FADE IN:

INT. THE DINER - NIGHT

KEVIN and JORGE sit across from each other in one of the booths along the front windows. Kevin has a plate with a burger, and fries on it in front of him as well as a glass of cola. Jorge has a slice of cherry pie on a plate, and a cup of coffee in front of him. Jorge picks up the cup and takes a sip. TONI (in her waitress uniform) walks up to the booth carrying a coffee pot. She looks at Jorge's cup, and tops him off. JAMIE walks into diner looking a little sweaty. Jamie goes over to the booth that Kevin and Jorge are sitting in, and sits down beside Kevin.

TONI

What's with you?

JAMIE

I've been at my trainer's gym to get ready for tomorrow, and Master Chong is going to help me a little with Stryker later.

TONI

What are you here for?

JAMIE

What else would I be in here for?

TONI

So what do you want?

JAMIE

Glass of water and that big salad.

JORGE

Just a salad?

JAMIE

I've got to watch my weight for the weigh in tomorrow.

KEVIN

Don't boxers need to weigh more or something?

JAMIE

Only the heavyweights do. Since I'm a middleweight I need to stay within a certain range.

TONI

Anyway, I'll punch in your order.

Toni walks away from the booth.

JAMIE

So Diaz, have you paid a visit to your bookie yet?

JORGE

All I had to do was call the guy. Apparently the odds in Vegas for you tomorrow are like four to one.

JAMIE

What about my opponent?

JORGE

Didn't really pay much attention to him, either way I learned my lesson from the last time I bet on one of your matches.

JAMIE

Good. Besides I don't know why you bet on Rousseau anyway, he's actually close to retiring.

KEVIN

How old is that guy?

JAMIE

Probably mid to late thirties.

KEVIN

And he's all ready retiring?

JAMIE

When you've been in the ring as long as he has, you'll eventually take one too many blows to the head. In fact if you were to talk to Rousseau you'd find that he's become a little punch drunk.

JORGE

And that's probably why he lost to you.

JAMIE

In all fairness, part of my current winning streak probably has to do with my Primal Instincts. But that could be considered cheating.

JORGE

I don't see why it would. It's not like you're taking any "special medications" or something to help you win.

JAMIE

I'd be tested for that before I went into the ring anyway.

JORGE

And did the test you had to take for your last match come up with anything that might give away your Primal Instincts?

JAMIE

No, but then again I wouldn't have known about it anyway.

JORGE

Then why are you worried?

JAMIE

I don't know. It's just a feeling that I have.

Toni walks up to the table carrying a large salad and a glass of water.

TONI

I wouldn't be worried about your fight and your Primal Instincts Jamie. Just as long as it looks like you won without any extra help.

JORGE

And was that part of your New York upbringing coming out?

Toni shoots Jorge an evil look. Jorge notices.

JORGE

C'mon you know I'm only kidding Antonia.

FADE OUT. OPENING CREDITS.

FADE IN:

INT. THE TRIBULATION ARENA - TIME UNKNOWN

ANME (in armor) and TSUNO stand in the main part of the arena, facing each as they spar. Tsuno swipes his hands at Anme, but Anme dodges the attack, and counters Tsuno with a hard punch. Tsuno takes the hit and falls back. Rage energy goes over Tsuno's body, and his claws extend.

TSUNO

Claw Strike!

Tsuno thrusts his claws forward, but Anme jumps up and over Tsuno. Rage energy goes over Anme's body and he releases a Rage energy version of the Dark Lion.

ANME

Pounce Strike!

Tsuno turns around to face Anme, only to get struck by the Dark Lion. Tsuno takes the hit and falls to the ground on his back. Anme reverts to his normal self, and walks over to Tsuno. Anme extends his right hand down, but Tsuno swats it away, and gets to his feet.

TSUNO

When was your Rage unleashed?

ANME

Don't you remember? You angered me a few days ago and it happened.

TSUNO

I did nothing of the sort. However, regardless of how your Rage was unleashed what matters is that you have it.

ANME

Looks like my training with you is over.

TSUNO

Think again. You forget, as with any new power, you have to learn how to control it. And before you go on to say anything about Aboonb, Abutok, or Uwagak, they were given the power of Rage, and with it the knowledge to control it. Your Rage on the other hand was unleashed through your own anger, which means you're still mine for the time being.

LLYEJ walks into the main part of the arena.

LLYEJ

I found what you were looking for Tsuno.

TSUNO

Good. Bring it in here.

LLYEJ

Oxotest!

The OXOTEST monster walks into the arena.

OXOTEST

I've come, Master Tsuno. Mistress Llyej tells me that you have something for me.

TSUNO

Yes.

OXOTEST

What?

TSUNO

This!

Tsuno extends his right hand and fires Rage energy at Oxotest. Oxotest absorbs the energy.

ANME

So what's the point this time?

TSUNO

To see if a warrior whose Primal Beast isn't connected to Rage, can hold its power without having to take on a Rage Form.

OXOTEST

What will you have me do Master?

TSUNO

As it turns out the Twilight Ranger apparently has some sort of big boxing match tonight. Appear in Las Bestias during it.

OXOTEST

As you command.

Oxotest disappears.

TSUNO

Tell me Llyej, how's the chameleon's training going?

LLYEJ

She's all ready mastered what Gwin and I have taught her, why?

TSUNO

I think it's time that maybe she should start training under me.

Tsuno and Llyej leave the arena. Anme paces around a little.

ANME

If Tsuno wasn't the one who made me unleash my Rage then who did? Not that it really matters, because either way the Twilight Ranger will be the first to taste my Rage.

FADE OUT.

FADE IN:

INT. A LOCKER ROOM - NIGHT

Jamie, wearing his boxing trunks and shoes, stands in between a locker and a bench. He pulls a gym bag that is lying underneath the bench, and sets it down. Jamie then opens the bag and takes out his gloves. Jamie looks to both of his sides as he takes out his morpher.

JAMIE

There's no reason why I'd actually need this right now.

Jamie opens up the locker that is in front of him and puts the bag and his morpher into it. Jamie closes the door just as Kevin (in jeans, a red t-shirt with a distressed graphic and a black blazer), Jorge, Toni (in a black dress), MICHELLE (in a black halter-style cocktail dress), and MASTER CHONG (in jeans, a white dress shirt with the top two buttons undone, and a black sport jacket) enter the locker room. They all walk up to Jamie.

JAMIE

What are you guys doing here?

MASTER CHONG

We just wanted to wish you good luck with your fight tonight.

JAMIE

Thanks guys.

JORGE

And not to put any pressure on you or anything Reyes, just remember that I've got half a grand riding on you tonight.

A somewhat evil look goes over Jamie's face as he looks at Jorge.

JAMIE

Hey what did we talk about last night in the diner?

JORGE

I know, I know. I'm just reminding you. And it's not like I said that because of a lack of faith in you.

TONI

You just had to add the pressure on him didn't you?

JAMIE

Don't worry about it Toni.

MICHELLE

Besides, I think we should all know by now that Jorge would say something like that anyway.

MASTER CHONG

Plus there could always be a chance that we might be jinxing him by being here before the start of the fight.

JAMIE

I'm fine Master Chong. Unlike some athletes, I don't believe in luck. But I can't help but wonder where my trainer is. He'd usually be here by now to help me into my gloves and give me a small pep talk.

NEIL (in black pants, a white t-shirt, and a purple corner jacket) walks into the locker room carrying a gym bag, and goes up to Jamie. Neil sets the bag onto the bench.

NEIL

Sorry I'm late. Traffic was crazy tonight.

Neil has a look at Kevin, Jorge, Toni, Master Chong, and Michelle.

NEIL

So these must be the friends who you gave those tickets to, right?

JAMIE

It wasn't too hard to get them tickets, was it?

NEIL

You're the main event tonight. You're the star. The organizers of this fight would give you anything you wanted. Now who's that kung fu guy that you've been seeing?

Master Chong extends his right hand.

MASTER CHONG

That'd be me, Bruce Chong.

Neil grabs Master Chong's right hand and they shake hands for a moment.

NEIL

I'm-

MASTER CHONG

No need to introduce yourself. I actually remember seeing you win an undisputed title fight about twenty years ago.

NEIL

Always good to meet a fan. Either way I need to help James into his gloves and get him ready for the fight.

MASTER CHONG

Not a problem. C'mon everyone.

Kevin, Jorge, Toni, Master Chong, and Michelle all start to walk out of the locker room. Jamie catches up to Kevin for a minute.

JAMIE

Kevin, there's something I want you to know.

KEVIN

What?

JAMIE

(partially whispering) If anything Ranger-related happens tonight while I'm in the ring, my morpher's in my locker. Get for me.

KEVIN

Okay.

Kevin leaves the locker room with Jorge, Toni, Master Chong, and Michelle. Jamie walks back over to his locker. Neil picks up Jamie's gloves, and he slides his hands into them. Neil ties the laces on the gloves.

NEIL

How's that feel?

JAMIE

Same as always.

NEIL

Good. Well the time's finally come for your first title match. And in all honesty I've got nothing to say about it.

JAMIE

(surprised) You don't?

NEIL

I've trained you as best I can this past little while, and in all of my time training fighters, I've never seen anyone come to this point as fast as you have. So I guess all I really have to say is just good luck out there tonight, and make me proud.

Neil opens up the gym bag and takes out a purple satin robe with white trim, and the words "EL LOBO" written in black on the back. He helps Jamie into the robe, and Jamie starts to leave the locker room. Jamie pauses at the entrance as Neil picks up the gym bag and catches up with Jamie. They both then leave the locker room.

FADE OUT.

FADE IN:

INT. THE LAS BESTIAS COLISEUM - NIGHT

Numerous spectators enter the Coliseum and take to their seats. Kevin, Jorge, Toni, Master Chong, and Michelle can be seen sitting down in the first row of seats near the purple corner of the ring. Two commentators sit at a table wearing headphones, and with their mouths pointed toward two microphones that are resting on the table.

COMMENTATOR 1

The energy in the Las Bestias Coliseum is electric tonight as we prepare for the much anticipated middleweight title match between up and comer James Reyes, and the previous title holder Rocco LaMotta.

COMMENTATOR 2

The weigh in earlier this afternoon showed Reyes at 159 pounds and LaMotta at an even 160. But despite Reyes' success up to this point the Vegas odds makers have given LaMotta the favor with 3-1 odds, and Reyes with 4-1.

COMMENTATOR 1

But still given Reyes' recent winning streak, and the minimal difference between the odds, we're probably not looking at an underdog story with him tonight.

An announcer makes his way into the ring as a microphone descends from the rafters of the Coliseum. The announcer grabs the microphone.

ANNOUNCER

Ladies and gentlemen, welcome to tonight's middleweight title match between Rocco LaMotta, and James Reyes. Celebrities sitting in the front row tonight include media tycoon J.T. Billingsworth, and president and CEO of the DZ Corporation, Hector Diaz.

In his seat a somewhat puzzled look goes over Jorge's face.

JORGE

(to himself) That's funny. Dad didn't say anything about coming to this thing tonight.

Back in the ring the announcer turns around to look at the crowd.

ANNOUNCER

Ladies and gentlemen please rise for
our national anthem.

Everyone within the Coliseum stands up, as the first bars of "The Star Spangled Banner" start to play over the PA system.

MALE SINGER

Oh say can you see, but the dawn's
early light...

DISSOLVE TO:

INT. THE LAS BESTIAS COLISEUM - NIGHT

Moments later everyone in the Coliseum is still standing as the national anthem is heard over the PA system.

MALE SINGER

Oh say does that star spangled banner
yet wave, for the land of the free and
the home of the brave...

With the national anthem over everyone in the Coliseum sits back down again. The announcer turns again within the ring to see the crowd.

ANNOUNCER

Ladies and gentlemen making his way
into the ring right now, the Brooklyn
Bear, he's been called the "Brick Hit
House", and is also known as the
"Southern Dandy" Rocco...LaMotta!

The crowd cheers as LaMotta, a man in a black satin robe, and wearing black boxing gloves, walks down a corridor that leads to a corner of the ring that has a black pad on it. LaMotta is followed by a couple other men, who help him into the ring. Once in the ring LaMotta takes off his robe revealing black trunks with red trim. The cheering dies down a little.

ANNOUNCER

And in the purple corner, the rising
star of the middleweight circuit from
right here in Las Bestias, James "El
Lobo" Reyes!

The crowd cheers again, as Jamie walks down a different corridor that leads to the purple corner of the ring. Neil follows him down the corridor. Once Jamie and Neil have approached the ring, Kevin, Jorge, Toni, Master Chong, and Michelle can be seen cheering a little harder than the rest of the crowd as Jamie makes his way into the ring. Jamie takes off his robe and tosses it to Neil. A referee climbs into the ring, and Jamie and LaMotta come up to each other.

REFEREE

I want a clean fight. Now touch gloves.

Jamie and LaMotta touch gloves.

ANNOUNCER

Ladies and gentlemen, let's commence preparations for rumbling!

The announcer makes his way out of the ring, and the microphone rises back into the rafters. The bell can be heard ringing twice, and Jamie and LaMotta circle around each other. LaMotta thrusts his right fist at Jamie, but Jamie raises his left arm to block the attack. Jamie then counters with a quick one-two punch on LaMotta, followed by a quick right hook.

DISSOLVE TO:

THE LAS BESTIAS COLISEUM - NIGHT

A few hours later, Jamie and LaMotta sit in their respective corners, while waiting for the next round to begin. Neil is standing behind Jamie, rubbing his shoulders a little. In his corner, LaMotta is starting to look a little tired.

NEIL

You've just about got him James. I think you might be able to take him down in the next round.

Neil stops rubbing Jamie's shoulders. He then grabs a water bottle and squirts a little water into Jamie's mouth. Jamie squishes the water around a little and spits it out into a nearby bucket. Jamie puts his mouth guard back in into his mouth, just as the bell rings again.

COMMENTATOR 1

At the start of round ten, LaMotta's starting to look a little tired.

COMMENTATOR 2

I know. Not to mention that Reyes is looking like he could go on for maybe about five more rounds.

COMMENTATOR 1

Could this be a sign as to what to expect from this fight?

COMMENTATOR 2

Probably.

Jamie and LaMotta start to circle around each other, before LaMotta starts to unleash a small barrage of punches. However despite his efforts, LaMotta's punches do not make contact on Jamie, and Jamie in turn counters with a left cross, a right hook, and an uppercut with his right fist. LaMotta takes all of the punches, and starts to stumble back a little. LaMotta loses his footing, and falls down to the mat on his back. The referee comes up to LaMotta and starts to tap the mat with his right hand.

REFEREE

One! Two! Three! Four! Five! Six!
Seven! Eight! Nine! Ten!

The referee goes over to Jamie, grabs his right wrist and holds it up. The announcer climbs into the ring, and the microphone descends from the rafters. The announcer grabs it.

ANNOUNCER

Ladies and gentlemen, the winner, and our new middleweight champion, James "El Lobo" Reyes!

Everyone in the crowd stands up and starts to cheer. Two men enter the ring carrying a championship belt. The men walk over to Jamie, and strap the belt around his waist. LaMotta gets back to his feet, and LaMotta's trainer climbs into the ring and goes over to him. Neil also climbs into the ring and goes over to Jamie. LaMotta's trainer helps him out of his gloves, while Neil helps Jamie out his gloves. Jamie and LaMotta extend their right hands, and shake for a moment. As he watches Jamie in the ring, an unsure look goes over Kevin's face, and he sniffs the air quickly. Jorge and Toni start to do the same.

KEVIN

Something's here.

TONI

Be we can't leave Jamie right now during his big moment.

MASTER CHONG

Don't worry about it. Jamie will have to join the three of you in a minute anyway.

Kevin, Jorge, and Toni walk away from their seats nonchalantly. Jamie looks over to where Master Chong and Michelle are standing and a confused look goes over his face.

JAMIE

(to himself) Where are they?

Jamie sniffs the air quickly.

JAMIE

Oh no.

Anme appears in the ring and everyone who is in the ring, except Jamie runs out of it. Neil pauses for a moment as he sees Jamie still standing in the ring.

ANME

Now that the preliminaries are over, it's time for the mane event.

Kevin, Jorge, and Toni (all morphed) run up to the ring. Kevin goes over to the table where the commentators were sitting, and picks up one of the microphones.

KEVIN

This is the Red Ranger speaking. Could everyone in the Coliseum please leave, while me and the other Rangers take care of the guy who just appeared in the ring?

Everyone in the Coliseum leaves, except Master Chong, Michelle, and Neil.

NEIL

What's going on here James?

JAMIE

I'd like to know that myself.

ANME

Simple, I'm calling you out.

JAMIE

Why?

ANME

You're the latest nuisance to me, and I want to see what you can do.

NEIL

Who is this guy James?

Master Chong and Michelle walk over to Neil.

MASTER CHONG

He's Anme, one of the minions of the Three.

NEIL

And what's James got to do with this?

MICHELLE

You know that new purple Power Ranger that appeared a while ago?

NEIL

Yeah. (pause) You don't mean...

Master Chong nods.

MASTER CHONG

I would've preferred to have kept this a secret from as many people as possible, but I guess you're now going to be in the loop.

NEIL

So that's the team thing he mentioned that one day.

Kevin, Jorge, and Toni climb into the ring and stand beside Jamie.

ANME

My business is with the Twilight Ranger and the Twilight Ranger only. And to make sure than none of the three of you disrupt me in anyway, there's a monster outside, and he's all ready starting to destroy the city.

JORGE

It's always something with them.

KEVIN

C'mon we better go.

Kevin, Jorge and Toni start to leave the ring. Toni pauses for a minute, turns to Jamie, and throws his morpher at him

TONI

Jamie, here!

Jamie catches his morpher. He then straps it onto his left wrist, and flips up the wolf head.

JAMIE

Unleash the beast!

Jamie performs his morph hand movements, and in a flash of purple light, Jamie morphs with the belt still around his waist. Jamie gets in position to prepare to fight Anne, but finds that the belt restricts his movement.

JAMIE

How the Rangers in the past managed put up with belts, I'll never know.

Jamie takes off the belt, and sets it down in his corner.

JAMIE

That's better.

Anne throws off his overcoat, as Rage energy starts to go over his body transforming him into his armor.

ANNE

Let's do this.

Jamie and Anne charge at each other.

FADE OUT.

FADE IN:

EXT. A WAREHOUSE DISTRICT - NIGHT

Oxotest makes his way through the area firing blasts of water from the jets on his wrists. The blasts hit the nearby buildings causing them to explode. The sound of motorcycles can be heard as Kevin, Jorge, and Toni (all still morphed) come up to the area on their Stalk Cycles. Kevin, Jorge, and Toni park their Cycles, climb off of them and confront Oxotest.

OXOTEST

Where's the Twilight Ranger?

KEVIN

What do you mean?

OXOTEST

The Twilight Ranger's supposed to be here with the three of you, isn't he?

JORGE

So you're here to not act as a distraction to us, while Anne fights him?

OXOTEST

Master Tsuno never told Anne to do anything about the Twilight Ranger. He must've acted on his own, and my being here is only a coincidence. Not that it matters in the long run, because you'll all fall in the end.

TONI

(sighs) That's what they all say.

Oxotest charges at Kevin, Jorge, and Toni, and tries to swipe at them with his hands, but they all dodge the attack. Kevin, Jorge, and Toni all surround Oxotest and start to walk to their left sides around Oxotest. Simultaneously the three of them give Oxotest a hard punch, which knocks him back a little. Kevin, Jorge, and Toni regroup, and face Oxotest.

JORGE

I'd say that this guy looks like he's not that tough-

TONI

But you're usually wrong when you've said that in the past.

KEVIN
Can we just take this guy out?

JORGE AND TONI
Fine.

KEVIN
Shark Blade!

JORGE
Double Bat Cutter!

TONI
Elephant Flail!

The Shark Blade forms in Kevin's hands. Two Bat Cutters form in Jorge's hands. The Elephant Flail forms in Toni's hands. Kevin splits the Shark Blade, while Toni starts to twirl the ball of the Elephant Flail.

OXOTEST
Like your weapons are really going to do anything.

JORGE
What makes you say that?

OXOTEST
I'll put it to you this way, Primal Beast...Jet Archerfish! Jet Strike!

Oxotest raises his arms, and aims his jets at Kevin, Jorge, and Toni. High powered water blasts fire out of the jets, powered by Rage energy. The jet blasts hit Kevin, Jorge, and Toni causing them to fall to the ground.

JORGE
There's got to be something we can do about this guy. He's only attacking with water.

TONI
But those blasts felt like there was more to them.

KEVIN
It's Rage energy.

OXOTEST
At least one of you Rangers knows what's going on. Now to finish you...

FADE OUT.

FADE IN:

INT. THE LAS BESTIAS COLISEUM - NIGHT

Jamie (still morphed) and Anme (still in armor) face each other while standing in the ring. They both circle around each other as Master Chong, Michelle, and Neil watch them from outside of the ring.

NEIL

So how long has James been at this?

MICHELLE

A couple of weeks.

MASTER CHONG

But this is the first time he's had to face Anme.

NEIL

So what's the deal with this Anme guy?

MASTER CHONG

Nothing much really other than he's the minion of the people who I mentioned before, and seems a little power hungry.

NEIL

So why's he calling out James like this?

MICHELLE

Could be anything. He said that he wanted to see Jamie's power first hand, but why he wants to is questionable.

In the ring Anme lunges at Jamie with his right fist, but Jamie raises his left elbow, and blocks the attack. Jamie then strikes Anme with his right knee quickly. Anme falls back a little as Jamie runs toward the ropes of the ring and climbs onto them. Jamie jumps off of the ropes with his right knee extended and starts to fly toward Anme. However, as Jamie approaches Anme, Rage energy goes over Anme's body, and Anme knocks Jamie to the mat.

JAMIE

This isn't going to be as easy as it was with Flamouca.

ANME

Of course, Flamouca's nothing compared to me.

More Rage energy goes over Anme's body.

ANME

Primal Beast...Dark Lion! Pounce
Strike!

Anme launches a Rage energy version of the Dark Lion at Jamie. The Dark Lion lands on Jamie, and starts to strike him with its front paws a few times. The Dark Lion disappears as Jamie falls to the mat.

ANME

Looks like you're not as strong as I
thought. Either way, I'll finish you
off just the same.

Rage energy goes over Anme's body, as Jamie gets back to his feet. Anme starts to charge at Jamie, but purple energy starts to go over his body. As Anme approaches Jamie, Jamie gives Anme a hard punch with his right fist. Anme takes the hit, and it causes the Rage energy that is over his body to disappear as he falls back a little.

ANME

Impossible! How were you able to do
that?

JAMIE

(unsure) I don't know.

NEIL

(to Master Chong) How was he able to do
that?

MASTER CHONG

He must be getting better at honing his
Primal Instincts.

In the ring, Anme charges at Jamie, but Jamie manages to get in another hard punch on him, followed by a quick strike with his right elbow. Anme takes the hits and falls back.

ANME

How are you able to strike me the way
you have?

JAMIE

Uh...

MASTER CHONG

Because he all ready has a grasp on
what his powers are supposed to be.

Anme turns to look at Master Chong.

ANME

What do you mean Chong?

MASTER CHONG

Tell me this, when did you get this new power of yours?

ANME

Very recently, why?

MASTER CHONG

How much of it have you mastered?

Anme pauses.

MASTER CHONG

Just what I thought. Just because you have this new power, doesn't mean you know how to use it properly. And if you can't use it, then it's useless.

ANME

I've had enough of this! (to Jamie)
This ends now!

Rage energy goes over Anme's body, and he starts to charge at Jamie. Jamie flips open the wolf head on his morpher, and presses the button near the bell.

JAMIE

Upper Strike!

Purple colored energy goes over Jamie's left fist. Anme approaches Jamie, and Jamie strikes Anme with his left fist. Anme takes the hit, flies up a few feet, and falls to the mat on his back, reverting to his usual self. Anme gets back to his feet and faces Jamie.

ANME

This isn't over, not by a long shot.

Anme disappears. Jamie turns to see Master Chong, Michelle, and Neil.

MASTER CHONG

You might-

JAMIE

I know. The others need me.

FADE OUT.

FADE IN:

EXT. THE WAREHOUSE DISTRICT - MORNING

Kevin, Jorge, and Toni (now morphed in Claw Form) face Oxotest. They all charge at him, winding back their Claw Grips, but when the three of them go to slash at him, Oxotest blocks the attacks, and fires jets of water at them. Kevin, Jorge, and Toni all take the hits and fall back.

OXOTEST

I still can't believe that we've been at this for hours, and none of the three of you have given up yet. You're losing; just accept the defeat and we can carry on with our lives.

JORGE

Not going to happen.

TONI

Yeah, we can't let you destroy the city.

KEVIN

And it doesn't matter how long we have to take to do it.

MALE VOICE

Besides it's our duty as Rangers to take care of the likes of you.

Kevin, Jorge, and Toni turn around to see Jamie (still morphed) walk up to them.

KEVIN

How'd it go with Anme?

JAMIE

I took care of him. Actually I see what you said about him Kevin.

TONI

So what about your trainer?

JAMIE

Well I guess he's going to be in the loop about our identities. But don't worry, you can trust him. Anyway it's been a long night, so can we just finish this guy off and maybe go home to get some sleep?

JORGE

I thought you'd never ask.

Kevin, Jorge, Toni, and Jamie turn to face Oxotest. Jamie runs toward Oxotest, jumps up, and extends his right knee. Jamie flies toward Oxotest striking him with the knee. Jamie then lands and hits Oxotest hard with his right elbow. Jamie gets out of the way, as Kevin, Jorge, and Toni charge at Oxotest, and strike him hard with their Claw Grips. Oxotest takes the hits and falls to the ground. Kevin, Jorge, Toni, and Jamie regroup as Oxotest gets back to his feet and aims his jets at the four of them.

OXOTEST

Jet Strike!

Oxotest fires numerous jets of water at Kevin, Jorge, Toni, and Jamie, but Jamie gets out in front of the others, and blocks the jets with his knees and elbows. Jamie once again charges at Oxotest, jumps up extending his right knee, and strikes Oxotest with the knee. Jamie gives Oxotest one final hard strike with his right elbow. Oxotest takes the hit, but quickly gets back to his feet. Jamie flips up the wolf head on his morpher, and presses the button near the bell.

JAMIE

Primal Beast...Twilight Wolf! Upper Strike!

Jamie performs an uppercut with his left fist, which causes a massive amount of purple energy to be released from his morpher. The energy flies over to Oxotest, hits him, and causes him to fall down and explode. Jamie turns his back to Oxotest, and flips the wolf head back to its original position.

JAMIE

Knockout!

The flames of the explosion clear, as Oxotest gets back to his feet.

OXOTEST

This isn't over yet Rangers!

Rage energy goes over Oxotest's body, as he performs a few hand movements, and grows to gigantic size.

JAMIE

Guys, after what happened with Anme last night, I could use a little time to blow off some steam with this monster.

KEVIN

Go ahead.

JORGE

We'll back you up in a minute.

JAMIE

Thanks.

Purple energy goes over Jamie's body.

JAMIE

Twilight Wolf, unleash!

Jamie unleashes the Twilight Wolf, and jumps up and into it.

JAMIE

Feral Tiger, Feral Jaguar, unleash and combine!

Purple energy goes over the Twilight Wolf as it unleashes the Feral Tiger, and the Feral Jaguar, before the three of them combine.

JAMIE

Twilight Feral Megazord, ready to strike!

The Twilight Feral Megazord and Oxotest charge at each other. The Twilight Feral Megazord jumps up and extends its right foot, giving Oxotest two flying kicks. The Twilight Feral Megazord lands and gives Oxotest a quick roundhouse kick with its right foot. Oxotest takes the hit and falls back. Oxotest stands up and aims his jets, as the Twilight Feral Megazord charges toward him.

OXOTEST

Jet Strike!

Oxotest fires water from his jets, which knocks the Twilight Feral Megazord down to the ground.

OXOTEST

Ha! Looks like the Twilight Ranger won't be defeating me in this form.

Oxotest aims and fires his jets again. Just as the water is about to approach the Twilight Feral Megazord, the Tri Claw Megazord comes in and takes the force of the attack.

JORGE

Get him Reyes!

The Tri Claw Megazord starts to spin its arm as it approaches Oxotest. The force of the Tri Claw Megazord's spinning arms knocks the water out of the way, as well as hitting Oxotest up into the air. The Twilight Feral Megazord runs up behind the Tri Claw Megazord, jumps up, jumps off of the Tri Claw Megazord's shoulders, and gives Oxotest a hard kick in mid air with its right foot. Oxotest falls to the ground and the Twilight Feral Megazord lands beside the Tri Claw Megazord.

JAMIE

Tail Saw!

The tail of the Twilight Wolf enters its mouth.

JAMIE

Saw Strike!

The Twilight Feral Megazord flings the Tail Saw at Oxotest, and it strikes Oxotest numerous times. The Tail Saw returns to the Twilight Feral Megazord. Oxotest turns into dried clay, and explodes.

FADE OUT.

FADE IN:

INT. JAMIE'S LIVING ROOM - DAY

Kevin and Toni sit on the couch, while Jamie sits in his recliner, and Jorge sits in the armchair. Jamie's championship belt sits on the coffee table, and the four of them all look at it.

KEVIN

So what are you going to do with it?

JAMIE

I don't know, but it's not like I don't have space to hang it up on a wall or something.

JORGE

Either way I think maybe we should all go out and celebrate or something tonight, on me.

JAMIE

Well given how much you made off of my fight, I sure hope everything tonight would be on you.

Toni yawns for a moment.

TONI

I don't know about anyone else, but I'm feeling really tired right now.

JAMIE

Yeah. The three of you were fighting that monster all night. I was in the Coliseum all night fighting Anme, but the thing is I think I could probably go on for a little more.

JORGE

I think now would be when Chong would tell you to quit while you're ahead or something.

JAMIE

You're probably right.

Kevin starts to yawn.

KEVIN

I think I'm going to go to bed now.

Kevin gets up from the couch.

JAMIE

Thanks for coming out last night.

KEVIN

Thank you for that ticket for last night.

Kevin leaves the condo, and Toni falls face first onto the couch now fast asleep. Jorge and Jamie get up from their chairs and look at Toni.

JORGE

Looks like someone lucked out right now. Do you want to wake her or should I?

JAMIE

Don't worry about it. I know just what to do about her right now.

JORGE

Whatever. I think I'm going to hit the sack myself right now anyway.

JAMIE

I'll see you later.

Jorge leaves the condo. Jamie walks out of the living room, and goes over to a linen closet. He opens the closet and takes out a blanket and a pillow. Jamie walks over to the couch, carefully lifts Toni's head, and slides the pillow underneath. He then lays the blanket over top of Toni, just as he starts to yawn.

INT. A LECTURE HALL IN A UNIVERSITY - DAY

Several students sit within the lecture hall paying attention to what a professor at the front is saying. A few of these students are wearing t-shirts and sweaters that read "LINCOLN U".

PROFESSOR

Okay that's it for today. Enjoy your spring break.

The students put away their notebooks, and the ringing of a cell phone can be heard. A male student with reddish-brown hair, and wearing a black t-shirt and jeans, takes out his phone, which has a compass-like symbol on it. He rotates the screen and presses the call button.

MALE STUDENT

Hello? (pause) Of course this is Mark, you called my cell phone, who else would you get? (pause) Nothing much, why? (pause) The Gear Blade? Never heard of it. (pause) Well it's not like the others can really drop what their doing right now and go after it. So I guess I'll go it alone. (pause) Don't worry; you'll get what you're looking for as we always used to do for you, Jones. (pause) Anyway, I've got to go find Kia, and try to explain to her why her boyfriend can't spend spring break with her. Bye.

Mark ends the call and puts his morpher away. He gathers his things and the professor looks over at him.

PROFESSOR

Going on one of the archaeological excursions that you used to do Mark?

MARK

I guess, but if I didn't go, then what kind of an archaeology student would I be?
