"POWER RANGERS PRIMAL STRIKE: EPISODE 14 - THE THREE"

FADE IN:

EXT. A PARK IN LAS BESTIAS - NIGHT

BEN, a man who appears to be in his early twenties dressed in a black t-shirt and jeans, sits on a bench next to MORGAN, a young woman who appears to be about the same age as Ben, and is wearing a black skirt with green tank top. After a few moments of the two of them just sitting on the bench, the silence starts to get to Morgan.

MORGAN

C'mon Lyon there's got to be some reason why you dragged me out to this park at this hour.

Ben checks his watch quickly.

BEN

Actually it's just about time.

MORGAN

For what?

BEN

It was at this spot, at this time a couple years ago that we first met.

MORGAN

It was?

BEN

Yeah, and I think you know how that went.

MORGAN

Of course, these have been two of the best years I've ever spent dating a guy. So why bring me here tonight?

BEN

I've been doing a lot of thinking recently.

MORGAN

About what?

BEN

Us.

MORGAN

What about us?

BEN

My parents thought I was crazy for thinking about this at my age, but then again my dad was the same.

MORGAN

So what's going on?

Ben rises from the bench, and takes out a small black velvet box out of one of his pockets. He turns around to face Morgan, crouches down on one knee, and opens the box revealing a diamond ring

BEN

I know two months salary for a law student isn't much, but-

MORGAN

It's more than enough for me.

BEN

So-?

MORGAN

Of course.

Ben picks up the ring from out of the box, and slips it on Morgan's left ring finger. Ben stands up a little, and they both hug for a moment.

VOICE

Oh how touching.

Ben and Morgan let go of each other and turn their heads to see KA-RAH KHAL.

BEN

Who are you?

KA-RAH KHAL

I am Master Ka-rah Khal, and by the looks of things, you two will make excellent minions in my conquest of this realm.

BEN

Neither one of us are going to go with you.

MORGAN

So you can go back to whatever cat box you crawled out of.

KA-RAH KHAL

I should've expected mouths like the ones the two of you have from people so young. But then again, I wasn't asking either of you to come with me willingly.

BEN

You can't just abduct us like this.

MORGAN

Our families will come looking for us.

BEN

And don't forget about the cops.

KA-RAH KHAL

There won't be anything the police will be able to do about the two of you. And as for any family members of yours, well things can be arranged. The two of you should be honored that I chose you to experience power that can go beyond your wildest imaginations. But since it appears you're leaving me no choice, Khatta Warriors!

A small platoon of Khatta Warriors appears behind Ka-rah Khal, and surrounds Ben and Morgan.

INT. THE TRIBULATION ARENA - TIME UNKNOWN

Ka-rah Khal sits in his chair while Ben and Morgan stand in the main part of the arena with their hands tied behind their backs with rope. Black and green colored energy starts to descent from the ceiling. The black energy starts to go over Ben's body, while the green energy goes over Morgan's.

BEN

Morgan, no mater what happens I'll-

Ben and Morgan fully absorb the energy, and a slight tinge in each of the colors stays over their bodies for a moment. The tinges disappear as Ben and Morgan break the ropes that are attached to their wrists. More black energy goes over Ben's body for a moment, and once it disappears it leaves Ben wearing black leather body armor, and a black overcoat that resembles fur with two lion heads on it. More green energy goes over Morgan's body for a moment, and when it disappears her hair divides into two sections and starts to braid itself leaving green ends. The braids curl into circles, and a green Oriental-style dress appears over Morgan's body, and green scale-like gloves appear over her forearms.

KA-RAH KHAL

Excellent, it appears that this process will in fact work. Not a bad idea to test it on a couple humans first. Isn't that right, Anme, Flamouca?

ANME AND FLAMOUC A

Yes master.

KA-RAH KHAL

But before we can really do anything the two of you will spend time training with your new abilities.

DISSOLVE TO:

INT. A ROOM WITHIN THE FORTRESS - TIME UNKNOWN

Flamouca sits in front of a vanity mirror holding her engagement ring from her previous life.

FLAMOUC A

I still can't remember why I got this ring. But however I got it, I know I don't need it.

ANME'S VOICE

Flamouca! FLAMOUC A!

Flamouca walks into the hallway and throws the ring away. Anme walks up to her.

ANME

They're here.

FADE OUT. OPENING CREDITS.

FADE IN:

INT. THE TRIBULATION ARENA - TIME UNKNOWN

Anme sits in Ka-rah Khal's old seat, while Flamouca sits in her usual seat. GWIN, LLYEJ, and TSUNO walk into the main part of the arena and face Anme and Flamouca. Gwin notices that there is one seat empty.

GWIN

Tell me young lion, why are you sitting in your master's chair?

ANME

Ka-rah Khal had an "unfortunate run in" with the Rangers a few days ago, and as such I took over as leader for our cause. However with Ka-rah Khal gone, we don't have anyone to sculpt Khatta Warriors.

TSUNO

Oh bother. But why do you need anyone to sculpt Khatta Warriors for you?

LLYEJ

Silly old bear. The Khatta Warriors are and always have been sculpted from a special type of clay, that when baked in a kiln gives them great power. But the real question remains, who's going to sculpt them?

GWIN

I will.

LLYEJ

Really Gwin? You're going to sculpt the Khatta Warriors?

GWIN

My talons have been aching to do something that is somewhat creative, even if it is the sculpting of Khatta Warriors.

ANME

Very well.

GWIN

You do not have any objections Anme?

ANME

When one of the Three says that they are willing to do something, I'm going to let them.

TSUNO

You're going to let us do whatever we want?

ANME

And why is that a problem Tsuno?

TSUNO

Because the last time I checked, you were no position to allow us to do anything. And it also appears that you fail to remember that the three of us were the ones who gave Ka-rah Khal his power. So if you're thinking that taking over for Ka-rah Khal is going to allow you to boss us around, think again. Or maybe I should let you see first hand why my Primal Beast is called the Fury Bear.

ANME

So what do you want me to do?

TSUNO

Step down from that chair, and the upper portion of the arena. A human like you who has the power of one of the Fallen within him, in no way deserves to be looking down at the three most powerful demons the other realm has to offer. Got it?

ANME

And if I refuse?

TSUNO

Gwin, Llyej, Flamouca, could I have a moment alone with Anme?

GWIN

As you wish Tsuno.

LLYEJ

Yes, come Flamouca.

Flamouca rises from her chair, and steps down into the main part of the arena. She then leaves the arena entirely with Gwin and Llyej.

ANME

So what is it that you want to talk about?

TSUNO

The scream energy that you used to allow us to cross over into the rift was no ordinary scream energy.

ANME

How so?

TSUNO

It was created in the grip of anger and hatred, wasn't it?

ANME

Like I said Ka-rah Khal had an "unfortunate run in" with the Rangers a few days ago.

TSUNO

Were you there to witness Ka-rah Khal's descent into oblivion?

ANME

Of course, I was in the human realm at the time, and standing near the Rangers and Chong.

TSUNO

Don't play dumb with me. I know you were the one to force Ka-rah Khal's destruction, and caused the kind of scream energy he released. But you may want to rethink your ways.

ANME

Why should I?

TSUNO

Because the usurper never knows when he himself will be usurped. Just take this as a warning for now.

ANME

Are you trying to say that you doubt my abilities?

TSUNO

On the contrary, I have great faith in your abilities. In fact I'm more than willing to show you how to unleash your rage to its fullest potential. But there is one thing that I need from you first.

ANME

(annoyed) What?

TSUNO

You're undying loyalty to me. Because I don't take too kindly to students who could potentially stab me in the back. Now what do you say?

ANME

I'll think about it.

TSUNO

Think all you want, but since the Rangers have tapped into the power of the Claw Beasts, your days around here could be numbered. Just try to keep that in mind.

FADE OUT.

FADE IN:

INT. THE MARTIAL ARTS STUDIO - DAY

MASTER CHONG stands off to the side of the studio watching KEVIN, JORGE, and TONI (all in their uniforms) sparring with each other and Stryker using Claw Beast energy. Jorge manages to knock Stryker to the ground, and turns his attention to Kevin and Toni who look as if they have ganged up on Jorge. A massive amount of Claw Beast energy goes over Jorge's body, and a partially sinister look goes over his face, just as he starts to run toward Kevin and Toni.

MASTER CHONG

Okay that's enough for today.

The Claw Beast energy disappears from Jorge's body, and he Kevin and Toni face Master Chong.

JORGE

So what, you don't think we're getting good?

MASTER CHONG

No, no I think the three of you could very well be on your way to being better than me someday; it's just that you looked like you were going to brutally harm Kevin and Toni during what's supposed to be a sparring exercise.

KEVIN

What are you saying?

MASTER CHONG

Just like I don't expect the three of you to morph unless you have to, I don't want the three of your morphing into Claw Form unless it's absolutely necessary. In fact I just had Michelle install a failsafe mechanism in the Claw Grips.

TONI

For what?

MASTER CHONG

It's to make sure that you guys don't harm yourselves by morphing into Claw Form too many times, because frankly I'm not sure about the three of you having two normal Primal Beasts, as well as a Claw Beast.

JORGE

But-

KEVIN

Can we just go with it? If Master Chong says that he doesn't want us to morph to Claw Form unless we have to, we'll do it.

MASTER CHONG

Good to know that you're keeping the whole leader thing with you Kevin. And as such I'm going to leave the decision to morph to Claw Form up to you when the three of you are fighting together.

KEVIN

Why me?

Toni rolls her eyes a little.

TONI

Kevin, Master Chong just mentioned your newfound leadership, why else would he leave the decision to you?

JORGE

It almost looks like our leader needs to smarten up a little bit about being a leader.

KEVIN

Hey! This is still new to me.

MASTER CHONG

Either way, Toni, Jorge, do you both agree to Kevin being the one who decides whether or not you morph to Claw Form?

TONI

Yeah.

JORGE

I guess, but what about if Kevin's not around?

MASTER CHONG

I guess if you're own your own, then it's up to your discretion. But if it's just you and Toni, then you have to agree to do it together.

A partial smile goes over Toni's face.

TONI

This should be fun.

JORGE

C'mon you know Toni and I have never really gotten together that great.

KEVIN

What about this whole friend thing that the three of us are supposed to be now?

MASTER CHONG

Kevin's right Jorge.

TONI

And don't worry, Jorge, I won't disagree with you about morphing to Claw Form...much.

FADE OUT.

FADE IN:

INT. THE TRIBULATION ARENA - TIME UNKNOWN

Tsuno sits in Ka-rah Khal's former seat, while Llyej sits in Flamouca's former seat. Anme and Flamouca stand within the main part of the arena kneeling and looking up at Tsuno and Llyej.

FLAMOUC A

Where's Gwin?

TSUNO

He's off living up to what he said he'd do earlier. So expect to see clay on his talons when he decides to come join us again.

ANME

So do either of you have any plans for Las Bestias?

LLYEJ

I was thinking Tsuno that maybe it's time that we let the Rangers know about our presence.

TSUNO

Not a bad idea. In fact it would be nice to see why Ka-rah Khal was so up in arms about wanting to take over the human realm. However, what I'd like to know is if we have a ready Fallen?

FLAMOUC A

Ka-rah Khal wanted me to do a Khatta Warrior tournament before he died, but nothing really came of it because the Khatta Warriors managed to destroy each other, and didn't leave anything.

TSUNO

Then it's good that Gwin is sculpting some Khatta Warriors at the moment. But that still leaves something or someone to do an initial attack.

LLYEJ

As you know Tsuno I've been quite bored with just the three of us, and the souls of the Fallen in the other realm for centuries.

TSUNO

Fine Llyej, you go first. Although I think the Rangers might find you to be quite...spineless.

LLYEJ

I'll spare you my wrath for that jellyfish joke, because I just want to go now.

Llyej rises from her chair and disappears. Moments later Gwin walks into the main part of the arena followed by a small platoon of Khatta Warriors.

TSUNO

Excellent Gwin. Now we can have these Khatta Warriors fight amongst themselves to determine who is worthy of taking on the mantle of a Fallen. Anme, Flamouca, get out of the arena.

Gwin, Anme and Flamouca walk up to the platform. Gwin sits in the chair that Llyej was in, while Anme narrowly makes it into the remaining chair, as Flamouca ends up standing.

TSUNO

Khatta Warriors, fight!

The Khatta Warriors start to fight amongst themselves. Two of them start to hit each other with their arms, which ends with both of them destroying each other. However one of the Khatta Warriors takes its staff and makes quick work of the three remaining ones slashing at them all, until they all crumble. Flamouca walks down to the main part of the arena, and takes off the Khatta Warrior's hat. Pink energy descends from the ceiling, and the Khatta Warrior becomes an AN'XI with a pig-like mantle in its forehead.

AN'XI

What is your bidding Master Tsuno?

TSUNO

Llyej has all ready gone to the human realm to test the Rangers. After she is done Gwin and myself will go too, to further test the Rangers. Once the three of us have grown bored, you will finish the Rangers off.

AN'XI

As you command, my master.

ANME

Do you really think that a Fallen with the power of the Pudge Pig is really going to defeat the Rangers?

TSUNO

Were you like this with Ka-rah Khal?

FLAMOUCUA

He was.

Anme shoots Flamouca an evil look.

TSUNO

Either way, Anme you have nothing to worry. Because as you probably don't all ready know the three of us will tire the Rangers out so much that they'll barely be able to stand.

FADE OUT.

FADE IN:

EXT. THE STREETS OF LAS BESTIAS - DAY

Kevin, Jorge, and Toni (all now dressed normally) walk down a sidewalk.

JORGE

Please Kevin you've got to be kidding me about this whole not morphing to Claw Form thing.

KEVIN

Like I said, if Master Chong doesn't want us to do it unless we have to, then we're not.

TONI

So you might want to listen to him since he is our leader.

JORGE

I've got to admit Kevin; I'm kinda hating this whole leader thing with you. (to Toni) And you're not helping.

KEVIN

Why?

JORGE

It was just easier when you were a bit of a doormat. But-

The sky darkens. Kevin, Jorge, and Toni all sniff the air.

TONI

Looks like Anme's sent something.

KEVIN

Well let's go.

EXT. THE SIDE OF A RIVER - DAY

The sky remains dark as a gigantic Llyej rises from the river. Kevin, Jorge, and Toni run up to the area.

JORGE

It's all ready gigantic?

KEVIN

Well we better morph.

Kevin, Jorge, and Toni's bracelets become their morphers. They all then perform the morph hand movements.

KEVIN, JORGE, AND TONI
Unleash the beast!

Kevin, Jorge, and Toni all morph. They then press the buttons on their right hand morpher parts.

KEVIN, JORGE, AND TONI
Feral Cats, unleash!

Kevin, Jorge, and Toni raise their right hands and unleash the Feral Cats. They all jump up and into their respective Cat, and the Feral Cats combine.

KEVIN, JORGE, AND TONI
Feral Megazord, ready to strike!

The Feral Megazord face Llyej. Llyej twirls her staff a little. The Feral Megazord charges at Llyej, but she just lets out a sinister laugh. Once the Feral Megazord has approached Llyej, it tries to punch her with its right fist, but Llyej turns into jelly and disappears, only to reappear behind the Feral Megazord. Llyej then strikes the Feral Megazord with her staff, and the force of the attack sends the Feral Megazord flying back, landing face first on the ground.

JORGE
What was *that*?!

TONI
It's probably no different than any other monster.

KEVIN
Let's just defeat it.

The Feral Megazord gets back to its feet and charges at Llyej.

LLYEJ
Pathetic Rangers.

The Feral Megazord tries to punch Llyej with its right fist, but the attack does nothing due to Llyej turning into jelly. The Feral Megazord tries a few more punches, but again the attacks do nothing as Llyej turns herself into jelly.

KEVIN, JORGE, AND TONI
Spinning Strike!

The Feral Megazord performs the Spinning Strike attack, but it does not do anything due to Llyej's jelly form. Llyej disappears after the Feral Megazord finishes its attack.

KEVIN

We did it?

Llyej reappears behind the Feral Megazord grabbing onto it.

LLYEJ

You Rangers will never touch me, so cut it out. Or maybe I should just teach you a little lesson.

Several explosions go over the Feral Megazord's body, and Kevin, Jorge, and Toni fall to the ground unmorphed. Llyej disappears as the sky returns to normal. Kevin, Jorge, and Toni get back to their feet.

JORGE

So what was that?

TONI

It looked like some kind of jellyfish monster. But why'd it run off like that?

KEVIN

It's still here.

Jorge, and Toni sniff the air.

JORGE

He's right.

Llyej reappears with Gwin and Tsuno.

LLYEJ

And this time I've brought some friends.

GWIN

Permit me to introduce myself Rangers. I am Gwin, master of the Flight Hawk. You probably remember my bodyguards Rowc and Ranec, who you destroyed not too long ago.

LLYEJ

I'm Llyej, mistress of the Sting Jellyfish.

TSUNO

I'm Tsuno. And now it's time to show
the three of you the fury of this bear.

JORGE

Wait a minute, one these guys is a
bear?

TONI

Looks like it, why?

JORGE

Stephen Colbert's going to have a field
day with this.

TSUNO

Enough jokes. It's time to finish the
three of you.

Gwin, Tsuno, and Llyej all charge at Kevin, Jorge, and
Toni.

JORGE

So are we going to morph or what?

KEVIN

Yeah.

Kevin, Jorge, and Toni's bracelets become their morphers,
and the all morph in flashes of their respective colors.
Tsuno grabs onto Kevin, Gwin grabs onto, and Llyej grabs
onto Toni. Tsuno, Gwin, and Llyej take the Rangers that
they grabbed to different areas. In their area Tsuno
extends his claws and starts to slash at Kevin a little.
After a few hits Kevin jumps back.

KEVIN

Shark Blade!

The Shark Blade forms in Kevin's hands, and he splits it in
two. Tsuno pulls back his arms, and Kevin positions the two
Blades for defense, but Tsuno manages to knock both weapons
out of Kevin's hands, and then goes on to slash at Kevin
even more.

TSUNO

It appears as if you Rangers aren't as
much of a problem as Ka-rah Khal always
mentioned. But it doesn't matter.
Primal Beast...Fury Bear! Claw Strike!

Dark navy colored energy goes over Tsuno's body. Tsuno then gives Kevin two slashes that cause him to go flying back. In their area Gwin is flying in the air looking down at Jorge.

GWIN

I am sure the Flight Bird abilities that my bodyguards had gave you quite some trouble.

JORGE

Not really because I learned how to fly with the Nocturnal Bat. Speaking of which...Double Bat Cutter!

Two Bat Cutters form in Jorge's hands, and he jumps up and starts to fly. Gwin swoops in and strikes Jorge hard with the talons on his hands. The force of Gwin's attack causes Jorge to fall to the ground.

GWIN

Primal Beast...Flight Hawk! Talon Strike!

Gwin swoops in on Jorge, and gives him a hard strike with his talons. The force of the attack causes Jorge to fly back near Kevin. In their area, Llyej strikes Toni several times with her staff. Toni jumps back a little.

TONI

Elepha-

LLYEJ

Primal Beast...Sting Jellyfish! Tentacle Strike!

Several tentacles come out of Llyej's back, fly over to Toni and hit her hard. A few more tentacles wrap themselves around Toni, and Llyej starts to thrash Toni back and forth a few times until finally Llyej throws Toni over toward Kevin, and Jorge. Toni gets to her feet and regroups with Kevin and Jorge.

TONI

They're too strong.

KEVIN

So were Abutok and Uwagak, but we managed.

JORGE

So what now? Claw Form?

KEVIN
Claw Form.

KEVIN, JORGE, AND TONI
Claw Grips!

Nothing happens.

JORGE
What?!

TONI
Why aren't we able to call the Claw
Grips?

KEVIN
And there should be Claw Beast energy
right now too.

TONI
So what's going on?

Tsuno, Gwin, and Llyej start to close in on Kevin, Jorge,
and Toni.

TSUNO
Look at them.

LLYEJ
They couldn't be any more helpless
right about now.

GWIN
Maybe we should just end their misery,
and then let Igp loose on the city.

TSUNO
Not a bad idea Gwin.

Tsuno raises his claws, and prepares to strike.

KEVIN
No!

Claw Beast energy goes over Kevin's body.

KEVIN
Claw Grip!

Kevin's Claw Grip appears in his right hand. He then holds
the weapon out in front of him.

KEVIN
Unleash the Claw Beast!

Kevin presses the side button on the Claw Grip, and morphs to Claw Form. Kevin's shoulder jets fire up and he goes flying over to Tsuno, and strikes him hard with his grip. However, Kevin's attack only does a minimal amount of damage.

TSUNO

That was better than before, but still pathetic. Now let me show you how to attack someone with a claw.

Tsuno winds back his right arm, Jorge, and Toni notice.

JORGE AND TONI

Kevin!

Claw Beast energy starts to go over Jorge and Toni's bodies.

JORGE AND TONI

Claw Grip!

Jorge and Toni's Claw Grips appear in their right hands, and they both hold the weapons out in front of them.

JORGE AND TONI

Unleash the Claw Beast!

Jorge and Toni press the side buttons on the Claw Grips and morph to Claw Form. Both of their shoulder jets fire up, and they go over to Kevin, and get him out of the way of Tsuno's attack.

GWIN

Hmm...looks like their abilities with the Claw Beasts might be fairly limited.

LLYEJ

Not to mention that Anme and Flamouca don't have that kind of power. So it looks like the three of us have something that we should be doing with them.

TSUNO

Agreed. You two teach the chameleon whatever it is you need to teach her.

LLYEJ

What about Anme?

TSUNO

I sense much anger within him, so just
leave him to me. But for now let's
leave the Rangers. IGP!

The An'xi appears near Tsuno, Gwin, and Llyej.

AN'XI

You called?

TSUNO

Take care of the Rangers.

AN'XI

As you command master.

Tsuno, Gwin, and Llyej disappear as the An'xi performs a
few hand movements, and transforms into the IGP monster.

IGP

I don't care what kind of forms the
three of you may have; you're all going
down!

JORGE

He's no different than any other
monster.

KEVIN

Either way I think we know what we have
to do.

Kevin, Jorge, and Toni's shoulder jets fire up and the
three of them go over to Igp and start to slash at him
numerous times with their Claw Grips. After getting hit
numerous times, Igp takes out a chain-like weapon that
resembles sausages, and strikes Kevin, Jorge and Toni with
it.

IGP

I hope I didn't hurt you too badly with
my Link Chain. But here's something
much worse, Sausage Strike!

Igp throws numerous sausages from the Link Chain at Kevin,
Jorge, and Toni, and upon hitting them the sausages explode
causing Kevin, Jorge, and Toni to go flying back several
feet.

TONI

Who would've thought that a pig monster
would be using sausages as a weapon?

JORGE

Well it's definitely not kosher. So what's the plan, leader?

KEVIN

How about we strike him with the Claws and then take him out with the Feral Striker.

TONI

Sounds good to me.

KEVIN

Jorge?

JORGE

Whatever.

Kevin, Jorge, and Toni's shoulder jets fire up and they all start to fly toward Igp. Jorge slashes the air in front of Igp and unleashes three giant metal blades. The blades fly toward Igp and hit him. Toni then comes in with the cooling mist around the claws on her Grip. Toni waves her Grip in front of Igp, and the mist goes over him and covers him in ice. Kevin flies toward Igp with fire over the claws on his Grip, and strikes Igp, hard. The ice that is on Igp shatters and he falls to the ground. Kevin, Jorge, and Toni regroup.

KEVIN, JORGE, AND TONI

Feral Striker!

Kevin, Jorge, and Toni all raise their right hands and the Feral Striker forms. They all get into position with the Feral Striker.

KEVIN

Let's roast this pig.

The Feral Striker powers up, and Kevin presses the back end of it forward. The mouth of the Feral Strike opens up and a blast is fired. Igp takes the blast and falls down and explodes. When the flames of the explosion clear, Igp gets back to his feet.

IGP

This isn't over!

Igp grows to gigantic size.

KEVIN, JORGE, AND TONI

Claw Beasts unleash!

Claw Beast energy goes over Kevin's body.

KEVIN
Fire Claw Gorilla!

The energy turns into the Fire Claw Gorilla, and Kevin jumps up and into it. Claw Beast energy goes over Toni's body.

TONI
Ice Claw Penguin!

The Energy becomes the Ice Claw Penguin, and Toni jumps up and into it. Claw Beast energy goes over Jorge's body.

JORGE
Metal Claw Gazelle!

The energy becomes the Metal Claw Gazelle, and Jorge jumps up and into it. The Claw Beasts then combine.

KEVIN, JORGE, AND TONI
Tri Claw Megazord, ready to strike!

The Tri Claw Megazord faces Igp, who twirls his chain above his head.

IGP
This worked before and it'll work again, Sausage Strike!

Igp twirls his chain, unleashing numerous sausages that hit the Tri Claw Megazord, and cause a few explosions. Igp then throws his chain to the side and starts to hit his backside.

IGP
Nah! Nah!

The Tri Claw Megazord starts to charge at Igp.

IGP
Primal Beast...Pudge Pig!

The Tri Claw Megazord tries to punch Igp, but the attack deflects off of the monster's body. The Tri Claw Megazord goes on to punch Igp a few more times, but the attacks still deflect off of his body.

IGP
Idiots. The Pudge Pig allows me to throw my weight around. As well as this...

Igp turns around, and starts to expel a noxious gas. Inside of the Tri Claw Megazord Kevin, Jorge, and Toni place their left hands over the lower part of their helmets.

TONI

Disgusting.

JORGE

No wonder he's a pig.

Outside the Tri Claw Megazord falls to the ground. Inside of the Tri Claw Megazord Kevin, Jorge, and Toni lie face down on their podiums.

TONI

There's got to be something we can do about this guy.

KEVIN

Do you think the other Beasts would work with this Megazord?

JORGE

Why, you thinking about calling for the Hydro Shark?

KEVIN

Well I just thought that the Fin Sabers could probably cut through Igp's fat.

TONI

There's only one way to find out, right?

KEVIN

Well here goes. Hydro Shark, unleash!

Kevin presses the buttons on his right hand morpher part and raises his right arm. Outside aqua colored energy has gathered over the Tri Claw Megazord's right hand. The Tri Claw Megazord unleashes the energy, and the Hydro Shark appears.

KEVIN, JORGE, AND TONI

Hydro Shark combine!

The Hydro Shark then combines with the Tri Claw Megazord.

KEVIN, JORGE, AND TONI

Tri Claw Megazord Hydro Fin!

IGP

Doesn't matter what you guys do; you won't get through the Pudge Pig.

Igp charges at the Tri Claw Megazord, but the Tri Claw Megazord charges at Igp, and starts to slash at the monster with the Fin Sabers a few times. Inside of the Tri Claw Megazord Kevin, Jorge, and Toni place their hands over their energy orbs.

KEVIN

Okay let's finish him.

KEVIN, JORGE, AND TONI

Saber Strike!

Kevin, Jorge, and Toni wave their right hands over their energy orbs, soon followed by their left hands. Outside aqua colored energy gathers over the Fin Sabers, and the Tri Claw Megazord starts to slash at Igp. Igp takes all of the slashes, turns into numerous slices, and explodes.

FADE OUT.

FADE IN:

INT. THE TRIBULATION ARENA - TIME UNKNOWN

Tsunno, Gwin, and Llyej sit in their chairs as Anme and Flamouca look up at them while standing in the main part of the arena.

ANME

That pig failed.

TSUNO

Doesn't matter.

FLAMOUCO

It doesn't?

GWIN

Igg was just to test the Rangers' abilities for now.

LLYEJ

We have more important things for both the Rangers and you.

ANME

And us?

GWIN

We are going to take the both of you on as students to hone your abilities more than Ka-rah Khal ever could.

LLYEJ

Flamouca, Gwin and I will be instructing you.

TSUNO

And it doesn't matter whether you decided to agree to my training or not Anme. You're getting it. However I would like I moment alone with you, so Gwin, Llyej, Flamouca please leave us.

Gwin and Llyej get up from their seats and walk down into the main part of the arena. They then with Flamouca start to leave the arena all together.

LLYEJ

Flamouca, before we leave the arena. I wanted to give you something.

FLAMOUC A

What?

Llyej takes out Flamouca's engagement ring, and gives it to her.

LLYEJ

I found this lying on the floor in a hallway, and thought you might want it.

Flamouca squeezes the ring in her right hand. In her mind Flamouca sees Anme as Ben for a quick second, before walking out of the arena with Gwin and Llyej. Once Gwin, Llyej, and Flamouca are no longer sight, Tsuno rises from his chair.

ANME

So what do you want to talk about?

TSUNO

Tell me Anme, is there anyone in particular who makes you angry?

ANME

Well right now you're starting to do the trick.

TSUNO

Anyone else?

ANME

A few days ago I would've said Ka-rah Khal, but now the majority of my anger is aimed squarely at the Red Ranger.

TSUNO

Good. Keep that anger in mind for when you're training with me.

ANME

What's this training about?

TSUNO

Just as the Rangers have the Claw Beasts, we too have an advanced power. But ours is much easier to obtain.

ANME

What's the power?

TSUNO

Rage.

FADE OUT.

FADE IN:

INT. THE MARTIAL ARTS STUDIO - NIGHT

Kevin, Jorge, and Toni (all now unmorphed) stand before Master Chong.

KEVIN

So how come when we all decided to morph to Claw Form it still didn't work?

MASTER CHONG

I'll be honest with you. It really doesn't matter when you guys decide to morph to Claw Form; you still need to be tapping into the power.

TONI

So earlier when we tried to summon the Claw Grips and they didn't come-

MASTER CHONG

You weren't tapping into the power.

JORGE

But what about when we were sparring earlier?

MASTER CHONG

You were tapping into the power. Remember the Claw Beasts are probably the hardest Primal Beasts to tap into. Even Stephen, Derek, and Lily always had trouble when they were training. But what matters now are the ones who you faced earlier.

KEVIN

So who were they?

MASTER CHONG

According to some ancient scrolls that I have that once belonged to Master Li, centuries ago three demons were banished into the other realm while they were attacking a small village in China. However the only thing to bring them back was scream energy.

TONI

So that's why Ka-rah Khal was always trying to collect scream energy.

JORGE

So how'd they get here?

MASTER CHONG

That energy Anme collected the other day must've been what he needed to allow them to cross over into the rift where the fortress is located, and I think it's these three demons that gave Master Li his form as Ka-rah Khal, and whatever else he had. But to be completely honest having the Three on Anme's side actually worries me.

KEVIN

So what are we going to do?

MASTER CHONG

I still need to think about it.

JORGE

Why don't you see if what you thought about Reyes was right?

MASTER CHONG

I might just do that.

EXT. THE MARTIAL ARTS STUDIO - NIGHT

A man with graying hair, a graying goatee, and dressed almost completely in black, watches the entrance to the studio while sitting on a bench on the opposite side of the street as the studio. After a few minutes, Kevin, Jorge, and Toni can be seen leaving the studio.

MAN

Patience David, the three of them are no longer your biggest concern. What really matters now is trying to reclaim some of the scrolls that Chong has in his possession, and of course giving Anme exactly what he gave you, and then some. But for now just watch over the Rangers, because you never know what will come of their training under Chong.
