FADE IN:

INT. A RECORD SHOP - DAY

The shop is mostly empty, save for a clerk who is working behind the front counter of the store. Aisles of CDs mostly fill the store, with the exception of a bin containing actual vinyl records. KEVIN enters the store and begins to wander the aisles.

KEVIN

(TO HIMSELF)

I can't believe Master Chong gave us
some time off like that. Even with my
screw up a couple days ago.

Kevin continues to wander around the store looking through the aisles of CDs.

CLERK

Need any help?

KEVIN

I'm just browsing, thanks.

CLERK

If you need me for anything, just give
me a shout.

KEVIN

Okay.

Kevin continues to wander around the store, until coming up to an aisle along one of the store's walls. He starts to thumb through the CDs, all the while looking at a poorly Xeroxed flyer on yellow paper with the name "DJ RHIN-O" on it. Kevin turns his attention purely on the CDs that he is thumbing through, until ultimately coming on one that he is looking for. Kevin picks the CD up, walks over to the counter, and sets it down. The clerk takes a quick look at the CD Kevin is buying.

CLERK

I don't want to get all Jack Black on
you right now, but *really*?

KEVIN

What? What's wrong with this?

CLERK

I guess I probably shouldn't complain since you are after all about to give me some money.

The clerk punches a few buttons on the register, and it opens.

CLERK

Eighteen bucks.

Kevin takes out his wallet, opens it, and pulls out a \$20 bill. Kevin then hands the bill to the clerk, and the clerk hands Kevin two \$1 bills. The clerk then puts Kevin's CD in a bag, and hands the bag to Kevin. As Kevin takes the bag, O walks into the store, and Kevin sniffs the air a little. The clerk takes a look at O, reaches underneath the counter, and pulls out four vinyl records. O walks up to the counter.

CLERK

Fifty.

O

I'm a little short, could you...?

CLERK

Hey that's what you said two weeks ago O.

O

I've got a gig coming up, and it should pay off. I can pay you then.

CLERK

Like I haven't heard that song and dance before.

O

It's supposed to be for a pretty big club and not a bar mitzvah as usual.

CLERK

Fine, fine, you've twisted my arm enough.

The clerk hands O the records. Kevin stares at O for a while, and O notices.

O

(to Kevin) What are you staring at?

Kevin shakes his head a little.

KEVIN

I guess I'm just a little surprised
that people still buy records.

O

Well I can't spin without vinyl, and
besides these sound better.

KEVIN

What do you mean by spin?

O

Looks like I'm going to have to school
you a little.

EXT. THE STREETS OF LAS BESTIAS - DAY

Kevin and O walk down on the sidewalk. Kevin is carrying his bag from the record store, as O carries his records. A few blocks ahead, a sky crane is lifting several girders.

O

You know Kevin, you and those friends
you mentioned should come check me out.
Actually from what you told me, Toni
sounds like my kind of girl. She's not
seeing anyone, is she?

KEVIN

I think she's got something going with
Jamie, but I don't know.

O

Jamie's the boxer, right?

KEVIN

Yeah.

O

Okay, I won't do anything.

Kevin and O continue on their path, approaching the block with the sky crane. The sky crane rotates to bring the girders towards another building. However the girders become loose and start to fall toward the ground over top of Kevin and O. Kevin and O look up at what appears to be their certain doom, but O hands Kevin the records, and an orange colored energy goes over his right arm, creating a blade. O waves his right arm toward the girders, which cuts them in half, causing the halves to fall beside Kevin and O, leaving the two of them unscathed.

O

(uncertain) I...uh...

KEVIN

Do you...?

O quickly takes his records from Kevin.

O

I'm sorry, but I've...got to go to a
karate class. I've got your cell
number, so I'll call you sometime.

O runs off in a hurry. Kevin stands dumbfounded.

KEVIN

That had to be Primal Instincts. Better
talk to Master Chong about this.

Kevin runs off, as a few construction workers go over to
the area.

FADE OUT. OPENING CREDITS.

FADE IN:

EXT. ANOTHER PART OF THE CITY - DAY

O walks up to a building marked "CHIBA KARATE DOJO", and enters the building.

INT. THE CHIBA KARATE DOJO - DAY

O walks into the main part of the dojo, only to find that there is no one else in here. SENSEI CHIBA walks out from the back part.

O
Isn't there a class today sensei?

SENSEI CHIBA
About that Oliver, I canceled class for today, because there's someone I want you to meet.

O
Who?

SENSEI CHIBA
A friend of mine. Bruce?

MASTER CHONG, carrying a small box, walks out from the back part of the dojo and up to O.

SENSEI CHIBA
Oliver Smythe, meet Bruce Chong, master of the Chong Martial Arts Studio in Chinatown.

O
(unsure) Hi.

MASTER CHONG
Good to meet you Oliver.

O
Call me O.

MASTER CHONG
Just O?

O
Just O. What's this about?

SENSEI CHIBA
You know that strange power you've been telling me about?

O
Yeah? What about it?

MASTER CHONG
It appears as if your Primal Instincts
have awakened.

O
(unsure) Primal Instincts?

MASTER CHONG
They're base instincts that lie within
everyone, and connect us to special
animal spirits. Like you with the Sword
Rhino.

O
Sword Rhino?

MASTER CHONG
Sensei Chiba has told me about that
energy blade ability of yours. How long
have you had it?

O
For only a few months, why?

MASTER CHONG
Just wondering. When did you first
notice it?

O
I don't really remember. All I know is
that it had something to do with a
rhino. What are you trying to get at
here?

MASTER CHONG
There are people out there who would
try to use you for your abilities with
Primal Instincts.

O
And you're not one of them?

MASTER CHONG
I'm not.

O
How can I be sure?

Master Chong opens the box he is hold, revealing a
Primitive Morpher pair.

MASTER CHONG

I'm the one who the Power Rangers are studying under to control their Primal Instincts. And I've come today to give you this Primitive Morpher.

O

You want me to be a Power Ranger?

MASTER CHONG

As we speak two of the Rangers' enemies are headed to a Chinese village to revive the statue of the Sword Rhino to use its power for evil. The only person who can potentially activate is you Oliv-

O

I told you to call me O.

MASTER CHONG

Either way O, you, with your Sword Rhino powers, are the only one who can activate the Sword Rhino. So what do you say?

O

I don't-

STEPHEN walks into the dojo carrying a large case. He walks up to where Master Chong and Sensei Chiba are standing.

MASTER CHONG

You're late.

STEPHEN

Well it's not my fault that no one at the Douglas Enterprises reception desk knew what I was talking about. Though my father was probably trying to withhold what I'm carrying right now from me.

MASTER CHONG

So you've got it?

O

Got what?

Stephen opens the case, revealing a sizable hand-like weapon.

MASTER CHONG

Normally my sister handles designing and building the Rangers' weaponry, but she was too busy trying to find you to do anything. So if you decide to join me, this will be the weapon you'll be using, the Rhino Chopper.

O

And Sensei, are you sure that this guy's all right?

SENSEI CHIBA

I've known Bruce for many years. And I can honestly tell you that what he's telling you right now is the truth. So if you're not sure about him, at the very least trust me.

O grabs the Primitive Morpher from Master Chong's case, and puts it on.

MASTER CHONG

So you're in?

O

I'm in.

O grabs the Rhino Chopper from out of Stephen's case with his right hand. The Rhino Chopper turns into orange energy, and gets absorbed into the right hand part of O's morpher. Both parts of O's morpher turn into leather bracelets, with a version of the claw symbol with a horn through it embedded into the leather. O starts to sniff the air.

O

What's that smell?

MASTER CHONG

There has to be a monster around here somewhere.

FADE OUT.

FADE IN:

EXT. A PARK - DAY

Kevin, JORGE, TONI, and JAMIE stroll down a walkway that runs through the park near a river.

JORGE

So this guy just used some energy to slice through those girders?

KEVIN

I think he has his Primal Instincts awakened.

TONI

What else could it be?

Jamie stops for a moment, as a large platoon of Khatta Warriors and the ROCODILEC monster appear.

JAMIE

Uh...guys...

Jamie points in Rocodilec's direction.

KEVIN

Let's do it.

Kevin, Jorge, Toni, and Jamie's bracelets become their morphers, and they all do their respective morph hand movements.

KEVIN, JORGE, TONI, AND JAMIE

Unleash the beast!

Kevin, Jorge, Toni, and Jamie all morph.

ROCODILEC

Khatta Warriors, get them!

The Khatta Warriors charge at Kevin, Jorge, Toni, and Jamie, and they punch and kick their way through the Khatta Warriors, making quick work out of them.

ROCODILEC

Looks like I need to do this myself.
Primal Beast...Brash Crocodile! Spin
Strike!

Rocodilec runs forward, jumps up, and spins in mid air. He then goes toward Kevin, Jorge, Toni, and Jamie in mid air, striking all of them. Kevin, Jorge, Toni, and Jamie all fall back. Rocodilec lands before them. Jamie charges at Rocodilec, and tries to elbow him, but Jamie's attack is useless.

JAMIE

Okay so much for that, this guy's got a tough hide.

TONI

And that attack was really aggressive.

KEVIN

We need Claw Form.

Claw Beast energy goes over Kevin, Jorge, and Toni's bodies, and their Claw Grips appear in their right hands.

KEVIN, JORGE, AND TONI

Unleash the Claw Beast!

In a quick flash of Claw Beast energy, Kevin, Jorge, and Toni morph into Claw Form. Kevin, Jorge, and Toni charge at Rocodilec, and try to strike him with their Grips, but the attack is useless.

ROCODILEC

Your pathetic weapons will never penetrate my hide! And even if you do manage to defeat me, you'll be too late to stop Tsuno, Gwin, and Llyej from getting to Sahnkuhshuu.

JORGE

Just what is Sahnkuhshuu?

ROCODILEC

That's not for you to know. Now time to defeat you. Primal Beast...Brash Crocodile! Spin Strike!

Rocodilec jumps up, and spins, in mid air again, striking Kevin, Jorge, Toni, and Jamie. They all take the hits, and fall to the ground. Rocodilec lands, and looks down on Kevin, Jorge, Toni, and Jamie.

ROCODILEC

Pathetic.

O runs up to the scene, just as Kevin, Jorge, Toni, and Jamie get back to their feet. They all notice O.

KEVIN

What's he doing here?

JAMIE

You know that guy?

KEVIN

That's the guy I was telling you about.

Rocodilec turns to O.

ROCODILEC

And what do you think you're doing?

O

This!

O's bracelets become his morpher. He extends his arms forward with his index fingers and thumbs sticking out. O then brings his hands together with his left hand pressing the middle button on the right hand part of his morpher.

O

Unleash...

O raised his right arm up, with his hand open.

O

...the beast!

The Rhino Chopper with the blade extended forms onto O's right hand, and he brings the blade down to form a white and orange colored energy slash. The slash goes over O's body forming the Ranger suit. A black belt forms around O's waist, and the Primal claw symbol with a horn through it appears on left side of O's chest. An energy version of the Sword Rhino appears over O's head, forming the helmet. O is now morphed.

JORGE

When'd that happen?

ROCODILEC

(to O) And just who do you think you are?

O

Power of the rhino, Edge Ranger!

TONI

Edge Ranger?

ROCODILEC

Well I don't care who you think you
are, you're finished! Khatta Warriors!

A platoon of Khatta Warriors appears behind Rocardilec, and charge at O. O flips the blade on the Rhino Chopper, converting the weapon to Hand Mode, and charges at the Khatta Warriors. He strikes a few of the Khatta Warriors with the Rhino Chopper, and they fall to the ground, but the Khatta Warriors circle around him.

O

Time to see what this thing can do.
Primal Beast...Sword Rhino! Finger
Strike!

O squeezes the trigger on the Rhino Chopper, and several small, drill-like missiles come out of the tips of Hand Mode. O then waves the Rhino Chopper around, and the missiles launch, striking each of the Khatta Warriors surrounding him. The Khatta Warriors fall to the ground, and explode. O charges at Rocardilec, and tries to strike him with the Rhino Chopper, but O's attack is useless.

ROCODILEC

Not even the newbie can penetrate my
hide.

O

Let's see about that. Mega Finger
Strike!

O fires a large drill-like missile at Rocardilec, and the missile hits Rocardilec. Rocardilec falls back a little, toward a large rock.

ROCODILEC

Impossible!

Rocardilec sees the rock, picks it up, and throws it at O.

O

Rhino Chopper, Blade Mode!

The blade on the Rhino Chopper flips forward, and O uses the Rhino Chopper to cut the rock into small pebbles. Rocardilec looks over at the river.

ROCODILEC

Looks like it's time for plan B.

Rocardilec jumps up, and into the water, keeping himself beneath the surface. O quickly jumps into the side of the river.

O

You're not getting away that easy.

O uses the Rhino Chopper to part the water, exposing RocoDilec. Energy goes over O's body, and into the Rhino Chopper.

O

Primal Beast...Sword Rhino! Blade Strike!

O unleashes a high powered slash from the Rhino Chopper. RocoDilec takes the hit, and explosions start to go over his body. The split water comes back into its normal place, and RocoDilec explodes. O gets out of the water, and goes over to Kevin, Jorge, Toni, and Jamie.

O

So how'd I do for my first time?

KEVIN, JORGE, TONI, JAMIE, AND O
Power down!

Kevin, Jorge, Toni, Jamie, and O power down. A surprised expression goes over O's face after seeing Kevin power down.

O

Wait, you're the Red Ranger Kevin?

TONI

Okay so what exactly is going on here?

KEVIN

I think we better talk to Master Chong about this.

FADE OUT.

FADE IN:

INT. THE MARTIAL ARTS STUDIO - DAY

Kevin, Jorge, Toni, Jamie, and O stand before Master Chong.

MASTER CHONG

Before we begin with any of the questions you may have, I have to know O, why "Edge Ranger" and not something like "Sword Ranger"?

O

Edge Ranger sounds cooler. But why would I call myself the "Sword Ranger"?

MASTER CHONG

Because Jamie is the Twilight Ranger and his Primal Beast is the Twilight Wolf. I guess I thought you might go with something similar for the Sword Rhino.

TONI

Okay so what exactly is going on here?

MASTER CHONG

Ever since the Rhino Razor was discovered, and Jorge won it in that poker tournament, Michelle and I have been looking for someone with the power of a Primal Beast known as the Sword Rhino.

MICHELLE walks into the room.

MICHELLE

A friend of ours, a karate sensei named Ken Chiba, told us about a student of his who had the ability to create blades of energy along his arms.

MASTER CHONG

And bladed abilities like that is a trait of the Sword Rhino.

O

So from there you just had to find me, right?

MICHELLE

Pretty much. I'm just glad that a normal Primitive Morpher was able to work with you, which saves me from having to build a new one. Right Jamie?

JAMIE

(sarcastically) Right.

MASTER CHONG

So does anyone have any other questions about all of this?

JORGE

I'm good, but the monster we faced said something about Tsuno, Gwin, and Llyej going to someplace called Sahnkuhshuu.

JAMIE

And Anme mentioned that the other day too.

Concerned looks go over Master Chong and Michelle's faces.

MASTER CHONG

Sahnkuhshuu is the Chinese village, where the three trees meet.

MICHELLE

Centuries ago, Sahnkuhshuu is where the animal-based kung fu that can control Primal Instincts was first developed. It's also where the statue of the Sword Rhino lies.

O

There's a statue of the Sword Rhino?

MASTER CHONG

It was carved by the master who started the Primal Instinct kung fu movement, and it's said that the Rhino Razor was the device that he used to carve it.

MICHELLE

But before the master could get a chance to activate the Sword Rhino, he died. Luckily the residents of Sahnkuhshuu were able to drive away a race of demons, which were more ancient than the Three that were plaguing their village.

KEVIN

What do these demons have to do with the Sword Rhino?

MASTER CHONG

The master had carved the Sword Rhino as a means to defend Sahnkuhshuu from these demons. But if Anme and the Three are headed to Sahnkuhshuu then you need to go there to stop them, and reclaim the Rhino Razor.

TONI

But how are we going to get to China? There's no telling when the next flight to Beijing is going to leave LBX.

MASTER CHONG

Use the Tri Claw Megazord with the Nocturnal Bat. It may take a lot out of you guys, but you should be able to get there faster than by taking a commercial flight.

JORGE

So we need to fly to China, to find this ancient statue. Great, where are Mark, Rossi, and their friends when you need them?

FADE OUT.

FADE IN:

EXT. A CHINESE FOREST - DAY

ANME and FLAMOUC A walk through the forest. In his right hand Anme firmly grasps the Rhino Razor. A stern look is on Anme's face. Flamouca looks over at him, and notices his expression.

FLAMOUC A
So how much farther?

ANME
From what I read on a scroll back at the fortress, it's not too much farther.

EXT. THE SKIES ABOVE THE FOREST - DAY

The Tri Claw Megazord Nocturnal Wing flies through the sky. Inside of the Tri Claw Megazord Kevin, Jorge, and Toni (all morphed in Claw Form) stand behind their usual podiums, as Jamie (morphed) stands behind Jorge, and O (morphed without the Rhino Chopper) stands behind Toni.

KEVIN
If what Master Chong said was right, Sahnkuhshuu should be just up ahead.

JORGE
And hopefully we don't have too much of a problem with Anme, Flamouca, and the Three.

O
Just to double check, Anme's the lion guy, right? And Flamouca's the chameleon?

JAMIE
Yes.

TONI
And the Three are a bear, hawk, and jellyfish.

O
Will I know them when I see them?

KEVIN
You will.

Outside the Tri Claw Megazord continues on its path, but stumbles a little when a ball of Rage energy flies past them. The Rage energy flies toward where Anme and Flamouca are, and touches the ground revealing TSUNO, GWIN, and LLYEJ.

TSUNO

How dare you betray me like this Anme?

GWIN

And how did you get that sword?

ANME

The Red Ranger was foolish enough to use it for a wager recently. After all Tsuno, you're the one you told me that I needed to do something. And what better way to do "something" than retrieve the Sword Rhino?

LLYEJ

But you did it without asking any of us. And Flamouca, I expected better out of you than to do something like this.

FLAMOUC A

What can I say, ever since Ka-rah Khal's control over me was lost, I've started to remember who I was. And if the man that I love wants to do this, I'm going to back him up.

TSUNO

Pathetic human sentiment. Gwin, Llyej, stand back. It's time to teach these impudent students of ours a lesson.

Rage energy starts to go over Tsuno's body, but it vanishes as soon as Jamie and O land on the ground before him. Anme, Flamouca, Tsuno, Gwin, and Llyej all take a look at O.

ANME, FLAMOUC A, TSUNO, GWIN, AND
LLYEJ

A new Ranger?!

Anme notices the rhino design of O's helmet, and a sinister smile goes over his face.

ANME

You, Whi-

O

Edge Ranger.

ANME

Whatever, it's all the same. Why don't you help me activate the Sword Rhino, and we can be rid of the Three?

O

I've been warned about you Anme, and it's not going to happen.

ANME

Fine.

TSUNO

Gwin, Llyej, step back, I'll take care of our four pests personally.

Rage energy goes over Tsuno's body, and he grows to gigantic size. Tsuno then stomps on the ground with his right foot to attack Jamie, O, Anme, and Flamouca, but they all get out of the way. Tsuno thrusts his left hand claws down to strike Jamie, O, Anme and Flamouca, but once again they all dodge the attack, and Tsuno nearly hits Gwin and Llyej.

LLYEJ

You almost hit us!

The Tri Claw Megazord swoops in and performs a Flying Strike attack. Tsuno takes the hits, and falls back several yards. The Tri Claw Megazord lands, and faces Tsuno.

KEVIN

We can't let you get to the Sword Rhino.

The Tri Claw Megazord charges at Tsuno.

TSUNO

We'll see about that. Claw Strike!

Tsuno unleashes a Claw Strike attack on the Tri Claw Megazord. The Tri Claw Megazord takes the hits, and falls back several yards.

TSUNO

Just why is it that the Fallen have so much trouble with you?

Inside of the Tri Claw Megazord Kevin turns his head to Jorge.

KEVIN

Get rid of the Nocturnal Bat.

JORGE

Why?

KEVIN

I want to use the Hydro Shark against his claws.

Outside the Nocturnal Bat separates from the Tri Claw Megazord, and aqua colored energy goes over the Tri Claw Megazord's right fist.

KEVIN

Hydro Shark, unleash...

The aqua colored energy goes over the Tri Claw Megazord's body, unleashing the Hydro Shark.

KEVIN, JORGE, AND TONI

And combine!

The Hydro Shark combines with the Tri Claw Megazord.

KEVIN, JORGE, AND TONI

Tri Claw Megazord, Hydro Fin! Saber Strike!

The Tri Claw Megazord performs the Saber Strike attack, but Tsuno blocks it.

TSUNO

Take this!

Tshno fires a massive blast of Rage energy at the Tri Claw Megazord, and it takes the full force of the blast, causing the combination to disappear. Kevin, Jorge, and Toni fall to the ground powered down. Jamie and O rush over to them.

JAMIE

You guys okay?

KEVIN

We'll be fine.

Kevin, Jorge, and Toni get back to their feet, and Tsuno shrinks back down to human size.

TSUNO

Time to finish you pathetic Rangers off once and for all! But first we'll deal with our treacherous students.

Tsuno, Gwin, and Llyej look around, but Anme and Flamouca are nowhere to be found.

LLYEJ

Where'd they go?

GWIN

They must've run away after Tsuno nearly hit us with his claws.

TSUNO

We can't let them get to the Sword Rhino.

JAMIE

And we can't let you get there either.

TSUNO

So we're at an impasse. No matter we'll take care of you first, before we get to the Sword Rhino.

In flashes of their respective colors, Keivn, Jorge, and Toni quickly morph.

KEVIN

O, you go on ahead to the Sword Rhino. We'll take care of these guys.

O

But-

KEVIN

You're the only one who can activate the Sword Rhino, so just go!

O

Okay.

O runs off, and Kevin, Jorge, Toni, and Jamie start to fight Tsuno, Gwin, and Llyej.

FADE OUT.

FADE IN:

EXT. ANOTHER PART OF THE FOREST - DAY

Anme and Flamouca run through the forest. After a while they both stop for a moment.

FLAMOUC A

I think we've lost them.

ANME

There's something telling me that the Rangers aren't too far behind. We better keep moving.

Anme and Flamouca start to walk and travel further into the forest, until coming up to the ruins of a few buildings. A wooden sign with faded black paint that reads "三棵樹" points in the direction of more ruins. Anme and Flamouca follow the sign, until coming up to three trees that are spiraled around each other, with their tops combined. A stone entrance is embedded into the base of one of the tree trunks.

ANME

We've made it.

Anme holds up the Rhino Razor and it starts to flash a little. Anme and Flamouca walk forward, but are abruptly stopped.

FLAMOUC A

What's going on?

Anme and Flamouca look up to see an energy barrier surrounding the trees.

ANME

That barrier must've been invisible.

The Rhino Razor starts to flash even more. Anme flips out the blade, and slashes at the barrier. The barrier vanishes, and the door in the entrance opens, releasing a surge of orange colored energy. The energy stops, and Anme and Flamouca walk toward the entrance.

INT. THE TREES - DAY

Anme and Flamouca rush up a staircase that runs along the wall of the trees.

ANME

We're almost there.

EXT. THE OUTSKIRTS OF SAHNCUHSUU - DAY

O (now powered down) runs toward the area, and stops when he sees the trees. A look of awe goes over his face.

O

And me without a camera. So this is it.

O walks towards the trees.

INT. THE TREES' TOPS - DAY

The area resembles a miniature forest with a pond in the middle, where the moss-covered stone statue of the Sword Rhino rests. Anne and Flamouca make their way into the area, and walk to the edge of the water. The Rhino Razor starts to flash heavily, and the horn on the statue starts to glow.

ANNE

Looks like it's now or never.

Anne holds up the Rhino Razor.

ANNE

Sword Rhino activate!

The statue's horn glows again, and the eyes flash for a moment. Water comes out of the top of the statue, but otherwise nothing happens.

ANNE

I have the control device for Sword Rhino, but it won't work?

FLAMOUC A

I don't understand.

O makes his way into the area, and orange colored energy starts to go over O's body a little. O heads toward the water, and the energy builds, until it ultimately vanishes when O reaches the edge of the water.

O

That's because you need someone whose Primal Beast is the Sword Rhino to activate it.

Anne and Flamouca turn to look at O.

FLAMOUC A

Who are you?

Anne notices O's white shirt.

ANME

He's the new Ranger.

O

So give me the Rhino Razor.

ANME

Not on your life.

Rage energy goes over Anme's body, and he transforms into his armor. Flamouca then follows suit, as Rage energy goes over her body, and transforms into her armor.

ANME

I'd sooner see this place be destroyed
than have one of the Rangers activate
the Sword Rhino.

Anme charges at O and swipes his right hand at him, but O blocks the attack.

O

Well if that's you want to play it.

O gives Anme a quick kick, and his bracelets become his morpher.

O

Unleash the beast!

In a flash of orange and white light, O morphs. O swipes the Rhino Chopper (hand mode) at Anme, but Anme blocks the attack. Flamouca charges at O with her short swords, and tries to slash at O, but he blocks the attack. The blade on the Rhino Chopper flips forward, and Flamouca slashes at O again, only to have him counter her slashes with the Rhino Chopper.

O

I wouldn't normally even think of
hitting a girl, but I'll make an
exception for you.

O and Flamouca continue to exchange blows, while O also fends off some incoming attacks from Anme. Eventually Llyej makes her way into the area.

LLYEJ

That's enough!

O, Anme, and Flamouca stop, and turn toward Llyej.

LLYEJ

What to do? What to do? What to do? I can't have one of the Rangers activate the Sword Rhino. And since I can't activate it, neither can Anme, or Flamouca, the only thing to do is make sure that NO ONE gets it.

Llyej points her staff toward where O, Anme, and Flamouca are standing and fires a blast of energy. The energy hits the ground, creating an explosion, which knocks O, Anme, and Flamouca to the ground, causing O to power down, and Anme and Flamouca to come out of their armor. Flames from the explosion soon start to fill the area as Llyej disappears.

ANME

I won't accept this.

O

Are you crazy? We're in a giant tree. Those flames are going to burn this place to the ground.

EXT. THE OUTSKIRTS OF SAHNKUHSUU - DAY

Kevin, Jorge, Toni, and Jamie (all now powered down) make their way to the area, only to see that the three tress are now set ablaze.

KEVIN

So O didn't make it.

Llyej appears before Kevin, Jorge, Toni, and Jamie.

LLYEJ

Of course he didn't make it, neither did Anme and Flamouca.

JORGE

What did you do?

LLYEJ

I just made it so that if the Three can't have the Sword Rhino, then no one will. And I suppose that while we're all here, I might as well finish you all off, but I shouldn't rob Tsuno and Gwin of all the fun.

Llyej disappears. O (now powered down) slowly makes his way to Kevin, Jorge, Toni, and Jamie.

JAMIE

You okay?

O

I'm fine, but I didn't stop them.

TONI

At least you're okay.

O

Some first day on the job, huh? I fail to activate the Sword Rhino, and I let an ancient building burn.

KEVIN

Don't worry about it. We'll think of something.

Kevin, Jorge, Toni, Jamie, and O watch as the three trees continue to burn.
