"POWER RANGERS PRIMAL STRIKE: EPISODE 25 - THE TIGER'S EYE"

FADE IN:

INT. THE TRIBULATION ARENA - TIME UNKNOWN

TSUNO and FLAMOUCIA (armor) face off against each other in the main part of the arena, as ANME stands off to the side watching them. Flamouca has both of her short swords drawn, and she lunges them forward at Tsuno. Tsuno extends his claws, and blocks Flamouca's attack. He then lunges forward himself, to try to strike Flamouca, but she blends in with her surroundings, becoming practically invisible.

FLAMOUCIA

Try to find me.

Tsuno turns around a few times, before ultimately lunges his claws behind his back, which causes Flamouca to fall back, becoming visible again.

TSUNO

Your camouflage techniques are a great advantage, but they're meaningless if you don't keep your mouth shut.

Flamouca charges at Tsuno, and slashes at him with her swords, but he blocks the attack with his claws, and holds them against the swords. Flamouca then gives Tsuno a hard kick that knocks him back a few feet.

TSUNO

I don't know what you're trying to pull little girl, but whatever it is it's useless.

Flamouca lets out an angered grunt and charges at Tsuno. She slashes at him with her swords, and he takes the hit.

TSUNO

Why don't you stop trying to hit me, and actually hit me?

Flamouca's slashes start to get harder, as Rage energy goes over her body. She then gives Tsuno a hard slash from her swords and he falls back a little.

TSUNO

That's enough.

Flamouca stops, and the Rage energy disappears. She then reverts back to her usual self.

TSUNO

Not bad. With a little more practice you can get better.

ANME

But probably not nearly as good as me.

TSUNO

I'd shut up if I were you, especially since it appears as if you haven't really done much of anything.

ANME

Well if someone would actually let me go into the human realm, maybe I could do something.

TSUNO

Like what, that battle you fought against the Twilight Ranger a while back? Please, don't give me that. Besides not only did you act on your own in that little episode, you failed.

ANME

But-

TSUNO

I've heard enough from you.

ANME

Fine!

Anme storms out of the arena.

INT. ANOTHER PART OF THE FORTRESS - TIME UNKNOWN

Anme walks through the hall, looking angered.

ANME

Who does that stupid bear think he is?

A gold mist appears behind Anme, and takes the form of ASLEC. Aslec then takes the form of Tsuno and walks up to Anme.

ASLEC AS TSUNO

Anme.

Anme turns around.

ANME

What?!

ASLEC AS TSUNO

About what I said back in the arena, what I really meant is that, if it had appeared as if you were going to take some initiative, I might let you go to the human realm. Like say challenging one of the Rangers to a duel for the Rhino Razor. After all it'd be better to get our hands on it, and revive the Sword Rhino before the Rangers do.

ANME

I'll do it as long as I get to challenge the Red Ranger.

ASLEC AS TSUNO

I don't care which Ranger you challenge, I just want you to challenge one of them. Now go.

A sinister smile goes over Anme's face as he walks away. Once Anme is out of sight, Aslec reverts back to normal, and a sinister smile goes over his face.

FADE OUT.

FADE IN:

EXT. DOWNTOWN LAS BESTIAS - DAY

Anme (armor) terrorizes the area, destroying several cars, and buildings. People run away in fear, as the sound of engines roaring is heard. KEVIN, JORGE, JAMIE (all morphed) ride up to the area on their respective vehicles. Kevin, Jorge, and Jamie park their vehicles, get off, and confront Anme.

KEVIN

What do you want this time?

ANME

I've come to challenge you to a duel, Red Ranger.

KEVIN

Why me?

ANME

I didn't start a rivalry between the two of us just for the fun of it. So this is going to be a test of the power of Rage versus the one of the Claw Beasts.

JORGE

Wait, you can't honestly be calling him out just to test the Claw Beasts, can you?

ANME

What do you mean?

JORGE

What are the stakes in all of this?

ANME

Oh yes, how forgetful of me. The stakes are merely the Rhino Razor.

JAMIE

Like we're going to let you get a hold of that. Besides last time you tried to do this with one of us, you lost.

ANME

Yes, but I didn't care whether or not I actually lose to you.

JAMIE

You didn't?

ANME

Well I do, it's just not as important as losing to the Red Ranger. So, what do you say?

KEVIN

I don't know.

ANME

This is a simple yes or no answer.

KEVIN

Fine, then no.

ANME

Don't insult me, Red Ranger. I know you want to do this.

KEVIN

We can't let you get a hold of the Rhino Razor.

ANME

Fine, then if you won't cooperate willingly, I'll just have to make you do it.

JORGE

How?

ANME

There's a Fallen back in the fortress who can summon great strife. If you don't accept my challenge, I'll send him down here personally. You have two hours to make up your mind.

Anme disappears.

KEVIN

We better talk to Master Chong about this.

FADE OUT. OPENING CREDITS.

FADE IN:

INT. THE MARTIAL ARTS STUDIO - DAY

Kevin, Jorge, and Jamie (all now powered down) stand before MASTER CHONG.

MASTER CHONG

Absolutely not!

KEVIN

But we can't let Anne send that monster out.

JORGE

At the very least we should try calling his bluff.

MASTER CHONG

Whether or not Anne is right about that monster is irrelevant. We can't let the Rhino Razor fall into his or anyone else's hands. Not to mention that we still need to find someone with the abilities of the Sword Rhino.

KEVIN

But-

MASTER CHONG

Hold that thought.

Master Chong leaves the room. Moments later, Master Chong returns with the Rhino Razor in hand. Master Chong holds up the Rhino Razor.

MASTER CHONG

This little sword is the key to one of the greatest powers around. If it were to fall in the wrong hands, then everything we've done so far will have been meaningless.

JORGE

But what if what you're saying is wrong?

MASTER CHONG

What do you mean?

JORGE

What if everything you've said, and read about this thing is little more than a myth?

MASTER CHONG

I'll admit that there's a chance all of this could be little more than a myth, and what I've read in Master Li's old scrolls could be wrong. But myth or not, we can't take that chance.

Master Chong hands Kevin the Rhino Razor.

MASTER CHONG

I'll leave it up to you, Kevin. There's still another hour before you have to meet up with Anme again. Hold onto the Rhino Razor, and when the time comes, I hope you'll make the right decision.

KEVIN

(unsure) Okay.

MASTER CHONG

Unfortunately there are only three of you are here, and well I would've liked to know what Toni has to think about this.

JORGE

Speaking of which, where is Antonia?

FADE OUT.

FADE IN:

EXT. A MOVIE STUDIO BACK LOT - DAY

TONI walks out of a trailer, wearing a skin tight silver cat suit with red piping, high heeled boots, and a small headset in her right ear.

TONI
(to herself) This is a sci-fi show, it comes with the territory.

SAKAMOTO, a man wearing jeans, a white t-shirt, a baseball cap, and a monocular strapped around his neck, walks up to Toni.

SAKAMOTO
We're ready for you.

TONI
Okay.

Sakamoto leads Toni away from the trailer. As the two of them walk, Sakamoto notices that Toni looks a little nervous.

SAKAMOTO
Nervous?

TONI
Maybe a little.

SAKAMOTO
Well given your previous credits, I don't blame you. After all doing a few commercials, and some community theater, here and there, is completely different than shooting the pilot for a TV show. But remember you did have the best audition out of all of the girls we saw. And those moves you showed off were impressive. Speaking of which, where'd you pick those up?

TONI
Let's just say that I've been learning a little kung fu here and there for the past few months.

SAKAMOTO
Who's your master?

TONI

Bruce Chong.

SAKAMOTO

Never heard of him. Must be some smalltime local guy. Either way, do you have your lines memorized?

TONI

I wouldn't have shown up if I didn't.

SAKAMOTO

Perfect, you're all ready a pro. Maybe we're looking at the next Meryl Streep or something.

TONI

I don't think Streep ever would've worn something like this in a movie.

SAKAMOTO

She would if the role called for it. Anyway, all you really need to know about the scene we're about to shoot is that your character has been transported to Japan's Edo period.

TONI

Edo period?

SAKAMOTO

Basically any feudal Japanese stereotype you can think of more or less came from this point in history, samurai, ninja, that sort of thing. Either way, the fight choreographer is ready for you with this scene, which as you know involves fighting against a few ninja. Any questions?

TONI

Are we going to practice a little before actually going for it?

SAKAMOTO

Of course. Of course. After all we don't need the stunt performers to get hurt, or even our star for that matter.

FADE OUT.

FADE IN:

INT. THE DINER - DAY

Kevin, Jorge, and Jamie sit in one of the booths along the front windows. Jorge and Jamie sit at one side of the table with coffee cups in front of them, as Kevin sits on the opposite side of the table clutching the Rhino Razor.

KEVIN

I don't know guys. Master Chong's counting on me to make the right move with this.

JORGE

Well it's not like you haven't beaten Anne before.

KEVIN

But he has that new power, so things might be even.

JAMIE

I've fought against that power and still won. And I'm not nearly as powerful as you. I think you can take him.

KEVIN

But you've got some better fighting skills.

JORGE

But haven't you gotten better since we first became Rangers? Certainly someone looks like he's grown a pair since then.

JAMIE

I think you should do it.

KEVIN

Jorge?

JORGE

I'd say yes, but you should make him agree to a condition before you fight him.

KEVIN

What condition?

JORGE

A potential rematch if you lose. And if you do lose, but win the rematch, Chong will never have to know that you did anything today.

JAMIE

Besides what about the tiger's eye?

KEVIN AND JORGE

The tiger's eye?

JAMIE

You know the thrill of the fight, rising up to the challenge of your rival.

JORGE

Was Rocky III on last night or something?

JAMIE

No. But still don't lose your grip on the dreams of the past. You've got to fight just to keep them alive.

JORGE

You plugged the DVD in last night, didn't you?

JAMIE

No.

Kevin looks over at a nearby clock on one of the diner's walls.

KEVIN

Uh guys, it's time.

FADE OUT.

FADE IN:

EXT. A QUARRY - DAY

Anme paces around, as Kevin, Jorge, and Jamie walk up to the area.

ANME

What are they doing here?

JORGE

We're just here to act as a cheering section.

ANME

I take it you've agreed to this, right?

KEVIN

Why else would I be here?

ANME

Got the Rhino Razor?

Kevin takes the Rhino Razor out of his front right pants pocket and holds it up.

ANME

Good, now let's do this.

KEVIN

Under one condition.

ANME

What?

KEVIN

If I lose this fight, I want a rematch later.

ANME

It doesn't matter how many rematches I give you, you'll lose them all. But if that's what it's going to take to get you to fight, then so be it.

Kevin hands Jamie the Rhino Razor.

JAMIE

Remember, you're the best around. And nothing's gonna ever keep you down.

Jorge and Jamie walk away from Kevin.

JORGE

And now you're quoting a song from The Karate Kid?

JAMIE

Do you have any better ideas to try to inspire Kevin?

Jorge and Jamie walk over to a couple large, flat rocks and sit down. Kevin and Anme face each other, and Kevin's bracelets become his morpher. Anme throws off his overcoat.

KEVIN

Unleash the beast!

Kevin morphs. Anme transforms into his armor. Kevin and Anme start to circle around each for a moment, before Anme launches a punch from his right fist at Kevin. Kevin dodges the attack, and tries to land a punch with his right fist on Anme, but Anme grabs onto Kevin's fist with his left hand. Anme holds onto Kevin's fist for a few moments, while giving Kevin a barrage of punches from his right fist. Kevin takes the hits and falls back. Rage energy gathers over Anme's body, and becomes the Dark Lion.

ANME

Primal Beast...Dark Lion! Pounce Strike!

KEVIN

Primal Beast...Feral Tiger! Pounce Strike!

Red energy gathers over Kevin's body, becoming the Feral Tiger. The energy Feral Tiger and Dark Lion charge at each other and Feral Tiger tries to pounce, but ends up getting hit by Dark Lion's pounce. Feral Tiger takes the hit, disappears, and Kevin falls back a few feet. Dark Lion disappears and Anme charges at Kevin striking him several times with his fists and feet, before Rage energy gathers over Anme's right fist. Anme gives Kevin a hard punch, which sends Kevin flying up in the air. Claw Beast energy gathers over Kevin's body, and his Claw Grip forms in his right hand.

KEVIN

Unleash the Claw Beast!

Kevin presses the button on the side of the grip, and morphs to Claw Form in a flash of pale orange colored light. The jets on Kevin's shoulders start up, and he flies toward Anme, with his right arm extended. Fire gathers over the claw of Kevin's Grip, as he continues on his path toward Anme.

ANME

Like that's going to work again.

Kevin approaches Anme, and slashes at him with his Claw Grip. However, Anme grabs onto Kevin's right arm, and throws Kevin to the side. Kevin flies back in a spiral for a few moments until the jets stop. Kevin falls to the ground on his back, and Anme charges at him. Anme approaches Kevin's right, and stomps on Kevin's midsection with his right foot. Kevin takes the hits and powers down. Anme gives Kevin a hard kick, and Kevin's rolls around to his left.

ANME

Looks like the Claw Beasts aren't enough to defeat the power of Rage.

Anme walks over to Jorge and Jamie.

JORGE

You know, if the Claw Beasts aren't enough to defeat the power of Rage, then how come we've been able to defeat a couple of the monsters who have used that energy?

ANME

That was pure luck. Now hand over the Rhino Razor!

JAMIE

Well a deal's a deal.

JORGE

You're not actually-

JAMIE

We bet on the wrong horse Diaz, and we've got to pay up.

Jamie hands Anme the Rhino Razor. Anme walks back over to Kevin, and Jorge and Jamie follow him. Anme, Jorge, and Jamie approach Kevin. Anme reverts back to his usual self, and looks down at Kevin.

ANME

Tell you what, if you really do want that rematch, come back here in five hours. I'll be waiting.

FADE OUT.

FADE IN:

INT. THE SMITH BOXING GYM - DAY

The gym is mostly empty, except for NEIL who is sweeping the floor. Jamie leads Jorge and Kevin (carrying a gym bag) into the gym, and goes over to Neil. A partial look of confusion goes over Neil's face.

NEIL

Why are you here right now?

JAMIE

I need your help something right now.

Neil looks over at Kevin and Jorge.

NEIL

Are those two-

JAMIE

Yes.

NEIL

Then why are you here and not at Chong's?

JORGE

We need somewhere else to do some training so that Chong doesn't find out about something we screwed up on.

NEIL

Say no more, and I'll give you guys a hand. So do all of you need training right now?

KEVIN

Just me. Where's the changing room?

NEIL

In the back.

Neil points toward the back of the building, and Kevin walks in that direction.

JORGE

(to Jamie) Are you sure about this? It's going to take a montage to get Kevin into shape.

JAMIE

Well even Rocky had a montage.

DISSOLVE TO:

INT. THE SMITH BOXING GYM - DAY

Neil stands in the boxing ring wearing strike pads on his hands. Kevin (in black sweat pants and a red t-shirt) stands before Neil, punching and kicking the pads several times. Jorge and Jamie stand outside of the ring watching Kevin practice with Neil.

DISSOLVE TO:

INT. THE SMITH BOXING GYM - DAY

Kevin (still in the sweat pants and t-shirt) lies on a weight bench doing several reps with 60 lbs. of weight on a barbell, as Jamie spots him.

DISSOLVE TO:

EXT. THE STUDIO BACK LOT - DAY

On a set that resembles a feudal Japanese town, Toni (still in costume) faces off against several stuntmen dressed as ninja. One ninja throws a punch at Toni, but she blocks it, and gives the ninja a punch of her own with her right fist. Another ninja tries to kick Toni, but she blocks the attack, and gives the ninja a kick from her left foot. The ninjas surround Toni, and a somewhat annoyed expression goes over her face.

DISSOLVE TO:

INT. THE SMITH BOXING GYM - DAY

Kevin (still in the sweat pants and t-shirt) lays face up on the floor with his knees bent. Jorge crouches over Kevin's feet, as Kevin performs several crunches.

DISSOLVE TO:

INT. THE SMITH BOXING GYM - DAY

Kevin (still in the sweat pants and t-shirt) lays face down on the floor with his hands to his sides as he performs several pushups. Kevin stops doing pushups, grabs a nearby jump rope, and starts jumping rope.

DISSOLVE TO:

INT. THE SMITH BOXING GYM - DAY

Kevin and Jorge (in their uniforms) face each other to spar in the ring. Jamie and Neil watch from outside the ring, as Jorge launches a punch on Kevin. Kevin blocks the punch, and gives Jorge a punch from his right fist. Jorge falls back a little, and charges at Kevin, and tries to give his a roundhouse kick with his right foot. Kevin ducks under the attack and swipes at Jorge's legs with his right foot. Jorge falls to the mat, but quickly gets back up, and charges at Kevin. Jorge tries to give Kevin a jab with his left fist, but Kevin blocks the attack, and gives Jorge a right hook with his right fist. Jorge falls back a little, and once again charges at Kevin and the two of them get into a series of kicks and punches, as they both block the other's attack.

DISSOLVE TO:

INT. THE SMITH BOXING GYM - DAY

Kevin and Jorge (still in their uniforms) stand outside of the ring, looking really sweaty. Jamie stands before the two of them, as Neil walks up to everyone carrying two towels, and two bottles of water. Neil hands Kevin and Jorge the towels and water bottles. Jorge wipes some of the sweat on his brow with his towel, and Kevin opens his water bottle and takes a long drink.

JAMIE

I think you're ready for that rematch.

JORGE

No kidding. And why couldn't you have used some of the moves you used when we were sparring on Anme?

KEVIN

I guess I didn't think about it then.

NEIL

Well hopefully you should be able to do whatever it is you have to do after all of this training today.

FADE OUT.

FADE IN:

INT. THE TRIBULATION ARENA - TIME UNKNOWN

Tsuno sits in his chair, and GWIN sits in his. LLYEJ walks into the main part of the arena followed by the NGLERA monster.

TSUNO

What did you bring Llyej?

LLYEJ

Since it appears to be a fairly slow day today, I thought that maybe calling for one of my previous students, might liven things up a little. So with that I present you with Nglera, master of the Weather Anglerfish.

TSUNO

So do you think you can defeat the Rangers?

NGLERA

Oh I'll defeat more than just the Rangers.

GWIN

What do you mean?

NGLERA

When I'm done with the Rangers the three of you will be my next targets.

LLYEJ

But I thought-

NGLERA

You thought wrong. I was only using you to train me so I could eventually take things over for myself.

TSUNO

This behavior is unfitting of a Fallen. I'd expect this kind of thing out of Anme, but not someone in your position.

NGLERA

Well given that the Three hasn't exactly been able to succeed where Karah Khal failed, some of us in the other realm are getting a little restless with you. And we're not going to put up with your nonsense anymore.

GWIN

Llyej why did you bring this Fallen here?

LLYEJ

He was always one of my better students. Had I known he was going to do this, I would've finished him off.

NGLERA

Well too bad. Primal Beast...Weather Anglerfish! Lightning Strike!

Nglera fires a bolt of lightning from the lure on his head. The bolt hits Tsuno, Gwin, and Llyej rendering them unconscious for a brief moment. Nglera disappears, and Tsuno, Gwin, and Llyej regain consciousness.

TSUNO

Llyej, find Flamouca. Tell her to find Anme, wherever he is, and have the two of them destroy Nglera.

LLYEJ

Yes Tsuno.

TSUNO

And tell her I want Nglera destroyed by any means necessary, including having her and Anme join forces with the Rangers if need be.

FADE OUT.

FADE IN:

EXT. THE QUARRY - DUSK

The sun sets, as Anme paces around. Kevin, Jorge, and Jamie walk up to the area.

ANME

I didn't think you'd actually show up.

KEVIN

There's no way we're going to let you keep the Rhino Razor. Speaking of which-

ANME

Right here.

Anme holds up the Rhino Razor.

ANME

I'd toss it over to one of your friends while we did this, but they'd probably take off with it.

JAMIE

That's something someone like you would do, not us.

Jorge and Jamie go over to the rocks they sat on earlier, and sit down. Anme puts the Rhino Razor away, and throws off his overcoat.

ANME

Then let's do this.

Anme transforms into his armor. Kevin's bracelets become his morpher, and he performs his morph hand movements.

KEVIN

Unleash the beast!

Kevin morphs. Kevin and Anme charge at each other and Kevin manages to get in a hard punch on Anme. Anme falls back a few feet.

ANME

Did you do some training before you got here?

KEVIN

Yes, why?

ANME

I would've expected you to sulk a little after I humiliated you last time.

KEVIN

There wasn't anything humiliating for me about that last defeat.

ANME

Well then I'll make sure that this time is humiliating.

KEVIN

Maybe for you.

ANME

Look at the big man, talking big, but does he have the moves to back it up?

Kevin and Anme charge at each other again, and when they get near each other, they get into a series of kicks and punches, as they block each other's attacks. Anme manages to push Kevin back a little. Rage energy gathers over Anme's body, and he starts to fire balls of it at Kevin. Kevin dodges the balls of energy, and they hit the ground, creating explosions.

KEVIN

Shark Blade!

The Shark Blade forms in Kevin's hands, and he splits it into dual mode, as more balls of Rage energy are fired at Kevin. Kevin then uses the Blades to fling the energy back at Anme, but Anme dodges the shots, and they hit the ground creating explosions. More Rage energy gathers over Anme's body, as he charges at Kevin. Anme gives Kevin a hard punch, which Kevin tries to block with the Blades, but Kevin ends up flying back up in the air, dropping the Blades. As Kevin flies back, Anme fires a massive ball of Rage energy that hits Kevin, creating an explosion. Concerned looks go over Jorge and Jamie's faces.

JORGE AND JAMIE

KEVIN!

Kevin flies through the flames of the explosion now morphed in Claw Form, with his right arm extended. Claw Beast energy gathers over Kevin's body, as he flies toward Anme. Kevin then gives Anme a hard strike with his Claw Grip, and Anme takes the hit and goes flying back. The Claw Beast energy disappears, and Kevin lands.

ANME

This is getting much more interesting
than last time.

KEVIN

Well try this on for size!

The jets on Kevin's shoulders start up again, and he flies over to Anme. Once near Anme, Kevin starts to slash at him with his Claw Grip, and Anme takes every hit. Flames gather over the claws on Kevin's Grip, and Kevin gives Anme a hard slash. Anme takes the hit and falls down, and the jets on Kevin's shoulders stop. Kevin turns his back to Anme, but Anme charges at Kevin, and the two of them get into another series of kicks and punches, as they block each other's attacks. However, the sky darkens to the point it looks like night, and massive balls of hail fall from the sky hitting Kevin and Anme.

KEVIN AND ANME

What the-?

Nglera appears, and fires a lightning bolt from the lure on his head. The bolt hits Kevin and Anme, and they fall to the ground.

NGLERA

Perfect I get one of the Rangers and
one of Tsuno's goons at the same time.

Nglera disappears, the hail stops, and the sky goes back to normal. In a flash of red light, Kevin powers down, as Anme reverts to his usual self. Jorge and Jamie get up and go over to Kevin and Anme.

ANME

This isn't over between the two of us,
not by a long shot.

Flamouca appears before Kevin, Jorge, Jamie, and Anme.

FLAMOUC

I just heard from Llyej, Tsuno wants us
to destroy that Fallen. He doesn't care
how we do it, and he doesn't care if we
have to team up with the Rangers either.

JORGE

Whoa, whoa, whoa, who says we'd
actually partner up with you guys?

JAMIE

Yeah, it's not exactly like you've ever
given us a reason to trust you.

KEVIN

But we can't let that monster destroy
the city. (to Anme) So truce?

ANME

For now. But this doesn't settle
anything between the two of us. Not by
a long shot.

FLAMOUCIA

I didn't think you'd actually go for
that.

KEVIN

Like I said, it's not like we can let
that monster destroy the city.

FADE OUT.

FADE IN:

EXT. THE BACK LOT - NIGHT

On the feudal Japanese town set, Sakamoto sits in a director's chair, as Toni (still in costume) stands around with the ninja stuntmen.

SAKAMOTO

Okay, just a few more hours, and we're done for the day.

Sakamoto gets up from his chair and walks over to Toni.

SAKAMOTO

So how you feeling?

TONI

I might need some coffee in me a little later, but I'm good to go.

SAKAMOTO

Don't worry; we're going to take five in about half an hour, so you should be all set.

Nglera walks onto the set, and Sakamoto notices him.

SAKAMOTO

Okay who ordered a guy in a rubber monster suit?

NGLERA

I'm no guy in a suit. Lighting Strike!

Nglera fires a lightning bolt from the lure on his head, and it hits the ground near the ninja stuntmen. One of the stuntmen takes off his mask.

STUNTMAN

Okay that's it! I'm calling my agent to see if I can get another gig or something.

SAKAMOTO

Uh...take five everyone!

Sakamoto and the stuntmen run off of the set. Sakamoto stops for a minute, and sees Toni staring down Nglera, and trying to thrust her arms forward.

SAKAMOTO

Toni what are you doing? That thing will destroy you if you keep hanging around.

TONI

Uh...yeah...you're right.

TONI

(INNER)

Need to get back to the trailer.

Toni runs up to Sakamoto, and once she approaches him, the two of them run off of the set together.

NGLERA

Perfect. I'll destroy this part of the city, and there's nothing anyone can do about it.

The sound of engines is heard as Kevin, Jorge, and Jamie (all morphed) come riding up to the area on their respective vehicles, with Anme (in armor) riding on the back of Kevin's Cycle, and Flamouca (also in armor) riding on Jorge's Cycle. Kevin, Jorge, and Jamie park their vehicles, and Kevin, Jorge, Jamie, Anme, and Flamouca get off, and confront Nglera.

ANME

That was so humiliating.

KEVIN

What other choice did you have?

FLAMOUC A

Can we just do this?

Toni (morphed) runs up to Kevin, Jorge, Jamie, Anme, and Flamouca. Toni points to Anme, and Flamouca.

TONI

What are they doing here?

JORGE

I'll explain later. Where were you today?

TONI

I'll explain later.

NGLERA

So all four Rangers are now here, and Anme and Flamouca as well, let's make this interesting.

Nglera takes out a staff with a bladed end, and raises it up. A beam comes out of the staff, traveling up to the sky, causing snow to fall.

JAMIE

Never thought I'd actually see it snow
in southern California.

NGLERA

Well that's the power of the Weather
Anglerfish.

Nglera charges at everyone, and tries to slash at Kevin, but Kevin blocks the attack, and gives Nglera a hard punch. Nglera falls back a little, and Jorge, Toni, Jamie, and Flamouca charge at him. Jorge swipes his hands at Nglera, followed by Toni, then Jamie, and finally Flamouca. Kevin and Anme jump up and extend their right feet, to land flying kicks on Nglera. Nglera takes the hits, and falls back, as Kevin and Anme land.

KEVIN

Feral Tiger!

ANME

Dark Lion!

KEVIN AND ANME

Pounce Strike!

Red energy gathers over Kevin's body, and yellow energy gathers over Anme's body, as the two of them launch their respective Primal Beasts at Nglera. Feral Tiger and Dark Lion charge at Nglera, and pounce on him. Nglera takes the hits and falls to the ground. Feral Tiger and Dark Lion disappear. Kevin and Anme look at each other for a brief moment, before turning their backs to each other in indignation. Kevin, Jorge, Toni, Jamie, Anme, and Flamouca regroup, just as Nglera slowly gets back to his feet.

NGLERA

This isn't over!

Nglera performs a few hand movements, and grows to gigantic size.

JORGE

Well looks like it's time for the
Megazord.

KEVIN

(to Anme) We'll take it from here,
thank you very much.

ANME

Flamouca and I are going with you.

JAMIE

Wait, what?

FLAMOUC A

We'll combine our Primal Beasts with the Feral Cats.

TONI

You can do that?

ANME

Yes, now let's go!

Kevin, Jorge, and Toni press the buttons on the hand parts of their morphers.

KEVIN, JORGE, AND TONI

Feral Cats, unleash!

Kevin, Jorge, and Toni raise their right arms, and unleash the Feral Cats. The Feral Cats then quickly combine.

ANME

Dark Lion...

FLAMOUC A

Shade Chameleon...

ANME AND FLAMOUC A

Unleash!

Yellow energy goes over Anme's body, and green energy goes over Flamouca's, as the two of them unleash the Dark Lion, and Shade Chameleon. The Dark Lion separates into four sections, with the two leg sections attaching to the Feral Megazord's shoulders, and the head section attaching to the Feral Megazord's chest. The Feral Megazord then grabs the tail section of Dark Lion, becoming the Tail Sword. The Shade Chameleon attaches to the Feral Megazord's left arm. Inside of the Feral Megazord Kevin, Jorge, and Toni stand behind their podiums. Columns of yellow and green light appear behind the three of them becoming Anme, and Flamouca standing behind podiums of their own.

KEVIN, JORGE, TONI, ANME, AND
FLAMOUC A

Feral Megazord Dark Shade Armor!

Outside the Feral Megazord faces Nglera. Nglera and the Feral Megazord charge at each other, and Nglera tries to strike, but the Feral Megazord quickly slashes him with the Tail Sword. The Feral Megazord gives Nglera another slash, before pushing Nglera with the guard of the Sword.

NGLERA

You're not getting off so easily!

Nglera flashes a bright light from the lure on his head, blinding the Feral Megazord. Nglera then jumps up, and energy gathers over his body. He then strikes the Feral Megazord several times with his staff, and the Feral Megazord takes every hit, until it falls down. Nglera places the bladed end of his staff against the Feral Megazord's neck.

NLGERA

Did Tsuno really think that teaming up with the Rangers was going to be a good idea?

Nglera takes out a fan, and hits the Feral Megazord on the head with it.

NGLERA

Well he was a bad bear, and you've all been a bunch of bad cats, with a lizard. And soon this city will be destroyed, at which point I'll take out Tsuno.

KEVIN

We may be down, but we're not out.

The Feral Megazord gets back to its feet, and starts to slash Nglera with its Sword. Nglera falls back, and tries to run away, but the Feral Megazord slashes his back with the Sword.

FLAMOUCIA

Tongue Rope!

The Feral Megazord aims its left arm, and fires a rope from the Shade Chameleon's mouth. The rope wraps around Nglera, and the Feral Megazord lifts him up, and slashes at him several times. The Feral Megazord lets go of Nglera, and he goes flying.

KEVIN, JORGE, TONI, ANME, AND
FLAMOUCIA

Tail Sword!

The Feral Megazord jumps up.

KEVIN, JORGE, TONI, ANME, AND
FLAMOUC A

Sword Strike!

The Feral Megazord's upper body spins around to create several high powered slashes. Nglera takes the slashes, and explodes. The Feral Megazord then lands.

EXT. THE BACK LOT - NIGHT

Moments later, Kevin, Jorge, and Toni (all powered down) meet up with Jamie (also powered down). Anme and Flamouca (both out of armor) follow Kevin, Jorge, and Toni, who is still in costume.

TONI

Okay so what was all of that?

FLAMOUC A

Llyej summoned that Fallen, but as it turns out he wanted to dispose of Tsuno. So Tsuno ordered that Anme and I destroy him, teaming up with the four of you if necessary.

JORGE

Now where have you been?

TONI

Hello? Haven't you noticed the way I'm dressed?

Jorge notices Toni's costume.

JORGE

What's with that get up?

TONI

I was filming the pilot to a TV show today.

KEVIN

(to Anme) Now about the Rhino Razor...

ANME

You're not getting it.

KEVIN

What? Why?

ANME

Our battle was interrupted, and I'm not about to call you out to finish what we started. Or least I'm not going to do it today. So see you in Sahnkuhshuu if you can make it in time.

JAMIE

Sahnkuhshuu?

Anme and Flamouca walk away from Kevin, Jorge, Toni, and Jamie, until the four of them are out of their sight.

FLAMOUC A

There's something that I've been meaning to talk to you about.

ANME

What?

FLAMOUC A

After Ka-rah Khal's death, I've started to remember a few things.

ANME

What things?

FLAMOUC A

Who I was before we became this. And despite all that I know somewhere deep down inside of you is the man I love, Ben.

Anme pauses for a moment.

ANME

Truth be told, Ka-rah Khal's mind control never really took a complete hold over me. I've always known who I was.

FLAMOUC A

And that thing about you hating women?

ANME

That was me getting seduced by the soul or whatever Ka-rah Khal put inside of me to become Anme. Look we have the Rhino Razor, Morgan. Let's go to Sahnkuhshuu and activate the Sword Rhino ourselves.

FADE OUT.

FADE IN:

INT. THE MARTIAL ARTS STUDIO - NIGHT

Master Chong paces around the studio, as Kevin, Jorge, Toni (dressed normally), and Jamie walk in. A nervous look goes over Kevin's face.

MASTER CHONG

So Kevin, where's the Rhino Razor?

Kevin hangs his head in shame.

KEVIN

I lost it to Anme.

MASTER CHONG

You fought him, after I said that you probably shouldn't?

KEVIN

I'm sorry. Jorge and Jamie convinced me that I could take him. But I lost. And when I fought him in a rematch, we were interrupted by that monster. I screwed up.

MASTER CHONG

Well for one thing, I appreciate the honesty. Now Toni where have you been all day?

TONI

Filming a TV show.

MASTER CHONG

I guess some congratulations are in order, but-

TONI

This isn't going to be a repeat of the London thing.

MASTER CHONG

Good. Now Jorge, Jamie, do either of you have anything to say.

JORGE

Look I honestly thought Kevin could take him.

JAMIE

Me too. And we even gave him some training for the rematch.

MASTER CHONG

I don't care what you tried to do; you still lost the Rhino Razor. Now please leave.

Kevin, Jorge, Toni, and Jamie leave the studio. MICHELLE walks in.

MICHELLE

I've got good news.

MASTER CHONG

I've got some bad news.

MICHELLE

You go first. What's your bad news?

MASTER CHONG

Kevin lost the Rhino Razor to Anne.

MICHELLE

That's great.

MASTER CHONG

How?

MICHELLE

Even if Anne does find the Sword Rhino, he can't activate it without having someone who uses that Primal Beast. And as it turns out, we may have someone on our side that can activate the Sword Rhino.

MASTER CHONG

You don't mean...

MICHELLE

That student of Ken's checked out. He has Primal Instincts, and his Beast is the Sword Rhino. Now if you don't mind, I've got some work to do.

Michelle heads toward the back of the studio.
