"POWER RANGERS SPACE POLICE DEPARTMENT: EPISODE 15 -
POWERED UP"

FADE IN:

INT. AN AREA BENEATH THE CITY - DAY

VULCAESTUS stands before Orbitrex, who is eating the giant robot.

VULCAESTUS

You've all ready grown so big Orbitrex.
Excellent. Just be patient and your CPU
will come. Then you'll do as I see fit,
becoming the ultimate weapon.

Orbitrex finishes the robot.

INT. THE COMMAND ROOM - DAY

DORIAN sits at his desk. PATRICK stands before it.

DORIAN

You did WHAT?!

PATRICK

I'm sorry sir, but at the time I didn't
think keeping her here was the answer.

DORIAN

And why not?

PATRICK

I can't say. She wants me to keep it a
secret.

DORIAN

Patrick, this is a major security risk
for us. She's been into our computer
systems.

PATRICK

She just wanted to help with the
programming for Crawler Mode.

DORIAN

True, but there's still no telling what
else she might have gotten out of the
computers. I don't want to do this
right now, but you really don't leave
me with much of a choice.

PATRICK

What?

DORIAN

Effective immediately you're suspended from the force.

PATRICK

Why?

DORIAN

Were you not paying attention during our conversation? Like I said I don't want to do this, but it is after all S.P.D. protocol.

PATRICK

What are you guys going to do without me? You do need me to pilot P-Zord 3.

DORIAN

I can have Dr. Falco reconfigure it for me to pilot it for the time being. Now if you don't mind, please hand over your morpher.

Patrick takes out his morpher. He throws it at Dorian angrily. Dorian catches, but barely.

PATRICK

How long is the suspension going to last?

DORIAN

Don't worry it's only temporary, until Steph is found. However while you're gone, it might be a good idea to think about what you just did.

PATRICK

Fine.

Patrick starts to storm out of the command room.

DORIAN

And Patrick.

Patrick stops.

PATRICK

Yes Dorian?

DORIAN

Don't try to find her on your own.
Leave that to us.

Patrick continues on his way out of the command room. He walks into the hall and past DEX, but does not pay any attention to him. JULIE comes up to Dex.

JULIE

What's with him?

DEX

No idea, but given that he just stormed out of the command room, I'd say it has to do with something Dorian said to him.

JULIE

Well, why don't we go find out?

Dex and Julie walk into the command room and up to Dorian.

DORIAN

Good two of you are here.

DEX

What just happened with Patrick?

DORIAN

He's suspended for the time being, for creating a security risk. That's all you need to know.

JOHN and ALEXANDRA walk into the room.

JOHN

What's going on Captain?

DORIAN

It appears that Steph has gone missing. So now it's up to the five of us to try to find her.

ALEXANDRA

What about Patrick?

DORIAN

As I just told Dex and Julie he's been suspended. He'll be back on the force when we can find Steph. Now let's move out!

FADE OUT.

FADE IN:

EXT. A NIGHTCLUB - DAY

STEPH sits tied to a chair within the club. Two men dressed in black stand beside her.

STEPH

What do you want with me?

MAN IN BLACK 1

Just wait and see.

MAN IN BLACK 2

The boss wants to have a look at you first.

STEPH

What's he want with me?

VOICE

Why don't you ask him yourself?

DON RE walks up to Steph. Don Re takes a look at her.

DON RE

So this girl is supposedly one of the most intricate CPUs available?

STEPH

What do you want with me?

DON RE

It's simple really, since I know Vulcaestus is looking for you, I'm sure he'll pay handsomely for your return.

STEPH

You do realize that if you hand me over to Vulcaestus the city will be destroyed, right?

DON RE

Yes, but there's one element of this little plan of mine that will make everything much sweeter for me.

STEPH

What?

DON RE

The Rangers. I know they're after Vulcaestus, and as such they'll eventually bring him in and destroy that little toy if his. So after Vulcaestus pays me for you, and the Rangers delete him his money will still be in my bank account making money like it should be.

STEPH

You're not going top get away with this.

DON RE

You'd be surprised by the amount of stuff that I get away with in here. Not to mention that Dorian Kruger doesn't have a single shred of evidence that I do anything that I'm suspected of. So I think this little extortion plan of mine with Vulcaestus, as cliché as it might sound, will go on without a hitch.

MAN IN BLACK 1

What do you want us to do with her boss?

DON RE

Bring her into the back. Vulcaestus will be here this afternoon, plus I don't want her out in the open should someone from the S.P.D. show up.

The two men grab the chair and take Steph into the back.

FADE OUT.

FADE IN:

EXT. A MARKETPLACE IN DIATECH CITY - DAY

John and Julie walk around in the marketplace. They make their way up to an alien merchant. The merchant notices them.

MERCHANT

What can I help you with officers?

John takes out his morpher, and opens it to phone mode. A hologram of Vulcaestus appears.

JOHN

What can you tell us about him?

MERCHANT

Vulcaestus, eh? I haven't seen him in years, what's he up to?

JULIE

The destruction of the city.

Julie takes out her morpher and opens it to phone mode. A hologram of Steph appears.

JULIE

We believe that he may be after this girl. Her name is Steph. Do you know if Vulcaestus knows anyone by that name?

MERCHANT

It's typically unusual for Vulcaestus to fraternize with humans, unless of course he has to. I didn't realize that he knew a girl from Earth. Last time I checked he usually had an android hanging around him that looked like a human.

John and Julie put their morphers away.

JOHN

An android? Please.

MECHANT

I am serious. He also mentioned something about an electronic device called a "series two electronic processing hub".

JULIE

A series two electronic processing hub?

MERCHANT

Yes. It's supposed to be a control mechanism to one of his robot pets, Orbitrex if I'm not mistaken. However, that is all I know.

JOHN

Somehow I doubt that.

MERCHANT

I am telling the truth.

Julie rolls her eyes a little as she takes her morpher out again. She opens it to phone mode. Julie presses a few buttons and a polygraph program appears on the phone mode screen.

JULIE

Now, are you sure that you don't know anything else?

MERCHANT

Yes.

The polygraph does not change. Julie puts her morpher away.

JULIE

He's telling the truth.

JOHN

Well it looks like we're done with you.

John starts to walk away.

JULIE

Thanks for you time.

MERCHANT

No problem officer.

Julie catches up to John.

FADE OUT.

FADE IN:

EXT. THE STREETS OF DIATECH CITY - DAY

Dex and Alexandra walk down a street. A distance down from them Patrick, now wearing civilian clothes, walks toward them. Patrick looks up ahead and sees Dex and Alexandra.

PATRICK

Oh great.

Patrick tilts his head down as he starts making his way toward Dex and Alexandra. For seemingly no apparent reason Dex stops by the alleyway that is within the city block as Alexandra continues on her way down the street. She passes by Patrick.

ALEXANDRA

Patrick?

Patrick stops and turns around.

PATRICK

What?

ALEXANDRA

How's it going?

PATRICK

Alexandra, I've only been suspended for two hours I'm fine.

ALEXANDRA

What are you up to?

PATRICK

Not much of anything now that I have all this free time on my hands.

ALEXANDRA

I just wanted to know, why did you let Steph go?

PATRICK

It sounded like a good idea at the time.

ALEXANDRA

Didn't you realize what it could've done?

PATRICK

I was thinking in terms of what the S.P.D. might've done to her.

ALEXANDRA

Wha-?

Dex rushes over to them.

DEX

I think I just heard Vulcaestus' voice in that alley.

ALEXANDRA

What do you mean?

DEX

I'm not totally sure that it's him. But it did sound like him.

PATRICK

Well let's go.

DEX

You're not going anywhere Patrick, you've been suspended, remember?

PATRICK

C'mon Dex, just let me do this. Everything that's been going on with this case now has been my fault, at least let me tag along.

DEX

What do you say Alexandra?

ALEXANDRA

Why are you asking me?

DEX

You do outrank me.

ALEXANDRA

He can come. Lead the way Dex.

Dex leads Alexandra and Patrick to the alley. They enter and Vulcaestus' voice can be heard talking to another person.

PATRICK

(whispering) Who's he talking to?

DEX

(whispering) No idea.

Dex, Alexandra, and Patrick continue to make their way into the alley, and up behind a metal garbage can. After awhile they can see Vulcaestus talking to DARKWING.

DARKWING

Please Vulcaestus, Don Re is a pushover. He usually hides behind his own goons. You'll have no problem getting what you need from him.

VULCAESTUS

At least give me a Mechadroid containment unit just in case. Besides it might come in handy if the Rangers were to stick their noses into my business again.

DARKWING

Fine.

Darkwing reaches under his cape, and pulls out a Mechadroid containment unit. He hands the unit to Vulcaestus. Dex, Patrick and Alexandra lean in a little more, but knock over the garbage can. The sound of the can falling over catches Vulcaestus' attention as Darkwing vanishes. Vulcaestus turns to the three of them.

VULCAESTUS

I should've known you'd come around again.

DEX

Well whatever you're planning ends now.

VULCAESTUS

Really? Besides I'm far too busy to fight the two of you.

PATRICK

You mean three.

VULCAESTUS

First of all I've never met you, and secondly you're not a Ranger.

PATRICK

Well when I get my morpher back, it'll be another story.

VULCAESTUS

I get it now. You've been suspended. No matter, you don't have your powers so it'll be easy to defeat you.

ALEXANDRA

He can always get his powers back.

VULCAESTUS

We'll see about that. But like I said, I'm busy right now. So if you don't mind I'll be going now to get my series two electronic processing hub. So goodbye Rangers, and you!

Vulcaestus disappears.

DEX

What's a series two electronic processing hub?

PATRICK

S-T-E-P-H.

ALEXANDRA

What does Steph have to do with this?

PATRICK

I didn't tell Kruger this, but Steph is actually an android.

ALEXANDRA

Okay, but what does she have to do with this?

PATRICK

You know Alexandra for someone with psychic abilities, you sure don't know how to see things that are in front of you.

Alexandra shoots Patrick a dirty look.

ALEXANDRA

Would you mind telling us?

PATRICK

Steph is an android, and when Vulcaestus mentioned that he was after a "series two electronic processing hub", that means that Steph's name is in actuality an acronym. So he's now after Steph to give himself complete and utter control over that robot of his.

DEX

Patrick you have to tell my brother about this. He'll probably take you off of your suspension.

Dex takes out his morpher and opens it up to phone mode. He dials a number and gives it to Patrick.

DORIAN OVER THE COMMUNICATOR

Yes Dex?

PATRICK

Captain, it's Patrick.

DORIAN OVER THE COMMUNICATOR

What do you want Patrick?

PATRICK

I failed to mention this earlier, but Steph is an android, and not only that she's the CPU for Vulcaestus' robot.

DORIAN OVER THE COMMUNICATOR

Why didn't you say that from the beginning?

PATRICK

To be fair I didn't know about the CPU thing until just now.

DORIAN OVER THE COMMUNICATOR

I'll give you that much. But why didn't you tell me about her being an android?

PATRICK

It's because I thought you'd have her dismantled. She has actual human emotions, and wants to live as a human. Surely you of all people know the value of having your humanity.

DORIAN OVER THE COMMUNICATOR

It appears that you've become useful again. Go back to H.Q. and see Dr. Falco in the tech room. She has your morpher. Now do you know where Vulcaestus was headed?

PATRICK

He was going to see someone by the name of Don Re.

DORIAN OVER THE COMMUNICATOR

Good, I was just about to head over to Re's little nightclub anyway. I'll check it out myself. I'll meet up with the five of you later. Over and out.

Patrick closes the morpher and hands it back to Dex.

DEX

Looks like you're back in business.

PATRICK

Let's just head back to H.Q. We're going to need my morpher, and Scout.

ALEXANDRA

What are we going to need Scout for?

PATRICK

You'll see. And while we're at it, we also need to call John and Julie.

FADE OUT.

FADE IN:

INT. DON RE'S NIGHTCLUB - DAY

Dorian walks in. The two men in black walk up to him.

MAN IN BLACK 1

Can I help you sir?

DORIAN

Tell your boss that Dorian Kruger is here.

The two men look at each other and give each other looks of great concern. They both rush into the back of the club. Don Re comes out.

DON RE

Captain Kruger so good to see you again, and in a human form as well.

DORIAN

Skip the pleasantries Re.

DON RE

By the tone in your voice, I take it you're not here for a social visit, or tonight's fight.

DORIAN

I have it on good authority that you're holding a girl by the name of Steph captive. Release her at once.

Don Re starts to laugh.

DON RE

Good authority? Here I thought you were the finest officer that the S.P.D. has to offer; yet you don't come in here with any hard evidence? This is same problem that you've been having with me for some time now Kruger.

DORIAN

Don't think that I don't know what goes on in here. After all the only reason why I haven't sent in any of my officers to bust you is because of my lack of evidence.

DON RE

Tell you what Kruger; if you ever find something that could convict me, I won't put up much of a fight.

DORIAN

You know I don't buy that one bit.

DON RE

And I also know you'll never get anything on me. Now if you don't mind I have business to attend to.

DORIAN

What kind of business?

DON RE

That my friend is none of your business. Now if you don't mind...

Dorian gets up and starts to walk away. However as he walks away, Dorian hears a faint pitch coming from somewhere within the club.

DORIAN

What was that?

DON RE

What was what?

DORIAN

Nothing. Never mind.

Dorian continues his way out of the club as Don Re gets up and heads toward the back room.

FADE OUT.

FADE IN:

EXT. A PLAZA NEAR DON RE'S CLUB - DAY

Dex, John, Patrick (now in his uniform), Alexandra, Julie and Scout, rush over to the side of the building where Vulcaestus is standing.

VULCAESTUS

I should have known that you Rangers would be come to get me. (to Patrick)
And I also see that you're now in uniform.

PATRICK

You're going down. Right here. Right now.

VULCAESTUS

Pathetic sentiment Ranger. However if it's a fight you're looking for...

Vulcaestus takes out the Mechadroid containment unit and tosses it toward the Rangers.

VULCAESTUS

You've got one.

The containment unit releases a platoon of Mechadroids. The Rangers take out their morphers.

DEX, JOHN, PATRICK, ALEXANDRA, AND
JULIE

Emergency, SPD!

Dex, John, Patrick, Alexandra, and Julie all morph.

DEX

One! I see red when evil is done to people!

JOHN

Two! Giving criminals what's coming to them!

PATRICK

Three! To investigate with futuristic science!

ALEXANDRA

Four! To bring justice to criminals!

JULIE
Five! To finish this now!

DEX
SPD! Red Ranger!

JOHN
Blue Ranger!

PATRICK
Green Ranger!

ALEXANDRA
Yellow Ranger!

JULIE
Pink Ranger!

DEX, JOHN, PATRICK, ALEXANDRA, AND
JULIE
Power Rangers...

The sirens on their helmets go off.

DEX, JOHN, PATRICK, ALEXANDRA, AND
JULIE
Space Police Department!

The Mechadroids charge at the Rangers. Dex draws both of his Blasters as the other four draw their D-Batons. Dex strikes several Mechadroids with his Blasters followed by a series of precise shots from the Blasters. John and Patrick double-team a small group of Mechadroids with their Batons slashing at them. Each slash they give the Mechadroids destroys them. Alexandra slashes at several Mechadroids with her Baton, as does Julie. Scout pounces on a couple of Mechadroids knocking them down, and then claws at another Mechadroid with his front paws. Dex makes quick work of the remaining Mechadroids with his Blasters. With all of the Mechadroids defeated Dex, John, Patrick, Alexandra, and Julie turn their attention to Vulcaestus.

PATRICK
And now for you.

Patrick takes out the key bone.

PATRICK
Scout, fetch!

Patrick tosses the bone into the air and Scout catches it transforming himself into the K-9 Cannon. Dex and John get down in front of Alexandra and Julie, respectively. Patrick takes out his morpher and puts the mode selector on "judge".

PATRICK
Vulcaestus, for the destruction of
several planets-

VULCAESTUS
Not so fast Ranger. I cannot and won't
allow myself to be defeated like this.
So with this I bid you adieu.

Vulcaestus draws a control device and presses a button on it. The button causes Vulcaestus to blow up.

JULIE
He deleted himself?

JOHN
Well he did say that he didn't want us
to defeat him.

The ground starts to shake.

DEX
What's going on?

The Rangers look over and see Orbitrex starting to rise up through the ground. Once above ground Orbitrex starts to destroy the area.

PATRICK
So that's Vulcaestus' robot.

Dex takes out his morpher and opens it up to phone mode.

INT. THE TECH ROOM - DAY

ANITA sits in front of a computer terminal struggling to get what she is working on to work.

ANITA
I can't believe I'm having the problems
I did with Crawler Mode.

DEX THROUGH THE COMMUNICATOR
Dr. Falco, we need the Zords.

ANITA
Just give me a second Dex.

Anita stops what she is doing and presses the button to launch the Zords.

INT. THE ZORD BAY - DAY

The Patrol Zords start up and start to take off from their positions.

EXT. S.P.D. H.Q. - DAY

The side of the building opens up as the Zords make their way out of the building and toward the Rangers. The Rangers jump up and into their respective Zords.

DEX, JOHN, PATRICK, ALEXANDRA, AND
JULIE

Activate Megazord formation.

The Zords combine into the Patrol Megazord.

DEX, JOHN, PATRICK, ALEXANDRA, AND
JULIE

Patrol Megazord, online!

DEX

Okay guys, let's destroy this thing and go home.

The Patrol Megazord walks toward Orbitrex, and fires a few shots from the Signal Blaster. The shots barely do anything due to Orbitrex's size in comparison to the Patrol Megazord's. The Patrol Megazord fires a few more shots, but each shot gets blocked by one of the ends of Orbitrex's tentacles.

JOHN

Take this!

The Patrol Megazord jumps to its side and fires a few shots at Orbitrex, but Orbitrex blocks the shots with six of its tentacles. The Patrol Megazord lands.

PATRICK

This can't be. Our attacks aren't working on it.

FADE OUT.

FADE IN:

INT. A TUNNEL NEAR DON RE'S CLUB - DAY

Vulcaestus has Steph in hand and is dragging her through the tunnel. Steph is screaming somewhat.

VULCAESTUS

You might as well stop that; no one's going to come rescue you.

STEPH

Yes they will.

VULCAESTUS

Why would they, you're a robot. You're nothing but a pile of wire and electrodes.

VOICE

But you forget Vulcaestus, that you programmed her to have human emotion.

VULCAESTUS

Who said that?

Dorian walks forward. Vulcaestus notices.

VULCAESTUS

Well, well Dorian Kruger. So we finally meet.

DORIAN

That little hologram of yours might've fooled my Rangers, but it didn't fool me. Now let her go.

VULCAESTUS

No. I need her to control my pet. She's nothing more than equipment to me.

DORIAN

If she's nothing more than equipment to you, then why program her with human emotion, give her free thought and make her look human?

VULCAESTUS

So she can easily be hidden on Earth for whenever I need her. And as a matter of fact that time has now come.

DORIAN

Then it appears that you've left me
with one option.

Dorian takes out his morpher.

DORIAN

Emergency, SPD!

Dorian morphs.

DORIAN

Repaying evil one hundred fold. The
guard dog of the underworld...Captain
Ranger!

Dorian draws his Sword.

DORIAN

Anubian Sword!

The Sword sheds its rusted appearance. Dorian holds it up
and at on his right side.

VULCAESTUS

Take this!

Vulcaestus draws his blaster and starts to fire lasers at
Dorian. Dorian bounces every shot off of his Sword and onto
the wall on Dorian's left. Vulcaestus continues to fire
lasers, and Dorian continues to bounce them off of his
Sword. Vulcaestus stops firing.

VULCAESTUS

How?

DORIAN

You're up against one of the best
swordsmen in the S.P.D. And you might
want to take a look at that wall.

Dorian points to the wall on his left. Vulcaestus looks at
it and sees that the lasers that Dorian deflected off of
his Sword have made an "X" pattern.

VULCAESTUS

What?

DORIAN

That's how I'd judge you. Now let's see
what the Galactic High Court has to say
about you.

Dorian takes out his morpher and opens it to judge mode. The one-minute judgment cycle works its way to an "X" verdict.

DORIAN

Delete approved. Anubian Sword...

Dorian powers up his Sword. He starts to slide toward Vulcaestus.

DORIAN

FULL POWER!

Dorian slashes at Vulcaestus. Vulcaestus falls down and explodes. Dorian turns to Steph.

DORIAN

You okay?

STEPH

I'm fine. But-

DORIAN

Don't worry about it. We have something up our sleeves, but we need your help.

FADE OUT.

FADE IN:

EXT. THE PATROL MEGAZORD'S AREA - DAY

The Patrol Megazord raises the Justice Sword and walks toward Orbitrex. Orbitrex launches a couple of its tentacles at the Patrol Megazord.

JULIE

They're coming from every direction!

DEX

Tell me something I don't know Julie.

The Patrol Megazord jumps up and unleashes a high-powered slash on Orbitrex. However, Orbitrex launches one of its tentacles at the Sword knocking it out of the Patrol Megazord's hand.

PATRICK

The sword's not working either?

ALEXANDRA

Oh no.

INT. THE TECH ROOM - DAY

Anita is still working on what she was working on earlier. Dorian (still morphed) leads Steph into the room.

DORIAN

Think you can get the final phase activated?

STEPH

I know I can.

DORIAN

Anita, let her do it.

Anita gets up as Steph goes over to the terminal. Steph gets to work.

ANITA

Dorian, this is highly irregular.

DORIAN

Anita, she was able to get Crawler Mode operational. Maybe she can do the same for phase 2.

Steph finished what she is doing.

STEPH

Done.

DORIAN

Excellent. Anita I think you know what you have to do now.

Anita goes over to the controls at the terminal.

ANITA

Activating Crawler Mode.

EXT. THE PATROL MEGAZORD'S AREA - DAY

Orbitrex launches its tentacles at the Patrol Megazord grabbing onto its wrists and ankles. Orbitrex lifts the Patrol Megazord up and electrifies its tentacles.

DEX

We're going to be done for at this rate.

ALEXANDRA

I don't think there's anything we can do on our own.

EXT. S.P.D. H.Q. - DAY

S.P.D. H.Q. transforms into Crawler Mode. S.P.D. H.Q. then moves toward where the Patrol Megazord and Orbitrex are located. S.P.D. H.Q. then fires lasers from its rear weapons, which hit Orbitrex and cause it to lose its grip on the Patrol Megazord. S.P.D. H.Q. fires more lasers at Orbitrex.

INT. THE COMMAND ROOM - DAY

Dorian (still morphed) sits in his chair with his morpher out in phone mode.

DORIAN

Rangers, you need to leave the Patrol Megazord now. We can take this thing out with H.Q.

DEX, JOHN, PATRICK, ALEXANDRA, AND
JULIE

What?!

JOHN

Are you serious Captain?

DEX

Wait a minute; do you have a secret
weapon or something?

EXT. DOWNTOWN DIATECH CITY - DAY

S.P.D. H.Q. parks.

INT. THE TECH ROOM - DAY

Anita has a P.A. system mic in her hand.

ANITA

Attention all officers in the building.
H.Q. is about to transform into its
final form. Please report to the safety
zones immediately.

INT. THE HALLS OF S.P.D. H.Q. - DAY

The remaining officers in the building run toward the
safety zone.

INT. THE COMMAND ROOM - DAY

The screen behind Dorian's desk shows that all of the halls
are empty.

DORIAN

Excellent. Activating Megazord
sequence.

Dorian pulls a lever on his desk.

EXT. S.P.D. H.Q. - DAY

S.P.D. H.Q. starts to transform into a different from than
Crawler Mode. The Patrol Megazord gets to its feet.

DEX

What's going on?

H.Q. continues to transform.

INT. THE SAFETY ZONE OF H.Q. - DAY

The door on the safety zone closes as the rest of H.Q.
starts to change.

EXT. S.P.D. H.Q. - DAY

S.P.D. H.Q. continues to transform, as it stands up
vertically.

INT. THE COMMAND ROOM - DAY

Dorian's desk turns around as a cockpit forms around it.

EXT. S.P.D. H.Q. - DAY

S.P.D. H.Q. finishes its transformation.

DORIAN

Rangers, move from the Patrol Megazord
into the new Megazord.

The Patrol Megazord walks toward the new Megazord. The new Megazord places one of its hands on the back of the Patrol Megazord and Dex, John, Patrick, Alexandra, and Julie make their way out of the Patrol Megazord and into the cockpit of the new Megazord. Dex, John, Patrick, Alexandra, and Julie take their positions and place their morphers on their consoles.

ALL SIX RANGERS

H.Q. Megazord, online!

DORIAN

Let's finish this.

DEX, JOHN, PATRICK, ALEXANDRA, AND
JULIE

Roger!

DORIAN

It's right in front of us, so let's not
lose focus.

The screen in the cockpit targets Orbitrex. Outside the H.Q. Megazord raises its arms and starts to walk toward Orbitrex.

JOHN AND PATRICK

Knee lasers!

The H.Q. Megazord fires lasers from its knees. The lasers hit Orbitrex.

ALEXANDRA AND JULIE

Finger missiles!

The H.Q. Megazord fires missiles from its fingers. The missiles hit Orbitrex knocking it back a little.

DEX

All right. Now let's finish it.

DORIAN

Max power...

ALL SIX RANGERS

FIRE!

The H.Q. Megazord fires a high-powered beam at Orbitrex.
The beam destroys Orbitrex.

ALL SIX RANGERS

Got you!

PATRICK

Looks like Steph can live like a human
now.

FADE OUT.

FADE IN:

INT. A LOUNGE WITHIN S.P.D. H.Q. - NIGHT

Dex, John, Patrick, Alexandra, and Julie are sitting by one of the couches. John is watching the news on TV while Dex, Patrick, Alexandra, and Julie are playing Euchre on a coffee table. Dorian walks in with Steph, who is now wearing a uniform with S.P.D. insignia on it. Dorian and Steph walk up to Dex, John, Patrick, Alexandra, and Julie, and Dorian clears his throat. Dex, John, Patrick, Alexandra, and Julie get up and salute Dorian. Patrick looks at Steph's new outfit.

PATRICK

What's with that?

STEPH

You're looking at the new head of I.T.
for a branch of the S.P.D.

PATRICK

Really? Is it here on Earth?

DORIAN

I'm sorry to say Patrick, but Steph's
job is on Miranoi.

STEPH

I just wanted to come see you guys to
thank you for everything you've done
for me, and to say goodbye.

ALEXNADRA

So how'd you get the job?

STEPH

The main branch has recognized me as a
human now, and Captain Kruger told be
about the job. And since I got some
experience with your computer system
over the past couple of days the job
was a natural fit.

DORIAN

Steph we need to get going. Your
shuttle is about to take off in half an
hour.

STEPH

Yes Captain Kruger.

Dorian and Steph leave the lounge. Patrick looks a little down. Dex, John, Alexandra and Julie move around to stand in front of him with Alexandra standing directly in front of Patrick.

JULIE

What's wrong?

PATRICK

Nothing. It's just that she was kinda cute.

DEX

Patrick she's an android it wouldn't work between you two.

JOHN

As much as I hate to admit it, the rookie's got a point.

ALEXANDRA

Besides you never know when someone who's perfect for you might come around. She might even be right in front of you.

END
