DARK"

FADE IN:

INT. THE CONDO - NIGHT

KEVIN, wearing a pair of black dress pants, a white dress shirt, and a loosened red tie, lays on the couch in the living room watching TV. A pizza box is sitting on the coffee table as well as a red-colored can of cola. JORGE walks into the condo carrying a garment bag, and another bag with the words "NEW ARMY" printed in black over a red ellipse. Jorge walks into the living room and throws the two bags at Kevin.

KEVIN

What's this for?

JORGE

I'm going out tonight and I need a wingman. So suit up!

Kevin sits up on the couch and opens the garment bag revealing a black blazer. Kevin looks into the other bag and sees a new pair of jeans, a red t-shirt with a distressed graphic, and a black leather belt.

KEVIN

First of all how did you get my size?

JORGE

I may or may not have peeked through some of your stuff. Anything else?

KEVIN

I just got back from work. I'm tired.

JORGE

So? Just go into the fridge, grab one of my energy drinks, and guzzle it down. Or if that's not enough, down two energy drinks, and we'll get some coffee in you on the way to the club.

KEVIN

But-

JORGE

You didn't really think that I was actually going to let you live here, and not have you do the occasional favor like this for me, did you?

KEVIN

(somewhat annoyed) Fine I'll go get changed.

JORGE

Good boy. And you might want to shower first. I know how hard the mailroom people at my dad's company can be worked.

Kevin gets up from the couch carrying the two bags. Kevin heads toward the door to one of the bedrooms on the main floor of the condo. As he is about to grab onto the doorknob, Kevin looks into the store bag and takes out the jeans for a quick minute. Kevin notices that the usual store tags are not on the jeans.

KEVIN

Jorge...

JORGE

What?

KEVIN

What's with these jeans?

JORGE

I had them washed and altered for you.

KEVIN

How-

JORGE

Same way I got your sizes for the rest of the stuff. Now hurry up!

Kevin puts the jeans back into the bag and goes into the room.

FADE OUT.

FADE IN:

INT. THE TRIBULATION ARENA - TIME UNKNOWN

KA-RAH KHAL sits in his chair. ANME and FLAMOUCAL sit in their usual chairs.

ANME

So when are these guys supposed to get here?

KA-RAH KHAL

Patience Anme. They'll be here soon enough.

FLAMOUCAL

Besides, it's not like we're going with the usual Fallen this time around.

KA-RAH KHAL

Exactly. These are not the usual buffoons that we send to the human realm, so it will be longer for them to appear.

Anme rises from his chair quickly, and transforms into his armor.

ANME

It doesn't matter what you say. This is taking too long.

EXT. THE FORTRESS - TIME UNKNOWN

Two streaks; one black, one white, fly toward and into the fortress.

INT. THE TRIBULATION ARENA - TIME UNKNOWN

Anme powers up a little, just as the two streaks fly into the room, and attack him. Anme falls into the main part of the arena and reverts back to his usual form. The streaks then land taking the forms of ROWC, and RANEC. Rowc and Ranec kneel before Ka-rah Khal.

ROWC

We've come, Ka-rah Khal.

RANEC

You should try to have a little more respect for your master, Anme.

Anme gets to his feet and storms off. Rowc and Ranec get to their feet.

FLAMOUC A

Who are they?

ROWC

I'm Rowc, user of the Flight Crow.

RANEC

And I'm Ranec, user of the Flight Crane. Together we're Master Gwin's personal bodyguards.

FLAMOUC A

Gwin?

KA-RAH KHAL

He's one of the Three.

ROWC

So what do you want us to do?

KA-RAH KHAL

Just go to the human realm and wreak havoc. And collect enough screams so that your master can cross through into the rift between realms.

ROWC AND RANEC

Yes Ka-rah Khal.

FADE OUT. OPENING CREDITS.

FADE IN:

INT. A NIGHT CLUB - NIGHT

Loud techno music is playing in the club, while numerous people are either, off to the side, talking amongst themselves, or on the dance floor. Jorge enters the club, soon followed by Kevin, wearing the clothes that Jorge bought for him.

JORGE

(somewhat loudly) Remember, you're here to keep whatever friends of the girls I might pick up busy.

Due to the loudness of the music, Kevin is unable to hear Jorge.

KEVIN

What?

JORGE

(somewhat loudly) Forget it. Just stay here.

Jorge goes over to the bar, leaving Kevin to stand by himself. TONI walks behind Kevin and notices him. Thinking that Kevin is someone else, a somewhat displeased look goes over Toni's face.

TONI

Great what's he doing here?

Toni walks up behind Kevin, still thinking that he is someone else, and taps him on the shoulder.

TONI

(somewhat loudly) Why do you always have to-?

Kevin turns around.

TONI

(somewhat loudly) You're not Jorge.

KEVIN

What?

Toni grabs onto Kevin's right wrist and walks off with him. Jorge returns from the bar holding a plastic cup of cola, and sees Kevin walking off with Toni. However, Jorge does not recognize Toni.

JORGE

Great I brought him to be my wingman  
and he finds someone on his own.

In a quieter area of the club, Kevin and Toni sit down on a  
couch.

TONI

So what are you doing here and why are  
you dressed like Jorge?

KEVIN

Jorge dragged me here to be his wingman  
tonight.

TONI

And why are you dressed like him?

KEVIN

He bought me this stuff.

TONI

Figures.

KEVIN

What about you?

TONI

I'm here with a friend from work.  
She's...somewhere.

MALE VOICE

So you didn't just walk off with some  
random chick.

Kevin and Toni turn their heads to see Jorge.

JORGE

It was just Antonia.

TONI

For the last time-

JORGE

Yeah, yeah, yeah, I know stop calling  
you that. So about this friend of  
yours, she hot?

TONI

Why must you be like this? And I'm not  
telling you anything about Sam.

JORGE

Sam? I thought you were here with a girl?

TONI

Sam's also a girl's name.

JORGE

Whatever. Where is she?

TONI

Somewhere. I don't know. She kinda took off on me.

JORGE

Not unlike how someone took off on me a few minutes ago.

Jorge shoots Kevin a quick evil look, before walking away from the area. Jorge makes his way over to the dance floor, where his eyes meet up with a black-haired woman who appears to be in her late 20s. The woman is dressed in a black leather skirt, and a black leather tank top, and appears to be dancing by herself. Jorge approaches her.

JORGE

What's up? Wanna dance? Wanna make out? What's up!

The late 20s woman stops dancing and laughs.

LATE 20S WOMAN

You didn't think that line was actually going to work, did you?

JORGE

No, I was just trying to get a rise out of you. I'm Jorge.

LATE 20S WOMAN

I'm Sam.

JORGE

Are you here by chance with a girl by the name of Toni Esposito?

SAM

Actually I am, why?

JORGE

It appears we have a mutual friend.

Sam looks down at Jorge's wrists, and notices the Primal claw symbol on his bracelets.

SAM  
We actually have more mutual friends  
than you think.

JORGE  
Who?

SAM  
You're just going to have to spend some  
time with me to find out now won't you?

A somewhat smug smile starts to go over Jorge's face, as he and Sam start to dance together. Moments later, Kevin and Toni come by the both of them.

TONI  
Sam, I'm going to take off.

SAM  
Thanks for coming out tonight.

JORGE  
(to Kevin) What about you?

KEVIN  
I'm going too.

Kevin and Toni walk out of the club.

FADE OUT.

FADE IN:

INT. THE DINER - DAWN

Jorge and Sam sit in one of the booths along the front windows. Both have near empty plates in front of them, as they both finish off their meals. A waitress comes by with both of their checks and they pay their respective bills.

EXT. THE STREETS OF LAS BESTIAS - MORNING

The sun has completely risen as Jorge and Sam make their way down a sidewalk. They walk for a few minutes, until Flamouca (in armor), Rowc, Ranec, and a small platoon of Khatta Warriors appear.

FLAMOUC A

Well, well I never thought I'd see you here at this hour.

JORGE

Who are you?

FLAMOUC A

Don't play dumb with me. You know exactly who I am.

JORGE

(to Sam) You better run.

SAM

Why would I need to run?

FLAMOUC A

Khatta Warriors, get them!

ROWC

What about us?

FLAMOUC A

I think you two know what to do.

Rowc and Ranec take to the sky and fly off. The Khatta Warriors continue to charge at Jorge and Sam.

JORGE

You sure you're not going to take off?

SAM

Don't worry. I can take care of myself.

Sam charges toward the Khatta Warriors and jumps up. She extends both of her arms, and fans out her fingers.

SAM

Primal Beast, Nocturnal Bat!

Navy colored energy gathers over Sam's body, as a bat made of energy appears behind her. Sam lands.

SAM

Wing Strike!

Sam strikes the Khatta Warriors with her arms, and knocks a few of them to the ground. More Khatta Warriors surround her, and she jumps up and appears as if she is almost flying. Sam lands again and strikes the Khatta Warriors.

SAM

Jorge, are you going to morph or what?

JORGE

What do you mean?

SAM

I saw the symbol that's on those bracelets of yours, and I know you're one of the three "special students" that Bruce Chong recently took on. So you might want to get cracking.

Jorge's bracelets become his morpher, and he performs the morph hand movements.

JORGE

Unleash the beast!

Jorge morphs. Before Jorge can help Sam out, a ringing can be heard from the right hand part of his morpher.

MASTER CHONG THROUGH THE COMMUNICATOR

Jorge, the two monsters that appeared with Flamouca are downtown. Get there. Kevin and Toni are all ready on their way.

JORGE

But-

MASTER CHONG THROUGH THE COMMUNICATOR

Sam can take care of herself. Michelle's all ready sent your Stalk Cycle, so you should be good.

The communication ends, just as Jorge's Stalk Cycle comes up to him. Jorge gets onto the Cycle and rides off.

EXT. DOWNTOWN LAS BESTIAS - DAY

Rowc and Ranec attack the area from the sky, which cause people to run in terror releasing a pale blue colored energy. The energy gathers and collects into a ball. The more Rowc and Ranec attack the bigger the ball gets.

ROWC

Excellent, the more screams we gather the sooner Master Gwin can get here. Right sis?

RANEC

Right brother. And I think that Ka-rah Khal will like the fact that we're also gather the screams in such a way that we can turn them against these pathetic humans.

Kevin and Toni (both morphed) ride up to the area on their Stalk Cycles. Jorge (still morphed) soon follows them on his Cycle. Ranec looks over that them, but shakes her head for a moment.

ROWC

What's wrong?

RANEC

I thought I saw some pussycats.

Rowc looks over at Kevin, Jorge, and Toni, who have now parked their Cycles and are looking up at him and Ranec.

ROWC

You did, you did see some pussycats. I think it might be a good idea to get down to their level.

Rowc and Ranec both land.

ROWC

You handle the girl; I'll handle the guys.

RANEC

I was thinking the same.

Rowc and Ranec split up. Ranec flies over to Toni, grabs onto her, and takes Toni over to a separate area. Ranec drops Toni, causing her to fall to the ground. Ranec lands just as Toni gets back to her feet.

TONI

What was that for?

RANEC

No reason, just felt like it.

Ranec draws two swords and charges at Toni.

TONI

Primitive Strikers!

A Primitive Striker pair forms in Toni's hands and she converts them to Bo Mode. As Ranec approaches Toni, she swings her swords at Toni. Toni blocks the attack with her Bo, but Ranec pulls her swords up quickly and goes on to slash at Toni a few times. In their area Rowc is facing off with Kevin and Jorge. Kevin has his Tiger Nunchuck in hand. Jorge is holding his Primitive Strikers in Tonfa Mode. Rowc has a broadsword in hand and swings it at Kevin and Jorge. Kevin and Jorge manage to duck out of the way of the first swing. Kevin starts to twirl the Tiger Nunchuck, but Rowc quickly swings his sword at Kevin, and the attack makes contact. Kevin falls to the ground. Jorge charges at Rowc, and Rowc swings his sword at Jorge. Jorge brings both of his Tonfa up to try to block the attack, but the force of the sword is too much for the Tonfa causing Jorge to fly back, and land near Kevin. Ranec gives Toni hard slashes with her swords, which causes Toni to fly back and land beside Kevin and Jorge. Ranec flies over to Rowc, and lands.

RANEC

I'm getting a little bored with this.

ROWC

Couldn't agree more.

Rowc and Ranec fly and start to circle around Kevin, Jorge, and Toni. Kevin, Jorge, and Toni get back to their feet.

KEVIN

There's got to be something we can use to get them.

JORGE

I'd say the Feral Striker, but they'd probably just fly away from the shot.

TONI

I've got an idea. Elephant Flail!

The Elephant Flail forms in Toni's hands, and she starts to twirl the ball. Toni thrusts the ball over to where Rowc and Ranec are flying, but they both dodge the attack. Toni tries to hit them a few more times with the flail, but Rowc and Ranec keep dodging the attack.

RANEC

Time to give it to them?

ROWC

Time to give it to them.

ROWC AND RANEC

Feather Daggers!

Rowc and Ranec start to throw several feather shaped daggers at Kevin, Jorge, and Toni. Kevin, Jorge, and Toni take the hits and fall to the ground. Rowc and Ranec land and regroup.

RANEC

How about we escalate their problems?

ROWC

If anything else, it could be really fun.

Rowc and Ranec perform a few hand movements, and grow to gigantic size. Kevin, Jorge, and Toni get back to their feet, and press the buttons on the right hand morpher parts.

KEVIN, JORGE, AND TONI

Feral Cats, unleash!

Kevin, Jorge, and Toni raise their right hands, and unleash the Feral Cats. Kevin, Jorge, and Toni jump up and into the Feral Cats, and they combine.

KEVIN, JORGE, AND TONI

Feral Megazord, ready to strike!

The Feral Megazord faces Rowc and Ranec.

ROWC AND RANEC

Primal Beasts...Flight Birds!

Rowc and Ranec take to the sky. Inside of the Feral Megazord Jorge looks up.

JORGE

Where are they going?

TONI

Maybe we should use the Warrior Elephant.

JORGE

The Elephant Flail didn't work on them,  
what makes you think the Warrior  
Elephant will?

TONI

Wouldn't hurt to try it.

Toni presses the buttons on her right hand morpher part.

TONI

Warrior Elephant, unleash!

Toni raises her right hand. Outside the Feral Megazord  
unleashes green energy, which becomes the Warrior Elephant.

KEVIN, JORGE, AND TONI

Warrior Elephant combine!

The Warrior Elephant combines with the Feral Megazord.

KEVIN JORGE, AND TONI

Feral Megazord, Pachyderm Warrior!

Rowc, and Ranec fly over to the Feral Megazord and hover.

RANEC

Are they trying the same attack again?

KEVIN, JORGE, AND TONI

Trunk Mace!

The Feral Megazord twirls the ball on the Trunk Mace and  
throws it at Rowc and Ranec. However both Rowc and Ranec  
dodge the attack. The ball falls to the ground.

TONI

Just need to put more power into it.

The Feral Megazord throws the ball again, but misses. The  
Feral Megazord throws the ball once more.

RANEC

Didn't work the first time.

Ranec slashes the ball with her swords, and the ball falls  
back, this time hitting the Feral Megazord.

RANEC

Let's just finish this.

ROWC

Uh-huh.

Rowc and Ranec start to fly around each other in a circle until they both start to fly toward the Feral Megazord with their right legs extended.

ROWC AND RANEC

Flying Strike!

Rowc and Ranec strike the Feral Megazord with their feet, and it takes the attack. The Feral Megazord falls face first onto the ground.

RANEC

Maybe now you'll leave us alone.  
Besides the only way to defeat us is to fly, which probably won't happen anytime soon.

ROWC

So why don't you be good boys, and girl, and let us finish the job that Ka-rah Khal wants us to do?

Rowc and Ranec turn around and fly off.

FADE OUT.

FADE IN:

INT. THE MARTIAL ARTS STUDIO - DAY

MASTER CHONG and MICHELLE pace around the studio. Kevin, Jorge, and Toni (now unmorphed) enter.

JORGE  
We need to fly.

MASTER CHONG  
Relax Jorge I know, but flight doesn't exactly come that easy.

TONI  
But we've got to do something take these guys out.

Sam enters the studio.

SAM  
Actually Bruce, flight could come easy for one of the Rangers.

Toni turns around to see Sam.

TONI  
Sam? How do you know Master Chong?

SAM  
I was one of Master Li's students along with Bruce and Michelle before he became Ka-rah Khal.

MASTER CHONG  
So tell me Sam, how could flight come easy to one of the Rangers?

SAM  
Because one of them has all ready taken the first step in mastering Nocturnal Bat techniques.

TONI  
So wait a minute, the reason you wanted to go out with me last night was to see if I could do this?

SAM

Actually no, I just wanted to hang out with a friend from work. But I never imagined that I'd find someone who can be just as nocturnal as I am when we went out.

JORGE

And that'd be me. So tell me Batgirl, how do I get this Nocturnal Bat thing?

SAM

You've taken the first step by embracing the night. Judging from what I saw from you last night, you seem the type who really enjoys the nightlife of this city.

JORGE

So what's next?

SAM

Late night training, so you might want to go home now and get some sleep.

Jorge looks over at Master Chong with an unsure look on his face.

MASTER CHONG

For your Nocturnal Bat training Sam will be your master. Just like Jack was with Toni for training in the ways of the Warrior Elephant. So you might want to go home now.

Jorge leaves the studio.

KEVIN

What about us?

MASTER CHONG

You're going to have to pick up the slack for when those two monsters show up again.

TONI

But our weapons can't touch them. Isn't there anything you can do to the Feral Striker Michelle?

MICHELLE

There is, but it'd take too long.  
Actually it'd probably be quicker for  
me to make an entirely new weapon that  
could be used against these monsters.

SAM

Actually I wanted to talk to you about  
that.

MICHELLE

So what do you want?

SAM

I know Jack gave Toni a weapon after  
her training was over, but I've got  
nothing for Jorge.

MICHELLE

You sure?

SAM

Well there is one thing, but Jorge's  
not the type who'd actually use a fan  
as a weapon.

MICHELLE

I see what you're getting at. Don't  
worry I'll come up with something.

SAM

I'm sure you will.

FADE OUT.

FADE IN:

EXT. A PARK WITHIN LAS BESTIAS - LATE NIGHT

Everything is mostly empty, as Jorge and Sam stand facing each other on a walkway. The area they are standing in is dimly lit due to a few sparse street lamps.

JORGE

Why the park?

SAM

Just watch.

Sam points up to the sky, and Jorge turns around to see the silhouette of a single bat flying in the night's sky against the full moon.

SAM

Jack told me about how when he was training Toni, he told her about how his Primal Instincts were awakened, so I might as well do the same.

JORGE

So how'd it happen?

SAM

When I was little, I was afraid of the dark, and anything relating to the darkness. So just imagine what I would've thought about bats back then. Anyway, I was playing with a few friends outside at night. I didn't want to be there, but I was. I kinda ran off and ended up falling into an old well, where a lot of bats were hanging out.

JORGE

So what happened?

SAM

I screamed a little, and they attacked me, before flying out of the well. When I was found, my parents felt that the experience had left me a little on the aggressive side, which is when they heard about Master Li. I'm sure Bruce has told you that the reason your Primal Beast is a certain animal is because of the fact that you have some kind of connection to whatever animal your Primal Beast is, right?

JORGE

Yeah. Now about this training...

SAM

Right. To start, just close your eyes.

JORGE

Close my eyes?

SAM

Close you eyes, and listen to the current sounds of the night.

Jorge closes his eyes. He pauses for a few minutes and starts to hear the sounds around him, including shrieking from a few bats.

JORGE

What now?

SAM

Just continue to focus on the sounds of the night, and all will come to you.

Jorge continues to keep his eyes closed, and focus and the sounds around him.

SAM

Keep your focus, and pretend that you're fighting some of Ka-rah Khal's goons.

Jorge starts to punch and kick the air. He jumps up and performs a roundhouse kick, but instead of landing on the ground, he floats mid-air. Jorge moves one of his feet to get his footing, but does not feel anything. Jorge opens his eyes and looks down seeing that he is now floating for a moment, before he comes crashing down to the ground. Sam starts to laugh a little.

JORGE

What's so funny?

SAM

Nothing. Anyway it looks like you're getting the hang of it. And luckily for you, we've got all night for you to perfect the techniques.

FADE OUT.

FADE IN:

EXT. DOWNTOWN LAS BESTIAS - EARLY MORNING

Rowc and Ranec fly around throwing their Feather Daggers, terrorizing people. The people release more of the pale blue energy, which adds to the all ready large ball of energy. Rowc and Ranec hover in front of the ball.

RANEC

It's all ready so big.

ROWC

Who knew the humans in this miserable city would be able to release so many screams? Either way Master Gwin and Kah Khal will be pleased with all of this.

Kevin and Toni (both morphed) ride up to the area on their Stalk Cycles. Rowc and Ranec notice. Kevin and Toni park their Cycles and get off. Rowc and Ranec both land.

ROWC

Well, well look what the cats dragged in.

TONI

Great, that's two days in a row that we got cat jokes from the two of you. Couldn't you guys come up with something original?

RANEC

Please, cats always go after birds. There's no denying it.

ROWC

But enough talk. Let's just finish these guys off.

Rowc and Ranec draw their swords, and charge at Kevin and Toni. Rowc swings his sword at Kevin a few times, but Kevin manages to dodge the first few swipes before being struck by the sword. Kevin falls back a little.

KEVIN

Primitive Strikers!

A pair of Primitive Strikers form in Kevin's hands, and he keeps them in Baton Mode. Rowc goes on to slash at Kevin a few more times. Kevin manages to block most of the swipes with the Batons, but Rowc gives Kevin a hard slash, which knocks Kevin to the ground. In their area Ranec swipes her swords at Toni, but Toni manages to block some of the swipes with her Primitive Strikers in Bo Mode. However Ranec gives Toni two hard slashes with her swords, and the force of the attack causes Toni to fly over to where Kevin is now laying. Rowc and Ranec put away their swords, and regroup as Kevin and Toni get back to their feet.

ROWC

I though the two of you would've learned your lesson from yesterday.

RANEC

They're probably just being stubborn. Or maybe they were just curious as to what would happen if they tried the same thing again.

ROWC

You've got a point, but remember what curiosity did to the cat.

TONI

(groans) Another stupid cat joke?!

RANEC

Rowc how about we just use the scream energy that we've gathered against them all ready.

ROWC

No.

RANEC

Why not?

ROWC

Who's missing?

RANEC

Now that you mention it, where is blue boy?

Jorge comes up to the area.

JORGE

I'm right here.

Jorge's bracelets become his morpher, and he performs the morph hand movements.

JORGE  
Unleash the beast!

Jorge morphs.

JORGE  
Let's finish this.

ROWC  
Agreed.

Jorge starts to charge at Rowc and Ranec, but the right hand part of his morpher starts to ring.

MICHELLE THROUGH THE COMMUNICATOR  
Jorge, I just finished a new weapon for you.

JORGE  
You did? Why?

SAM THROUGH THE COMMUNICATOR  
Because Jack gave Toni a new weapon after he trained her, and I wanted to do the same with you. So here's hoping that you get some good use out of this Bat Cutter.

The communication ends. The Bat Cutter appears in Jorge's right hand. Kevin and Toni go over to Jorge.

KEVIN  
What's it supposed to be?

JORGE  
Don't know. Don't care. All I know is that it should be what we need to clip a few wings.

Jorge charges at Rowc and Ranec. Rowc and Ranec take out their swords again, and try to swipe at Jorge, but he manages to get a hard slash on the both of them with the Bat Cutter. Rowc and Ranec fly back a few feet from the force of Jorge's attack.

RANEC  
What was that?

ROWC  
I don't know, but we've got to put an end to this.

Rowc and Ranec get back to their feet and charge at Jorge. Rowc swings his sword at Jorge, but he ducks under the attack quickly before giving Rowc a quick slash. Ranec comes in and tries to slash Jorge with both of her swords, but as with Rowc, Jorge ducks under the attack, and gives Ranec a quick slash. Rowc and Ranec start to circle around Jorge facing each other. They do this for a while, until they both charge at him. They both swing their swords at Jorge, but he jumps up and floats a little, which causes Rowc and Ranec to slash at each other. Jorge lands, and once again Rowc and Ranec surround him.

RANEC

We need to use the Feather Daggers.

ROWC

I was thinking the same thing.

ROWC AND RANEC

Feather Daggers!

Rowc and Ranec start to throw their Feather Daggers at Jorge, but he manages to deflect the attacks with the Bat Cutter.

JORGE

Hmmm...two monsters should probably call for two weapons. Double Bat Cutter!

A duplicate Bat Cutter appears in Jorge's left hand, and he uses it to block more of the Feather Daggers, that Rowc and Ranec are throwing at him. Jorge continues to deflect the Feather Daggers until Rowc and Ranec run out.

ROWC

Impossible!

RANEC

How could we run out of Daggers?

ROWC

Let's get him!

Rowc and Ranec once again charge at Jorge on either side of him, and once again Jorge jumps up before either Rowc or Ranec can slash at him, which also causes Rowc and Ranec to slash each other. Jorge flies around a little with both Bat Cutters in hand, and heads toward Rowc and Ranec. He gives the both of them hard slashes with the Cutters and lands. Jorge then faces Rowc and Ranec.

ROWC

Let's just unleash the energy and be done with this.

JORGE

I don't think so. Cutter Strike!

Jorge throws both Bat Cutters at Rowc and Ranec. As the Bat Cutters make their way over to Rowc and Ranec, duplicate Cutter blades fan out, which cause the Bat Cutters to look like circular saw blades. The Cutters hit Rowc and Ranec and they both take the hits and fall to the ground. Rowc and Ranec get back to their feet.

RANEC

Let's grow. They weren't able to defeat us like that last time.

ROWC

Agreed.

Rowc and Ranec perform a few hand movements, and grow to gigantic size. Kevin and Toni come up to Jorge. They all press the buttons on their right hand morpher part.

KEVIN, JORGE, AND TONI

Feral Cats, unleash!

Kevin, Jorge, and Toni raise their right hands, and unleash the Feral Cats. They jump up and into their respective Cat, and the Feral Cats then combine.

KEVIN, JORGE, AND TONI

Feral Megazord, ready to strike!

The Feral Megazord faces Rowc and Ranec, who are floating in the air, and summon the ball of energy. Inside of the Feral Megazord Jorge looks up.

JORGE

Again with that ball!

KEVIN

There's got to be something that we can do to get rid of it.

TONI

Especially since the Warrior Elephant didn't work last time.

The right hand part of Jorge's morpher rings.

SAM THROUGH THE COMMUNICATOR

Jorge, I'm surprised you haven't  
thought about summoning the Nocturnal  
Bat yet.

TONI

Yeah.

SAM THROUGH THE COMMUNICATOR

Anyway just focus your energy and do  
it.

The communication ends, and navy colored energy gathers  
over Jorge's body. Jorge presses the buttons on the right  
hand part of his morpher.

JORGE

Nocturnal Bat, unleash!

Jorge raises his right hand. Outside the Feral Megazord  
raises its right hand and releases the navy energy, which  
then takes the form of the Nocturnal Bat. The Nocturnal Bat  
flies toward Rowc and Ranec, and fires two energy missiles  
in their direction. The missiles go past Rowc and Ranec,  
hitting the energy ball destroying it. The Nocturnal Bat  
then flies past Rowc and Ranec.

RANEC

They destroyed the ball.

The Nocturnal Bat flies over to the Feral Megazord. Inside  
of the Feral Megazord Kevin, Jorge, and Toni press the  
buttons on their right hand morpher parts.

KEVIN, JORGE, AND TONI

Nocturnal Bat combine!

Outside the Nocturnal Bat combines with the Feral Megazord.

KEVIN, JORGE, AND TONI

Feral Megazord, Nocturnal Wing!

ROWC

We've got to finish them.

RANEC

What are we going to do? The energy's  
gone.

ROWC

Just follow my lead.

The Feral Megazord takes to the sky.

ROWC

No one will ever best us in the sky.

Rowc and Ranec fly away and the Feral Megazord follows them. Rowc and Ranec lead the Feral Megazord toward a lake in a mountainous valley, and the Feral Megazord swoops in between the two of them over the lake. The Feral Megazord uses its wings to strike Rowc and Ranec a little, before it starts to slash at the both of them with the wings. Ranec takes out her swords and tries to attack.

KEVIN, JORGE, AND TONI

Wing Slicers!

The Feral Megazord slashes at Ranec with the Wing Slicers. Ranec takes the hits and crashes into the side of a nearby hill. An explosion occurs after Ranec hits the hill. Rowc sees this.

ROWC

Ranec! You'll pay for what you've done to my sister Rangers!

The Feral Megazord flies head to head with Rowc, and they both get into a small mid-air struggle, before they both land.

JORGE

Time to finish this.

Inside of the Feral Megazord Kevin, Jorge, and Toni wave both of their hands over their energy orbs. Outside the upper half of the Feral Megazord starts to spin around, causing it to create a small tornado. The tornado hits Rowc lifting him up in mid-air, and holding him in place.

KEVIN, JORGE, AND TONI

Slice Strike!

The Feral Megazord launches two energy slices from the Wing Slicers. The slices hit Rowc, and he explodes.

FADE OUT.

FADE IN:

INT. THE MARTIAL ARTS STUDIO - DAY

Master Chong, Michelle, and Sam stand around. Kevin, Jorge, and Toni (now unmorphed) come into the studio.

MASTER CHONG  
Excellent work all of you es-

JORGE  
Especially me, right?

MASTER CHONG  
Well yes, but could you sound a little less arrogant next time?

JORGE  
So Michelle, what was with that weapon you sent me?

SAM  
I had Michelle make it for me, so that I could give you a weapon just like Jack gave one to Toni after her Warrior Elephant training.

MICHELLE  
Basically the Bat Cutter is more or less a dagger, and as you saw it has the ability to create duplicate blades that then make it look like a circular saw blade.

TONI  
But why give him that?

MICHELLE  
Because neither one of us though that Jorge would be willing to use a fan as a weapon.

JORGE  
(to Sam) Now that everything's said and done about my training with you, how about we go out to celebrate or something?

SAM  
You're a nice guy and all Jorge-

JORGE  
But?

SAM

My policy for going out with younger guys is that a year and a half is my max. And I know you're four years younger than me.

JORGE

So everything that we did the other night-

SAM

Was to a certain extent, me seeing if you had what it takes to train in the ways of the Nocturnal Bat. And yes Toni part of the reason why I wanted to go out with you the other night was to see the same thing, but it was mostly to hang out with a friend from work.

MASTER CHONG

However I think it might be a good idea for someone to go home now and sleep considering that he spent all night training.

INT. THE TRIBULATION ARENA - TIME UNKNOWN

Ka-rah Khal and Flamouca sit in their chairs. Anme comes into the arena with a somewhat smug look on his face.

ANME

Those stupid birds failed.

KA-RAH KHAL

Don't be so sure. I sense that one of them isn't quite destroyed yet.

EXT. THE MOUNTAINOUS VALLEY - DAY

Ranec (now human sized) sits up in some rubble. She then gets to her feet, and dark energy goes over her body.

RANEC

You'll pay for what you've done to my brother Rangers! Rowc, you will not have been defeated in vain, I will avenge you!
