PART 2"

FADE IN:

INT. THE MARTIAL ARTS STUDIO - DAY

ANDROS, MARK, BLAKE, KIRA, JEN, KEVIN, JORGE, TONI, and  
JAMIE all stand before MASTER CHONG.

MASTER CHONG

I see what you're saying Andros, but I  
still don't fully understand what  
exactly are Khronos' motives.

ANDROS

As far as I can tell from both of the  
times that I've dealt with him, he  
wants the same thing as people like  
Lord Zedd, Insidia, or Dark Specter. He  
wants to rule over everything with an  
iron fist, and he'll do whatever he can  
with his ability to control time.

JEN

That's why we need to stop him, so he  
doesn't do any permanent damage to the  
timeline.

MARK

But how'd he actually get into the Gear  
Blade?

ANDROS

I'm still not sure of that. Five years  
ago I was fighting him with a couple  
other former Red Rangers, and before we  
could actually defeat him, he must've  
turned himself into energy and let the  
Gear Blade absorb him.

MARK

And I assume you put it away in that  
cave, so no one could find it and  
release Khronos, right?

ANDROS

Exactly. I've been living here on Earth  
for the past five years to watch over  
the Gear Blade.

JEN

And that's also part of the reason why I'm here.

JORGE

So then what's the big deal with these revived Ranger enemies?

ANDROS

Khronos must need some help in his goal. But out of all of them, Darkonda is probably the worst one that Khronos revived.

KEVIN

Why?

ANDROS

Right before he was defeated, he got his hands on a weapon known as the Super Torpedo, which was going to be used to destroy Earth.

JAMIE

So if Darkonda is able to go back in time, that means none of us could be here.

TONI

But would Khronos actually let Darkonda destroy Earth like that?

ANDROS

Probably not. Khronos would need Earth around in the year 2003 so he could get his hands on the Gear Blade. And I think Darkonda's target with the Super Torpedo would be Astronema's Dark Fortress.

JORGE

What makes you say that?

ANDROS

Before he took off with Khronos and the other former villains, Darkonda said that he should've taken care of my sister when he had the chance.

JORGE

And that matters because?

JEN

Astronema was his sister.

MASTER CHONG

What about the other former villains?

MARK

I don't think Jaguas would do anything other than get rid of me and the other D.A.T.A. Rangers, and make sure that Insidia conquers Earth.

BLAKE

Zurgane mentioned something about making sure that he didn't get destroyed by Vexacus, and helping Lothor conquer Earth.

KIRA

Zeltrax would probably get rid of Mesogog, and take the Dino Gems for himself.

MASTER CHONG

Then I'd agree with the fact that Darkonda is probably the worst one of the revived villains.

JORGE

So what's the plan now?

ANDROS

The only thing that the nine of us can really do, defeat Khronos, Darkonda, and the others. And now that Khronos' pocket watch is destroyed it might not be that hard.

Andros looks over at Kevin, Jorge, Toni, and Jamie.

ANDROS

But there's something that I'd like to know from the four of you before we do anything.

KEVIN

What?

ANDROS

I know I just said that the nine of us have to take care of the revived villains and Khronos, but none of you really have a reason to really help us out. So what I'm asking is-

KEVIN

If the four of us will help you?

ANDROS  
Exactly. So will you?

KEVIN  
Count me in.

JAMIE  
Same here.

TONI  
Me too.

ANDROS  
Jorge?

JORGE  
Well it's not like I'd actually say no  
to all of this.

MASTER CHONG  
Then it's settled.

BLAKE  
But how are we going to find Khronos  
and the others when they show up?

JAMIE  
I'm sure we'll be able to sniff out  
whatever comes our way.

FADE OUT. OPENING CREDITS.

FADE IN:

INT. THE TRIBULATION ARENA - TIME UNKNOWN

GWIN and LLYEJ sit in their chairs, as ANME and FLAMOUC A stand within the main part of the arena.

GWIN

So this Khronos person has frozen Tsuno?

FLAMOUC A

It looks like it.

LLYEJ

Then how do we get him unfrozen?

ANME

I say we should just stand back and let the Rangers take care of him.

GWIN

You make a good point Anme. If the Rangers' success so far is any indication, then it is inevitable that they will in fact defeat Khronos and his minions.

LLYEJ

So you don't want to give him any help?

GWIN

I say we offer Khronos a few Khatta Warriors as something as a peace offering, and to show that we actually have some support for him.

LLYEJ

So sort of a villain to villain thing?

GWIN

Exactly, plus this gives the Rangers more of a reason to want to defeat Khronos because of our newfound "alliance".

LLYEJ

I like it.

ANME

What about us?

GWIN

What about you?

ANME

Don't you want me and Flamouca to do anything?

FLAMOUC A

Didn't someone just say that we should just stand back, and let the Rangers defeat Khronos?

ANME

That was before Gwin decided to send Khronos some Khatta Warriors.

GWIN

We will only send Khronos the Khatta Warriors. There is no need for any of us to get involved at the moment, despite the fact that Tsuno was frozen. However, should Khronos actually succeed then we will have a problem. Flamouca, you might want to prepare a Fallen just in case.

FLAMOUC A

Yes Gwin.

GWIN

But for now, we will just sit back and watch these events unfold as they happen. After all there is no need for us to do any extra work that we do not have to.

FADE OUT.

FADE IN:

INT. A JEWELRY STORE - DAY

A middle-aged looking man (dressed in a black suit) walks into the store, and starts to look at a few of the watches. As he makes his way around the cases of watches, a gold pocket watch catches his eye. The man looks up and sees a female sales associate toward the back of the store.

MAN

Excuse me...

The sales associate walks up to where the man is standing on the opposite side of the case.

SALES ASSOCIATE

Can I help you?

The man points to the pocket watch.

MAN

Could I get a better look at that pocket watch?

SALES ASSOCIATE

Certainly.

The sales associate opens up the back of the case and takes out the pocket watch. She then rests it on top of the case.

SALES ASSOCIATE

It's an exquisite piece, with the finest Swiss quartz movement. And well worth the price.

The man picks up the pocket watch and opens it up to see the clock face, which has gold hands, and Roman numerals. The man closes the pocket watch, and sets it back down onto the case.

SALES ASSOCIATE

So what do you say?

VOICE

I'll take it!

The man and the sales associate turn their heads to see DARKONDA, and a platoon of Quantrons entering the store.

DARKONDA

In fact I'll take any other pocket watches that you may have.

SALES ASSOCIATE

But-

DARKONDA

I'm prepared to take them one way or another. Quantrons!

The Quantrons step up to all of the cases, and use their bladed weapons to smash the glass. Darkonda goes through all of the cases and picks up every last pocket watch that the store has.

DARKONDA

Thanks for your cooperation.

Darkonda and the Quantrons leave the store.

INT. A CLOCK SHOP - DAY

A clock repairman sits behind a glass case of pocket watches, all the while working on repairing a watch. Several white stones are thrown through the front window of the store, breaking it. As the stones hit the floor they become a platoon of Abras armed with their sickles. JAGUAS jumps through the broken window.

JAGUAS

Give me all of your pocket watches.

MARK'S VOICE

Not so fast.

Jaguas turns around to see Mark and Jamie (both morphed) standing directly in front of the broken window.

JAGUAS

Abras, grab the watches while I take care of these two Rangers.

Jaguas draws both of his swords, and jumps through the broken window. Just as he is about to land on the ground, Jaguas tries to swipe his swords at Mark and Jamie, but Mark quickly draws and converts his D.A.T.A. Blaster and blocks one of the swords. Jamie blocks the other sword with his right forearm. Mark and Jamie simultaneously kick Jaguas with their right feet, and Jaguas falls back a little.

JAGUAS

You guys won't quit, will you?

MARK

Did me and my friends ever quit when you and Tigras were trying to grab something for Insidia?

Jaguas turns his head slightly and sees the Abras leaving the store with numerous pocket watches in hand. Jaguas then converts his swords into his blasters.

JAGUAS

Of course not, but I just got what I came for, so bye!

Jaguas fires numerous shots at Mark, and Jamie. They both take the hits and fall down, as Jaguas and the Abras make a quick getaway. Once Jaguas is out of sight, Mark, and Jamie get back to their feet.

JAMIE

Did you see what those things were carrying?

MARK

I know, but why would Jaguas need a bunch of pocket watches? (pause) Never mind they're probably for Khronos.

EXT. ANOTHER PART OF THE CITY - DAY

Darkonda (still holding the pocket watches) and the Quantrons make their way from the jewelry shop that they robbed, only to be confronted by Andros and Kevin (both morphed).

DARKONDA

I don't have time for either of you right now, so I'll just let the Quantrons deal with you. Bye.

Darkonda disappears and the Quantrons charge at Andros and Kevin. One Quantron tries to swipe at Kevin with its weapon, but he ducks under it.

KEVIN

Who are these guys?

ANDROS

They were Astronema and Dark Specter's personal robotic army.

Another Quantron swipes its weapon at Andros, but he blocks it with his right arm, and quickly gives it a hard punch with his left fist. The Quantron takes the hit and falls to the ground.

KEVIN

Shark Blade!

ANDROS

Spiral Saber!

The Shark Blade forms in Kevin's hands, and he splits it. The Spiral Saber forms in Andros' hands. Together with their weapons, Andros and Kevin slash at the Quantrons, until they are all fall to the ground defeated. Once on the ground, the Quantrons turn to sand. Kevin picks up some of the sand.

KEVIN

What's with the sand?

ANDROS

Khronos must've used the same sand he used to revive the former villains to revive the Quantrons.

KEVIN

Do you think the others had the same problem we did?

ANDROS

No idea.

FADE OUT.

FADE IN:

INT. DOWNTOWN LAS BESTIAS - DAY

ZURGANE, holding several pocket watches and several Kelzacks make their way through the city.

ZURGANE

We got the pocket watches we need. Now  
back to Khronos.

Zurgane and the Kelzacks continue on their way, until the sound of a motorcycle can be heard. Zurgane and the Kelzacks stop, as Jorge (morphed) comes riding up to the area on his Stalk Cycle.

JORGE

You're not going anywhere.

ZURGANE

Try to stop us Ranger.

Zurgane and the Kelzacks turn around and start to go the other way, only to hear the sound of another motorcycle, as Blake (also morphed) makes his way to the area on his Tsunami Cycle.

BLAKE

(to Jorge) How do you think we should  
handle this?

JORGE

Play it by ear?

BLAKE

Sounds good to me.

The jaguar head on Jorge's Cycle opens, and he and Blake start to ride their Cycles toward Zurgane and the Kelzacks. They both fire lasers at the Kelzacks, and the Kelzacks take the hits and fall down defeated. Jorge and Blake then turn their attention to Zurgane. Blake notices the pocket watches.

BLAKE

What's with the pocket watches?

JORGE

Yeah, the other Rangers have said  
something about you former villains  
going around and stealing them. So what  
gives?

ZURGANE

If you must know, Khronos needs them.

BLAKE

Figures.

JORGE

Why?

ZURGANE

That is something you'll have to figure out on your own.

Zurgane disappears.

JORGE

Why didn't he do that when he first saw us?

BLAKE

No idea, but what do you think Khronos needs pocket watches for?

JORGE

What happened to the one that he used on me and the other Primal Rangers?

BLAKE

I think we should talk to Andros and the others about this.

EXT. THE OUTSKIRTS OF LAS BESTIAS - DAY

KHRONOS stands in front of several pocket watches that are lying on the ground. Darkonda and Jaguas stand beside TSUNO, who still remains frozen. Khronos points his monocle at the pocket watches and fires a blue energy wave over them. However, upon receiving the energy the pocket watches malfunction and several parts start to go flying everywhere.

KHRONOS

This is no good.

JAGUAS

Great he's going to make us go out and get more.

DARKONDA

I don't know about you Jaguas, but I think helping Khronos might not be worth the trip through time.

JAGUAS

You may be right, Darkonda.

DARKONDA

Perhaps we should team up and conquer Earth ourselves. Your ability to find ancient artifacts might come in handy.

KHRONOS

Shut up the both of you! We'll wait until Zurgane and Zeltrax get back here.

Zurgane walks up to the area and drops the pocket watches he is carrying on the ground.

ZURGANE

Try these.

KHRONOS

(sighs) Fine.

Khronos fires an energy wave over the pocket watches that Zurgane brought, but like the previous watches they too are destroyed by the energy.

KHRONOS

Blast!

DARKONDA

Say Zurgane...

ZURGANE

What?

DARKONDA

If Khronos can't live up to his end of our bargain, how'd you like to join up with me and Jaguas? We could use a good general on our side.

KHRONOS

I'll make this clear, I will live up to my end of the bargain, and I don't care how long it takes me to do it! We'll wait until Zeltrax gets back before we make any decisions.

JAGUAS

Right.

A small breeze causes part of a newspaper to fly toward Jaguas, and partially wrap around his left leg. Jaguas picks up the paper and looks at it.

JAGUAS  
Wait a minute.

KHRONOS  
What?

JAGUAS  
I think I may have found the answer to  
your problems.

KHRONOS  
And that would be?

JAGUAS  
Something I should've done to begin  
with.

FADE OUT.

FADE IN:

INT. THE MARTIAL ARTS STUDIO - DAY

Andros, Kevin, Mark, and Jamie (all now powered down) pace around the studio. Master Chong stands off to the side.

MARK

I still can't figure out what Khronos would want with those pocket watches.

Blake and Jorge (both powered down) walk into the studio.

BLAKE

I think I may have an idea about that Mark.

ANDROS

What is it?

JORGE

We were talking when we saw Zurgane, when it hit me.

KEVIN

What?

JORGE

What if Khronos is trying to make a new version of the watch that he used on us Kevin?

JAMIE

But why would he need another pocket watch like the one he had?

ANDROS

Because that first watch is the source of his power. I wish I knew how his powers worked, and I think Jen's the only one who could explain it.

MARK

And she's off with Toni and Kira to track down Zeltrax.

MICHELLE walks into studio carrying a newspaper.

MICHELLE

I think I might've found something.

MASTER CHONG

What?

MICHELLE

The Las Bestias museum is having an exhibition for this old railroad watch which is supposed to have some kind of historical significance. I'm surprised you didn't think of that Mark.

MARK

Well neither did Jaguas. But now that you mention it Michelle, I think there's someone I should call right now.

MICHELLE

(slyly) I'm sure there is.

Mark takes out his morpher, and rotates the screen. He then dials a number and holds his morpher up to his ear.

MARK

Hey Doc, it's Mark. (pause) So you know what's happened here? (pause) I was actually just about to call you about that. (pause) Good. Well I see you when I get back to Lincoln Park. Bye.

Mark ends the call.

MARK

Doc all ready took care of it.

MASTER CHONG

I guess the only thing to do now is see how things are going with Toni, Kira, and Jen.

EXT. A PLAZA IN LAS BESTIAS - DAY

ZELTRAX and a group of twelve Triptoids (6 black, 6 white) make their way through the city. Zeltrax looks down at the pocket watches that he is holding.

ZELTRAX

Let's get these back to Khronos.

The sound of motorcycles can be heard as Toni (morphed) rides up to the area on her Stalk Cycle, Kira (morphed) rides up to the area on her Raptor Cycle, and Jen (morphed) rides up to the area on her Vector Cycle. The cheetah head on Toni's Cycle opens and she starts to fire lasers from it, along with Jen and Kira from their Cycles. The lasers hit the Triptoids, destroying them. Toni, Jen, and Kira park their Cycles, get off, and face Zeltrax.

JEN

What's Khronos planning now?

ZELTRAX

That's not for you to know.

KIRA

Well whatever it is, it can't be good.

TONI

Like anything from people like Khronos is ever any good.

ZELTRAX

Since the three of you all ready took care of the Triptoids, I might as well just leave now.

Zeltrax disappears.

EXT. THE OUTSKIRTS OF LAS BESTIAS - DAY

Zletrax walks up to Khronos and drops the pocket watches that he is holding on the ground. Zeltrax walks over to Darkonda, Jaguas, and Zurgane who are all standing by the frozen Tsuno. Khronos points his monocle at the pocket watches Zeltrax gave him and releases more blue energy. However the watches are destroyed as a result of the energy.

KHRONOS

That's it!

JAGUAS

I'd say that we should go get that watch I saw in the paper earlier, but someone got to it before me, by the time I got to the museum.

DARKONDA

(sarcastically) So what now, oh mighty Khronos?

KHRONOS

We destroy the Rangers one way or another.

DARKONDA

Finally something worthwhile.

ZELTRAX

But a few of us are dealing with Rangers we've faced in the past.

KHRONOS

Not when they see what I have in store  
for them.

Gwin appears with a group of five Khatta Warriors.

GWIN

I think I can be of some help Khronos,  
and I am going to give you these Khatta  
Warriors for whatever assistance you  
may need.

KHRONOS

I'm surprised that you're actually  
helping me, given what I did to Tsuno.

GWIN

Consider this a peace offering to show  
that there are no hard feelings for  
what you did to Tsuno.

KHRONOS

Nice of you to take a high road with  
this.

GWIN

I just thought that should you actually  
defeat the Rangers, the best way to go  
about things would to get on your good  
side.

KHRONOS

How admirable of you. Either way,  
Darkonda, Jaguas, Zeltrax, Zurgane,  
it's time to take care of the Rangers  
once and for all.

Khronos, Darkonda, Zurgane, Zeltrax, Jaguas, and the Khatta  
Warriors disappear.

GWIN

More like it is time for the Rangers to  
take care of you.

FADE OUT.

FADE IN:

INT. THE MARTIAL ARTS STUDIO - DAY

Andros, Mark, Blake, Kira, Jen, Kevin, Jorge, Toni, and Jamie all stand before Master Chong and Michelle.

JEN

So he was trying to make a new pocket watch?

ANDROS

That's the best we could come up with. Is there anything you'd know about how he'd be able to make a new power source out of time energy?

JEN

I'd have to talk to Trip about that. All I know is that there's the chance that if we don't defeat Khronos, us destroying his pocket watch could lead to a flux in the timeline.

KEVIN

So we have to defeat Khronos now?

MARK

Looks like it.

KIRA

But where are we going to find him?

JORGE

We could always sniff him out.

BLAKE

Besides when have any of us never been able to find our enemies to defeat them?

MASTER CHONG

Very true Blake. After all the Power Rangers have always managed to defeat their enemies one way or another, in the fifteen years since the original Rangers appeared in Angel Grove.

MICHELLE

But it's not like there weren't any close calls.

MASTER CHONG

Still the Rangers usually manage to  
destroy evil whenever and wherever it  
may show up.

The alarm on Mark's morpher starts to sound, and Kevin,  
Jorge, Toni, and Jamie sniff the air.

TONI

I think it's time for us to go.

Mark takes out his morpher and looks at the screen. The  
screen displays a map of the Las Bestias area with five red  
dots in the vicinity of a quarry.

MARK

Why is it always a quarry with these  
people?

JAMIE

How'd your alarm go off like that Mark?

MARK

I had Doc set my morpher's scanner to  
Las Bestias. Anyway I think we should  
probably go now.

MASTER CHONG

Agreed Mark. And before the nine of you  
go, I'd just like to say one thing.

JORGE

What?

MASTER CHONG

May the power, protect you all.

Andros, Mark, Blake, Kira, Jen, Kevin, Jorge, Toni, and  
Jamie all leave the studio.

FADE OUT.

FADE IN:

EXT. A QUARRY - DAY

Khronos, Darkonda, Zurgane, Zeltrax, and Jaguas stand in the quarry.

JAGUAS

When are they going to show up?

KHRONOS

Don't worry they'll come in time.

Andros, Mark, Blake, Kira, Jen, Kevin, Jorge, Toni, and Jamie walk into the quarry and up to Khronos, Darkonda, Zurgane, Zeltrax, and Jaguas.

KHRONOS

Good, you're all here. Now before we begin do any of you know what time it is?

MARK

I think we all have a pretty good idea, right Andros?

ANDROS

Right.

KHRONOS

So you all realize that it's time for your destruction?

JORGE

Who said anything about *our* destruction?

BLAKE

If anything the five of you are going down.

JEN

And none of us will stop until you're all gone.

TONI

Because we're Power Rangers.

KIRA

And that's what we do.

JAMIE

And it doesn't matter who comes along  
to conquer this planet.

KEVIN

Besides, we all had a different idea of  
what time it is.

KHRONOS

Then tell me, what time is it?

ANDROS, MARK, BLAKE, KIRA, JEN,  
KEVIN, JORGE, TONI, AND JAMIE

It's morphin' time!

Kevin, Jorge, Toni, Jamie, and Kira's bracelets become  
their morphers. Mark takes out his morpher and rotates the  
screen. Andros and Blake get into position with their  
morphers.

ANDROS

Let's rocket!

Jen performs her morph hand movements.

JEN

Time for, Time force!

Blake performs his morph hand movements.

BLAKE

Thunder storm, Ranger form!

Kira performs her morph hand movements.

KIRA

Dino Thunder, power up!

Mark presses the morph button on his morpher.

MARK

Go digital!

Kevin, Jorge, Toni, and Jamie perform their respective  
morph hand movements.

KEVIN, JORGE, TONI, AND JAMIE

Unleash the beast!

Andros opens his morpher, dials "335" and presses the enter  
button, as Mark revs the digitize gear on his morpher over  
his left arm. Andros, Mark, Blake, Kira, Jen, Kevin, Jorge,  
Toni, and Jamie all morph.

ANDROS  
Red Space Ranger!

JEN  
Pink Time Force Ranger!

BLAKE  
Navy Thunder Ranger!

KIRA  
Yellow Dino Ranger!

MARK  
Black D.A.T.A. Ranger!

KEVIN  
Red Primal Ranger!

JORGE  
Blue Primal Ranger!

TONI  
Yellow Primal Ranger!

JAMIE  
Twilight Ranger!

ANDROS, MARK, BLAKE, KIRA, AND JEN  
Go!

KEVIN, JORGE, TONI, AND JAMIE  
Go!

ANDROS, MARK, BLAKE, KIRA, JEN,  
KEVIN, JORGE, TONI, AND JAMIE  
Power Rangers!

KHRONOS  
Very cheeky Rangers, but don't think  
that I'm going to go easy on you guys.

Khronos fires an energy clock from his monocle. The clock hits the ground, and the hands start to spin around creating a portal. The portal releases 5 Putties, 5 Z-Putties, 5 Tenga Warriors, 5 Cogs (3 silver, 2 bronze), 5 Piranhatrons, 5 Quantrons (3 silver, 2 black), 5 Sting Wingers, 5 Batlings, 5 Cyclobots, 5 Putrids, 5 Kelzacks, 5 Tyrannodrones, 5 Triptoids (3 black, 3 white), 5 Infelshias, 5 Dragonites, and 5 Abras. The 5 Khatta Warriors appear, and join in with the other grunt soldiers.

## KHROS

Just try to see what the force of all of the major grunt soldiers from the past fifteen years have to offer when combined!

The grunt soldiers charge at Andros, Mark, Blake, Kira, Jen, Kevin, Jorge, Toni, and Jamie, as the nine of them break off into four groups. In their area Toni, Kira, and Jen face off against 1 Putty, 1 Z-Putty, 2 Tenguas, 1 bronze Cog, 1 Piranhatron, 1 silver Quantron, 1 Sting Winger, 1 Batling, 2 Cyclobots, 1 Kelzack, 2 Tyrannodrones, 2 Triptoids (both colors), 1 Infelshia, 1 Abra, 1 Dragonite, and 2 Khatta Warriors. Jen presses one of the arrow buttons on her morpher a couple of times, and presses the circle button.

## JEN

Chrono Saber!

Jen's Chrono Saber appears in her hand and she splits it.

## KIRA

Pterra Grips!

The Pterra Grips appear in Kira's hands.

## TONI

Primitive Strikers!

Toni's Primitive Strikers appear in her hands, and she combines them to Bo Mode. Jen slashes at the two Cyclobots with both parts of her Chrono Saber, and they take the hits and fall down destroyed. Kira slashes at the Tyrannodrones and Triptoids with her Pterra Grips, and they fall to the ground defeated. Toni strikes the Khatta Warriors with her Bo, and they take the hits and fall to the ground defeated. Toni then thrusts her Bo at the Z-Putty, hitting its Z mark. The Z mark starts to glow in a white light, until the light goes over the Z-Putty's body causing it to break. Jen then slashes at the Batling and Putrid with her Saber, and they both take the hit and fall down defeated. Kira slashes at the Abra and Dragonite with her Grips and they fall down defeated.

## TONI

Khronos is giving us quite the workout, isn't he?

## KIRA

Tell me about it.

## JEN

C'mon just a little more.

Toni, Kira, and Jen all swipe their respective weapons at the grunt soldiers until only the two Tengas are left, at which point they start to fly a little.

TONI

So how are we going to take care of these ugly, ugly birdies?

KIRA

Well they're not the only ones with wings. Super Dino Mode!

Kira morphs to Super Dino Mode, and takes to the sky to meet up with the Tengas.

KIRA

Time to send you two back to the bird sanctuary!

Kira flies directly at the Tengas and slashes at them with her Grips. They both take the hits and fall to the ground defeated.

TONI

Tenga, bye-bye!

In their area Andros and Kevin face off against 1 Putty, 2 Z-Putties, 1 Tenga, 2 Cogs (both colors), 1 Piranhatron, 2 Quantrons (both colors), 2 Sting Wingers, 1 Batling, 1 Cyclobot, 1 Putrid, 1 Kelzack, 1 Tyrannodrone, 1 black Triptoid, 1 Infelshia, 1 Abra, 1 Dragonite, and a Khatta Warrior. Andros and Kevin simultaneously thrust their right fists toward the Z-Putties, and hit their Z marks. The Z-Putties start to glow, before breaking.

KEVIN

Why did Zedd make his soldiers with such an obvious weak spot?

ANDROS

Wish I knew. Spiral Saber!

KEVIN

Shark Blade!

The Spiral Saber appears in Andros' hands, while the Shark Blade appears in Kevin's. Kevin splits the Shark Blade, and starts to slash at the Khatta Warrior, the Dragonite, the Abra, and the Infelshia, which all take the hits and fall to the ground defeated. Andros slashes at the Putty, both Cogs, and the Piranhatron, which all take the hits and fall to the ground defeated. Andros and Kevin then turn their attention to the other grunt soldiers and slash at them with their weapons, defeating them. In their area Blake and Jorge face 1 Putty, 1 Z-Putty, 1 Tenga, 1 silver Cog, 1 Piranhatron, 1 black Quantron, 1 Sting Winger, 2 Batlings, 1 Cyclobot, 2 Putrids, 2 Kelzacks, 1 Tyrannodrone, 1 white Triptoid, 1 Infelshia, 1 Abra, 1 Dragonite, and a Khatta Warrior. The Tenga takes to the sky.

BLAKE

You want to get that or should I?

JORGE

Allow me. Double Bat Cutter!

Two Bat Cutters form in Jorge's hands.

JORGE

Primal Beast...Nocturnal Bat!

Jorge jumps up and takes to the sky. Jorge flies toward the Tenga, and slashes at it with the Cutters. The Tenga takes the hit and falls to the ground defeated. Jorge then lands, striking both Batlings with the Cutters as he lands. Blake draws his Thunder Staff, and starts to slash at the Putty, the Kelzacks, the Tyrannodrone, and the Triptoid, which all take the hits and fall to the ground defeated. Jorge starts to slash at the Khatta Warrior, the Abra, the Dragonite, and the Sting Winger, which all take the hits and fall to the ground defeated. Blake and Jorge then turn their attention to the other grunts and start to slash at them until they are all defeated. In their area Mark and Jamie face 2 Putties, 1 Z-Putty, 1 Tenga, 1 silver Cog, 1 Piranhatron, 1 silver Quantron, 1 Sting Winger, 1 Batling, 1 Cyclobot, 1 Putrid, 1 Kelzack, 1 Tyrannodrone, 1 white Triptoid, 2 Infelshias, 2 Abras, 2 Dragonites, and a Khatta Warrior. Jamie strikes the Khatta Warrior with his right elbow, and it falls to the ground defeated. Mark draws and converts his D.A.T.A. Blaster and starts to slash at the Dragonites and Abras, as well as the Infelshias. The Abras, Dragonite, and Infelshias take the hits and fall to the ground.

JAMIE

I think this might go a little faster  
if I had a weapon.

MARK

How so?

JAMIE

I'm the only Primal Ranger without a weapon, and Kevin, Diaz, and Toni seem to be getting through the other grunts without any problems with their weapons.

MARK

Here!

Mark tosses his D.A.T.A. Sword over to Jamie. Jamie catches the Sword in his right hand and looks down at it.

JAMIE

You sure about this?

MARK

Positive. Besides I've got something else that I've been wanting to break out for a while now. Mach Hammer!

The Mach Hammer forms in Mark's hands. Jamie starts to slash at Putties, the Tenga, the Piranhatron, and the Cog with the D.A.T.A. Sword, which all take the hits and fall to the ground defeated. Mark strikes the Triptoid, the Tyrannodrone, the Quantron, the Sting Winger, and the Batling with his Hammer, and they all take the hits and fall to the ground defeated. Mark then strikes the Kelzack and Putrid with the Hammer, while Jamie slashes at the Cyclobot. The Cyclobot, Kelzack, and Putrid take the hits and fall to the ground defeated.

JAMIE

Only one left, double whammy?

MARK

You're on.

Jamie tosses the D.A.T.A. Sword to the ground, and Mark transfers his Hammer to his left hand. Mark and Jamie then charge at the Z-Putty, and simultaneously punch its Z mark with their right fists. The Z-Putty's Z mark starts to glow, until it ultimately breaks. With all of the grunt soldiers defeated Darkonda charges at Andros and Kevin, Zurgane charges at Blake and Jorge, Zeltrax charges at Jen, Kira (in regular Ranger Mode), and Toni, while Jaguas charges at Mark and Jamie. Darkonda slashes at Andros and Kevin with his sword, but they both dodge the attack, and counter with their own slashes to him with their weapons.

DARKONDA

I won't have you Rangers destroy my only chance to make sure that Dark Specter never destroyed me before he finally went down.

ANDROS

And we can't let you go to the past.

Andros draws his Astro Blaster, and combines it with his Spiral Saber. A new tip forms over the end of the Spiral Saber blade once it is combined with the Astro Blaster.

ANDROS

Spiral Saber, Booster Mode!

Kevin combines both parts of the Shark Blade.

KEVIN

Tidal Strike!

Water goes over the Shark Blade, and Kevin slashes at Darkonda a few times, before Andros fires a high powered blast from the Spiral Saber. Darkonda takes the hits, and falls back. Darkonda then turns back into the hourglass that revived him, and the hourglass shatters, upon which the pieces of the hourglass start to dissolve. In their area Zurgane has both of his swords drawn, and slashes at Blake and Jorge with them. However the two of them dodge the attack, and Blake counters with a slash from his Thunder Staff combine with the Navy Antler.

JORGE

Cutter Strike!

Jorge throws both of the Bat Cutters at Zurgane and they fan out with duplicate blades and strike Zurgane.

ZURGANE

This can't be. Things can't go with Vexacus defeating me...

The Bat Cutters return to Jorge, and Zurgane falls back turning into the hourglass that revived him. The hourglass shatters, and its pieces dissolve. In their area Zeltrax tries to slash at Jen, Kira, and Toni with his sword, but Kira manages to block the attack with her Pterra Grips, while Toni strikes Zeltrax a few times with her Bo. Jen charges at Zeltrax with both parts of her Chrono Saber in hand, and jumps up. Jen then waves her arms in a circular motion forming a pink energy clock.

JEN

Time Strike!

As Jen lands, she slashes at Zeltrax numerous times with her Chrono Saber.

ZELTRAX

Tommy Oliver must...

Zeltrax falls back and turns into the hourglass. The hourglass then shatters, and the pieces dissolve. In their area Mark hits Jaguas several times with the Mach Hammer. Jamie charges at Jaguas, jumps up and extends his right knee. Jamie then flies over to Jaguas and strikes him several times with his right knee. Jamie regroups with Mark, who then raises the Mach Hammer above his right shoulder.

MARK

Speed Crash!

Mark swings the Hammer twice and the attack makes contact on Jaguas. Jamie flips up the wolf head on his morpher, and presses the button near the bell.

JAMIE

Primal Beast...Twilight Wolf! Upper Strike!

Jamie performs an uppercut with his left fist, which causes a massive amount of purple energy to be released from his morpher. The energy hits Jaguas and he falls back.

JAGUAS

Not again!

Jaguas turns into the hourglass that revived him. The hourglass shatters, and the pieces dissolve. Andros, Mark, Blake, Kira, Jen, Kevin, Jorge, Toni, and Jamie regroup and face Khronos.

ANDROS

There's only one thing left to do.

KEVIN

Maybe it's a good thing that you guys destroyed his pocket watch.

MARK

So how are we going to do this?

ANDROS

What about all of our most powerful weapons?

KIRA  
But I don't have Conner or Ethan's  
weapons.

BLAKE  
And I need Hunter's.

JEN  
You'll just have to make due.

The communicator function on Kira's morpher goes off.

VOICE FROM KIRA'S MORPHER  
Kira come in.

KIRA  
Dr. O?

TOMMY THROUGH KIRA'S MORPHER  
I just got done partially powering up  
Conner and Ethan's Dino Gems, and I'm  
sending you the Tyranno Staff, and  
Tricera Shield. And Blake...

BLAKE  
Yeah?

TOMMY THROUGH KIRA'S MORPHER  
I just talked to Cam; he's sending you  
the Crimson Blaster.

BLAKE  
Great.

The communication ends.

JORGE  
(to Kevin, Toni, and Jamie) So what  
about us?

KEVIN  
Claw Form?

TONI  
Sounds good to me.

JAMIE  
And we'll do what we did a couple weeks  
ago.

KIRA  
So what about you Jen?

JEN

Don't worry about me.

Jen presses the arrow buttons a couple of times on her morpher, and the circle button.

JEN

V Weapon!

Jen's V Weapon appears in her hands.

ANDROS

Spiral Saber, Booster Mode!

Andros combines his Astro Morpher and Spiral Saber again.

MARK

Crash Armor!

The Crash Armor forms onto Mark, and he raises his right hand.

MARK

Crash Cannon, Drill Mode!

The Crash Cannon in Drill Mode appears in Mark's right hand.

KIRA

Tyranno Staff! Tricera Shield! Pterra Grips!

The Tyranno Staff, Tricera Shield, and Pterra Grips appear before Kira. She then combines them.

KIRA

Z-Rex Blaster!

BLAKE

Crimson Blaster! Navy Antler!

The Crimson Blaster, and Navy Antler appear in Blake's hands and he combines them.

BLAKE

Thunder Blaster!

Claw Beast energy goes over Kevin, Jorge, and Toni's bodies.

KEVIN, JORGE, AND TONI

Claw Grips!

The Claw Grips appear in Kevin, Jorge, and Toni's right hands and they hold them out forward.

KEVIN, JORGE, AND TONI  
Unleash the Claw Beast!

Kevin, Jorge, and Toni all morph to Claw Form.

KEVIN, JORGE, AND TONI  
Feral Striker!

The Feral Striker appears in Kevin, Jorge, and Toni's hands. Jamie flips up the wolf head on his morpher and presses the button near the bell. Purple energy gathers over Jamie's left. Kevin pushes the back of the Feral Striker forward, and fires a blast just as Jamie launches the purple energy. The Feral Striker blast and purple energy spiral around each other until they combine. Andros fires a blast from his Spiral Saber, Jen fires a blast from her V Weapon, Blake fires a blast from the Thunder Blaster, Kira fires a blast from the Z-Rex Blaster, and Mark fires a blast from the Crash Cannon. All of the blasts combine and hit Khronos. Khronos takes the hit and starts to stumble dropping the Gear Blade.

KHRONOS  
It can't end like this!

The nine Rangers turn their backs to Khronos, just as he falls down and explodes. When the flames of the explosion cease Mark walks over to the Gear Blade. He then takes out a compact Guard Crate, places it on the ground, and expands it. Mark places the Gear Blade on the Guard Crate and the rest of the Crate forms around the Gear Blade.

EXT. THE OUTSKIRTS OF LAS BESTIAS - DAY

Gwin watches as Tsuno regains his movement.

TSUNO  
What happened?

GWIN  
Let us go back to the fortress and I will explain all.

FADE OUT.

FADE IN:

INT. THE MARTIAL ARTS STUDIO - DAY

Andros, Mark, Blake, Kira, Jen, Kevin, Jorge, Toni, and Jamie all stand around with Master Chong.

MASTER CHONG

That was impressive all of you.

KEVIN

So what's going to happen with the five of you?

ANDROS

I've got to go home to my family in Angel Grove.

JORGE

So you weren't staying on Earth just to guard the Gear Blade?

ANDROS

No while I was here, I married my girlfriend, who you'll probably know as the Yellow Space Ranger, and Ashley wasn't too sure about all of this today.

KIRA

So you couldn't possibly stay for my concert tonight?

ANDROS

I'm sorry Kira, but I can't.

JEN

And I just finished talking to my commander in the year 3000, and I'm going home myself.

KIRA

So you can't come tonight either?

JEN

No, and I actually decided that I'd pay an "old friend" in Silver Hills a visit before I went back.

ANDROS

Say "hi" to Wes for me when you see him.

JEN

Will do.

TONI

Jen, before you go back to your time-

JEN

I'm sorry Toni, I'd like to tell you whether or not you actually become the actress that you want to be, but it could affect the timeline.

JORGE

So what's this about your concert tonight Kira?

KIRA

I got everyone tickets. Now Mark, Blake, don't tell me that you guys have other plans too.

BLAKE

Actually I'm still going to be in Las Bestias for a while.

MARK

I'm in no real rush to get back to Lincoln Park anytime soon.

ANDROS

Now that I think about it, I'm a little surprised that you haven't asked me about keeping the Gear Blade, Mark.

MARK

I scanned it a minute ago. The Danger Level was too low, so it's not a risk anymore.

JAMIE

So when's this concert Kira?

KIRA

In a few hours, so we all have plenty of time to get ready for it.

EXT. A SECLUDED AREA IN LINCOLN PARK - NIGHT

All is quiet as a portal opens up for a quick moment, releasing a blonde woman who is dressed in a black leather trench coat. The woman looks at herself for a minute.

WOMAN

I'm alive? But how? (pause) It doesn't matter, I'll have my vengeance soon enough. But it's best not to act too soon.

INT. THE LAS BESTIAS AMPHITHEATER - NIGHT

Kira, with her guitar around her, is on stage with her band, standing in front of a microphone on a stand. Mark, Blake, Kevin, Jorge, Toni and Jamie are all within the front row, as they watch Kira perform.

KIRA

(singing) I wanna know. Know where you're at. I'm at the front, but you're still at the back. Oh, can you tell me where you're at? I gotta know. Know where you're at. I'm all alone waiting for you to ask. Oh, can you tell me where, tell me where you're at? Freak you out. Freak you out. Freak you out. Freak you out. Freak you out...

Kira finishes the current song, and grabs the microphone on the stand.

KIRA

This last song tonight is something that I wrote quickly while backstage before the concert began. I'd like to dedicate it to a few friends of mine who are here tonight.

Kira puts the microphone back on the stand, and she and the band start to play the next song.

KIRA

(singing) They've got a power, and force that you've never seen before. They've got the ability to morph, and to even up the score. No one will ever take them down. The power lies on their side...

Kira and the band continue on with the song.
