EXT. THE MARTIAL ARTS STUDIO - DAY

The AN'XI and Khatta Warriors continue to close in on KEVIN, JORGE, and TONI.

AN'XI

ATTACK!

The Khatta Warriors run past the An'xi and start to attack Kevin, Jorge, and Toni. A couple Khatta Warriors swing their staffs at Kevin, and he nearly avoids getting hit. Another two Khatta Warriors try to strike Jorge with their hands, and Jorge tries to dodge the attacks, but one of the Khatta Warriors hits him, and he goes flying back into a steel roll up door, that is attached to a building beside the studio. Jorge falls to the ground. A few more Khatta Warriors swing their staffs at Toni, and she tries to dodge the attacks, but one Khatta Warrior hits her with its staff, and she goes flying back, and lands on top of Jorge.

TONI

Don't get any ideas.

JORGE

Wouldn't dream of it.

Toni rolls off of Jorge.

TONI

That's better.

JORGE

You're no fun.

The Khatta Warriors surround Kevin. The An'xi notices the anxiety that Kevin's face is now starting to show.

AN'XI

Yes, just a little more, and if you could scream a little, that'd be super.

The Khatta Warriors close in on Kevin inch by inch, and the anxiety on his face grows even more. However a faint red light also starts to glow over his body. Jorge and Toni notice.

JORGE

What the-?

INT. THE MARTIAL ARTS STUDIO - DAY

MASTER CHONG and MICHELLE pick up the Primitive Morphers from off of the floor. However the Primitive Morpher pair that Michelle is holding starts to glow red. Michelle heads toward the door.

MASTER CHONG

Where are you going?

MICHELLE

I don't want any other holes in this building like the "new skylight" in my lab from a week ago.

EXT. THE MARTIAL ARTS STUDIO - DAY

Jorge and Toni are now on their feet, watching the Khatta Warriors surround Kevin. Michelle comes out of the studio holding the red glowing morpher. Michelle loosens her grip on the morpher, and it goes flying toward Kevin, destroying two Khatta Warriors on its path. The morpher attaches to Kevin, just as the remaining Khatta Warriors are about to swipe their staffs at him. Kevin then jumps up, and back flips over the Khatta Warriors. He lands behind them.

KEVIN

How'd I do that?

Master Chong comes out of the studio, carrying the other two morphers.

MASTER CHONG

Your Primal Instincts have awakened.
Trust in them.

The Khatta Warriors charge at Kevin, and try to swipe at him with their staffs, but he dodges every swipe. Kevin gives one of the Khatta Warriors a hard punch, and it goes flying back into a building, and crumbles. Toni starts to walk over to where Kevin is.

JORGE

Where are you going?

TONI

To help him, whatever his name is.

Toni starts to run toward the Khatta Warriors, and a yellow light starts to go over her body. One of the morpher pairs that Master Chong is holding glows yellow and flies over to Toni, and attaches to her arms. The light goes away and Toni starts to run at an incredible speed. She stops just as she punches a Khatta Warrior destroying it.

MICHELLE

Two down, one to go.

Jorge rolls his eyes a little, and runs over to Kevin and Toni.

JORGE

Can't let someone who looks like her break a nail or something.

A blue light starts to glow over Jorge's body, and the final morpher pair also glows blue. The morpher flies over to Jorge and attaches to his arms. Khatta Warriors swing their staffs at him, and Jorge leans back and fully avoids getting hit. Jorge then starts to punch the Khatta Warriors, destroying them. A few Khatta Warriors chase after Kevin, but Kevin runs up to a wall, runs up the wall a little, and uses it to back flip over the Khatta Warriors. Kevin quickly punches the Khatta Warriors destroying them. Toni throws a few punches at a few more Khatta Warriors, and destroys them. One final Khatta Warriors faces off against Jorge, and he gives it a hard kick, destroying the Khatta Warrior. Kevin, Jorge, and Toni regroup and face the An'xi.

JORGE

Looks like we've got one more thing to take care of.

AN'XI

So you defeated a bunch of Khatta Warriors, big deal. I'm nothing like them. Primal Beast, Slice Mantis!

The An'xi takes a mantis-like pose as an energy mantis appears over its body. The An'xi swings his arms toward Kevin, Jorge, and Toni unleashing twin energy attacks that send the three of them flying back into the steel door. The force of the three of them breaks the door down, revealing what appears to be a garage with three motorcycles in it, one red, one blue, and one yellow. The An'xi disappears, and Master Chong and Michelle go over to Kevin, Jorge, and Toni.

MASTER CHONG

Not bad for three people whose Primal Instincts have just awakened. What do you think Michelle?

MICHELLE

We need to call someone to fix this door.

MASTER CHONG

Besides that.

MICHELLE

Yeah, not bad for first timers.

KEVIN

So we did okay?

MASTER CHONG

Yes...

KEVIN

Kevin.

MASTER CHONG

And your names are?

JORGE

Jorge.

TONI

Toni.

MASTER CHONG

Well Kevin, Jorge, Toni, the three of you have done well so far, but you have only dipped your big toes into a great pool.

JORGE

(to Michelle) Does he have a thing for metaphors?

MICHELLE

Most people like him do.

MASTER CHONG

But my point remains; you have only just begun to experience the power of Primal Instincts.

FADE OUT. OPENING CREDITS.

FADE IN:

INT. THE TRIBULATION ARENA - TIME UNKNOWN

KA-RAH KHAL, ANME, and FLAMOUCAL stand on the elevated platform. The An'xi appears within the arena.

KA-RAH KHAL

You idiot!

AN'XI

I'm sorry master.

ANME

I told you that you shouldn't have sent an An'xi to do Flamouca's work.

KA-RAH KHAL

You shut up. (to the An'xi) What do you have to say for yourself?

AN'XI

The three people that the morphers bonded to were actually pretty powerful. How was I supposed to know they'd defeat Khatta Warriors like that?

KA-RAH KHAL

Then you should've turned into your true form as one of the Fallen.

AN'XI

I didn't have enough power.

KA-RAH KHAL

Excuses. Excuses. However all is not lost.

ANME

It isn't?

KA-RAH KHAL

Far from it. I sense that the Primal Instincts of these three have now been awakened, which means that they will have trouble trying to control them. (to the An'xi) You will go back to the human realm, and offer to help control their Primal Instincts.

AN'XI

Yes master.

KA-RAH KHAL

And should they refuse, well just start destroying everything. You're lucky that I'm always constantly baking Khatta Warriors within the kiln. Is this understood?

AN'XI

Yes master.

KA-RAH KHAL

Good. Now leave.

The An'xi disappears.

ANME

I still say you should send Flamouca to try to do this.

FLAMOUC A

Why not you, afraid to get your hands dirty or something?

ANME

No, these three who have just had their Primal Instincts awakened are in no way ready to face me.

FLAMOUC A

Please, you're only slightly better than me. Don't get cocky.

KA-RAH KHAL

I agree with Flamouca on this one. Your cockiness will be the end of you.

ANME

I thought you said my lack of foresight would be the end of me?

KA-RAH KHAL

That too. But none of that matters now. We must prepare for the arrival of our three new comrades.

Ka-rah Khal walks away from the arena. Anme and Flamouca follow him.

FADE OUT.

FADE IN:

EXT. THE STREETS OF LAS BESTIAS - DAY

Toni walks down a sidewalk. Her morpher is now disguised as the leather bracelets again. Toni walks past a building that BERNIE is coming out of. Bernie sees Toni and starts to follow her.

BERNIE

Toni!

Toni does not hear Bernie. Bernie continues to follow her and shout out for her, but she still does not hear. Bernie manages to catch up to Toni, and tries to tap her on the shoulder, but Toni grabs his wrist, and flips him over her head. Bernie lands on his back in front of Toni, and she sees what she has done.

TONI

Bernie I'm sorry.

BERNIE

It's okay Toni. Now could you be a dear and hail a cab?

TONI

Where do you want to go?

BERNIE

My chiropractor.

Toni turns to the street, and raises her right hand.

TONI

TAXI!

A taxi drives up to where Toni is standing. Toni helps Bernie to his feet, and into the cab.

INT. A DINER - DAY

Toni and Bernie sit face to face in a booth by one of the front windows. The word "MURRAY'S" can be seen written backwards over the windows. Toni and Bernie both have coffee cups in front of them, as Bernie opens up a small aspirin bottle, and takes out two tablets. Bernie puts the tablets in his mouth and takes a sip of his coffee.

TONI

Again, I'm sorry about that Bern.

BERNIE

It's okay. Actually I never knew you had that in you.

TONI

Is that going to be a good thing?

BERNIE

Of course, there are plenty of people who'd cast you in any role if you can do your own stunts. This might actually be a boost for your career.

TONI

And give you the typical ten percent, right?

BERNIE

The thought had crossed my mind. Now about today's fiasco on the set of that soap opera...

TONI

What about it?

BERNIE

What happened?

TONI

I kept tripping over this cord that was lying in the middle of the set. And the director wasn't exactly helping that much.

BERNIE

Well I wouldn't really expect much professionalism out of that show. But still, a cord in the middle of a set is something you'd never see, on a low-budget kids' TV show that was based on something from Japan. Anything else I should know?

TONI

I may or may not have mouthed off to the director.

BERNIE

Toni you've got to stop this.

TONI

What?

BERNIE

Don't take this the wrong way or anything, but personality wise, you're one of the biggest movie or TV clichés out there.

TONI

What do you mean?

BERNIE

This whole tough chick from New York act you seem to have going. It's eventually going to get you into trouble. You might want to try to work on that.

TONI

Fine.

BERNIE

Now as far as any other gigs go, I'll have to see what I can do.

Toni starts to twirl her hair a little with her right index finger.

TONI

(a little flirtatious) I'm sure you'll find something. Anything else?

BERNIE

If I've told you once, I've told you at least a thousand other times, let's try to keep our relationship professional.

Toni stops twirling her hair, and grabs her coffee cup.

TONI

Fine.

A waitress in a yellow uniform, walks past the table, and waves to Toni quickly. Toni waves back.

BERNIE

Beyond that I think everything could work out for you someday.

FADE OUT.

FADE IN:

EXT. DOWNTOWN LAS BESTIAS - DAY

Numerous Khatta Warriors face many people and jump up to attack them. The people run away in fear. Two Khatta Warriors jump up and over to a car, landing face first into it. The car explodes, and a few people fall to the ground. More and more people get attacked by the Khatta Warriors, and the sound of screams can be heard. The An'xi stands on a higher level than the Khatta Warriors and takes in the sound of the screams.

AN'XI

Perfect these humans' screams are most empowering.

The An'xi performs a few hand movements and his head and arms come into his body. The ANTISM monster comes out of the An'xi's body, destroying it. Antism jumps up and uses its sickle-like arms to destroy an overpass. Jorge and Toni run up to the area.

TONI

What's going on here?

Jorge and Toni's bracelets turn into their morphers, and Master Chong's voice can be heard coming out of them.

MASTER CHONG THROUGH THE COMMUNICATOR

It appears as if the city's being attacked.

JORGE

How are we able to hear you right now?

MICHELLE THROUGH THE COMMUNICATOR

The Primitive Morphers have a built in communicator.

MASTER CHONG THROUGH THE COMMUNICATOR

That doesn't matter now. The three of you need to defeat whatever's destroying the city.

TONI

But Kevin's not here.

JORGE

He probably chickened out on us.

Kevin runs up to Jorge and Toni.

KEVIN

I'm here.

MASTER CHONG THROUGH THE COMMUNICATOR

Good now unleash your inner beasts to morph.

KEVIN

But how do we do that?

Master Chong does not answer.

JORGE

Great. He's the guy who wants us to be Power Rangers, but he's not going to tell us how to do it?

Toni looks at the right hand part of her morpher.

TONI

One of the buttons on here must do it.

Kevin's bracelets become his morpher. Kevin looks at the right hand part of his morpher, and presses the center button with his left hand. In a flash of red light Kevin morphs. Kevin looks at himself.

KEVIN

I'm a tiger?

JORGE

How'd you do that?

KEVIN

I just pressed the center button on the right hand part.

Jorge and Toni both press the center button on the right hand parts of their morphers with their left hands. In flashes of blue and yellow light, Jorge and Toni morph. They both get a look at themselves.

TONI

Being a cheetah isn't so bad.

JORGE

What kind of cat am I supposed to be?

TONI

That's not important right now.

The Khatta Warriors start to surround Kevin, Jorge, and Toni. The three of them then start to kick and punch their way through all of the Khatta Warriors. A few Khatta Warriors swing their staffs at Kevin, but he blocks the attacks, and gives them a few kicks and punches. The Khatta Warriors fall back onto the ground and crumble. Antism lands in front of Kevin, and slashes at him with his arms. Kevin takes the hits and falls to the ground.

ANTISM

You and me Red Ranger!

Kevin gets back to his feet.

KEVIN

I was afraid of this with being red.

Antism runs toward Kevin, and grabs onto him, with his arms. Antism then jumps up, taking Kevin with him. Jorge notices this.

JORGE

Where are they going?

TONI

Can we worry about what's here first?

JORGE

Fine.

Several Khatta Warriors surround Jorge, and swing their staffs at him. Jorge dodges the attacks, jumps up and gives all of the Khatta Warriors a few kicks. Jorge lands and presses the buttons on the right part of his morpher. Blue energy gathers over his hands, and he launches a blue energy version of Feral Jaguar. Feral Jaguar runs toward the Khatta Warriors, tucks into a ball, and starts to roll over the Khatta Warriors destroying them. Toni fights against a group of Khatta Warriors of her own, and she kicks and punches her way through them. The Khatta Warriors fall back a little. Toni presses the buttons on the right hand part of her morpher, and yellow energy gathers over her hands. Toni launches a yellow energy version of Feral Cheetah, and Feral Cheetah runs toward the Khatta Warriors at a great speed, trampling them. The Khatta Warriors get destroyed from the force of the attack.

EXT. A DESTROYED ALLEYWAY - DAY

Antism lands with Kevin (still morphed). Antism throws Kevin a few feet away, charges at him, and starts to slash at Kevin with his arms.

ANTISM

What's the matter Ranger, not much of a warrior?

Antism slashes at Kevin hard, and he falls to the ground. Kevin pauses before getting back to his feet.

ANTISM

I should've known. I saw it in your face before; you don't really want to be doing this, do you? Well if you stand still for a while, you'll get your wish. Of course when I'm done you won't be doing much standing afterwards.

Kevin slowly stands up. He can be heard breathing somewhat heavily.

ANTISM

I can sense some growing anxiety within you about this. You probably had to put up with people like me all of your life, right?

Red energy starts to go over Kevin's body, as he starts to charge at Antism. Kevin jumps up a little, and punches Antism hard. Antism goes flying back many feet landing in the side of a building. Antism falls to the ground.

ANTISM

You're more powerful than you look.

Kevin runs up to Antism, just as the monster gets back to his feet. Kevin and Antism charge at each other. Antism tries to slash at Kevin, but Kevin jumps over the attack. Antism turns around and starts to slash at Kevin again, but Kevin dodges every swipe. Antism swipes at Kevin hard, but Kevin jumps back, lands on his hands, and uses his hands to spring himself forward at Antism. Kevin tries to punch Antism with both of his fists, but Antism catches the punches. Kevin then thrusts his hands so that he and Antism spin around in mid-air. They both land, and Antism slashes at Kevin hard a couple of time, which sends Kevin flying back. Kevin uses both of his feet to spring board himself off of the building he is about the crash into, and he goes toward Antism. Antism hits Kevin quickly, which sends Kevin to the side. Kevin lands, and jumps up and toward Antism. Kevin grabs onto Antism, knocking him down. Kevin jumps up again and starts to kick Antism several times while in the air. Antism falls to the ground, and Kevin lands on his feet. Kevin presses the buttons on the right part of his morpher. Red energy gathers over Kevin's hands, and he launches a red energy version of the Feral Tiger. Feral Tiger charges at Antism, and grabs the monster in its mouth. Feral Tiger shakes Antism a few times, and lets go, which sends Antism flying into the sky. Jorge and Toni (both still morphed) come up to Kevin.

JORGE

Where'd he go?

KEVIN

I guess I just sent him away.

TONI

Does anyone else think we need to talk to Master Chong right about now?

Kevin and Jorge nod.

FADE OUT.

FADE IN:

INT. THE MARTIAL ARTS STUDIO - DAY

Michelle walks around carrying a cordless phone.

MICHELLE

Yes hi, I'd like to see if there's any way I could possibly increase the coverage on a couple buildings that I own. (pause) It's just a "just in case" thing. (pause) Okay great. Thanks.

Michelle ends the call on the phone. Master Chong comes into the studio, and notices the phone in Michelle's hand.

MASTER CHONG

Who'd you call?

MICHELLE

Our insurance agent, I thought that given what's happened all ready, we could use a little more coverage.

Kevin, Jorge, and Toni (all now unmorphed) come into the studio.

MASTER CHONG

I was hoping to see the three of you now. And I must say that I'm very impressed by what you've done so far.

JORGE

But?

MASTER CHONG

But the three of you were a little reckless with the way you handled yourselves.

TONI

So what's this mean?

MASTER CHONG

The three of you need to start training.

KEVIN

What kind of training?

MASTER CHONG

What else? Martial arts.

JORGE

Why do we need to do this?

MASTER CHONG

It's one thing to have your Primal Instincts awakened, it's another thing to be able to control them. And the only way to do that is train in animal-based kung fu. But it's not going to be easy. It's taken Michelle and I nearly twenty years to get where we're at now. Not to mention that the three of you also need to learn how to control your inner Primal Beasts.

TONI

Primal Beasts?

MICHELLE

Everyone who has their Primal Instincts awakened takes their power from a Primal Beast. Some people can only handle the power of one Beast, but there are others who can handle several.

MASTER CHONG

After seeing the three of you in battle, we believe that you all can handle more than just the Feral Tiger, the Feral Cheetah, and the Feral Jaguar.

JORGE

That's what I am?

MASTER CHONG

Yes, and collectively your Primal Beasts are known as the Feral Cats. All Primal Beasts take their names from their attributes. And soon you'll all be able to use your Primal Beasts for more than just your Strike abilities. Any questions?

TONI

Yeah, earlier I was able to flip my agent over my head, why?

MASTER CHONG

Now that your Primal Instincts have awakened your body will be going through many changes.

JORGE

This isn't going to be puberty all over again, is it?

MASTER CHONG

No nothing like that Jorge. All that's going to happen is that your strength, agility, and senses will be heightened. Or in other words, you'll essentially be able to become like your Cats in battle. And you're lucky you came to me.

KEVIN

Why?

MICHELLE

There are others who could train you, but you'd end up down a dark path, like a man by the name of Ka-rah Khal.

JORGE

Who's Ka-rah Khal?

MASTER CHONG

He's the one who sent those creatures known as Khatta Warriors to attack our realm. He was once a man by the name of David Li, before turning into his current form as Ka-rah Khal. But that's a story for another day.

KEVIN

So what about this training?

MASTER CHONG

How about we start doing that regularly tomorrow?

FADE OUT.

FADE IN:

EXT. A FORESTED AREA - DAY

Antism lands between the trees. He gets back to his feet, and reverts back to his previous form as the An'xi.

AN'XI

Those blasted Rangers will pay for that insult.

FEMALE VOICE

But first you'll pay for your failure.

The An'xi gets hit numerous times from seemingly nowhere, before Flamouca appears. Flamouca grabs part of the An'xi's robe, and holds it up against a tree.

AN'XI

Flamouca, what are you doing here?

FLAMOUCU

Ka-rah Khal sent me to check up on you after the Red Ranger did what he did. He's not pleased, you know.

AN'XI

I swear I can make it up to the master.

FLAMOUCU

Really? And how do you intend to do that?

The An'xi turns its head to its left, and points to a nearby dam.

AN'XI

There!

FLAMOUCU

A dam, eh? Well given how dirty a city Las Bestias is, it could use a good cleaning. And your Slice Mantis powers should be enough to take it out. However, you probably don't have enough power to do it.

AN'XI

What do you mean?

Flamouca's armor forms onto her body. She faces the An'xi, opens her mouth, and hits the An'xi several times with her Tongue Blade. The An'xi falls to its knees.

FLAMOUC A

There that should power you up enough
to not only take out the dam, but maybe
do a few more things as well.

The An'xi gets to its feet.

AN'XI

I can feel the power surging through my
body.

The An'xi turns into Antism again.

FLAMOUC A

Good now let's get over to that dam.

FADE OUT.

FADE IN:

EXT. THE STREETS OF LAS BESTIAS - DAY

Kevin, Jorge, and Toni walk down the sidewalk.

KEVIN

Okay so now that we're supposed to be Rangers, does that also mean we're supposed to be friends?

JORGE AND TONI

No.

JORGE

Looks like we actually agree on something for once.

TONI

Good, because the last thing that I'd consider you is a friend.

JORGE

Then what would you consider me?

TONI

An annoyance. But at the very least you haven't hit on me in an hour.

JORGE

That reminds-

Toni raises her right hand to get ready to slap Jorge.

JORGE

You know what I actually do like a girl who plays hard to get. It makes the chase all the more interesting.

TONI

I told you, it's not going to happen. So you can go back to hitting on any other random girl you meet.

JORGE

(sighs) Fine.

TONI

So you're going to stop this?

JORGE

Wouldn't you like to know?

EXT. THE DAM - DAY

Antism and Flamouca (still in armor) stand before the dam. Antism flings two energy blades at the dam. The blades hit the dam causing some damage. Flamouca starts to walk away from the dam.

ANTISM

Just wait humans. Your pathetic city
will soon be cleansed of its filth.

Antism turns away from the dam, and follows Flamouca, just as water starts to break through the dam.

EXT. THE STREETS OF LAS BESTIAS - DAY

Kevin, Jorge, and Toni continue to walk down the sidewalk. A loud noise can be heard.

JORGE

What's that?

They all turn to their left to see the water from the dam starting to flood the city. They all jump up onto a nearby car, and then jump off of the car, onto the fire escape on the side of a building. They then jump off of the fire escape onto the roof of the building.

TONI

What's with all the water?

Kevin turns around to see a gigantic Antism in the city.

KEVIN

I think I know.

ANTISM

Scream humans scream! And give me more
power.

More water floods the city and people scream as they try to get to higher ground. On their rooftop Kevin, Jorge, and Toni watch all of this.

KEVIN

We've got to do something.

JORGE

Well duh!

TONI

But how are we going to face that giant
bug?

A massive platoon of Khatta Warriors appears. Kevin, Jorge, and Toni turn to see them.

JORGE

These guys again?

Kevin, Jorge, and Toni's bracelets turn into their morphers. Master Chong contacts the three of them through the communicator.

MASTER CHONG THROUGH THE COMMUNICATOR

Okay, last time with morphing was good and all, but it's time that the three of you did something that was a little more organized.

KEVIN

What's that?

MASTER CHONG THROUGH THE COMMUNICATOR

Just trust in your Primal Instincts, and use the activation code "unleash the beast".

The communication ends. Toni, Kevin, and Jorge (in that order) line up beside each other. They focus for a moment, and stick out their hands with their index fingers and thumbs extended. They all bring their hands together with their left hands over their right, and touch the middle button of the right hand part of the morpher. They then start to wave their arms in a circular motion until their left arms are over their right.

KEVIN, JORGE, AND TONI

Unleash...

Kevin, Jorge, and Toni wind their right arms back, and unleash a straight punch with their right fists.

KEVIN, JORGE, AND TONI

The beast!

An energy version of Feral Tiger comes out of the right hand part of Kevin's morpher. Feral Tiger runs a little before jumping up and flying back toward Kevin. Feral Tiger then combines with Kevin, and stripes as well the Primal claw symbol come onto his body forming the Ranger suit. Feral Tiger's head roars forming the helmet. An energy version of Feral Jaguar comes out of right hand part of Jorge's morpher. Feral Jaguar runs a little before jumping up and flying back toward Jorge. Feral Jaguar then combines with Jorge, and rosettes as well the Primal claw symbol come onto his body forming the Ranger suit. Feral Jaguar's head roars forming the helmet. An energy version of Feral Cheetah comes out of right hand part of Toni's morpher. Feral Cheetah runs a little before jumping up and flying back toward Toni. Feral Cheetah then combines with Toni, and spots as well the Primal claw symbol come onto her body forming the Ranger suit. Feral Cheetah's head roars forming the helmet. All three Rangers are now morphed. Kevin, Jorge, and Toni all charge at the Khatta Warriors. Kevin kicks and punches his way through a small group of the Khatta Warriors. Another group of Khatta Warrior swing their staffs at Jorge, but he dodges the attacks, back flips, and kicks a few of them. Like Kevin, Toni also punches and kicks her way through the Khatta Warriors. The Khatta Warriors fall back a little. Michelle contacts the Rangers through the morphers.

MICHELLE THROUGH THE COMMUNICATOR

Guys, I'm sending you a weapon that
could help you defeat these guys.
They're called the Primitive Strikers.

The communication ends, and the Primitive Strikers appear in the Rangers' hands. Kevin grabs onto the handles of his.

KEVIN

Baton Mode!

The handles on Jorge's Primitive Strikers flip out, and Jorge grabs onto the handles.

JORGE

Tonfa Mode!

Toni combines her Primitive Strikers, and the ends extend.

TONI

Bo Mode!

The Rangers charge at the Khatta Warriors again. Kevin strikes a few Khatta Warriors with his Batons, and the Khatta Warriors fall back. The wheels on the Batons start to spin, and the ends start to gather some energy. Kevin swings the Batons again, hitting the Khatta Warriors, and this time they crumble. Jorge swings his Tonfa and the ends hit the Khatta Warriors. A few Khatta Warriors try to hit Jorge with their staffs, but Jorge uses the Tonfa as a block, and then hits them a few more times. The wheels on the Tonfa start to spin and place energy on the ends, and Jorge strikes the Khatta Warriors, causing them to crumble. Several Khatta Warriors try to hit Toni with their staffs, but Toni blocks the attacks with the Bo. She then starts to hit them with the Bo, as its wheels start to spin. Toni swipes at the Khatta Warriors with the Bo, and they all take the hits, and crumble. All of the Khatta Warriors have been defeated. Antism walks up to the roof the Rangers are on, swings his left arm, destroying a building. The remnants of the building land on the roof, but the Rangers dodge the attack.

KEVIN

How are we going to beat that thing?

Master Chong contacts the Rangers again.

MASTER CHONG THROUGH THE COMMUNICATOR

Rangers, it's time to fully unleash
your Primal Beasts. Just trust in your
Primal Instincts.

The communication ends.

KEVIN

Well here goes nothing.

The Rangers all press the buttons on their right hand morpher part.

KEVIN, JORGE, AND TONI

Feral Cats, unleash!

Kevin, Jorge, and Toni raise their right hands, and Feral Tiger, Feral Jaguar, and Feral Cheetah come out of their morphers. Kevin, Jorge, and Toni jump up, and are absorbed by their respective Feral Cat. The Feral Cats charge toward Antism on the ground, and all strike him starting with Feral Cheetah, then Feral Jaguar, and finally Feral Tiger. The Feral Cats then take solid forms, and combine. Inside of the combination Kevin, Jorge, and Toni stand in a gray colored room behind podiums that have orbs on top. Outside the combination of the Feral Cats lands on the ground, and makes a small splash in the water.

KEVIN, JORGE, AND TONI
Feral Megazord, ready to strike!

INT. THE MARTIAL ARTS STUDIO - DAY

Master Chong and Michelle sit behind a laptop that has the Feral Megazord, and its stats, displayed on the screen.

MICHELLE
Looks like the combination worked. And everything's fine.

MASTER CHONG
Let's just hope that they can be able to control it.

MICHELLE
This coming from the guy who seemed to have quite a bit of faith in these people a few minutes ago.

EXT. DOWNTOWN LAS BESTIAS - DAY

Inside of the Feral Megazord, the Rangers look at their new surroundings.

TONI
So how do you think we control this thing?

KEVIN
Maybe through these orbs?

JORGE
It's worth a shot.

Kevin, Jorge, and Toni all move their right arms over their respective orbs. Outside the Feral Megazord takes a pose and faces Antism. The Feral Megazord runs toward Antism, and Antism in turn runs toward the Feral Megazord. Antism swipes at the Feral Megazord with his left arm, but the Feral Megazord ducks underneath the attack. Antism then tries to kick the Feral Megazord, but the Feral Megazord moves back and dodges the attack. Antism tries to hit the Feral Megazord with both of his arms, but the Feral Megazord ducks to avoid the attack. The Feral Megazord stands back up and punches Antism with both of its fists. The Feral Megazord then elbows Antism, jumps up and does a roundhouse kick with its right foot. Antism falls to the ground. The Feral Megazord lands. Antism tries to strike the Feral Megazord again, but the Feral Megazord manages to get in a quick kick from its right foot. Antism manages to grab onto the Feral Megazord, and head butts it. The Feral Megazord falls back a little. Antism tries to slash at the Feral Megazord, but it ducks, and Antism hits a nearby building. Antism goes onto slash at the Feral Megazord more, but the Feral Megazord keeps on dodging the attacks. Antism backs the Feral Megazord up into a building, and tries to hit it, but the Feral Megazord jumps up and back flips over the building, landing on the roof of another building. Antism gets his arms stuck in the building that the Feral Megazord was just in front of. The Feral Megazord jumps up and over Antism, and trips him up with its right foot. Antism flies up a little, and lands on a building. The Feral Megazord takes out a three section staff-like weapon.

KEVIN, JORGE, AND TONI

Feral Staff!

The Feral Megazord swings its Staff so that the end pieces fly around a little, until they finally hit the ground. The Feral Megazord lifts up the Staff, and uses it to block an attack that Antism is trying to launch from his right arm. Antism brings his arm back, and tries to kick the Feral Megazord, but the Feral Megazord blocks it with the Staff. The Feral Megazord swings the Staff to try to hit Antism, but Antism jumps up to avoid the attack. The Feral Staff goes solid, and the Feral Megazord uses it to strike Antism as he lands. Antism falls to the ground. Inside of the Feral Megazord the Rangers stand behind their podiums.

KEVIN

I think it's time we finished this.

JORGE

You think?

TONI

Don't be like that.

KEVIN

Can we just finish this thing?

KEVIN, JORGE, AND TONI

Spinning Strike!

Kevin, Jorge, and Toni all wave their right hands over their orbs. Outside the Feral Megazord's upper body starts to spin around. The Feral Megazord charges at Antism, who is now on his feet again, as its upper body spins around. Antism takes numerous hits from the Feral Megazord. The Feral Megazord's upper body stops spinning, and Antism turns into dried up clay, and starts to crumble before exploding.

FADE OUT.

FADE IN:

INT. THE TRIBULATION ARENA - TIME UNKNOWN

Ka-rah Khal sits in his throne, and Anme and Flamouca sit in their chairs. An energy screen appears above the arena displaying the Feral Megazord destroying Antism. Ka-rah Khal gets angered by this and causes the screen to vanish.

KA-RAH KHAL

Blasted! This is why I wanted the three of them on our side.

ANME

There's something telling me that they'll only keep on destroying anything we send at them.

KA-RAH KHAL

Well we'll just have to see about that. Khatta Warriors!

Six Khatta Warriors file into the arena. They all look up at Ka-rah Khal.

KA-RAH KHAL

FIGHT!

The Khatta Warriors start to fight.

INT. THE MARTIAL ARTS STUDIO - DAY

Master Chong, Michelle, Kevin, Jorge, and Toni stand around.

MASTER CHONG

Good work, you've now taken your first step into a larger world.

JORGE

Hey Obi-Wan, could you knock off the metaphors?

TONI

Do you have to be like that?

JORGE

Well there's one way to find out.

Toni rolls her eyes.

TONI

For the last time, no!

MASTER CHONG

Hmm...this might actually be interesting.

MICHELLE

What do you mean?

MASTER CHONG

Seeing these three going through their training, especially given the way that they act around each other, is definitely going to be interesting, to say the least. But that's not important right now. The three of you have a long day in front of you tomorrow.

TONI

About the training, when's that going to happen?

MASTER CHONG

What do you mean?

TONI

I've got work early in the morning tomorrow.

MASTER CHONG

We'll work something out. The three of you did give me your cell phone numbers. So I'll give you all a call later.

Kevin, Jorge, and Toni start to leave the studio.

JORGE

So where do you work?

TONI

Why do you want to know? So you can bother me there too?

JORGE

You'll just have to wait and see.
