PART 1"

FADE IN:

INT. A DEEP CAVE - DAY

MARK makes his way through the cave using his D.A.T.A. Scope as a flashlight. He continues on his way through the cave until coming up to a chasm. He flashes the light over to the other side of the chasm and sees an opening leading deeper into the cave. Mark aims his D.A.T.A. Scope up at the cave's ceiling and fires a grappling hook. The hook takes an attached wire with it, and plunges into the ceiling. Mark then swings over the chasm, and continues on his way through the cave. Mark eventually makes his way into a room that has some sunlight shining through onto a pedestal that has what looks like a giant gear from a clock.

MARK

So this is the Gear Blade?

Mark walks up to the Gear Blade and looks at it for a minute.

MARK

Too bad the others aren't here right now. They might've actually enjoyed this.

Mark reaches out to grab onto the Gear Blade, but the ground starts to shake.

MARK

And here comes the giant boulder.

The ground stops shaking.

MARK

(unsure) Okay.

Mark grabs onto the Gear Blade, but it starts to shake and hover in midair.

MARK

Don't tell me...

Blue energy goes over the Gear Blade as KHRONOS takes form holding the Gear Blade.

KHRONOS

After all this time, I'm finally free.
Now it's time to take revenge on those
who forced me in here.

Khronos adjusts his monocle, and takes a look at Mark.

KHRONOS

I guess I should thank you for freeing
me.

MARK

Well you're about to go back to where
you came from.

Mark takes out his Digital Morpher, rotates the screen, and
presses the morph button.

MARK

Go digital!

Mark revs the digitize gear on his left arm, and morphs
into the Black D.A.T.A. Ranger.

KHRONOS

A Power Ranger, eh? Well maybe I should
show you what the lord of time can do.

Four hourglass-like objects (with sand in the bottom
halves) appear before Khronos. They all turn into energy
and leave the cave.

EXT. SPACE, EARTH'S ORBIT - TIME UNKNOWN

One of the hourglasses flies into Earth's orbit. The sand
from the bottom half of the glass starts to rise into the
upper half.

EXT. A MOUNTAINOUS VALLEY - DAY

A second hourglass appears near the edge of a cliff, and
the sand from the bottom, starts to rise into the upper
portion.

EXT. DOWNTOWN REEFSSIDE - DAY

A third hourglass appears on top of a building, and the
sand starts to rise from the bottom half to the upper half.

EXT. A QUARRY - DAY

The final hourglass appears on the ground and the sand
starts to rise.

INT. THE GEAR BLADE ROOM - DAY

Mark (still morphed) faces Khronos.

MARK

What did you do?

KHRONOS

A little resurrection. But there's no point in stopping it.

MARK

Why not?

KHRONOS

Believe me when I say that time is not on your side.

Khronos vanishes from the room.

MARK

Great, what am I going to do?

EXT. SPACE, EARTH'S ORBIT - DAY

The sand in the hourglass stops rising into the upper part, and it turns into energy. The energy starts to head down to Earth.

EXT. THE MOUNTAINOUS VALLEY - DAY

The sand in the second hourglass finishes rising, and it turns into energy. The energy then flies away.

EXT. THE BUILDING TOP IN REEFSIDE - DAY

The sand in the third hourglass finishes rising, and it turns into energy that flies away.

EXT. THE QUARRY - DAY

The sand in the final hourglass finishes its rise into the top part, and then turns into energy and flies away.

EXT. A PARK NEAR THE OUTSKIRTS OF LAS BESTIAS - DAY

Khronos stands in the park, as four energy streaks make their way toward him. The streaks hit the ground taking the forms of DARKONDA, JAGUAS, ZELTRAX, and ZURGANE.

JAGUAS

I'm alive? That Siren Ran-

KHRONOS

Patience my friend, you'll have plenty of time to get your revenge later. I have work for the four of you first.

DARKONDA

What kind of work?

KHRONOS

Just the general destruction of the planet, you know the typical villain thing.

ZELTRAX

And why should we help you?

KHRONOS

Because I can help the four of you to go back in time to change the way your Ranger battles went. For example, Darkonda, I'm sure you would probably like the chance to have evaded Dark Specter before he destroyed your Velocifighter.

DARKONDA

Well yes.

KHRONOS

Zeltrax, how you like the chance to destroy Tommy Oliver before he destroyed your Zelzord?

ZELTRAX

Of course I would.

KHRONOS

Jaguas-

JAGUAS

I think we all get the point. Now what do we have to do?

KHRONOS

Just follow my lead. Now come. We have work to do.

Khronos, Darkonda, Zurgane, Zeltrax, and Jaguas leave the area. FLAMOUCIA appears in her armor, but reverts back to her usual self quickly.

FLAMOUCIA

Tsuno's not going to like this.

Flamouca disappears.

EXT. THE CAVE - DAY

Mark (now unmorphed) walks toward the D.A.T.A. Tracker. However, a figure in a red cloak with a hood stands before the vehicle.

MARK

Who are you?

FIGURE

Believe me when I say that I'm a friend.

Mark walks up to the figure.

MARK

What do you want?

FIGURE

Khronos has revived several fallen villains. I need you to go see the person whose name is on this sheet of paper.

The figure hands Mark a folded piece of paper.

MARK

What about the other D.A.T.A. Rangers?

FIGURE

You of all people should know that right now the other five D.A.T.A. Rangers are scattered around the country. Just go see this person and he'll help you out. I'll be in touch later, and I'll also meet you and whomever you can find in Las Bestias.

The figure walks away, until he is no longer in sight. Mark unfolds the paper and the name, "Dr. Thomas Oliver" and the address "1992 Valencia Road Reefside, CA" are written on it.

FADE OUT. OPENING CREDITS.

FADE IN:

EXT. A HOUSE ON THE OUTSKIRTS OF REEFSDIE - DAY

The D.A.T.A. Tracker drives up to the house, and parks. Mark gets out, and walks up to the front door. Mark rings the doorbell. TOMMY answers the door. Mark takes a look at him.

MARK

Why didn't I realize it before? It was Tommy Oliver. You're a legend in our ranks.

TOMMY

So what can I do for you Mark?

MARK

I got this note from some guy in a red cloak.

TOMMY

A guy in a red cloak? (pause) So he's up to his old tricks again.

MARK

Who?

TOMMY

Never mind. What'd this guy tell you to do?

MARK

Find you. He said something about past villains being revived.

TOMMY

I think we should take this conversation into my lab.

INT. TOMMY'S LAB - DAY

Tommy and Mark walk into the lab. Tommy takes a seat in front of his computer and Mark stands in front of him.

MARK

I'm not really all that sure, but I think this guy in the cloak wants you to help out with defeating these villains.

TOMMY

I'll level with you Mark. I think I might be getting a little too old for the Ranger game.

MARK

But you're Tommy Oliver. You were the original Green Ranger, the original White Ranger, the Red Zeo Ranger, and the Black Dino Ranger.

TOMMY

You forgot that I was the Red Turbo Ranger for a while.

MARK

But still, wouldn't you want one last chance to morph?

TOMMY

Like I said, I think I'm getting a little too old for this. I'm past thirty now, and it's probably time to start thinking about settling down, starting a family, that kind of thing.

MARK

But isn't there something you could do to help out a little?

TOMMY

Come to think about it, there is.

Tommy gets up from his chair and walks over to a clear Plexiglas case where the five Dino Gems are resting. Mark walks over to the case.

TOMMY

I was originally going to give the Dino Gems to a museum, but after doing some thinking, it's best that I keep them for now.

MARK

Besides there's no telling who might want to get their hands on these things.

TOMMY

Well you would know about that better than anyone else. Anyway I've been working on a way to temporarily restore the Gems' power. Now did this guy say to meet him anywhere?

MARK
Las Bestias, why?

Tommy takes opens the case and takes out the yellow gem.

TOMMY
This might be a big coincidence, but it just so happens that the Yellow Dino Ranger is in Las Bestias for the next week or so.

MARK
Who is she?

TOMMY
You probably know her best for her music, Kira Ford.

Tommy walks over to a device and places the gem under it. He presses a button and a white light goes over the gem turning it into a metallic bracelet. Mark walks over to Tommy, and Tommy hands Mark the bracelet.

TOMMY
The power isn't going to last long, but it'll be enough for Kira to morph, and help you out. Come to think about it, you might want to go to Blue Bay Harbor next, and see if Cam Watanabe might be able to give you a hand with this.

MARK
Okay, but are you sure that you don't want to help?

TOMMY
Like I said, I think I'm getting a little too old to be suiting up in spandex like that. And it really is time that I thought about settling down. In fact I ran into my old high school sweetheart, Kat, the other day, and we got to talking and-

MARK
Okay I get the picture. Thanks for the help that you did give me.

TOMMY
Anything for another Ranger.

FADE OUT.

FADE IN:

INT. NINJA OPS - DAY

CAM leads Mark into Ninja Ops.

CAM

I'd like to help you out Mark, really I would, but the Ninja Storm powers have pretty much vanished.

MARK

C'mon there's got to be something that you can do.

CAM

You said that you had to go to Las Bestias, right?

MARK

Yeah, why?

CAM

Blake Bradley is there promoting his new video game.

MARK

What does a pro motocross racer have to do with anything?

CAM

He was the Navy Thunder Ranger. Now you mentioned that Tommy Oliver was able to power up the Dino Gems, right?

MARK

He said it was only temporary.

CAM

Either way I think I can help you after all. I actually developed that technology with a friend of his. So if it worked on the Dino Gems I don't see why it couldn't work on Blake's Thunder Morpher.

Cam walks up to one of the walls, and opens it up. A shelf is revealed with all three Wind Morphers, both Thunder Morphers and the Samurai Cyclone Morpher. Cam grabs the Navy Thunder Morpher. He then takes it over to a device similar to the one that Tommy had. Cam places the morpher under the device and a white light goes over the morpher. As the light goes over the morpher, the morpher itself glows in a navy-colored light. The white light stops and the morpher stops glowing. Cam picks up the morpher and hands it to Mark.

CAM

This should only work for about twenty-four hours. Hopefully it should be enough.

MARK

I saw your morpher on that shelf with the others, are you going to power yours up?

CAM

I've got too much work to do around here. My dad runs me fairly ragged, but all the luck to you with this.

FADE OUT.

FADE IN:

EXT. THE STREETS OF LAS BESTIAS - DAY

KEVIN and JAMIE walk down the street on the sidewalk. After a while Kevin pauses, and sniffs the air.

JAMIE
What's wrong?

KEVIN
Something's here.

Jamie also sniffs the air.

JAMIE
You're right, but it doesn't smell like anything Tsuno would send us.

KEVIN
But we have to go either way.

Kevin and Jamie run off.

EXT. A PARK WITHIN LAS BESTIAS - DAY

JORGE, and TONI (both morphed) stand before Khronos. Khronos throws the Gear Blade at Jorge and Toni, and they both take the hits when the Gear Blade comes near them. The force of the attack causes Jorge and Toni to fall down. The Gear Blade returns to Khronos.

JORGE
Who is this guy?

TONI
He's not like anything Tsuno would send.

KHRONOS
That's because I'm not like anything Tsuno would send. Now where are the other Rangers?

JAMIE'S VOICE
Right here!

Kevin and Jamie (both morphed) appear in mid air with their right legs extended. They both strike Khronos with their feet, and he takes the hit and falls back a little. Kevin and Jamie land, and go over to Jorge and Toni and help them up. Kevin, Jorge, Toni, and Jamie all face Khronos.

JORGE

About time you guys got here.

KEVIN

So who is this guy?

KHRONOS

I'm Khronos. And now that the four of you are here, I can finally do something to make sure that you don't interfere with my plans.

TONI

Looks like this guy's no different than anything else we've faced.

KHRONOS

And that's where you're wrong.

Khronos takes out a pocket watch, and points the face at Kevin, Jorge, Toni, and Jamie.

KHRONOS

Time Out!

An energy clock is emitted from the pocket watch, and it goes over Kevin, Jorge, Toni, and Jamie causing them to freeze.

KHRONOS

That's better.

Jaguas appears.

JAGUAS

Are you done yet?

KHRONOS

I just took care of the Primal Rangers. Now we need to make sure that the Black D.A.T.A. Ranger doesn't do anything to interfere with us.

JAGUAS

All I care is that he better not call his friend the Siren Ranger.

KHRONOS

Relax the Siren Ranger is in Seattle right now. However, there is something I want you to have right now.

JAGUAS

What?

Khronos gives Jaguas a handful of white stones. Jaguas takes a look at these stones.

JAGUAS
Wait a minute these-

KHRONOS
Are Abra stones.

JAGUAS
But how?

KHRONOS
I'm the lord of time, remember? I can take whatever I want out of any time period. But for now let's get back to the others.

Khronos and Jaguas disappear, leaving the Primal Ranger frozen in time.

FADE OUT.

FADE IN:

INT. AN AMPHITHEATER IN LAS BESTIAS - DAY

KIRA stands on a stage with her guitar strapped around herself. Her band stands behind her with their instruments, and together they are all rehearsing.

KIRA
 (singing) It's harder than I could
 imagine. Guess I should have known
 that. Close your eyes I'll be there,
 I'll come runnin' anywhere...

Kira and the band continue with the song as a man in a black suit walks up to the stage carrying a small box.

MAN
 Miss Ford?

Kira and the band stop playing.

KIRA
 What?

MAN
 Some guy by the name of Mark Crichton
 dropped this off for you.

Kira walks over to the edge of the stage, and the man hands her the box. Kira opens the box, and her Dino Bracelet, and a small white card are contained within it.

KIRA
 It couldn't be.

Kira takes out the card in the box and the words "CALL ME" and the phone number "675-555-8735" are written on it. A confused look goes over Kira's face.

MAN
 Something wrong Miss Ford?

KIRA
 Could you get me my cell phone? I don't
 know why, but there's something
 familiar about the name Mark Crichton.

EXT. AN ALLEY BEHIND AN ELECTRONICS STORE - DAY

BLAKE leans against the wall of the store, under a sign marked "PRIME PURCHASE", drinking a bottle of water. Mark walks up to Blake. Blake takes a good look at Mark.

BLAKE
You're the Black D.A.T.A. Ranger.

MARK
And you're the Navy Thunder Ranger.

BLAKE
I was the Navy Thunder Ranger.

MARK
Actually...

Mark takes out the Navy Thunder Morpher.

BLAKE
How-?

MARK
I met up with a friend of yours.

BLAKE
Let me guess-

MARK AND BLAKE
Cam.

BLAKE
Why are you here?

MARK
I need your help with something.

BLAKE
So what's going on?

MARK
I was going after this artifact called the Gear Blade, and I let some kind of monster out. Anyway I was told by this guy in a red cloak to go see Tommy Oliver who gave me one of the Dino Gems, and then he told me to go see Cam, who then gave me your morpher.

BLAKE
This has to be something big if you have to get a few former Rangers together.

MARK
So are you in?

Blake takes his morpher out of Mark's hand, and straps it on his left wrist.

BLAKE
How long do I have with this thing?

MARK
Cam said twenty-four hours.

BLAKE
That should be enough.

Mark's morpher rings and he takes it out and answers.

MARK
Hello? (pause) So you got it. (pause)
Meet me in the park in Chinatown.
(pause) Okay great. See you there,
Kira.

Mark ends the call.

BLAKE
Was that-

MARK
Kira Ford? Yeah. Anyway I think we
should get going now.

FADE OUT.

FADE IN:

EXT. A PARK IN CHINATOWN - DAY

Mark and Blake stand in the middle of the park. Kira (now wearing her bracelet) walks up to them.

KIRA
Blake?

BLAKE
Kira.

KIRA
Good to see you again. Why are you here?

BLAKE
I was here to promote a new video game, but looks like I'm doing whatever we're all here to do. What about you?

KIRA
I've got a concert. Let me guess Mark, you got the gem from Dr. O, right?

MARK
Yeah.

KIRA
So why are we here?

MARK
Even I'm not too sure about that.

MALE VOICE
I think I can help you a little more with that.

The cloaked figure walks up to Mark, Blake, and Kira.

MARK
Before we do anything, who are you?

The cloaked figure pulls down his hood, revealing himself to be ANDROS.

KIRA
The Red Space Ranger?

BLAKE
So why are we here?

ANDROS

In 2003 I fought a being known as Khronos who was trying to destroy time, but after the battle he somehow managed to seal himself within this weapon known as the Gear Blade. Before he sealed himself he mentioned something about being back in five years.

MARK

And when I found the Gear Blade I released him, right?

ANDROS

Exactly.

BLAKE

So why gather other former Rangers and not just the D.A.T.A. Rangers?

MARK

Kia's in Chicago right now. Paul and Rachel are in New York. Scott's in Seattle and Eddie's in Florida.

ANDROS

And as it appears Khronos has revived four past villains all of which the four of us have faced in the past.

KIRA

What about the current team of Rangers?

ANDROS

Khronos has frozen them in time and we need Rangers right now to defeat Khronos and the revived villains.

MARK

With only four of us?

ANDROS

The Dino Rangers seemed to work fairly well as a team with four after Tommy got his Black Ranger powers, and the Primal Rangers are doing the same.

FEMALE VOICE

Actually, make it five Rangers.

Andros, Mark, Blake, and Kira turn their heads to see a brunette girl walking up to them wearing a plaid skirt, a pink shirt, and a brown leather jacket. A strange silver colored bracelet is on her left wrist, and she is holding what appears to be a badge in her right hand.

KIRA

Who are you?

The girl holds up the badge.

GIRL

Jen Scotts, Time Force.

ANDROS

What's one of the Time Force Rangers doing here?

JEN

I'm on assignment to try to prevent any major time fluxes from happening in the early twenty first century. And everything with this Khronos is a time flux waiting to happen. Whatever you need me to do Andros, you've got me.

MARK

So what's our next move?

Khronos appears holding the Gear Blade in his left hand, as he clenches his right hand.

KHRONOS

How about your destruction?

Andros, Mark, Blake, Kira, and Jen turn to face Khronos.

BLAKE

So this must be Khronos.

KHRONOS

Exactly, and now for this destruction that I was talking about!

Khronos opens his right hand revealing a bunch of nuts and bolts. Khronos drops the nuts and bolts and they become a platoon of Cyclobots.

JEN

Where did he get Cyclobots?

KHRONOS

The same way I was able to revive all of those past villains. I can control time itself. You'd think that one of the TIME Force Rangers would figure that out.

Darkonda, Zurgane, Zeltrax, and Jaguas appear, and gather around Khronos.

JAGUAS

Is it too late to get in on this?

KHRONOS

Not at all.

KIRA

Is everyone thinking what I'm thinking right now?

Blake holds up his left arm.

BLAKE

If it involves this, then yes.

ANDROS

Well let's do it.

Andros throws off his cloak revealing that he is wearing his Astro Megaship uniform, and his Astro Morpher on his left wrist. Kira holds up her bracelet and it becomes her Dino Morpher. Mark takes out his morpher, and rotates the screen. Andros holds out his right arm, and holds his left arm parallel to his body.

ANDROS

Let's rocket!

Jen crosses her arms with her left arm over the right.

JEN

Time...

Jen extends her arms diagonally.

JEN

For...

Jen then brings her left arm in front of herself, and touches her Chrono Morpher with her right hand.

JEN

Time Force!

Blake holds up his left arm with his left index and middle fingers extended.

BLAKE

Thunder storm...

Blake holds out his right hand with his right index and middle fingers extended. He then brings his right hand to his Thunder Morpher.

BLAKE

Ranger form!

Kira opens the jaw on her morpher, and touches her wrists together on her right side, with her left arm over her right.

KIRA

Dino Thunder...

Kira then brings her left arm over to her left side and touches her morpher with her right hand.

KIRA

Power up!

Mark presses the morph button on his morpher, and holds the digitize gear on his left arm.

MARK

Go digital!

Andros opens his morpher, dials "335", and presses the enter button. Jen presses the morph button on her morpher. Blake presses the morph button on his morpher. Kira presses the morph button on her morpher. Mark revs the digitize gear on his left arm. In flashes of their respective colors, Andros, Mark, Blake, Kira, and Jen all morph. Khronos, Darkonda, Zurgane, Zeltrax, and Jaguas split up, with Darkonda fighting Andros, Zurgane fighting Blake, Zeltrax fighting Kira, Jaguas fighting Mark, and Khronos fighting Jen. Khronos tries to throw the Gear Blade at Jen, but she jumps back dodging the Blade. The Gear Blade returns the Khronos.

KHRONOS

Why is one of the Time Force Rangers even here? You should be back in the year 3000.

JEN

I'm here to prevent any major changes to the timeline. And I can't have you being free from your prison.

KHRONOS

Fine then I'll do to you and your new friends, what I did to the Primal Rangers. I just need to get the five of you together again for that one perfect moment...

In their area, Jaguas has both of his swords out, and uses them to slash at Mark, but Mark blocks the attack with his D.A.T.A. Sword.

MARK

I'm actually surprised that Khronos revived you instead of Ninjrex.

JAGUAS

Well I'm sure there was a reason for bringing me back instead of your rival. But to be honest with you Black Ranger, I'd rather have your tinfoil covered friend here instead of you.

Jaguas brings his swords back and tries to slash at Mark again, but Mark once again blocks the attack with his D.A.T.A. Sword. Mark then pushes Jaguas' swords back and gets a quick slash in on him. In their area Zeltrax slashes at Kira with his sword, but Kira blocks the attack with her Thundermax Saber. Kira pulls back her Saber to try to slash at Zeltrax, but he blocks the attack with his shield.

ZELTRAX

I wonder why Tommy Oliver isn't here. Not that it really matters. Because when Khronos succeeds, he'll be the first person that I pay a visit to in the past.

KIRA

Well you're not going to get to go to the past because all nine Rangers will defeat you and everyone else here.

ZELTRAX

But how are you going to unfreeze the Primal Rangers?

In their area Zurgane had both of his swords drawn, and he slashes them at Blake, only to have the attacks blocked by Blake's Thunder Staff.

ZURGANE

When I go back to the past, I'll make sure Vexacus never defeated me, and then I'll make sure that Lothor defeated you and your friends.

BLAKE

Well you're going to have to get through all of us first.

Zurgane once again tries to slash at Blake, but Blake blocks the attack with his Staff. Blake then slashes at Zurgane with both ends of his Staff. In their area Andros has his Spiral Saber locked against Darkonda's sword.

DARKONDA

I think I might destroy the Dark Fortress before I destroy Dark Specter this time around. After all I probably should've taken care of your sister when I had the chance.

ANDROS

I won't let you do that.

DARKONDA

We'll just see about that.

Andros gives Darkonda a hard slash with the Spiral Saber and he falls back. In their area Jen now has her Chrono Saber out, and gives Khronos a hard slash. In his area Mark gives Jaguas a hard slash with his D.A.T.A. Sword, causing Jaguas to fall back. Kira gives Zeltrax a hard slash with her Thundermax Saber. Blake gives Zurgane a hard slash with his Thunder Staff combined with the Navy Antler. Khronos, Darkonda, Zurgane, Zeltrax, and Jaguas regroup.

JAGUAS

Who knew five former Rangers would work so well with each other.

ZURGANE

There has to be something that you can do Khronos.

ZELTRAX

Yes, can't you just freeze them like you did with the Primal Rangers?

KHRONOS

I was about to get to that.

Khronos takes out his pocket watch. Andros, Mark, Blake, Kira, and Jen regroup and face Khronos, Darkonda, Zurgane, Zeltrax, and Jaguas.

KHRONOS

Time Out!

Khronos fires an energy clock from the watch. However, Blake gets in front of Andros, Mark, Kira, and Jen, draws his Thunder Staff again, and transforms it into a circular object.

BLAKE

Thunder Shield!

The energy clock bounces off of the Thunder Shield, and hits the pocket watch, causing it to fly up into the air.

JEN

I think now might be our chance to destroy that watch.

ANDROS

Everyone draw your blasters.

Andros draws his Astro Blaster, Mark draws his D.A.T.A. Blaster, and Kira draws her Thundermax Saber in Laser Mode. Jen presses one of the arrow buttons on her morpher twice, before pressing the center button.

JEN

Chrono Blaster!

The Chrono Blaster appears in Jen's right hand. Andros, Mark, Kira, and Jen aim their Blasters at the watch, and fire. The lasers fired from the Blasters hit the watch destroying it.

EXT. THE PARK FROM BEFORE - DAY

Kevin, Jorge, Toni, and Jamie unfreeze.

JORGE

What just happened here?

KEVIN

Don't know, but there's got to be a reason why that guy froze us.

EXT. THE PARK IN CHINATOWN - DAY

Andros, Mark, Blake, Kira, and Jen face Khronos, Darkonda, Zurgane, Zeltrax, and Jaguas.

KHRONOS

No!

ZURGANE

What's wrong?

KHRONOS

Without that watch my power will start to weaken, which means that the four of you will start to cease to exist.

JAGUAS

So what now?

KHRONOS

We'll retreat and try to think of some kind of a plan.

ZELTRAX

What about the Rangers?

DARKONDA

Just let the Cyclobots deal with them. There was a reason why you summoned them, right Khronos?

KHRONOS

Good idea Darkonda. Now let's go.

Khronos, Darkonda, Zurgane, Zeltrax, and Jaguas disappear. The Cyclobots then charge at Andros, Mark, Blake, Kira, and Jen.

BLAKE

Let me handle this. Tornado Star!

Blake converts his Thunder Shield into the Tornado Star. Blake then throws the Star at the Cyclobots. All of the Cyclobots get hit by the Tornado Star, and fall down and explode. The Tornado Star returns to Blake and he turns it back into his Thunder Staff. The roar of a few engines can be heard as Kevin, Jorge, and Toni (all still morphed) ride up to the area on their Stalk Cycles, and Jamie (still morphed) rides up to the area on the Twilight Hunter. The Primal Rangers get off of their vehicles and walk up to Andros, Mark, Blake, Kira, and Jen. Jorge looks at Mark's suit and notes the compass on it.

JORGE

(to Mark) So how come you're here and not Rossi?

MARK

He's in New York right now.

ANDROS

It's good to know that the four of you are free of what Khronos did.

TONI

So other than the Mark here being the Black D.A.T.A. Ranger, who are you guys?

Mark takes out his morpher, rotates the screen, and presses the morph button.

MARK

Power down!

ANDROS, BLAKE, KIRA, AND JEN

Power down!

Andros, Mark, Blake, Kira, and Jen all power down. Jorge takes notice at Kira.

JORGE

Wait a minute, Kira Ford was a Ranger?

KIRA

Surprising who's worn the spandex in the past, isn't it?

JAMIE

Yeah, especially sine the motocross world's Tony Hawk is also here.

KEVIN

So who's in red and pink?

ANDROS

I'm Andros the Red Space Ranger.

JAMIE

I remember seeing you on the news after that massive alien invasion about ten years ago.

TONI

(to Jen) And you?

JEN

Jen Scotts, Pink Time Force Ranger.

MARK

Since the four of you now know who we are, I think it's time for you to show us who you are.

KEVIN, JORGE, TONI, AND JAMIE
Power down!

Kevin, Jorge, Toni, and Jamie all power down.

JORGE
(to Mark) I'm sure Rossi probably told
you about me, right?

MARK
Of course Jorge.

ANDROS
And the rest of you.

BLAKE
I know the guy in purple is James
Reyes, the boxer.

JAMIE
I actually prefer Jamie.

KIRA
(to Toni) What about you?

TONI
Toni.

ANDROS
(to Kevin) And you?

KEVIN
I'm Kevin.

ANDROS
Now that the introductions are over, I
think we should go somewhere safe for
now.

KEVIN
The martial arts studio we train at is
actually a couple blocks away from
here.

ANDROS
Well then, let's go.

FADE OUT.

FADE IN:

EXT. THE OUTSKIRTS OF LAS BESTIAS - DAY

Khronos, Darkonda, Zurgane, Zeltrax, and Jaguas stand around.

DARKONDA

So much for your plans, Khronos.

KHRONOS

My pocket watch is supposed to be indestructible. Perhaps years of inactivity have made it lose its power?

JAGUAS

Then why don't you just grab another pocket watch from the past, since you can control time and all.

KHRONOS

That's the one thing I can't grab from time. Plus if I were to try to take something from the past as I am now, my power will weaken even more.

ZURGANE

Then where does this leave us and your promise to send us back in time?

TSUNO appears before Khronos, Darkonda, Zurgane, Zeltrax, and Jaguas.

TSUNO

This leaves the five of you needing to leave, so that I can conquer this realm.

KHRONOS

I was wondering if you'd show up to try to stop me Tsuno.

TSUNO

I won't let you get away with what you're planning Khronos.

KHRONOS

How do you know who I am?

TSUNO

A little chameleon told me. Either way, I'm going to give you a choice, right here, right now. Either leave or I destroy the five of you myself.

KHRONOS

I think I'd prefer my own third option.

TSUNO

What's that?

KHRONOS

This!

Khronos looks over at Tsuno, and fires an energy clock from his monocle. The clock hits Tsuno, freezing him.

ZELTRAX

Why don't you just do that to take care of the Rangers?

KHRONOS

I thought I told you, I'll loose even more of my power if I do that. However there is something that we could do in the meantime.

JAGUAS

And what's that?

KHRONOS

We'll go to every clock shop we can find, to see if there's a suitable replacement for my pocket watch. Because once I have another pocket watch, I'll be unstoppable.

DARKONDA

Does this mean you'll live up to your end of our bargain?

KHRONOS

What do you think?
