EXT. THE OUTSKIRTS OF SAHNCUHSUU - DAY

KEVIN, JORGE, TONI, JAMIE, and O stand watching the three trees burn.

O

So what are we going to do?

JORGE

There really isn't anything that we can do.

JAMIE

Yeah, if the trees are burning then there's a chance that the Sword Rhino was destroyed.

The trees continue to burn, so much so that the entire structure collapses.

TONI

Looks like that's it, we failed.

O

This can't be it, can it?

KEVIN

What do you mean?

O

The statue stood for centuries, and all it took was a little bit of fire to destroy it?

JORGE

You did say that the statue was in the top of the trees, and everything just collapsed. So the Sword Rhino's probably nothing but rubble now.

O

I don't know what it is, but there's something telling me that it's still in one piece.

TONI

But there's no way a statue could've survived a fall like that. We should probably just reform the Tri Claw Megazord and get back to America.

O starts to run off.

JAMIE

Where are you going?

O

To see if I'm right. Go home if you want, but I'm not leaving until I see the Sword Rhino in pieces.

O continues to run until he is no longer in sight.

JORGE

C'mon let's go.

KEVIN

We're not leaving without him.

JORGE

You don't actually think he's right, do you?

KEVIN

I don't know. But we're not leaving a Ranger behind. Besides Master-

JORGE

He's not here right now.

KEVIN

But he'd still tell us to stay until O got back. Besides the Three should still be around here somewhere.

VOICE

At least two of us are closer than you think.

Kevin, Jorge, Toni, and Jamie turn around to find GWIN standing on a nearby ledge.

FADE OUT.

FADE IN:

EXT. AN AREA NEAR THE THREE TREES - DAY

Rubble lies on the ground as ANME and FLAMOUC A make their way out of it.

FLAMOUC A

That was close. What were you thinking, staying in there like that?

ANME

I thought you said that if the man you love wants to do something you'd follow him.

FLAMOUC A

Not if it means practically sacrificing my own life to do it. Llyej almost killed us back there.

ANME

All the more reason to no longer ally ourselves with the Three. Though I'm not sure what'll happen if the Rangers were to defeat the Three.

FLAMOUC A

Well I do know a couple of people who could give us some help. But you probably won't like one of them.

ANME

Why?

FLAMOUC A

It's David Li.

ANME

Who?

FLAMOUC A

Ka-rah Khal.

ANME

What?! Ka-rah Khal is still alive?!

FLAMOUC A

I told you, you weren't going to like that one.

ANME

But how?

FLAMOUC A

From what he told me, the scream energy that he released, when you let him fall, made him lose his form as Ka-rah Khal. However he still had normal Primal Instinct powers, and he's since been working on something new.

ANME

Well whatever it is, he's not getting in my way. Now about this other person you mentioned.

FLAMOUC A

It's my brother Aslec.

ANME

(unsure) Your brother?

FLAMOUC A

From my previous form as Morgan Long who has since gained a Fallen of his own within his body.

ANME

Then maybe we weren't the first ones Ka-rah Khal did this to.

FLAMOUC A

That might be, since Aslec was locked away in a cell within the fortress.

ANME

No matter. We'll let the Rangers take care of the Three, and when they're gone we'll call on your brother for help.

Anne and Flamouca start to walk away from the rubble.

ANME

Incidentally, did you see the Rhino Razor by any chance?

FLAMOUC A

No. Sorry.

FADE OUT. OPENING CREDITS.

FADE IN:

EXT. THE OUTSKIRTS OF SAHNKUHSUU - DAY

Gwin is still standing on the ledge, as Kevin, Jorge, Toni, and Jamie stand on their lower level.

GWIN

Face it Rangers, you're through this time.

JORGE

So where are Tsuno and Llyej right now?

GWIN

Why do you care?

JORGE

I don't actually care. I would've thought that they'd want in on our destruction.

GWIN

Well if you have to know, Tsuno went back to the fortress, while Llyej is thoroughly enjoying her success of destroying the three trees.

TONI

Why'd you come here?

GWIN

I'm here merely to see if the five of you were still around. And it looks like I'm right for the most part. Though I wonder where your new friend has gone off to.

TONI

He's checking out a couple of things right now.

GWIN

Too bad for him. I would've taken great pleasure in defeating the five of you in one fell swoop. Either way just four will do.

Gwin comes down to Kevin, Jorge, Toni, and Jamie's level.

JORGE

Are we actually going to stand around here talking or are we actually going to do something about Gwin?

KEVIN

I was getting to that.

Kevin, Jorge, Toni, and Jamie's bracelets turn into their morphers. Kevin, Jorge, Toni, and Jamie then do their respective hand movements.

KEVIN, JORGE, TONI, AND JAMIE

Unleash the beast!

Kevin, Jorge, Toni, and Jamie all morph. They then charge at Gwin, surround him, and try to land simultaneous punches on him, but Gwin jumps up in the nick of time, and hovers above the four of them for a moment, causing Kevin, Jorge, Toni, and Jamie to punch themselves. Gwin lands, and runs toward Kevin, Jorge, Toni and Jamie, slashing at them with his talons. Kevin, Jorge, Toni, and Jamie take the hits and fall back. Kevin then charges at Gwin, winds back his right fist, and tries to launch it at Gwin, but Gwin blocks the attack. Kevin then tries a series of punches and kicks, all of which Gwin blocks. Jorge runs up behind Kevin, and attempts to do the same thing Kevin did, but all of Jorge's punches and kicks are blocked by Gwin.

GWIN

Did you really think trying the same thing as your comrade would work Blue Ranger?

JORGE

If at first you don't succeed...

GWIN

But trying the same thing over and over again and expecting a different result is insanity.

Kevin, Jorge, Toni, and Jamie regroup.

TONI

So what now?

JAMIE

Let me try something.

KEVIN

Okay.

Jamie flips open his morpher, and presses the center button.

JAMIE

Upper Strike!

Jamie performs an uppercut and launches a blast of purple energy at Gwin. However, Gwin deflects the attack with his right hand, which causes an explosion behind him. Jorge charges toward Gwin with two Bat Cutters in hand. Jorge tries to slash at Gwin, but Gwin dodges the attacks, and strikes Jorge several times with the talons on his hands. Jorge takes the hits, and goes flying back several feet. Kevin and Toni run up to Gwin carrying the Shark Blade, and Primitive Striker Bo Mode, respectively, and try to strike him with their respective weapons. However, like Jorge and Jamie's attempts Gwin dodges the attacks, and strikes Kevin and Toni with the talons on his hands, causing Kevin and Toni to go flying back several feet near where Jorge is now standing.

GWIN

This is really pathetic Rangers. But still since it appears the four of you now have a tendency towards insanity, let me help you along the way.

Gwin fires several blasts from the hawk head on his chest, and they all hit Kevin, Jorge, Toni, and Jamie, causing them to fall to the ground, and power down. Kevin, Jorge, Toni, and Jamie pause for a moment, before slowing getting back to their feet. Gwin notices.

GWIN

Looks like the four of you are gluttons for punishment. No matter, I'm more than willing to give you what you want.

FADE OUT.

FADE IN:

EXT. THE RUINS OF THE THREE TREES - DAY

LLYEJ, holding her staff, stands before the ruins admiring her handiwork.

LLYEJ

Good riddance. With the Three Trees gone the Rangers won't have a chance against us.

O runs up to the area, and sees the ruins first hand.

O

Maybe it really is gone.

Llyej turns around to face O.

LLYEJ

That's right Whi-

O

Edge Ranger.

LLYEJ

Whatever. Regardless the statue of the Sword Rhino is gone and there's nothing you can do about it.

O

Then why am I getting this feeling that it's still in one piece?

LLYEJ

(scoffs) Feelings. Ha! Those won't get you anywhere.

O

Okay, then I sensed it through my Primal Instincts?

LLYEJ

You haven't been at this long enough to make that kind of a claim. But there are ways to make sure that you don't make such claims again.

O

Like what?

LLYEJ

This!

Llyej thrusts her staff at O, but he dodges it. O's bracelets become his morpher, and he performs his morph hand movements.

O

Unleash the beast!

In a flash of white and orange light, O morphs with the Rhino Chopper in hand mode. Llyej thrusts her staff at O again, and he blocks the attack with the Rhino Chopper. O pushes back the staff with the Rhino Chopper, and tries to strike Llyej, but she blocks his attack with her staff. O turns around, and tries to strike Llyej, but she ducks under the Rhino Chopper as he swipes his right arm. O thrusts his right arm at Llyej a couple of times, but Llyej blocks both of the attacks, and presses her staff against the Rhino Chopper.

LLYEJ

Tell me Edge Ranger, how does it feel to fail on your first day as a Ranger? You allowed the Sword Rhino to be destroyed, and soon you'll fall in battle against me.

Llyej starts to sidestep a little, forcing O to keep up with her movements. Llyej pushes O back a little, and strikes him with the top of her staff. O goes flying back.

LLEYJ

Time to meet your doom Edge Ranger!

O falls to the ground, and rolls around a little before propping himself up a little.

LLYEJ

I'll destroy you. Gwin will destroy your friends. And once the five of you are out of the picture this realm will belong to the Three. And we'll be able to last off of the power of the screams our destruction will cause.

O

That ain't happening!

O jumps up, flips in the air, and thrusts his right arm forward. O tries to strike Llyej with the Rhino Chopper but she blocks the attack with her staff. O tries a few more sweeps with the Rhino Chopper, but again, Llyej blocks the attacks.

FADE OUT.

FADE IN:

EXT. THE OUTSKIRTS OF SAHNKUHSUU - DAY

Kevin (morphed again) runs toward Gwin, jumps up and tries to kick him, but Gwin blocks the attack. Toni (also morphed again) also runs toward Gwin, and tries to strike him, but he blocks the attack. Jorge (morphed again) comes from behind Gwin, but Gwin strikes him quickly, and he falls to the ground. Jamie (morphed again) thrusts his left knee at Gwin, but Gwin blocks the attack, and strikes Jamie knocking him back. Toni and Jorge try to get more hits on Gwin, but again he blocks the attempts. Kevin comes at Gwin again, but Gwin not only blocks Kevin's attack, he gives him a hard strike with his talons, which causes Kevin to fall to the ground, and roll toward Jorge, Toni, and Jamie. Toni helps Kevin back to his feet. The Claw Grips appears in Kevin, Jorge, and Toni's hands.

KEVIN, JORGE, AND TONI
Unleash the Claw Beast!

Kevin, Jorge, and Toni press the side buttons on their Grips, and they morph to Claw Form.

KEVIN, JORGE, AND TONI
Feral Striker!

The Feral Striker forms in Kevin, Jorge, and Toni's hands, and they aim it at Gwin. Jamie comes up beside Kevin, and opens his morpher. Kevin fires a shot from the Feral Striker, while Jamie launches energy from his morpher. The energy from Jamie's morpher combines with the Feral Striker blast, and goes over to Gwin, creating an explosion.

KEVIN
Did we do it?

Purple energy rises from the flames of the explosion, and becomes Gwin. Gwin floats in the air.

GWIN
Feeble attempt Rangers. Feeble attempt.
There's nothing that any of you can do
about this.

Gwin fires a few blasts from the hawk head on his chest, and the blasts hit the ground near Kevin, Jorge, Toni, and Jamie, knocking them down. Gwin comes back down to the ground.

GWIN

It doesn't matter what any of you Rangers try to do, it's useless against one of the Three.

KEVIN

We can't give up. Can't give up!

Kevin, Jorge, Toni, and Jamie charge toward Gwin. Upon approaching him they all try to attack him, but he blocks all of their attacks, eventually giving them all hard strikes from his talons.

GWIN

Give it up Rangers. You've failed this time. The Sword Rhino is destroyed, and none of you have the power to take on the Three.

Gwin grabs onto Jamie's neck with his left hand.

JAMIE

There's no way any of us is giving up. Not when the fate of the world is at stake. We don't care who you think you are; you're not taking over.

GWIN

Insolence!

Gwin strikes Jamie hard, and he goes flying back.

KEVIN

Jamie!

Kevin charges at Gwin, and tries to attack, but Gwin makes a preemptive strike, and dodges any further attacks. Kevin tries to kick Gwin, but again Gwin blocks the attack.

GWIN

Your world is going to fall Rangers. Get used to the idea.

Gwin trips Kevin, and he falls to the ground face first. Gwin then stomps on Kevin's back.

GWIN

You Rangers may be at your strongest as a team, but guess what, you're one member short right now. There's no way that you'll defeat me.

Gwin lifts Kevin up with his foot, before giving him a hard kick. The kick causes Kevin to go flying back toward a rock wall. Kevin rolls around a little, and Jorge, Toni, and Jamie come up to him.

JORGE AND JAMIE

Kevin!

Kevin gets back to his feet.

GWIN

It appears as if you're not going to take my word for it when it comes to your destruction. So I guess that leaves me with one choice.

Gwin extends both of his arms in front of himself, and starts to wave them in a circular motion, before putting them to his sides.

GWIN

Feather Illusion!

Gwin fires numerous feathers at Kevin, Jorge, Toni, and Jamie, and they surround them creating a dirt floor in a darkened area with feathers falling from the sky. The sound of Gwin laughing is heard as Kevin, Jorge, Toni, and Jamie take in their new surroundings.

KEVIN

What is this?

Gwin appears behind Kevin, and Kevin tries to attack him a couple times, but the attacks are blocked. Kevin then slashes at Gwin with his Grip, but as Gwin takes the hit he turns into Jorge who falls to the ground. Kevin sees what he has done.

KEVIN

Uh...sorry Jorge. Just what is going on here?

Gwin appears beside Kevin, and grabs onto Kevin's neck. Jorge gets back to his feet.

GWIN

You'll never figure out my illusion no matter what you try.

JAMIE

Wait, if you try getting him you'll probably end up hitting one of us.

Numerous copies of Gwin appear behind Kevin, Jorge, Toni, and Jamie.

THE GWINS

Try to stop me all you want. Any time you try to hit me; you'll only hit one of your own.

The Gwins jump up and fly toward Kevin, Jorge, Toni, and Jamie. attacking them. Kevin, Jorge, Toni, and Jamie take the hits from the Gwins.

KEVIN

We've got to do something.

FADE OUT.

FADE IN:

EXT. THE RUINS OF THE THREE TREES - DAY

O (still morphed) swipes the Rhino Chopper (hand mode) at Llyej, but she dodges the attack. O then gives Llyej a roundhouse kick with his right foot, but she ducks under his leg. O swipes the Rhino Chopper at Llyej again, but she blocks the attack with her staff. Llyej pulls back her staff, and thrusts it toward O, but he back flips away from her. O then squeezes the trigger on the Rhino Chopper.

O
Finger Strike!

Llyej turns into a gelatinous form, as O launches several missiles from the Rhino Chopper. The missiles hit Llyej, and break the form.

O
I did it? I might be better than I thought.

LLYEJ
Don't celebrate too early.

The gelatinous form reconstitutes goes over to O, and Llyej becomes solid again.

O
What the-?

Llyej gives O a few hard slashes from her staff, and he takes the hits and goes flying back several feet, rolling around a little when he hits the ground. O gets back to his feet, as Llyej starts to wrap around him in her gelatinous form, leaving only her head and left arm solid, as he constricts him.

LLYEJ
It doesn't matter what you try to do.
Every attack you try on me won't work.
So just give up now, and accept your defeat.

Llyej moves away from O, the force of which causes several explosions to go over his body, as he falls to the ground. O straightens himself up, and pauses.

O
Got to keep going on, remember what Sensei Chiba always told you...

DISSOLVE TO:

INT. THE CHIBA KARATE DOJO - DAY

O AT 12, dressed in a white karate gi with a matching belt, faces SENSEI CHIBA. The two of them are in a small sparring session. O at 12 charges at Sensei Chiba, and tries to swipe his right hand at him, but Sensei Chiba blocks the attack, and moves away from O at 12.

SENSEI CHIBA

Oliver, you keep forgetting that this isn't just about your own strength. If you keep this up, you may never graduate to yellow belt.

O AT 12

Then what should I do?

SENSEI CHIBA

Just stand still for a moment. Concentrate. Feel out your opponent. And once you've picked up on that feeling, then it's time to strike. Let's try this. Stand at the other end of the mat, and I'll come at you.

O at 12 walks over to the farthest edge of the mat, and stands there. Once O at 12 is in place, Sensei Chiba starts to run at him. As Sensei Chiba is running, O at 12 concentrates, and as Sensei Chiba approaches him, O at 12 gives him a chop with his right hand, knocking Sensei Chiba to the mat. O at 12 sees what he has done.

O AT 12

Sorry.

SENSEI CHIBA

For what, accomplishing what I told you to do? Great work Oliver.

DISSOLVE TO:

EXT. THE RUINS OF THE THREE TREES - DAY

O (still morphed) continues to pause, but looks up just as Llyej strikes him with her staff. O takes the hit, falls to the ground, and rolls around a little. Llyej aims her staff at O, and fires a few blasts at him, just as he gets back to his feet. O takes the hits, explosions go over his body, and he falls to the ground. Llyej laughs. O grabs some of the dirt he is lying on with his left hand, and starts to rise, struggling to get up.

LLYEJ

I've got to admit, you certainly can take a beating. But everything you do is ultimately futile.

O

Concentrate. Feel out your opponent.

LLYEJ

What are you babbling about?

O

Concentrate. Feel out your opponent.
Concentrate. Feel out your opponent.
Concentrate. Feel out your opponent.
Concentrate...

FADE OUT.

FADE IN:

EXT. GWIN'S ILLUSION ZONE - TIME UNKNOWN

Jamie (still morphed) struggles to stand up, just as Toni, Jorge and Kevin (all still morphed in Claw Form) fall to the ground. Gwin walks in front of them, laughing. Gwin thrusts his arms forward and fires several talons at Kevin, Jorge, Toni, and Jamie just as they manage to stand up again. Kevin, Jorge, Toni, and Jamie take the hits, and fall to the ground again.

GWIN

You Rangers will never be able to beat me here.

A duplicate of Gwin steps out from behind the original, as more duplicates appear.

GWIN DUPLICATE 1

No matter what you do you'll never find the real me.

GWIN DUPLICATE 2

So just give it up Rangers.

The Gwins starts to laugh as Jorge starts to get back to his feet, with Jamie doing the same behind him, but turning into a Gwin duplicate. A Gwin duplicate gets to his feet, as Toni struggles to get up. Kevin starts to rise, with Toni getting to her feet behind him, and turning into a Gwin duplicate.

KEVIN

Got...to...concentrate. Need...to...smell...out the real Gwin.

Kevin rises, but only to his knees.

KEVIN

There has to be a way to figure this all out.

Kevin starts to stand up.

KEVIN

Concentrate. Concentrate. Concentrate. Concentrate.

Kevin fully rises, with numerous Gwins appearing behind him.

EXT. THE RUINS OF THE THREE TREES - DAY

O (still morphed) rises to his feet.

O

Concentrate. Feel out your opponent.

EXT. GWIN'S ILLUSION ZONE - TIME UNKNOWN

Kevin (still in Claw Form) stands still.

KEVIN

Concentrate. Concentrate.

As Kevin stands, the duplicate Gwins start to disappear with three of them turning into Jorge (still in Claw Form), Jamie (still morphed), and Toni (also in Claw Form). Kevin continues to stand still concentrating as more and more Gwins disappear, and the real one walks towards him, flashing from visible to invisible.

KEVIN

THERE!

Kevin jumps up, does a back flip, and extends his Grip, slashing at Gwin. Gwin takes the hit, and a bright white light appears.

EXT. THE OUTSKIRTS OF SAHNKUHSUU - DAY

Gwin falls back as feathers fall from the sky.

GWIN

Impossible! There's no way you could've beaten me at my own game!

Gwin turns toward Kevin (Claw Form) who is starting to stand upright. Toni (Claw Form), Jorge (Claw Form), and Jamie (still morphed) stand to Kevin's right.

KEVIN

All I had to do was feel you out, and wait for the right moment to strike.

EXT. THE RUINS OF THE THREE TREES - DA

O (still morphed) stands, as orange energy starts to go over his body and into the Rhino Chopper. The energy causes the blade on the Rhino Chopper to flip forward.

O

Concentrate. Feel out your opponent.
Concentrate. Feel out your opponent.

The energy absorbs into the Rhino Chopper, as O raises the weapon.

O

Time to finish this!

EXT. THE OUTSKIRTS OF SAHNKUHSUU - DAY

Gwin stands before Kevin (Claw Form), Jorge (Claw Form), Toni (Claw Form), and Jamie (still morphed).

GWIN

I can't believe a group of humans was
able to defeat my illusion like that!
You'll pay for this insult Rangers!

Energy goes over Gwin's body, as he grows to gigantic size, holding a staff with two bladed ends. Jorge, Toni, and Jamie come up to Kevin.

JAMIE

Let's do it!

KEVIN, JORGE, AND TONI

Claw Beasts, unleash!

Claw Beast energy goes over Kevin, Jorge, and Toni's bodies and they unleash the Fire Claw Gorilla, the Metal Claw Gazelle, and the Ice Claw Penguin.

JAMIE

Twilight Wolf, unleash!

Purple energy goes over Jamie's body, unleashing the Twilight Wolf.

EXT. THE RUINS OF THE THREE TREES - DAY

O (still morphed) thrusts the Rhino Chopper (blade mode) forward at Llyej. However, Llyej turns gelatinous, and walks forward, going over O and the Rhino Chopper. Once Llyej is standing back to back with O, she turns solid at which point, O flips the blade of the Rhino Chopper down, and thrusts the Rhino Chopper back unleashing orange energy, and striking Llyej. Llyej takes the hit, turns around, and tries to hit O with her staff, but he ducks under it, and fires several missiles from the Rhino Chopper. Llyej takes the hits, and an explosion goes over her body, as she falls to the ground.

O

Time to finish all of this!

O flips the blade of the Rhino Chopper forward, as orange energy goes over his body. O extends the Rhino Chopper forward.

O

Primal Beast...Sword Rhino! Blade Strike!

O launches a high-powered slash on Llyej, and she takes the hit. Llyej goes flying back several feet, and falls to the ground, creating an explosion.

O

This power within me, it's amazing. Now if only the Sword Rhino statue wasn't destroyed.

Some debris on the ground nearby starts to shake, and the Rhino Razor (expanded) goes flying toward O. The Rhino Razor hovers before O.

O

The Rhino Razor? Then maybe...

O grabs the Rhino Razor, and raises it above his head.

O

Sword Rhino, unleash!

O turns around to see the Sword Rhino rise out of the ruins of the Three Trees.

O

I knew it wasn't destroyed.

A white line goes over the Sword Rhino statue, starting from its horn, bringing the Sword Rhino to life. The jewel on the end of the Rhino Razor glows.

O

Let's do it!

O jumps up and onto the Sword Rhino. He then holds the Rhino Razor over the jewel on the Sword Rhino's back.

EXT. THE OUTSKIRTS OF SAHNCUHSUU - DAY

The Tri Claw and Twilight Feral Megazords charge toward Gwin. The Twilight Feral Megazord tries to kick Gwin with its left foot, but he dodges the attack, and tries to slash at the Twilight Feral Megazord with his staff, but it dodges the weapon. The Tri Claw Megazord tries to punch Gwin, but he dodges the attack. The Tri Claw Megazord tries to punch Gwin again, but he blocks the attack with his staff. The Twilight Feral Megazord tries to kick Gwin with its right foot, but the attack does not make contact. Gwin then manages to get in slashes on both Megazords. Gwin places his staff in the ground, and uses it to prop himself onto the shoulders of both Megazords. Once on the Megazords' shoulders, Gwin then starts to slash at both of them with his staff, and stomps on them with his feet. The force of Gwin's attacks cause explosions to go over the bodies of both Megazords, and they fall back.

JAMIE

We're not letting you win! Saw Strike!

The Twilight Feral Megazord launches a Saw Strike attack at Gwin.

KEVIN, JORGE, AND TONI

Flaming Punch Strike!

The Tri Claw Megazord launches a Flaming Punch Strike attack on Gwin, but he blocks the attack, and sends the Tail Saw flying toward both Megazords, causing them to disappear, with Kevin, Jorge, Toni, and Jamie falling to the ground powered down. Kevin, Jorge, Toni, and Jamie get back to their feet, looking exhausted. Gwin looks down on the four of them.

GWIN

I told you you'd never defeat me. And you'll never defeat Llyej and Tsuno either.

Gwin points his staff toward Kevin, Jorge, Toni, and Jamie.

GWIN

And now the final blow!

A noise is heard and Gwin stops. On the ground Kevin, Jorge, Toni, and Jamie look a little dumbfounded.

JORGE

What was that?

KEVIN

Could it be?

Kevin, Jorge, Toni, and Jamie look up to see O (still morphed) riding on the Sword Rhino.

GWIN

The Sword Rhino?

Gwin stick his staff in the ground, and uses it to launch himself at the Sword Rhino. O thrusts the Rhino Razor forward, and its horn extends, and strikes Gwin. Gwin falls to the ground, and the Sword Rhino's horn goes back to its normal length.

O

Stop!

The Sword Rhino stops. O turns toward the other Rangers.

O

Hey guys!

KEVIN, JORGE, TONI, AND JAMIE

O?

On another ledge Anne and Flamouca come up to the area.

ANME

So that's what that noise was.

FLAMOUCU

So the Sword Rhino wasn't destroyed.

O

So how you guys liking the Sword Rhino?

O raises the Rhino Razor up, which causes the Sword Rhino's head to raise and release a shower of white energy. The energy goes over Kevin, Jorge, Toni, and Jamie, as well as Anne and Flamouca, and they all absorb it.

JORGE

What is this?

TONI

I don't know, but I'm not feeling as tired as I was a second ago.

JAMIE

Yeah, I almost feel like I could go another round.

KEVIN

Maybe this is one of the Sword Rhino's powers.

On their level Anne turns toward Flamouca.

ANME

Morgan I don't know about you, but-

FLAMOUC A

Say no more Ben. This energy we're absorbing made me realize the same thing.

ANME

Then let's head back to the fortress, so we can take out Tsuno.

The energy stops, and O extends the Rhino Razor over the jewel on the Sword Rhino's back.

O

Sword Rhino, transform!

The Sword Rhino transforms.

O

Sword Warrior Megazord, ready to strike!

Inside of the Sword Warrior Megazord, O stands holding the Rhino Razor, in a gray room behind a waist high podium with an energy orb on it. O thrusts the Rhino Razor over the orb. Outside, Gwin charges toward the Sword Warrior Megazord and thrusts his staff at it.

O

Big Shield!

The Sword Warrior Megazord blocks the staff with the Big Shield.

O

Horn Sword!

The Sword Warrior Megazord slashes at Gwin a few times with the Horn Sword on its right hand. Gwin takes the hits and falls back a little. Gwin charges at the Sword Warrior Megazord again, but the Sword Warrior Megazord dodges him. Gwin slashes at the Sword Warrior Megazord with his staff, but it blocks the attack with its Shield. Gwin extends his staff forward, and fires numerous shots at the Sword Warrior Megazord with it. However, the Sword Warrior Megazord blocks the attacks with its Shield, and covers its head with its helmet. Gwin lets out a satisfied laugh, as the Sword Warrior Megazord walks through the smoke Gwin's shots caused.

GWIN

What?!

The Sword Warrior Megazord retracts its helmet. The Sword Warrior Megazord then thrusts the Horn Sword into the ground, and unleashes a forward slash that hits Gwin, with some dirt. Inside of the Sword Warrior Megazord, O slashes over the energy orb with the Rhino Razor.

O

Sword Strike!

Outside, the Sword Warrior Megazord extends the Horn Sword and it glows. The Sword Warrior Megazord then launches a horizontal slash, followed by two diagonal slashes. Gwin takes the hits, and falls back a little.

GWIN

You may have defeated me, but Tsuno
definitely won't be so easy. You
Rangers will fail!

Energy surges over Gwin's body, and he explodes. The Sword Warrior Megazord turns away from the explosion.

FADE OUT.

FADE IN:

INT. THE MARTIAL ARTS STUDIO - NIGHT

Kevin, Jorge, Toni, Jamie, and O stand before MASTER CHONG.

MASTER CHONG

Great work O. With your trip to China we now have another Megazord at our disposal, which should hopefully counter what was mentioned about Tsuno.

TONI

But is it really going to be enough? Gwin said that Tsuno and Llyej weren't going to go down as easily as he did.

O

I wouldn't worry about the jellyfish. I took her out before the Sword Rhino came out of the ruins.

MASTER CHONG

Did you see her explode?

O

There was an explosion. But even if she didn't actually explode, then she probably wouldn't be that strong.

MASTER CHONG

Either way, we should be on guard if Llyej wasn't actually destroyed.

JORGE

But at the very least the Three is now the Two, right?

MASTER CHONG

Yes, that we can feel some relief over.

KEVIN

But what about Anme and Flamouca? They're still out there.

MASTER CHONG

I hate to admit it, but since they too absorbed that energy from the Sword Rhino, they might be on the same level as the five of you are at now.

JAMIE

What was that energy?

MASTER CHONG

As you saw when you were there, it has the power to relieve battle fatigue, and I think it may have increased your strength a little.

O

So it gave everyone else a slight "edge" over what they once had?

Kevin, Jorge, Toni, and Jamie all give O a weird look.

JORGE

You just had to say that, didn't you?

O laughs to himself a little.

O

Little bit. Either way, I'm actually spinning at a club tonight. I'm pretty sure I can get you guys in. So what do you say?

TONI

Sure.

JORGE

I've got nothing going on tonight.

JAMIE

I'm in.

KEVIN

Okay.

O

Master Chong?

MASTER CHONG

Sorry O, but my club days ended when I turned thirty. But either way you five should go out and celebrate your victory today.

INT. THE TRIBULATION ARENA - TIME UNKNOWN

TSUNO sits in his chair, as a screen of Rage energy hovers before him. The screen displays O fighting Llyej, before turning into an image of the Sword Warrior Megazord finishing off Gwin. The screen disappears, and Rage energy goes over Tsuno's body as he stands up.

TSUNO

I CAN'T BELIEVE THIS! First the new Ranger defeats Llyej! Then it turns out the Sword Rhino wasn't destroyed! And now the new guy uses the Sword Rhino to defeat Gwin as well?! This wasn't supposed to go this way!

Tsunno launches the Rage energy practically destroying the arena.

TSUNO

The Rangers will pay for all of this!
And I don't care if I have to rip their precious city apart with my bear hands to do it!

More Rage energy goes over Tsuno's body, and he starts to rampage through the arena.
