FADE IN:

INT. THE CONDO - AFTERNOON

KEVIN and JORGE sit on the couch in the living room. Both are slouched down a little, with their feet resting on the coffee table. Jorge holds the remote to the TV in his right hand, and is flipping through every channel, but neither one can seem to find something on TV at the moment.

JORGE

There's got to be something on right now.

KEVIN

Why do we have to watch TV, can't we go to a movie or something?

JORGE

You can go if you want, but there's nothing I want to see that's out right now.

KEVIN

Then why don't we go to the diner and bug Toni for a few minutes.

JORGE

Are you forgetting the chewing out she gave us that one night she kept hovering over our table, when we were talking to Chong about his problems with Michelle?

KEVIN

Oh yeah. Still there's got to be something we can do. Don't you have a tournament or something you could prepare for?

JORGE

You actually want to play poker?

KEVIN

I'm only trying to help you if you've got a tournament.

JORGE

There's no tournament coming up, so
don't worry.

Kevin sits up, and takes his feet off of the coffee table.

KEVIN

Where's the newspaper?

JORGE

Kitchen table I think. Why do you want
to know?

KEVIN

Just checking the movie listings.

Kevin gets up from the couch. He walks into the kitchen and
grabs a section of the Las Bestias Post that is lying on
the table. Kevin checks through the movie listings, and
drops the paper onto the table. Kevin then goes back over
to the couch, and sits down.

JORGE

There's nothing you want to see either,
is there?

KEVIN

(partially disappointed) No.

JORGE

And right now you're probably thinking
that with the way things have been
lately that moving in with me was a bad
idea, because it seemed like I lived an
interesting life.

KEVIN

A little. How-?

JORGE

You forget that I can read people.
Besides you're also forgetting that for
the most part, most of the exciting
stuff in my life happens at night,
which someone hasn't been into doing
recently.

KEVIN

Is it my fault that you always want me
to go out on a work night?

JORGE

Yes.

KEVIN

How is-

Jorge's attention turns toward the front door as some faint sounds can be heard coming from the hall. Jorge points the remote at the TV, turns it off, and sets the remote down on the coffee table. The sounds are a little louder now that the sound from the TV is off. Kevin pauses for a minute.

KEVIN

I don't know what it is, but I think I felt some kind of a presence.

Jorge pauses for a minute.

JORGE

You're right, but I'm a little more interested in what's going on in the hall.

Kevin and Jorge get up from the couch, and walk to the front door. Jorge opens the door to see several movers carrying a few boxes, a couch, a recliner, and an armchair into the condo that is across the hall from his.

JORGE

Looks like someone's moving in across the hall.

The movers come back out of the condo across the hall empty handed, as another mover carries a pair of red boxing gloves in a Plexiglas case into the condo. JAMIE, a man dressed in jeans, a purple tank top, and a silver club shirt walks up behind the mover.

JAMIE

(somewhat anxious) Careful with that, those gloves were autographed by Stallone.

The mover walks into the condo, as Jamie stands in front of the door for a moment. Jamie turns to his right a little and sees Kevin and Jorge standing in the doorway of their condo.

JAMIE

You must be a couple of my neighbors.
Hi, I'm-

JORGE

James Reyes.

JAMIE

You know who I am?

JORGE

I was at your fight against Rousseau a few weeks ago. You cost me two hundred bucks that night.

Jamie takes a good look at Jorge.

JAMIE

And you're Jorge Diaz.

JORGE

You know me?

JAMIE

There have been a couple of times late at night, when I flipped through the channels trying to find something on TV, until I come across a poker tournament or two ESPN 8. And usually around then, watching poker on "The Ocho" doesn't sound like such a bad idea. Although, and I mean this with no offence to you, I do find poker to be a bit of a cure for insomnia.

JORGE

Hey, I'll be the first to admit that it's better to play poker than it is to watch it on TV.

Jamie looks at Kevin for a moment.

JAMIE

And you are...?

KEVIN

Kevin.

JAMIE

I assume you two live together, right?

KEVIN

Yeah James.

JAMIE

Please call me "Jamie".

JORGE

Jamie? What you don't prefer something like Jim, Jimmy, or Jimbo?

JAMIE

I've just always gone by Jamie.

JORGE

So how come your professional name is
"James"?

JAMIE

Would you take a prizefighter with the
name "Jamie" seriously?

JORGE

Well you got me there.

JAMIE

Anyway, I've got some unpacking to do.

KEVIN

Need any help?

JAMIE

(surprised) You actually want to help
me unpack?

JORGE

We're both a little bored right now.

JAMIE

Okay, I guess. Just give me a minute to
see where the movers put everything.

Jamie walks into his condo, and out of the sight of Kevin,
and Jorge.

KEVIN

Did you just feel Primal Instincts when
you were talking to Jamie?

JORGE

Maybe Chong's right about him.

FADE OUT. OPENING CREDITS.

FADE IN:

INT. THE TRIBULATION ARENA - TIME UNKNOWN

TSUNO and ANME (in armor) face each other while sparring. Anme throws a few punches at Tsuno, but Tsuno blocks them and navy colored energy starts to go over his body.

TSUNO

Primal Beast...Fury Bear! Claw Strike!

Tsuno's claws extend, and he slashes at Anme with them releasing colored energy. Anme takes the hit, and falls back several feet. Yellow colored energy goes over Anme's body.

ANME

Primal Beast...Dark Lion! Pounce Strike!

Anme launches an energy version of the Dark Lion at Tsuno, but instead of the Dark Lion attacking Tsuno, Tsuno slashes at it with his claws, destroying it.

TSUNO

Pathetic Anme. Just pathetic, and here I thought the training that I was giving you was improving your skills.

Anme lets out an angered grunt, as he charges at Tsuno. Just as Anme approaches Tsuno, Tsuno strikes Anme hard with his claws, which causes Anme to go flying back several feet. Anme falls on his back, and reverts to his usual self. Tsuno walks over to Anme, and extends his right hand. Anme takes Tsuno's hand, and Tsuno helps Anme to his feet. However, a very angered look has gone over Anme's face.

TSUNO

I don't know what it is, but it almost seems as if you're holding back on something.

ANME

I'd NEVER hold back any of my attacks.

TSUNO

You say that, but perhaps it's your human side that's preventing you from really unleashing your rage. No matter, humans are emotional creatures by nature. So it shouldn't be too, too, hard for you to unleash your rage.

ANME

You said that the power of rage is easier to obtain than the power of the Claw Beasts, right?

TSUNO

What's your point?

ANME

Since your Primal Beast is the Fury Bear, and you also possess the power of rage, why don't you just give me the power?

TSUNO

And that's where you fail, because only a true Fallen can fully handle the power of rage by just receiving it. You on the other hand still need to train for it. And as you've seen so far, training hasn't been easy with me, nor will it get any easier.

ANME

But-

TSUNO

No buts! Besides even some of my other students have had trouble obtaining rage, isn't that right Aboonb?

VOICE

Right master.

The ABOONB monster descends from the rafters of the arena, and stands beside Tsuno.

ABOONB

Master when will you send me to the human realm?

TSUNO

Patience. First I want you to "play nice" with Anme for a while.

ABOONB

Do you mean your usual meaning of the phrase "play nice"?

TSUNO

Of course, you stupid monkey! Anme you might want to put your armor back on for this.

ANME

Fine.

In a flash of yellow light, Anme's armor forms onto his body again. Tsuno leaves the main part of the arena, walking up into the upper portion. Tsuno sits down in his chair as he watches Anme, and Aboonb face each other.

TSUNO

Fight!

Anme and Aboonb charge at each other. Anme swipes his right arm at Aboonb, but Aboonb ducks under the attack and summersaults to the other side of the arena. Aboonb gets to his feet, and turns to see Anme. Anme turns around to face Aboonb. A dark energy starts to go over Aboonb's body.

ABOONB

Primal Beast...Acrobat Baboon! Tumble
Strike!

Aboonb charges at Anme, and jumps up in mid air. Aboonb starts to perform a few tumbles in the air, all the while striking Anme while performing these tumbles. Anme takes the hits and falls face first onto the floor of the arena, reverting back to his usual self. Anme gets to his feet, and turns to face Tsuno.

ANME

What was that dark power?

TSUNO

Patience boy, and you'll come to know
it well.

FADE OUT.

FADE IN:

INT. A PARKING GARAGE - NIGHT

Jamie walks up to his car; an "Alabaster Silver Metallic" colored coupe with purple detailing in the form of a stylized wolf on the hood, as well as a silver/purple colored spoiler on the trunk, specialized rims, and vanity license plates that read "EL LOBO". Jamie takes his key chain out of his front right pocket and presses a button on the remote to an alarm system. The sound of the car alarm can be heard disarming, and Jamie opens the driver's side door. He puts the key to his car in the ignition, and starts the car. Purple neon lights start up from the underside of the car. Jamie goes over to the back of the car and sees a small speck of dirt on an "H" emblem that has a purple background. Jamie wipes the dirt off just as Kevin, and Jorge walk up to the car. Kevin takes note of everything on the car.

KEVIN

Wow you weren't kidding when you said that you went all out with customizing this thing. It's totally pim-

JORGE

Finish that sentence and I'll get rid of your precious MTV. Either way don't you think you went a little overboard with the detailing Reyes?

JAMIE

I'm sure you went out and bought something big after your first tournament, right Diaz?

JORGE

Touché. But still aren't you a little worried about the resale value with all of the detailing?

JAMIE

I'm sure some kind of a street racer will want this when I decide to get a new car.

Jorge looks at the design on the hood of the car.

JORGE

Aren't you taking the whole wolf thing a little too far?

KEVIN

What do you mean?

JAMIE

Looks like someone forgot what my nickname "El Lobo" means.

KEVIN

I barely speak Korean, let alone anything else.

JORGE

It means "the wolf" in Spanish.

JAMIE

Anyway, can we just go now?

Jamie flips the driver's seat forward and Kevin crawls into the back. Jorge goes over to the front passenger seat. Jamie puts the driver's seat back into its position and gets in. The car drives off.

INT. AN AUSTRALIAN THEMED RESTAURANT - NIGHT

Kevin, Jorge, and Jamie sit down in a booth; Kevin and Jorge on one side of the table, and Jamie on the opposite side facing Jorge. The three of them are all looking at menus.

JAMIE

Don't worry about tonight. It's on me.

KEVIN

Really?

JAMIE

I told you I was going to take the two of you out as thanks for helping me get settled, didn't I?

JORGE

Then maybe I'll get a big steak and a lot of shrimp from the barbie.

Jamie sets his menu down for a minute, and shoots Jorge a somewhat evil look, and Jorge notices. Jamie's look stays on his face for a few moments before he and Jorge start to laugh a little.

JAMIE

You know that actually doesn't like such a bad idea. What about you Kevin?

KEVIN

Actually I think I'm allergic to shellfish. I remember having a piece of shrimp a few years ago, and I had to be rushed to the E.R.

A waitress walks up to the booth holding a pen and a notepad.

WAITRESS

(in a bad Aussie accent) G'day, and what can I get you guys for drinks tonight?

JAMIE

I'll just have water.

WAITRESS

(in a fake Aussie accent) All right.

KEVIN

Cola.

JORGE

Root beer.

WAITRESS

(in a fake Aussie accent) Okay I'll be back with your drinks in a minute.

The waitress walks away from the booth.

JORGE

There's something I've been wondering Reyes.

JAMIE

What?

JORGE

Why is your nickname "El Lobo"?

JAMIE

A few months ago is when I first started out as a pro boxer, and I wasn't really doing too great. But it wasn't until I had a run in with a wolf that escaped from the zoo that I started doing better. I don't know what it was, but that wolf thing started making me a little more aggressive than usual. And even my trainer seems to think that it was the wolf that made me do better, hence the name "el lobo". Now if the two of you will excuse me, I need to wash my hands quickly.

Jamie gets up and leaves the booth. Once he is out of sight, Kevin turns to Jorge.

KEVIN

Do you think-

JORGE

Well what he said does sound like some of the stories that Sam, Derek, Sharky, Jack, Lily, and Stephen told us about their Primal Instincts.

KEVIN

Do you think we should bring him to see Master Chong?

JORGE

Probably, but maybe we should spend a little more time with him, just to be completely sure. Maybe even get Toni to meet him.

Jamie walks back to the booth, and sits down again on his side of the table.

JAMIE

Did I miss anything?

JORGE

Actually we were just talking about how you should meet our friend Toni.

JAMIE

So what about this Tony guy?

JORGE

Maybe I should've said "Antonia"?

FADE OUT.

FADE IN:

INT. THE DINER - DAY

Kevin, Jorge, and Jamie sit in one of the booths along the front windows; Kevin and Jorge on one side of the table, and Jamie on the other side facing Kevin. Jamie and Jorge both have coffee cups in front of them. Jamie picks up his cup, and takes a sip, but does not seem pleased with its contents.

JAMIE

How are you able to drink this stuff on a regular basis?

JORGE

I just do.

JAMIE

So when's she getting here?

Jorge takes out his cell phone and checks the clock on the screen.

JORGE

She said she'd be here in a few minutes.

TONI walks into the diner. She looks around and sees Kevin, and walks over to the table.

TONI

(to Jorge) Okay what's so important that you had to drag me here on my day off?

JORGE

I want you to meet a new neighbor of mine. Jamie this Toni. Toni, Jamie.

Toni and Jamie look at each other, and an almost enamored look goes over both of their faces.

TONI AND JAMIE

Hi.

TONI

You're the boxer, right?

JAMIE

And according to Diaz, you're some kind of an actress, right?

TONI

Well I'm trying to-

Kevin sniffs the air.

KEVIN

We've got to go.

JAMIE

Where do you guys have to go?

JORGE

I just remembered that I need to see my dad at his company, and I'm also giving Kevin a ride so he can get to work there.

JAMIE

But it's Sunday. And I thought you said you worked in the mailroom Kevin?

JORGE

You wouldn't believe the hours my dad keeps and the hours the mailroom manager makes people work. And don't you have an audition to get to Toni?

TONI

I think that can wait for a couple minutes.

KEVIN

You don't really think that, do you?

TONI

(annoyed) Fine.

Kevin and Jorge get out of the booth, and leave the diner with Toni.

EXT. THE DINER - DAY

Kevin, Jorge, and Toni all head toward the back of the diner.

TONI

Did we really have to leave now?

KEVIN

I think you know what Master Chong's answer to that would be.

JORGE

Kevin's right.

Kevin, Jorge, and Toni run behind the back of the building. Flashes of red, blue, and yellow light can be seen, as Kevin, Jorge, and Toni come out from behind the building morphed, and riding on their Stalk Cycles.

EXT. DOWNTOWN LAS BESTIAS - DAY

Aboonb terrorizes the area as numerous people run away in fear. Kevin, Jorge, and Toni (all still morphed) ride up to the area on their Cycles. They park their Cycles and get off. They all face Aboonb.

ABOONB

I was wondering when I was going to see the three of you.

JORGE

So what's Tsuno's plan this time?

ABOONB

He just wants me to fight the three of you.

TONI

There's got to be more to it than that.

ABOONB

You'd think so, but there isn't.

Aboonb charges at Kevin, Jorge, and Toni, and swipes his arms at them. Kevin, Jorge, and Toni dodge the attack, and counter with a series of punches and kicks. Aboonb takes the hits and falls back a little.

ABOONB

Enough of this! Primal Beast...Acrobat Baboon! Tumble Strike!

Dark energy goes over Aboonb's body, and he charges at Kevin, Jorge, and Toni. Aboonb jumps up and starts to perform a few tumbles in the air. Aboonb strikes Kevin, Jorge, and Toni with his tumbles, knocking them down. Aboonb gets back to his feet and faces Kevin, Jorge, and Toni just as they get back to their feet.

ABOONB

Bye.

Aboonb disappears.

FADE OUT.

FADE IN:

INT. THE MARTIAL ARTS STUDIO - DAY

MASTER CHONG paces in the middle of the room, as Kevin, Jorge, and Toni enter and walk up to him.

JORGE

What was that energy that monster had?

MASTER CHONG

I wish I knew. I've never come across it before. But the three of you will have to try to do something to defeat this new monster, as always. And unfortunately that's all I really have to say about this, so unless any of you have something you want to say-

KEVIN

(to Jorge) Should we tell him about Jamie?

TONI

What about Jamie?

MASTER CHONG

Who's this Jamie?

JORGE

James Reyes.

MASTER CHONG

The boxer?

JORGE

He moved into the condo across from mine, and Kevin and I have been sensing Primal Instincts with him ever since.

MASTER CHONG

So maybe I was right when we went to see him that one night. I think you should bring him here, before someone else gets to him first.

KEVIN

That's what we were thinking.

MASTER CHONG

And I think now would be a good time to do it.

The ringing of a cell phone can be heard, as Kevin, Jorge, and Toni all check their pockets to see whose phone it is, only to find that Jorge's phone is the one ringing. Jorge answers the call.

JORGE

Hello? (pause) Actually everything's fine Reyes, and it just so happens that I'm done with what I had to do with my dad. (pause) Yeah Kevin, and Toni are available too. (pause) I guess he had to do something quick at work. (pause) Not sure about that. (pause) Look Reyes, could you swing by the Chong Martial Arts Studio for a minute? (pause) Chinatown. (pause) Okay, see you in a few. Bye.

Jorge ends the call, and puts his phone away.

TONI

So he's coming?

JORGE

Yes, and now you get to make more goo-goo eyes at him again.

Toni shoots Jorge an evil look quickly.

JORGE

I saw the way the two of you were looking at each other.

MASTER CHONG

Either way at least he's coming here. When's he going to get here?

JORGE

He was still at the diner when he called, and that's almost all the way across town.

DISSOLVE TO:

EXT. THE MARTIAL ARTS STUDIO - DAY

Jamie walks up to the studio just as Kevin, Jorge, and Toni leave.

JAMIE

Hey guys.

JORGE
So you're finally here.

JAMIE
Why'd you want to meet here?

KEVIN
A friend of ours inside wants to meet
you.

JAMIE
Why?

TONI
He's a big boxing fan.

JORGE
In fact he went with me to the Rousseau
fight.

JAMIE
So where are you guys going now?

Kevin, Jorge, and Toni all start to look at each other with
somewhat nervous looks on their faces.

KEVIN
(nervously) Uh...

TONI
We...

JORGE
Have to run a quick errand for this
friend. Sorry it came up out of
nowhere.

JAMIE
(unsure) Okay, I guess.

Kevin, Jorge, and Toni run down the street in a hurry.

JAMIE
Why do they keep running off like that?
And why do I get some kind of a weird
feeling about this friend of theirs?
Might as well follow them.

Jamie starts to follow after Kevin, Jorge, and Toni, just
as Master Chong steps out of the studio, only to see Jamie
running down the street.

FADE OUT.

FADE IN:

EXT. A QUARRY - DAY

Aboonb stands around.

ABOONB

When are they going to get here?

Kevin, Jorge, and Toni come rushing up to the area. Aboonb notices them.

ABOONB

And you guys would be?

Kevin, Jorge, and Toni's bracelets become their morphers. In the distance, Jamie can be seen coming up to the area, and watching Kevin, Jorge, and Toni performing their morph hand movements.

KEVIN, JORGE, AND TONI

Unleash the beast!

Jamie's eyes widen in amazement as he sees Kevin, Jorge, and Toni morphing.

JAMIE

They're the Power Rangers?

Jamie continues to watch in the distance, keeping out of sight from Kevin, Jorge, Toni, and Aboonb.

ABOONB

So you guys came unmorphed, but it doesn't matter you'll fall all the same.

Aboonb charges at Kevin, Jorge, and Toni, Aboonb tries to swipe his arms at Kevin, but Kevin blocks the attack, allowing Jorge and Toni to get in simultaneous kicks in on the monster. Aboonb falls back, as Kevin starts to charge at him, and gives him a hard punch. Aboonb goes flying back a couple of feet.

ABOONB

Primal Beast...Acrobat Baboon! Tumble Strike!

The dark energy goes over Aboonb's body again, as he starts to charge at Kevin, Jorge, and Toni.

TONI

Elephant Flail!

The Elephant Flail forms in Toni's hands, and she thrusts the ball over at Aboonb, allowing the chain to wrap around his body.

TONI

This should hold him for now.

KEVIN

Let's go Jorge. Shark Blade!

JORGE

Double Bat Cutter!

The Shark Blade forms in Kevin's hands, as two Bat Cutters form in Jorge's. Kevin splits the Shark Blade in two, as he and Jorge start to charge at Aboonb. Once Kevin and Jorge have approached Aboonb, they both start to slash at him with their respective weapons. Aboonb takes the hits, as Toni lets up with the Elephant Flail, and Aboonb falls to the ground. The dark energy goes over Aboonb's body again as he gets back to his feet and charges at Kevin, Jorge, and Toni. Aboonb strikes the three of them hard with his hands. They all take the hits, and fall to the ground.

ABOONB

Primal Beast...Acrobat Baboon! Tumble Strike!

Just as Kevin, Jorge, and Toni start to get back to their feet, Aboonb charges at them, jumps up, and starts to perform a series of tumbles in mid air that hit Kevin, Jorge, and Toni. Once again the three of them take Aboonb's hits and fall to the ground.

TONI

What is that power he has?

KEVIN

Does it matter? We have to defeat him either way.

JORGE

And it's not like we don't have anything to help us out with fighting him. Right Kevin?

Kevin, Jorge, and Toni get back to their feet as Claw Beast energy starts to go over their bodies.

KEVIN, JORGE, AND TONI

Claw Grips!

The Claw Grips appear in Kevin, Jorge, and Toni's right hands. They all hold out the Claw Grips and press the button on the side.

KEVIN, JORGE, AND TONI
Unleash the Claw Beast!

Kevin, Jorge, and Toni all morph to Claw Form. Aboonb opens the baboon mouth on his torso and fires numerous balls of the dark energy at Kevin, Jorge, and Toni. However, Kevin, Jorge, and Toni all swat the balls away with their Claw Grips, which cause the balls to hit the ground and other places around the quarry creating explosions. Kevin's shoulder jets fire up, and he goes over to Aboonb, and gives Aboonb a flaming slash with his Claw Grip. Jorge's shoulder jets fire up, and he goes over to Aboonb winding back his Claw Grip, and thrusting it forward creating three gigantic metal blades that hit Aboonb. Aboonb takes the hits and falls back a little. Toni's shoulder jets fire up, and she goes over to Aboonb. A cooling mist forms over the claws on her Grip, and she touches Aboonb with them once she nears him. Ice starts to form over Aboonb's body, preventing him from moving. Kevin, Jorge, and Toni regroup, and face Aboonb. All of their shoulder jets fire up, and they go over toward the monster, simultaneously striking him with their Claw Grips. Aboonb takes the hits, falls to the ground, and explodes. When the flames of the explosion clear, Aboonb gets back to his feet.

ABOONB
This isn't over yet Rangers!

Aboonb performs a few hand movements, and grows to gigantic size.

KEVIN, JORGE, AND TONI
Claw Beasts unleash!

Kevin, Jorge, and Toni unleash the Fire Claw Gorilla, the Metal Claw Gazelle, and the Ice Claw Penguin, respectively. The three of them jump up and into their respective Claw Beast, and the Claw Beasts combine.

KEVIN, JORGE, AND TONI
Tri Claw Megazord, ready to strike!

The Tri Claw Megazord and Aboonb face each other.

KEVIN, JORGE, AND TONI
Flame Punch Strike!

The Tri Claw Megazord performs the Flame Punch Strike attack, but the dark energy goes over Aboonb's body, and he jumps up dodging the Tri Claw Megazord's attack. Aboonb falls back down to the ground, striking the Tri Claw Megazord with his hands as he lands. The Tri Claw Megazord takes the hit and falls back a little. Aboonb charges at the Tri Claw Megazord and performs another Tumble Strike, hitting the Tri Claw Megazord several times. Aboonb stops hitting the Tri Claw Megazord and the two face each other again. Inside of the Tri Claw Megazord Kevin, Jorge, and Toni stand behind their podiums.

TONI

There's got to be something we can do now.

KEVIN

Well there is one combo we haven't tried yet. Right Jorge?

JORGE

I see where this is going. Nocturnal Bat, unleash!

Jorge presses the buttons on his right hand morpher part, and raises his right arm. Outside navy colored energy goes over the Tri Claw Megazord's right hand, and more energy goes over its body unleashing the Nocturnal Bat.

KEVIN, JORGE, AND TONI

Nocturnal Bat, combine!

The Nocturnal Bat combines with the Tri Claw Megazord.

KEVIN, JORGE, AND TONI

Tri Claw Megazord Nocturnal Wing!

Aboonb jumps up into the air and the Tri Claw Megazord follows.

KEVIN, JORGE, AND TONI

Flying Strike!

Navy colored energy goes over the Tri Claw Megazord's fists, and it starts to hit Aboonb several times causing Aboonb to go flying away into the distance.

INT. THE TRIBULATION ARENA - TIME UNKNOWN

Tsuno sits in his chair, as Anme stands in the main part of the arena. LLYEJ walks into the arena.

LLYEJ

Looks like your precious baboon failed against the Rangers.

TSUNO

Aboonb hasn't failed yet, just wait and see.

ANME

Please the Rangers just defeated him with the Megazord.

TSUNO

But you're forgetting one key factor into all of this Anme.

ANME

What's that?

TSUNO

The power that Aboonb was using against you before, just watch this battle isn't over yet.

EXT. THE QUARRY - DAY

Kevin, Jorge, and Toni (all still morphed in Claw Form) regroup.

KEVIN

So, back to the martial arts studio to tell Master Chong about this?

JORGE

Don't we always do that?

TONI

I don't know what it is, but there's something telling me we didn't defeat that monster.

KEVIN

But we just used the Tri Claw Megazord against it. There's no way it could still be alive.

JORGE

I'm with Kevin on this one.

Jamie walks up to them.

JAMIE

So this is why the three of you kept running off on me today. Come to think about it those excuses you guys gave me were a little weak.

JORGE

Uh...do we know you?

JAMIE

Don't play dumb Diaz; I saw the three of you morph.

KEVIN

We don't know what you're talking about.

Aboonb comes stumbling up to the area.

ABOONB

(angrily) I do, and this still isn't over yet Rangers!

The dark energy goes over Aboonb's body, causing a few changes, the frills on the side of Aboonb's head change shape and become red, and similar frills appear on Aboonb's shoulders. Also Aboonb's mouth opens up, making Aboonb look as if he is angered.

ABOONB

The power the Tsuno has given me has created my new Rage Form. And to start, I think I'll take care of your little friend, Rangers!

Aboonb turns his attention to Jamie, and starts to fire several balls of Rage energy at him. However, Kevin, Jorge, and Toni get in the way of the blasts, and take the hits. They all fall to the ground unmorphed.

JAMIE

Guys?

ABOONB

And now that they're out of the way, it's time to take care of you.

JAMIE

But I'm not one of them.

ABOONB

Then why I am sensing great Primal Instincts within you?

JAMIE
Primal Instincts?

ABOONB
Enough talk!

Aboonb charges at Jamie. Jamie gets into a boxing stance, as faint purple energy starts to go over his body. Aboonb approaches Jamie, just as a massive amount of purple energy comes out of Jamie, and the sound of a wolf howling can be heard. The energy hits Aboonb knocking him down, and stays over Jamie body for a minute.

JAMIE
What is this?

Master Chong walks up to the area.

MASTER CHONG
It's energy that's emitted when someone's Primal Instincts are fully awakened.

JAMIE
But what are Primal Instincts?

MASTER CHONG
I'll explain later, but for now-

The purple energy disappears from Jamie's body, as a quick purple flash appears in his eyes. Jamie charges at Aboonb, jumps up, and extends his right knee out. Jamie strikes Aboonb with his knee, and Aboonb falls back a little as Jamie lands. Jamie then turns around with his right elbow out, and once again strikes Aboonb. Kevin, Jorge, and Toni come up to Master Chong.

KEVIN
What's going on?

MASTER CHONG
I think what we were all sensing within him were Primal Instincts that weren't fully awakened.

JORGE
So what's his Beast?

MASTER CHONG

Given that the sound of a wolf howling was just heard, it's called the Twilight Wolf. But we need to get him back to the studio before Anne or Flamouca gets here to bring him into the rift between realms.

Aboonb falls back, as Jamie looks as if he could continue on a little more with the battle.

ABOONB

I'll remember this!

Aboonb disappears. Master Chong, Kevin, Jorge, and Toni walk up to Jamie.

MASTER CHONG

That was an impressive fight.

JAMIE

What was I doing? I know it wasn't Western boxing; it almost seemed like Thai boxing.

MASTER CHONG

I think we better go back to my martial arts studio.

JAMIE

Well you did say that you were going to explain a few things.

FADE OUT.

FADE IN:

INT. AN AREA DEEP WITHIN THE FORTRESS - TIME UNKNOWN

FLAMOUCIA paces around as ASLEC stands off to the side not really looking as if he is overly pleased with what is going on.

ASLEC

When you freed me from that cell, I thought we were going to do more than just stand around here making some ridiculous plans.

FLAMOUCIA

Just be patient. We need time to do what we have to.

ASLEC

Well as far as I'm concerned sis, if we don't start to do something of some importance soon, I'm going to make my presence known to Tsuno. I'm sure he'll have something for me to do. And he'll probably give you some kind of punishment for acting on your own by releasing me.

FLAMOUCIA

You wouldn't.

ASLEC

I know that you are starting to remember who you were before Ka-rah Khal turned you into Flamouca, but remember we both still have the souls of Fallen within us. In fact you could almost say that you, Anme, and me are no different than the monsters that are sent out to try to defeat the Rangers.

FLAMOUCIA

Well do you have any plans yourself?

ASLEC

Come to think of it, I do.

FLAMOUCIA

(somewhat annoyed) Then please tell me.

ASLEC

I'm not sure I want to tell you given the way you're acting right now.

FLAMOUC A

C'mon just spill it.

ASLEC

Okay fine. As it turns out, there is someone who has just had his Primal Instincts fully awakened, but it appears that he's sided with the Rangers.

FLAMOUC A

So you want me to try to get him to join us?

ALSEC

Didn't Ka-rah Khal want you to do the same with the first three Rangers? Plus I should tell you that this new person's Primal Beast is not like any that you've seen with this war against the Rangers. He could be just what we need to do whatever it is you're planning.

FLAMOUC A

Are you sure about this?

ASLEC

Just think about it for a minute.

Aslec turns into a gold colored mist and disappears.

FLAMOUC A

A new person with awakened Primal Instincts? Even Tsuno would tell me to go out and get this guy on our side. So I might as well.
