"POWER RANGERS PRIMAL STRIKE: EPISODE 12 - MY MASTER NO
MORE PART 1"

FADE IN:

INT. THE TRIBULATION ARENA - TIME UNKNOWN

KA-RAH KHAL, ANME, and FLAMOUCIA all sit in their usual seats in the upper portion of the arena. All is quiet until ABUTOK and UWAGAK enter the arena, and kneel before Ka-rah Khal.

ABUTOK

We've arrived Ka-rah Khal.

UWAGAK

And Master Tsuno has a message for you.

KA-RAH KHAL

What is it?

ABUTOK

He, Gwin, and Llyej are growing impatient with you, and want to cross over into the rift between realms now. And if need be they might very well take the powers you received to become Ka-rah Khal from you.

UWAGAK

And you're lucky that they're being that generous given your constant failures as of late.

KA-RAH KHAL

And that's why I called you here. The two of you are some of the toughest warriors the other realm has to offer, and hopefully the current Fallen that I've sent will tire the Rangers out a little.

EXT. DOWNTOWN LAS BESTIAS - DAY

KEVIN, JORGE, and TONI (all morphed) chase the ROGF monster down a street into a small plaza. Rogf stop and turns to face the three of them.

ROGF

Wart Strike!

Rogf grabs some of the warts off of his back and starts to throw them at Kevin, Jorge, and Toni.

JORGE
Double Bat Cutter!

As the warts approach Kevin, Jorge, and Toni two Bat Cutters appear in Jorge's hands, and he uses them to deflect the incoming warts.

ROGF
Great, looks like I'll just have to jump around to get you guys. Primal Beast...Jum-

TONI
Elephant Flail!

The Elephant Flail appears in Toni's hands and she starts to twirl the chain causing the ball to swing back and forth, hitting Rogf. Toni pulls back on the Flail a little, before launching the ball at Rogf again, this time wrapping the chain around the monster.

JORGE
That should keep him in place.

KEVIN
Looks like it's my turn. Shark Blade!

The Shark Blade appears in Kevin's hands, and he splits it in two. Kevin charges at Rogf, jumping onto the Elephant Flail's chain that is wrapped around the monster. Together, Jorge, and Toni pull back on the chain, which launches Kevin into the air, and also releases the chain from Rogf. Kevin lands near Rogf, and starts to slash at him numerous times with both parts of the Shark Blade, before combining them, and giving Rogf a hard slash, which knocks him down. Kevin then regroups with Jorge and Toni.

TONI
Not bad.

KEVIN
Same with you guys.

JORGE
Maybe Chong was right about how we should all just be friends.

Rogf gets back to his feet.

ROGF
This isn't over yet!

Rogf performs a few hand movements, and grows to gigantic size. Kevin, Jorge, and Toni all press the buttons on their right hand morpher parts.

KEVIN, JORGE, AND TONI
Feral Cats, unleash!

Kevin, Jorge, and Toni raise their right hands and unleash the Feral Cats. They all jump up and into their respective Cat, and the Cats combine.

KEVIN, JORGE, AND TONI
Feral Megazord, ready to strike!

The Feral Megazord faces Rogf. Inside of the Feral Megazord Kevin, Jorge, and Toni stand behind their podiums.

TONI
Didn't Master Chong say something about this frog guy having some kind of barrier technique?

KEVIN
Yeah, why?

TONI
I was thinking that it probably wouldn't be any different than Angolinp's armor.

JORGE
Well unleash the Warrior Elephant, and see how it goes.

Toni presses the buttons on her right hand morpher part.

TONI
Warrior Elephant, unleash and...

KEVIN, JORGE, AND TONI
Combine!

Outside the Feral Megazord unleashes the Warrior Elephant, and it quickly combines with the Feral Megazord.

ROGF
Do you guys really think your little mace can touch me? Well try this!

Rogf forms a barrier over himself.

KEVIN, JORGE, AND TONI
Trunk Mace!

The Feral Megazord swings the Trunk Mace at Rogf, and it breaks through the barrier knocking Rogf to the ground. Rogf gets back to his feet.

ROGF

Primal Beast...Jump Frog!

Rogf jumps high into the sky. Inside of the Feral Megazord Kevin, Jorge, and Toni look up.

JORGE

Looks like it's my turn. Nocturnal Bat, unleash and...

KEVIN, JORGE, AND TONI

Combine!

Outside the Nocturnal Bat quickly unleashes, and combines with the Feral Megazord. The Feral Megazord then takes to the sky, and meets up with Rogf. The Feral Megazord slashes at Rogf with one of its wings, and Rogf falls back a little.

KEVIN, JORGE, AND TONI

Slice Strike!

The Feral Megazord launches a powered slice with one of its wings, and the force of the attack causes Rogf to fall to the ground. Inside of the Feral Megazord Kevin presses the buttons on his right hand morpher part.

KEVIN

Hydro Shark, unleash and...

KEVIN, JORGE, AND TONI

Combine!

Outside the Hydro Shark quickly unleashes, and combines with the Feral Megazord. Rogf gets back to his feet.

KEVIN, JORGE, AND TONI

Saber Strike!

The upper half of the Feral Megazord starts to spin around, as the Feral Megazord starts to charge toward Rogf. The Feral Megazord jumps up, flies toward Rogf, and strikes him numerous times. The Feral Megazord lands just as Rogf turns into dried clay and explodes.

FADE OUT. OPENING CREDITS.

FADE IN:

INT. THE MARTIAL ARTS STUDIO - DAY

MASTER CHONG paces around the studio a little. A somewhat concerned look appears on his face. MICHELLE comes into the room, and notices her brother's look.

MICHELLE

What's wrong now?

MASTER CHONG

How do you know something's wrong?

MICHELLE

First of all I can see it on your face. And secondly I'm your twin sister. I can sense these things. So what's wrong? You still wondering about that Reyes guy?

MASTER CHONG

No. It's something about Ka-rah Khal. I can't help but feel as if maybe he's got something planned that could potentially destroy us all.

MICHELLE

But doesn't he always have something like that planned anyway?

MASTER CHONG

You might be right. But still I can't shake off this feeling.

Kevin, Jorge, and Toni (all now unmorphed) enter the studio. Master Chong notices.

MASTER CHONG

Good the three of you are back. And I've also got to add, that after watching the three of you during that monster attack, you look like you're functioning better now that you're all friends.

JORGE

Please that guy was easy.

MASTER CHONG

Don't get cocky Jorge, there's no telling what could happen next.

TONI

Actually I've got say that heads up you gave us with that monster actually helped quite a bit.

MASTER CHONG

I've dealt with a Jump Frog user before. And it's always a pain when anyone who uses an amphibian Primal Beast generates a barrier. Just be glad that you weren't up against someone whose Beast is some kind of a turtle. But still this new harmony between the three of you really does seem to be helping you guys. Now if only one other sagging element of the team could use some improvement.

KEVIN

What do you mean?

MASTER CHONG

I'm not trying to call you out or anything when I say this Kevin, but you're still not quite there with leadership. Don't get me wrong; it's not that I don't believe you won't improve. It's just something that you need to work on.

KEVIN

(unsure) Okay.

MASTER CHONG

But don't worry Kevin, a good leader is only as good as the people he's commanding, and since you guys worked together to defeat that last monster, I think we'll be seeing an improvement with Kevin's leadership sometime soon.

JORGE

So is that it?

MASTER CHONG

I guess that's-

Master Chong pauses for a moment suddenly, and a concerned look goes over his face. Kevin, Jorge, and Toni all sniff the air.

KEVIN

Something's here.

JORGE

We better go deal with it.

MASTER CHONG

Wait!

TONI

What's wrong?

MASTER CHONG

I just have this feeling that should the three of you go face what just appeared, it could mean bad things.

JORGE

But that's the same with no other monster that we've faced so far.

MASTER CHONG

I just had this sense that what you're about to face, could be worse than anything that's come before.

MICHELLE

Bruce, I know you're concerned for them and all, but don't you think that they should go do what they're supposed to do as Rangers anyway?

MASTER CHONG

(sighs) I guess you're right. But will the three of you just be careful while you're out there.

JORGE

We always are.

Kevin, Jorge, and Toni leave the studio. Once the three of them are out of sight, Master Chong starts to leave too.

MICHELLE

Where do you think you're going?

MASTER CHONG

I had a vision a couple seconds ago where they fought Anme, and were practically destroyed. So I'm following them.

MICHELLE

Whatever. Just don't get yourself hurt too, too badly.

FADE OUT.

FADE IN:

EXT. A QUARRY - DAY

Anme stands with Abutok, and Uwagak.

ABUTOK

I thought you said they'd be here.

ANME

Don't worry, they always show up. Just wait a second.

Kevin, Jorge, and Toni come running up to the area.

ANME

Well isn't this special? Not only have the three of you shown up without your Cycles, but you're unmorphed as well.

KEVIN

What's this about?

ANME

What it always is Red Ranger, Ka-rah Khal's take over of this realm, and your destruction of course. But I can't help but wonder why there's one person missing from all of this.

JORGE

We're all here, what more do you want?

ANME

Your master.

TONI

What do you want with Master Chong?

ANME

Me? Nothing. Ka-rah Khal on the other hand wants a duel with him. I was only really sent here to keep you three busy.

Flamouca appears.

FLAMOUC A

Now is this going to be a private party Anme, or can anyone join in?

ANME

Hmm...with you now here the odds would definitely be stacked in our favor, so why not?

Anme, and Flamouca quickly transform into their armors. Kevin, Jorge, and Toni's bracelets become their morphers, and the three of them do their morph hand movements.

KEVIN, JORGE, AND TONI

Unleash the beast!

Kevin, Jorge, and Toni all morph. Flamouca quickly runs away from Anme, Abutok, and Uwagak, draws her swords quickly, and starts to slash at Toni several times. Toni takes the hits, and falls back a little. Anme then charges at Kevin, while Abutok, and Uwagak charge at Jorge. In their area, Flamouca continues to slash at Toni several times with her swords, but Toni eventually manages to jump back a little.

TONI

Primitive Strikers!

A pair of Primitive Strikers appears in Toni's hands and she combines them to Bo Mode. Flamouca slashes at Toni again, but this time Toni blocks the attack with her Bo. Flamouca stops trying to attack Toni, just as Toni thrusts her Bo at Flamouca knocking both of Flamouca's swords out of her hands.

TONI

Looks like you're unarmed.

FLAMOUCAL

Looks like someone forgot about this...

Flamouca opens her mouth, and launches her Tongue Blade at Toni. The Tongue Blade wraps around Toni's Bo, picks it up, and throws it to the side. Flamouca then starts to strike Toni a few times with the Tongue Blade. Toni falls back, and the Tongue Blade retracts.

TONI

You're not the only one with a weapon like that. Elephant Flail!

The Elephant Flail appears in Toni's hands, and she starts to twirl the ball around, before launching it at Flamouca. However, Flamouca opens her mouth again and grabs onto the chain of the Flail, and pulls it out of Toni's hands. Flamouca throws the Flail over to where Toni's Bo is lying. Yellow energy starts to gather over Toni's body.

TONI

Primal Beast...Feral Cheetah! Dash
Strike!

Toni launches an energy version of Feral Cheetah at Flamouca, and it dashes forward. However green energy starts to gather over Flamouca's body.

FLAMOUC A

Primal Beast...Shade Chameleon! Tongue
Strike!

The energy over Flamouca's body takes the shape of a chameleon. The chameleon opens its mouth and swings its tongue at Feral Cheetah hard, which causes Feral Cheetah to vanish, and Toni to go flying back. Toni falls on her back, and Flamouca walks up to her.

FLAMOUC A

You may have gotten stronger since our last meeting, but you and the other Rangers still aren't a match for me, or Anne.

Flamouca reverts back to her usual self, and disappears. In his area Jorge tries to strike Abutok and Uwagak with his Primitive Strikers in Tonfa Mode. However Abutok, and Uwagak block Jorge's attacks with their staffs, and then slash at Jorge with them.

JORGE

How is it that I ended up fighting two guys?

ABUTOK

Anne has it out for the Red Ranger.

UWAGAK

And Flamouca just has to face the Yellow Ranger.

ABUTOK

So that means you get what's left over.

UWAGAK

Namely us.

ABUTOK

So just dealt with it.

Abutok, and Uwagak swing their staffs at Jorge again, but Jorge back flips out of the way of the attack. Once back on his feet Jorge extends both of his hands.

JORGE
Double Bat Cutter!

Two Bat Cutters form in Jorge's hands, and he charges at Abutok and Uwagak. Jorge tries to slash at the two of them, but Uwagak blocks the attack with his staff, and Abutok quickly slashes Jorge with his staff. Jorge falls back, and white energy starts to gather over Abutok, while black energy starts to gather over Uwagak.

ABUTOK
Primal Beast...Horn Kabuto!

UWAGAK
Primal Beast...Horn Kuwaga!

ABUTOK AND UWAGAK
Staff Strike!

The energy over Abutok, and Uwagak's bodies gathers over their staffs, and together they unleash high-powered slashes on Jorge. Jorge takes the hit and goes flying over to where Toni is lying. In their area Anme is giving Kevin several hard punches and kicks. Kevin takes the hits, but does not appear to be too fazed by them.

KEVIN
Shark Blade!

The Shark Blade appears in Kevin's hands, and he quickly splits it into its dual mode. Kevin starts to slash at Anme with both Blades, but the attacks do not appear to be doing much damage to him. Kevin combines the Blades.

KEVIN
Shark Blade, Tidal Strike!

A massive amount of water appears on the Blade, and Kevin tries to slash at Anme with it, only to have Anme block the attack.

ANME
And I thought you were better than this. Where was that power you showed me the last time we fought? Either way, I'm starting to grow a little bored with all of this.

Anme gives Kevin a hard kick, which causes Kevin to fly back a little somewhat suspended in the air, before Anme gives Kevin two hard punches that send him flying back to where Jorge, and Toni are. Kevin, Jorge, and Toni all get to their feet, just as Abutok, and Uwagak regroup with Anme.

TONI

We've got to defeat them.

JORGE

You think?

TONI

Are you really going to give me that,
now that we're supposed to be friends?

KEVIN

Can we just call the Feral Striker and
do this thing?

JORGE AND TONI

Yes!

KEVIN, JORGE, AND TONI

Feral Striker!

The Feral Striker appears, and Kevin, Jorge, and Toni get into position with it. The Feral Striker powers up and Kevin pushes the back part of it forward. The mouth of the Feral Striker opens and fires a blast at Anme, Abutok, and Uwagak. Anme steps forward and swats the blast away with his right hand. The blast hits a nearby cliff and explodes. Jorge, and Toni stand up.

JORGE

Impossible!

TONI

How could he just swat it away?

KEVIN

This isn't good.

ANME

My turn.

Yellow energy starts to go over Anme's body.

ANME

Primal Beast...Dark Lion! Pounce
Strike!

The energy takes the form of a yellow and black colored lion. The lion then runs over toward Kevin, Jorge, and Toni and pounces on them causing an explosion. When the flames of the explosion clear Jorge and Toni are now lying on the ground unmorphed. Kevin however is still standing, and morphed.

ANME

There's no way you could've survived that!

TONI

Kevin?

JORGE

He's still standing?

Kevin walks forward a little.

KEVIN

(struggling) Can't let you do this...Anme!

Kevin brings his arms to his sides and the visor part of his helmet flashes orange for a moment.

KEVIN

(struggling) Got to beat him!

Pale orange colored energy goes over Kevin's body. Anme notices.

ANME

It couldn't be.

In his mind Anme sees the man in front of a white background with the same energy over his body, with a white tiger. Kevin charges at Anme with the energy over his body. Kevin tries to punch Anme with his right fist, but he stops short and falls face first to the ground. The energy disappears, and Kevin powers down. Ka-rah Khal appears beside Anme.

KA-RAH KHAL

I think you've had enough fun for now.

ANME

But what is this power that the Red Ranger just showed?

KA-RAH KHAL

Who cares? The whole point of sending you out like this was to try to draw Chong out. Speaking of which...

Ka-rah Khal grabs onto the front of Kevin's shirt and picks him up.

KA-RAH KHAL

Where is he?

Master Chong walks up to the area.

MASTER CHONG

Right here!

Ka-rah Khal throws Kevin to the ground, and he lands face first.

KA-RAH KHAL

Excellent.

MASTER CHONG

What do you want Ka-rah Khal?

KA-RAH KHAL

This...thing between us has gone on long enough Chong. And I think it's time that we end this once and for all.

MASTER CHONG

So you're proposing a fight to the finish?

KA-RAH KHAL

Exactly. You will come with me to my fortress and tomorrow at this time we will settle this. So what do you say?

MASTER CHONG

What choice do I have in this matter?

KA-RAH KHAL

You either come with me willingly, or Abutok, and Uwagak will grab onto you and force you to come.

MASTER CHONG

Given the options, I'll come willingly.

KA-RAH KHAL

I knew you would. Now come!

Master Chong walks over toward Ka-rah Khal. Jorge and Toni look up at him as he walks.

JORGE

You're actually going to go?

MASTER CHONG

I don't have much of a choice in this.

TONI

But-

MASTER CHONG

I don't like this any more than you do,
but I have to do what I have to.

Master Chong walks up to Ka-rah Khal.

KA-RAH KHAL

Let's go.

Master Chong, Ka-rah Khal, Anme, Abutok, and Uwagak all disappear. Jorge and Toni get to their feet, and go over to where Kevin is lying. Jorge rolls Kevin onto his back, only to find that Kevin is now unconscious. Toni tries to shake Kevin.

TONI

C'mon Kevin wake up!

Michelle drives up to the area in Master Chong's jeep. She parks, gets out, and walks over to where Kevin, Jorge, and Toni are.

MICHELLE

I take it Bruce actually went with Ka-
rah Khal, right?

TONI

Yeah.

JORGGE

But why would he?

MICHELLE

When you're at the level that Bruce is,
you never turn down someone when they
challenge you. But that doesn't matter
now. Let's just get Kevin into the car,
and we'll try to figure something out.

FADE OUT.

FADE IN:

INT. THE APARTMENT ABOVE THE MARTIAL ARTS STUDIO - DAY

Kevin sits in a chair in the living room with a blanket over him, as he still remains unconscious. Jorge and Toni sit on the couch in the living room, while Michelle is in the kitchen putting a metallic looking bag of coffee marked "ROSSI'S" into the fridge. Michelle turns on a coffee maker, and it starts to brew. Jorge gets up and walks over to Michelle.

JORGE

So what are we going to do about this?

MICHELLE

I don't know.

TONI

And what was that power that Kevin was using?

JACK'S VOICE

It was the power of one of the Claw Beasts.

Michelle, Jorge, and Toni all turn their heads and see JACK, SAM, and SHARKY.

TONI

Jack?

MICHELLE

I called everyone here, before I went to go get you guys.

SHARKY

Now if only things didn't have to be this way.

JORGE

So are the three of you going to teach us how to use these new Beasts or something?

SAM

Actually we can't.

JORGE

What do you mean you can't?

JACK

When Bruce sent the three of you to learn the techniques of our Beasts, our Beasts were the only ones we could teach you.

TONI

But you've got to know someone who could teach us right?

SAM

Well that's the thing. The only people we know who could teach you about these Beasts usually aren't within the Las Bestias area on a regular basis. Although I think Lily and Derek are right now.

SHARKY

Which leaves Stephen.

TONI

So who are these people?

MICHELLE

Stephen Douglas-

JORGE

Does he have any relation to Edwin Douglas the third?

MICHELLE

That's his father why?

JORGE

Edwin Douglas has been trying to buy my dad out for years.

TONI

Who else is there?

MICHELLE

Derek Alexander.

JORGE

The former pro football player?

MICHELLE

How many times are you going to interrupt me? But yes Derek was a pro football player, and then there's Lily Liu. Is there anything you want to say about her snowboarding Jorge?

JORGE

I actually don't care about snowboarding.

TONI

But why would a snowboarder be in Las Bestias? Wouldn't she be in Aspen or something right now?

SHARKY

That's the thing we don't know where any of them *could* be.

MICHELLE

Not to mention that none of them ever really got along with each other, and Bruce and Stephen have never really seen eye to eye.

SAM

But at the very least we could try calling their cell phones. And I know you have their numbers Michelle.

MICHELLE

Well it wouldn't hurt to try.

TONI

So what are we going to do about Kevin?

JACK

Just let him sleep off that last battle you had. We'll fill him in later.

FADE OUT.

FADE IN:

INT. A CELLBLOCK WITHIN THE FORTRESS - TIME UNKNOWN

Master Chong paces around within a cell made of crossed metal bars that are painted red. After pacing for a while Master Chong looks at the cell across from him, and sees that it is only a red door, with a small barred window in it. Anme walks up to Master Chong's cell.

ANME

It actually feels good to see you in there.

MASTER CHONG

And I bet it's going to feel even better to see your master defeat me tomorrow.

ANME

The thought had crossed my mind. But then again under Ka-rah Khal's cat-like exterior lies a fifty-nine year old man, I'd say you have a pretty good chance at defeating him yourself, and when Ka-rah Khal's out of the picture...

MASTER CHONG

I get it now.

ANME

All I'm after is revenge on Ka-rah Khal for disturbing the life that I once had. Flamouca may not realize who she really is, but the mental conditioning that Ka-rah Khal gave us didn't fully work on me. But if it so happens that in Ka-rah Khal's destruction that I gain some power, then so be it.

MASTER CHONG

It's a pity.

ANME

What?

MASTER CHONG

Master Li never would have taught any of his students like that.

ANME

And why's that a pity?

MASTER CHONG

Because whatever power Master Li grabbed to become Ka-rah Khal corrupted him more than I had imagined. There may be no turning back for him.

Ka-rah Khal walks up to the cell.

KA-RAH KHAL

And why do I get the feeling that my ears are now burning?

ANME

We were just talking about what's going to happen tomorrow master.

KA-RAH KHAL

I see. Well you better give me everything you've got tomorrow Chong.

MASTER CHONG

Believe me I will.

KA-RAH KHAL

Now try to get some rest in this cell of yours. After all it could be the last bit of rest you ever get. Come Anme.

Ka-rah Khal and Anme leave the cellblock.

VOICE

So Ka-rah Khal plans on finishing you off?

Master Chong looks around the cellblock but sees no one.

MASTER CHONG

Who said that?

VOICE

I'm across from you in the secluded cell.

Master Chong looks over at the red door.

MASTER CHONG

(unsure) Okay. Who are you?

VOICE

I am merely someone Ka-rah Khal captured months ago when he discovered that I had techniques of an ancient Primal Beast.

MASTER CHONG
An ancient Primal Beast?

VOICE
It was one of the first Beasts that were discovered in China, when the practice of animal based kung fu was created to control Primal Instincts.

MASTER CHONG
I see.

VOICE
Tell me what's your name?

MASTER CHONG
Why do you want to know my name?

VOICE
Just as you wanted to know who I was, I too am curious as to who I'm speaking to.

MASTER CHONG
Bruce Chong.

VOICE
I'm Aslec. Tell me my friend; are you nervous about your duel with Ka-rah Khal tomorrow?

MASTER CHONG
Not really, but-

ASLEC'S VOICE
You're concerned about fighting your former master in combat, right?

MASTER CHONG
Yeah. Despite the fact that he's now that cat creature, I know the original good person who was my master must still be underneath all that somewhere.

ASLEC'S VOICE
But did you not say to Anme that there could be no turning back for him?

MASTER CHONG
Of course, but him staying the way he is, is-

ASLEC'S VOICE
Only one possibility.

MASTER CHONG

How'd you know I was going to say that?

ASLEC'S VOICE

I had a feeling you were going to go that way Bruce. But I do agree with you. However, while I do have a feeling that you'd want Ka-rah Khal to repent for his misdeeds, and return to his previous form, if you were to defeat him I could potentially be released from this life of solitary confinement, and help you finish off whatever else needs to be finished off. Besides we are also drawing very close to seeing the Three crossing over into this rift between realms. And I could help you with defeating them.

MASTER CHONG

I'll think about it.

ASLEC'S VOICE

As I suspect you would. But for now I think it's best you get some rest, because Ka-rah Khal will not go easy on you.

FADE OUT.

FADE IN:

INT. A TEA ROOM WITHIN A FANCY HOTEL - DAY

STEPHEN sits at a table putting two sugar cubes into a cup of tea with a pair of tongs. Once the cubes have been put into the tea Stephen puts the tongs back onto a bowl with more sugar cubes in it, and stirs his tea. Kevin and Sharky walk into the room and up to Stephen's table just as he takes a sip of tea. Stephen notices Kevin and Sharky and puts his cup down on a saucer.

STEPHEN

Carradine, to what do I owe this visit?

Sharky looks around the room.

SHARKY

(somewhat whispering) Bruce has been captured, and you Lily and Derek are the only ones that can help us out right now.

Stephen looks at Kevin, and notices the color of Kevin's shirt.

STEPHEN

And I take it he's Chong's Red Ranger, right?

KEVIN

Yeah. Can you teach me how to summon a Claw Beast?

STEPHEN

Working with the Claw Beasts isn't going to be as easy as learning the techniques that Carradine or Chong taught you. Not only do you have to show that you possess at least one of the attributes that the Beast has, you also have to show that you have some relation to the Beast's element.

KEVIN

The Beast's element?

STEPHEN

Every Claw Beast is connected to an element, like fire for example. So what quality do you have that embodies both fire and a gorilla?

KEVIN

Why fire and a gorilla?

STEPHEN

Because the Beast you'll be learning to summon is the Fire Claw Gorilla. Like I said, what quality do you have that embodies both fire and a gorilla?

KEVIN

Uh...

STEPHEN

If you really were a Red, then you should be able to think of this right on the spot. But I've also heard that you lack some real leadership abilities.

SHARKY

(somewhat annoyed) You're a fine one to talk.

STEPHEN

And what's that supposed to mean?

SHARKY

I seem to remember Master Li grouping you, Derek, and Lily as one team among all of his students.

STEPHEN

It's not like either of those two ever followed me, or even got along with me when we were supposed to be a team. And besides the Claw Beasts are fairly strong on their own anyway.

SHARKY

But we're dealing with a team of Rangers here. They're not supposed to act separately. And if you're not going to help us out, then let's just go Kevin.

Sharky starts to walk away from the table. After taking a few steps Sharky turns around and sees that Kevin is still at the table.

SHARKY

Aren't you coming?

KEVIN

If learning how to summon a Claw Beast is the only way we can defeat Anme, and maybe save Master Chong, then I'm not going anywhere.

STEPHEN

And in that case, get ready for some training.

Stephen rises from his seat and starts to walk out of the room. Kevin soon follows.

EXT. A BUILDING MARKED "GAZELLE GARAGE" - DAY

Sam walks up to the front of the garage, followed by Jorge who is holding a football.

SAM

I still can't believe you actually wanted to make that quick pit stop just to buy a football.

JORGE

I used to watch every game that Derek Alexander played before his knee injury. And frankly it's not everyday that you meet a former pro athlete.

SAM

Great, just what I need a fanboy.

JORGE

Can we just go in?

Sam tries to open the door to the garage, but it appears to be locked. Sam and Jorge peer into the building through the windows and most of the interior appears to be empty.

SAM

I thought he had a garage here.

DEREK walks up behind Sam and Jorge.

DEREK

I do Sam.

Sam and Jorge turn around and see Derek.

SAM

So what's going on here?

DEREK

I'm getting ready to start my business.
So what do you want?

JORGE

I need you to train me.

Derek looks at Jorge and sees the ball.

DEREK

In what, how to throw that ball?

JORGE

Actually, it's how to summon a Claw
Beast.

Derek's eyes widen in surprise. He then reaches into his
front right pants pocket, and takes out his keys. Derek
unlocks the door.

DEREK

We better take this inside.

Derek opens the door, and he, Jorge, and Sam enter the
store. Once the three of them are inside, Derek locks the
door again.

DEREK

So what exactly happened that requires
me to do some teaching?

SAM

Bruce got captured, and one of the
other Rangers managed to somehow tap
into the power of the Claw Beasts. And
it appears that-

DEREK

The Claw Beasts are the only thing that
could stop what the Rangers are now
facing, right?

SAM

Yeah. So what do you say?

DEREK

I don't know. On one hand if it could
potentially save Bruce from whatever
happened I should.

JORGE

On the other hand?

DEREK

The techniques I'd be teaching you are for the Metal Claw Gazelle, which actually features quite a bit of kicking, and I don't want my knee to act up. That's why I moved back to California after spending so many years living in New York.

JORGE

Don't you actually mean New Jersey?

DEREK

While the stadium was in Jersey, I actually lived in NYC.

SAM

So you going to help us out, or what?

DEREK

I don't know. Like I said if I were to teach him what he needs to know it could affect my injury.

JORGE

But there's got to be something that the "Gallopig Gazelle" could do.

Derek walks to the opposite side of the room from Sam and Jorge.

DEREK

Throw me the ball.

Jorge throws Derek the football in a perfect spiral. Derek catches the ball, and walks back over to Jorge and Sam.

DEREK

Did you play any high school ball?

JORGE

A little, why?

DEREK

You've actually got a pretty good arm. I think there's something that I could do to teach you.

EXT. A BEACH - SUNSET

Jack and Toni walk up to where the water meets the sand.

TONI

So where is she?

JACK

I don't know. Michelle said she'd be around here somewhere.

LILY, wearing a yellow bikini, and a sarong around her waist, comes up to Jack and Toni on a yellow and white surfboard.

LILY

I was wondering when you were going to get here Jack.

Lily gets off of her board, and picks it up.

LILY

And I assume that this is who Michelle wants me to train.

TONI

Yeah. And the sooner we can do this the better.

LILY

Just relax. We'll get to the training sooner or later.

TONI

Well it's got to be sooner, or Master Chong might not be able to-

LILY

Just chill. Let me get changed and we'll see what's what. Okay?

Lily walks past Jack and Toni, as a somewhat angered look goes over Toni's face.

INT. THE MARTIAL ARTS STUDIO - EVENING

Kevin, Jorge, and Toni stand before Stephen, Derek, and Lily (now wearing jeans and a yellow tank top). Michelle, Jack, Sam, and Sharky stand off to the side of the room.

STEPHEN

Kevin, you may be the Red Ranger of this group, but you are in no way the leader you're supposed to be.

KEVIN

So what are we going to do about my training?

STEPHEN

If you can show me that you can light a fire in your heart to become the leader you're supposed to be, we'll talk.

DEREK

Jorge, it's one thing to ask someone to train them, it's another to actually deserve it. If you can show me your mettle on the gridiron tomorrow, we'll talk about training.

JORGE

(unsure) Okay.

LILY

Toni, you seem like a nice enough person and all, but you seem a little too uppity.

Jorge starts to laugh to himself a little. Toni looks over at him and gives him an evil look.

LILY

And that's exactly what I'm talking about. You've got to learn to chill out a little. Then maybe we'll talk about training for the Ice Claw Penguin.

STEPHEN

And if only one of you is unable to do these things, then summoning a Claw Beast will be nothing but a dream.
