FADE IN:

INT. THE MARTIAL ARTS STUDIO - DAY

MASTER CHONG stands before JAMIE, while KEVIN, JORGE, and TONI stand off to the side of the room.

JAMIE

So let me get this straight, you're saying that there's some kind of power within me that's connected to an animal, but this thing can only be controlled by doing kung fu?

MASTER CHONG

That's right.

JAMIE

And you're also saying that my boxing training might've actually helped me control this power?

MASTER CHONG

I believe so, yes.

JAMIE

(to Kevin and Jorge) So how come you guys didn't tell me about this sooner?

JORGE

We weren't sure.

KEVIN

And we wanted you to meet Master Chong to be sure.

JAMIE

So how would this have happened?

MASTER CHONG

Depends, what do you have in common with a wolf?

JAMIE

Well I did have a run in with a wolf a while back around dusk.

MASTER CHONG

At the very least, that would explain why your Primal Beast is the Twilight Wolf. But was there something about that experience that felt a little odd?

JAMIE

Well the wolf did come up to me like it was a dog or something, but that was before it bared its teeth and started to growl at me.

MASTER CHONG

Anything else?

JAMIE

It howled for a minute and then ran off.

MASTER CHONG

Hmm...

TONI

What?

MASTER CHONG

Nothing, other than the fact that, it does somewhat sound like some other Primal Instinct stories. However there is one thing that I'd like you to do Jamie.

JAMIE

What's that?

MASTER CHONG

I want you to join Kevin, Jorge, and Toni in our fight to protect this realm.

JAMIE

You want me to become a Power Ranger?

MASTER CHONG

Exactly, what do you say?

JAMIE

I don't know.

JORGE

Reyes, that monster you fought earlier is going to show up again, and we could really use your help.

TONI

Don't forget that Flamouca will probably be around to try to get you to join the ranks of the people we fight.

JAMIE

Who's Flamouca?

TONI

This chameleon girl we've been fighting.

MASTER CHONG

But what matters is that Jamie got to us first, and is acquainted with who he'll be fighting with.

JAMIE

I haven't agreed to do anything just yet.

MICHELLE walks into the room carrying a Primitive Morpher pair.

MICHELLE

At the very least just try it out. If you're still not sure about this we won't bother you again.

JAMIE

And you are?

MASTER CHONG

This is my sister Michelle.

MICHELLE

I designed and built everything the Rangers use. Just try this morpher.

Jamie walks up to Michelle and takes the morpher from her. Jamie puts the morpher on, and focuses for a moment. He then sticks out his hands with his index fingers and thumbs extended. Jamie brings his hands together with his left hand over his right, and touches the middle button of the right hand part of the morpher. He then starts to wave his arms in a circular motion until his left arm is over his right.

JAMIE

Unleash...

Jamie winds his right arm back, and unleashes a straight punch with his right fist.

JAMIE

The beast!

Purple energy goes over Jamie's body, but instead of allowing him to morph, the energy causes explosions to come out of the morpher, before it falls off of his arms, and onto the ground.

JAMIE

So what happened?

MICHELLE

You Primal Instinct energy must've fried the circuitry of the morpher.

JAMIE

See looks like I'm not going to become your new Ranger after all.

JORGE

C'mon Reyes, there's no reason why you can't join up with us.

JAMIE

You forget Diaz that I'm a boxer. Not to sound clichéd or anything, but boxers by their nature tend to be lone wolves. We're never apart of any sort of team.

KEVIN

What are you saying?

JAMIE

I'm just not going to be the new Ranger that you want me to be. Don't get me wrong, I like you and Jorge, and all ready consider the two of you friends, but I'm just not going to be apart of your team. But don't worry I'll try to keep your secret safe.

Jamie walks out of the studio.

MASTER CHONG

So much for that plan.

MICHELLE

Don't say that just yet Bruce. I think I may be able to tweak the morph chip to run off of his Primal Instinct energy.

TONI

But he said he didn't want to be a Ranger.

MICHELLE

It's like you said Toni, Flamouca will probably be after him sometime soon, and while he could be able to hold her off on his own right now, he won't be able to do much without becoming a Ranger.

MASTER CHONG

I see what you're getting at.

MICHELLE

If you need me for the next few hours I'll be up in my lab making a completely new morpher design.

Michelle leaves the room.

KEVIN

So what are we going to do about Jamie?

MASTER CHONG

Just leave him alone for now, maybe he'll realize that we need him, maybe he won't. But my main concern is the new form that monster took, and how to defeat it.

FADE OUT. OPENING CREDITS.

FADE IN:

INT. THE TRIBULATION ARENA - TIME UNKNOWN

TSUNO, GWIN, and LLYEJ sit in their respective chairs as ANME, and ABOONB stand in the main part of the arena.

TSUNO

Excellent, just excellent.

ANME

And what's so excellent?

TSUNO

I sent Aboonb to the human realm to test the power of his rage, and to see if that rage could create a new form.

GWIN

Like what the Rangers have with their Claw Beasts.

TSUNO

Exactly Gwin and it appears I was right. But there is one thing that I do want to test before fully going on with this plan.

LLYEJ

And that'd be?

TSUNO

How well Rage Form can hold its own against the Rangers' Claw Form.

LLYEJ

If anything it'd be a way to finally bring down the Rangers once and for all.

ANME

(angrily) You're not going to destroy the Red Ranger before I can get my hands on him!

Tsuno starts to laugh maniacally for a moment.

ANME

What?

TSUNO

You'll see soon enough.

ANME

Is this apart of my Rage training?

TSUNO

Perhaps, but you'll have to figure that out for yourself. For now hold onto that anger. It's your greatest ally. Aboonb!

ABOONB

Yes master?

TSUNO

Go back to the human realm and play with the Rangers again with your new form.

ABOONB

With pleasure!

Aboonb disappears. FLAMOUC A walks into the main part of the arena.

TSUNO

And where have you been?

FLAMOUC A

I was practicing some of the techniques that Gwin and Llyej have taught me so far.

GWIN

I do not recall telling you to practice any of those.

LLYEJ

Neither do I.

FLAMOUC A

I took the liberty, and did it on my own.

GWIN

I appreciate the initiative.

FLAMOUC A

Tsuno, I have some news.

TSUNO

If it's about that person Aboonb fought before he came back here I all ready now that he had his Primal Instincts awakened.

FLAMOUC A

But I have reason to believe that his Instincts may be different than those of the Rangers.

TSUNO

Your point?

FLAMOUC A

Well, if Ka-rah Khal were still here he'd tell me to bring this person to him.

TSUNO

But you forget Ka-rah Khal is dead and was finished off by someone in this very room.

FLAMOUC A

But if we can get this person on our side than we'd have a powerful new ally, and could probably defeat the Rangers.

TSUNO

I have no interest in any harebrained scheme that Ka-rah Khal might've sent you to do. He failed because of his own incompetence, and had Anme not finished him off, Gwin, Llyej, and I would've done it ourselves. I don't want to hear any more of this.

FLAMOUC A

But-

TSUNO

I thought I just gave you an order.

FLAMOUC A

Fine.

Flamouca storms out of the arena. In the area of the arena behind the chairs, gold colored mist appears and takes the form of ASLEC. Aslec watches Flamouca leave, and a sinister smile goes over his face. Aslec raises his hood and walks away.

FADE OUT.

FADE IN:

EXT. THE STREETS OF LAS BESTIAS - DAY

Kevin, Jorge, and Toni walk down a sidewalk.

KEVIN

So what are we going to do about Jamie?

TONI

You and Jorge live across the hall from him, you think of something.

JORGE

And what are you going to do? Go back to your apartment and put something on to flirt with him?

Toni looks over at Jorge and shoots him an evil look.

TONI

All I'm saying is that you two could possibly talk to him when he's home or something and maybe try to convince him to join us. Besides he did say that he all ready considers the two of you to be friends.

JORGE

But what about the whole lone wolf-

Kevin sniffs the air quickly, and Jorge and Toni soon follow.

KEVIN

The baboon's back.

EXT. ANOTHER PART OF THE CITY

Several buildings explode, as Aboonb goes through them with his body engulfed with Rage energy. Aboonb walks around the area.

ABOONB

Soon this city will fall.

The sounds of motorcycles are heard as Kevin, Jorge, and Toni (all morphed) come riding up to the area on their Stalk Cycles. Kevin, Jorge and Toni position themselves so that they are all standing on the seats of their Cycles, before simultaneously jumping off of them. Kevin, Jorge, and Toni all extend their right feet out, and land flying kicks on Aboonb. Aboonb takes the hits and goes flying back a few feet. Kevin, Jorge, and Toni land, just as Aboonb starts to come charging toward them.

TONI
Elephant Flail!

The Elephant Flail appears in Toni's hands, and she starts to twirl the ball a little before throwing it at Aboonb. The chain of the Flail wraps around Aboonb constricting his movement.

KEVIN
Shark Blade!

JORGE
Double Bat Cutter!

The Shark Blade forms in Kevin's hands, as two Bat Cutters form in Jorge's hands. Kevin splits the Shark Blade, and he and Jorge charge at Aboonb. Kevin and Jorge prepare to attack Aboonb, but Aboonb fires numerous balls of Rage energy at Kevin, and Jorge and they both go flying back several feet. Aboonb then fires a few balls of Rage energy at Toni, and she goes flying back to where Kevin and Jorge are now lying, which also frees Aboonb from the grip of the Elephant Flail. Kevin, Jorge, and Toni get back to their feet.

JORGE
Anyone else think it's time for Claw Form?

A communication sound comes out of Kevin's right hand morpher part.

MASTER CHONG THROUGH THE COMMUNICATOR
Do NOT morph to Claw Form.

TONI
Why?

MASTER CHONG THROUGH THE COMMUNICATOR
I was looking over Master Li's old scrolls, and as it turns out, the Claw Beasts might prove to be ineffective against Aboonb's new form.

KEVIN

So what do you want us to do in the meantime?

MASTER CHONG THROUGH THE COMMUNICATOR

Just try your best like the three of you usually do. Michelle's still working on something else for Jamie, so hopefully that could help.

The communication ends.

JORGE

Why wouldn't Chong want us to use what's probably our only advantage?

TONI

Does it matter?

KEVIN

Yeah, let's just try to take the monster out for now.

Kevin, Jorge, and Toni all turn to face Aboonb, and charge at him. However, Aboonb, fires more balls of Rage energy that hit the three of them, causing them to fall to the ground.

FADE OUT.

FADE IN:

EXT. A BUILDING MARKED "SMITH BOXING GYM" - DAY

Jamie walks up to the front door of the building, and walks in.

INT. THE SMITH BOXING GYM - DAY

Various people are working out at a few weight stations, while some others stand around the boxing ring that is in the middle of the gym, watching two boxers during a sparring session. NEIL walks out of the locker room area, sees Jamie, and walks over to him.

NEIL

So how's my champ?

JAMIE

My title fight isn't for another couple weeks.

NEIL

I know, but with the way you've been going that belt's as good as yours. Either way, since you're here we might as well do some practice.

JAMIE

But I don't have my sweats or anything.

NEIL

Just take a pair of sweat pants and a t-shirt or something with the gym's logo on it from the back storeroom. I'll get a pair of gloves for you. Now go, unless of course you don't want to be the middleweight champ.

Jamie heads toward the back of the gym, and enters the locker room area. Neil goes over to a bin off to one of the sides of the gym, takes out a pair of boxing gloves, and walks over to the ring. Neil nods at the people who are in the ring sparring. They both stop, and climb out of the ring. Jamie comes out of the locker room wearing a black tank top with the gym's logo on it, black sweat shorts, and a pair of black boxing shoes. Jamie walks over to the ring and climbs in. A man from the front of the gym walks over to Neil with a pair of strike pads. The man hands Neil the pads, and he climbs into the ring with Jamie. Neil then helps Jamie into the boxing gloves, and puts the strike pads on his hands. Jamie and Neil then go into the center of the ring and face each other.

NEIL

Okay, we'll start out simple; just give a basic right hook.

Jamie thrusts his right fist at the strike pad on Neil's right hand.

NEIL

Good. Left cross.

Jamie thrusts his left fist at the strike pad on Neil's left hand.

NEIL

Good, now let's pick it up a little more.

Jamie and Neil both start to move around the ring a little, as Jamie starts to thrust his fists at Neil, while Neil in turn absorbs the force of the punches with the strike pads. After a few minutes Jamie stops. Neil takes the pads off of his hands, and helps Jamie out of the gloves. Neil leads Jamie out of the ring, and over to a weight bench. Jamie lies down on the bench, as Neil goes over and puts 40 lbs. of weight on each side of the barbell. Jamie lifts the barbell and starts to do lift it up and down.

NEIL

Tell me something.

JAMIE

What?

NEIL

There's something about you today that seems a little off, how come?

JAMIE

I don't know. It's just that I discovered something about a couple friends of mine, and they want me to join in the little team they've got going.

NEIL

And I assume that you didn't do it, right?

JAMIE

How'd you-

NEIL

James, how long have I been training you? Besides you never really seemed to completely get what it really takes to be a great fighter.

JAMIE

What do you mean?

NEIL

A boxer is only as good as the team that's backing him up. None of the heavyweight champs would be where they are if it weren't for all of the trainers, and whoever else is helping them reach the title. You on the other hand only ever seemed to think that boxers are lone wolves.

JAMIE

Well they are.

NEIL

Only in the ring. And don't forget that Rocky wouldn't have gotten where he did without the support of people like Mickey, Adrian, Paulie, and whoever else was there.

JAMIE

You just had to go for the Stallone reference, didn't you?

NEIL

I thought Rocky was your favorite movie.

JAMIE

It is, but that was too obvious a reference.

Neil laughs a little.

NEIL

Well you're right about one thing. Anyway, just put the barbell on the rest again, and you can take off.

FADE OUT.

FADE IN:

EXT. THE AREA OF THE CITY ABOONB WAS ATTACKING - DAY

Kevin, Jorge, and Toni (all still morphed) face Aboonb, who is firing several balls of Rage energy at them. Kevin, Jorge, and Toni take the hits and fall to the ground. As Kevin, Jorge, and Toni get back to their feet, Aboonb charges at them with Rage energy covering his body. Aboonb strikes the three of them, and they all go flying back several feet. Kevin, Jorge, and Toni fall to the ground and power down.

JORGE

We need to use Claw Form.

KEVIN

But Master Chong told us not to.

JORGE

Don't be an idiot. Using our regular powers isn't working. We need to use Claw Form.

TONI

Hey if Kevin says we're not using Claw Form, then we're not using Claw Form.

JORGE

Okay then, what's the plan?

KEVIN

I guess we just try to give it everything we've got.

JORGE

I could've told you that.

KEVIN

Can we just morph?

Kevin, Jorge, and Toni get back to their feet, and their bracelets become their morphers again.

KEVIN, JORGE, AND TONI

Unleash the beast!

In flashes of their respective colors, Kevin, Jorge, and Toni morph.

KEVIN

Shark Blade!

JORGE
Double Bat Cutter!

TONI
Elephant Flail!

The Shark Blade forms in Kevin's hands, two Bat Cutters form in Jorge's hands, and the Elephant Flail forms in Toni's hands. Toni twirls the ball of the Flail a little, before thrusting the ball at Aboonb, hitting him a few times. Kevin and Jorge charge at Aboonb and start to slash at him several times with their weapons. Aboonb takes the hits, and falls back. Kevin, Jorge, and Toni regroup.

ABOONB
Do the three of you really think you're going to beat me?

KEVIN
There's only one way to find out.

KEVIN, JORGE, AND TONI
Feral Striker!

The Feral Striker forms in Kevin, Jorge, and Toni's hands and they power it up, and fire a blast from it. The blast hits Aboonb knocking him back several feet, before he falls to the ground. Aboonb gets back to his feet.

ABOONB
The three of you have done nothing but make me mad!

Rage energy goes over Aboonb's body, and he grows to gigantic size. Kevin, Jorge and Toni all press the buttons on their right hand morpher parts.

KEVIN, JORGE, AND TONI
Feral Cats unleash!

Kevin, Jorge, and Toni raise their right hands, and unleash the Feral Cats. Kevin, Jorge, and Toni jump up and into their respective Cat, and they combine. Aboonb jumps toward the Feral Megazord, tackles it, and knocks it to the ground. Aboonb then starts to strike the Feral Megazord's back several times.

ABOONB
What do you weaklings think you're doing?

Aboonb turns around, and starts to focus his attention solely on the Feral Megazord's right leg. Inside of the Feral Megazord Toni screams in partial agony.

JORGE

Why's she screaming like that?

KEVIN

Maybe the Cats are like extensions of ourselves?

EXT. A CLIFF THAT IS OVERLOOKING A BEACH - DAY

Jamie (dressed normally) walks along the edge of the cliff looking down at the beach with a look of deep thought on his face.

JAMIE

Should I join them? But how could I help them if I can't be a Ranger?

Michelle walks up to Jamie carrying a briefcase.

MICHELLE

I think I can help with that.

JAMIE

How'd you know I was here?

MICHELLE

When people have their Primal Instincts awakened we can sense where other people are. We're also able to smell when something doesn't seem right, but that doesn't matter right now.

Jamie notices the briefcase.

JAMIE

What's with the briefcase?

MICHELLE

I analyzed what was left of the circuits from the morpher you tried earlier, and I think I might've figured out your energy signature.

JAMIE

So you made another morpher?

MICHELLE

Exactly.

Michelle opens the briefcase to reveal a device that resembles both a purple wolf's head, and a bell. She picks it up and hands it to Jamie.

MICHELLE

This is the Round Morpher.

JAMIE

But it doesn't look like a circle.

MICHELLE

Flip up the wolf head for a second.

Jamie flips up the wolf head.

MICHELLE

I designed this one to resemble the bell that signals the beginning and end of a round in boxing, hence the name "Round Morpher".

Jamie flips the wolf head back down.

JAMIE

You sure this thing's actually going to work?

MICHELLE

There's only one way to find out.

FEMALE VOICE

Too bad you probably won't get a chance to use it.

Jamie and Michelle look over the edge of the cliff to see Flamouca. Jamie notices Flamouca's chameleon like appearance.

JAMIE

Is this the chameleon girl Toni mentioned?

MICHELLE

Unfortunately.

FLAMOUC A

Join me or prepare to meet oblivion.
Khatta Warriors!

A massive platoon of Khatta Warriors appears behind Flamouca as she transforms into her armor.

MICHELLE

Use the morpher Jamie.

Jamie straps the Round Morpher onto his left wrist. He raises his left arm, and flips the wolf head out. Jamie sticks out his left arm with his hand in a fist, while holding back his right hand in a fist. He then brings his left arm back and twirls his fists around each other before sticking his right fist out.

JAMIE

Unleash...

Jamie raises his left arm vertically. He then presses the right ear of the wolf to ring the bell.

JAMIE

The beast!

Sound waves are emitted from the bell as an energy version of the Twilight Wolf also rises. The sound waves surround Jamie forming a boxing ring, and a Primal claw symbol under his feet. The Twilight Wolf goes over Jamie's body as the claw symbol rises to Jamie's chest, and the ropes of the ring wrap around Jamie's hands forming his Ranger suit. The Twilight Wolf's head howls forming the helmet. Jamie is now morphed, and he takes a look at himself.

JAMIE

It worked.

MICHELLE

Of course it did.

FLAMOUCUA

So you morphed, just who do you think you are?

JAMIE

Power of the wolf! Twilight Ranger!

Jamie jumps down to Flamouca's level. Khatta Warriors start to charge at Jamie, but Jamie in turn charges at them.

JAMIE

Primal Beast...Twilight Wolf!

Jamie jumps up and strikes one Khatta Warrior with his right knee. Jamie lands, and elbows more Khatta Warriors, before kicking a few more. Jamie climbs onto the back of one Khatta Warrior.

JAMIE

Elbow Strike!

Jamie strikes the Khatta Warrior's head with his right elbow, hard. The Khatta Warrior falls, and Jamie then goes onto kick another Khatta Warrior. A few more Khatta Warriors come up behind Jamie, and he elbows and kicks them. Jamie jumps up onto a ledge.

JAMIE

Spinning Kick Strike!

Jamie jumps off of the ledge, spinning. He extends his right leg and strikes a Khatta Warrior with it, which knocks it down. Jamie lands, and turns to see more Khatta Warriors coming at him.

JAMIE

Looks like it's time to take this into the ring.

Jamie raises his left arm, and rings the bell. The ringing of the bell creates a boxing ring that has the Primal claw symbol on the mat. Jamie runs toward the Khatta Warriors, and knees one of them. Jamie turns and elbows another Khatta Warrior, before kicking and punching at a few more. Jamie then jumps up, extends his right knee, and flies toward the Khatta Warriors striking them all with his knee. Jamie jumps off of the ring's ropes, back flips, and strikes one final Khatta Warrior's head with his left knee. The ring disappears just as Flamouca jumps toward Jamie, firing several Tongue Blades. Jamie deflects the blades, and Flamouca draws her swords.

FLAMOUC A

You're joining us one way or another.

Flamouca slashes at Jamie with the swords, but he keeps dodging and blocking the attacks. Flamouca tries another slash, but Jamie blocks it with his right arm.

JAMIE

And I bet you've said that to the other Rangers quite a few times, right?

Jamie gives Flamouca a quick uppercut with his left fist, which knocks her back a few feet. Jamie then charges at Flamouca and extends his right elbow. Flamouca tries to block the attack with her swords, but the force of Jamie's attack breaks the swords.

FLAMOUC A

What is this power?

JAMIE

Let me show you.

Jamie jumps up, and gives Flamouca a hard strike with his right knee. Flamouca takes the hit, and falls to the ground. Flamouca then gets back to her feet, and charges at Jamie. Jamie flips the wolf head of his morpher up, and presses a button that is near the bell.

JAMIE

Primal Beast...Twilight Wolf! Upper
Strike!

Another boxing ring is created, as purple colored energy goes over Jamie's body. Flamouca charges at him, but he gives her a hard punch with his left fist, which knocks her against the ropes. Flamouca bounces off of the ropes back toward Jamie, and he gives her a hard uppercut with his left fist that is covered in purple colored energy. Flamouca takes the hit and goes flying up high. The ring disappears and Flamouca lands behind Jamie. Jamie flips the wolf head of his morpher down.

JAMIE

Knockout!

Flamouca falls down, and a massive explosion occurs.

FADE OUT.

FADE IN:

EXT. DOWNTOWN LAS BESTIAS - DAY

Aboonb (still giant), holds onto the Feral Megazord's right arm, and pulls it closer toward him.

ABOONB

I've got you now, and there's no way to run.

Aboonb once again starts to strike the Feral Megazord's right leg, this time kicking it a few times with his right leg, before firing a blast of Rage energy from his mouth. Aboonb lets go of the Feral Megazord and it falls down on its left knee. Inside of the Feral Megazord Kevin, Jorge, and Toni (all still morphed) stand behind their podiums, until Toni falls down. Kevin goes over to her.

KEVIN

You okay?

TONI

I don't know if I can go on any longer.

KEVIN

Just try to hold on a little longer.

JORGE

Yeah, or else we won't have the Megazord up anymore.

Outside, the Feral Megazord's right leg looks like it is starting to disappear. Aboonb closes in on the Feral Megazord.

ABOONB

Time to finally finish off the three of you!

Aboonb raises his right hand, and just as he starts to bring it down to strike the Feral Megazord, the sound of a wolf howling can be heard.

ABOONB

What was that?

Aboonb turns away from the Feral Megazord. Inside of the Feral Megazord Kevin, Jorge, and Toni look at each other.

JORGE

What was that sound?

TONI

It almost sounded like a wolf.

KEVIN

You don't think that...

JORGE

It's possible.

Outside the Twilight Wolf runs up to the area.

KEVIN

Is that-?

JAMIE

Let's go Twilight Wolf!

The Twilight Wolf continues on its path. Aboonb charges at the Twilight Wolf, but the Twilight Wolf jumps up and grabs onto Aboonb's right arm with its mouth. Aboonb tries to shake off the Twilight Wolf, until it lets go of its grip on Aboonb's arm. The Twilight Wolf flies back a little, but jumps off of the side of a building.

JAMIE

Tail Strike!

The Twilight Wolf starts to spin around, flies over to Aboonb, and strikes Aboonb several times with its tail. Aboonb takes the hit and falls to the ground. The Twilight Wolf then starts to run toward the Feral Megazord, as its right leg starts to disappear.

JAMIE

Guys I'm going to combine with you.

Inside of the Twilight Wolf, Jamie stands behind an energy orb podium, and raises his left arm. He then rings the bell of his morpher.

JAMIE

Twilight Wolf, combine!

Outside the Feral Cheetah disappears from its position on the Feral Megazord, and the Twilight Wolf takes its place. Inside of the Feral Megazord a red colored column of energy goes over Toni while, a purple colored column goes over Kevin. When the two energy columns disappear Jamie is now standing in Kevin's usual position, while Kevin stands in Toni's usual position. Outside a yellow column of energy appears on a sidewalk, and when it disappears, Toni stands outside. Back inside of the Feral Megazord Kevin and Jorge look at Jamie.

JORGE

So Michelle's new morpher actually worked for you.

JAMIE

Yeah.

KEVIN

So what made you change your mind about the whole team thing?

JAMIE

I just thought about something that my trainer told me earlier, and as luck would have it, that's when Michelle gave me the new morpher. Anyway, can we just do this?

Outside the Feral Megazord stands up.

KEVIN, JORGE, AND JAMIE

Twilight Feral Megazord, ready to strike!

Aboonb gets back to his feet, and the Twilight Feral Megazord raises its right leg for a moment, before charging at Aboonb. Aboonb charges at the Twilight Feral Megazord, and the Twilight Feral Megazord gives Aboonb several quick kicks with its right leg. Aboonb takes the hits and falls back. The Twilight Feral Megazord then gives Aboonb a hard roundhouse kick with its right foot, knocking the monster back. The Twilight Feral Megazord then jumps up and extends its right leg forward a little, and strikes Aboonb with the tail of the Twilight Wolf. Aboonb falls to the ground, as the Twilight Feral Megazord lands.

JAMIE

Okay guys let's finish him.

KEVIN AND JORGE

Right!

KEVIN, JORGE, AND JAMIE

Tail Saw!

The tail of the Twilight Wolf comes out of its position, and into the Twilight Wolf's mouth. Inside of the Twilight Feral Megazord, the podiums lower, as Kevin, Jorge, and Jamie all jump up and perform roundhouse kicks in mid-air.

KEVIN, JORGE, AND JAMIE

Saw Strike!

Outside Aboonb gets back to his feet, just as the Twilight Feral Megazord performs a roundhouse kick that launches the Tail Saw at him. The Tail Saw strikes Aboonb several times, and comes back to the Twilight Feral Megazord. Aboonb turns into dried clay, and explodes. On the ground Toni looks up.

TONI

Great job guys!

The Twilight Feral Megazord turns into orange colored energy and disappears. Kevin, Jorge, and Jamie run up to Toni.

KEVIN, JORGE, TONI, AND JAMIE

Power down!

Kevin, Jorge, Toni and Jamie all power down. Jamie's morpher glows purple for a minute before becoming a leather bracelet with the Primal claw symbol on it.

TONI

(to Jamie) So you actually decided to join us after all.

JAMIE

Well when Flamouca appears after Michelle hands you a new morpher, you might as well try it out, right?

TONI

I knew she'd be around to try to get you.

JAMIE

Flamouca?

JORGE

(sarcastically) No Michelle.

Kevin, Jorge, Toni, and Jamie all start to laugh a little. Flamouca appears.

FLAMOUC A

Enjoy this while you still can Rangers.

JORGE

Why, so you guys can try another lame attempt at trying to take over this realm?

Flamouca shoots Jorge an evil look.

KEVIN

How about we go back to the studio?

JAMIE

Yeah, there's something telling me that Master Chong's going to have some kind of welcome to the team speech to give me.

Kevin, Jorge, Toni, Jamie walk away. When they are all out of sight a man with graying hair, a graying goatee, and dressed almost entirely in black walks up to Flamouca.

MAN

So there's a new Ranger that's out to stop whatever the Three have planned.

Flamouca turns to the man.

FLAMOUC A

Who are you old man?

MAN

I'm surprised you don't recognize my voice, Flamouca. Or would it be more helpful to you, if I looked more like a cat?

FLAMOUC A

Ka-rah Khal?

MAN

I have resorted back to my previous form as David Li. It's still me only with a couple new goals in mind.

FLAMOUC A

And those would be?

MASTER LI

Get back my form as Ka-rah Khal for one.

FLAMOUC A

Anything else?

MASTER LI

Revenge.

FLAMOUC A

Against who?

MASTER LI

Anme. He was the one who forced my off of the edge of the cliff, and caused me to release all of the energy that I had as Ka-rah Khal in a single scream. But Anme's comeuppance will come soon enough. Join me Flamouca, and we can take this realm for ourselves.

FLAMOUC A

Why me?

MASTER LI

You were always my most loyal servant, unlike some people.

FLAMOUC A

But now that you're no longer Ka-rah Khal I now know a few things about myself that your mind control was suppressing.

MASTER LI

Join me or not, I don't care. But I'm warning you, should I succeed in my goal, and you fail to join with me, I will show you no mercy should our paths cross. Just think about it for now.

Master Li walks away from Flamouca. Once he is out of sight, gold colored mist appears before Flamouca and becomes Aslec.

ASLEC

So Ka-rah Khal still lives?

FLAMOUC A

What's it to you?

ASLEC

Nothing. It's just that with someone else working toward conquering this realm, Tsuno and the others might not be the only option to go with. You might want to think about joining him.

FADE OUT.

FADE IN:

INT. THE MARTIAL ARTS STUDIO - EVENING

Kevin, Jorge, Toni, and Jamie stand before Master Chong and Michelle.

MASTER CHONG

Looks like that new morpher actually worked.

MICHELLE

You had doubts?

MASTER CHONG

Well it's just that when you said you were going to model it after the bell at a boxing match, I was a little apprehensive about it.

JAMIE

Speaking of which, why did you model my morpher after a bell?

MICHELLE

It was just to give it something that somewhat relates to you. Just to make sure that you might actually use it. Either way what matters is that it works, and we have another Ranger on our side. And I've got a little more work to do.

MASTER CHONG

What kind of work?

MICHELLE

Well if we've all ready given Kevin, Jorge, and Toni their own vehicles, it's only fair that Jamie gets his own.

JAMIE

You're going to give me a bike that looks like a wolf?

MICHELLE

Maybe, I'm not sure if it's actually going to be a motorcycle, but we'll see what it is when I'm done with it.

MASTER CHONG

And Jamie...

JAMIE

Yeah?

MASTER CHONG

While your boxing training has allowed you to control your Primal Instincts to a certain extent, now that they're fully awakened you're going to have to start a separate set of training to control them.

JAMIE

So I'm going to do kung fu?

MASTER CHONG

Actually it'll be some light kung fu, mixed in with some Muay Thai. After all you did say that what you were doing when you first faced Aboonb, felt more like Thai boxing than Western boxing. But for now I think maybe we should all go out and celebrate the new addition to the team.

JAMIE

We're not going to go to that greasy diner again are we?

TONI

Hey some of us have to make a living at that place.

JORGE

Besides we should probably go somewhere nicer than that anyway.
