I will defeat you.

The tentacles approach Keith, but Keith swipes at them with both his weapons. The tentacles retreat back to Demos. Keith jumps up, flies forward, and hits Demos on the head with his Staff. Demos' skull plate gets destroyed, and he falls back a little. Keith (with the visor now in his helmet) then jumps at Demos and slashes at him with his sword. The slash causes a small explosion to shoot out of Demos' back as Keith continues to hold his sword against Demos. Keith extends his left hand out.

KEITH

Guys give me your hands and we'll go back to our time.

Walker, Bowie, Maria, and Abby get back to their feet and go over to Keith. Walker grabs onto Keith's hand, and everyone else grabs onto Walker. The barren wasteland starts to crumble around them as time is reversed.

FADE OUT.

FADE IN:

EXT. THE GROUNDS OF MAGIX - DAY

The wasteland around the castle reverts back to its true form. Once back to normal Samson, Zev, and Prof. Firebird (all unmorphed) get to their feet.

SAMSON

What just happened?

PROF. FIREBIRD

I think the others may have defeated Demos.

ZEV

No they just reversed whatever spell Demos put on the world.

Mechanos, Mumankamon, Asgard, and Dragonas get to their feet. Mumankamon clears his throat.

MUMANKAMON

Have you forgotten about us?

SAMSON

Of course not.

MECHANOS

Good.

DRAGONAS

Now where were we?

ASGARD

Oh yes, we were about to defeat you.

ZEV

I think now might be a good time to get to Keith and the others.

PROF. FIREBIRD

Agreed. But what should we do about them?

Prof. Firebird points to Mechanos, Mumankamon, Asgard, and Dragonas.

SAMSON

I know just the thing.

Samson whips out the Magix Lamp and rubs it a little bit. Cheshire comes out.

CESHIRE

What's up Sammy boy?

SAMSON

Cheshire, could you take care of those bozos, while the three of us go find the other Rangers?

Samson points to Mechanos, Mumankamon, Asgard, and Dragonas.

CESHIRE

(like one of the Three Stooges)
Certainly.

Cheshire turns to Mechanos, Mumankamon, Asgard, and Dragonas. He waves his hands in a circular motion and releases a golden orb of magic then traps Mechanos, Mumankamon, Asgard, and Dragonas. Samson, Zev, and Prof. Firebird leave the area.

FADE OUT.

FADE IN:

EXT. DOWNTOWN GANDALF CITY - DAY

Time finishes reversing as Demos and Keith, Walker, Bowie, Maria, and Abby appear. Keith is now unmorphed. The Rangers get a look at their surroundings.

WALKER

We're back?

ABBY

I never thought I'd be glad to see Gandalf City, even if it's still partially destroyed.

MARIA

Looks like you did it Keith.

KEITH

No we did it. You all lent me your power to make this happen.

BOWIE

Then I guess we all made the miracle happen.

The Rangers smile and laugh a little. Demos rebounds from the wounds inflicted to him.

DEMOS

Defying me, underestimating my power, and wounding me. This kind of blasphemy will not be forgiven, Rangers.

KEITH

Last time I checked this kind of thing is what we're supposed to be doing. So I say we finish him and get back to the castle. Who's with me?

WALKER

I am.

ABBY

Me too.

MARIA

You don't even need to ask.

BOWIE

Let's do it Keith.

Keith, Walker, Bowie, Maria, and Abby take out their morphers and convert them to wand mode.

KEITH, WALKER, BOWIE, MARIA, AND ABBY
Arthraigh, duine, marbhan!

In flashes of colored light, they all morph to regular Ranger form. They all draw their weapons. Keith and Walker charge at Demos and give him simultaneous slashes from their Sword and Axe respectively. Maria, and Abby charge and strike Demos with their Staffs. Bowie aims and fires numerous shots at Demos from his crossbow. Keith, Walker, Bowie, Maria, and Abby stand in a row in front of Demos.

KEITH
Okay now it's time to cast the new seal on him.

KEITH, WALKER, BOWIE, MARIA, AND ABBY
Power of the Magix Mages...

KEITH
Firebird!

BOWIE
Goldenbird!

MARIA
Merfolk!

ABBY
Pixee!

WALKER
Taurus!

KEITH, WALKER, BOWIE, MARIA, AND ABBY
Ionsaigh, teicniocht, teaghlaim, duil,
solas!

Keith, Walker, Bowie, Maria, and Abby cast their House symbols on the ground around Demos. The House symbols become the rest of the Magix circle. The circle becomes a vortex that spins counterclockwise and starts to suck in Demos. The Rangers' magic also causes Demos to start to revert to his previous form. Demos continues on his path in the vortex.

INT. THE MAIN CHAMBER OF THE LAIR - DAY

The vortex leads Demos to his portal and Demos enters it. Once Demos has entered the portal the vortex stops and becomes a Magix circle over the portal. The circle appears for a few seconds before finally vanishing.

EXT. DOWNTOWN GANDALF CITY - DAY

Keith, Walker, Bowie, Maria, and Abby (now unmorphed) stand around.

WALKER

We did great!

ABBY

I don't think the previous Mages have anything on us.

MARIA

I can't believe we actually sealed Demos underground.

BOWIE

Let's just hope our seal lasts a little longer than a century.

KEITH

Either way if it doesn't I'll be prepared to lead the next generation of Mages against the next time the underground kingdom decides to rise again.

Samson, Zev, and Prof. Firebird arrive. Samson heads straight for Abby, and they hug, and kiss for a second. Zev and Prof. Firebird go up to their son.

PROF. FIREBIRD

So it appears that you defeated Demos, right?

KEITH

Right, he's sealed underground once again.

ZEV

Excellent work, but could you have not left the three of us something to do?

Everyone starts to laugh. All eight leave the area.

FADE OUT.

FADE IN:

EXT. THE GROUNDS OF MAGIX NEAR A CAVE - DAY

Keith, Walker, Bowie, Maria, Abby, Samson, Prof. Firebird, and Zev walk around. The orb with Mechanos, Mumankamon, Asgard, and Dragonas floats over to them, hits the ground and released the four of them. Cheshire flies over to Samson.

SAMSON

What happened?

CHESHIRE

The orb was only temporary. Sorry.

Cheshire tilts his head forward and rubs the back of his head.

SAMSON

It's okay. Looks like there's still more work for us to do, right Zev?

ZEV

Yes. Let us all finish them.

Keith, Walker, Bowie, Maria, Abby, Samson, Prof. Firebird, and Zev take out their morphers. Keith, Walker, Bowie, Maria, Abby, Prof. Firebird, and Zev convert theirs into wand mode. Samson takes out his morph card.

KEITH, WALKER, BOWIE, MARIA, ABBY,
AND PROF. FIREBIRD

Magix metamorphosis! Arthraigh, duine,
marbhan!

SAMSON

Solaria metamorphosis! Abeo, equus,
corporeus!

ZEV

Magic knight metamorphosis! Arraghey,
pyagh, pyagh, shlig!

The eight of them morph.

ZEV

With the power of the crimson flame,
the Magic Knight, Fire Wolzard!

SAMSON

With the power of the sun, the Shining
Mage, Solaria Ranger!

PROF. FIREBIRD

With the power of snow, the Icy Mage,
White Ranger!

WALKER

With the power of earth, the Emerald
Mage, Green Ranger!

ABBY

With the power of wind, the Rose Mage,
Pink Ranger!

MARIA

With the power of water, the Azure
Mage, Blue Ranger!

BOWIE

With the power of thunder, the Golden
Mage, Yellow Ranger!

KEITH

With the power of fire, the Crimson
Mage, Red Ranger!

ALL EIGHT RANGERS

Our courage flows through us, and turns
into magic. Power Rangers...Magix!

They break off into four groups to fight Mechanos, Mumankamon, Asgard, and Dragonas. Keith and Zev fight Mechanos. Samson and Abby fight Mumankamon. Walker and Bowie fight Asgard. Maria and Prof. Firebird fight Dragonas. Zev makes a copy of his sword and Keith takes out his Phoenix Sword and Legendary Wand Staff. Together Keith and Zev perform the simultaneous Final Blade attacks on Mechanos. Samson fires numerous shots at Mumankamon from his Blaster, and Abby strikes him numerous times with her Wand Staff. Dragonas prepares to launch a ball of fire at Maria, and Prof. Firebird, but before he can shoot it, Maria fires a jet of water at it, which extinguishes it. Prof. Firebird then fires numerous ice darts at him. Walker slashes at Asgard numerous times with his Axe, and Bowie fires several shots at Asgard with his Crossbow. Mechanos, Mumankamon, Asgard, and Dragonas all fall back and stand before the cave. Keith, Walker, Bowie, Maria, and Abby step in front of everyone else.

KEITH, WALKER, BOWIE, MARIA, AND ABBY

Ionsaigh, teicniocht, teaglaim, duil,
solas!

Keith, Walker, Bowie, Maria, and Abby cast a Magix circle on the cave's opening. The circle becomes a vortex that sucks in Mechanos, Mumankamon, Asgard, and Dragonas. Once the four of them have been sucked in the vortex becomes the circle again, and stays over the cave's opening for a few seconds before disappearing. Keith, Walker, Bowie, Maria, Abby, Samson, Prof. Firebird, and Zev turn their backs to the cave.

KEITH, WALKER, BOWIE, MARIA, ABBY,
SAMSON, PROF. FIREBIRD, AND ZEV

CHECKMATE!

INT. THE MAIN CHAMBER OF THE LAIR - DAY

Mechanos, Mumankamon, Asgard, and Dragonas fall around the portal. They all get to their feet.

MUMANKAMON

Great, I'm going to be trapped under here for a century with you three.

MECHANOS

This won't exactly be a picnic for me either Osiris.

MUMANKAMON

The name's Mumankamon now, and I am the ruler of the kingdom.

MECHANOS

Only if I'm gone, and since I'm here I'm the ruler again.

ASGARD

Who says you get to lead us Mechanos?

DRAGONAS

Yeah!

Mechanos, Mumankamon, Asgard, and Dragonas start to bicker among themselves. Demos' portal starts to glow red.

DRAGONAS

We've angered Demos.

MUMANKAMON

Big deal. It's not like he was able to do anything about the Rangers.

ASGARD

Yes, and besides where are the vampires?

MECHANOS

Yes, where did Nhymera go?

MUMANKAMON

I haven't seen them since we were reborn.

DRAGONAS

Maybe they escaped before the Rangers sealed us down here.

ASGARD

Nonsense I am sure they are somewhere within the lair. It is just a matter of finding them.

FADE OUT.

FADE IN:

INT. THE HALLS OF MAGIX - DAY

Zev and Prof. Firebird lead Keith, Walker, Bowie, Maria, Abby, and Samson through the entrance. Noche, Donovan, S. Estrange, M. Estrange, Roots, and Nightingale stand on either side of the hallway applauding the Rangers for what they have just done. Eventually Zev and Prof. Firebird stop and face the Rangers.

PROF. FIREBIRD

Rangers we have all done amazing work today. You should be proud of yourselves.

ZEV

Now there are a few people who would like to have a word with the six of you.

WALKER

Who?

ZEV

You will see.

Zev and Prof. Firebird lead the Rangers to the room that Zev was in earlier. On the wall that faces them portraits of (from left to right) XAVIER Goldenbird, MADELINE Merfolk, IGNATIUS Firebird, GAMMA Pixee, and ALASTAIR Taurus hang. The house banners hang above each founders' portrait.

IGNATIUS

Allow me to be the first of us to congratulate you on a job well done. You have kept the legacy of the Magix Mages in tact for another one hundred years. And Keith, I would just like to say that you have brought in great honor to the name Firebird.

KEITH

Thanks Ignatius.

ALASTAIR

Walker you have done well as the Emerald Mage, I thank you for keeping the honor of the name Taurus.

WALKER

You don't even have to mention it
Alastair.

XAVIER

Bowie, the power of thunder served you
well as the Golden Mage. You have done
amazing work with your fellow Mages.

BOWIE

Thanks Xavier.

MADELINE

Maria, it appears that the power of
Aquaria served you well. I am proud to
have had you be this generation's Azure
Mage.

MARIA

Thank you, Madeline.

GAMMA

Abby, even though you are only a
distant relation to me, the way you
have fought reminded me of myself. I
thank for being the Rose Mage this
generation.

ABBY

No problem Gamma.

IGNATIUS

Now Samson, I know that you are from
Solaria, but even though you are not
technically apart of the Magix Mages,
the five of us recognize you as one.

SAMSON

Thanks Ignatius.

IGNATIUS

Also did you know that Dagobert Solaria
was a friend of ours?

SAMSON

No I didn't.

IGANTIUS

He was-

Prof. Firebird walks in.

PROF. FIREBIRD

Pardon my intrusion Ignatius, but the graduation ceremony is about to start in fifteen minutes.

IGNATIUS

Very well. Samson, come back later, and I will tell you about Dagobert.

SAMSON

I will.

The Rangers turn to face Prof. Firebird. She sees the way they are dressed.

PROF. FIREBIRD

The five of you cannot go to your graduation looking like that.

Prof. Firebird takes out her morpher, and converts it to wand mode.

PROF. FIREBIRD

Arthraigh, teicniocht, marbhan!

Prof. Firebird waves her wand and graduation caps and gowns appear over the Rangers. A red cap and gown for Keith, a green cap and gown for Walker, a yellow cap and gown for Bowie, a blue cap and gown for Maria, a pink cap and gown for Abby, and a navy and gold cap and gown for Samson. The Rangers walk out of the room. The founders wave to them from their portraits.

FADE OUT.

FADE IN:

INT. THE HALLS OF MAGIX - DAY

Months later Walker walks through the halls carrying a satchel over his left shoulder. A female first year Taurus student comes up to him carrying a small plant that looks a little wilted.

TAURUS STUDENT

Professor Crowe could you help me a little bit?

She holds the plant up to Walker. Walker takes the plant and looks at it.

WALKER

Hmm...

Walker reaches into his satchel and takes out a vial of a green potion. He hands it with the plant back to the student.

WALKER

Just mix this potion with some water, and water the plant as usual.

TAURUS STUDENT

Thanks professor.

WALKER

Now if you don't mind I'm a little late for a lunch meeting.

Walker continues his way through the halls until coming up to a fireplace that has a fire going in it. Bowie stands before the fire.

BOWIE

Well Professor Crowe you ready to go?

WALKER

Right after you Professor Davis.

They both reach into a cylindrical container on the mantle of the fireplace and grab a handful of a green powder. They both throw the powder into the fire, and the flame turns green. They both step into the fire.

INT. A RESTAURANT ON HORIZONT ALLEY - DAY

Keith sits at a table in his Magic Knight uniform. The fire in a fireplace in the distance turns green and Walker and Bowie walk out of it and up to the table Keith is sitting at. They both take a look at their surroundings.

WALKER

Keith this place looks a little pricey.

BOWIE

I don't think either of us can afford it on a teacher's salary.

KEITH

Relax the Magic Knights are paying for this.

WALKER

Good.

Walker and Bowie sit down. At another table two girls dressed in Goth-like clothing stare at the three of them while also looking at their menus. The fire in the fireplace turns green again and Abby and Samson walk out. They go up to the table and sit down.

BOWIE

So how's Solaria Abby?

ABBY

It's all right, but I do miss Magix.

KEITH

How are your classes going so far Samson?

SAMSON

I think the students are getting it, but there's one or two whose card art could use some work.

ABBY

Where's Maria?

Keith checks his watch.

KEITH

She should be here.

Keith takes out his morpher, opens it up and dials a number.

KEITH
Where are you?

VOICE
Right behind you.

Keith turns around and sees Maria behind him. She sits down, as he puts his morpher away. A waiter comes to the table and puts a few appetizers on the table. The Rangers start to eat a little bit. After a while Bowie stops eating.

BOWIE
I just realized something.

KEITH
What?

BOWIE
I can't help but feel like we forgot something when we sealed Mechanos, Mumankamon, Asgard, and Dragonas underground.

WALKER
Now that you mention it, you're right.

ABBY
It's probably nothing.

BOWIE
You might be right.

SAMSON
Besides whatever we forgot about will probably show itself again.

MARIA
And if it does, we'll be there, ready to fight it.

KEITH
That is after all the kind of thing we do, because we are the Magix Mages.

END OF THE SERIES
