FADE IN:

INT. THE TRIBULATION ARENA - TIME UNKNOWN

TSUNO, GWIN, and LLYEJ sit in their respective chairs, as ANME and FLAMOUC A stand in the main part of the arena. Anme and Flamouca have their backs to Tsuno, Gwin, and Llyej as a viewing screen made of Rage energy floats mid-air in the arena, showing the Twilight Ranger fighting several Khatta Warriors as well as Flamouca herself. The screen's image changes to show the Twilight Ranger finishing off Flamouca, just as Tsuno waves his right hand, and makes the screen disappear.

TSUNO

(to Flamouca) Do you have anything to say for yourself right now?

FLAMOUC A

I-

TSUNO

How dare you defy my orders?! When I tell you to do something, you DO IT!

FLAMOUC A

I just thought that-

TSUNO

You are not here to think. You're here to carry out whatever I tell you to do, and get it done as fast as possible! Is that understood Flamouca?

FLAMOUC A

(begrudgingly) Yes.

TSUNO

Although I would like you to know that I don't blame you for this mistake. I blame Ka-rah Khal for implanting the souls of Fallen within the bodies of humans. However, I want you to keep in mind Flamouca that while Ka-rah Khal may have given you your powers, we gave Ka-rah Khal his. And we can take your powers away just as easily as Ka-rah Khal gave them to you. Understood?

FLAMOUC A

Yes Tsuno.

TSUNO

Good. Now there is one question that needs to be answered.

LLYEJ

Yes, how do we get rid of this new nuisance?

GWIN

Tsuno I think I may have what we need.

TSUNO

Really Gwin, what?

Gwin pulls out two pieces of armor, one white, the other black. Anme notices the armor.

ANME

Wait a minute, that's-

GWIN

Armor from Abutok, and Uwagak.

TSUNO

So what are you planning, Gwin?

GWIN

We revive Abutok and Uwagak, and then you power them up with Rage energy.

TSUNO

Hmm...I like the sound of that.

Gwin throws the armor pieces into the center of the arena. Anme and Flamouca step off to the side. Tsuno, Gwin, and Llyej point their right hands in the direction of the armor pieces and energy comes out of their hands. The energy hits the armor pieces and they become ABUTOK, and UWAGAK. Abutok and Uwagak take a look at themselves.

ABUTOK

We're alive?

UWAGAK

But how?

Abutok and Uwagak turn to look at Tsuno, Gwin, and Llyej, and crouch down on one knee.

UWAGAK

Thank you, for reviving us Master
Tsuno, Master Gwin, and Mistress Llyej.

ABUTOK

But if you don't mind our asking, why
have you resurrected us?

TSUNO

We have a job for the two of you.

ABUTOK

Anything you wish, we will fulfill. So
what do you want?

GWIN

Since the two of you were destroyed,
the Rangers have added another to their
team.

UWAGAK

Say no more. But we were defeated by
the power of the Rangers' Claw Beasts
last time.

TSUNO

Just leave that to me.

Tsuno extends his right hand, and Rage energy comes out of
it. The energy hits Abutok and Uwagak. Abutok and Uwagak
absorb the energy, and they transform into their own Rage
Forms. Abutok and Uwagak take a look at their new forms.

UWAGAK

What are these new forms?

TSUNO

I have given the both of you the power
of Rage, and with its power combined
with your own have granted you these
new forms. Now I want the both of you
to come with me for a special training
session with Anme, before we send you
to the human realm to deal with the
Rangers. Gwin, Llyej, you're coming
too.

Tsuno, Gwin, and Llyej rise from their chairs and start to
leave the arena. Anme, Abutok, and Uwagak soon follow them.
Once Flamouca is alone, gold colored mist appears within
the arena, and become ASLEC.

FLAMOUC

What do you want?

ASLEC

It appears that Tsuno doesn't appreciate initiative.

FLAMOUC

But I defied one of his orders, and I failed.

ASLEC

While that may be true, at the very least shouldn't you trying to do something on your own to amount to something around here?

FLAMOUC

What are you getting at?

ASLEC

Have you given any thought to Master Li's offer?

FLAMOUC

I have.

ASLEC

And?

FLAMOUC

I'm still thinking about it.

ASLEC

Maybe you should take him up on that offer. After all didn't Ka-rah Khal appreciate your efforts?

FLAMOUC

You make a good point. Maybe I should take Li up on his offer.

FADE OUT. OPENING CREDITS.

FADE IN:

INT. THE MARTIAL ARTS STUDIO - DAY

MASTER CHONG carries a compact Stryker into the middle of the main part of the studio. Once in an area that he likes, Master Chong stops, and presses the screen on Stryker. Stryker's arms and legs extend, as KEVIN, JORGE, and TONI all come out of the change room wearing their uniforms. JAMIE soon follows them wearing a uniform of his own, only with a purple top.

JAMIE

I still don't see why we can't just wear sweats or something for this training.

MASTER CHONG

You forget Jamie, that every form or martial arts has its own uniform. And for what we'll be doing you're going to need the right attire.

JORGE

Is there any reason why all four of us have to be here right now? After all Reyes is the one who isn't familiar with everything just yet.

TONI

I'm sure Master Chong wants us all here so he can see how we work together outside of that Megazord battle from the other day.

MASTER CHONG

Thank you Toni and you're right I do want to see how the four of you work together.

KEVIN

So what are you going to have us do?

MASTER CHONG

We're just basically going to practice with Stryker, and Michelle just got done programming the fighting styles of every monster you've fought so far. But first Jamie, I want you to practice with Stryker a little before we go.

JAMIE

Why?

MASTER CHONG

Just to get a feel as to how to use it.

JAMIE

Okay.

Jamie walks over to Stryker. Jamie starts out by throwing a punch with his left fist at Stryker, and Stryker raises its left hand to absorb the force of the strike with the pad. Jamie then thrusts his right elbow at Stryker, and Stryker absorbs the force of the strike. Jamie thrusts his right knee at Stryker and once again Stryker absorbs the force of the strike.

JAMIE

This thing's pretty good. Mind if I come in here on occasion to practice some boxing?

MASTER CHONG

I did give you a key to this place for a reason.

MICHELLE dressed in a pair of coveralls walks into the studio.

MICHELLE

And you'll also be happy to know that I installed a boxing program into Stryker for that very reason too.

Michelle takes out a small rag from one of the pockets of the coveralls, and wipes off a bit of grease that is on her left cheek.

JAMIE

So how's my vehicle coming?

MICHELLE

It should be up and running in a couple of hours, but I'm not making any promises. If it's not done by then, you can expect to see it tomorrow.

MASTER CHONG

Why not tonight?

MICHELLE

I'm going out with Ron tonight. And don't you dare start up anything about that with me right now.

MASTER CHONG

I wasn't going to say anything.

MICHELLE

Good. And if you're wondering why I came in, I just wanted to see how my new programs in Stryker are holding up.

MASTER CHONG

We were just about to get into it, before you came in.

Master Chong walks over to Stryker and presses a few things on the screen. The words "ABUTOK SIMULATION MODE" appear on the screen. Master Chong walks away from Stryker, as Kevin, Jorge, Toni, and Jamie all face it. Stryker charges at the four of them, and thrusts its right side toward Kevin. Kevin jumps out of the way, as Jamie comes in quickly with a quick punch to Stryker.

KEVIN

Looks like Master Chong wasn't kidding about the fighting styles of the monsters we've fought.

Toni quickly kicks one of Stryker's pads.

TONI

Yeah that last move was almost like something Abutok would've done.

Jorge gives Stryker two simultaneous punches, knocking Stryker to the ground. Stryker struggles to get back to its feet, and Master Chong walks over to it, and touches the screen. Stryker's screen goes blank, and its limbs compact again.

MASTER CHONG

I think that's enough for now. However, Jamie there is something that I want to teach you later.

JAMIE

Okay.

MASTER CHONG

But for now the four of you can go do whatever.

FADE OUT.

FADE IN:

INT. THE DINER - DAY

Kevin, Jorge, Toni, and Jamie sit in one of the booths along the front windows. Jorge is holding a coffee cup taking a sip while Kevin eats a sandwich. BERNIE walks into the diner and goes over to the booth that everyone is sitting in.

BERNIE

(to Toni) I thought I'd find you here.

TONI

So what do you have for me?

BERNIE

Nothing much as of late, but-

Bernie notices Jamie.

BERNIE

(to Jamie) Wait a minute, you're James Reyes, right?

JAMIE

Yeah, why?

BERNIE

I'm Bernie Seaver Toni's agent.

JAMIE

(unsure) Hi.

BERNIE

Look if you ever need some representation...

Bernie reaches into one of his jacket pockets and pulls out a copy of his card. Bernie then hands it to Jamie.

BERNIE

Just give me a call.

JAMIE

Okay, but why would I need an agent?

BERNIE

I actually represent quite a few sports stars, and help them get their endorsements. How would you like to see something like...oh I don't know...your name on an electric grill?

JAMIE
(somewhat sarcastically) Do I look like
George Foreman?

Bernie laughs a little.

BERNIE
Funny, funny, I like it when sports
stars actually have personalities.
Either way will you at least think
about it?

JAMIE
Okay I guess.

BERNIE
Good, good. So I guess I'll see you
later.

Bernie starts to walk away from the table. A somewhat
angered look goes onto Toni's face.

TONI
Bernie!

Bernie walks back to the table.

BERNIE
What?

TONI
What were you saying to me before you
got distracted?

BERNIE
Oh right, I don't have anything for you
now, but there's a casting call for a
TV pilot coming up that needs someone
like you. But that probably won't
happen for another couple of weeks.

TONI
And what are you trying to find me in
the meantime?

BERNIE
Whatever comes up comes up. But that
doesn't mean that you can't try to find
something on your own too.

Bernie walks away from the table and leaves the diner.

JORGE

So are you actually going to call
Bernie about this Reyes?

JAMIE

I don't know Diaz, I'm surprised he
didn't mention anything about doing
something if I win my title match
that's coming up next week. Speaking of
which, I was able to get the three of
you, Master Chong, and Michelle
ringside seats.

JORGE

How close to the ring?

JAMIE

They're closer than the tickets you had
to my last bout.

JORGE

Sweet.

JAMIE

So what do you say Kevin?

KEVIN

Are we going to be close enough that we
might actually be on TV?

JAMIE

If you're lucky.

TONI

Kevin, you've been on TV before.

KEVIN

Yeah, but that was when I was morphed.

TONI

But you're only going to be on pay per
view.

JAMIE

Is there-

Kevin sniffs the air. Jorge, Toni, and Jamie do the same.
The four of them get up out of the booth and leave the
diner.

FADE OUT.

FADE IN:

EXT. DOWNTOWN LAS BESTIAS - DAY

All seems quiet as Kevin, Jorge, Toni, and Jamie walk down the street on the sidewalk.

JORGE

Are you sure about this one Kevin?

KEVIN

When has our enhanced sense of smell ever been wrong about when a monster shows up?

JAMIE

Just to be clear, I'm going to be able to smell whenever a monster shows up because of my Primal Instincts, right?

JORGE

For the most part, but it's not always a monster.

KEVIN

Yeah, it could be Anme or Flamouca.

JAMIE

Anme's that lion guy you mentioned, right?

TONI

(partially annoyed) How many times do we have to go over this with you?

JORGE

Cut him some slack Antonia, he just got his morpher like two days ago.

Kevin notices something in the sky.

KEVIN

Guys...

Kevin points up to see Abutok and Uwagak flying in the sky powered up with Rage energy. Abutok and Uwagak land hard on the ground in the distance and destroy several buildings.

EXT. A DESTROYED SECTION OF THE CITY - DAY

Abutok and Uwagak walk through the ruins.

UWAGAK

We should've gained this power sooner.

ABUTOK

Yeah, maybe we would've defeated the Rangers the first time around.

The sound of motorcycles can be heard as Kevin, Jorge, Toni, and Jamie (all morphed) come riding up to the area on the Stalk Cycles, with Jamie riding one the back of Kevin's. Kevin, Jorge, and Toni all park their Cycles, and all four Rangers get off and face Abutok and Uwagak.

KEVIN

I thought we destroyed the two of you?

ABUTOK

The Three revived us.

UWAGAK

Not only that, but Tsuno powered us up.

JORGE

This shouldn't be too hard. After all we defeated Aboonb without having to morph to Claw Form.

TONI

Yeah, but that was only one monster.

JAMIE

Do you guys usually talk like this when a monster shows up?

ABUTOK

I can't believe I actually agree with you Twilight Ranger. Uwagak, let's get them!

UWAGAK

Right.

Abutok and Uwagak charge at Kevin, Jorge, Toni, and Jamie. Abutok goes after Kevin, and Jamie, while Uwagak takes on Jorge and Toni. In their area Abutok tries to slash at Kevin, and Jamie with his staff, but they both jump out of the way.

KEVIN

Shark Blade!

The Shark Blade forms in Kevin's hands, and he tries to use it to slash at Abutok, but Abutok blocks it with his staff. Jamie runs up to Abutok and thrusts his right knee forward, but Abutok quickly slashes at Jamie with his staff, and Jamie falls to the ground. Kevin and Jamie regroup and charge at Abutok. In their area Jorge has his Primitive Strikes out in Tonfa Mode, while Toni has her Primitive Strikers combined into Bo Mode. Despite having these weapons out, Uwagak manages to get in numerous strikes on them with his staff, so much so that he manages to knock the two of them down to the ground. In their area Abutok gives Kevin and Jamie a hard slash with his staff sending them flying over to Jorge and Toni. Abutok and Uwagak regroup and face Kevin, Jorge, Toni, and Jamie.

UWAGAK

Looks like this new Ranger isn't the concern that Tsuno said.

ABUTOK

You may be right about that. Either way I think maybe we should leave things at this for the time being.

Abutok and Uwagak disappear. Kevin, Jorge, Toni, and Jamie get back to their feet.

KEVIN, JORGE, TONI, AND JAMIE

Power down!

Kevin, Jorge, Toni, and Jamie all power down.

KEVIN

What are we going to do about this?

TONI

(somewhat angrily) I don't know. Why don't we see if the newbie has any ideas?

JAMIE

Is there some kind of problem Toni?

TONI

No.

JORGE

What is it?

TONI

Nothing.

Jorge rolls his eyes a little.

JORGE

It's the London thing all over again.

TONI

This isn't like the London thing. And
Jamie you can find another agent.

Toni storms away from the area.

JAMIE

What's her problem right now?

JORGE

With her Reyes, who knows?

KEVIN

Think we should go see Master Chong
right now?

JAMIE

Wouldn't hurt. Plus he can teach me
whatever he wanted me to learn while
we're at it.

FADE OUT.

FADE IN:

INT. MICHELLE'S GARAGE - DAY

Michelle crouches before a purple colored ATV that has the head and tail of the Twilight Wolf attached to it. Michelle tightens a couple of bolts with a wrench, as Jamie (in his uniform) walks into the garage.

JAMIE

How's it coming?

MICHELLE

Just about done Jamie.

Jamie notices what the vehicle is.

JAMIE

Why an ATV?

MICHELLE

Just thought I'd try something different. So how do you like the Twilight Hunter so far?

JAMIE

Twilight Hunter?

MICHELLE

It's designed like the Twilight Wolf, and what are wolves known to do?

JAMIE

I get it now. There's something I've got to know.

MICHELLE

What?

JAMIE

When we got done fighting the monsters, Toni stormed off and seemed a little upset. Why?

Master Chong walks into the garage.

MASTER CHONG

Have you done anything that might've mad her mad?

JAMIE

How long have you been there?

MASTER CHONG

Long enough to have heard what you've been talking to Michelle about. As far as I can gather the only thing that I've seen so far is that you, Jorge, and Kevin seem to have become pretty close, and that she has a thing for you. Is there anything else that you can think of?

JAMIE

She did mention something about finding a different agent.

MASTER CHONG

How so?

JAMIE

Her agent came to see her when we were in that diner she works at, and he seemed to be more interested in me than what he had to tell her.

MASTER CHONG

Maybe she's a little territorial with things. After all I think she is an only child.

MICHELLE

Actually it doesn't surprise me that Toni's clashed with you Jamie.

JAMIE

Why?

MICHELLE

How much do you know about the color wheel?

JAMIE

Not much other than what I've seen in a couple of paint stores. Why?

MICHELLE

Basically you've got three primary colors; red, blue and yellow.

JAMIE

Okay.

MASTER CHONG

Where are you going with this?

MICHELLE

Just hear me out. When you mix two of those three colors together, you a group of secondary colors, red and yellow make orange, blue and yellow make green, and red and blue make...

JAMIE

Purple.

MICHELLE

Well technically it's violet, but you're basically right.

JAMIE

So what are you trying to say, that we're opposites or something?

MICHELLE

Yes and no, you're just on opposite sides of the color wheel, but because yellow and purple are on opposite sides of the wheel that means that they're complimentary. So really you two should try to be better friends or something.

MASTER CHONG

Why don't you get changed and try to make nice with Toni? We can pick this up later.

FADE OUT.

FADE IN:

INT. THE DINER - DAY

Toni sits at the counter with a coffee cup resting in front of her. SAM (in a waitress uniform) comes up to her and tops off Toni's cup. Sam notices the partially angered look on Toni's face.

SAM

What is it this time?

TONI

You know that new guy who Master Chong started teaching?

SAM

Bruce did tell me a little bit about him, but I haven't met him yet, why?

TONI

I don't know. Bernie was in here earlier and he seemed more interested in signing Jamie than giving me any news about any auditions.

SAM

Typical.

TONI

What's typical?

SAM

When I was in college a couple of my roommates were raised by single parents and they were also the only kid that their respective parents had.

TONI

What are you trying to get at?

SAM

Well when it came to sharing some basic things, these roommates of mine were a little territorial. It wasn't anything too major beyond something like "that's my milk", or "that's my water filter". And it seems like you're thinking that Bernie is your agent and your agent only.

TONI

I know the guy has other clients.

SAM

Then why does it seem like you think he's only *your* agent?

TONI

Like I said Bernie came in here to tell me about auditions, but seemed to be more interested in signing Jamie. He had a job to do, and he practically dropped that.

SAM

But doesn't he need to sign more clients to make more money?

TONI

Uh...

Jamie (dressed normally) walks into the diner. He sees Toni and goes over to her.

JAMIE

Look we need to talk.

TONI

I've got nothing to say to you.

JAMIE

Is this one of those stubborn moments of yours that Diaz told me about?

SAM

Yes.

TONI

(to Sam) You stay out of this. (to Jamie) I don't know what you want from me right now.

JAMIE

All I want is to try to get along with you a little better. When we met a couple days ago it looked like we had a bit of a thing between us, but since I got my morpher you've been a little...

SAM

Antagonistic?

JAMIE

Yes, thank you...

SAM

Sam.

TONI

I am not antagonistic.

SAM

What about everything that's happened between you and Jorge?

JAMIE

Did you have a thing with Diaz?

SAM

No but it seemed like it.

TONI

What'd I say about you staying out of this?

SAM

And what did I tell you recently about talking to me like that, especially since I am your superior in the ways of Primal Instincts. Besides you know I'm right.

TONI

But-

JAMIE

We're on opposite sides of the wheel so we might as well be complimentary with each other.

SAM

You were talking to Bruce, weren't you?

JAMIE

Actually that came from Michelle. Anyway, I looked you up online the other night, and I actually found a clip of you in some local play.

TONI

(with great interest) And?

JAMIE

You were actually pretty good.

TONI

Thanks, and I've actually seen a clip of you boxing on TV, you were impressive.

SAM

Looks like the two of you are all ready
on the right track to cooperating a
little better.

Toni and Jamie sniff the air quickly.

TONI

They're back.

JAMIE

We better get going.

Jamie's cell phone rings, and he takes it out and answers.

JAMIE

Hello? (pause) Toni and I were just
about to go fight those monsters, why?
(pause) Do we really have to do this
now? (pause) Fine, I'll be there. Bye.

Jamie ends the call.

TONI

What'd Master Chong want?

JAMIE

He wants to finish the training we were
doing before I came here. You go on
ahead; I'll catch up with the rest of
you later.

FADE OUT.

FADE IN:

EXT. A WAREHOUSE DISTRICT - DAY

Abutok and Uwagak walk through the area firing numerous waves of energy from the horns on their shoulders. The waves hit the nearby buildings destroying them.

ABUTOK

Soon the Rangers will fall and this realm will belong to Master Tsuno.

UWAGAK

Now if only the Rangers would get here.

Kevin and Jorge run up to the area.

ABUTOK

And it looks like we have half of them here.

Toni runs up to the area.

UWAGAK

At least three out of four isn't bad.

ABUTOK

But it's still not too good.

Jorge rolls his eyes a little.

JORGE

Can we-

KEVIN

Yes.

Kevin, Jorge, and Toni's bracelets become their morphers. They all do their morph hand movements.

KEVIN, JORGE, AND TONI

Unleash the beast!

Kevin, Jorge, and Toni morph. Abutok and Uwagak charge at the three of them, and swing their staffs. Kevin, Jorge, and Toni all jump back out of the way of the attacks. Uwagak tries to swing his staff at Jorge, but he blocks the attack with his left forearm, and gives Uwagak a punch with his right fist. Uwagak falls back a little. Abutok then gives Jorge a slash from his staff that sends Jorge flying back a little. Kevin, Jorge, and Toni regroup.

JORGE

Where's Reyes right now?

TONI

He said something about Master Chong wanting to finish the training that he was doing with him.

KEVIN

Look like we'll just have to hold out until he gets here. Shark Blade!

JORGE

Double Bat Cutter!

TONI

Elephant Flail!

The Shark Blade forms in Kevin's hands. Two Bat Cutters form in Jorge's hand. The Elephant Flail forms in Toni's hands. Kevin splits the Shark Blade and charges at Abutok. Kevin tries to slash at Abutok with both parts of the Shark Blade, but Abutok blocks every attempt, before giving Kevin a hard slash. Toni throws the ball of the Elephant Flail at Uwagak, but he purposely wraps the chain of the Flail around his staff, and thrusts his staff to get the Elephant Flail out of Toni's hands. Jorge comes in with the Bat Cutters, but his attempts to slash at Uwagak are unsuccessful as Uwagak blocks all of Jorge's attacks. Uwagak then gives Jorge and Toni a hard slash, and they fall back. Kevin, Jorge, and Toni regroup, and Abutok and Uwagak do the same.

UWAGAK

You thinking what I'm thinking?

ABUTOK

Exactly.

Abutok and Uwagak give Kevin, Jorge and Toni high powered slashes from their staffs. The force of the attacks causes the three of them to fall to the ground and power down.

JORGE

We need Reyes here now.

TONI

He'll come.

Abutok and Uwagak fire a few blasts from their staffs at the nearby area. The blasts cause a few explosions, as well as part of a building to fall onto a nearby car at a 45 degree angle.

ABUTOK

There's nothing left but to finish the three of you off.

Abutok and Uwagak start to close in on Kevin, Jorge, and Toni, just as the roar of an engine can be heard. Abutok and Uwagak stop, as Jamie (morphed) comes riding up to the area on the Twilight Hunter. Kevin, Jorge and Toni get back to their feet and look at Jamie.

KEVIN

Looks like Michelle finished his vehicle.

Jamie steers the Twilight Hunter toward Abutok, and Uwagak, and presses a button on the left handle. The tail of the Twilight Hunter splits in two, and positions itself so that the curve is facing outwards. Jamie rides the Twilight Hunter over to Abutok and Uwagak, and slashes the both of them simultaneously with the tail. The tail combines again, and Jamie steers away from Abutok and Uwagak. Jamie rides the Twilight Hunter over to the building part on the car, and goes over it. As he is in mid air, Jamie presses a button on the right handle of the Twilight Hunter, the wolf head opens up to reveal a laser cannon, and fires a few shots at Abutok and Uwagak. Abutok and Uwagak take the hits and fall back. Jamie lands, and he positions himself onto the seat of his vehicle. Jamie jumps off of the Twilight Hunter, extends his right knee and left elbow, and strikes Abutok with the elbow and Uwagak with the knee. The two of them fall back and Jamie lands on his feet. Jamie then goes over to Kevin, Jorge, and Toni, and powers down quickly.

JAMIE

You guys okay?

JORGE

Took you long enough to get here.

KEVIN

What was that?

JAMIE

The Twilight Hunter, you like?

KEVIN

Yeah.

TONI

That was really...good.

JAMIE

Good? You know that was great.

JORGE

Sounds like someone got over whatever she was thinking earlier.

TONI

Can we just finish these guys off?

JAMIE

I was thinking the same thing.

Kevin, Jorge, Toni, and Jamie's bracelets become their morphers. Jamie flips the wolf head on his morpher, and performs his morph hand movements, while Kevin, Jorge, and Toni perform their hand movements.

KEVIN, JORGE, TONI, AND JAMIE

Unleash the beast!

Kevin, Jorge, Toni, and Jamie all morph.

KEVIN

Power of the tiger! Red Ranger!

TONI

Power of the cheetah! Yellow Ranger!

JORGE

Power of the jaguar! Blue Ranger!

JAMIE

Power of the wolf! Twilight Ranger!

KEVIN, JORGE, TONI, AND JAMIE

Guardians of the urban jungle! Power Rangers Primal Strike!

Abutok and Uwagak charge at Kevin, Jorge, Toni, and Jamie. The four Rangers split up into groups; Kevin with Jamie fighting Abutok, and Jorge and Toni fighting Uwagak. Abutok tries to slash at Kevin, and Jamie, but they both dodge the attacks. Uwagak tries the same with Jorge and Toni, but they both dodge the attacks, and Toni takes out the Elephant Flail again. Toni throws the ball of the Flail at Uwagak, and the chain wraps around his staff. Toni then thrusts the Flail back taking the staff out of Uwagak's hands. Jorge takes the staff, and gives Uwagak a hard slash with it. Jorge drops the staff, and he and Toni give Uwagak hard simultaneous punches. Uwagak falls to the ground, but manages to position his shoulder horn, and fires a blast at Jorge and Toni. The blast creates an explosion, but Jorge and Toni fly out of the flames in Claw Form. Jorge and Toni fly toward Uwagak, and strike him hard with their Claw Grips. Uwagak takes the hits and falls back. In their area Kevin and Jamie face Abutok.

KEVIN

Shark Blade!

The Shark Blade forms in Kevin's hands.

KEVIN

Tidal Strike!

Kevin performs the Tidal Strike attack, and it hits Abutok. Jamie runs toward Abutok, extends his right knee, and strikes Abutok hard with it. Claw Beast energy goes over Kevin's body.

KEVIN

Claw Grip!

Kevin's Claw Grip forms in his right hand, and he extends it forward and presses the side button.

KEVIN

Unleash the Claw Beast!

Kevin morphs to Claw Form, and his shoulder jets fire up. Kevin flies toward Abutok and strikes him hard with the Claw Grip. Abutok and Uwagak regroup, as do Kevin, Jorge, Toni, and Jamie.

JAMIE

I think maybe we should combine our powers to finish them off.

KEVIN

Let's do it.

KEVIN, JORGE, AND TONI

Feral Striker!

The Feral Striker forms in Kevin, Jorge, and Toni's hands. Jamie flips up the wolf head on his morpher, and presses the button near the bell. Purple colored energy gathers over Jamie's left fist. Kevin pushes the back of the Feral Striker forward, and a blast is fired from the Feral Striker just as Jamie launches the purple energy. The Feral Striker blast and purple energy spiral around each other, until they combine, and hit Abutok and Uwagak. Abutok and Uwagak take the hit and fall down and explode. When the flames of the explosion clear, a massive amount of Rage energy comes out, and Abutok and Uwagak grow to gigantic size.

TONI

Better leave the rest of this to us Jamie.

Claw Beast energy gathers of Kevin, Jorge, and Toni's bodies.

KEVIN, JORGE, AND TONI
Claw Beasts unleash!

Kevin, Jorge and Toni unleash the Claw Beasts, and they jump up and into their respective Claw Beast. The Claw Beasts then combine.

KEVIN, JORGE, AND TONI
Tri Claw Megazord, ready to strike!

Jamie looks up.

JAMIE
I can help out more than you think.

Jamie rings the bell of his morpher.

JAMIE
Twilight Wolf, unleash!

Purple energy gathers over Jamie's body, unleashing the Twilight Wolf. Jamie jumps up and into it, and the Twilight Wolf runs up toward the Tri Claw Megazord, and Abutok and Uwagak.

JAMIE
Tail Strike!

The Twilight Wolf performs the Tail Strike attack, but Abutok and Uwagak cross their staffs, and block the attack. The Twilight Wolf falls and slides on the ground. Abutok and Uwagak then strike the Tri Claw Megazord several times with their staffs, and it falls back a little. Abutok and Uwagak then fire blasts from their staffs, and the Tri Claw Megazord takes the hits. Abutok and Uwagak get in front and behind the Tri Claw Megazord, and strike it with their staffs. The Tri Claw Megazord falls down, and the Twilight Wolf charges at Abutok and Uwagak, only to get hit by Abutok's staff. The Twilight Wolf falls down and slides on the ground again.

JAMIE
I guess it's time to do what Master Chong taught me.

The Twilight Wolf gets back to its feet, and charges at Abutok and Uwagak.

JAMIE
Feral Tiger, Feral Jaguar, unleash and combine!

Purple energy goes over the Twilight Wolf, unleashing purple versions of the Feral Tiger and Feral Jaguar. The Feral Tiger and Feral Jaguar become their usual colors, and combine with the Twilight Wolf.

JAMIE

Twilight Feral Megazord, ready to strike!

The Tri Claw Megazord comes up beside the Twilight Feral Megazord. They both face Abutok and Uwagak. Abutok and Uwagak charge at the two Megazords and the Twilight Feral Megazord jumps up. The Tri Claw Megazord thrusts its right fist forward, striking Uwagak, while the Twilight Feral Megazord strikes Abutok with its right leg. Abutok falls down, as the Tri Claw Megazord punches Uwagak numerous times and the Twilight Feral Megazord kicks him in the back. Abutok gets back to his feet, and tries to strike the Twilight Feral Megazord with his staff, but the Twilight Feral Megazord blocks the attack, and breaks the staff with its right elbow. The Twilight Feral Megazord drops the piece of Abutok's staff it's holding, and gives Abutok a roundhouse kick with its right foot. The Tri Claw Megazord gives Uwagak simultaneous punches, and Uwagak falls back a little.

KEVIN, JORGE, AND TONI

Flame Punch Strike!

The Tri Claw Megazord performs the Flame Punch Strike on Uwagak, and he takes the hits.

JAMIE

Saw Strike!

The Tail Saw goes into the mouth of the Twilight Wolf, and the Twilight Feral Megazord flings it at Abutok striking him several times. Abutok takes the hits, and both he and Uwagak explode.

FADE OUT.

FADE IN:

INT. THE MARTIAL ARTS STUDIO - EVENING

Kevin, Jorge, Toni, and Jamie stand before Master Chong.

JORGE

Since when can you call for the Feral Jaguar and Feral Tiger like that Reyes?

MASTER CHONG

That was all apart of the training I was giving Jamie.

KEVIN

Why?

MASTER CHONG

I figured that since we have another Ranger, it'd be an advantage to us to have two Megazords when the monsters grow to gigantic size.

TONI

But doesn't Jamie need to have some kind of connection to tigers and jaguars?

MASTER CHONG

He does, and it's the same connection that you have Toni. All I really taught him was no different than when Jack taught you how to summon the Warrior Elephant.

JORGE

So Reyes' secondary Primal Beasts are the Feral Jaguar and Feral Tiger?

MASTER CHONG

Exactly. But that doesn't mean you're going to get some kind of weapon because of this Jamie.

JAMIE

I don't need any extra weapons than what I've all ready got. Besides since when does a boxer need anything other than his fists?

MASTER CHONG

Very true. Either way since I no longer have anything else that I need to teach you at the moment, I think it might be a good idea for you to train for that upcoming title fight you told me about.

JORGE

Yeah, and you better win Reyes, because this time I'm going to go for the easy money and bet on you.

INT. THE TRIBULATION ARENA - TIME UNKNOWN

Anme stands in the middle of the area looking furious. Aslec watches Anme from behind one of the chairs.

ANME

(angrily) Why won't he just give me the power of Rage? I've gone through all of his pointless training, and nothing's come out of it yet.

A sinister smile goes over Aslec's face, as he disguises himself as Tsuno. Aslec (as Tsuno) goes into the main part of the arena and faces Anme.

ASLEC AS TSUNO

With the way you're going you're never going to get the power of Rage. Understood pathetic human?

ANME

(angrily) You've given three of the Fallen that power and they've all failed. Why not just give it to me, and I'll succeed where they failed.

ASLEC AS TSUNO

Not going to happen.

Anme's expression changes to an even angered one. Anme grunts in anger, and Rage energy starts to go over his body. Anme takes a look at the energy that has now engulfed his body.

ANME

I've done it. And I know just who to practice with first.
