"POWER RANGERS SPACE POLICE DEPARTMENT: EPISODE 30 - THE
BIKE THAT COULDN'T SLOW DOWN"

FADE IN:

INT. THE COMMAND ROOM - DAY

DORIAN paces around in front of his desk, as a small basket rests on the center console. DEX, JOHN, PATRICK, ALEXANDRA, and JULIE all enter the room.

DORIAN
Good the five of you are here.

PATRICK
What's going on?

Dex notices the basket.

DEX
And what's with the basket, you going on a picnic or something?

SUE pops her head out of the basket.

SUE
Do I look like something you'd take on a picnic?

DEX
Well you do look like pork.

DORIAN
Dex!

DEX
Sorry.

DORIAN
Everyone this is Sue. She's a Wilboarian who's been helping the infamous bank robber Genaitaz.

DEX
This little piglet has been helping a bank robber? How?

SUE
That's it!

Sue goes back into the basket, and the latch on the basket closes on its own.

DEX

What the-?

John rolls his eyes a little.

JOHN

Even though you may be at a higher rank, you're still a rookie aren't you?

DEX

Didn't someone recently say that he thought I was getting better?

JOHN

Well then I take it back. But since you're apart of the not so wise, let me fill you in on something. The Wilboarians have the ability to psychically control all locks, which means...

DEX

She'd be the perfect ally for someone like Genaitaz.

JOHN

Good boy.

ALEXANDRA

So what's she doing here?

DORIAN

Sue claims to that she wants to "wash her hands" of the life she had with Genaitaz, and has come to us for protection.

SUE

I do want to go straight, if you cops would actually trust me. Tell them about the safe Kruger.

DORIAN

Apparently Sue has hidden Genaitaz's secret safe somewhere, and put a special encryption on it herself.

SUE

So no one will be able to crack the lock without the code.

DORIAN

I've sent Rick to find where Sue has
allegedly stored the safe-

Dorian's morpher rings. He picks it up and answers it.

INT. PARKING GARAGE - DAY

RICK walks out of a crawlspace holding his morpher up to
his mouth.

RICK

I just found the safe Captain. It's
exactly where she said it was. I'm
sending you the coordinates.

INT. THE COMMAND ROOM - DAY

Dorian, Dex, John, Patrick, Alexandra, and Julie are still
standing where they were. Sue's basket is still resting on
the center console.

JULIE

So all of this is true.

SUE

Didn't I say so?

DORIAN

Either way, the five of you need to
take Sue to where the safe is located,
and meet up with Rick.

DEX, JOHN, PATRICK, ALEXANDRA, AND
JULIE

Roger!

FADE OUT.

FADE IN:

EXT. THE STREETS OF DIATECH CITY - DAY

Night Beat, and Night Chaser drive through the streets with their sirens on. Patrick is behind the wheel of Night Beat, while Julie sits in the front passenger seat. Alexandra is behind the wheel of Night Chaser, while Dex sits in the front passenger seat holding Sue's basket. P-Zord 2 hovers up into the sky, and John (morphed) follows the two cars from the air. Inside of Night Chaser, Sue is starting to become a little restless inside of her basket.

DEX

Will you settle down?

SUE

I thought I told you that I hate cars.
If you don't stop this thing right now,
something really bad is going to
happen.

DEX

What could possibly happen?

The basket stops moving.

ALEXANDRA

I don't like the looks of this.

Sue can be heard making a hacking sound, followed by the sound of water splashing from within the basket.

DEX

I've got a bad feeling about this...

Dex slowly opens the lid to the basket, and turns his head in disgust when he sees what is inside. Alexandra looks over, sees what is inside, and quickly turns her head away. Alexandra then immediately pulls the car over to the side of the road, and parks. Dex gets out of the car holding the basket, and sets it on the ground. He opens it and picks Sue up, allowing her to rest against a nearby tree. Alexandra comes up to Dex. Night Beat parks, and Patrick and Julie come up to where Dex, and Alexandra are standing. P-Zord 2 lands, and John (now unmorphed) walks up to the others.

PATRICK

What happened?

ALEXANDRA

She got carsick.

DEX

(to Sue) You going to be okay?

SUE

I told you that something bad was going to happen.

JULIE

So what are we going to do if she can't travel by car?

JOHN

Maybe I should take her in P-Zord 2?

SUE

I also hate to fly.

PATRICK

Wait a minute if you hate flying, then how'd you get from planet to planet to rob banks with Genaitaz?

SUE

He usually put me to sleep before we took off.

DEX

You feeling better now?

Dex crouches down and rubs his right hand on Sue's back.

SUE

Everything's fine except you touching me.

Dex takes his hand off of Sue's back.

ALEXANDRA

Okay so if we can't take her in the cars, and we can't take her in P-Zord 2, then what are we going to do?

A man on a bicycle rides up to where everyone is standing, and stops. The man gets off of the bicycle, flips out the kickstand, and walks up to everyone.

BIKE MAN

Is something wrong?

Dex turns his head to look at the bike man, and also notices the bicycle, as well as an attached basket. Dex then quickly takes out his morpher, and shows the bike man his badge.

DEX

I'm Sergeant Dex Kruger, of the S.P.D.
We've got an emergency situation here,
and we need to commandeer your bike.

BIKE MAN

Certainly officer.

The bike man looks over to his bicycle's basket and sees the small bag with two buns in it. He then looks over to Sue.

BIKE MAN

Also if you'd like, I could give you the buns that I just bought. That young alien over there, looks like it could something in its stomach.

DEX

Please. And thanks mister...

BIKE MAN

Zenigata.

DEX

Again thanks.

Zenigata walks away. Dex goes over to where Sue is standing and picks her up. He then places her in the bike's basket. Alexandra gets back into Night Chaser, and Patrick and Julie get back into Night Beat. John morphs quickly and runs off. Dex gets onto the bike, and starts to peddle, as Night Chaser, and Night Beat start to follow him.

FADE OUT.

FADE IN:

EXT. ANOTHER PART OF DIATECH CITY - DAY

Dex continues to ride on the bike with Sue sitting in the basket. Dex is also holding the bag with the buns in his right hand. Alexandra continues to follow Dex in Night Chaser, while Patrick and Julie drive beside Alexandra in Night Beat. A morphed John follows all of them from the sky in P-Zord 2.

DEX

How you feeling? Any better?

Sue does not answer. Dex holds out the bag in front of Sue.

DEX

You hungry?

SUE

How do I know you didn't poison it?
After all you cops aren't always the
most careful people in the galaxy.

DEX

Because the man who gave me the bike
also gave me the buns, but if you don't
want it then I'll take it.

SUE

Well I am a little hungry.

Sue grabs the bag and takes a bun out. She then starts to eat it.

DEX

She may act tough, but she's still a
kid. But what kind of person is
Genaitaz to use a kid like this in his
crimes?

SUE

He's not that bad of a guy. I lost my
parents when I was a baby, and then
Genaitaz took me in and raised me as if
I were his own daughter. If it weren't
for him, I wouldn't be here right now.

A communication device comes out of the bike's handlebars.

VOICE FROM THE COMMUNICATOR

Good to know you think so highly of me.

DEX

Wait a minute is that you Zenigata?

INT. A WAREHOUSE - DAY

Zenigata sits on a couch holding a communication device. A computer system sits on a coffee table before him.

ZENIGATA

I heard that you weren't exactly the best cop Kruger, but I didn't think you'd be this stupid.

Zenigata transforms into his true form of GENAITAZ, wearing a set of armor.

GENAITAZ

You didn't really think that some civilian off the street would give you a bike so willingly, did you?

EXT. THE ROAD THAT THE BIKE IS ON - DAY

Dex continues to peddle the bike, while Sue sits in the basket. Alexandra is still following Dex in Night Chaser, while Patrick and Julie follow in Night Beat, and John (still morphed) follows in P-Zord 2.

DEX

What do you want?

GENAITAZ THROUGH THE COMMUNICATOR

What else? The password.

DEX

That's not going to happen.

SUE

But if I did it, would you let me go?

GENAITAZ THROUGH THE COMMUNICATOR

I'm hurt Sue, really I am. I never thought that you'd actually hate me that much.

SUE

But I love you like a father. I just don't want to be a thief anymore.

GENAITAZ THROUGH THE COMMUNICATOR

You're never going to escape that life. Not while I'm still here.

SUE

Fine then I won't tell you how to crack the safe.

GENAITAZ THROUGH THE COMMUNICATOR

Have it your way. I'm sure Kruger won't mind peddling just a little while longer. Maybe you'll change your mind on your little bike ride. Especially considering the fact that when this communication started, a detonator was also activated. So Kruger tell me how fast can you peddle that bike?

DEX

I don't know, why?

GENAITAZ THROUGH THE COMMUNICATOR

Because once you hit sixteen miles per hour, you're going to have to keep that speed up, or boom.

DEX

WHAT?!

Two restraining devices form over Sue's shoulders. Sue tries to get rid of the devices, but is unable to.

SUE

It's no use. I can't take these things off.

DEX

What?

Dex reaches over to the ends of the restrainers, and tries to take them off, but cannot.

GENAITAZ THROUGH THE COMMUNICATOR

I'm sure by now you're trying to use your normal Wilboarian powers Sue, but it'll be a futile effort. I'll call you back in an hour or two to see if you've possibly changed your mind.

The communication ends. Dex presses a few of the buttons on the communicator, but nothing happens.

DEX

Great, he cut off the communication line.

SUE

Why is he doing this? Genaitaz would never try to hurt anyone. I think he's probably just trying to scare me.

DEX

Well you better be right.

Dex takes out his morpher and opens it to phone mode.

DEX

Captain...

INT. THE COMMAND ROOM - DAY

Dorian walks up to one of the side computer terminals where ANITA is now sitting. Schematics of the bike appear on the screen in front of her.

ANITA

A quick scan of the bike shows that the gear system is rigged with a detonator. So Genaitaz is probably telling the truth.

DORIAN

What'll happen if the bomb explodes?

ANITA

I can't be sure, but given the type of device, my best estimate would be everything in a one-mile radius would blow up.

DORIAN

So the guy who lent Dex the bike must've been Genaitaz.

Dorian's morpher rings, and he opens it to phone mode.

PATRICK THROUGH THE COMMUNICATOR

Captain, I just traced the signal Genaitaz's communication.

DORIAN

Good. I want you, Julie, and Alexandra to go there.

PATRICK THROUGH THE COMMUNICATOR

Roger!

DORIAN

John, continue to follow Dex.

JOHN THROUGH THE COMMUNICATOR

Yes sir.

EXT. DEX'S AREA - DAY

Dex continues to peddle the bike as Sue sits in the basket. Night Beat, and Night Chaser drive off away from Dex. Dex holds his morpher in phone mode up to his mouth.

DEX

What about me Captain?

DORIAN THROUGH THE COMMUNICATOR

Just keep peddling. But we can't risk blowing up part of the city, so head toward the quarry on the outskirts of town.

DEX

But I'm in the middle of town as it is now.

DORIAN THROUGH THE COMMUNICATOR

Dex, just do it. And that's an order.

DEX

Yes sir.

Dex closes his morpher, but stops peddling just a little. A beeping noise can be heard.

VOICE FROM THE BIKE

Warning. Speed decreasing. Detonator activating.

SUE

Hey! Start peddling!

Dex starts to peddle again and gets the speed back up.

DEX

There's got to be another way to do this.

Dex looks down at his morpher.

DEX

Why didn't I think of this before? Emergency, SPD!

Dex morphs quickly, and continues to peddle.

DEX

Much better.

The beeping sound starts again.

VOICE FROM THE BIKE
Warning. Weight has dramatically
increased. Detonator activating.

DEX
Oh great. Power down!

Dex powers down.

DEX
Great, this isn't going to get any
easier.

SUE
So you might want to get out of the
city now.

FADE OUT.

FADE IN:

INT. THE COMMAND ROOM - DAY

Anita continues to sit in front of the computer terminal analyzing the bike mechanics. Dorian stands behind her.

ANITA

Wait a minute.

DORIAN

What?

ANITA

After a quick analysis of the bike, it looks like the detonator only measures the rotation of the back wheel. So maybe if we could get John to pick Dex up with P-Zord 2 we could bring it back here and disarm it.

DORIAN

That might not be such a bad idea.

Dorian takes out his morpher and opens it to phone mode.

DORIAN

John, we've got a plan for this bomb, and I'm going to need you to pick up Dex and the bike with P-Zord 2's grappling wire.

JOHN THROUGH THE COMMUNICATOR

Got it.

EXT. ANOTHER PART OF THE CITY - DAY

Dex continues to peddle the bike while Sue sits in the bike's basket. Dex's morpher rings. He takes it out and opens it to phone mode.

DORIAN THROUGH THE COMMUNICATOR

Dex, we're going to have John come by with P-Zord 2 to pick you up.

DEX

Then what?

DORIAN THROUGH THE COMMUNICATOR

We're going to take you back to H.Q. and try to disarm the bomb.

DEX

Got it.

SUE

This better work.

P-Zord 2 flies through the sky.

DORIAN THROUGH THE COMMUNICATOR

Now John.

JOHN

Roger.

P-Zord 2 swoops in and starts to fly above Dex.

JOHN

Grappling wire!

The grappling wire descends from the bottom of P-Zord 2.

JOHN

Look rookie, I'm going to need to you stay in synch with me, or there's no telling what could happen with this.

Dex takes out his morpher, opens it to phone mode, and holds it to his mouth.

DEX

We're in perfect synch. Just do what you've got to do.

The end of the grappling wire appears over Dex's head, as he puts his morpher away.

JOHN

Three, two, one...

Inside of P-Zord 2, John flips a switch from the off to the on position.

JOHN

Magnet on.

Outside the bike starts to rise due to the grappling wire's magnetic field, as Dex continues to peddle. John maintains perfect balance with the bike. The beeping is heard once again.

VOICE FROM THE BIKE

Warning. Tires no longer touching the ground. Detonator activating.

DEX

What?

Dex puts his morpher to his mouth.

DEX

John, you've got to let me go, or the bomb's going to explode.

Inside of P-Zord 2, John turns the switch off. Outside the bike lands on the ground as Dex continues to peddle.

DEX

Oh great.

INT. THE COMMAND ROOM - DAY

Anita throws her hands up in frustration. Dorian pats her right shoulder.

DORIAN

It wasn't a bad idea. We just didn't expect that.

ANITA

I know.

EXT. DEX'S AREA - DAY

Dex continues to peddle the bike, while Sue sits in the basket. The sound of an incoming communication can be heard.

GENAITAZ THROUGH THE COMMUNICATOR

So how's it feel Sue? You ready to tell me the password?

SUE

Fine.

DEX

Does he really control you like that?

SUE

No. He's actually a nice person.

GENAITAZ THROUGH THE COMMUNICATOR

Good girl. Now spill it!

SUE

The password is "show me the money".

GENAITAZ THROUGH THE COMMUNICATOR
A little clichéd, but at the very least
it's easy to remember.

SUE
Now are you going to turn the bomb off?

GENAITAZ THROUGH THE COMMUNICATOR
Sorry can't help you.

SUE
What?

GENAITAZ THROUGH THE COMMUNICATOR
Did you really think I'd let you get
away with this little betrayal? So as
punishment for that, you're going to go
boom. Say hello to oblivion for me.

SUE
But you're not that kind of person.

GENAITAZ THROUGH THE COMMUNICATOR
Yes I am. Who do you think took your
parents from you?

SUE
You what?!

GENAITAZ THROUGH THE COMMUNICATOR
I wanted a Wilboarian's lock
manipulation powers, and when I saw you
with your parents in a bank one day
many years ago, I knew that was the
perfect time to strike. So I blew the
bank and made sure your parents went
with it.

SUE
It's not true. It can't be true.

GENAITAZ THROUGH THE COMMUNICATOR
But it is true. But none of that's
important at the moment, so I'll just
say ciao.

FADE OUT.

FADE IN:

INT. THE WAREHOUSE - DAY

Genaitaz sits on the couch.

GENAITAZ

Perfect. You have the password, and you all ready know where the safe is being stored. So I guess there's nothing else to do right now except go.

Part of the wall crumbles as Patrick, Alexandra, and Julie (all morphed in S.W.A.T. Mode) burst into the warehouse. They all aim their S.W.A.T. Defenders at Genaitaz.

ALEXANDRA

Freeze!

JULIE

SPD!

GENAITAZ

If you guys think for a minute that I'd get caught now, think again.

Genaitaz presses a button on the coffee table and disappears. Patrick, Alexandra, and Julie run up to the table.

JULIE

Great he got away.

PATRICK

He's probably headed for the safe.

INT. THE PARKING GARAGE - DAY

Rick stands in front of the crawlspace. Rick turns his head to his left and jumps out of the way of a few shots that are fired as if from nothing. Genaitaz appears before the crawlspace.

RICK

Genaitaz?

GENAITAZ

I'm taking the safe, and fleeing Earth if that's okay with you.

RICK

Can't let you do that. Emergency SPD!

Rick morphs quickly. Rick tries to swipe his left arm at Genaitaz, but Genaitaz dodges the attack. Rick then turns around and manages to get in a few good hits in on Genaitaz. Genaitaz kicks Rick quickly, but Rick recovers by elbowing Genaitaz, causing Genaitaz to fall back near a few cars.

GENAITAZ

Pathetic.

Rick pulls the throttle out of his morpher, and revs it.

RICK

Power Grab!

Rick replaces the throttle, runs toward Genaitaz, and grabs onto him. Rick pushes Genaitaz out of the building. Rick stops, but Genaitaz grabs onto him, and throws Rick.

GENAITAZ

Might as we finish you before I take the safe.

RICK

I'd like to see you try.

Genaitaz and Rick charge at each other. Genaitaz tries to hit Rick, but Rick ducks under the attack. Rick gets back to his feet, and Genaitaz tries to strike him, but Rick blocks all of his attacks. Rick blocks a few more of Genaitaz's attacks, before elbowing Genaitaz. Genaitaz falls back a little. Rick charges at Genaitaz, but Genaitaz manages to get in numerous hits in on Rick, causing Rick to fall to the ground. Genaitaz starts to walk over to Rick, but gets hit by numerous shots, and falls down. Patrick, Alexandra, and Julie (all still in S.W.A.T. Mode) run up to Rick. Patrick and Alexandra aim the S.W.A.T. Defenders at Genaitaz, while Julie helps Rick up.

GENAITAZ

So you knew I'd come here.

John (now in S.W.A.T. Mode) appears with his S.W.A.T. Defender in hand.

JOHN

Guys, Dex is in danger.

JULIE

Turn that bomb off now!

GENAITAZ

Why should I? I've got the password for the safe, so Sue no longer serves a purpose to me.

Genaitaz turns invisible.

ALEXANDRA

Please, like that's going to work.
Activating thermal scanner.

Alexandra touches the right side of her helmet, and she with John, Patrick, and Julie look around for Genaitaz. John stops.

JOHN

There!

John, and Patrick jump up, and simultaneously fire blasts from their S.W.A.T. Defenders at seemingly nothing, which causes Genaitaz to reappear.

FADE OUT.

FADE IN:

EXT. THE OUTSKIRTS OF DIATECH CITY - DAY

Dex continues to peddle the bike, while Sue sits in the basket. Dex is starting to look tired, and as such starts to lax his peddling a little. The beeping sound is heard.

VOICE FROM THE BIKE

Warning. Speed dropping. Detonator activating.

Dex lets out an annoyed grunt as he starts to peddle harder again to get the bike's speed up. Dex turns the bike to head toward the upcoming quarry.

SUE

We're no longer in the city, so we don't have to worry about hurting anyone.

DEX

What are you trying to say?

SUE

If you morphed, you'd probably survive the explosion from the bomb.

DEX

What about you?

SUE

I've got nothing to live for anymore.

DEX

Don't say that.

SUE

No it's true. Genaitaz doesn't want anything to do with me anymore so I might as well just blow up with this bike.

DEX

That's not true. I'll get you out of this, and then you can live for yourself. But you've got to trust me.

SUE

Why should I? You cops have never done anything for me before.

DEX

But there's a cop doing something for you right now. I'm trying to keep you alive. Not to mention that the other Rangers are trying to stop Genaitaz. Just believe in them, and believe in me.

SUE

I still don't know.

Dex takes out his morpher.

SUE

So you're going to morph after all.

Dex hands Sue his morpher.

DEX

I want you to hold onto my morpher for now. We both know I can't morph, so there's no point in me hanging onto it.

SUE

But why do you want me to do this?

DEX

Call it a sign of good faith. We'll get out of this, one way or another.

SUE

Dex.

Sue clutches Dex's morpher against her body, and her body starts to glow a little. Dex continues to peddle until several explosions occur near the bike. Dex looks ahead to see several Mechadroids, and an X-droid. The X-droid signals the other Mechadroids to charge at Dex.

DEX

So he wants us gone no matter what.

The Mechadroids try to get into the way of the bike, but Dex peddles faster, and runs into the Mechadroids, which causes them to fall to the ground. The X-droid aims its blaster arm, and fires a shot at Dex, but Dex moves the bike out of the way. However another shot from the X-droid causes an explosion that makes Dex swerve toward the edge of a cliff.

DEX

You okay Sue?

Sue does not respond.

DEX

Sue, are you okay?

Sue does not respond again.

DEX

Sue?

Once again Sue does not respond. The X-droid aims its blaster arm, and fires another shot at Dex, which causes an explosion that throws the bike off of the edge of the cliff.

DEX

Sue!

As the bike falls a bright light can be seen before an explosion occurs.

FADE OUT.

FADE IN:

EXT. THE PARKING GARAGE - DAY

Rick (morphed) has the throttle on his morpher out, and he revs it until the meter is full. Once the meter is full Rick puts the throttle back in place, and jumps up.

RICK

War Hammer!

Rick comes back down and gives Genaitaz a hard punch with his left fist. Genaitaz takes the hit and falls back. John, Patrick, Alexandra, and Julie (all still in S.W.A.T. Mode) come up to Rick. The sound of the communicator can be heard.

ANITA THROUGH THE COMMUNICATOR

We've just got word that the bike exploded.

PATRICK

But what about Dex?

EXT. THE QUARRY - DAY

As the flames from the bike's explosion rise, so does Dex and a girl with wings made of energy. The girl is holding onto both Dex and his morpher. Dex sees what is going on.

DEX

Am I-?

GIRL

You're fine. Why would you think anything else?

Dex looks up and sees the girl and her wings.

DEX

But aren't you an angel?

GIRL

I'm not an angel, and I'm surprised you haven't recognized my voice yet.

DEX

Sue? What happened?

SUE

When a Wilboarian youth experiences strong feelings a fire is lit in her heart, which causes her to grow to maturity. But that doesn't matter now, because I think you might want this.

Sue gives Dex his morpher back.

SUE

I think we better go to where the other Rangers are now.

EXT. THE PARKING GARAGE - DAY

John, Patrick, Alexandra, Julie (all still in S.W.A.T. Mode), and Rick (still morphed) stand in a line. Dex contacts them through the communicator.

DEX THROUGH THE COMMUNICATOR

I'm fine.

JOHN

I can't believe he made it.

JULIE

So I guess there's no holding back.

ALEXANDRA

So let's judge him.

John takes out his morpher.

JOHN

Genaitaz, for the robberies of numerous banks-

Genaitaz fires a quick blast at John, Patrick, Alexandra, Julie, and Rick. They all duck, as Genaitaz takes out a control device, and presses a button on it. A giant robot appears.

ALEXANDRA

Did he get that thing from Darkwing?

PATRICK

Probably.

Inside of the robot, Genaitaz sits down at the controls.

GENAITAZ

Time to finish you Rangers.

Genaitaz puts his hands on the control devices on either side of himself. Outside the robot raises its sword, and walks away.

RICK

Can't let you get away. Anita I need the Cyclezord.

The Mars Cyclezord races to the area. Rick jumps up and into it.

RICK

Cyclezord transform!

The Mars Cyclezord transforms.

RICK

Mars Racer Megazord, online!

GENAITAZ

You're through Ranger!

The robot starts to come toward the Mars Racer Megazord.

RICK

Arm Blades!

The Arm Blades extend out of the Mars Racer Megazord. The Mars Racer Megazord then charges at the robot. The robot tries to strike the Mars Racer Megazord with its sword, but the attack is blocked by one of the Arm Blades. The Mars Racer Megazord then pushes back the robot's sword, and starts to slash at the robot a few times.

GENAITAZ

This isn't over!

The robot aims its shield and fires a few blasts at the Mars Racer Megazord. The Mars Racer Megazord takes the hits.

GENAITAZ

Looks like things are in my favor.

The robot starts to charge at the Mars Racer Megazord, but stops when it receives numerous shots. The robot turns around to see P-Zord 2 in the sky with its gyros rotated firing numerous shots. P-Zord 3 comes by with the Signal Blaster out.

PATRICK

Signal Blaster!

The Signal Blaster aims and fires a few shots at the robot. The robot takes the hits and falls back.

JOHN AND PATRICK

Now Rick!

RICK

Got it. Take this!

The Mars Racer Megazord swipes the Arm Blades, causing an energy wave to hit the robot. The robot drops its weapons, and falls to the ground.

RICK

Genaitaz for robbing thousands of banks, destroying another bank that also took the parents of a young Wilboarian, and using that young Wilboarian for personal gain...

Inside of the Mars Racer Megazord Rick flips the throttle of his morpher out and presses the "VI" button.

RICK

JUDGMENT!

Outside, the robot gets back to its feet as the one-minute judgment cycle starts up, eventually working its way to an "X" verdict.

RICK

Delete approved.

GENAITAZ

Not going let myself suffer the consequences.

The robot starts to walk away from the area, eventually backing into what appears to be a building. The robot turns around to see the H.Q. Megazord finishing its transformation. Inside of the H.Q. Megazord Dorian (morphed) sits at the controls.

DORIAN

You're never going to get away from us.

Outside the Mars Racer Megazord walks up behind the robot, as the H.Q. Megazord powers up, and aims its weapons.

DORIAN

FIRE!

The H.Q. Megazord fires a high-powered blast at the robot.

GENAITAZ

I've got to go!

Genaitaz escapes from his robot, just as the H.Q. Megazord's blast hits the robot, destroying it. Genaitaz falls to the ground, only to be greeted by Dex being carried by Sue in the air.

DEX

You're not going anywhere!

Dex and Sue both land. Genaitaz points to Dex.

GENAITAZ

You survived?!

DEX

You've got some nerve. Taking a young Wilboarian's parents away from her, as well as using her for your crimes, it's unforgivable.

Dex takes out his morpher.

DEX

Emergency, SPD!

Dex morphs.

DEX

S.W.A.T. Mode, power on!

Dex morphs to S.W.A.T. Mode.

DEX

Red Ranger!

Genaitaz notices Sue.

GENAITAZ

Sue?

Sue waves her right hand, which causes her wings to extend for a moment as energy flies over to Genaitaz. The energy hits the control device of Genaitaz's armor, causing the armor to fall off of him.

GENAITAZ

You seem to forget who raised you.
Remember I'm practically your father.

SUE

You took my parents from me. You have no right to say that you're my father.

GENAITAZ

Then why don't you go meet your real
parents?

Genaitaz draws a blaster, and fires a few shots at Sue. Dex
steps in front of her, and takes the shots, which do not do
any damage.

GENAITAZ

Blast it all!

DEX

Sue you better get back.

DEX

Badge Morpher, set. You're going down
Genaitaz.

Dex aims his S.W.A.T. Defender at Genaitaz.

DEX

S.W.A.T. Defender full power!

Dex's S.W.A.T. Defender charges up to full power.

DEX

FIRE!

Dex fires a powerful blast at Genaitaz. Genaitaz takes the
hit and explodes.

FADE OUT.

FADE IN:

INT. THE COMMAND ROOM - DAY

Dorian sits at his desk. Dex, John, Patrick, Alexandra, Julie, Rick, and Sue stand before the desk.

DORIAN

I just got word from Commander Falco that the Galactic High Court is going to forgive you Sue, of everything that you did while you were with Genaitaz.

SUE

How come?

DORIAN

They realize that you were young and didn't know any better given your upbringing with Genaitaz, and that you basically didn't have any choice in the matter.

SUE

Good to know.

DORIAN

Also Commander Falco would like to extend an offer to join the force, and become an S.P.D. officer. We actually could use your powers as a Wilboarian.

SUE

But if I did join then the S.P.D. would be using me in the same way the Genaitaz did.

DORIAN

Actually no. You wouldn't just be opening locks for us. You'd also be helping to solve crimes, upholding intergalactic law, and generally using your powers for the betterment of society. Now what do you say?

SUE

Okay I'll join. Especially since I learned today that cops can actually be trusted.

Sue looks over at Dex.

DORIAN

Excellent. Commander Falco actually wants you to join the Mirinoi branch, and there'll be a shuttle waiting for you in two hours.

PATRICK

Only two hours? That's not enough time for you Dex.

DEX

What do you mean?

ALEXANDRA

Please, don't tell me that you didn't notice that Sue's become a cute girl since she grew to maturity.

JULIE

Yeah especially since she no longer looks like an Oompa Loompa.

DEX

Uh...

A partially angered look goes over Sue's face, as she waves her right hand toward Dex. The energy that Sue releases hits Dex's belt, causing his pants to fall down revealing a pair of red boxer shorts. Rick notices

RICK

Red boxers?

PATRICK

Maybe he's trying to be Superman or something.

DORIAN

Either way, someone needs to get his pants back up, and escort Sue to the shuttle's location. Anita was able to get a nice tandem bike for you Dex to take her.
